01/09/2009: Members of the Tera Radio Club, HB9OK (www.hb9ok.ch/) will be activating the special callsign HB9VELO during the month of September. Activity will be on all HF bands using CW, SSB, PSK and RTTY. QSL Manager is HB9OCR. Their activity is to promote the cycling "UCI Road World Championships" being held in Mendrisio, Ticino canton, between September 23-27th. For more details, see: www.mendrisio09.ch/ . The Tera Radio Club is organizing an award; more details are expected. [OPDX Bulletin]

02/09/2009: The ARRL announced that the Hiram Percy Maxim Birthday celebration is back! This year, the ARRL is honoring the 140th anniversary of the birth of the League's first president and co-founder. Hiram Percy Maxim, W1AW, was born September 2, 1869 and died February 17, 1936. The special event is open to all amateurs, and the goal is to work the stations adding /140 to their callsigns, and contact as many as possible during the event period, September 2-9th. A special certificate is available for making at least 25 contacts with /140 stations, with endorsement increments of 25, and a maximum endorsement of 100. Who is eligible to sign /140? ARRL members who hold ARRL appointments, ARRL elected volunteers (such as ARRL Directors and Section Managers), ARRL Life Members, ARRL Headquarters staff and VEs, AECs, QSL bureau workers and awards managers (who are ARRL members). The complete list of eligible positions can be found on page 20 of the September 2009 issue of QST. For more details, read ARRL Letter (Aug. 21st, Vol. 28, No. 33) or go to the ARRL Web page at:
www.arrl.org/news/stories/2009/08/17/11025/?nc=1 [OPDX Bulletin]

03/09/2009: This year's SYLRA (www.sylra.is/) meeting will be held September 3-6th in Kolbotn, Norway (special callsign LA1SYL). After that, from September 7-11th, Ingrid/LA8FOA, Unni/LA6RHA and several other YL operators will be active as JW1SYL from Longyearbyen (EU-026), Svalbard. QSL via LA8FOA, direct or bureau. [425 DX News]

U.S.A. Special event station information can be found at:

US COUNTY HUNTING - USA-CA

NN9K - Peter - 2* - 28 August 2009 to 28 August 2009 - CW Only
Traveling route 93 south from Flathead County Montana to Butte County
Idaho. QSL via home call. [County Hunter Web]

NUØQ - Bill - 1* - August 29 to September 4 - SSB and CW
KANSAS QSO Party (with time out for a few sightseeing stops). Saturday
1400z: Sedgwick, Harvey, Marion, Chase, Morris, Wabaunsee, Geary, Riley,
Pottawatomie, Riley, Geary, Dickinson, Saline, Ottawa, Saline,
Ellsworth, McPherson, Saline. Sunday 1400z: Lincoln, Russell, Osborne,
Russell, Ellis, Trego, Ness, Lane, Scott. Mostly 40m/20m. Route subject
to change for no reason. After the QSO party, we continue west to spend
a few days in the mountains. Then back home to Iowa on September 3/4.
QSL via home call. [County Hunter Web]

WØBH - Bob - 29 August 09 to 30 August 09 - SSB and CW
Kansas QSO Party
Saturday 1400 UTC - 0200 UTC: Reno, Rice, Stafford, Edwards, Ford,
Hodgeman, Pawnee, Barton, Rush, Ellis, Trego, Ness, Lane, Gove,
Sheridan, Thomas, Gove (again), Logan, Scott, Finney, Kearny, Wichita,
Hamilton, Greeley, Wichita (again), Wallace, Sherman.
Sunday 1400 UTC - 2000 UTC: Cheyenne, Rawlins, Decatur, Norton,
Phillips, Graham, Rooks, Phillips (again), Smith, Jewell, Osborne,
Mitchell, Lincoln, Russell, Lincoln (again), Ellsworth.
Comments: Look for me on 20/40 and perhaps on 80 during the last hour on
Saturday. You can work me in each county on each band and mode. I'll try

to stay around 48: 7048, 7248, 14048, 14248, 21048, 21348, 28048, 28448. Once you find me, put me in memory and I'll try to return to the same frequency whenever possible. I'll keep checking 15m and 10m during the day. For my downloadable schedule, map, and last minute updates, check www.qrz.com/db/w0bh. I hope we can give you the counties you need. Remember that we need you in ALL the counties! [County Hunter Web]

From: ovidiu orza yo2dfa@...

My call is YO2DFA and I have the honour to be the Contest Manager of the YO DX Contest this year too.

I would like to inform you, and by this means all your readers, that in 2009 August, 29 - 30, the YO DX Contest will take place.

The rules could be found here:
http://www.yodx.ro/en/hf-contest/rules

The results of 2008 edition could be found at:
http://www.yodx.ro/en/hf-contest/2008

Official sponsor's list be found here:
http://www.yodx.ro/en/hf-contest/list-of-sponsors

All the participants which will fulfill the necessary conditions during the contest will receive free a YO BZ AWARD (I-st Classe).

73 Ovidiu - YO2DFA

GB50 - July was the first month of activating GB50ATG for the 50th anniversary of the British Amateur Radio & Teledata Group. Roger, G3LDI, managed to work around 400 stations. Even though we are still at a minimum as far as propagation is concerned, lots of JA stations were worked, but few USA stations. Arthur, G1XKZ, has taken over using GB50ATG until the end of August. He has already made lots of contacts in the SARTG contest and will be as active as he can on both RTTY and PSK. At the end of August, the call will be passed on again, this time to John, GW4SKA.

SuitSat-2 Now Called ARISSat-1
The SuitSat-2 project -- an Amateur Radio satellite housed in a Russian spacesuit -- now has a new name to go with a new shape: ARISSat-1. On Wednesday, August 19, Amateur Radio on the International Space Station (ARISS) Chairman Gaston Bertels, ON4WF, announced the new name for the satellite and project. According to ARRL ARISS Program Manager Rosalie White, K1STO, the project team is moving ahead, using the same hardware that was to fly in the Russian Orlan suit. Russia will continue to call the satellite Radioskaf-2, so ARISS is designating it ARISSat-1/Radioskaf-2.

8847. New Data Files and Reports Uploaded to the Web

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-08-28 10:44:42 UTC
From: K1XN
Topic: 8510 Message: 8847

The *SEPTEMBER 2009 Issue #909 *files have been uploaded to the Golist
web site.
The weekly GoData files include DXCC APPROVED OPERATIONS in the
data file.
Use the DOWNLOAD button in your GOWIN program or this link in your
web browser. http://golist.net/dlauth.cfm
It is recommended that you open up GOWIN after downloading the data file
update and on the top bar click on FILES/CLEANUP FILES and run this
routine to clear all the old update files from the program folder.
This will prevent any lookup problems for you.
Now is a good time to send in your RENEWAL to GoWin if your subscription
is about to expire.

* I do still have some inventory of the Summer 2009 RAC Call Book cd.
The next edition Winter 2010 will not
be produced until November 2009. I will receive my order late in the
month of November.
You can get on the Pre-Sell list by making an order and selecting the
Pre Sell option for RAC.
Current Golist members receive an additional discount on RAC. You
must be a current member when the
newest edition is released. The cost to Golist members is $37.50 with
Free shipping to an USA address.
Non Golist members or those members that have NOT renewed, the cost is
$40.50 with Free shipping to an
USA address. All order outside of the USA have a $5.00 shipping charge.
Both the Summer 2009 and the Winter 2010 editions are on the Golist
order form. Orders for the Winter 2010
will not be charged until the first week of November 2009.
LOG EQF registered users may upgrade to WIN EQF for Windows for the
discounted price of $25.00 instead of
the retail price of $59.95. The LOG EQF program is no longer supported.
All logs will convert over to the WIN EQF
program. Tom just released a patch for WIN EQF to update the program to
version 1.94R. The patch is on Tom's web
site at http://eqf-software.com/
The GoWin program is now at version 2.19 and every one should have
it now. It was in last weeks data file download.

8852. GB50ATG

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-08-30 21:40:32 UTC
From: K1XN
Topic: 8852 Message: 8852
Attachments: 1 described; binary payloads are missing from this source WARC

From: "John Barber GW4SKA" <ska@...>

You may have seen the GB50ATG call on your screens recently. This special event call is to celebrate the Golden Jubilee of BARTG, the British Amateur Radio Teledata Group. Check the BARTG web site, www.bartg.org.uk for details of the Golden Jubilee Award, special QSL cards and also wall plaques. GB50ATG will be on the air until the end of June 2010 with several BARTG members sharing the operating from various locations.

For the month of September the call will be used by John GW4SKA from his usual address in Wales. This will include operation in the CQWW contest, so if you work GB50ATG in a contest *this month* it should count as a GW multiplier.

73,
John GW4SKA

8853. Willow Island

Yahoo group: GOLIST (2007 — 2010)

Attachments: 1 described; binary payloads are missing from this source WARC

From: "AD5VJ Bob" <rtnmi@...>

Look for my Fists number from Willow Island:

Our club is activating US Islands, with commemorative QSL cards, until October and wanted everyone to know we had a blast this
weekend from our reactivation of Pelican Island.

We worked around 5 DX stations including France, Italy, Mexico, Japan and Canada along with many US stations as well. Around 300
contacts in all from 9am Central until around 1700 Central time. Using only one transceiver, 100W and a dipole up 20 feet.

This weekend Sep25th2009 Central time we will be working a new activation (never been on the air before) from Willow Island

("TX061L" US Island designator).

Starting around 1400Z until around 2200Z.

http://www.wc5c.org/WC5CClub/Island/tabid/404/Default.aspx

Dx stations please look for us this coming Saturday around 9AM Central Time. I hope to be operating on 30 meters QRP, but shouldn't
be a problem from the Island for DX or anyone else for that matter.

We will also have guys on 40 meters phone and 20 meters phone.

If I can I will try working CW on 40 and 20 as well. Somewhere around 7050 and 14050.

73 fer nw

es hope to work you from Willow Island.

Hi friends

For this issue, special tks to NG3K, W3UR & Daily DX, I2MQP, 425 DX, DXBL, OZ6OM, MMM VHF and Guy DL8EBW, F8LDX, Pete’s DX News, VA3RJ , YB2TJV, RSGB Iota.org, and more.
France – CORSICA
Sep 16 - Oct 3 , DF6ZY will sign /TK mainly RTTY
QSL H.C. dir & bureau DARC, Please nothing via the French Bureau.

FRANCE - GUADELOUPE
Anthony, F4EUG will be active as FG/F4EUG from Guadeloupe Island (NA-102, DIFO FG-001, WLOTA L-0644) from September 3-10th. Look for activity on all bands/modes. QSL via home call, direct or by the bureau.

FRANCE Mayotte
Sep 22 - Oct 25 , DJ7RJ will sign TO7RJ all bands SSB & CW . QSL via HC.

FRANCE – CHESTERFIELD:
FK/C Chesterfield Isl.
Nov 23 - Dec 6 , by AA7JV, HA7RY as TX3A or /FK . QSL via LoTW

France Saint Pierre et Miquelon :
Sep 24 - Sep 27 ; G3ZAY will sign HC/FP . QSLvia HC.

SOUTH AFRICA Special event
ZS - Special event callsign ZS10WCS will be aired from South Africa from September through 12 July 2010 for the FIFA World Cup (_http://www.fifa.com/worldcup/index.html_ (http://www.fifa.com/worldcup/index.html)). Expect activity on a daily basis from 1 June through 12 July, while during the months leading up to the event the callsign will be in use during the weekends. QSL via the South African Radio League's bureau, whose mailing address for direct QSLling is: SARL, P.O. Box 1721, Strubensvallei 1735, South Africa.

PAPUA
01/09/2009: Allan, VK2GR and his XYL Josette will be active as P29CW from Kiunga, in the Western Province of Papua New Guinea (OC-034, WLOTA L-0084, WW Loc. QI03PV) between September and December. Activity will be only during his spare time because he is there working with "Australian Doctors International" (ADI - www.adi.org.au/). They will be providing a patrol based medical service in the Middle and North Fly Districts of the Western Province of PNG. Due to the anticipated work load and the lack of power in the villages, P29CW is not expected to be active on the many field trips during this period of operation. The field trips will be on the Fly River by boat and on foot. Essentually they will be 2

weeks out in the field and one week back at Kiunga. Their license shows that they can operate from Daru, Daru Island (OC-153, WW Loc. QI10OW) and Kiunga, PNG. QSL direct to Tommy, VK2IR with 3 USDs or new IRCs.

USA , Special event :
1st)
Hi All
Pse check out here for N4H

http://www.nn4f.com/n4h/

~ The Worlds First Successful Combat Submarine ~

On September 19th & 20th, 2009, a group of Amateur Radio operators in Charleston, South Carolina, will be activating a Special Event Station N4H at the site of the Confederate Submarine H.L. Hunley.

Raised on August 8th, 2000, and located at the Warren Lasch Conservation Center on the old Charleston navy base, the H.L. Hunley is being preserved in a 90,000 gallon water tank as archeologists investigate the cause of the vessels sinking. The Hunley disappeared without a trace, on a return journey, after using a 135Lb. torpedo to sink the U.S.S. Housatonic four miles off the coast of Charleston, SC. on February 17th 1864,
making it "The World's First Successful Combat Submarine".

Join us as we commemorate this historic event.

Operating on ALL Bands 160m - 10m

Operating Times 9AM - 5PM (May Be Extended)

We have a specially designed QSL card available

73 de Dani YB2TJV
Click here: N4H - The Hunley Special Event - September 19th & 20th 2009_ (_http://www.nn4f.com/n4h/_ (http://www.nn4f.com/n4h/))
2nd
W - A large number of stations from the US will add /140 to their callsigns on 2-9 September to celebrate the 140th anniversary of the birth of Hiram Percy Maxim, W1AW (1869-1936), co-founder and first president of the American Radio Relay League. Information on the event and the relevant certificate can be found at _http://www.arrl.org/news/stories/2009/08/17/11025/?nc=1_ (http://www.arrl.org/news/stories/2009/08/17/11025/?nc=1)

C4I ...
TONGA:
Hello Bill
From OZ1IKY I got the information that IK1PMR, PA3LEO, PA0BWL, AA4NN,
OE2SNL, DJ5IW, and OZ1IKY are planning an expedition to three semi-rare
entities in the Pacific. First one week on Samoa, then two weeks on
Tonga, and then one week on South Cook. Focus will be on the lower
bands. Dates are from 11/Nov to 13/Dec.

More information; http://www.ik1pmr.com/plans/a3/index.php?s=intro

73's, Alex, OZ7AM

UK Special event
From: "John Barber GW4SKA" <_ska@bartg.org.sk_ (mailto:ska@...) >

You may have seen the GB50ATG call on your screens recently. This special
event
call is to celebrate the Golden Jubilee of BARTG, the British Amateur
Radio
Teledata Group. Check the BARTG web site, www.bartg.org.Teledata Group.
Check
Golden Jubilee Award, special QSL cards and also wall plaques. GB50ATG
will be
on the air until the end of June 2010 with several BARTG members sharing
the
operating from various locations.

For the month of September the call will be used by John GW4SKA from his
usual
address in Wales. This will include operation in the CQWW contest, so if
you
work GB50ATG in a contest *this month* it should count as a GW multiplier.

73,
John GW4SKA

GB2STI Special Event Station

The station will be on the air this year again from the
Railway Preservation of Ireland base in whitehead Co
Antrim on Sunday the 13th of September.

There will also be train rides on site as it is an open
day for the railway preservation society. All QSL’s via

the buro to Brendan gi0kpf.

9H - MALTA, EU-023
1st)
Wm,PA2AM, will be active as 9H3DZ from Malta (EU-023) in CW and RTTY
mainly on the WARC bands from Sep 4-14. QSL via bureau to his homecall.

A group of Dutch OMs will be QRV in CW, SSB and digital modes on 80m-6m
from Sep 6-27. Following calls will be activated: 9H3ON (QSL via PG9W),
9H9PA (PB9ZR), 9H3AB (PA1SL), 9H3DZ (PA2AM), 9H3FD (PA3FHR),
9H3S (PA3HGP), 9H3X (PE1NGF), 9H3YM (PE1OFJ) and 9H3ZR (PB9ZR).
2nd)
Sep 4 - Sep 14 , 9H3DX By PA2AM mainly CW & RTTY , QSL HC.
H.C.

SOUTH PACIFIC TRIP:
1st)
Don,G3BJ, and Hilary,G4JKS, are spending their holiday
in the South Pacific from Sep 4-25. Their first stop will be the
Austral Islands where they will activate the islands Rurutu (OC-050)
and Tubuai (OC-152) as FO/G3BJ from Sep 4-16. They are using a K3 radio
and a Butternut HF6 vertical and will be active on 80m-10m (but not on
17m and 12m). Their second stop will be Niue (OC-040) where Don and
Hilary will show up as ZK2BJ from Sep 18-25. QSLs direct via G3BJ.
2nd)

Gerben,PG5M, is travelling to the South Pacific again in
September and his schedule includes following stops:
Sep 6-7: Fiji, 3D2? (OC-016)
Sep 8-14: Western Kiribati, T30G (OC-017)
Sep 15-16: Fiji, 3D2?
Sep 17-23: Tuvalu, T2G (OC-015)
Sep 24-27: Fiji, 3D2?
Gerben applied fo the callsign 3D2G in Fiji but this has not been
confirmed yet. He works only in CW and will use an Elecraft K3 radio,
a double dipole (2x20m) and verticals.
QSL cards should be sent via bureau or direct to his homecall PG5M.
For direct QSLs return postage of minimum 2 USD is necessary.

RUSSIA:

EU-147, R1N, White Sea Coast Group: Mike,RA1ALA/1, George,RW3AKN/1, and
Alex,RX1AW/1, are activating Nemetskiy Kuzov Island (RR-02-09 in the
Kuzov archipelago) until Sep 4. QSLs via homecalls.

MONACO
Sep 23 – Sep 30 , HA3JB will sign /3A , QSL, HC.

ARUBA - P4
Sep 8 - Sep 17
W3BTX & W3TEF will sign P41USA . QSL via W3TEF

Netherland Antilles PJ2
Sep 24 - Oct 7 - PA1FJ will be /PJ2
QSL H.C. dir & bureau

St Eustatius PJ5
Sep 26 - Oct 1 - AH6HY will sign /PJ5 mainly SSB
H.C. dir & bureau
SV

CANADA / VE
- Sep 1 - Sep 28
K3GV will be /VY2 from NA-029 . QSL HC H.C. dir &
- Sep 4 – Sep 11
Juergen,VO2/NF6J, plans to become QRV from Battle Island (NA-044, CIsA NF-049 , NFLD Province (Labrador) South Group). QSL via DL7RV (direct/bureau).

Tuvalu
Central Kiribati
T31
Sep 10 - Sep 25 - N3BQR will be on fm OC-043 20m
SSB using a vertical or a dipole

Chatham – ZL7
Sep 18 - Sep 30 , N7OU will be /ZL7 all bands CW . QSL H.C.

Hi friends
For this edition, special thanks to Fred/F8DHA, Benoît/F8PDR, Bastien/F4EYQ, Raymond AUPETIT, Franco/IS0VSU.
FRANCE:
Some Islands information remaining :
Ile Madame – Not IOTA -
The Charente Maritime area Hams, members of the F5KLJ ARC, are going once more to the Ile Madame (DIFM AT-024, Not IOTA, WW Loc. IN95TX). This activity will happen under the TM1MAD callsign, on September 5-6th. The team includes Alain/F1MMR (SSB), Fabrice/F4ETJ (SSB), Michel/F5PON (Digital), Bernard/F6BCC (SSB) and Fred/F8DHA (CW). QSL via the bureau to F5KLJ.
GLENANS archipelago, Saint Nicolas Island – EU-094 -:
The same Manche area Ham team who was active formerly from Tombelaine (2007) and Brehat (2008) islands is once more on the go.
Eight operators, are going to Saint-Nicolas island (DIFM AT-010, WW Loc. IN77XR) in the Glénans archipelago (EU-094), located in French Britanny, ity] of Fouesnant (zip code 29170), Department Finistère/29 and Province Britanny (DPF 06).
They will stay on the island between September 11th and 18th, using the callsign F5KAQ/p and homecall/p.
Bands and modes:
- HF CW by Benoît/F8PDR, Jean-Jacques/ F5NKX, René/F6CMC, Alain/F6ENO;
- HF digimodes by Denis/F5RJM;
- HF SSB by Alain/F5HVI Alain/F6ACH, and René/F6CMC.
- Rolf, F9ZG will concentrate tests and traffic on 144 MHZ and more, up 10GHz, in SSB and ATV.
- 50Mhz will be aired on SSB and maybe in CW, on 50.200 MHz.

QSL manager: F5RJM, direct CBA with envelope and postage (1 IRC or 1 US$ Europe, 1 IRC or 2 US$ elsewhere) or via the French Ref-Union Bureau.
Belle île en mer – EU-048 update - :
Look for the Sevran/F5KKD Radio Club and F6KPQ ARC members to be QRV September 4th/1700 utc – 7th/0800 utc, on Belle Ile en Mer, (EU-048, DIFM AT-015, WLOTA L0078, Grid IN87)..
The team consists by mode and bands of:
F0FFZ Gwena , F0EUL Désiré, F4EYR Jean-François, in VHF.
F/YU3FX Misho HF SSB and CW
F4FFZ Mickael HF SSB ,
F4EYQ Bastien HF SSB and PSK31
QSL via F5KKD (BUREAU)

8859. 100th anniversary IRCs

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-09-02 18:31:48 UTC
From: GOLIST
Topic: 8859 Message: 8859
Attachments: 1 described; binary payloads are missing from this source WARC

I have 25 of the specially marked 100^th anniversary IRCs. I know there are some collectors to whom these might be valuable (One contacted me several months ago, but I lost his email address). These are the current style IRC that expires in December except that they have a special marking that says

100 ans and includes the dates 1907-2007.

If anyone is interested in these IRCs, please contact me at n5ftr@... <mailto:n5ftr@...>

Hello DXers:

I could not announce this earlier as I had to be sure it was uploaded and ready for use.

THE 2009 DX MAGAZINE MOST WANTED SURVEY WEB FORM IS NOW READY FOR YOU TO USE.

JUST GO TO THE WEB SITE: www.dxpub.com
AT THE BOTTOM OF THE HOME PAGE YOU WILL SEE THE LINK TO THE FORM.

NOTE:
THIS IS NOT - REPEAT NOT - A COMPLETE LIST OF ALL DXCC COUNTRIES.
However, if you need something that is not on the list, you may add it at the bottom of the survey form in the COMMENTS box.

Please pass the word to your DXer friends that the survey is up and running and will be there until OCTOBER 15th.

Thanks/73,
Carl, N4AA

8861. FT5GA, EA8, YN, France Castles and Mill

Topic: 8861 Message: 8861

Hi friends
For this issue thanks to Bill, NG3K, Rafik, F5CQ, François, F5JNE, Claude F5MCC
GLORIOSOS 2009
Nobody fell into the trap.
FT5GA spotted yesterday at 1322, on 14262, was a big joke.
The crew is still in Metropolitan France.

Contest: CQWW DX Contest, CW (November 28-29, 2009)
Submitter's callsign: EA8AY
Contest callsign: AN8R
DXCC entity: CANARY ISLANDS
Operation class: M/?
CQ zone: 33
QSL route: EA8AY
Operators: EA8AY EA8NC EA8CCD

Notes: _http://www.ea8ay.com/an8r_team/index.html_ (http://www.ea8ay.com/an8r_team/index.html)

Hi Bill

Just bought my ticket for WW CW so my definite dates of activity are 26-29 Nov 2009 for WW CW as YN2GY.

Travel dates are 25 + 30 Nov... So probably not much activity on those dates.

WARC bands before contest. All CW trip.

73, Eric K9GY

France :
On next Saturday, look for François, F5JNE and Gerard, F6ICG to be active as F5JNE/p from the Castle of Arthel, DFCF 58101, in the city of Arthel, zip code 58700 and Canton new one DDCF 58-19 of Prémery. 80 then 40m, cw/ssb, starting around 0600 utc.
QSL bureau, SWL cards welcome.
On next Saturday, look for Claude/F5MCC, Gilles/F4FGJ and Yveline F 13049, to be active from the Castle of Lechères, DFCF 89307, in the city of Joigny zip code 89300, then from the Mill of Pompelle, DMF 89-045,in the same city.
Starting around 0600 utc, 80, 40 and other bands propagation permitting, SSB
Callsign F4FGJ/p
QSL via bureau, SWL cards welcome.

From Jean-Michel F6AJA

Sebastien F8IJV will be in honeymoon in Senagal from
October 14 to 30. Il will be active from the Jean-Francois
(6W7RV) station specially for the CQWW SSB with the 6V7Q
callsign.

Nicolas F5TGR will be TK/F5TGR from Porto Vecchio (iota EU014)
from september 6 to 18 and will be active in SSB and CW from
10 to 40m. He will try also to be active from an island
for IOTA EU-100. QSL 100% via the french bureau.

Nicolas F4EGX has got his card for his FT5YI activity (November
to December 2008) and will be soon on the mail.

I (me F6AJA) am NOT the QSL manager for the last activity
for 4J0FR in August (QSL via F6FYD himself).
I have only the log/QSL for August 1995 and
Decembre 1997 to january 1998. The logs are on the web as
http://www.lesnouvellesdx.fr/voirlogs.php

Best Wishes

Jean-Michel F6AJA

8863. New Data Files and Reports Uploaded to the Web

Yahoo group: GOLIST (2007 — 2010)

From: GOLIST
Topic: 8510 Message: 8863

The *SEPTEMBER 2009 Issue #909-A *files have been uploaded to the Golist
web site.
The weekly GoData files include DXCC APPROVED OPERATIONS in the
data file.
Use the DOWNLOAD button in your GOWIN program or this link in your
web browser. http://golist.net/dlauth.cfm
It is recommended that you open up GOWIN after downloading the data file
update and on the top bar click on FILES/CLEANUP FILES and run this
routine to clear all the old update files from the program folder.
This will prevent any lookup problems for you.
Now is a good time to send in your RENEWAL to GoWin if your subscription
is about to expire.

8864. [ICPO] ICPO Bulletin (September 03 - 11, 2009)

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-09-03 19:46:23 UTC
From: Dave Raycroft
Topic: 8864 Message: 8864

I.C.P.O. Bulletin (September 03 - 11, 2009)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

03/09/2009: Peter, DK8AF is currently active as 9A/homecall from Pasman Island (EU-170, ACIA IC-348, CIA-34, IOCA CI-085, MIA MC-291) until September 7th. QRV 160-10 meters from his QTH near Zdrelac (WW Loc. JN74PA). QSL via home call, direct or bureau. [IW5EDI]

03/09/2009: Anthony, F4EUG will be active as FG/F4EUG from Guadeloupe Island (NA-102, DIFO FG-001, WLOTA L-0644) from September 3-10th. Look for activity on all bands/modes. QSL via home call, direct or by the bureau. [rsgbiota.org]

03/09/2009: September will be the final month for the 65th Anniversary of Operation "Market Garden". Look for special event stations GB65BTF "Bridge To Far" and GB2ADU "Air Dispatch Units" to be active for the month of September. QSL via the information at QRZ.com.
[Pete's-DX-Newsdesk]

03/09/2009: Masa, JD1BMM is currently active from Minami-Torishima [Marcus Island] (IOTA OC-073, JIIA OC-073-001) until September 28th. Look for activity on all bands/modes. QSL via the bureau or direct (QRZ.com). [AT International]

03/09/2009: Look for Mort, G2JL to be active from Lipsi [aka Leipsoi, Lipsos] Island (GIOTA DKS-056, MIA MGD-017, WLOTA L-0766), Dodecanese (IOTA EU-001), starting September 3rd for three months. QRV all bands and modes, propagation permitting. QSL via home call, direct or bureau. [AT International]

04/09/2009: Kuny/W1FPU (7L1FPU) and his nine-year son Yoshiki/KH0UA (JF1UCV), Tomo/N2QP (JQ1OCR) and his wife Yuri/KE7TWK, Hajime/AH0BR and Moto/W1NDE will be active as AH0BT from Chalan Kanoa, island of Saipan (USi NI002S, WLOTA L-1333), Northern Mariana Islands (OC-086) from September 4-7th, including a Multi/Single entry in the All Asian DX Phone Contest (September 5-6th). QSL via 7L1FPU, direct or by the bureau. [NG3K]

04/09/2009: Updated: Look for the Sevran/F5KKD Radio Club to be QRV September 4th (1700z) to September 7th (0800z) as F5KKD/p from Belle Ile island (IOTA EU-048, DIFM AT-015, WLOTA L-0078, Grid IN87). Operators mentioned are F0FFZ/Gwena, F0EUL/Désiré, F4EYR/Jean-François (in VHF); Misho, F/YU3FX (HF SSB and CW); Mickael/F4FFZ (HF SSB); and Bastien/F4EYQ (HF SSB and PSK31). QSL via F5KKD, bureau preferred. Further information can be found at: iota2009.crxcluster.com/ [F5NQL]

04/09/2009: Don/G3BJ and Hilary/G4JKS will be on vacation in the South Pacific during September 2009. They will be active as: FO/G3BJ - Austral Islands (Rurutu OC-050 and Tubuai OC-152) from September 4-16th; ZK2BJ - Niue (OC-040) from September 18-25th. Mostly QRV on CW - 3.5 to 28 MHz - no 17m or 12m, using a K3 and a Butternut HF6. QSL direct to G3BJ (QRZ.com). [DX World of Ham Radio]

04/09/2009: Operators Theo/PA1TK, Kees/PA5WT and Rob/PA3GVI will be active as LX/homecall between September 4-7th. Look for Kees and Rob to focus on the HF bands between 80-10 meters using CW and SSB. While Theo operates in the IARU VHF Contest on 144 MHz (2m). QSL via their home callsigns. [OPDX Bulletin]

04/09/2009: Members of Aegean DX Group will activate Agathonisi Island (IOTA EU-001, GIOTA DKS 063 [for Greek Islands On The Air Award: www.5-9report.gr/giota], MIA MGD-001) as SX5AG between September 4-7th. Operators mentioned are Alexandros/SV8CYR, Vassilis/SV8CYV, Ilias/SV8FMY, Giorgos/SV8IJZ, Giannis/SW8MFF and Dirk/ON5CT. Activity is planned for 80/40/20/17 meters using SSB and the Digi modes mainly on the IOTA frequencies. Depending on the propagation, look for activity on 12/10/6 meter SSB. Suggested frequencies are: SSB - 3785, 7055, 14260, 18124, 24950, 28460 and 50150 kHz; RTTY - 3580, 7035 and 14080 kHz; PSK - 3570 and 14070 kHz. QSL via their manager SV8CYR. For more info, see: www.qrz.com/db/SX5AG [OPDX Bulletin]

04/09/2009: Look for Juergen, NF6J to be active as VO2/NF6J from Battle Island (NA-044, CIsA NF-049) between 1300z September 4th to 2300z September 11th. QRV 30, 20 and 15 meters, CW only. QSL via DL7RV, direct or bureau. [rsgbiota.org]

05/09/2009: The AO2V Team will be active from Gorramendi Mountain (WW Loc. IN93GF), Spain, during the IARU Reg. 1 VHF Contest (September 5-6th). Operators mentioned are EA2GJK, EB2FJN, EA3EZG, EA3GDQ, EA4WT, EC4CLR, EA5GZY and EB5ARP. Equipment: 2x17 + 2x13 + 1x17 with 3x 0,5Nf + GS-35, 2x4cx250, 3cx800a7. QSL via EB2FJN, direct or bureau. [MMMonVHF]

05/09/2009: Claude/F5MCC, Gilles/F4FGJ and Yveline/F-13049 will be active September 5th as F4FGJ/p from the Castle of Lechères (DFCF 89-307), located in the city of Joigny (CP 89300), Department Yonne/89 and Province Burgundy (DPF 05). They will also activate the Mill of Pompelle (DMF 89-045), in the same city. Starting around 0600 UTC, 80, 40 and other bands propagation permitting, SSB. QSL via bureau, SWL cards welcome. [F5NQL]

05/09/2009: Look for François/F5JNE and Gerard/F6ICG to be QRV September 5th as F5JNE/p from the Castle of Arthel (DFCF 58-101), in the city of Arthel (CP 58700), Canton of Prémery (new one DDCF 58-19), Department Nievre/58 and Burgundy (DPF 05). 80 then 40m, CW/SSB, starting around 0600 UTC. QSL via bureau, SWL cards welcome. [F5NQL]

05/09/2009: Gregg, W6IZT will be QRV from the island of St. Martin (IOTA NA-105, DIFO FS-001, WLOTA L-0383, Grid FK88) between September 5-13th as FS/W6IZT. Activity expected on 40-6m CW, SSB and RTTY. QSL via

N7XG, direct or bureau or LoTW. [DX World of Ham Radio]

05/09/2009: Gianni/IS0IGV (QRO) and Franco/IS0VSU (QRP) will operate the IQ0QP HF Field Station for the "Billy IS0ICE Memorial Day" (September 5th), from Montegresia (WW Loc. JM49QG), Sardinia (EU-024, IIA SD-001, MIA MIS-035, WLOTA L-1608). QRV 7.001, 7.021, 7.031, 7.091, 14.021, 14061 and 14.291 MHz. A Beacon (Elecraft KX1) will be active on 14.349.5 MHz. QSL via IQ0QP, direct (QRZ.com). [IS0VSU]

05/09/2009: A group of 11 operators will be active on the HF bands, using SSB, as SX2IMA from Mount Rachia for the Greek Field Day, September 5-6th. QSL via SV2JAO, direct only. [425 DX News]

05/09/2009: The Charente Maritime area Hams members of the F5KLG ARC, are going once more to the Ile Madame (DIFM AT-024, Not IOTA, WW Loc. IN95TX). This activity will happen under the TM1MAD callsign, on September 5-6th. The team includes Alain/F1MMR (SSB), Fabrice/F4ETJ (SSB), Michel/F5PON (Digital), Bernard/F6BCC (SSB) and Fred/F8DHA (CW). QSL via the bureau to F5KLJ. Further information at: www.en-charente-maritime.com/charente-maritime-territoire/iles/ile-madame/ile-madame.asp [F5NQL]

05/09/2009: Mathias/DJ2HD, Ulmar/DK1CE and Wolfgang/DH3WO will be active holiday style from Namibia as V5/homecall from September 5-26th. QRV 40m-10m, mainly SSB and CW, using TS-480AT, a small SteppIR and 2 other GP's for the other bands. No 160m and 80m. They plan to travel through Namibia in a Land Rover Defender TD5 operating from many different places, including Etosha National Park. All QSO's confirmed by a special colour QSL card. [NG3K]

05/09/2009: The Tri-County Amateur Radio Club of North Texas, WC5C will activate for the first time Willow Island (USi TX061), located in Lake Worth, Tarrant County, Texas, on September 5th. This island is tanglewood and inhospitable (poison ivy) with some wildlife. A commemorative QSL card will be dispatched to all contacts acknowledging them as remote participants in the first activation of Willow Island. We will need QSL cards from everyone so we can qualify the island. Operations will mainly be on 20m and 40m SSB, but they will QSY to accomodate stations on other HF bands or modes. PSK31, SSB and CW modes will be available. The club will access the island by boat, canoe and kayak. Primary hours of operation will be 1400 UTC to 2200 UTC, and possibly continuing into the night depending on conditions. [USi]

06/09/2009: Gerben, PG5M reports that he will be activating three DXCC entities in the Pacific between September 6-27th. His schedule is as follows: September 6-7th - Fiji (OC-016), prefix 3D2; September 08-14th - Tarawa Island (OC-017), W. Kiribati, callsign will be T30G; September 15-16th - Fiji, prefix 3D2; September 17-23rd - Tuvalu (OC-015), callsign will be T2G; and September 24-27th - Fiji, prefix 3D2. The callsign is not known for Fiji, but he has requested 3D2G. This will be an ultra light solo DXpedition and CW only. He will use an Elecraft K3, and a 2x20m doublet plus vertical antennas. QSL via PG5M,

by the Bureau or direct. For direct requests, please enclose a minimum of 2 USDs for return postage. More details and updates will be available on: www.dx.to/ [OPDX Bulletin]

06/09/2009: Look for Michael, DK5NA to be active as 5Q5NA from Romo Island (EU-125, NS-001 for the Danish islands award) from September 6-25th. Expect activity on all bands, propagation permitting. QSL via home call, bureau preferred. [rsgbiota.org]

06/09/2009: Once again a group of Dutch operators will be going to Qawra, Malta (EU-023, MIA MM-001, WLOTA L-1113, WW Loc. IM25SW) for annual holiday/DXpedition. They will be active on 80-6 meter CW, SSB and digital modes between September 6th and 27th. The callsign for the group is 9H9PA (QSL via PB9ZR), but they will also operate under their individual callsigns: 9H3AB (QSL via PA1SL), 9H3DZ (QSL via PA2AM), 9H3FD (QSL via PA3FHR), 9H3ON (QSL via PG9W), 9H3S (QSL via PA3HGP), 9H3X (QSL via PE1NGF), 9H3YM (QSL via PE1OFJ), 9H3ZR (QSL via PB9ZR). [425 DX News]

06/09/2009: Operators from the Cambridge University Wireless Society, namely Rui/M0RLM, Dom/M0BLF, Martin/G3ZAY, Hugo/M0HSW and Tom/M0TJH will be active as CT/homecall/p from Ilha da Barreta [aka Ilha Deserta] (EU-145, DIP AL-003, D.I.A. reference Ai-03 for the Algarve Islands Award), Portugal, between September 4-6th. Activity will be on most of the higher HF bands using CW and SSB. QSL via the operators home callsign, direct or by the bureau. QSL CT/G3ZAY/p via M0BLF, direct or bureau. For details, see: http://www.domsmith.co.uk/amateur-radio/dxpeditions/2009/ct [OPDX Bulletin]

06/09/2009: Franco, IS0VSU (ISQRP#01) from Associazione Radioamatoriale Sardinia QRP Club of Selargius (CA-Sardinia Island-Italy - www.sardiniaqrp.com) will be active as IM0/IQ0QP on HF CW (QRP), PSK31/SSB (QRO), from Isola dei Cavoli (IOTA EU-165, IIA CA-001, MIA MIS-008, WLOTA L-0224), September 6th (0900 to 1500 UTC). Activity will be on 40 and 20 meters (7.021, 7.091, 14.060, 14.070, beacon (T=60 sec) on 14349.5 MHz. QSL direct to Associazione Radioamatoriale Sardinia QRP Club, Casella Postale 81 09047 Selargius (CA). [F5NQL]

06/09/2009: Nicolas, F5TGR will be active as TK/F5TGR from Porto Vecchio, island of Corsica (IOTA EU-014, DIFM TK-001, MIA MCO-001, WLOTA L-1390), from September 6-18th. QRV 40-10 meters, using CW and SSB. He will also try to be active from an island in the EU-100 group. QSL 100% via the French REF bureau. [F6AJA]

07/09/2009: Ingrid/LA8FOA, Unni/LA6RHA and several other YL operators will be active as JW1SYL from the JW5E club station in Longyearbyen, Spitsbergen Island (EU-026, WLOTA L-0125). QSL via LA8FOA, direct or bureau. [425 DX News]

08/09/2009: Nick, G3RWF will be active once again from the island of Cyprus (AS-004, MIA MCI-002, WLOTA L0051) as 5B/G3RWF from September

8-22nd. Expect activity on all bands and modes. QSL via home call, direct or Bureau. [G3RWF]

08/09/2009: Bob/W3BTX (P49T) and Roy/W3TEF will be active from the island of Aruba (SA-036, WLOTA L0033, Grid FK42), using the callsign P41USA remembering the attacks on September 11, 2001. This operation will also include the September VHF Contest (September 12-14th). QRV HF bands plus 6 and 2 meters. All QSL's go to W3TEF. [NG3K]

10/09/2009: Andy, LZ2HM will be active from the QTH of 5B4AIF, located near Pana Panayia, Paphos, Cyprus (AS-004, MIA MCI-002, WLOTA L-0051, WW Loc. KM64HV) as 5B/LZ2HM from September 9-15th. QRV 160-2m, all modes. He will also participate in the WAEDC SSB Contest (September 12-13th) using the callsign C4I. QSL both calls via LZ2HM, direct (QRZ.com). [NG3K]

10/09/2009: Look for Frank, DK5FT to be active as CT8/DK5FT from the island of Sao Miguel (EU-003, DIP AZ-002, WLOTA L2016), September 10-22nd. Expect activity on all bands/modes, propagation permitting. QSL via home call, bureau preferred. [rsgbiota.org]

10/09/2009: Operators Peter/PJ4NX, Marco/PE2MC and Michiel/PG4M will be active from Kralendijk, Bonaire Island (SA-006, WLOTA L-1279, WW Loc. FK52UD), between September 10-16th. They will take part in the WAE SSB Contest (September 12-13th) as PJ4NX. Before and after the contest they will use PJ4/homecall. QSL via their home callsign (QRZ.com addresses). Logs and photos will be available at: www.pi4cc.nl/pj4 [OPDX Bulletin]

10/09/2009: Craig, N3BQR will be on a research trip to the Phoenix Islands (OC-043), Central Kiribati, and expects to be active as T31AA between September 10-25th. He is planning to be active from 6-8 islands for one or two day each, weather and seas permitting. He will be mainly active on 20m SSB, using vertical and/or dipole. QSL via home call. [OPDX Bulletin]

11/09/2009: The same Manche area Ham team who were active formerly from Tombelaine (2007) and Brehat (2008) islands are once more on the go. Eight operators, are going to Saint-Nicolas island (DIFM AT-010, WW Loc. IN77XR) in the Glénans archipelago (EU-094), located in French Britanny, commune [county] of Fouesnant (DDCF 29-15, CP 29170), Department Finistère/29 and Province Britanny (DPF 06). They will stay on the island between September 11th and 18th, using the callsign F5KAQ/p and homecall/p. Bands and modes: HF CW by Benoît/F8PDR, Jean-Jacques/ F5NKX, René/F6CMC, Alain/F6ENO; HF digimodes by Denis/F5RJM; HF SSB by Alain/F5HVI Alain/F6ACH, and René/F6CMC. Rolf, F9ZG will concentrate tests and traffic on 144 MHZ and more, up 10GHz, in SSB and ATV. 50Mhz will be aired on SSB and maybe in CW, on 50.200 MHz. QSL manager: F5RJM, direct CBA with envelope and postage (1 IRC or 1 US$ Europe, 1 IRC or 2 US$ elsewhere) or via the French Ref-Union Bureau. [F5NQL]

11/09/2009: The FT5GA team will depart Paris on 11 September, destination St. Denis, Reunion Island. The date for the military flight

to Glorioso will be announced as soon as FASZOI (the French Armed Forces in the South Indian Ocean Zone) confirm it. The team will remain on Grande Glorieuse for about three weeks, and the return flight from Reunion to Paris will be on 8 October.
A Ham radio team of military operators along with two reporters from SIRPA are going to activate Grande Glorieuse island (AF-011, DIFO FR-004, WW Loc. LH38PK) during September, for 3 weeks. The video reporter team has to make several footages and documentaries, the main one about the DXpedition itself. They are going to work from 160 to 6 meters, in as many modes as possible. The callsign will be FT5GA. The team will use four stations active 24/7 (three on the HF bands and one on 6 meters). Leader and QSL manager will be Didier, F5OGL. QSL direct or via the French REF Bureau. Operators will be Yves/F5PRU, Bernard/F5LPY, Jean-Marc/F5RQQ, Freddy/F5IRO, Philippe/F4EGS and Sylvain/F5TLN. They hope to put the log online every day and Rafik will update it as soon as possible. Further information can be found at: glorieuses2008.free.fr/index-f.htm [F5OGL]
==========
LOOKING AHEAD -

12/09/2009: GB2RAF will be active September 12th from the Air Defence Radar Museum, RAF Neatishead (WAB: TG 31, WW Loc. JO02RR). RAFARS frequencies SSB or CW on 80m, or 40m if conditions are poor. QSL via the information at QRZ.com. [Pete's-DX-Newsdesk]

12/09/2009: To celebrate the 21st edition of The Night of Shell, annual accordion festival which takes place in the town of Tulle (Corrèze Department/19), special callsign TM2NN will be active from September 12-22nd. QSL via F5KTU. Tulle is famous for the accordion factory 'Maugein', making accordions in Tulle since 1919. [F5NQL]

13/09/2009: Chris, DL2MDU will be active as CT8/DL2MDU from the island of Sao Miguel (IOTA EU-003, DIP AZ-002, WLOTA L-2016) from September 13-26th. Expect activity on all HF bands. QSL via home call, bureau preferred and LoTW. [rsgbiota.org]

14/09/2009: Rene, DL2JRM will be active September 14-15th as TK/DL2JRM/p from the island of San Cipriano (IOTA EU-164, DIFM TK-037, MIA MCO-013). QRV 40-10 meter QRP CW, using solar power. QSL direct or via bureau to DL2JRM. [rsgbiota.org]

18/09/2009: Rene, DL2JRM will be active September 18-20th as OZ/DL2JRM/p from Romo [aka Roemoe] Island (IOTA EU-125, DIA NS-001). QRV 40-10 meters, mainly CW. QSL via home call, direct or bureau. [rsgbiota.org]

25/09/2009: Look for Jon, M0OVL to be active as homecall/p from the island of Inner Farne (IOTA EU-109) from September 25-26th. Sorry everyone but only 4 hours operations each day 1000 - 1400 UTC. Activation dependent on the weather. Web site at: www.m0ovl.co.uk/ [rsgbiota.org]

26/09/2009: Halvard/LA7XK (JW7XK), Erling/LA6VM (JW6VM) and Just/LA9DL (JW9DL) will be active from Longyearbyen, Spitsbergen Island [Svalbard] (IOTA EU-026, WLOTA L-0125), from September 26-30th. They plan to participate in the SAC SSB Contest (September 26-27th) as JW5X (QSL via LA5X, bureau preferred). Outside the contest expect activity on all bands/modes. QSL via home calls, direct or bureau. [AT International]

28/09/2009: Bill, WB5ZAM will be active as J68WI from Castries, island of St. Lucia (NA-108, WLOTA L-1336) from September 28th to October 11th. He will have access to a G5RV 160m antenna, so may be on there once it is up at J69MV's QTH in Castries. QRV all bands, CW and SSB. QSL via home call. [NG3K]

01/10/2009: Rick, AI5P will be active from three islands in the Pacific from October 1st until October 31st. His schedule is as follows - New Caledonia [Grande Terre] (OC-032, DIFO FK-001, WLOTA L-1280) from October 1-8th using the callsign FK/AI5P. Vanuatu island, New Hebrides (OC-035) from October 10-18th using the callsign YJ0PX. Norfolk Island (OC-005, WLOTA L-1469) from October 22-31st using the callsign AI5P/VK9N. All operations will be mostly CW on the HF bands. QSL via home call, direct or by the bureau. [AT International]

09/10/2009: Dave/G4IAR and Judith/G4IAQ will be active as G4LAB/p from the Isles of Scilly (IOTA EU-011) between October 9th and 19th. QRV on the HF bands, on or near the usual island and IOTA frequencies. QSL via G4IAR, direct only (QRZ.com). [rsgbiota.org]

10/10/2009: Gene, KB7Q will be active on 6 meter EME from DN66 (Cohagen, Montana) with a 7 element Yagi and 800 watts from October 10-14th. He will have elevation, so he will be on during the EME contest as much as possible. QSL via home call. [MMMonVHF]

14/10/2009: Sebastien, F8IJV will be on honeymoon in Somone, Senagal, from October 14th to 30th. He will be active from the Jean-Francois (6W7RV) station specially for the CQWW DX SSB Contest (October 24-25th) using callsign 6V7Q. [F6AJA]

19/10/2009: Tom, K7ZZ will be active from Yepton Estate Cottages, located on the north shore of the island of Antigua (IOTA NA-100, WLOTA L-1118, WW Loc. FK97CC) as V25Z from October 19-28th. Look for activity on all bands/modes. QSL via K7ZZ, direct only. [AT International]

20/10/2009: Operators Tom/ZP5AZL, Dale/N3BNA, Jorge/CX6VM, Noah/K2NG, Peter/PJ4NX and Anibal/ZP5VAY will be active on all bands from the island of Bonaire (SA-006, WLOTA L-1279) as PJ4/homecall from October 20-26th. They will also participate in the CQWW SSB Contest (October 25-26th) as a Multi-Two entry, using the callsign PJ4K. QSL PJ4K via ZP5AZL, direct or bureau. QSL others via their home calls. [NG3K]

24/10/2009: Operators BA7NQ BA7JC BA7JS BA7IN BD7IXG BA7IA BD7KSF and BD7MFB will be active as B7P during the CQWW DX SSB Contest (October 24-25th) as a Multi-Multi entry, from Foshan, Guangdong, P.R. China (WW Loc. OL63NA). QSL via BD7IXG. [NG3K]

01/11/2009: Operators Rudi/DF8AE, Burkhard/DF8XC, Georg/DK5QN, Dirk/DL1YDI and Pete/DL1YAW will be active as 5P3WW from Mon Island (EU-029, DIA SJ-017, WLOTA L-4630, WW Loc. JO64EX), November 1-9th, including an entry in the Marconic Contest with new portable antenna setup, 10m to the shore-line. Activity will be MS-TR on 144 MHz. QSL via DL1YAW, bureau preferred. [MMMonVHF]

11/11/2009: Updated: Operators Andrea/IK1PMR, Claudia K2LEO/PA3LEO, Wil/PA0BWL Joe/AA4NN, Franz/OE2SNL, Gerhard/DJ5IW and Kenneth/OZ1IKY are planning an expedition to three semi-rare entities in the Pacific. First one week (November 11-18th) from the Vaiala Beach Resort on the island of Upolu, Samoa (OC-097, WLOTA L-1944) as 5W0MR (requested call), then two weeks (November 19th to December 1st) from the Otuhaka Beach Resort on the island of Tongatapu, Tonga (OC-049) as A35MR (requested call), and then one week (December 6-13th) on the island of Rarotonga, South Cook Islands (OC-013), minus OZ1IKY, as E51PMR (requested call). December 2-5th they will be in Auckland, New Zealand (OC-036, WLOTA L-0069) for logistics, possible activation of some IOTA group. Also, from December 14-17th IK1PMR, PA3LEO and PA0BWL will be in Singapore (AS-019), with possible radio operations as 9V/homecalls. Focus will be on the lower bands, but activity is planned for 160-10 meters using CW, SSB and the Digital modes. Equipment: 3 Elecraft K2/100 with DSP and 160m, 2x Tokyo Hi Power HL-1.1Kfx 600w solid state power amplifiers, 1x 300w spare amp. Antennas: 160m inverted-L + K9AY loop, 80m 1/4 wave vertical, 40m 1/4 wave vertical, 30m 1/2 wave vertical dipole or delta loop, 20m 1/2 wave vertical dipole, wires/wire beam for 20m-10m, 1kw tuners. Note that all of the above dates are approximate and subject to change. QSLs direct to IK1PMR, or via the bureau to PA3MR. Further information and updates can be found at: www.ik1pmr.com/plans/a3/index.php?s=intro [IK1PMR]

26/11/2009: Eric, K9GY will be active November 26-29th as YN2GY from Grenada, Nicaragua, including an entry in the CQWW DX CW Contest (November 28-29th). Outside the contest he will be QRV on the WARC bands. QSL via home call, direct or via LoTW. [NG3K]

28/11/2009: Luis/EA8AY, Jeronimo/EA8NC and Jose/EA8CCD will be active as AN8R during the CQWW-DX-CW Contest (November 28-29th) as a Multi-? entry, from Santa Cruz, Tenerife Island (AF-004, DIE S-012, WLOTA L-1276). QSL via EA8AY. [NG3K]

28/11/2009: Operators BA7NQ, BA7JC, BA7JS, BA7IN, BD7IXG, BA7IA and OH7WV will be active as B7P during the CQWW DX CW Contest (November 28-29th) as a Multi-Single or Multi-Multi entry, from Foshan, Guangdong, P.R. China (WW Loc. OL63NA). QSL via BD7IXG. [NG3K]

28/11/2009: Members of the Ondarroa Group will be active as EE2W during the CQWW DX CW Contest (November 28-29th) as a Multi-Multy entry from Ondarroa (WW Loc. IN83SH, DME: 48073), province of Biscay, Spain. QSL via EB2BXL. [NG3K]

28/11/2009: Angelo, IW9HLM will be active as IR9X from S. Agata Li Battiati Catania, Sicily Island (EU-025, IIA SC-001, MIA MI-107, WLOTA

L-1362, WW Loc. JM77MN) during the CQWW DX CW Contest (November 28-29th) as a Single-Op entry. QSL direct to IW9HLM, or LoTW. [NG3K]

==========

SPECIAL EVENTS -

03/09/2009: This year's SYLRA (www.sylra.is/) meeting will be held September 3-6th in Kolbotn, Norway (special callsign LA1SYL). After that, from September 7-11th, Ingrid/LA8FOA, Unni/LA6RHA and several other YL operators will be active as JW1SYL from Longyearbyen (EU-026), Svalbard. QSL via LA8FOA, direct or bureau. [425 DX News]

05/09/2009: In honour of the canonization of the Belgian Father Damien, the clubstation ON7LR of the Belgian Amateur Radio Society UBA, will activate the Special Event Call ON4DAMIAN from his birthplace in Tremelo. QRV on September 5-6th and October 3-4th, frequencies will be around 3665, 7065, 7150, 14120 and 21165 kHz in SSB. Special Event QSL card via the UBA bureau or direct by Radioclub ON7LR, Fortweg 24, 2500 Lier, Belgium. [UBA HF News]

05/09/2009: Members of the Radio Club of Binche (ON7RY) will activate the special event station ON4WAR, September 5-6th. Activity is to commemorate the Belgian resistance fighters (WWII), especially those of the Refuge B 40 in Waudrez (Belgium). The scheduled timetable of activities is as follows: Saturday 6th - from 09:00 AM up to 06:00 PM (0700-1600z); Sunday 7th - from 08:00 AM up to 04:00 PM (0600-1400z). They announced, "At the hour up to the hour and a half CW transmissions with a Whaddom Paraset MK VII on 3560, 3579, 3583 and 7025 kHz. At the hour and a half up to the next hour, SSB transmissions on HF bands. QSL information via ON7RY (direct or by the Bureau)." For more details, visit their Web page at: http://www.on7ry.be/ [OPDX Bulletin]

05/09/2009: The Lincoln Short Wave Club have been given permission to operate GB2CWP ('Christopher Whitton Panton') from inside the Avro Lancaster Bomber NX611 'Just Jane', the Lancaster bomber operated by Lincolnshire Aviation Heritage Centre at RAF East Kirkby, Spilsby, Lincolnshire, England (EU-005, WLOTA L-1841). The station will be on the air September 5th. Modern equipment will be used in the Lancaster for safety and practicality, however, when the aircraft is taxiing, the team will operate GB2CWPs T1154 and R1155 from the museum shack. Special QSL cards will be available for all stations working GB2CWP from the aircraft. QSL via G5FZ. Web site at: www.g5fz.co.uk/east-kirkby-radio-museum/ [GB2RS]

05/09/2009: Special event station GB2IWM will be active September 5-6th, on all bands and modes, from the Duxford September Air Show, Duxford Airfield, Cambridge, England (EU-005, WLOTA L-1841). QSL via the RSGB bureau. [Pete's-DX-Newsdesk]

05/09/2009: With the occasion of the 31st convention of Clipperton DX Club in Strasbourg, France (Department Bas Rhin/67 and Province Alsace) the callsign TM9CDX (yes, TM9) will be activated for the first time this year from Septemer 5-19th. As far as possible, a station will be

installed on the site of convention during the day of Saturday (September 19th). QSL via F5CWU. [CDXC]

06/09/2009: Commemorating the 150th anniversary of the birth of radioactivity pioneer and Nobel laureate Pierre Curie, special event station TM150RPC will be active September 6-20th on all bands and modes. QSL via F5KAZ. [425 DX News]

08/09/2009: Special event station 8J2S will be aired on all bands/modes from September 8th to November 8th to celebrate the 24th National Cultural Festival in Shizuoka prefecture, Honshu (AS-007, JIIA AS-007-001, WLOTA 2376), Japan. QSL via the JARL bureau. [JJ1WTL/AC6IM]

11/09/2009: Mike, W0YR, will once again (as for the past several years) be active as W0YR/911 on September 11th, to honor/commemorate those lives lost in a terrorist attack at the Twin Towers of the World Trade Center in New York City, the Pentagon in Arlington, Virginia, and the plane that crashed into a field near Shanksville, PA. He plans to operate as much of the day as possible. Mike states, "I just wanted to do it to remind those I work on the air of what this country endured because of hatred -- and also remind those who want to minimize it or forget it, that this WAS an Act of Terror and, even though they would like to revise history, the memory of those (among them, two of my friends) who perished on September 11th, 2001, will NEVER be forgotten or sullied." A special QSL will be issued. QSL via his home callsign. [OPDX Bulletin]

U.S.A. Special event station information can be found at:
www.arrl.org/contests/spev.html

SIX METERS & UP -

UPCOMING METEOR-SHOWERS: SEPTEMBER 2009
Even if no big meteor showers hit the Earth in September, this month is still of interest for MS enthusiasts. Sporadic meteors flux is at its annual maximum in this period, thus providing relatively good rates especially during morning hours. Read more at our Prop.Page: www.mmmonvhf.de/ms.php [MMMonVHF]
SOURCE: Massimo, IV3NDC, on behalf of the MMMonVHF Team

EME: Version 2.0 of GJTRACKER is now available, and includes a fairly detailed world Field Locator map to show what parts of the world can see the moon (or any other celestial object). This feature is accessed by selecting the "Real Time" mode when you run the program. The GJHELP.pdf file has been updated to reflect the new addition to the Real Time window:
http://bigskyspaces.com/w7gj/GJTRACKER.zip
The map redraws itself every minute. Sorry, but it is not currently a user-sizable map. The screen size setting of 1280x768 pixels on my laptop is just big enough to show the entire world map at once. [MMMonVHF]

EME NEWSLETTER:
Since 2003 DF2ZC publishes the 144 MHz EME NewsLetter. This is a free service for the EME community. The NewsLetter comes once every month and is for download on this site in Adobe PDF file format. Current Issue (older issues please scroll down):
www.df2zc.de/downloads/emenl200908.pdf 73 de Bernd DF2ZC [MMMonVHF]

IARU R1 VHF Contest 2009 (5/6th September):
As well as in past years, Matej, OK1TEH did setup a list of stations participating at the European VHF-UHF-SHF Field day Contest 2009 (4/5th July). For details please do refer the following PAGE:
www.mmmonvhf.de/latest.php?id=2842 [MMMonVHF]

-Jose, CT1DHM will be QRV from IN61CA. [MMMonVHF]
-DR5O will be QRV at JO30GU with 8 x (2x) 14 el and 4 x 3 el Yagis.
-DP5G will be QRV from JO30FK with 8 x 9 el and 4 x Big Wheel ant and gd Pwr.
-PI9A group will be QRV again from JO33DJ (at the North Sea). 144,290 MHz (as usual) +/- QRM.

-F5ODK/p vill be QRV in JN16FI, central France (dept 03).

QSL INFORMATION -

VC1W (CISA-132) QSls are designed and sent to the printer.
He will send the cards directly to me when printed,
and I'll start procssing immediately.

VE1OTA We decided to 'extend' the coverage to 2006.Feel free to
send me any VE1VOX/VE1OTA requirements from 2006 onwards.

C31LJ Yesterday's C31LJ/M operation (Aug.27.2009) is pirated.
Peter is in Canada.

73 Nenad VE3EXY

Jean-Michel is NOT the QSL manager for the last activity for 4J0FR in
August (QSL via F6FYD himself). he only has the log/QSL for August 1995
and December 1997 to January 1998. The logs are on the web at
www.lesnouvellesdx.fr/voirlogs.php [F6AJA]

Nicolas, F4EGX has received his cards for his FT5YI activity (November
to December 2008) and will start to mail direct requests soon. [F6AJA]

More than 6700 old QSL are waiting your visit.

Please have a look on http://LesNouvellesDX.fr web site.

-The ten most wanted DXCC (2004 to 2008) with more than 300 QSL
-At least, one card, for each 58 deleted DXCC countries (900+ QSLs)
-Nearest the totality of current prefix, disappeared now (2600+ QSLs)
-album for stations from Magrebh -1945 to 1962 (300+ QSL)!!!
-More than 750 QSL from the Antarctic bases.
-With 240 QSL from the TAAF (Terres Australes and Antarctiques
Françaises).
-Nearly 100 cards from eparses islands as FR/B/E/G/J/T
-More than 200 cards from "F" Pacific islands (FK,FK/C,FO/A,FO/M,
FO/C,FW)
-More than 600 cards for the old timer with more than 130 countries
before 1945.
-Cards from the french department before 1945.
-One card for each US americain states before 1945.

Some cards are still needed and your participation is welcome. Only a
".jpg" file (both side of the card) is required please write to:

---
From: "John Barber GW4SKA"
You may have seen the GB50ATG call on your screens recently. This special event call is to celebrate the Golden Jubilee of BARTG, the British Amateur Radio Teledata Group. Check the BARTG web site, www.bartg.org.uk for details of the Golden Jubilee Award, special QSL cards and also wall plaques. GB50ATG will be on the air until the end of June 2010 with several BARTG members sharing the operating from various locations.
For the month of September the call will be used by John GW4SKA from his usual address in Wales. This will include operation in the CQWW contest, so if you work GB50ATG in a contest *this month* it should count as a GW multiplier.
73, John GW4SKA

5N - NIGERIA
Bodo, 5N0OCH writes: "I uploaded a short video clip with impressions of my 5N activites to YouTube (http://www.youtube.com/watch?v=sztmmg7FJLs)

. We will have finished the works at the new antenna for Voice of Nigeria in about three weeks. This antenna of the type HP-RCA 4/4/h is the biggest HF antenna in the world and is already in operation at several radio stations. It has 32 stacked dipoles, 16 each for 6-15 MHz and for 15-26 MHz. The antenna has a gain of about 18-24 dBi and I will be able to use it for amateur radio for a few days. Many are interested in working 5N on 160m but unfortunately this antenna does not cover this band. However I plan to put up a 40m long vertical connected to the complete ground network of the radio station by the end of September. More plans include a beverage to Europe. Unfortunately I cannot promise to realize all my plans because priority lies on my work. Be sure that I will do my best to activate the lowbands. Many greetings from Abuja! Vy 73 de Bodo, 5N0OCH". [DX Newsletter]

CE0Y - EASTER ISLAND (New Callsign)
The callsign for the Rapa Nui 2009 Project (Easter Island) that will take place between October 31 and November 15, 2009, has been changed to XR0Y. The latest information is posted at: /rapanui2009.org/

CY0 - SABLE ISLAND (Update/Postponed).
OPDX has received the following press release on Friday, August 28th (edited):
"The Sable Island DXpedition scheduled for October 19, 2009, by Randy - N0TG, Ron - AA4VK, and Murray - WA4DAN is being placed on 'hold'.
Unfortunately, Randy's son, Carter (who was part of the KP1 and KP5 team in 1992), has developed kidney cancer which has spread to the lungs. Although there will be challenging days ahead for Carter and the family of N0TG, we trust the prayers of friends will strengthen this family and successfully bring all through this trial.
The team appreciates the many sponsors who were willing to provide their support, even though CY0 was not at the top of the most needed list, the support of the DX Community from around the world, and the interests shown by the many DX'ers that 'signed' the website Guestbook. We will leave the website up and updates will be posted from time to time on Carter's progress, as well as our plans to reschedule the DXpedition to CY0. <http://www.cy0dxpedition.com/>
Our hope is that Carter will beat this disease and be able to join us at Sable Island. We do consider this a 'hold' and we intend to reschedule as health concerns permit.
Thanks again to our ham radio friends for your support. We wish the best for Randy's son Carter and all the Rowe family. Randy's (N0TG) contact information is listed on QRZ.com..... Thanks for your prayers." [OPDX Bulletin]

D2 - ANGOLA
Vasily, UA0QMN is currently active from Angola as D2QMN and has prolonged his license until August 2010. He is active during week on 10-20m after 17z and during weekends after 0600z on 40, 30, 17, 12m Requests for skeds are wellcome via his email ads d2qmn@... He is active SSB, RTTY, PSK QSL via RZ3EC, direct or bureau.

VY0 - VY0O - DXpedition to Ottawa Islands (NA-230 new)
UPDATE - Day 5-September 2, 2009: Strong winds continued throughout the night until now (17 UTC). It is rainy and cold (3C). I remain to be in stand by (very painful!). Not sure what tomorrow will bring but will keep you posted. Future updates will only be posted on VY0O page at QRZ.com. [VE3LYC]

NEW WEB SITE - ContestRank.com
This site was developed with a desire to acknowledge the participation and achievements of all contesters, worldwide, while providing a source of contest and contest-related information.

Didier, F5OGL, team leader,
through Maurice/F5NQL, in charge of internet Communicationfor FT5GA.
FT5GA - Communiqué de Presse officiel:
Bonjour à tous
291 kg de matériel (Transceiver ampli, antennes, mats, etc…) ont été
acheminés vers la société LOGFRET à Roissy Charles de Gaulle par F5OGL, F5PRU et
F4EVR.
Nous avons été accueillis de la meilleure des façons par Monsieur Alain
LEFELLIC, responsable export de cette société qui nous apporte une grande
aide pour la réussite de l’expédition.
Les deux palettes voleront dès demain à destination de la Réunion et la
Base Aérienne 181 où elles doivent être récupérées par le transit militaire
de l’Armée de l’Air.
De plus, l’autorisation d’émettre depuis l’île de la grande Glorieuse est
visible sur le site de l’expédition.
(_http://glorieuses2008.free.fr/index-f.htm_ (http://glorieuses2008.free.fr/index-f.htm))

8874. Various DX, Special events and contest news

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-09-10 09:11:03 UTC
From: F5nql@aol.com
Topic: 8874 Message: 8874

Hi Friends
For this issue, thanks to Conway ReeF 2009 and DJ8NK, Flo/F5CWU, François/F5JNE, Bob/M0BPT, Bill/NG3K, Juan/LU5CAD, Matt/OZ6OM, MMMVHF and Guy/DL8EBW, Pete's DX Desk, Javier/LU5FF and Boletin de DX en Español, Dave/VA3RJ, Mediterranean DX Club and IZ8CCW Ant.
FRANCE :
CLIPPERTON DX Club – Remaining
On Sept 18&19 Strasbourg (NE France), will happen the 31st Convention of The Clipperton DX Club. (It's still time to register)
See information at :
Look until Sep 19, for TM9CDX all HF, VHF and more bands on CW, SSB and various diigital modes.
QSL via F5CWU.
French Castles :
On next Saturday, Sept 13th, look for François, F5JNE and Claude, F5MCC to be active as F5JNE/p from the Castle of MONTFORT, DFCF 21084, in the city of Montgny-Montfort, zip code 21500, in the canton of Montbard, ddcf 31-21.
Starting around 0600 utc, 80 then 40m, CW/SSB.
QSL Bureau and swl cards welcome.

France – MIQUELON

- Tim/M0TDG, and Martin/G3ZAY from Miquelon (NA-032, DIFO FP-002, WLOTA L1417) as FP/hc, between Sept. 24-27th. CW and SSB; low band operation will depend on equipment availability (and airline baggage limits). Martin will also try to activate McNutt island (VE1, NA-126, CIsA NS009), Nova Scotia, on September 29th. QSL via home calls, direct or bureau.

- Eric/KV1J and Tom/W8TOM as FP/hc from Miquelon (NA-032, DIFO FP-002, WLOTA L1417, WW Loc. GN17TC) between October 20-27th, including a Multi-Single entry in the CQWW DX SSB Contest (October 24-25th). Outside the contest, they will be active 160-6 meters. QSL via home calls, direct or Bureau.
Further information at: _www.kv1j.com/fp/october09.html_ (http://www.kv1j.com/fp/october09.html)

CONWAY REEF remaining :

We are glad to inform you that a group of eight ham radio operators will be on from Conway Reef (IOTA OC-112). Based on the crew that activated Chesterfield Islands as TX9 in 2004 Hawa (DK9KX, ex 3D2CR) formed a new crew, which will operate during the period of Oct. 1st to Oct. 10th 2009.
http://www.conwayreef2009.de/index.html (http://www.conwayreef2009.de/index.html)

MONGOLIA
JT1UN & JT1YO -
First ever EME DXpedition to Mongolia (ON37KW) to take place October 10-14th (First weekend of the ARRL International EME Competition). W7EME will operate JT65B on 144 MHz. K7YO operating on 432 MHz. Equipment on 2 meters will be a single M2 2mxp32 antenna and 450 watts output. (same equipment as used at VO2/W7EME). Equipment on 70 cm will be two long Yagi antennas and 250 watts. Operation will be from both the JT1KAA headquarters (JT1UN & JT1YO) and from the Ersine sum, the mountains to the east of Ulaanbaatar (JT1UN/JT5 & JT1YO/JT5). Thanks to JT1CD who has been a great help in arranging licensing and logistics. For further information and updates, please visit: www.w7eme.org/ulaanbaatar and www.qsl.net/k7yo/ . Also check out JT1UN at www.QRZ.com.

On 12 and 13 of September.
Callsign : LU7FJ/F
Station : San Justo.
Coordenadas: 30º 47` 02" S – 60º 35` 23" O
City of San Justo.
Departamento: San Justo.
Belgrano Cargas – SOE, railways , in activity, metric scale.
Operators : LU3FLV, LU5FF, LU7FEC & LU7FNI.
80 40m, SSB, CW, RTTY, PSK31.
QSL via Radio Club San Justo LU7FJ -LU7FNI - Erardo Césari -Celular: 03498-15-404698, Argentina.
- Web site:> _www.lu7fj.org_ (http://www.lu7fj.org/)

Seychelles,
Mauro, HB9ENI, will be active as S79MI from Praslin Island, (AF-024, Grid LI75) October 21-26th. Activity will be on the HF bands and 6 meters using SSB and RTTY. He also plans to be on the CQWW DX SSB Contest (October 24-25th). QSL via his home callsign, bureau preferred or direct. Log will be uploaded to LoTW.

Turks & Caicos Isl., VP5.
- Jack, N2VW will be active from the VP5JM Hamlet on Providenciales Island (FL31) from October 21-28th, including entry in the CQWW SSB Contest (October 25-26th) possibly using a special call. Outside the contest he will be signing VP5/N2VW on all bands and modes, 160-6 meters. QSL via home call.
- Roger/W7VV, Ralph/VE7XF and others will operate from VP5JM's QTH on Providenciales from November 15th to December 3rd, including a M? entry in the CQWW DX CW Contest (November 28-29th) probably using a special callsign (TBA). Outside the contest look for the group to be signing VP5/homecall on all bands / modes 160-6 meters. QSL via home calls.

EASTER Isl

The XRØY DXpedition to Easter Island will take a place between October 31 and November 15, 2009. It will be a lightweight, small expedition led by 6 operators:
SQ8X Stan (inventor of the expedition), SV2KBS Victoria, NI1L Leszek, Marco CE6TBN, PA3C Aart and SP7HOV Zbig. Thanks to fantastic support of Radio

Club de Chile we will have an unique opportunity to activate Rapa Nui on 30 meters. Since the island is still most wanted on this band in Europe, 30m will be or priority.

MALDIVES:
Hello folks,

Andrew - G7COD / 8Q7AK now has a dedicated webpage at:

http://8q7ak.http://8q7ak.http (http://8q7ak.freewebspace.com/)

Remaining : 8Q7AK will be operational from Embudu Island, Republic of Maldives from 12th
October to 25th October 2009. It will be operated by Andrew, G7COD, on all bands
from 80 to 12 metres including WARC frequencies using SSB and CW modes only.

Vy 73 to all

de Pete at the DX Newsdesk

SUDAN:
Robert/S53R, will receive a new assignment from the UN WFP. In Sudan until October as ST2X. He says his rig and PA are always in S5 but he hopes to get them quickly. More information to follow.

Central KIRIBATI
Craig, N3BQR, on Phoenix (OC-043) as claimed callsign T31AA between Sept 10-25. 20m SSB.

CAMEROUN:
F5PSA, Lionel, at his spare time as TJ3SL, on 20, 17, 15, 12 y 10m SSB .
Length of the stay not informed.
QSL vía F5PSA.

Japa, - JD1 CHICHI-JIMA -
Taka/JO2JDJ (JD1BLP) and Koya/JI5RPT (JD1BLY) from Chichi-Jima (IOTA AS-031, JIIA AS-031-003, WW Loc. QL17CC, JCG #10007) between Sept 19-22nd. 40m to 6m + satellites, in CW, SSB and Digital modes. QSL via home callsigns.
JD1BLY's logsearch will be on web site at: _www.ji5rpt.com/jd1/_ (http://www.ji5rpt.com/jd1/)

I.C.P.O. Bulletin (September 10 - 18, 2009)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

Lionel, F5PSA is active from Cameroon (WW Loc. JJ53TX) as TJ3SL on 20-10m SSB. Length of stay is unkown at this time. QSL via home call. [AT International]

10/09/2009: Andy, LZ2HM will be active from the QTH of 5B4AIF, located near Pana Panayia, Paphos, Cyprus (AS-004, MIA MCI-002, WLOTA L-0051, WW Loc. KM64HV) as 5B/LZ2HM from September 9-15th. QRV 160-2m, all modes. He will also participate in the WAEDC SSB Contest (September 12-13th) using the callsign C4I. QSL both calls via LZ2HM, direct (QRZ.com). [NG3K]

10/09/2009: Look for Frank, DK5FT to be active as CT8/DK5FT from the island of Sao Miguel (EU-003, DIP AZ-002, WLOTA L2016), September 10-22nd. Expect activity on all bands/modes, propagation permitting. QSL via home call, bureau preferred. [rsgbiota.org]

10/09/2009: Matthias, CT9/DJ8OG will be active from Madeira Island (IOTA AF-014, DIP MA-001, WLOTA L 0053) on 80m-10m from September 10-15th. He will use the callsign CR3L in the WAEDC SSB Contest (September 12-13th). QSLs for CR3L via DJ6QT, all others via his homecall (ok via bureau). [DX Newsletter]

10/09/2009: Peter, DJ2OS will be active as IC8/DJ2OS from Capri Island (EU-031, IIA NA-006, MIA MI-015, WLOTA L2466) on September 10th. He will operate QRP on 20 meter SSB and CW. QSL via home call, direct or bureau. [425 DX News]

10/09/2009: Jakob, OZ7AEI, on his way to Sjaelland Island plans to activate a lighthouse on Fyn Island (EU-172, DIA FY-001), September 10th. On September 12th he will activate the Roedvig E Mole lighthouse (ARLHS DEN-175), located on Sjaelland Island (EU-029, DIA SJ-001) as OZ7AEI/p. QRV mainly 40 and 20 meters. QSL via home call, bureau or direct. If possible, his web site (www.oz7aei.dk/) will be updated with specific times for activations. [OZ7AEI]

10/09/2009: Operators Peter/PJ4NX, Marco/PE2MC and Michiel/PG4M will be active from Kralendijk, Bonaire Island (SA-006, WLOTA L-1279, WW Loc. FK52UD), between September 10-16th. They will take part in the WAE SSB Contest (September 12-13th) as PJ4NX. Before and after the contest they will use PJ4/homecall. QSL via their home callsign (QRZ.com addresses). Logs and photos will be available at: www.pi4cc.nl/pj4 [OPDX Bulletin]

10/09/2009: Craig, N3BQR will be on a research trip to the Phoenix Islands (OC-043), Central Kiribati, and expects to be active as T31AA between September 10-25th. He is planning to be active from 6-8 islands for one or two day each, weather and seas permitting. He will be mainly active on 20m SSB, using vertical and/or dipole. QSL via home call. [OPDX Bulletin]

10/09/2009: Rene, DL2JRM will be active September 10-13th as TK/DL2JRM/p from the island of Corsica (IOTA EU-164, DIFM TK-001, MIA MCO-001, WLOTA L1390). QRV 40-10 meters, mainly CW. QSL direct or via bureau to DL2JRM. [rsgbiota.org]

11/09/2009: The same Manche area Ham team who were active formerly from Tombelaine (2007) and Brehat (2008) islands are once more on the go. Eight operators, are going to Saint-Nicolas island (DIFM AT-010, WW Loc. IN77XR) in the Glénans archipelago (EU-094), located in French Britanny, commune [county] of Fouesnant (DDCF 29-15, CP 29170), Department Finistère/29 and Province Britanny (DPF 06). They will stay on the island between September 11th and 18th, using the callsign F5KAQ/p and homecall/p. Bands and modes: HF CW by Benoît/F8PDR, Jean-Jacques/ F5NKX, René/F6CMC, Alain/F6ENO; HF digimodes by Denis/F5RJM; HF SSB by Alain/F5HVI Alain/F6ACH, and René/F6CMC. Rolf, F9ZG will concentrate tests and traffic on 144 MHZ and more, up 10GHz, in SSB and ATV. 50Mhz will be aired on SSB and maybe in CW, on 50.200 MHz. QSL manager: F5RJM, direct CBA with envelope and postage (1 IRC or 1 US$ Europe, 1 IRC or 2 US$ elsewhere) or via the French Ref-Union Bureau. [F5NQL]

11/09/2009: The FT5GA team will depart Paris on 11 September, destination St. Denis, Reunion Island. The date for the military flight to Glorioso will be announced as soon as FASZOI (the French Armed Forces in the South Indian Ocean Zone) confirm it. The team will remain on Grande Glorieuse for about three weeks, and the return flight from Reunion to Paris will be on 8 October.
A Ham radio team of military operators along with two reporters from SIRPA are going to activate Grande Glorieuse island (AF-011, DIFO FR-004, WW Loc. LH38PK) during September, for 3 weeks. The video reporter team has to make several footages and documentaries, the main one about the DXpedition itself. They are going to work from 160 to 6 meters, in as many modes as possible. The callsign will be FT5GA. The team will use four stations active 24/7 (three on the HF bands and one on 6 meters). Leader and QSL manager will be Didier, F5OGL. QSL direct or via the French REF Bureau. Operators will be Yves/F5PRU, Bernard/F5LPY, Jean-Marc/F5RQQ, Freddy/F5IRO, Philippe/F4EGS and Sylvain/F5TLN. They hope to put the log online every day and Rafik will update it as soon as possible. Further information can be found at: glorieuses2008.free.fr/index-f.htm [F5OGL]

12/09/2009: Daniel, DF8UO is back in Madagascar (IOTA AF-013, WLOTA L 2455) and will be active as 5R8UO from September 12-20th. He is working mainly in CW and digital modes on 40m-10m using a FT-857, an IC-7400, a logperiodic for 10-30 MHz and longwires. QSLs via DF8UO, direct or bureau. All QSOs will uploaded to LoTW and eQSL after his return

automatically. [DX Newsletter]

12/09/2009: Look for Ivan/G3IZD, Nick/G0HIK and Norman/G7MRL to be active as GM3IZD, GM0HIK and GM7MRL repsectively from the isle of Islay (EU-008, IOSA NH22, SCOTIA CS25, WLOTA L-1826) between September 12th and 18th. Activity will be on all HF bands, propagation permitting. QSL direct only to each operators' home call. [rsgbiota.org]

12/09/2009: Jeff, K3OQ will be vacationing in South Nags Head (Grid FM25), Cape Hatteras, Dare County, North Carolina and will be participating in the ARRL September VHF Contest (September 12-14th). Current plans are for 6m (100 watts), 2m (50 watts) and 70cms (50 watts). Antennas will be a PAR stressed Moxon on 6 meters and an Elk Log Periodic on 2m and 70 cms. QSL via home call. [N8OFS]

12/09/2009: The Reservoir Amateur Radio Association, K8QYL will be operating portable from Grand Lake St. Marys Park (GLM, Grid EN70) for the Ohio State Parks On The Air Contest- OSPOTA (parks.portcars.org/ospota/index.php) on September 12th from 1600z-2400z. They plan to run 80, 40, and 20 meters and maybe some 2m and 6m if there is any interest. QSL to K8QYL (QRZ.com). [N8OFS]

12/09/2009: Old Railway stations award - The Punta Alta Radio Club will activate the Calderon railway station (Reference DEF140D), on the Ferrocarril del Sur, Rosario-Puerto Belgrano railway line, September 12-13th using the callsign LU6DG/D. QRV 80 and 40 meter SSB. QSL via LU6DG (QRZ.com). [F5NQL]

12/09/2009: Old Railway stations award - The Radio Club San Justo will activate the San Justo railway station - Ramal C (Reference DEF023F) on September 12th and 13th using the callsign LU7FJ/F. Operators include Leo/LU3FLV, Javi/LU5FF, Gustavo/LU7FEC and Erardo/LU7FNI. QRV 80 and 40 meters, using SSB, CW, RTTY and PSK31. QSL via LU7FJ (QRZ.com). Web page at: www.lu7fj.org/ [F5NQL]

12/09/2009: Ed, N8EQJ will be active as homecall/p from Kelly's island (USi OH-001L, Erie county), Ohio, for the OSPOTA (Ohio State Parks On The Air) Contest on September 12 (1600-2400 UTC). He will be QRV on 80, 40 and 6 meters. QSL via home call, direct or bureau. [USi]

12/09/2009: Andy, N8OFS (SMIRK # 6737) will be using the special callsign N8O/p from Geneva State Park (Grid EN91MV) for the OSPOTA (Ohio State Parks On The Air) and ARRL September VHF Contests (Saturday only), September 12th between 1800 and 2400 UTC. He will be using TS-60 to 25' of LMR-400 with the 'Dominator' 5/8 Wave Ground Plane at 6' off the ground mounted on the Pick-up Truck. FM only, 52.525, 52.54, 52.49, 52.51, 52.55 MHz. QSL direct only to N8OFS (QRZ.com). [N8OFS]

12/09/2009: Operators from Club station RZ1CWC, Alexey/RA1QY, Dmitry/RX1CQ and other operators will be active from Kronshtadt on Kotlin Island (IOTA EU-133, RRA RR-01-06, RDA SP-09). The will use the callsigns UE1CDX/1 and UE1RLH/1 on HF 20/30/40 meter CW and SSB. On

September 12th they will activate: Kronshtadskiy lighthouse (RLHA RLE-085, ARLHS ERU-047), Morskogo Kanala Peredniy (Sea Canal Front) lighthouse (RLHA RLE-110, ARLHS ERU-049, TWLHD WLH RA-057) and the Kronstadt Fortress (WCA: COTA-RU: C-120). On September 13th they will activate: Kronshlot lighthouse (RLHA RLE-098, ARLHS ERU-046, TWLHD WLH RA-026), Kronshtadskogo Reyda (Kronstadt raid) lighthouse (RLHA RLE-109, ARLHS ERU-144) and Fort Kronshlot (WCA: COTA-RU: F-110). QSL UE1CDX/1 via RN1CW, direct or bureau. QSL UE1RLH/1 via RA1QY, direct or bureau. [RN1CW]

13/09/2009: Oliver, 9A/DG7XO and Wolfgang, 9A/DL7CB will be QRV from Ugljan Island (ACIA IC-339, CIA-53, IOCA CI-134, MIA MC-441) from September 13-19th. Look for activity on all HF bands, on or near the usual island and IOTA frequencies. QSLs via bureau to their homecalls. [DX Newsletter]

13/09/2009: Chris, DL2MDU will be active as CT8/DL2MDU from the island of Sao Miguel (IOTA EU-003, DIP AZ-002, WLOTA L-2016) from September 13-26th. Expect activity on all HF bands. QSL via home call, bureau preferred and LoTW. [rsgbiota.org]

13/09/2009: Look for François/F5JNE and Claude/F5MCC to be active September 13th as F5JNE/p from the castle of Montfort (DFCF 21-084), in the city of Montgny-Montfort (CP 21500), canton [county] of Montbard (DDCF 31-21), Department Cote-d'Or/21 and Province Burgundy (DPF 05). Starting around 0600 UTC, 80 then 40m, CW/SSB. QSL to F5JNE via the bureau. SWL cards are welcome. [F5NQL]

13/09/2009: The UBA-LGE section will be active as ON5VL/p from the castle of Aigremont on September 13th from 0600 to 1000 UTC under new reference LG-084 for the Belgian Castles Award (BCA) and World Castles Award (WCA). They will work on 80 and on 40m in SSB as well on the 2m band. QSL will be sent automatically via bureau and e-QSL. All QSLs for their previous castles activities have already been sent via the bureau. [UBA HF News]

14/09/2009: Look for Bernd, DL8AAV to be active as OZ/DL8AAV/p from Laeso Island (EU-088, DIA NK-003) from September 14-26th. Expect activity on all HF bands. QSL via home call, direct or bureau. [rsgbiota.org]

14/09/2009: Fred, PA1FJ will be active between September 14th and October 2nd as SV8/PA1FJ/p from Samos island (EU-049, GIOTA SAS-006, MIA MG-099, WLOTA L4163). QRV 40-6m using 5 watt SSB QRP, TRX Yaesu FT817, and Buddistick antenna. QSL via home call, direct or bureau. [rsgbiota.org]

14/09/2009: Rene, DL2JRM will be active September 14-15th as TK/DL2JRM/p from the island of San Cipriano (IOTA EU-164, DIFM TK-037, MIA MCO-013). QRV 40-10 meter QRP CW, using solar power. QSL direct or via bureau to DL2JRM. [rsgbiota.org]

16/09/2009: Heinz, DF6ZY will be active as TK/DF6ZY from the island of Corsica (EU-014, DIFM TK-001, MIA MCO-007, WLOTA L1390) from September 16th to October 3rd. He plans to operate on 10-80 meters mostly RTTY, with some SSB and SSTV on request. QSL via home call, direct or bureau. [425 DX News]

18/09/2009: Rene, DL2JRM will be active September 18-20th as OZ/DL2JRM/p from Romo [aka Roemoe] Island (IOTA EU-125, DIA NS-001). QRV 40-10 meters, mainly CW. QSL via home call, direct or bureau. [rsgbiota.org]

18/09/2009: Bill, N7OU will be making a lightweight, solo dxpedition, to Chatham Island (OC-038, WLOTA L1627), September 18-30th, signing ZL7/N7OU. QRV 80-10m, CW only, 100w/vertical. QSL via N7OU. [NG3K]
==========
LOOKING AHEAD -

19/09/2009: Look for Tomi, OH6EI to be active in the SAC CW Contest (September 19-20th) as OH0Z from Riddarklint hill, Mariehamn, Aland Island (EU-002, WLOTA L 1373) as a Single-Op/All-Band/High-Power entry. QSL via W0MM, direct or bureau. [NG3K]

26/09/2009: Operators Daniel/LU3CT, Tim/LW9EOC, Daniel/LW1DIO and Mario/LW8DQ will be active from La Tablada, Argentina, in the CQWW DX RTTY Contest (September 26-27th) as LS1D. QSL via LW9EOC. [AT International]

26/09/2009: Tomi, OH6EI will be active in the SAC SSB Contest (September 26-27th) as OH0Z from Riddarklint hill, Mariehamn, Aland Island (EU-002, WLOTA L 1373) as a Single-Op/All-Band/High-Power entry. QSL via W0MM, direct or bureau. [NG3K]

03/10/2009: Ely, IN3VZE will be active from Malawi starting October 3rd for about two weeks as 7Q7CE. QRV all HF bands. QSL via home call, direct or bureau. [AT International]

17/10/2009: Operators Jeep/KA1DF, Dave/KI4ROL, Paul/K3LLH, David/N2EIO, Gary/AI4JA and Bill/W3HEA will be activating Hunting Island (NA-110, USi SC003S, Beaufort County), South Carolina, and lighthouse (ARLHS USA-392, TWLHD WLH K-082, WLOTA L 2265, WW Loc. EM92SJ), October 17 and 18th. The team will be using the special event callsign K4L to commemorate the 150th anniversary of the lighthouse. The light was the first light on Hunting Island, built in 1859 but destroyed during the Civil War. It was rebuilt in 1875 of curved iron panels (each weighing 1200 pounds) with an interior brick wall. In 1889 it was dissassembled and moved 1/4 mile inland due to rapid erosion of the Northern end of the island. It served as a navigation light until decommissioned in 1933. The park itself was created just prior to WWII; during the war, the Air Force had a transmitter site there. QSL via K3LLH. An online log will be available after the event. Further information can be found at: pws.prserv.net/K4L/ [rsgbiota.org]

24/10/2009: Jimmy, BX5AA will be active from Changhua City, Taiwan (AS-020, WLOTA L 0022), for the CQWW DX SSB Contest (October 24-25th) as a Single-Op/All-Band/High-Power entry. QSL via QRZ.com. Web page at: blog.yam.com/bx5aa [NG3K]

24/10/2009: Operators Luis/CO6LP, Orelvis/CO6LC, Yordany/CM6YAC, CO6EC and other one or two more will be active from Cuba (NA-015, WLOTA L 0032) as T46A during the CQWW DX SSB Contest (October 24-25th) as a Multi-Single entry. QSL via CO6LC, direct only (QRZ.com). [NG3K]

30/10/2009: Tomas, VK2CCC will be active, part time, from Vanuatu (YJ0, IOTA OC-035) between October 30th and November 5th. QRV mainly 160m and 80m CW. His callsign still has to be confirmed. QSL via home call, bureau preferred. [NG3K]

23/11/2009: Dave/W5CW, Pam/N5KW, Connie/K5CM will operate from VP5JM's QTH on Providenciales (NA-002, WW Loc. FL31VS) from November 23rd to December 7th, including a M? entry, along with Roger/W7VV and Ralph/VE7XF, in the CQWW DX CW Contest (November 28-29th) probably using a special callsign (TBA). Outside the contest look for the group to be signing VP5/homecall on all bands/modes 160-6 meters. QSL via home calls.

26/11/2009: Look for Bud, AA3B to be QRV November 26th to December 1st from Gunthorpes, island of Antigua (NA-100 WLOTA L 1118) as V26K. Activity will be on all HF bands, CW only, including the CQWW DX CW Contest (November 28-29th) as a Single-Op/All-Band/Low-Power entry. QSL via home call, direct or bureau. [NG3K]

28/11/2009: Bernie, ZS4TX will be active from Danhof, Republic of South Africa, during the CQWW DX CW Contest (November 28-29th) as a Single-Op/All-Band entry. QSL via LotW. [NG3K]

27/01/2010: Laci, HA0NAR will be in west Africa end of January to end of February, 2010 visiting Senegal and Guinea Bissau. Dates QRV from each country are as follows: Senegal as 6W/HA0NAR from January 27th to February 10, 2010; Guinea Bissau as J5NAR from February 11-21, 2010. Laci will be activating IOTA groups AF-078 and AF-093 when there. More details to follow. [DX World]

==========

SPECIAL EVENTS -

01/08/2009: In 1609, Henry Hudson, exploring for the Dutch East India Company, discovered the island he named 'Manna-hata' and laid the foundation for the Dutch presence in America (www.henryhudson400.com). Four centuries later, the island is still known as 'Manhattan', and many more reminders of Dutch heritage live on in the area (think of Harlem [Haarlem], Brooklyn [Breukelen], Wall Street [the wal built on the northern boundary of New Amsterdam, now New York City], and Staten Island [Staaten Eylandt]. This year marks 400 years of uninterrupted friendship between The Netherlands and U.S.A. To help celebrate that important milestone, the B.I.G. amateur radio group www.pa6big.nl/ has launched the special callsign PC400BKL from August 1st until the end of

2009. The participating B.I.G. members are: PC2LR, PA7JB, PE1EZU, PE2BER, PA7ML, PC2F, WP3UX, PE1PGA and NL-13405. PC400BKL will also be operated by Frans, PC2F from August 31st until September 27th. QSL-cards via the bureau we also use e-QSL.cc. Logs will be uploaded to LoTW. If QSL direct is needed plesse send SAE + 2$, 1Euro or 1 (new) IRC to PC2F. If no SAE and postage fee the QSL will be sent via the bureau. [PC2F]

09/09/2009: GB1WT will be on the air from Wickham, Hampshire, England (EU-005, WLOTA L 1841) to commemorate over 200 years of the Admiralty Shutter Telegraph System. The event is scheduled to start at 2pm on Wednesday 9 September and will finish at 9am on Saturday 12 September. Operation will be on the HF bands including 40m. QSL direct to M0XIG, or via the RSGB bureau. Full details of the event are on www.QRZ.com. [GB2RS]

10/09/2009: The Radio Society of Harrow will once again be operating from the former RAF station Bentley Priory as GB80RBP from September 10-13th for the Civic Trust's Open Heritage Weekend in Stanmore, Harrow, NW London, England (EU-005, WLOTA L 1841). They are planning to demonstrate various modes including HF, RTTY with Creed Teleprinters, ATV, SSTV, PSK31 and Morse code to the visiting public over the weekend. There will also be some WW2 military radio kit on display. QSL via the RSGB bureau or direct to G0ACK. [GB2RS]

11/09/2009: For the Radio Open Doors, in Prix les Mezieres (North East France), look for the special event callsign TM8POR, to be active September 11-13th. Operators will include F4FVW, F4DCG, F4FNS, F8EMH, F8ADJ, F5IVX, F8AHO and F5SE. HF and VHF bands, CW, SSB, ATV, APRS and other digital modes. On Sunday September 13th, the well known EME specialist Frank TONNA, F5SE will conduct lectures and EME tries all the afternoon long. So will be conducted also lectures and shows on ATV by Pierre, F5XG. QSL via F0DTB, direct or via the French Ref-Union bureau. [F5NQL]

11/09/2009: Mike, W0YR, will once again (as for the past several years) be active as W0YR/911 on September 11th, to honor/commemorate those lives lost in a terrorist attack at the Twin Towers of the World Trade Center in New York City, the Pentagon in Arlington, Virginia, and the plane that crashed into a field near Shanksville, PA. He plans to operate as much of the day as possible. Mike states, "I just wanted to do it to remind those I work on the air of what this country endured because of hatred -- and also remind those who want to minimize it or forget it, that this WAS an Act of Terror and, even though they would like to revise history, the memory of those (among them, two of my friends) who perished on September 11th, 2001, will NEVER be forgotten or sullied." A special QSL will be issued. QSL via his home callsign. [OPDX Bulletin]

12/09/2009: BAFARA special event station ON30NTM will be QRV all HF bands at the NATO Tiger Meet 2009 (www.natotigers.org/), Kleine Brogel Airbase, September 12-13th and September 16-18th. QSL via operator

instructions. [UBA HF News]

12/09/2009: Churches and Chapels on the Air is on Saturday 12 September. To see those participating look at www.wacral.org/ and click the CHOTA 2009. [GB2RS]

12/09/2009: GB0CAS for Campton All Saints church (WAB TL13, WW Loc. IO92TA) will be operating on 80 meters in the CHOTA event (Churches and Chapels on the Air) that will be on air during the annual Historic Churches Trust Bike 'n Hike sponsored cycling and walking fundraising event on September 12th. It will be on the air between 10am and 6pm. QSLs to G3JNB. [GB2RS]

12/09/2009: Members of the Gloucestershire Amateur & Electronics Society (G4AYM) will be running GB2GHW for Gloucester Heritage Weekend on September 12th and 13th. St Michael's church tower has recently been refurbished as a heritage cultural centre thanks to Lottery funding. The tower is right on the city cross and they plan to erect a dipole antenna from the top of the tower and will be working from 10am to 4pm. QSL manager Ian G3TDT via RSGB or direct as QTHR. [GB2RS]

12/09/2009: GB2RAF will be active September 12th from the Air Defence Radar Museum, RAF Neatishead (WAB: TG 31, WW Loc. JO02RR). RAFARS frequencies SSB or CW on 80m, or 40m if conditions are poor. QSL via the information at QRZ.com. [Pete's-DX-Newsdesk]

12/09/2009: To celebrate the 21st edition of The Night of Shell, annual accordion festival which takes place in the town of Tulle (Corrèze Department/19), special callsign TM2NN will be active from September 12-22nd. QSL via F5KTU. Tulle is famous for the accordion factory 'Maugein', making accordions in Tulle since 1919. [F5NQL]

12/09/2009: Vuurtoren -Lighthouse- Day of Monuments - Monumentendag Noordwijk aan Zee. On September 12th there will be held the "Monumentendag", European Heritage Days in the Netherlands. During this day the Noordwijk Lighthouse (ARLHS NET-019) will be open to the public. Also from this lighthouse special event station PA09MONUMENT will be active on all bands/modes. QSL only via Dutch QSL Bureau to PA7DA. [PA7DA]

12/09/2009: The Hoover ARC will be operating as GB0BHR for the Blaenavon Heritage Railway on September 12th and 13th from the platform of the station. This is to celebrate the 140th anniversary of the building of the Pontypool and Blaenavon Railway, south Wales (EU-005, WLOTA L 0453, WW Loc. IO81KS). QSL: direct to 2WOLAC or 2W0MJA, via the RSGB bureau and eQSL. [GB2RS]

13/09/2009: The Antrim & District Amateur Radio Society (MN0GFE/MI0GFE) will be active again this year using the special event callsign GB2STI (Steam Trains Ireland). Unfortunately the station is unable to take part in the Railways On The Air (ROTA) weekend this year, but will be on-air from the Railway Preservation Society of Ireland base in Whitehead,

County Antrim, Northern Ireland (EU-115, WLOTA L-1439) on Sunday the 13th of September. All QSLs via the bureau to Brendan, GI0KPF. [GB2RS]

18/09/2009: Celebrating the 65th anniversary of the liberation of Rijkevorsel by the British 49th Infantry Division (the so-called "Polar Bears"), club station ON4NOK will operate special callsign ON65POL from September 18-27th. QSL via ON7YX, direct or bureau. [425 DX News]

U.S.A. Special event station information can be found at:
www.arrl.org/contests/spev.html

QSL INFORMATION -

J79PAK: The QSL management for HB9CUA who sadly passed away lately has
been
taken over by EA7FTR with immediate effect.

QSL routes have been announced for the XR0Y DXpedition to Easter Island
between October 31st and November 15th.
Europe, Asia, Africa and Oceania - direct/bureau via SQ8X.
North, Central and South America - direct/bureau via Radio Clube de
Chile (CE3AA).
Logs will be uploaded to LoTW and eQSL after the DXpedition in several
months in 2010. [PY1PDF]

The online log for EH1SSL (Holy Week 2009 in León, Spain) is available
at:
www.ea1url.es.tl/Log-Online-EH1SSL-2009.htm

QSLs received Bureau - 1A0KM, 3XM6JR, 5R8IC, 5T5DC, 6W/RW3TN, A5100A, A52AM, A25SL, C91TK, CE3PG, D68WL, EE8AY, EB5KB/P, E20WXA, EI9FBB, FJ/SP6IXF, FJ/SP7VC, FR1AN, GM4KGK, H44V, H7/IV3IYH, HB0/DJ2HD, HB0/DL7JAN, HB0/EA1DVY, HB0/N2WB, HL0LPM/2, HL14ARDF, JW8DW, KH0PR, P29NI, SV0XBM/9, TC53A, TN6X, UK8AJ, V51AS, V60IL, V8FWU, VP8DLS, XV3M, Z29KM and ZL7/KH0PR.

QSLs received Direct - 3D2AG/P (via QRZ.com), 5K0T (via HA7RY), 7P8R (via UR9IDX), 7Q7S (via JA1PBV), HU1M (via DK7AO), OH/JA5AQC (via JA5AQC), OJ0J (IBRS via OH0RJ), OJ0J (SASE via JA5AQC), TM5EL [EU-094] (via F5RAB/F6KHI), V51AS (via QRZ.com), VK9GMW (via HA7RY), YL2BJ (via QRZ.com), Z21SI (via JA1PBV), ZS1REC (via OK1DOT) and ZX8A [SA-016] (via PT2OP).

QSLs received LoTW - 3DA0TB, 5V7PRF, 7P8DA, C6APR, CN3A, DV1JM, EA1AKS, EA3GLB, G3UOF/2K, HI8PLE, J5UAP, KH2L, LX/DJ6VI, OE1A, OY3AA, PJ4/PA7JWC, T6AD, TC0W, VK6GOM, VK6IR, VK9GMW, VP8YLG, VU4AN/VU3RSB, WP4NEG, XF3NN, YM0DX and YW5AS.

BITS & PIECES -

FT5GA - Official press release:

Hi friends

291 kg of gear on the scale (transceivers, PA’s, power supplies, antennas, masts and miscellanous..) have been picked up by Didier/F5OGL, Yves/F5PRU and Franco/F4EVR.

They gave it to Mr Alain LEFELLEC, Export freight manager of the LOGFRET Society, located at Roissy Charles de Gaulle Airport. We thank him for his kind reception and his help to make this expedition a success.

Two pallets will flight tomorrow to the Reunion island, were they will be got back by the Airforce base 181, freight service.

We now have in hand the authorisation to transmit on the Radioamateur Service bands, from Grande Glorieuse. This permission is being shown on the Glorieuses 2009 webpage at:
http://glorieuses2008.free.fr/index-e.htm

8876. New Data Files and Reports Uploaded to the Web

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-09-10 21:56:09 UTC
From: GOLIST
Topic: 8510 Message: 8876

The *SEPTEMBER 2009-B Issue #909 *files have been uploaded to the Golist
web site.
The weekly GoData files include DXCC APPROVED OPERATIONS in the
data file.
Use the DOWNLOAD button in your GOWIN program or this link in your
web browser. http://golist.net/dlauth.cfm
It is recommended that you open up GOWIN after downloading the data file
update and on the top bar click on FILES/CLEANUP FILES and run this
routine to clear all the old update files from the program folder.
This will prevent any lookup problems for you.
Now is a good time to send in your RENEWAL to GoWin if your subscription
is about to expire.

8877. ANSWER TO QUESTIONS

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-09-11 20:27:33 UTC
From: GOLIST
Topic: 8877 Message: 8877

I received several questions in the mail today, so I am responding
to the group.
Yes, I do have the RAC Summer 2009 in stock. The Winter RAC 2010
will be sent to me the last weeks of November 2009. I have the Pre Sell
Winter 2010 edition on the web order form. Taking orders for it now.
Will not
charge your credit card until the first week of November.
Hope this answers the questions.
John

8878. GLORIOSOS 2009 - Last news.

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-09-11 22:45:38 UTC
From: F5nql@aol.com
Topic: 8878 Message: 8878

Hi friends

From Didier, F5OGL, FT5GA team leader :

FT5GA last news.
To Day sept 11th at 18h45 (Paris time – 1645 utc), the plane to La Réunion
had took off from Charles de Gaulle Paris7Roissy Airport.
The complete Gloriosos 2009 crew is onboard. – F5IRO, F5PRU, F5LPY, F4EGS,
F8CRS, and Lieutnant Florence Gabulon –, they are on the way to FT/G.
They will land to morrow in the morning, at Saint Denis airport.
Some pics , usable free of charge, are available at :
http://picasaweb.google.fr/MauriceF5NQL/DepartGlorieuses2009#
(http://picasaweb.google.fr/MauriceF5NQL/DepartGlorieuses2009#) (If you use them you have
only to say that
they come from Serge, F6AML)
Some last details to check with the TAAF authorities, and they will take
off to Mayotte then the Gloriosos on Monday 14th.
The TAAF Prefect, the higher authority for the "Iles Eparses", on the
zone, and the Prefect of Mayotte, will go along the crew and the French
Foreign Legion detachment. They will spend some time on the island, and
especially observe the ham station set up and first hours of traffic .
Now you can beam your antennas right to the Indian Ocean. You have some
four days to do and be ready.
The first signals are expected on next Tuesday/Wednesday.
Information will be sent one goes along on the website -
http://glorieuses2008.free.fr/index-e.htm (http://glorieuses2008.free.fr/index-e.htm) -
and through Maurice/F5NQL'smailing list (subscribe : _f5nql@..._
(mailto:f5nql@...))
bests 73's
Didier F5OGL
Glorieuses 2009 leader
through Maurice, F5NQL's mail box, in charge of Internet communications by
mail.
Bonjour à tous
De Didier, Team leader de FT5GA
Dernières nouvelles de FT5GA:
Décollage à 18h45 !!! de Roissy Charles de Gaulle.
Tous là, -- F5IRO, F5PRU, F5LPY, F4EGS, F8CRS, et- le Lieutnant Florence
Gabulon –, Ils sont partis !!
Ils arriveront demain à Saint Denis.
Ils sont en route pour FT/G.
Quelques photos libres d'usage grâce à Serge, F6AML sont visibles à
l'adresse suivante :
http://picasaweb.google.fr/MauriceF5NQL/DepartGlorieuses2009#
(http://picasaweb.google.fr/MauriceF5NQL/DepartGlorieuses2009#) (si vous les

utilisez, merci de citer l'auteur)

Le temps de régler les derniers détails, ils partiront lundi matin en direction de Mayotte puis des Glorieuses. Ils seront accompagnés par Monsieur le Préfet des TAAF ainsi que Monsieur le Préfet de Mayotte ainsi que plusieurs autorités militaires qui devraient passer 24 heures en leur compagnie. Ils ne seront pas entendus avant mardi. D'autres informations suivront régulièrement

Pointez vos antennes vers l'Océan Indien; il vous reste à peu près quatre jours pour être fin prêts.

Voici les photos de ce soir. Elles sont de F6AML, Serge.

Le texte
Ce soir vers 18h45 heure française, le team FT5GA a décollé de Roissy vers la Réunion. Ils arriveront demain matin à Saint Denis. Le temps de régler les derniers détails, ils partiront lundi matin en direction de Mayotte puis des Glorieuses. Ils seront accompagnés par monsieur le préfet des TAAF ainsi que Mr le préfet de Mayotte ainsi que plusieurs autorités militaires qui devraient passer 24 heures en leur compagnie.
Ils ne seront pas entendus avant mardi.Didier .

D'autres informations suivront régulièrement, sur le site de l'expédition et via la liste d'info DX de Maurice, F5NQL (pour les recevoir faire la demande à : _F5NQL@..._ (mailto:F5NQL@...))

73's les copains, après 5 ans de travail, c'est parti !!!!!!

I.C.P.O. (Islands, Castles & Portable Operations)
UPDATE -
==========
100 stations worked 4W6AL fake station today!

Today, Sep 12th many stations call by 4W6AL on 20m SSB.

Guys, listen before calling.

4W6AL only worked 4 stations on SSB today and I listen many Italians and
French station change report. Off course all of them are not in log!

Log is updated until 13:50 utc 12th Sep.

Check it on http://algarvedx.com/

73’s and all the best

8881. GLORIOSOS 2009 last news

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-09-13 08:27:42 UTC
From: F5nql@aol.com
Topic: 8881 Message: 8881

Hi friends
About the American Pilots :
Someones say that ther’s no pilot for the West coast of Americas; that’s not completely true.
In fact some hams offerred to help us, but they cannot be QRV for the entire length of the Dxpedition, so we have an only one Pilot for the Americas with Floyd, N5FG.
Some other hams have accepted to help Floyd and we are grateful to them.
They will send their information to him and he will centralize all and presort them before sending to Didier, F5OGL, FT5GA team leader.
We thank for Jon/K6EL, Mike/VP8NO and Alan/K6IPM
If any West America Ham woul help us, thanks to them, but please do via Floyd N5FG, only.
We have not now any possibility to change again our plan, the dxpedition has started now.
About propagation :
These are the first investigations about propagation sent by Floyd, N5FG.:
“”
Predictions to Glorioso by N5FG
Disclaimer: I AM NOT an expert, but do have some ideas that may help some folks so I offer the following info:

Callsign FT5GA
CQ zone 39
IOTA: AF 011\
Short Path beam heading: 74.1
Long Path beam heading: 302.6

Sunrise/Sunset (at Glorioso) 0253Z / 1444Z (nice to know for low bands)

Prediction based on SF of 69 K 1
(Seems like to me, been 69 and K of 1 and 0 for quite a while)!
and with a 6DB gain yagi antenna (directional!) and 100 watts on both ends of the path, but KNOW they will be running high power and directional antennas (that is their plan)

80 Meters: 0000-0300Z

40 Meters:2330- 0400Z

30 Meters:2200-0100Z

20 Meters:2100-2300Z

17 Meters: 1500-2000Z (Path SHOULD be there, but weak signals)
12-15-10 Does not look good for these bands, but ya never know

Pray for sunspots
GOOD LUCK
This is a Very RARE place and VERY difficult to gain permission to operate
there so Please make every effort to get in the logs
More as I have it from the team
73/DX
Floyd
NA Pilot for FT5GA
I am QRV for any suggestions
“”
For the North America, these are , sent by Carl Luetzelschwab K9LA , the
propagation forecast results from VOACAP;
Tks Carl/K9LA.
(_http://mysite.verizon.net/k9la/Glorioso_in_September_2009.pdf_
(http://mysite.verizon.net/k9la/Glorioso_in_September_2009.pdf))
“”
We think they will be available under a few days on the web site.
Glorioso in September 2009
It looks like the Glorioso DXpedition is a go for September 14 through
October 8. Check the Glorioso web site
(_http://glorieuses2008.free.fr/index-e.htm_ (http://glorieuses2008.free.fr/index-e.htm))
for any late minute
developments.
Here are updated propagation predictions to North America for the mid
September through early October time frame.

1300-1500, 0300
The predictions are from VOACAP, and assume 1000 Watts on all bands
(except 200 Watts on 30m) to dipoles/verticals on the low bands (160m-30m) and
small Yagis on the high bands (20m!10m). A smoothed sunspot number of 5 was
used (this may be a bit optimistic!). The signal strength criteria is S3 or
greater on 40m-10m.
Your station s capability, including your noise environment, will
determine if these predictions are optimistic (you re more of a little gun station)
or are pessimistic (you re more of a big gun station).
Keep an ear on the 5Z4B NCDXF/IARU beacon
(http://www.ncdxf.org/beacons.html) for openings on the higher bands (20m-10m).
The following table gives sunrise times at Gloriso for the DXpedition
period. These are used in conjunction with your sunset times to determine short
path low band openings. Pay special attention to propagation around
Glorioso sunrise for signal strength enhancements.
date
Glorioso sunrise

0232 UTC
Good luck in the pile-ups, and I hope you work them!
“”””
About the crew and the dxpedition
The crew is now at Saint Denis, waiting with a certain impatience the next
Monday.
The Monday flight consists to take off from La Réunion to Mayotte. The
Prefect of the TAAF , will be onboard of the Transall plane, with the FT5GA
crew . When in Mayotte, The Prefect of the TAAF will be joined by his
colleague the Prefect of Mayotte and the French Foreign Legion detachment, before
at last , the departure to Grande Glorieuse (Main Gloriosos island)
So have your antennas beamed on Gloriosos; first signals expected on
Tuesday.
Gloriosos : Lat : 11° 34' 53" South, Long : 47° 17' 31" East, WWGrid :
LH38pk
Be healthy and lucky
73 from Didier, F5OGL, FT5GA team leader.

Forwarded with 73 by
Maurice, F5NQL,
Internet communication by mail for FT5GA.

If you forward these information by any way, please don't remove the indicated sources.

Bonjour à tous
A propos des pilotes américains.
Certains ont dit qu'il n'y avait pas de pilote pour la côte ouest des Amériques. Ce n'est pas tout à fait exact.
En réalité plusieurs OM nous ont proposé leur aide mais ils ne peuvent être QRV pour les trois semaines de l'expédition, aussi Floyd est devenu le seul pilote pour l'Amérique.
Quelques autres OM ont accepté d'aider Floyd et nous les remercions. Ils lui enverront leurs informations pour centralisation et tri, avant expédition à Didier, F5OGL, FT5GA Chef d'expédition.
Nous remercions ainsi Jon/K6EL, Mike/VP8NO et Alan/K6IPM
A propos de la propagation:
Voici les premières investigations transmises par Floyd/N5FG.:
“”
Predictions pour Glorieuses par N5FG
Préambule : JE NE SUIS PAS un expert , mais j'ai quand même quelques idées de ce Qui peut aider , aussi voici les premières informations :

Indicatif : FT5GA
CQ zone 39
IOTA: AF 011\
Short Path : 74.1
Long Path : 302.6

Lever/Coucher de soleil : 0253Z / 1444Z (à connaître si vous souhaitez trafiquer en bandes basses)

Prediction base SF 69 K 1
(il me semble que ça devrait durer, et 6db de gain antenne avec 100 watts sur les deux extremités du path, ùais sachez qu'ils auront des amplis et des antennes directionnelles.

80 Metres: 0000-0300Z

40 Metres:2330- 0400Z

30 Metres:2200-0100Z

20 Meters:2100-2300Z

17 Meters: 1500-2000Z (Path SHOULD be there, but weak signals)
12-15-10 Does not look good for these bands, but ya never know

Priez pou les sunspots.
Cet endroit est vraiment RARE, bonne chance.
Compte tenu des difficultés à mettre cette entité rare sur l'air, faites tous vos efforts pour les mettre dans votre log.

Prédictions avec VOACAP, , pour 1000w toutes bandes sauf 30m (200w) vers des dipôles/verticales sur les bandes basses (160m-30m) et petites yagi sur les bandes hautes (20m!10m). Calcul avec un ratioi de sunspots de 5 (ce qui peut être un peu optimiste) . Le critère de signal retenu est de S3 ou plus de 40 à 10m.
Vos conditions de travail – station, environnement, bruits locaux, diront si ces prédictions avaient été trop optimistes ou trop pessimistes.
N'oubliez pas d'écouter la balise 5Z4B des NCDXF/IARU (http://www.ncdxf.org/beacons.html) pour les ouvertures sur les bandes hautes (20m-10m).
Table des levers de soleil, utilisable avec vos couchers de soleil pour déterminer les ouvertures short path . Restez attentif à la propagation autour des levers de soleil à Glorieuse pour suivre l'augmentation des signaux.

A propos de l'équipe:
L'équipe est maintenant à Saint Denis de la Réunion. Une impatience certaine règne en attendant ce fameux Lundi prochain.
Le vol de lundi partira de la Réunion avec àbord du Transall, le Préfet des TAAF et l'équipe. Ils décollent pour Mayotte.
A Mayotte ils seront rejoints par le Préfet de Mayotte et le détachement de la Légion Etrangère.
De là ils partiront enfin pour Grande Glorieuse.
Pointez vos antennes sur Glorieuse, premieux signaux attendus Mardi.
Glorieuses : Lat : 11° 34' 53" Sud , Long : 47° 17' 31" Est, LOCATOR :

LH38pk
Portez vous bien, bonne chance
73

8883. FT5GA release

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-09-14 07:17:54 UTC
From: F5nql@aol.com
Topic: 8883 Message: 8883

Hi all
The FT5GA team landed safe on late Saturday, at Saint Denis de la Reunion Airport.
While this week end, the members of the crew spent some time to check and finalize the laptops and the Wintest soft. They were heard doing that on the bands, barefoot, on Sunday using CW and RTTY, from Sainte Clotilde.
This morning the departure to Mayotte is scheduled around 0900 local time.
Then they will fly to Glorieuse, were they are expected to land around the end of the afternoon.
To night I'll call them by satellite cell phone to know approximately when they will begin to traffic.
The Higher Authorities of the Territory and the other from the French Forces presence on the island, may delayed that a little bit. So it seems reasonable to expect the first signals on Tuesday in the morning (GMT time)
By the way I will thank all of our pilots and friends who are ready QRV to collect all the useful information to permit us the best traffic organization.
Jeff, F6AOJ did a good job and send it us, about propagations predictions, Floyd is ready to receive and transmit us all what will be useful for the Whole American Continent.
We know the poor conditions to day for the FT/G/Americas way so with the pilot help we will try to be as top as possible for them.
This morning, Lee, ZL2AL sent us some predictions for the VK/ZL area. The Middle and Far Asian observation are awaited, and will come soon.
The FT5GA has the chance to offer you a rare possibility to get the 4th Most Wanted country (The last time was in the 1999/2000); Could we ask the Ham community to don't mess up the party ?
Please hear and hear before coming in the pile up. The operators will give also some instructions while beeing behind laptops , keys and mikes. They have received strict orders to keep the traffic under their control.
The logbooks will be able as soon as possible on the Web page at :
http://glorieuses2008.free.fr/searchlog.php
(http://glorieuses2008.free.fr/searchlog.php) .
Rafik, F5CQ our webmaster, will update as often as possible, receiving conditions permitting.
Thank to him too for the big job done in the past and for that he will have to do in the next days.
So beam your antennas, keep your ears and rigs ready. The crew members are motivated as ever and they will do all their best to make all of you happy.
Didier F5OGL – Glorieuses 2009 leader
Through F5NQL'smailbox, Maurice, in charge of the communication by Internet for FT5GA
Bonjour à tous
L'équipe FT5GA est bien arrivée samedi matin à la Réunion. Elle a profité

du week-end pour régler les ordinateurs et certains éléments et tester le matériel après le voyage. On a pu les entendre avec des moyens réduits dimanche en CW et RTTY pour faire ces essais depuis Sainte Clotilde.
Ils ont décollé ce lundi matin vers 09h00 pour se rendre sur la Grande Glorieuse via Mayotte où ils devraient arriver en fin d'après midi. Je les appellerai ce soir sur le téléphone satellite pour connaître approximativement l'heure de début d'activité.
Je rappelle que la présence de hautes autorités militaires et territoriales peut ralentir légèrement l'installation et qu'il semble plus raisonnable que l'activité commence mardi dans la matinée (heures GMT).
Je profite de cette occasion pour remercier Les pilotes qui sont prêts à collecter toute information utile afin de fixer un déroulement correct du trafic,
Jeff, F6AOJ pour ses prévisions de propagation et Floyd, N5FG qui va collecter les information de l'ensemble du continent américain . car nous sommes conscients de la pauvreté de la propagation vers les Amériques et feront tout pour favoriser cette partie du monde lorsqu'il y aura des possibilités.

Dans cette perspective, je demande à tous de bien écouter ce que disent les opérateurs qui ont reçus des consignes très strictes de trafic en matière de discipline du pile up.
Les logs seront disponibles et réactualisés le plus souvent possible sur le site de l'expédition - _http://glorieuses2008.free.fr/searchlog.php_ (http://glorieuses2008.free.fr/searchlog.php) - Je remercie d'ailleurs Rafik, F5CQ pour l'énorme travail qu'il va avoir à accomplir car il en a déjà fait pas mal….
Merci de votre compréhension et bonne chance pour les contacter. Ils sont motivés comme jamais et feront tout pour contenter le maximum de monde.
Didier F5OGL – Glorieuses 2009 leader

8884. Dx and contest information of the day

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-09-14 09:06:29 UTC
From: F5nql@aol.com
Topic: 8884 Message: 8884

Hi all
For this issue, thanks Jean-Yves, F8LDX, Mediterraneo DX Club and Anton IZ8CCW, Phil/G3SWH, Wojtek/SP8MI, Toze/CT1GFK and Algarve Star DX, Bill/NG3K, Acim/YT3W
FRANCE :
The French dxpedition to the Glenans, F5KAQ/p, iota EU-094 , has big reception problems on low bands especially on 80m.
These problems are because of a huge AC regulator QRM which has not been, fixed yet. The S meters mark permanently over S9 on 80m.
France – CORSICA :

Membrers to Volta Dx Team and Project DX Team: Ern TK/I2FUG, Oscar TK/IK2AQZ and John TK/IK2JYT will be active from Corse (EU-014) from 19 and
24 September for annual holiday/DXpedition. They will operate on all bands (160-2 metres) SSB, CW and digital modes, with two stations using small amplifiers, verticals and loop antennas. They will try to go and operate from a more islands, such as Ile St.Cipriano (EU-164), Ile Cerbicales (EU-100) and Ile Sanguinaire (EU-104). All QSL via home call, direct or bureau.

Note from editor : Remain that 6 meters is strictly forbidden in Corsica and surrounded TK islands.

CAIMAN:
From: "Phil Whitchurch"

I'm sorry to have to inform you that the activity on 20 metres CW earlier this month by a station signing ZF2NT was a pirate operation. Bruce is still in California.

73 for now

Bill/NG3K, Acim/YT3W
FRANCE :
L’équipe du RC F5KAQ/p, sur St Nicolas des Glenans, iota EU-094 ,
rencontre d’énormes difficultés de réception sur les bandes basses, spécialement
sur 80m. Le QRM causé par l’onduleur de l’île est en permanence au dessus de
S9 sur cette bande.
Merci de votre patience.
France – CORSE:

Une équipe du Volta Dx Team and Project DX Team: Ern TK/I2FUG, Oscar
TK/IK2AQZ et John TK/IK2JYT seront en Corse (EU-014) du 19 au 24
septembre, pour leur expédition/vacances annuelles.
Toutes bandes (160-2 mètres) SSB, CW et numériques avec deux stations sur l
’air en permanence. Petits amplis , verticales et loops.
Ils essaieront aussi quelques activités depuis St.Cipriano (EU-164),
Cerbicales
(EU-100) et Sanguinaire (EU-104).
QSL via HC directes ou bureau.
Note de F5NQL : Rappelez vous que le 6m est strictement interdit en Corse,

île principale et autres îles dépendantes.

CAIMAN:
De’ "Phil Whitchurch"

Désolé de vous apprendre que ZF2NT ce mois ci sur 20m CW était un pirate.
Bruce est toujours en Californie.

Hi friends
From Didier, FT5GA, team leader
Yves-Michel, F5PRU said :
The departure from La Reunion had been delayed of one hour.
Now all the Authorities and crew are at the French Foreign Legion base on Mayotte.
At the time, they are taking off to Glorieuse.
Yves-Michel, F5PRU confirmed that it seems very difficult to set up any antenna before the sunset.
They will set up all the antennas to morrow morning.
If you QSO'd some of the members of the crew yesterday, from FR, it was thank to a FR ham who loaned his barefoot station with a light vertical.
Other news as one goes along.
73, be steady
Didier, F5OGL, FT5GA team leader.
Through Maurice, F5NQL's mailbox, Maurice, Communication Internet and mail for FT5GA.
Bonjour à tous
De Didier, F5OGL, chef d'expédition.
Je viens d'avoir Yves-Michel, F5PRU, au téléphone.
Ils ont décollé avec 1 heure de retard de la Réunion. Il sont actuellement à Mayotte reçus par les légionnaires et doivent décoller vers les Glorieuses dans 10 minutes.
Yves-Michel m'a confirmé qu'ils n'auront vraisemblablement pas le temps de monter des aériens avant la nuit ce soir.
Vous les avez entendus hier car un OM de la Réunion leur a prêté une verticale qui ne fonctionnait pas très bien et ils étaient très barefoot.
Le montage des aériens commencera demain matin à l'aube.
Dès que j'ai des nouvelles, je vous les fais parvenir
73's
Didier, F5OGL, Chef d'Expédition

8887. FT5GA news at Gloriosos sunset

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-09-14 16:18:39 UTC
From: F5nql@aol.com
Topic: 8887 Message: 8887

Hi friends
The Transall plane, carrying the TAAF and Mayotte authorities, the French Foreign Legion detachment and the FT5GA crew has landed on Grande Glorieuse at 13h30 GMT (16h30 local).
At this moment all the Servicemen, included the FT5GA Op's are busy to unload all the Military and dxpedition gear and supplies.
The night falls very quickly so, when the plane will be completly unloaded, it will be too late to set up the antennas, even one. It will be done to morrow just after the sunrise.
The team FT5GA will live in the anticyclonic shelter and will have a special room for his Ham traffic. This evening and sometime in the night, they will spent as longer as possible the most part of their time to set up the indoor parts of the stations – rigs, pa's, laptops, bandfilters ...).
After more then five years, some hours to wait again is undoubtedly the best achievement we would had hope, isn't it?
73
Didier, F5OGL, Team leader,
Through F5NQL's mail box, Maurice, in charge of the Internet communication by mail.
Bonsoir à tous
L'équipe est bien arrivée sur l'île de la Grande Glorieuse vers 16h30 locales (13h30 GMT). Ils sont en train actuellement de décharger l'avion militaire. Ils seront logés dans l'abri anticyclonique et disposeront d'une pièce pour y mettre les stations. La nuit tombant très vite, ils ne pourront pas comme prévu monter les antennes ce soir, mais ils vont commencer à installer les stations dans la pièce principale. Ils commenceront le montage des aériens demain matin dès l'aube.
Plus que quelques heures à attendre !!!!
73's

Hi friends
From Didier, F5OGL, tea leader
Yves-Michel/F5PRU by Satellite cell phone says :
We are showing to the TAAF, Mayotte and French Forces authorities what Ham Radio is. We are working for the future of possible dxpeditions to the Eparses.
Only one station is QRV, (with a 5 bands Spiderbeam antenna).
The demo transmission is on 14190 SSB, and will end around 000 utc or a little bit later.
This afternoon the two other Spiderbeams will be set up on the afternon and the low band antennas to morrow..
So be lucky.
73
Didier, F5OGL, FT5GA team leader.

Bonjour à tous

de Didier, F5OGL, Chef d'expédition
Je viens d'avoir F5PRU au téléphone satellite.
Actuellement une seule station avec la spiderbeam 5 bandes est montée pour la démonstration aux autorités territoriales sur place. Elle émet sur 14.190 en SSB.
Cet après midi, deux autres stations avec les deux autres spiderbeam seront montées avant la nuit
La construction des antennes pour les bandes basses commencera demain matin.
73 bonne chance

contacts preferred via e-mail: _comm@3w6c.qrv.ch_
(mailto:comm@3w6c.qrv.ch)
DXpedition web site: _www.3w6c.qrv.ch_ (http://www.3w6c.qrv.ch/)

Swiss radio amateurs receive official license,
start detailed planning for DXpedition to Côn Có Island
LUCERNE, SWITZERLAND, 15 September 2009 – Scheduling their activities for
April 2010, an international group of amateur radio operators plan to
conduct a "DXpedition" (DX being ham-radio talk for "long distance") to a remote
island off the coast of Vietnam. During their 2-week stay, they will make
radio contacts with as many ham radio operators as possible around the
globe. Running four stations 24 hours a day, they hope to reach 60,000 hams in
that period.
In addition, the Vietnam telecom authorities have issued an official
amateur radio license as required for any such activity; in this case, the call
sign under which all radio communications will take place is 3W6C.
The multinational project, being coordinated by Swiss ham-radio operators,
consists of roughly 20 individuals including one woman with members not
only from Switzerland but also from Vietnam, Germany, USA and Japan.
The team members are starting to make the extensive preparations necessary
for such a DXpedition. Côn Có Island, with a land surface of just 2 square
kilometers, is 32 km off the central coast of Vietnam in the Gulf of
Tonkin. The island has a population of approximately 400 people. For many years
it was a restricted military zone, but today the Vietnamese government is
working to turn this idyllic location into a tourist and vacation
destination.
What is of special interest to ham operators is that this island has
rarely seen any radio activity. Because it belongs to the popular Islands of the
Air program (designation: AS-185), and the fact that Vietnam itself is
high in the list of most-wanted countries for radio contacts, the DXpedition
expects very high interest from the amateur radio community around the
world.
The goal is to make contacts on as many different frequencies as possible,
even in the 80 meter and 160 meter bands, which makes this DXpedition very
special. But this goal also means that the group must transfer
considerable amounts of equipment – including radios, antennas, power generators,
computers, and various ancillary supplies – with them to the island.
The need for sponsors
In order to conduct such an extensive operation requires considerable

financial resources. And while the team members are all making personal financial sacrifices to make this DXpedition possible, they are also dependent upon donations from many sources, whether individuals, ham-radio clubs or commercial sponsors. They would be most grateful for any financial support, in any amount; information for making donations is available on the DXpedition website at www.3w6c.qrv.ch.

FRANCE
On September 19, starting around 0600 utc,look for François/F5JNE, to be active as HC/p, from the Castle of Turny, DFCF 89308, in the city of Turny,

zip code 89570, and Canton of Brienon sur Armançon, DDCF 89-07.
80 then 40mn CW/SSB.
QSL bureau and swl cards welcome.
European Heritage Days
On September 19 an 20, look for TM5FKB, from the Fort of Le Kremlin Bicêtre.
Military gear exhibition and visit of the building.
Have alook on the clusters.

QSL via Michel, F6GVH, , swl cards welcome.

EAST MALAYSIA
Steve, 9M6DXX, will operate (SSB only) as 9M8Z from Sarawak, East Malaysia (IOTA OC-088), from 22 to 26 October, including a single-operator all-band high-power unassisted entry in the CQWW DX phone contest. QSL via M0URX direct, via the bureau, LoTW, or request direct or bureau cards on-line.
Steve, 9M6DXX, and John, 9M6XRO, will operate from Pulau Labuan (IOTA OC-133) from 6 to 8 November (and possibly for one or two hours from 0000UTC on 9 November) as follows: 9M6DXX/P 10m - 80m on SSB only; 9M6XRO/P 10m - 160m on CW and RTTY. Stations will be using linear amplifiers to a multi-band vertical and a 160m inverted-L, both mounted very close to the ocean. We hope it will be possible to operate on 160m CW at the same time as SSB on the other bands. QSL both 9M6DXX/P and 9M6XRO/P via M0URX, either direct, via the bureau or LoTW.

See www.m0urx.com for details.

BELGIUM:
UBA QRP CW FOXHUNT
To promote QRP activity on a regular basis, there will be a weekly one-hour UBA QRP CW FOXHUNT each Monday during the months November, December 2009 and January 2010. Starting on Monday November 2, 2009 and ending on Monday January 25, 2010 (last foxhunt session).
The rule is that there are very few rules.
The event should be considered a friendly meeting amongst QRP CW enthousiasts.
Foxes call “CQ UBA FOX DE (callsign)”. The chaser’s aim is to find, call and QSO as many foxes as possible, preferably with QRP power. Callsigns of the foxes, date/time and band information can be found here: www.on5ex.be/foxhunt. Please note this foxhunt is NOT a contest with the usual “599”-style reports. The chasers will send a real report, name, QTH, power , type of rig used (commercial or home brew) and antenna info.
The fox’s aim to work as many chasers as possible, but without rushing matters. Please keep in mind not every operator is a cousin of "Speedy Gonzales". A lot of operators prefer a more relaxed CW style. The foxes (QRP only) always include report and name, additional info depending on the actual situation and subject (pile-ups) to working as many chasers as possible. Additional remarks, greetings etc. are highly appreciated to

make this a friendly event.
On the other hand, with other chasers waiting to work the fox, ragchewing is to be avoided.
QRG & times:
40m 7025-7035 kHz 1930-2000 UTC
80m 3550-3560 kHz 2000-2030 UTC
QRP stations (ON and EU) can apply for fox operation by using the form at _www.on5ex.be/foxhunt_ (http://www.on5ex.be/foxhunt) .
They will receive in return a confirmation and a password to log onto the foxhunt server.
At the end of each foxhunt, foxes will send in their logs ASAP, enabling each chaser to view which foxes he/she ‘shot‘ the same evening.
The UBA QRP FOXHUNT can only be held as long as there are foxes to catch.
We invite all QRP stations (ON and EU) to apply as fox station on one or more Monday nights, November 2009 through January 2010.
At the end of the UBA QRP FOXHUNT, the chaser who catched the largest number of foxes will receive an award.
Good luck to all participants and, most of all, have fun!
73
Jos ON6WJ
UBA HF QRP Manager

L’équipe de radioamateurs suisse a reçu sa licence officielle et a démarré son planning pour sa future expédition sur l’île Côn Có .
LUCERNE, Suisse, le 15 septembre 2009.
Programmée pour avril 20010, par une équipe internationale, consistera a activer une île vietnamienne isolée - Côn Có -.
Pendant deux semaines , ils espèrent contacter un maximum d’entre vous de par le monde.
Quatre stations seront actives 24 heures sur 24. Ils se sont fixé un objectif de 60 000 radioamateurs contactés.
En complément de la licence les autorités vietnamiennes ont délivré l’ indicatif : 3W6C.
Dirigée par des OM suisses, la future équipe compte environ 20 radioamateurs y compris une XYL, d’Allemagne, Etats Unis , Japon et Suisse .
Côn Có est une île de 2km² située dans le Golfe du Tonkin à environ 32 km de la côte du Vietnam Central. 400 habitants peuplent cette île.
Cette zone a longtemps été interdite d’accès par les militaires ; aujourd’ hui elle est en train de devenir une importante destination touristique.
Cette île est une des plus recherchée au IOTA - AS-185 - , et le fait que le VietNam soit aussi une contrée recherchée, a motivé le choix de la destination.
Le but est de faire un maximum de QSO y compris sur 160 et 80m. Ceci impliquera une importante quantité de matériel à transporter sur place. - radios, antennes, groupes électrogènes, et autres accessoires.
Le besoin de parrains :
Pour mener à bien cette importante opération, dont le coût est élevé, l’ expédition aura besoin de ressources financières.
Outre les apports personnels des opérateurs, l’expédition sera dé»pendante des aides variées que la Communauté radioamateur voudra bien leur concéder, qu’il s’agisse d’individuels, de Radio-lubs ou de parrains commerciaux.
L’équipe sera reconnaissante à quiconque voudra bien l’aider.
Ceux qui souhaitent le faire trouveront toutes indications sur le site de l ’expédition à : _www.3w6c.qrv.ch_ (http://www.3w6c.qrv.ch/)

I just received a blank QSL (nothing filled in) for the second time in a month from SASEs that I sent out with some green stamps.

Does this mean 'not in the log' or something else?

Both were from Russia (actually Asiatic Russia)

Anyone have any explanations?

I have never received a blank card by itself. I have received an additional blank card along with the filled-in card to me from several QSL managers, who I can't remember at the moment anyway.

In any case, I was always under the assumption it meant "Fill it in with whatever you want." I don't know of anyone who has done that, however. Not that it hasn't been done.

QSL managers are busy, and they sometimes make mistakes. I think you
just had bad luck.

Both situations were not from managers adnd both from Russia! I hope this is not the start of a trend.

Sure hurts when I am working towards DXCC for my 8th band!

I am not the type to fill in a 'blank' card.

8895. FT5GA - Sept 16th in the morning

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-09-16 07:10:24 UTC
From: F5nql@aol.com
Topic: 8895 Message: 8895

Hi friends
Gloriosos
September 16th :
After the first day only one station was set up.
The first day was reserved to exhibitions to the VIP.
At the end of the first day, a vertical for 80m was also in service.
They were on 80m all last night long.
A huge QRN annoyed the traffic.
To day a part of the crew sets up the antennas and the other , indoor is assembling rigs, PS, Pa's and so on, for the two other stations.
The traffic will grow up during the day, more and more.
However, know that four times a day, the crew must stop the transmissions around 04h00, 09h00, 16h00 and 17h00 UTC, for control , especially of the AC supplies, by the Chief of maintenance crew and members.
Rafik, F5CQ waits the first log to be uploaded on the web page at :
http://glorieuses2008.free.fr/searchlog.php
(http://glorieuses2008.free.fr/searchlog.php) , to night or to morrow in the morning. The first part of the
FT5GA log will be available , on Sept 17th, in the morning, + or less, .
73
Didier, FT5GA, team leader
Through F5NQL's mailbox, Maurice in charge of internet communication by mail for FT5GA.
If you forward these information by any way, please don't remove the indicated sources.

FT5GA, 16 septembre 2009.
Après la journée d'hier réservée aux VIP où FT5GA n'a monté qu'une station de démonstration puis ils ont monté une antenne 80 mètres verticale en toute fin de journée.
La nuit dernière, ils ont trafiqué sur 80 mètres mais ils ont été extrêmement gênés par un gros QRN.
La journée d'aujourd'hui va être consacrée au montage des autres antennes pendant la mise en œuvre de deux stations.
L'expédition va donc monter en puissance dans la journée. Cependant, chaque jour, l'équipe doit couper ses émissions pour quelques minutes vers 04h00, 09h00, 16h00 et 17h00 UTC. C'est une obligation incontournable pour maintenance sur le site et commandée par le chef d'élément.
Les premiers logs devraient nous parvenir cette nuit ou demain matin. Le premier log online devrait être disponible le 17 matin.

8896. New Data Files and Reports Uploaded to the Web

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-09-17 20:10:00 UTC
From: GOLIST
Topic: 8510 Message: 8896

The *SEPTEMBER 2009-C Issue #909 *files have been uploaded to the Golist
web site.
The weekly GoData files include DXCC APPROVED OPERATIONS in the
data file.
Use the DOWNLOAD button in your GOWIN program or this link in your
web browser. http://golist.net/dlauth.cfm
It is recommended that you open up GOWIN after downloading the data file
update and on the top bar click on FILES/CLEANUP FILES and run this
routine to clear all the old update files from the program folder.
This will prevent any lookup problems for you.
Now is a good time to send in your RENEWAL to GoWin if your subscription
is about to expire.

I.C.P.O. Bulletin (September 17 - 25, 2009)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

17/09/2009: Heinz, DL7HKL will be active until September 28th as EA8/homecall from Gomera Island (AF-004, DIE S-014, WLOTA L 1526). QRV using SSB on 20, 15 and 10 meters especially during the evening hours. QSL via homecall, bureau or direct. [DX Newsletter]

18/09/2009: Rene, DL2JRM will be active September 18-20th as OZ/DL2JRM/p from Romo [aka Roemoe] Island (IOTA EU-125, DIA NS-001). QRV 40-10 meters, mainly CW. QSL via home call, direct or bureau. [rsgbiota.org]

18/09/2009: Bill, N7OU will be making a lightweight, solo dxpedition, to Chatham Island (OC-038, WLOTA L 1627), September 18-30th, signing ZL7/N7OU. QRV 80-10m, CW only, 100w/vertical. QSL via N7OU. [NG3K]

19/09/2009: On September 19th François, F5JNE/p will activate the Castle of Turny (DFCF 89-308), in the city of Turny (CP 89570), canton [county] of Brienon sur Armançon (DDCF 89-07), Department Yonne/89 and Province Burgundy (DPF 05). Starting around 0600 UTC on 80m then 40m, CW and SSB.QSL via home call, bureau preferred and SWL cards are welcome. [F5NQL]

19/09/2009: Taka/JO2JDJ (JD1BLP) and Koya/JI5RPT (JD1BLY) will be active from Chichi-Jima Island (IOTA AS-031, JIIA AS-031-003, WLOTA L 2269, WW Loc. QL17CC, JCG #10007) from September 19-22nd. QRV 40m to 6m + satellites, using CW, SSB and Digital modes. QSL via home callsigns. JD1BLY's logsearch will be on web site at: www.ji5rpt.com/jd1/ [JI5RPT]

19/09/2009: Look for Tomi, OH6EI to be active in the SAC CW Contest (September 19-20th) as OH0Z from Riddarklint hill, Mariehamn, Aland Island (EU-002, WLOTA L 1373) as a Single-Op/All-Band/High-Power entry. QSL via W0MM, direct or bureau. [NG3K]

19/09/2009: The TC Special Wireless Activity Team (www.tcswat.org/) will be active as TC3BLH from Balyos lighthouse (Admiralty E4884, WW Loc. KN30UL), Sea of Marmara, Turkey, from September 19-23rd. They plan to operate mainly on 20 and 40 meter SSB. QSL via operator's instructions. [425 DX News]

19/09/2009: Volta DX Team and Project DX Team members Ern/I2FUG, Oscar/IK2AQZ and John/IK2JYT will be active as TK/homecall from Corsica (IOTA EU-014, DIFM TK-001, MIA MCO-001, WLOTA L 1390) from September 19-24th. They will operate 160-2m (sorry no 6M allowed on TK) SSB, CW and digital modes, with two stations using small amplifiers, verticals

and loop antennas. Side trips to the islands of San Cipriano (EU-164, DIFM TK-037, MIA MCO-013), Forana (EU-100, DIFM TK-035, MIA MCO-016) and Grande Sanguinaire (EU-104, DIFM TK-002, MIA MCO-022, WLOTA L 0098) are also being planned. QSL via home calls, direct or bureau. [425 DX News]

19/09/2009: European Heritage Days - On September 19th and 20th, look for TM5FKB, from the Fort of Le Kremlin Bicêtre (DFCF 94-014), commune of Le Kremlin Bicêtre (CP94270), canton [county] Le Kremlin Bicêtre (DDCF 94-16), Department Val de Marne/94 and Province Ile de France (DPF 21). Military gear exhibition and visit of the building. QSL via F6GVH, bureau preferred and SWL cards are welcome. [F5NQL]

19/09/2009: The Tri-County Amateur Radio Club, WC5C will reactivate Greer Island (USi TX-058, Not IOTA, Tarrant County), located in Lake Worth, Texas, on September 19th (1400z-2200z). Club members will travel to the island by boat, kayak and canoe and by foot across a causeway. QSL via WC5C (QRZ.com). [USI]

19/09/2009: Koji, JM1CAX (ex-D2NX), will be active from Niue Island (OC-040) as ZK2NX between September 19-25th. Activity should be on all bands, especially 30/17/12 meters, mostly CW, but some SSB. QSL via JM1CAX, by the bureau or direct. [OPDX Bulletin]

20/09/2009: Ken, G0ORH will be active September 20-27th from the Isle of Arran (EU-123, IOSA CL01, SCOTIA CS14) as GM0ORH/p. Look for activity on or near the usual IOTA and island frequencies. QSL via home call. [425 DX News]

22/09/2009: Kevan, 2E0WMG/p will be active from the Isle of St. Agnes, Isles of Scilly (EU-011, WAB SV80) on September 22nd and 23rd. Operation will be on 80, 40 and 20m SSB only. QSL via home call, direct or bureau. [Pete's-DX-Newsdesk]

22/09/2009: San, A45WH (VU2CEO) and VU2MCJ along with with two SWL's will be active from Masirah Island (IOTA AS-014), Sultanate of Oman, September 22-24th. QSL via home call, direct or bureau. [AT International]

22/09/2009: Willi, DJ7RJ has received the call TO7RJ to be used from Mayotte (AF-027, DIFO FH-001, WLOTA L 0376) from September 22nd through October 21st. He will be leaving the island October 25th, so he will be active as FH/DJ7RJ during the last days. Expect Will to operate CW and SSB on 160-10 meters, and perhaps 6 meters. QSL via home call, direct or bureau. [425 DX News]

23/09/2009: Wilhelm/SP8AJC and Henryk/SP9JPA will be active as 3Z8WFF from Krempna, Magurski National Park (WFF SPFF-010) from August 20-23rd. QSL via SP8AJC, direct or bureau. [425 DX News]

23/09/2009: Barrie, G4AHK will be active from Malawi between September 23rd and October 12th using the callsign 7Q7BJ. QRV all HF bands, mainly SSB/CW. QSL via home call, direct or bureau. [AT International]

23/09/2009: Operators Lewis/WW4LL and Andrei/EW1AR/NP3D will be active as TI5/homecall from Costa Rica between September 23-28th. Activity will be on all bands using RTTY, SSB, and perhaps some CW. QSL via LoTW, also direct per QRZ.com address. [OPDX Bulletin]

24/09/2009: Tim/M0TDG, and Martin/G3ZAY plan to be active from Miquelon island (NA-032, DIFO FP-002, WLOTA L1417) as FP/homecall from September 24-27th. They will operate CW and SSB; low band operation will depend on equipment availability (and airline baggage limits). Martin will also try to activate McNutt island (VE1, NA-126, CIsA NS009), Nova Scotia, on September 29th. QSL via home calls, direct or bureau. [425 DX News]

24/09/2009: Gerry, IZ1DSH and Pasquale, IZ1MLQ will be active September 24-27th as IL7T from San Domino Island (EU-050, IIA FG-001, MIA MI-085, WLOTA L-1284). They will have two stations active on 40-10 meter SSB, CW and digital modes. QSL via IZ1DSH, direct or bureau. Further information can be found at www.aritorino.it/IL7T.htm [425 DX News]

24/09/2009: Look for Fred, PA1FJ to be active as PJ2/PA1FJ from the island of Curacao (SA-006, WLOTA L0942) between September 24th and October 7th. QSL via home call either direct, by the Bureau or eQSL. [rsgbiota.org]

24/09/2009: The Amateur Radio Expedition to the rarest IOTA references in Vietnam is the project of the longtime friends: Russian Robinson Club and R-Quad Antenna Company. Operators Sergey/RA3NAN, Oleg/RK3FA, Eugene/RZ3EC, Andy/RZ3EM and Andrey/UA6BGB will be active from September 24th to October 1st from the following islands: Ngu Island (AS-185) as XV6RRC from September 24-26th; Cham Island (AS-162) as XV7RRC from September 27-28th; Tam Island (AS-157) as XV3RRC from September 29 to October 1st. They plan to run 2 stations on 160-10 meters with the following setup: Elecraft K3 - 2 pcs; Acom 1000, Ameritron ALS600 amplifiers; 160-80-40m Vertical on 18m mast, 20m VDA on 12m mast, VDAs on 15-17m on 12m mast, BiggIR Vertical (40-10m), LowBands RX antennas (if the conditions permit). QSL direct to RZ3EC, or use the online bureau request form. Logs will be uploaded to LoTW after Expedition is over. Further info and log search available at: http://xv6rrc.com/ [RZ3EM]

25/09/2009: Gab, HA3JB (SU8BHI), will be active from the island of Cyprus (AS-004, MIA MCI-002, WLOTA L0051) as 5B/HG3IPA between September 25th and October 2nd, including an entry in the CQWW RTTY DX Contest (September 26-27th). QSO is good for the Hungarian International Police Association Award (HA-IPARC Award). For details on the award, visit: www.ha3jb.com/award.html . Also, a new online log search is available at: www.ha3jb.com/onlinelog . Those who send for a QSL, please write your E-mail address on your card, and he will advise you by E-mail when your QSL arrives. QSL via HA3JB: Gabor Kutasi, P.O. Box 243, H-8601 Siofok, Hungary. [HA3JB]

25/09/2009: Look for Jon, M0OVL to be active as M0OVL/p from the island of Inner Farne (IOTA EU-109) from September 25-26th. Sorry everyone but only 4 hours operations each day 1000 - 1400 UTC. Activation dependent

on the weather. Web site at: www.m0ovl.co.uk/ [rsgbiota.org]
==========
LOOKING AHEAD -

26/09/2009: Look for EA2CYJ to be QRV from Spain in the CQWW RTTY DX Contest (September 26-27th) as a Multi-Single entry. Operators mentioned are EA2CJ, EA2VE, EA2CXP, EB2GFA, EB2CYY, EA2DMZ, and EA2CYJ. QSL via EA2CYJ, bureau preferred. [NG3K]

26/09/2009: Val, RD3AF will be active in CQWW RTTY DX Contest (September 26-27th) as EF8M from Santa Maria de Guia, Las Palmas Gran Canaria (AF-004, DIE S-005, WLOTA L 0969). QSL via UA3DX. [AT International]

26/09/2009: A team of operators will be active from Eschdorf, Luxembourg, as LX7I in the CQWW DX RTTY Contest (September 26-27th) as a Multi-Two entry. QSL via LX2A, direct or bureau. [NG3K]

08/10/2009: Arne/LA7WCA, Maurits/LA3XIA and John/G4ATA will be active as JW7WCA, JW3XIA and JW/G4ATA respectively from Longyearbyen, Spitsbergen Island [Svalbard] (EU-026, WLOTA L 0125) between October 8-13th. QRV on all HF bands, using SSB and RTTY. QSL via home calls. [NG3K]

10/10/2009: The Alamance Amateur Radio Club, K4EG will be active October 10-11th to celebrate the 150th Anniversary of Cape Lookout Lighthouse (ARLHS USA-126, WLOTA L 0596), located on Core Banks barrier island (NA-067, USi NC033S, Pamlico county), North Carolina. QRV on SSB: 7.250, 14.250, 21.250 and 28.450 MHz; CW on 7.055, 14.055, 21.055 and 28.055 MHz. They also plan to monitor 18.081 and 10.110 MHz. QSL via KA4KJI (Gary Hills, 1931 Malone Rd, Burlington, NC 27215 USA). [ARRL]

17/10/2009: Gary, N0PBM and Don, KM0R be camping on Berry Bend Island (USi MO-013L, St. Clair county), Missouri, and will be QRV in the W/VE Island QSO Party (October 17-18th) using the callsign KM0R. QSL via home call. [USi]

17/10/2009: Heinz, VA7AQ reports that the Surrey Amateur Radio Club, VE7SAR will be active in the W/VE Island QSO Party (October 17-18th) from Deas Island (CIsA BC045), BC. QSL via the information on QRZ.com. [USi]

17/10/2009: Jerry, N1QLL will operate as portable VE9 from Deer Island (NA-014, CIsA NB005), New Brunswick, during the W/VE Island QSO Party (October 17-18th). Transmission will be limited to 20 and 40 meters: mostly 20 and mostly SSB. 7.270 and up, and 14.270 up to 14.340. CW will center on 7.050 and 14.050. He will be camping out, totally self-contained (no electricity, water, or waste disposal available) so power will be 40 watts or less. QSL via home call. [USi]

17/10/2009: The Tri-County Amateur Radio Club of North Texas, WC5C will be active in W/VE Island QSO Party (October 17-18th) from Pelican Island

(USi TX050L, Tarrant county), Texas. QSL via QRZ.com. [USi]

22/10/2009: Steve, 9M6DXX, will operate (SSB only) as 9M8Z from Sarawak state, East Malaysia, island of Borneo (IOTA OC-088, WLOTA L 0119), from October 22-26, including a Single-Op/All-Band/High-Power entry in the CQWW DX SSB Contest (October 24-25th). QSL via M0URX direct, via the bureau, LoTW, or request direct or bureau cards on-line. [F5NQL]

24/10/2009: Zoli, HA5PP will be active as 5B/HA5PP from the island of Cyprus (AS-004, MIA MCI-002, WLOTA L 0051) during the CQWW DX SSB Contest (October 24-25th) as a Single-Op/Single-Band entry. QSL via home call, bureau or direct. [NG3K]

24/10/2009: Nick, LZ1NK will be active from Yenisakran, near Aliaga, Asiatic Turkey, as TB3A during the CQWW DX SSB Contest (October 24-25th) as a Single-Op/Single-Band (40m or 20m) entry. He will also be QRV prior to the contest as TA3/LZ1NK. QSL via home call, direct or bureau. [NG3K]

24/10/2009: Operators Lee/ZL2AL, Stan/ZL2ST, Peter/ZL2LF, Mike/ZL2CC, Gary/ZL2IFB, Wayne/ZL2WG and John/ZL2QM will be active from Hawke's Bay, New Zealand (IOTA OC-036, WLOTA L 0069, WW Loc. RF80LQ) as ZM2M in the CQWW DX SSB Contest (October 24-25th) as a Multi-2R entry. QSL via ZL2AL, bureau or direct. [NG3K]

06/11/2009: Steve/9M6DXX and John/9M6XRO will operate from Pulau Labuan (IOTA OC-133, WLOTA L 0456) from November 6-8th (and possibly for one or two hours from 0000 UTC on November 9th) as follows: 9M6DXX/P 10m - 80m on SSB only; 9M6XRO/P 10m - 160m on CW and RTTY. Stations will be using linear amplifiers to a multi-band vertical and a 160m inverted-L, both mounted very close to the ocean. They hope it will be possible to operate on 160m CW at the same time as SSB on the other bands. QSL both 9M6DXX/P and 9M6XRO/P via M0URX, either direct, via the bureau or LoTW. See www.m0urx.com/ for details. [F5NQL]

28/11/2009: Look for Zoli, HA5PP to be active from Cyprus (AS-004, Mia MCI-002, WLOTA L 0051) as 5B/HA5PP for the CQWW DX CW Contest (November 28-29th) as a Single-Op/Single-Band entry. QSL via home call, direct or bureau. [NG3K]

28/11/2009: Look for Nick, LZ1NK to be active as YM3A from Yenisakran, near Aliaga, Asiatic Turkey, for the CQWW DX CW Contest (November 28-29th) as a Single-Op/Single-Band (40m) entry. Expect some activity prior to the contest using the callsign TA3/LZ1NK. QSL via home call, bureau or direct. [NG3K]

==========

SPECIAL EVENTS -

18/09/2009: Celebrating the 65th anniversary of the liberation of Rijkevorsel by the British 49th Infantry Division (the so-called "Polar Bears"), club station ON4NOK will operate special callsign ON65POL from September 18-27th. QSL via ON7YX, direct or bureau. [425 DX News]

19/09/2009: Special event station GB0LME will be active all bands/modes September 19th and 20th for the Lincoln Model Engineering Society, North Scarle, Nr Newark, England (EU-005, WLOTA 1841), where all the equipment on display is powered by steam. QSL via G4DBS or the RSGB bureau. [Pete's-DX-Newsdesk]

19/09/2009: Bittern DX Group members are once again operating the special event station GB2TX raising awareness and funds for the British Wireless for the Blind fund initiative "Transmission 2009". The BWBF was officially launched in 1929 by Sir Winston Churchill and today still distributes specially adapted radios to the blind and partially sighted on a free and permanent loan. Over the past three years BDXG members have scooped 4 transmission trophies and in just four years they have raised almost £ 5000 through sponsorship for the BWBF. Our station will be operated from the car park of the Emcy Garden Centre, near Holt in Norfolk and we will be active on all bands and most modes during the weekend of 19th and 20th September. We have a display showing the wonderful work of the charity and as well as accepting pledges on site we have just set up a online donation page should anyone be able to help us. Please QSL Direct to David Edwards M0CNP, please inc. $1 (Europe) or $2 (if Outside Europe) or if prefered an IRC, plus an SASE or to "GB2TX" via the bureau. Website: www.bittern-dxers.org.uk Please help Us by Donating Online: www.bmycharity.com/gb2tx [Pete's-DX-Newsdesk]

19/09/2009: Commemorating the 150th anniversary of the birth of radioactivity pioneer and Nobel laureate Pierre Curie, special event station TM0RPC will be active September 19 to October 2nd on all bands and modes. QSL via F5KEB. [425 DX News]

19/09/2009: Special event station 8J2MC will be active on all bands/modes from September 19th to November 23rd to celebrate the 2009 International Mosaiculture in Hamamatsu(-city), Shizuoka prefecture, Honshu (AS-007, JIIA AS-007-001, WLOTA 2376), Japan. QSL via the JARL bureau. [JJ1WTL/AC6IM]

19/09/2009: Look for special event station 8J2NU to be QRV all bands/modes from September 19th to October 25th to celebrate the 70th anniversary of Nagoya University, Chikusa-ku, Nagoya, Aichi prefecture, Honshu (AS-007, JIIA AS-007-001, WLOTA 2376), Japan. QSL via the JARL QSL bureau. [JJ1WTL/AC6IM]

22/09/2009: Special event station K4P will be aired September 22-30th for 'Patriotic Day of Puerto Rico', to commemorate El Grito de Lares (the cry of Lars) - or other equivalent terms: rising of Lars, revolt of Lars, rebellion of Lars, even revolution of Lars - directed against the Spanish domination in Puerto Rico, which took place on September 23rd, 1868 in the small town of Lars, in the west of the island, and at the time which very transitory République of Puerto Rico was proclaimed. The principal instigators were Segundo Ruiz Belvis and Ramón Emeterio Betances, members of the Revolucionario Committee of Puerto Rico (IOTA NA-099, USi PR006S, WLOTA L 2802). Activity will be as follows: 80m 3.525-3.585 MHz CW; 40m 7.025-7.125 MHz CW; 15m 21.025-21.075 MHz CW;

and 10m 28.000-28.500 MHz Phone, PSK and CW. A special QSL certificate
is available from Carlos WP4NND via E-mail (see QRZ.com under WP4NND for
full details). [F5NQL]

U.S.A. Special event station information can be found at:
www.arrl.org/contests/spev.html

==========
US COUNTY HUNTING - USA-CA

K8EMS - 19 September to 19 September - SSB Only
Michigan:--Delta, Menominee, Dickenson, Iron, Gogebic.
Wisconsin:--Iron, Vilas, Oneida, Langlade, Menominee, Shawno, Oconto, Marinette.
Michigan:--Menominee, Delta.
Will only be working SSB as this is the maiden voyage for the set up and will be able to work 10.15,20,40,80 while testing the new antenna set up. Close counties by request if time permits. will work net frequencies unless need to be moved. [County Hunter Web]

N4XML - Bob - 1* - 09/19 to 09/20 - SSB Only
I will be participating in the SC QSO Party next weekend and my plans are to put out all 46 SC Counties over the two day period. If the band conditions will permit I will run 20, 40 during daylight hours and 80 meter after sunset and before sunrise. On Saturday I will start at 1300Z and run until 0130Z Sunday. After a few hours sleep I will begin running again at 1030Z until the end of the contest at 2100Z. If I do not run into any problems I should be able to put all 46 counties out. [County Hunter Web]

W8FNW 1* W8GEJ - Sept 19, 2009 to Sept 20, 2009 - SSB and CW
W8FNW SSB AND W8GEJ CW 40 SSB/CW 30 cw 20 SSB/CW 80 on request. OH: Franklin, Pickaway, Ross, Vinton, Ross, Pike, Jackson, Gallia, Lawrence. KY: Greenup, Boyd, Lewis. OH: Scioto, Adams, Brown, Clermount, Highland, Clinton, Warren. And maybe more. [County Hunter Web]

N9QS - Roy - 5* - 9/24/09 to 9/25/09 - SSB and CW
I will run some Kentucky Counties starting on 9/24/09: Jefferson, Spencer, Nelson, Washington, Marion, Taylor, Green, Adair, Russell, Cumberland. Depending on how long it will take me in KY I will most likely spend the night in KY. Then on 9/25 I will try and run the following Tennessee Counties: Macon, Clay, Smith, DeKalb, Cannon, Bedford, Coffee. The return trip is undecided for Sunday 9/27... I am good for 5* MP MG Bingo etc. [County Hunter Web]
==========
QSL INFORMATION -

Now, thanks to Christian, EA3NT/EC3ADC, who operated in the Pacific during 2004, only 10 entities remain to be uploaded to LoTW.
ZK3DX has uploaded all QSO’s giving many ops a new one. Congrats to those who have a new DXCC on LoTW.
Gradually, Chris' operations from T2, A35, 3D2, 7Q7, V8, XX9 amongst others will be added too.

Please note the following update regarding the ARRL US Virgin Islands Incoming QSL Bureau:

For all USVI call signs:

Wollaston Islands (SA-031) and Diego Ramirez Islands (SA-094)
Mehdi, F5PFP reports that his good friend Pupi, LU8XP advised him that a group of hams including Pedro, HK3JJH are preparing an expedition to the Chilean sub-Antarctic territories of the Wollaston Islands (SA-031) and Diego Ramirez Islands (SA-094) in 2010 or perhaps 2011.
Pupi might be in charge of the logistic support at Ushuaia as he has done before for several other expeditions.
More details to follow through time. [DX World of Ham Radio]

4W6AL log is online and updated until 17th Sep 2009 15:00 utc.
Al is very busy with work operations but we can find more than 5500 QSO's on the log.

Very soon, Al will change 40m for 30m dipole. Atention, he is active around more 2 weeks.

UPDATE -
==========
K7A - ALASKA IOTA ACTIVITY -
DATE: September 18, 2009 at 07:04 UTC

I hope to be on from IOTA NA-236 (New) and/or NA-222 and/or NA-216 and likely NA-087.

I plan to be in the area 21 SEPT. 2009 - 5 OCT. 2009

73,
Hugh K6HFA
See K7A on QRZ.com soon. [K6HFA]

LIGHTHOUSE ACTIVITY SPECIAL EVENT - 27 September:

In order to improve the lighthouse activity the STRANGE RADIO TEAM organizes the 27/09/2009 the L.H.A.S.E award for all the amateur radio operators who will demonstrate to have contacted at least 5 stations operating from lighthouses.

Activations, for being valid, must be carried out from a distance within a range of 500 meters from the lighthouse.

Activations carried out from boats are not valid.

Contacts can be carried out on all the HF/WARC/VHF bands.

Activators of the lighthouses will have to send the Log to I0YKN, award manager.

In the same way the amateur radios, in order to claim for the award, will have to send log attesting the stations connected signed by 2 other amateur radio operators. It is not necessary to send the qsl.

It would be appreciated to the activators to inform about the incoming lighthouse activations.

The cost of the award is of Euro 10 or $ USA 15 for the foreign stations.

AWARD MANAGER: IØYKN

South African Amateur Radio Payload Reaches Orbit -

After several delays, South Africa's SumbandilaSat satellite finally blasted to orbit aboard a Soyuz rocket from the Baikonur Cosmodrome in Kazakhstan on September 16. The main payload is a multi-spectral imager, but the satellite also carries an Amateur Radio component consisting of a 2 meter/70 cm FM repeater.

After SumbandilaSat is fully commissioned, the repeater will be activated with an uplink at 145.880 MHz and a downlink at 435.350 MHz; there will also be a voice beacon at 435.300 MHz. The transponder mode will be controlled by a CTCSS tone on the uplink frequency. The CTCSS tone frequencies have yet to be announced.

SumbandilaSat was sponsored by the Department of Science and Technology and was built at SunSpace in cooperation with the Stellenbosch University.

In addition to the SA-AMSAT amateur module, the satellite carries
Stellenbosch University's radiation experiment and software defined
radio (SDR) project, an experiment from Nelson Mandela Metropolitan
University and a VLF radio module from the University of KwaZulu-Natal.
[ARRL]

Bill, ON5JE will be active September 19-23rd from the Castle of
Gandspette (DFCF 62-270) as F/ON5JE. Activity will be on 40 meters only.
QSL via home call, bureau preferred. [ON5JE]

8900. FT5GA

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-09-20 05:20:20 UTC
From: F5nql@aol.com
Topic: 8900 Message: 8900

Hi friends
We aske to all of uou who qso'd FT5GA and who have any question to avoid sending claiming to Rafik, F5CQ but :
1st) check you are in the log. The log could be put online several days after your QSO)
2nd) You can try to make another QSO.
3rd) On your QSL card, add a little post-it with your observations and send it to the QSL manager.
Claimings by mail to F5CQ and other inquiries to FT5GA crew (included F5OGL, operators on Gloriosos, pilots and F5NQL will not be answered.

About the propagation :
Bernie, W3UR informed us that Bob, N6TV has put online on is website the propagation tables calculated by Dean N6BV :
http://www.kkn.net/~n6tv/ft5ga_prop.pdf.
Thanks Bob, Dean and Bernie.

Logs:
Rafik (who is also in Strasbourg) wait for a new batch of logto day, which he will put monline as soone as possible.
That's all folks for to-day from F5NQL who will drive to hom from Strasbourg, wher he attended yesterday to the Clipperton DX Club Convention..
73
Maurice, F5NQL, Internet communication for FT5GA.

If you forward these information by any way, please don't remove the indicated sources.

If this kind of message could be useful to your friends please spread it and ask
them to include their address on the mailing list at : _f5nql@..._ (mailto:f5nql@aol.com) .

Bonjour à tous
Nous demandons à tous ceux qui ont des questions à propos de leur trafic avec FT5GA d'éviter de noyer Rafik, F5CQ avec des récriminations.
1) Vérifiez déjà si vous êtes dans le log en ligne (celui dans lequel se trouve(nt) votre (vos) QSO(s) peut être chargé plusieurs jours après sur le site.
2) Vous pouvez aussi retenter un nouveau QSO.
3) Sur votre demande de QSL, vous pouvez mettre un post-it portant votre réclamattion.
Aucune demande de vérification par mail, à Rafik et l'équipe (inclus, F5OGL, les opérateurs, les pilotes et F5NQL) ne sera traitée.

A propos de la propagation :
Bernie, W3UR nous informe que Bob, N6TV a mis en ligne un certain nombre de tables de propagation calculée par Dean N6BV sur son site à :
http://www.kkn.net/~n6tv/ft5ga_prop.pdf.
Merci Bob, Dean and Bernie.

Logs:
Rafik , F5CQ, (qui est encore à Strasbourg) attend un nouveau log qui sera mis en ligne dès que possible.
Cest tout pour aujourd'hui, de F5NQL (sur la route de retour à la maison, de Strasbourg après la Convention du CDXC)

8901. I'm Cutting Back on my Hours

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-09-20 15:27:06 UTC
From: GOLIST
Topic: 8901 Message: 8901

Friends,
Beginning immediately, I am cutting back on the hours I spend in
front of the computer, telephone and
radio. The decline in DX activity on the bands, and Golist renewals has
prompted me to make some changes.
I will be limiting my work activity to Daylight hours, spending more
time at lunch and taking many more breaks during the work day.
I have been retired since 1991 and for the most part I have spent
this time, about 14 hours a day, in fromt of the radio, computer and
telephone. I am now going to spend more time in the rocking chair on the
back porch, visiting with the 4 year old neighbor kid that comes to
"chat", mow my yard with his mower, cut my triees down with his chain
saw and rebuild my house with his wood and tool kit. I will be going out
to lunch more with friends that come by. I will continue my regular
routine of answering emials, telephone calls, and sending out
verification emails and watching the cluster for routes in question. For
the most part you the user will see no difference in service. I may
respond just a little slower on some emails but most will not see any
difference. During the cooler weather of Fall, I will probably catch a
nap in the hammock, get the wood pile ready for the cooler weather
chill. And for all those household chores that have been put off for
years, well they will still be put off as I did not need to do them anyway.
I will be here, but more in the background.

8903. CQ Announces 75th Anniversary Worked All Zones Award

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-09-20 18:46:07 UTC
From: GOLIST
Topic: 8903 Message: 8903

CQ NEWS (CQ Announces 75th Anniversary Worked All Zones Award). The following is a news release from Richard Moseson/W2VU, Editor CQ Amateur Radio, dated September 18th: "The November, 1934, issue of [R/9] magazine announced a new operating award for radio amateurs, designed to encourage the growing popularity of contacting stations across the globe, what we know today as DXing. The award was called Worked All Zones and was to be granted for making confirmed contacts with hams in each of the 40 zones into which the world had been divided by [R/9's] editors. Today, 75 years later, [R/9] has been succeeded by [CQ] magazine and WAZ - Worked All Zones - sponsored by [CQ] since 1945, continues to be one of amateur radio's most prestigious operating awards.

In celebration of the WAZ's 75th anniversary, [CQ] magazine is announcing a limited-term 'Diamond Jubilee WAZ' award. A special certificate will be issued to amateurs who make contacts in all 40 CQ Zones of the World between November 1, 2009 and December 31, 2010. Certificates will be numbered but there will be no endorsements. Confirmations will not be required. However, it is expected that applicants will continue to uphold amateur radio's long-standing tradition of honesty and self-regulation. Standard WAZ application fees will apply.

Complete details on the Diamond Jubilee WAZ Award will be in the October 2009 issue of [CQ] and are posted on the CQ website, <http://www.cq-amateur-radio.com/>, with a link from the October issue highlights page.

WAZ is the second-oldest amateur radio operating award still offered today. The only current award that is older is the International Amateur Radio Union's Worked All Continents award. The ARRL's DX Century Club (DXCC) award was introduced in 1936. To date, more than 8,600 basic WAZ awards have been issued. More information on the WAZ award program is available on the CQ website at <http://www.cq-amateur-radio.com/awards.html>"

8904. ANOTHER AMATEUR BUSINESS SHUTTING DOWN

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-09-21 03:20:34 UTC
From: GOLIST
Topic: 8904 Message: 8904

(Sep 3, 2009) ---- After October 31, 2009, GLA Systems ---- the manufacturer of the *Texas Bug Catcher* antennas ---- will cease taking orders for new antennas; according to their Web site, all orders received before that date will be filled. "Effective November 1, only orders for items that are in stock at the time will be accepted. Effective December 31, 2009, the toll free line, 1-800-588-2841, will be discontinued." No reason was given for the closure, but on GLA's Web site, owner Henry Allen, K5BUG, said "It has been a fun 30 years, but it is time to hang it up. I would like to thank everyone who has made this experience possible."

8905. FT5GA last news

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-09-21 09:52:03 UTC
From: F5nql@aol.com
Topic: 8905 Message: 8905

Hi friends
From Rafik, webmaster for Glorieuses 2009 – FT5GA -, September 20th in the evening and September 21th in early morning.
Didier/F5OGL had some difficulties to join the team by satellite cell phone. The link was not reliable enough, with numerous cuts. The logs were transmit not very easily.
The last log uploaded at : _http://www.clublog.org/charts/?c=FT5GA_ (http://www.clublog.org/charts/?c=FT5GA)
contains 10416 QSO and the last one was recorded on September 20th at 11 :04 utc.
About 500 QSO are missing , for the date/time are not correct. I've not uploaded them to avoid disturbing on the 'best time to work FT5GA' page.
I'm waiting for some more information about the time track; when corrected, these 500 QSO will be add on the logsearch page.
I'm receiving a lot of complaints about QSO's made on 40m and 17m.
After checking, I discovered that a lot of them were not made with the FT5GA crew, but were so so QSO's with pirate stations who are jamming the bands.
73 de Rafik, F5CQ Webmaster
****
From DIDIER, F5OGL, Gloriosos 2009 – FT5GA – team leader, September 21th
To day there will be an AC cut of several hours to do the maintenance on the only one generator active on the island. Unfortunately, the second broke down at the end of the last week.
The crew will spend this time to check another time the antennas and reinforce their guys and anchored.
Two of the four transceivers are temporarily out of order ; the operators will do the maintenance of also.
They have tried the 160m band but the conditions and the propagation are atrocious.
To morrow, Jeff, F6AOJ will transmit, some new traffic instructions to use the more efficient propagation tracks by band ans continent.
The satellite digit link use seems to be better from this morning , so we will try to upload the logs every day.
For the Digital fans, F8CRS will put FT5GA on the air during the next CQ WW DX RTTY (Sept 26&27).
Even if the discipline becomes better, the crew members inform that too much time is lost repeating the callsigns heard with holders who do not confirm or who confirm after several times. Please listen to the operators.
73
F5OGL Didier – Team leader de Glorieuses 2009-09-21
Informations via Maurice, F5NQL, Communications Internet par mail for FT5GA.
If you forward these information by any way, please don't remove the indicated sources.

If this kind of message could be useful to your friends please spread it and ask
them to include their address on the mailing list at : _f5nql@..._ (mailto:f5nql@...) .
Bonsoir à tous
20 septembre soir :
Didier/F5OGL a des difficultés à joindre l'équipe. La liaison satellite n'est pas fiable, nombreuses coupures en cours de communication et donc les logs ont du mal à passer mais on espère les recevoir dans la soirée.
Nous attendons d'avoir une bonne liaison téléphonique avec eux pour leur communiquer les synthèses de trafic préparées pas les stations pilotes et pour recevoir les prochains logs.
Le dernier log reçu a été chargé sur :
http://www.clublog.org/charts/?c=FT5GA (http://www.clublog.org/charts/?c=FT5GA)
Il contient 10416 QSO et le dernier QSO est du 20 sept à 11:04 UTC
Il manque 500 QSO dont la date/heure est corrompue et que je n'ai pas chargé pour ne pas perturber le fonctionnement de la page 'best time to work FT5GA'
J'attends des infos du team qui doit m'envoyer la plage horaire concernée, et je les rajouterai dès que ce sera corrigé.
Je reçois de nombreuses réclamations concernant des QSO supposé avoir été effectué sur 40M CW et sur 17M. Après vérifications ces QSO n'existent pas et sont l'oeuvre de pirates.
73 de Rafik, F5CQ Webmaster
De Didier, F5OGL, Chef d'expédition FT5GA
21 septembre :
Aujourd’hui, l’équipe sera privée d’électricité quelques heures afin d’opérer la maintenance du seul générateur de l’île (le second est tombé en panne la semaine dernière).
Ils vont en profiter pour consolider les aériens et essayer de réparer deux transceivers en panne.
Ils ont fait des essais de liaisons en 160 mètres mais la propagation n’est pas bonne.
Dès demain, ils recevront des directives de trafic de Jeff, F6AOJ afin de mieux cibler les plages de propagation par bande et par continent.
Les logs en ligne vont être chargés chaque jour, la liaison numérique satellite étant meilleure.
F8CRS va quelque peu participer au CQ WW DX RTTY le week-end prochain.
Même si la discipline s’est améliorée, l’équipe signale qu’elle perd beaucoup de temps à répéter les indicatifs entendus. Écoutez bien les opérateurs s’il vous plait !

I suggest you send Floyd our pilot station for FT5GA an email with your concerns and suggestions. I have and he is very nice and will pass your info along.

I suggest a constructive email but whatever you do send it to someone who may help, no one here can. floydgee@...

I am not complaining as I am in the on-line log on 80, 40, 30 & 20 CW & 20 & 17 SSB, however most of the DX guy's in this area have 1 or no QSO's, that being said I do not disagree with your issues but please tell someone who may help. Remember these are NOT seasoned DXers but they are there and for 2 more weeks, lets try to make it better for all.

> Today their website says 1 of 2 generators dead. Two HF radios dead too. They lose anything else and it's over. They begged funds for two years. Either it's 200k $$ up in smoke or 'Boy that was fun , lets go next yr' . No worries as nobody worked us so they'll kick in again.
> ...
> One of two things are going to happen. They are going to get their ducks in a row or they better find a new hobby.
> ....
> I watch the packet 8-10 hr.s during the day.On & off. The last 3 days I listened 6 hr.s or more each day.Today they averaged 1 in a 100 Qs with W/VE. Never asked for NA or SA or Eu.I know you peel the layers but they are making no effort at anything.
> .....
> In 4 days I've never heard them give a listening freq. So you guess 5-10-20-30-40 kc.s up. I wonder if there is 'inside' info floating arnd Eu.
> ......

> I have hrd/wrkd probably 100 Dxpeditions in my time. A few worse that this one. But I can say I've never observed a more WIERD one. They avoid the best all around band. Check the worldwide packet. At their sunrise/sunset they're not on the air. Guess those views on the beach are just too good to miss.

8909. FT5GA

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-09-22 07:59:51 UTC
From: F5nql@aol.com
Topic: 8900 Message: 8909

Hi friends
Last FT5GA news :
1st) from RAFIK, F5CQ, webmaster
The log book is online and updated at 2009-09-21 04:17utc, last QSO
recorded among a total of 12699
The 485 missing 40m CW QSO’s, in the preview updating have been corrected
and merged in the database.
http://www.clublog.org/charts/?c=FT5GA
(http://www.clublog.org/charts/?c=FT5GA)

We regret to confirm that pirates are operating with the FT5GA callsign on
or around the original frequencies, so we can consider their QSO’s indeed.
If your QSO is not online, it will be quite sure you have been cheated, by
those bad boys. We suggest you to retry contacts.
73 de Rafik, F5CQ - Webmaster

2nd) From Didier, F5OGL, team-leader.
Following some complaints forwarded by Lee, ZL2AL, about the SSTV subband
in the IARU band plan, the crew has confirmed that they never listen
between 14240 to 14260.
The frequencies used are those announced at :
http://glorieuses2008.free.fr/index-f.htm (http://glorieuses2008.free.fr/index-f.htm) ,
and the
splits follow strictly the IARU bandplan for the zone.
They can not be responsible of the indicipline of some operators, sending
too high or too low or of those who are jamming and jamming the bands .
73

Didier, F5OGL.

Bonjour à tous :
Dernières nouvelles de FT5GA :
1) De Rafik, F5CQ, webmaster :
Le log est à jour à : _http://www.clublog.org/charts/?c=FT5GA_
(http://www.clublog.org/charts/?c=FT5GA)
Total QSOs: 12699
Dernier QSO dans la database: 2009-09-21 04:17
Les QSO dont les Date/heure étaient corrompues sont à présent réparés et
ajoutés dans la database.

J'avais annoncé 500 QSO corrompus mais en réalité c'était 485 QSO, tous sur 40M CW.
Si vous ne retrouvez pas vos QSO c'est que vous avez eu affaire à un des nombreux pirates présent sur les bandes. Tentez votre chance à nouveau.
73 de Rafik, F5CQ - Webmaster
---
2) De Didier, F5OGL, Chef d'Expédition :
Suite à certaines réclamations reçues et retransmises par Lee ZL2AL, les opérateurs m'ont confirmé par téléphone qu'ils n'écoutent jamais dans la portion de bande dévolue à la SSTV soit 14240-14260.
Les fréquences annoncées sur le site de l'expédition sont celles utilisées, et les splits se font dans le respect des plans de bande IARU pour la zone. - _http://glorieuses2008.free.fr/index-f.htm_ (http://glorieuses2008.free.fr/index-f.htm) -
Ils ne peuvent être responsables de ceux qui émettent trop haut, ou ignorent les plans de bande, ou font du QRM volontaire.

Midway Island 2009

Press Release Number 7 September 23, 2009

There is less than a month to go before the K4M team hits the air. Our final dates are now set.

We arrive on the Island on 9 October and our return will be 19 October. That gives us two weekends to be QRV.

Our website was updated this week with interactive propagation charts. Pick a month and then the time and it will show you openings from KH4 to the world at that moment.

The team wishes those 15,000 DXers who voted on our web poll. If you haven't voted on your needed band/mode please do so now as we are going to use this to schedule our operators. We also appreciate all the comments left for us there. Our website is, www.midway2009.com <http://www.midway2009.com/> . If you haven't visited it in a while stop by and help support our effort. **

This month we are highlighting four more team members. You can read all their history at: http://www.midway2009.com/meettheops6.html

8912. FT5GA Sept 24

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-09-24 09:19:33 UTC
From: F5nql@aol.com
Topic: 8912 Message: 8912

Hi friends

Last news from FT5GA
The FT5GA crew continues do try satisfiing the international Ham radio community.
The propagation is very changeable, in these equinox and higher sunspots times .
Two rigs felt down some days ago. Now one is again in order but the second have to be repaired when coming back home, because of new parts missing on Gloriosos.
By the way, three stations are on the air as often as possible.
On next week end, the all crew will enter the CQ WW DX RTTY contest, in Multi/single class.
The two other stations CW/SSB will be also on the air.
We have now 14 days of traffic to do . We hope more quiet pile ups for these two weeks.
The logs are received at F5CQ’s every evening and uploaded in the row at : _http://www.clublog.org/charts/?c=FT5GA_
(http://www.clublog.org/charts/?c=FT5GA)
The operators have confirmed us once again the lost of time with unruly operators. Some other seem death for they have to repeat very often their callsigns to get confirmation of the QSO.
Listen the operators sen.ding information or instructions !
About the QSOs/QSL, Didier, F5OGL, team leader and Rafik/F5CQ webmaster are receiving complaints about wrong callsigns or more. As it was said in a previous message, no answer will be give to these messages.
If there are problems, they will be solved when the future QSL’ing operation after FT5GA return.
We say once again that the cuts, which are systematically denounced on the clusters, are service imperatives, for maintenance. During these times, no AC nor DC is available, and at these moments the operators are doing service job, especially doing the generator maintenance.
These mandatory cuts are used also by the crew, during their very short spartime to study the Traffic instructions wrote upon pilots observations It’ s essential to make the most of you satisfie.
73
Didier, F5OGL, FT5GA team leader and QSL manager.
From Maurice, F5NQL:
Yesterday about the pirates who make QSO’s on the FT5GA frequencies , even with the same callsign, a typo was made . You had to read : “so we cannot consider their QSO’s indeed.” , and not “we can”.
Apologises!
73

Bonjour à tous
Dernières nouvelles de FT5GA:
Salut les gars
On va communiquer un peu :
L'équipe FT5GA continue à essayer de satisfaire l'ensemble de la communauté radioamateur internationale. La propagation est extrêmement changeante en ce moment d'équinoxe et d'éruption solaire. Le transceiver qui était en panne a été réparé et ils disposent à nouveau de trois stations opérationnelles. La dernière est définitivement en panne.
Le week-end prochain, l'ensemble de l'équipe va participer au CQ WW DX RTTY en multi opérateurs mono transmetteur. Les deux autres stations seront utilisées pour la CW et la SSB. Il reste 14 jours d'opération et nous espérons que les pile up vont se calmer.
La mise à jour du carnet de trafic en ligne est effectuée chaque soir. (_http://www.clublog.org/charts/?c=FT5GA_ (http://www.clublog.org/charts/?c=FT5GA))
Les opérateurs nous ont encore signalé le manque de discipline des opérateurs et rappelle qu'il faut bien les écouter. Ils perdent en effet beaucoup de temps à faire répéter les correspondants.
Le QSL manager et le web master reçoivent également beaucoup de demandes de corrections d'indicatifs pour différentes raisons. Ces éventuelles erreurs seront réglées à la réception des QSL's.
Nous rappelons que les coupures qui sont systématiquement dénoncées sur les clusters sont des impératifs locaux incontournables.
Les opérateurs sont en effet affectés à d'autres taches à ce moment là et notamment l'entretien du générateur. Ils profitent de ces interruptions obligatoires pour étudier les directives de trafic de l'ensemble des stations pilotes afin de contenter tout le monde.
73
Didier, F5OGL, Chef d'expédition FT5GA et QSL manager.

From the Strange Radio team ITALY :
1st – AWARD:
In order to improve the lighthouse activity the STRANGE RADIO TEAM organizes
the 27/09/2009 the L.H.A.S.E award for all the amateur radio operators who will demonstrate
to have contacted at least 5 stations operating from lighthouses.
Activetions, for being valid, must be carried out from a distance within a range of 500 meters from the lighthouse.
Activetions carried out from boats are not valid.

Contacts can be carried out on all the HF/WARC/VHF bands.

Activetors of the lighthouses will have to send the Log to I0YKN, award manager.
In the same way the amateur radios, in order to claim for the award, will have to send log attesting the stations connected signed by 2 other amateur radio operators.ó
It is not necessary to send the qsl.
It would be appreciated to the activetors to inform about the incoming lighthouse activetions.
The cost of the award is of Euro 10 or $ USA 15 for the foreign stations.
AWARD MANAGER: IØYKN

Algarve STAR DX Team

CQ Announces 75th Anniversary Worked All Zones Award

(Hicksville, NY – September 18, 2009) – The November, 1934, issue of R/9 magazine announced a new operating award for radio amateurs, designed to encourage the growing popularity of contacting stations across the globe, what we know today as DXing. The award was called Worked All Zones and was to be granted for making confirmed contacts with hams in each of the 40 zones into which the world had been divided by R/9's editors. Today, 75 years later, R/9 has been succeeded by CQ magazine and WAZ - Worked All Zones - sponsored by CQ since 1945, continues to be one of amateur radio's most prestigious operating awards.

In celebration of the WAZ's 75th anniversary, CQ magazine is announcing a limited-term "Diamond Jubilee WAZ" award. A special certificate will be issued to amateurs who make contacts in all 40 CQ Zones of the World between November 1, 2009 and December 31, 2010. Certificates will be numbered but there will be no endorsements. Confirmations will not be required. However, it is expected that applicants will continue to uphold amateur radio's long-standing tradition of honesty and self-regulation. Standard WAZ application fees will apply.

Complete details on the Diamond Jubilee WAZ Award will be in the October 2009 issue of CQ, and are posted on the CQ website, <_ www.cq-amateur-radio.com_ (http://www.cq-amateur-radio.com/) >, with a link from the October
issue highlights page.

WAZ is the second-oldest amateur radio operating award still offered today. The only current award that is older is the International Amateur Radio Union's Worked All Continents award. The ARRL's DX Century Club (DXCC) award was introduced in 1936. To date, more than 8,600 basic WAZ awards have been issued. More information on the WAZ award program is available on the CQ website at <_ www.cq-amateur-radio.com/awards.html_ (http://www.cq-amateur-radio.com/awards.html) >.

Antarctica by VU
HI Folks,
Bhagwati Prasad Semwal, VU3BPZ will be in Antarctica with the 29th IAE.
The crew has just finished the pre Antarctic training & medical checks .
From November 15, 2009 the overwintering Team will start a long term operation (till March 2011). Bhagwati VU3BPZ will be on the air from Maitri

Base (WAP IND-03) using his personal call VU3BPZ and also a special call AT1ØBP on the way to be issued by Ministry of Communication & IT for the event.
More info on WAP web site at _www.waponline.it_ (http://www.waponline.it/) (Check: News & Information page)

From: Dave Raycroft
Topic: 8916 Message: 8916

I.C.P.O. Bulletin (September 24 - October 02, 2009)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

24/09/2009: Tim/M0TDG, and Martin/G3ZAY plan to be active from Miquelon island (NA-032, DIFO FP-002, WLOTA L1417) as FP/homecall from September 24-27th. They will operate CW and SSB; low band operation will depend on equipment availability (and airline baggage limits). Martin will also try to activate McNutt island (VE1, NA-126, CIsA NS009), Nova Scotia, on September 29th. QSL via home calls, direct or bureau. [425 DX News]

24/09/2009: Gerry, IZ1DSH and Pasquale, IZ1MLQ will be active September 24-27th as IL7T from San Domino Island (EU-050, IIA FG-001, MIA MI-085, WLOTA L-1284). They will have two stations active on 40-10 meter SSB, CW and digital modes. QSL via IZ1DSH, direct or bureau. Further information can be found at www.aritorino.it/IL7T.htm [425 DX News]

24/09/2009: Look for Fred, PA1FJ to be active as PJ2/PA1FJ from the island of Curacao (SA-006, WLOTA L0942) between September 24th and October 7th. QSL via home call either direct, by the Bureau or eQSL. [rsgbiota.org]

24/09/2009: Gerd/DJ5TT, Thomas/DK9FEC, Peter/DL1FX and Rainer/DL1ZBO will be active as T70A from from the radio club of San Marino's IARU Society (http://www.arrsm.org/) from September 24-27th. They will operate CW, SSB and various digital modes on 80-10 metres, and he will participate in the CQWW DX RTTY Contest. QSL via A.R.R.S.M. Radio Club, P.O. Box 77, 47890 San Marino, Republic of San Marino. [425 DX News]

24/09/2009: Claude, F5MCC will be active September 24th to October 2nd from some of Corsica's coastal islands. He plans to activate Sanguinaires Islands (EU-104, DIFM TK-002, MIA MCO-022, WLOTA L 0098) and also Lavezzi Islands (EU-164, DIFM TK-011, MIA MCO-007, WLOTA L 0755). The activation on EU-164 will be for one day only, between 1000 UTC to 1600 UTC. QSL via home call, bureau preferred. [rsgbiota.org]

24/09/2009: The Amateur Radio Expedition to the rarest IOTA references in Vietnam is the project of the longtime friends: Russian Robinson Club and R-Quad Antenna Company. Operators Sergey/RA3NAN, Oleg/RK3FA, Eugene/RZ3EC, Andy/RZ3EM and Andrey/UA6BGB will be active from September 24th to October 1st from the following islands: Ngu Island (AS-185) as XV6RRC from September 24-26th; Cham Island (AS-162) as XV7RRC from September 27-28th; Tam Island (AS-157) as XV3RRC from September 29 to October 1st. They plan to run 2 stations on 160-10 meters with the following setup: Elecraft K3 - 2 pcs; Acom 1000, Ameritron ALS600 amplifiers; 160-80-40m Vertical on 18m mast, 20m VDA on 12m mast, VDAs

on 15-17m on 12m mast, BiggIR Vertical (40-10m), LowBands RX antennas (if the conditions permit). QSL direct to RZ3EC, or use the online bureau request form. Logs will be uploaded to LoTW after Expedition is over. Further info and log search available at: http://xv6rrc.com/ [RZ3EM]

25/09/2009: Gab, HA3JB (SU8BHI), will be active from the island of Cyprus (AS-004, MIA MCI-002, WLOTA L0051) as 5B/HG3IPA between September 25th and October 2nd, including an entry in the CQWW DX RTTY Contest (September 26-27th). QSO is good for the Hungarian International Police Association Award (HA-IPARC Award). For details on the award, visit: www.ha3jb.com/award.html . Also, a new online log search is available at: www.ha3jb.com/onlinelog . Those who send for a QSL, please write your E-mail address on your card, and he will advise you by E-mail when your QSL arrives. QSL via HA3JB: Gabor Kutasi, P.O. Box 243, H-8601 Siofok, Hungary. [HA3JB]

25/09/2009: Look for Jon, M0OVL to be active as M0OVL/p from the island of Inner Farne (IOTA EU-109) from September 25-26th. Sorry everyone but only 4 hours operations each day 1000 - 1400 UTC. Activation dependent on the weather. Web site at: www.m0ovl.co.uk/ [rsgbiota.org]

25/09/2009: Pekka/OH1TV, Ilmo/OH2BO, Pertti/OH2PM and Lars/OH0RJ will be active as OJ0B from Market Reef lighthouse (EU-053, ARLHS MAR-001, TWLHD WLH OJ0-001, WLOTA L 0542) from September 25-29th, including an entry in the SAC SSB Contest (September 26-27th). QSL via OH2BH. [AT International]

26/09/2009: Ashraf, 3V4-002 will be active as a Single-Op/All-Band/Low-Power entry from Tunisia during the CQWW DX RTTY Contest using the callsign 3V8SS. QSL via IZ8CCW, direct or bureau. [NG3K]

26/09/2009: Tonno, ES5TV will be active as 4O3A in SAC SSB Contest from the 4O3A Contest station, Herceg Novi, Montenegro. QSL via LoTW, via AI4U for USA/VE, via UA3DX for Russia-CIS and via YU1FW for the rest. [AT International]

26/09/2009: Look for Andreas/5B8AP, Spiros/5B4MF, Tamer/5B4AHE, Philip/5B4ZN and Paris/5B4XF to be active from Agios Georgios [aka Kakoskaliou] (IOTA AS-120) on September 26th from 0600-1600 UTC. They will all use homecall/p. Expect them to be QRV on, or near, the usual island and IOTA frequencies. QSL via their home calls. [AT International]

26/09/2009: Ruben, EA5BZ and others will be active from Andorra as C37URE for the CQWW DX RTTY Contest as a Multi-Multi entry. QSL via EA4URE, direct or bureau. [NG3K]

26/09/2009: Look for EA2CYJ to be QRV from Spain in the CQWW DX RTTY Contest as a Multi-Single entry. Operators mentioned are EA2CJ, EA2VE, EA2CXP, EB2GFA, EB2CYY, EA2DMZ, and EA2CYJ. QSL via EA2CYJ, bureau

preferred. [NG3K]

26/09/2009: Val, RD3AF will be active in CQWW DX RTTY Contest as EF8M from Santa Maria de Guia, Las Palmas Gran Canaria (AF-004, DIE S-005, WLOTA L 0969). QSL via UA3DX. [AT International]

26/09/2009: Vlad, UT0FT will be active as ER0/UT7FT, a Single-Op/All-Band/Low-Power entry from Moldova in CQWW DX RTTY Contest. QSL via UT0FT, direct or bureau. [NG3K]

26/09/2009: Serge, UR5FEO will be active from Parkany, Moldova, as ER0FEO during the CQWW DX RTTY Contest as a Single-Op/All-Band/Low-Power entry from CQ Zone 16. QSL via UU0JM (LoTW user). [NG3K]

26/09/2009: Look for ES5Q to be active from the ES5TV station in Tallinn, Estonia, as a Multi-? entry in the CQWW DX RTTY Contest. Operators include YL2KF, YL2KL, YL1ZF, ES2BH, ES5JR, ES5GP and ES5RY. QSL direct to ES5RY. [NG3K]

26/09/2009: On next Saturday, look for François/F5JNE and Gerard/F6ICG, to be active as F5JNE/p from the Castle of Dammarie (DFCF 45-054), in the city of Dammarie en Puisaye (CP 45420), canton [county] of Briare (DDCF 45-05), Dpartment Loiret/45 and Province Centre (DPF 07). 80/40m, CW/SSB, starting around 0600 UTC. QSL bureau and SWL cards welcome. [F5NQL]

26/09/2009: David/F8CRS, Yves/F5PRU, Freddy/F5IRO, Bernard/F5LPY and Philippe/F4EGS will be active as FT5GA from Glorioso Island (AF-011, DIFO FR-004, WW Loc. LH38PK) in the CQWW DX RTTY Contest as a Single-Op/All-Band/High-Power entry. QSL via F5OGL, direct or bureau. [NG3K]

26/09/2009: Halvard/LA7XK (JW7XK), Erling/LA6VM (JW6VM) and Just/LA9DL (JW9DL) will be active from Longyearbyen, Spitsbergen Island [Svalbard] (IOTA EU-026, WLOTA L-0125), from September 26-30th. They plan to participate in the SAC SSB Contest (September 26-27th) as JW5X (QSL via LA5X, bureau preferred). Outside the contest expect activity on all bands/modes. QSL via home calls, direct or bureau. [AT International]

26/09/2009: Rich, K3RWN will be active September 26th to October 2nd from the Isle of Palms (NA-110, USi SC001S, Charleston county), South Carolina. He will be QRV mostly SSB/RTTY/PSK31, with focus on 30m for digital modes and 40/20m for SSB. His operation will be portable with 100 Watts and a PAC12/Buddipole antenna. Rich will also try some beach operations with FT817 and 5 Watts, SSB only. QSL via home call (QRZ.com). [rsgbiota.org]

26/09/2009: Operators Daniel/LU3CT, Tim/LW9EOC, Daniel/LW1DIO and Mario/LW8DQ will be active from La Tablada, Argentina, in the CQWW DX RTTY Contest as LS1D. QSL via LW9EOC. [AT International]

26/09/2009: A team of operators will be active from Eschdorf, Luxembourg, as LX7I in the CQWW DX RTTY Contest as a Multi-Two entry.

QSL via LX2A, direct or bureau. [NG3K]

26/09/2009: Steve/G0MTD, Paul/M1PAF, Mark/M0WCR and Glyn/M3XUH plan to be active from the isle of Barra (EU-010, IOSA OH11, SCOTIA HI02, WLOTA L3126) as MS0WRC from September 26th to October 3rd. QRV all HF bands but mainly 80, 40, 20 and 17m SSB. Some portable / mobile operation to activate rare WAB squares. QSL direct to G0MTD or via bureau to either MS0WRC or G0MTD. [rsgbiota.org]

26/09/2009: Martti/OH2BH, Ville/OH2MM and Pekka/OH2TA will travel to Aland Islands (EU-002, WLOTA L 1373) to compete head-to-head with the announced Market Reef OJ0B team headed by Pertti, OH2PM in the Scandinavian Activity Contest, using the callsign OG0A. Radio Arcala's mother station OH8X will be operated by Juha, OH8NC while Toni, OH2UA will travel south to put the OH2BH station on with a pair of K3's for serious benchmark testing. OG0A and OJ0B via OH2BH. OH8X via OH2UA via OH0RJ. [OH2BN]

26/09/2009: Tomi, OH6EI will be active in the SAC SSB Contest as OH0Z from Riddarklint hill, Mariehamn, Aland Island (EU-002, WLOTA L 1373) as a Single-Op/All-Band/High-Power entry. QSL via W0MM, direct or bureau. [NG3K]

26/09/2009: Look for OM8A to be active from near Maderet, Slovakia, as a Multi-Single entry in the CQWW DX RTTY Contest. Operators include OM2KW, OM3RM, OM5CM, OM5KM and OM7JG. QSL via OM2VL, direct or by the bureau. [NG3K]

26/09/2009: Dave, AH6HY will be active holiday style from the island of St. Eustatius (NA-145, WLOTA L1851) from September 26th to October 1st. QRV 40-10 meters, mostly SSB with some CW. QSL via home call, bureau or direct. [NG3K]

24/09/2009: Operators Gerd/DJ5TT, Thomas/DK9FEC, Peter/DL1FX and Rainer/DL1ZBO will be activate from the Amateurs Radio Republic of San Marino (A.R.R.S.M.) club station as T70A from September 24-27th, including an entry in the CQWW DX RTTY Contest as a Multi-? entry. QSL route TBA. [OPDX Bulletin]

26/09/2009: Tevfik, TA1HZ will be active from Bayramoglu, Kocaeli, Turkey, as TC2X during the SAC SSB Contest. QSL direct to TA1HZ (QRZ.com). [OPDX Bulletin]

26/09/2009: Al, WP3C will be active during the CQWW DX RTTY Contest as WP4I, a Single-Op/Single-Band (80m) entry from Puerto Rico (NA-099, WLOTA L 2802). QSL via W3HNK. [NG3K]

They will be active from 80 to 6m mainly in RTTY, PSK, SSB, CW (6m). They will look specially for JA-stations. QSL via the Bureau to DL7AFS. Further information and online log search can be found at: www.qsl.net/dl7afs/ [DL7AFS]

28/09/2009: Bill, WB5ZAM will be active as J68WI from Castries, island of St. Lucia (NA-108, WLOTA L-1336) from September 28th to October 11th. He will have access to a G5RV 160m antenna, so may be on there once it is up at J69MV's QTH in Castries. QRV all bands, CW and SSB. QSL via home call. [NG3K]

29/09/2009: Les, SP3DOI reports that a DXpedition to French Polynesia will take place between September 28th and October 22nd. Woj/SP9PT, Les/SP3DOI, Jan/SP3CYY, Joe (SWL) SP9-31029 together with their guest Michael, FO5QB will be working between September 29th to October 12th from Tubuai (OC-152, DIFO FO-126), Austral Archipelago, as TX5SPA. They will also be active between October 16th and 22nd from Nuku Hiva (OC-027, DIFO FO-023, WLOTA 2030), Marquesas Archipelago, as TX5SPM. They are planning to be active on CW, SSB, RTTY (maybe PSK31). Suggested frequencies: CW - 1.827, 3.505, 7.005, 10.105, 14.025, 18.075, 21.025, 24.895, 28.025; SSB - 1.842, 3.795, 7.075, 14.190, 18.145, 21.295, 24.940, 28.490; RTTY - 7.040, 10.143, 14.080, 18.103, 21.080, 24.923, 28.080 MHz. The QSL manager of the expedition is going to be Wojciech SP9PT. Further information can be found at: fo2009sp.superhosting.pl/ [SP3DOI]

30/09/2009: Hrane, YT1AD and Miki, YU1DW will travel to Pacific and will be active from the following islands: September 30-October 1st KH8/N9YU from Tutuila Island (OC-045, USi AS007S, WLOTA L 4385); October 2-3rd 5W8A (YT1AD) and 5W0DW (YU1DW) from Upolu Island (WLOTA L 1944), Samoa (OC-097); October 4-6th 3D2AD (YT1AD) and 3D2DW (YU1DW) from Viti Levu Island (WLOTA L 0055), Fiji (OC-016); October 6-8th T30M (YT1AD) and T30W (YU1DW) from Tarawa Island (OC-017). The main target of this trip is to prepare all necessary documents for the next DXpedition on T31, ZK3 and FW8 in September - October, 2010. QSL via home calls. More data on http://www.yt1ad.info/t31 [YT3W]

30/09/2009: Robert's, S53R next work assignment (for UN WFP) has taken him to the Sudan. He arrived in Khartoum, Sudan, early last week and expects to be on the air by the end of the month or early October. His possible callsign will be ST2X. He states, that his radio and amp are still in S5-land, but are expected to be shipped. He will be active on

80-10m CW and SSB. QSL via S53R (Robert Kasca, P.O. Box 23, 5280 Idrija, Slovenia). More details are forthcoming. [OPDX Bulletin]

01/10/2009: Based on the crew that activated Chesterfield island as TX9 some years back Hawa (DK9KX) as leader has formed a new crew, which will operate as 3D20CR from Conway Reef (OC-112, WW Loc. RG78HG) during the period of October 1st to 10th, plus/minus due to weather conditions. QRV on 160-6 meters using CW, SSB, RTTY and PSK. Sorry, NO EME or digital modes on 6m. The team will consist of Norbert/DJ7JC, Jan/DJ8NK, Uwe/DJ9HX, Dieter/DJ9ON, Heye/DJ9RR, Hawa/DK9KX, Hans/DL6JGN and Ron/PA3EWP. It is planned to have 3 stations running 24/7. In the first days one station is RTTY only! Equipment: 3 Elecraft K3 Transceivers, 3 Elecraft K2 Transceivers. Antennas: Vertical for 160/80 and 40m; K9AY loop for receiving; 40m, 30m pyramid antennas; 30m vertical; 20, 17, 15, 12, 10m vertical dipole array (loaned from the VK9DWX crew, Spiderbeam 20, 17,15,12; 10m, Ground plane 20, 15, 10m; Ground plane 17, 12m; 2 x big wheel stacked for 6m. Frequencies: CW - 1826.5, 3505, 7020, 10104, 14024, 18080, 21024, 24894, 28024, 50124 kHz; SSB - 3799, 7070, 14190, 18145, 21290, 24950, 28490, 50124 kHz; RTTY - 10140, 14080, 18110, 21080, 24920, 28080 kHz. They will have a 6m beacon always on 50124 kHz. QSL manager DJ8NK direct, bureau (new IRC's are OK, old IRC's with expiration date 31.Dec.2009 are not OK, because QSL cards most likely will be send out in January 2010). For more info and updates see their web page at: www.conwayreef2009.de/index.html [DJ8NK]

01/10/2009: Jacek, SP5EAQ (3D2MJ) and Jacek, SP5DRH (3D2KJ) will be active from Viti Levu (OC-016, WLOTA L-0055), Fiji, starting October 1st for four weeks. They will operate on all bands, with an emphasis on the low bands, with two stations using small amplifiers and vertical antennas. QSL via home calls. [425 DX News]

01/10/2009: Jim, WU0I currently in Addis Ababa, Ethiopia, as a U.S. Foreign Service Officer, expects to be on the air by October as ET3JD. Activity will be mainly 40/20/15 meters, but he would also like to spend more time on the WARC bands - particularly 30 and 17 meters. Modes will be CW, SSB, PSK31 and possibly RTTY (for contests mostly). QSL only direct to: Jim DeLoach, ET3JD, 2030 Addis Ababa Place, Dulles VA 20189-2030, USA. Further information can be found at: www.deloach.net/ET3JD.html [OPDX Bulletin]

01/10/2009: Rick, AI5P will be active from three islands in the Pacific from October 1st until October 31st. His schedule is as follows - New Caledonia [Grande Terre] (OC-032, DIFO FK-001, WLOTA L-1280) from October 1-8th using the callsign FK/AI5P. Vanuatu island, New Hebrides (OC-035) from October 10-18th using the callsign YJ0PX. Norfolk Island (OC-005, WLOTA L-1469) from October 22-31st using the callsign AI5P/VK9N. All operations will be mostly CW on the HF bands. QSL via home call, direct or by the bureau. [at-communication.com]

02/10/2009: Ely, IN3VZE will be active from will be active once again as 7Q7CE from the southwest shore of Lake Malawi from the shack of his

good friend Harry, 7Q7HB between October 2-20th. QRV all HF bands holiday style using SSB and RTTY. QSL via home call, direct or bureau. [AT International]

Be sure to check Bill's (NG3K) website for updated CQWW DX RTTY Contest activity at: ng3k.com/Misc/cqr2009.html .. Good luck to all participants & have fun!!!

==========

LOOKING AHEAD -

06/10/2009: Pekka/OH2TA and Henri/OH3JR plan to be active from Market Reef (EU-053) from October 6-10th. They will be mainly active on the WRTC bands using CW, SSB and RTTY. This activation also counts for the Market Reef lighthouse (ARLHS MAR-001, TWLHD WLH OJ0-001, WLOTA L 0542, WW Loc. JP90NH). QSL via OH0RJ, direct or bureau. [QRZ.com]

10/10/2009: The Alamance Amateur Radio Club will be activating the Cape Lookout lighthouse (ARLHS USA-126) for the Cape Lookout 150th 'Special Event' from 1500z October 10th to 1900z October 11th. To promote this historical event along with the celebration by the National Parks Service and the Core Sound Waterfowl Museum and Heritage Center on Harkers Island (NA-067, USi NC002S, Carteret county), North Carolina. Suggested frequencies are CW - 3.555, 7.055, 14.055, 21.055, 28.055 MHz; SSB - 3.850, 7.250, 14.250, 21.350, 28.450 MHz. QSL Manager for 'Event' - Gary Hills, KA4KJI. QSL's are to include SASE. [USi]

17/10/2009: Dick K5QY, Kris N5KM and Roy KE5FXE will be active October 17th as K5QY from Cedar Isle (USi TX052, Henderson county), Texas, for the W/VE Islands QSO Party. Proposed Frequencies: 40m 7.180 MHz (+/-), 20m 14.260 MHz (+/-) and 10m 28.450 MHz (+/-). Note: Cedar Isle on Cedar Creek Lake in Texas is not yet qualified. TX052L will be used as soon as they reach 25 QSOs. [USi]

17/10/2009: Some members of the St. Augustine Amateur Radio Society, N4AUG will be active for the W/VE Island QSO Party (October 17-18th) from Cayo Costa [aka Lacosta] (NA-069, USi FL464S, Lee county), Florida. Operators mentioned are Pete/KC1SS, Doug/N4FPS, Don/K4UBT, Jerry/W4YB, Ron/W9QGB, Ed/KJ4MXO, Gerard/AB4SR and Ken/KJ4FZW. QRV on 20m around 14.260 MHz and 40m around 7.240 MHz during the day and on 80m at night. QSL direct to N4AUG (St. Augustine Amateur Radio Society, PO Box 860084, Saint Augustine, FL 32086 USA). Website: www.saarsham.net/ [rsgbiota.org]

18/10/2009: Look for Ray, K9LUK to be active from Fraser Island (OC-142, WLOTA L 2976), Queensland State, from October 18-23rd. Expect activity on all HF bands. QSL via his home call (QRZ.com). [rsgbiota.org]

24/10/2009: Operators Don/N6JRL, Sandra/N3TQU, Todd/KD4YHY, Dave/KB8OCP, Jim/KI0DN, Jim/AL7BA, Stan/KC7EHJ, Keko/TI5KD and Sophia/TI2IY will be active from Guacima de Alajuela, Costa Rica, as TI5N for the CQWW DX SSB Contest (October 24-25th) as a Multi-Single

entry. There will also be recreational hamming on WARC bands and 60 meters with home calls. QSL TI5N via W3HNK. QSL others via their home calls. [NG3K]

20/11/2009: Jean, ON5JV and Georgette, ON6AK will be active as EA8/homecall from Tijoco Bajo, Tenerife Island (AF-004, DIE S-012, WLOTA L 1276) between November 20, 2009 and February 10, 2010. Activity will be on 40-10 meters during evening hours. They plan to use 100W into a 14AVQ vertical. QSL via their home callsigns, bureau is preferred. [UBA HF News]

25/11/2009: Bob, KE0UI will be active as VP9/homecall from Hamilton Parish, Bermuda (NA-005, WLOTA L 0201) from around November 25-31st, including a Single-Op/All-Band/Low-Power/Assisted entry in the the CQWW DX CW Contest (November 28-29th) using the callsign VP9I. QSL VP9I via N1HRA. QSL VP9/KE0UI via home call, direct or bureau. [NG3K]
==========
SPECIAL EVENTS -

25/09/2009: Look for Anne, OH2YL to be celebrating 20 years of Amateur Radio with the special callsign OG20YL from Karjalohja, Finland, September 25-27th. She plans to be QRV on the HF bands, using CW. QSL via OH2YL, direct or by the bureau. See: www.qrz.com/db/OG20YL [NG3K]

25/09/2009: Special event stations SN2009B, SN2009EM, SN2009K, SN2009L and SN2009W will be active from Poland from September 25th to October 4th for the Women's Volleyball European Championships. Online logs, QSL information and details on the relevant award can be found at www.sq7mzh.pl/ [425 DX News]

26/09/2009: The Radio Club Azul, LU1DDO / Grupo "DX" Callvu Leovu will be active September 26th from the following railway stations: 1) Railway station "Vicente Pereda" (reference DEF 144 D, WW Loc. GF03GN) by LW7DWX and LW2ECK. Modes: Phone and Digitals with 20m Dipole, 40/80m Dipole and 2m 5 element beam. 2) Railway station "Hinojo" (reference DEF 142 D, WW Loc. FF93WL) by LU3DJI and LU8DTF. Modes: Phone - 40/80m Dipole, 2m Ringo. 3) Railway station "Olavarria" (reference DEF 141 D, WW Loc. FF93VL) by LU8EKB and LU1DDK. Modes: Phone - 40/80m Dipole, 2m Ringo. 4) Railway station "Empalme Querandi" (reference DEF 143 D, WW Loc. FF92VX) by LU7EPC and LW2ESC. Modes: Phone - 40/80m Dipole, 2m Ringo. QSL via operator instructions. [F5NQL]

26/09/2009: Following last year's first Railways on the Air event, Bishop Auckland Amateur Radio Club is coordinating ROTA 2009 over the weekend 26 and 27 September. The event is timed to coincide with the anniversary of the running of the world's first steam passenger train on the Stockton to Darlington Railway. Callsigns to listen out for include G8OGJ from Peak Rail (QSL RSGB Bureau), GB0GWR from Gloucestershire Warwickshire Railway (QSL G3SNN) and GB0HBL for the Helston Railway Preservation Society (QSL RSGB Bureau). GB0WHR is operating from the Welsh Highland Heritage Railway (QSL RSGB Bureau) and GB0WRH from the Waverley Route Heritage Association (QSL RSGB Bureau). GB1NNR is at

North Norfolk Railway (QSL RSGB Bureau), GB2CR is at Corris Railway (QSL RSGB Bureau) and GB2EVR is based at the Eden Valley Railway (QSL RSGB Bureau). GB2HSC is operating from Hollycombe Steam Collection (QSL RSGB Bureau) and GB2LHR is based at Lakeside & Haverthwaite (QSL RSGB Bureau). GB2LWR is at Lincolnshire Wolds Railway (QSL G4YHP) and GB2NNR is at North Norfolk Railway (QSL RSGB Bureau). GB2RER is on the air at Ravenglas & Eskdale Railway (QSL RSGB Bureau), GB4BLR is operating from Battlefield Line Railway (QSL RSGB Bureau) and GB4CHC is at the Crewe Heritage Centre (QSL G0UZP). Dean Forest Railway will be using GB4DFR (QSL RSGB Bureau) and GB4DSR stands for Darlington Head of Steam (QSL RSGB Bureau). Over on the Isle of Wight, GB4IWR is on the air (QSL RSGB Bureau) and GB4WLR is at the West Lancs Railway (WAB SD42, QSL RSGB Bureau). Finally, GB5RSR is operating from the Ribble Steam Railway (QSL QRZ.com). Further information and a list of participating stations can be found at: barac.m0php.net/ [GB2RS]

26/09/2009: Special event station GB4CHC will be run by Paul G0UZP and John M0JCD and other operators, as a part of National Railways on the Air Weekend, commencing 26/27th September 2009. Celebrating the anniversary of the first steam powered passenger railway journey which took place on 27th September 1825. Transmission will be from the Prototype APT (ADVANCED PASSENGER TRAIN) train in the picture, at the Crewe Heritage Centre and Railway Museum, Crewe, Cheshire, England (EU-005, WLOTA L 1841). Modes will be SSB, CW and a variety of Digi modes such as PSK, QPSK, MFSK, THOR, THROB etc. Bands will be 80 thru 10 meters if conditions allow. QSL via G0UZP, direct or bureau. [G0UZP]

27/09/2009: Look for special event station OD5F to be on the air from September 27th to October 6th. Station's location is in the "Village Francophone", Lebanese University in Hadath. Activity is to celebrate the 6th Francophone Games which is held every 4 years. Some 3,000+ athletes, youths and artists from 56 French speaking countries will participate in these games. The event is a popular sports and art festival. For more details, see: www.libanvision.com/jeux-liban.htm . A special QSL card will be available. More info is forthcoming. QSL via the information at QRZ.com. [OPDX Bulletin]

01/10/2009: The Balkan Contest Club will air special event callsign LZ26ZA October 1-31st to glorify the exploit of 26 Bulgarian saint monks perished in defence of the Ortodox faith. That happened in 1284 in the St. George Zograph monastery on the Month Athos Peninsula. The memory of the 26 saint monks is honoured on October 10-th/23-rd. (for details see The Saint's Lives). LZ26ZA counts 10 points for "St. Teodosii Tyrnovski" award - www.balkanclub.org/awards.htm . QSL via bureau or direct to: LZ1KZA, P.O.Box 36, 4300 Karlovo, Bulgaria. [F5NQL]

01/10/2009: Special event station PD55EA will be aired from October 1-28th to celebrate the 55th birthday of the Museum "Ellert and Brammert" in Schoonoord, Netherlands. QRV on 10, 20 and 40 meter band in SSB and Digital modes. Also possible activities on 2 meter band. This is the second time we activete this SES,before it was in August. QSL's will

be send automatic via bureau. If you want to QSL in other ways, please first send QSL via PD7BZ. More info on: www/pd7bz.nl/pd55ea [F5NQL]

02/10/2009: Special callsign PA08DWN will be aired on CW, October 2-3rd, during the annual Furieade maritime event at Maassluis, near Rotterdam. Operations will take place from the radio shack of the 'Elbe', a tugboat that is being restorated to serve as a museumship. QSL via PA3ALM. [425 DX News]

U.S.A. Special event station information can be found at: www.arrl.org/contests/spev.html

7P8AO QSLs - 21 September 20009 -

Pista, HA5AO reports that he has received the QSL cards from the UX5UO printshop.
He will answer the QSL request, first, to the stations who sent a donation to the orphan children in Lesotho, then to those who sent direct request with sufficient funds. In the third batch the QSL cards will be posted to stations who sent IRC, however he kindly asked GS only. All the direct request with 1 USD, will be answered via bureau. Finally the bureau cards will be answered.
Pista will upload the logs to LotW to all stations who sent a donation online or it was included with the direct request. The complete log will be uploaded to the LotW at least a year later. "If you are going to send your direct QSL request, please read carefully my QSL policy, especially for the Lesotho operation." [HA0HW]

VC1W QSL cards status -

QSL cards received from UX5UO. Processing in progress. Check your mail boxes in next week or two.
Requests received with insufficient funds will be responded via the bureau

BITS & PIECES -

>From Rafik, F5CQ Gloriosos 2009, FT5GA webmaster.

The last upload of the log has been done.
last QSO recorded on Sept 23rd at 15:25 utc. among 18475 QSO's and 7236 callsigns once recorded only..

Check your contacts at: http://www.clublog.org/charts/?c=FT5GA

73's Rafik webmaster:
http://glorieuses2008.free.fr/index-e.htm
(don't forget to write your comments on our guest book)

Last news from FT5GA 24 September 2009

The FT5GA crew continues do try satisfiing the international Ham radio community.

The propagation is very changeable, in these equinox and higher sunspots times.
Two rigs felt down some days ago. Now one is again in order but the second have to be repaired when coming back home, because of new parts missing on Gloriosos.

By the way, three stations are on the air as often as possible.

On next week end, the all crew will enter the CQ WW DX RTTY contest, in Multi/single class.
The two other stations CW/SSB will be also on the air.

We have now 14 days of traffic to do. We hope more quiet pile ups for these two weeks.

The logs are received at F5CQ's every evening and uploaded in the row at: http://www.clublog.org/charts/?c=FT5GA

The operators have confirmed us once again the lost of time with unruly operators. Some other seem death for they have to repeat very often their callsigns to get confirmation of the QSO.
Listen the operators sen.ding information or instructions!

About the QSOs/QSL, Didier, F5OGL, team leader and Rafik/F5CQ webmaster are receiving complaints about wrong callsigns or more. As it was said in a previous message, no answer will be give to these messages.
If there are problems, they will be solved when the future QSL'ing operation after FT5GA return.

We say once again that the cuts, which are systematically denounced on the clusters, are service imperatives, for maintenance. During these times, no AC nor DC is available, and at these moments the operators are doing service job, especially doing the generator maintenance.

These mandatory cuts are used also by the crew, during their very short spartime to study the Traffic instructions wrote upon pilots observations It's essential to make the most of you satisfie.

73
Didier, F5OGL, FT5GA team leader and QSL manager.

>From Maurice, F5NQL:
Yesterday about the pirates who make QSO's on the FT5GA frequencies,

even with the same callsign, a typo was made. You had to read: "so we cannot consider their QSO's indeed.", and not "we can".
Apologises!

Midway Island 2009

Press Release Number 7 September 23, 2009

There is less than a month to go before the K4M team hits the air. Our final dates are now set.

We arrive on the Island on 9 October and our return will be 19 October. That gives us two weekends to be QRV.

Our website was updated this week with interactive propagation charts. Pick a month and then the time and it will show you openings from KH4 to the world at that moment.

The team wishes those 15,000 DXers who voted on our web poll. If you haven’t voted on your needed band/mode please do so now as we are going to use this to schedule our operators. We also appreciate all the comments left for us there. Our website is, www.midway2009.com . If you haven't visited it in a while stop by and help support our effort.

This month we are highlighting four more team members. You can read all their history at: www.midway2009.com/meettheops6.html
---
29th Indian Antarctic Expedition -

Bhagwati Prasad Semwal, VU3BPZ will be in Antarctica with the 29th IAE.

The crew has just finished the pre Antarctic training & medical checks. >From November 15, 2009 the overwintering Team will start a long term operation (till March 2011). Bhagwati VU3BPZ will be on the air from Maitri Base (WAP IND-03) using his personal call VU3BPZ and also a special call AT1ØBP on the way to be issued by Ministry of Communication & IT for the event.

More info on WAP web site at www.waponline.it (Check: News & Information page). [Gianni I1HYW]

4W6AL log updated until 24th Sep.2009, 15:48 utc on: algarvedx.com/
Al, 4W6AL/CT1GPQ inform that will do QRT on next 27th Sep.2009. Sunday will be last operation day. He return home day next.

8920. DXpeditions starting Soon

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-09-28 10:16:56 UTC
From: GOLIST
Topic: 8920 Message: 8920

DXpeditions starting Soon

3D2/C, CONWAY REEF (Update). Updates for this one are expected to be on QRZ.com (under 3D20CR). The crew plans to start operations on October 1st. Suggested frequencies are:
CW - 1826.5, 3505, 7020, 10104, 14024, 18080, 21024, 24894, 28024 and 50124 kHz
SSB - 3799, 7070, 14190, 18145, 21290, 24950, 28490 and 50124 kHz
RTTY - 10140, 14080, 18110, 21080, 24920 and 28080 kHz.
Look for a 6m beacon to be on 50124 kHz. QSL via DJ8NK, by the bureau or direct (new IRCs are OK, old IRCs with expiration date of "31 Dec. 2009" are "NOT" OK. QSL cards are most likely to be sent out in January 2010).
For more details and possible updates, see their Web page at:
http://www.conwayreef2009.de
****
KH4, MIDWAY ISLAND (Press Release). Tom/N4XP and Dave/WB4JTT, co-leaders for the 2009 Midway Island Dxpedition, sent out the following press release number 7 dated September 23rd (edited): "There is less than a month to go before the K4M team hits the air. Our final dates are now set.
We arrive on the Island on October 9th and our return will be October 19th. That gives us two weekends to be QRV.
Our website was updated this week with interactive propagation charts. Pick a month and then the time and it will show you openings from KH4 to the world at that moment.
The team wishes to thank those 15,000 DXers who voted on our web poll. If you haven't voted on your needed band/mode please do so now as we are going to use this to schedule our operators. We also appreciate all the comments left for us there. Our website is, http://www.midway2009.com
If you haven't visited it in a while stop by and help support our effort. This month we are highlighting four more team members. You can read all their history at: http://www.midway2009.com/meettheops6.html
****
TX5, AUSTRAL AND MARQUESAS ISLANDS (Reminder/Update). Just a reminder that Les/SP3DOI, Jan/SP3CYY, Wojciech/SP9PT, Jozef/SP9-31029 and Michel/FO5QB will activate Tubuai Island (OC-152) in the Austral Island group between September 29th and October 12th, as well as Nuku Hiva Island (OC-027) in the Marquesas Islands group between October 16-22nd. Callsigns have been confirmed and are TX5SPA (Austral) and TX5SPM (Marquesas). Their goal is to make as many QSOs as possible, mainly with Europe on the lower frequency bands. Both countries rank 21st and 19th respectively on the most wanted list in that area, but they do not intend to ignore the stations from other continents. If possible (propagation), they will also be working on all the higher bands. They are planning to be active on CW, SSB and RTTY (maybe PSK31). PLEASE NOTE: Operators would like to emphasize that all

the costs of the DXpeditions are covered entirely by its participants. They do not accept any sponsors, and are going there for their own pleasure, using their own money. The QSL Manager for their DXpeditions is going to be Wojciech, SP9PT. For more details and update, go to: http://fo2009sp.pl
UPDATE: According to their Web page (as this was being typed), the team was expected to fly to Tubuai Island on Sunday, September 27th.
****

8921. ADDITIONAL VISA AND MASTER CARD FEES

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-09-28 18:49:27 UTC
From: GOLIST
Topic: 8921 Message: 8921

Hi folks,
I just want to make you aware that I just received in the mail, 5
pages of NEW fees
that COULD be charged to merchants accepting Visa and Master Card payments.
I now pay 10% fee to my merchant account for fees, services related
to accepting
Visa and Master Card. I will not know if any of these extra fees will
effect my business
or not. Next month should give me an indication of impact if any.
The credit card czar must be pushing this policy, in a dead economy
charge more taxes.
John

8922. FT5GA

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-09-29 07:17:34 UTC
From: F5nql@aol.com
Topic: 8900 Message: 8922

Hi friends
GLORIOSOS last news

from Didiier, F5OGL, team leader.
After a good CQ WW DX RTTY contest, the team has came back to the traffic instructions , wrote masterfully by Jeff/F6AOJ, using the usual propagation studying tools and Pilots reports,
Last night a Spiderbeam antenna felt down . Fortunately nothing was broken, and all have been set up without any problem.
We got from Yves-Michel/F5PRU, the following crew observation about the low bands:
As it was expected the 16om band is very poor. The QRN is very important.
On 40 and 80m, the propagation is not particuarly good and the reception is poor because of this QRN.

This noise is probably due to the almost permanent presence of thunderstorms, in the Gloriosos and Cpmoros archipelago areas.
About the higher bands, the crew focuses at the time on 10, 12 and 15 meters. The results in the pas days were good, particularly on 10 wher were wer found, at our surprise, very good conditions
In the morning, all the windows to Oceania, East/South-east Asia, Africa, South America and the west coast of north Ameria will be visited.

From Didier/F5AOJ and Jeff/F6AOJ
We are very sad to observe the big activity of the Pirate Crew, around the FT5GA frequencies. Some ham do not know what Pirate means.
Please check the log and try again, if your QSO is not in it. The pirate crew cheated you.
From Rafik/F5CQ, webmaster:
Last Log updating as follow : _http://www.clublog.org/charts/?c=FT5GA_ (http://www.clublog.org/charts/?c=FT5GA)
Last QSO : 28/09 at 15:43 UTC
Total QSOs : 29701
Unique Callsigns : 10133
Included the CQWW DX RTTY contest log.
73
Maurice, F5NQL, Internet communication for FT5GA.

If you forward these information by any way, please don't remove the indicated sources.
If this kind of message could be useful to your friends please spread it and ask
them to include their address on the mailing list at : _f5nql@..._ (mailto:f5nql@...) .
Bonjour à tous:
GLORIEUSES Dernières:

De Didier, F5OGL, chef d’expédition:
Voici un petit communiqué qui vient des observations de l’équipe sur place
Après un contest CQ WW DX RTTY bien fourni, l’équipe est repartie aussitôt
sur les directives de trafic des pilotes menées de main de maître par
Jeff, F6AOJ.
Dans la nuit dernière, une spiderbeam est tombée. Heureusement, rien n’a
été cassé et tout a pu être remonté sans problème.
Yves-Michel, F5PRU nous a donné quelques observations concernant les
bandes basses. Comme prévu, le 160 mètres ne donne pas grand-chose. Le QRN est
important. Sur les 40 et 80 mètres, la propagation n’est pas excellente
notamment en réception pour les mêmes raisons. Ce bruit est peut-être du à la
quasi permanente présence d’orages dans les environs des Glorieuses ou de l’
archipel des Comores.
En ce qui concerne les bandes hautes, l’équipe a concentré aujourd’hui
ses efforts sur les 10, 12 et 15 mètres. Cela a donné de bons résultats,
notamment grâce à une propagation inattendue sur le 28 Mhz. Le matin, sur l’
Océanie, sur le sud est asiatique en 30 mètres et sur toutes les fenêtres
exploitables sur l’Afrique, l’Amérique du Sud et la cote ouest des Etats-Unis
seront visitées.
De Didier/F5OGL et Jeff/F6AOJ
Désolés de constater que les Pirates s’en donnent à cœur joie.
Comme dit Jeff: do you know what "pirate" means ?
Plus sérieusement, je crois que certains vont être décus s'ils ne
confirment
pas le QSO pour être sur de ne pas avoir un "not in the log"

Contrôlez le log dès la mise à jour suivant votre QSO ; si vous n’y êtes
pas retentez , vous aves été victime de ces pirates .

Hi friends
For this issue thanks to Leon/K2EWB, Bernie/W3UR and the Daily DX, Algarve Star DX, LZ1FF, DXNL,
CONWAY REEF
September 29, 2009 - 2000 GMT
I'm pleased to advise you that the 3D20CR team has reached Conway Reef! DK9KX just called me from the boat advising that they were approximately five miles off shore waiting for a heavy rain storm to stop prior to moving closer. The present plan is to get one station up and running ASAP. They have to wait for the weather to improve first.
Leon, K2EWB

September 29, 2009 - 2330 GMT

Because of the reported underwater earthquake (Ed. note: and Tsunami) near Samoa, I decided to call the team sitting off of Conway Reef. I learned that
everyone is OK and further that they were now involved in unloading all their gear.

Leon, (K2EWB)

TIMOR LESTE

Hi,

4W6Al QRT. Last QSO on 27th September 2009 at 15:40 utc.
Final og in now online on http://algarvedx.com
Soon we will publish small statistic about 4W activity by CT1GPQ.

Received from printer QSL cards for Azores activity CR2F, CR2W and CR2N (TNX HB9CRV, Hermann - Team Leader and Algarve STAR DX Team member). Tomorrow (monday) all direct request will be out via manager (CT1GFK).

73's
Algarve STAR DX Team

BULGARIA :
During the period October, 9th to11th 2009 Balkan Contest Club will organize WFF expedition LZ44WFF, which will be active on all HF bands CW, SSB and Digimodes from Biosphere Reserve “Srebarna” – LZFF-016 (KN34MC).
QSL via Bureau to LZ1KZA

C9 – MOCAMBIQUE:
Marco,IK1RAE, as C91VM between Oct 5-23.
SSB on 40m-10m .
Marco plans to activate some offshore island groups (AF-061, AF-066,

AF-072, AF-088) as well. QSLs only direct via IK1RAE.

E5 - SOUTH COOK ISLANDS, OC-013
Bill,N7OU, from Rarotonga (OC-013) as E51NOU , CW only, 80m-10m between Oct 5-30.
QSLs via his homecall.

LX - LUXEMBURG
PA0JED, PA0TEN, PA1H, PA2AWU, PA2PKZ, PA4VHF, PA5CA, PA5R, PE2HG and PD9DX as LX/PA6Z in CW, SSB and PSK31 on 160m-6m . Oct 4-10.
QSL via PA9M direct or bureau.
News and updates : http://www.pa6z.nl

VP8/SG - SOUTH GEORGIA ISLANDS, AN-007
Lars,MM0DWF (http://www.lars-boehme.de/vp8dif), from in Husvik, South Georgia (AN-007, WAP GBR-27).
His stay will start in the beginning of October lasting until the mid of November.
QRV as VP8DIF in RTTY, CW and SSB at his little spare time.
QSL via DJ9ZB, direct or via bureau.

3D2 - FIJI, OC-016
Jacek,SP5EAQ, and Jacek,SP5DRH, from Viti Levu (OC-016) starting on Oct 1st.
Callsigns : 3D2MJ (SP5EAQ) and 3D2KJ (SP5DRH)
All bands (focus on the lowbands).
QSLs via homecalls.

Bonjour à tous
Pour ce numéro, merci à Bernie/W3UR et Daily DX, Léon/K2EWB, Algarve Star DX, LZ1FF, DXNL,
CONWAY REEF
29 sept , 2009 - 2000 GMT

J’ai le plaisir de vous informer que l’équipe 3D20CR est en vue de Conway Reef!
DK9KX, vient juste de m’informer que le bateau est à environ 5 miles du rivage , et qu’ils attendent de fortes pluies et tempête . Ils sont à la cape en attendant de pouvoir s’approcher un peu plus.
Ils espèrent mettre en place la première station le plus rapidement possibler.
Ils doivent attendre de meilleures conditions météo pour avancer un peu plus dans leur plan de débarquement, vie sur l’îlot et trafic.
Leon, K2EWB

29 Sept , 2009 - 2330 GMT

A cause du tremblement de terre sous-marin et du tsunami annoncé, aux Samoa, j’ai décidé d’appeler l’équipe en leur demandant de rester au large de Conway Reef. J’ai lu que tout le monde était OK et que maintenant ils allaient débarquer le matériel.

Leon, (K2EWB)

TIMOR LESTE

Hi,

4W6Al QRT. Dernier QSO le 27th Sept 2009 à 15:40 utc.
Carnet de trafic final en ligne à : http://algarvedx.com

Quelques info complémentaires et statistiques sur le trafic de CT1GPQ, à venir sur le site.

L’Algarve DX a reçu de l’imprimeur les cartes pour les dernières activités : CR2F, CR2W et CR2N (Merci HB9CRV, Hermann - Team Leader et Algarve STAR DX Team member). Les cartes reçues en direct ont déjà éu réponse, via le manager (CT1GFK).

73's
Algarve STAR DX Team

BULGARIE:
Du 9 au 11 octobre, le Balkan Contest Club en expédition WFF, indicatif LZ44WFF.
HF en CW/SSB/numériques, depuis la Réserve Biosphère “Srebarna” – LZFF-016 (KN34MC).
QSL via Bureau via LZ1KZA

C9 – MOZAMBIQUE:
Marco,IK1RAE, indicatif C91VM du 5 au 23 octobre.SSB on 40m-10m .
Marco ira sans doute aussi sur des îles des groupes AF-061, AF-066, AF-072, AF-088.
QSL uniquement en direct à IK1RAE.

E5 - COOK SUD, OC-013
Bill,N7OU, depuis Rarotonga (OC-013) indicatif E51NOU , CW only, 80m-10m , du 5 au 30 octobre.

I understand the Team for Conway Reef has arrived, unloaded and should be on the air sometime later today for about ten days. Watch that callsign... it is 3D - TWENTY -- CR. Twenty for the twenty years since DJ8NK was last there and the CR for Conway Reef. Remember the website: http://wwwconwayreef2009.de

8927. IRCs: Out with the Old, In with the New

Hi friends
For this issue, thanks to Pierre/F5JFU, LY4A dx info, Bill/NG3L, François/F5JNE, Juan-Luis/LU5CAD and “Escuchas y comentarios”, Matt/OZ6OM and CQ six, Pete Rayer & ISWL, Jean-Michel/F6AJA & Les Nouvelles DX, MMMVHF et DL8EBW.
CONWAY Reef
Instead of yesterday fears, the crew is safe on Conway Reef. This morning Oct 1st it had been received on 14, 18and 7 MHz, both in SSB/CW with good sigs in East Asia and US West coast.

QSL manager DJ8NK direct, bureau (new IRC's are OK, old IRC's with expiration date 31.Dec.2009 are not OK, because QSL cards most likely will be send out in January 2010). For more info and updates see their web page at:
http://www.conwayreef2009.de/index.html
(http://www.conwayreef2009.de/index.html)

MALTA :
Andreas DL9USA will be active from Comino Island, Malta (EU-023) between 15 – 22 October, 09. QSL via homecall.

GUANTANAMO:

(https://feedads.g.doubleclick.net/~a/QtQpIbiB06yeTzk9up7Eoun-Vu8/1tzCidGVAgsD_VTO9yuhP63skPc/1/pa)
Keith, KJ5YU is currently in Guantanamo Bay until February 2010. He will be using the callsign KG4YU. It’s so far unknown the bands or modes Keith will be using. QSL via KJ5YU
UGANDA, KENYA, SOUTH AFRICA
Petr, M0WTF / OK1THA is on holiday in East Africa. He is currently active as 5Z4PS from Nairobi, Kenya and will also be QRV as 5X1THA from Kampala, Uganda during first week of October. Second week of October, Petr might be active from Cape Town as ZS1/OK1THA.

8929. FT5GA

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-10-01 11:51:50 UTC
From: F5nql@aol.com
Topic: 8900 Message: 8929

Hi freinds
FT5GA news
Even if we said that the Woring and crying bureau was shut down , a lot of op’s continue to inhundate our Team leader, Webmaster and pilots with complaints about their own QSO’s made or no, traffic and QSL’ing inquiries, interrogation on why or why not on this band or this other mode, and so on
....
Jefff/F6AOJ, EU pilot , has accepted to write some words.

FT5GA team is only 5 young completely unexperimented op's in low-band traffic,
even not DXers, they are only pilupers, on the wrong side of the island and with antennas away from sea costing, which means 10 to 20 db signal loss

Beach access is prohibited for it’s a Turtles reproduction area.

But FT5GA is on the air !
it was this or nothing
after 5 years of lobbying,
so .... ?

We are not responsible for:
- SFI = 70
- poor S/N ratio in the evening
- and legions of QRMers
- low band peak from 2 to 5 in the morning EU local time
- power availability
- operator avalaibility

Radio is only 2/3 of time 1/3 is job as military
We dont have control on sharing time,vand local organisation makes number of activities on the island
for all residents (100%) at the same time.
It is a compromise,

in balance it is
- a long expedition
- low cost cost operation for an very isolate place and nobody complains about .

In the evening the propagation is quite poor , because this dates are very early in the season
and noise level reduces the signal to noise ratio
and so many peole who are listening nothing are permanatly making deliberate QRM
and it is just time lost

.
So up to you, you have until oct 8th to try again

Pilots received about 500 requests a day, for ultra selective operation.
We can’t and we don’t want to manage in that way (planning prog require
a Cray computer
us in back office, and operators. We are sure to be in line with DXCC
concept.
Remind, DXCC is a competion, and expeditions not a minium public service
for every one.
Dxpeditions working via list operation or equivalent selective mode should
not be accepted by dxcc desk
If a red carpet is spread between dx and dxer’s what is a QSO value?
nothing more than contact via MSN.

We hope 35 000 qso's today in the log, which made 35 000 smiles.

About QSL’ing
All the information are available online at :
http://glorieuses2008.free.fr/index-f.htm (http://glorieuses2008.free.fr/index-f.htm) ;
The good
bulletins have translated and spread it.
The FT5GA crew has no responsibility , about your own National Society
membership or no, which could make the bureau way unusable for you.
As for the other expeditions, if your country has no bureau, the only one
way for the moment is direct.
For those who will use the direct way, please learn about the ham customs.
Check your QSO’s with the online log, put a little sticker on your card if
you are sure about a mistake, sort your QSO by date, ...
Know that 1 US$ is not enough to send a card outside of Europe, don’t ask
the manager to supply envelopes and to write addresses on them , send also
an SAE.
Untill 20g , 1 IRC is usefull, but be careful that those you’ll send will
be usable after Dec 2009 31st.
LOTW uploading is not on the agenda to day, but we never said the log
will not be uploaded in the future.We will have a lot of things to do before,
for a long long time.
FT5GA crew through F5NQL's mailbox, Maurice, Internet communication for
the expedition.
Bonjour à tous
FT5GA news
Même si nous avions dit que le bureau des pleurs et des réclamations était
fermé depuis le 19 septembre, beaucoup d’opérateurs se croient encore
obligés d’abreuver nos pilotes, le Chef d’expédition ou le Webmaster de
réclamations, récriminations ou reproches, de demandes à propos d’informations
qu’il suffit de lire sur le site , de demandes d’informations à propos de
leur QSO, fait ou non, de la présence ou de l’absence de l’équipe sur une

bande ou un mode donné etc …… Nous en passons et sans doute des meilleures.
Jeff, F6AOJ, pilote pour l'Europe a accepté d'écrire qqquelques mots à ce sujet:
FT5GA ce sont seulement cinq jeunes, complètement inexpérimentés sur le trafic bandes basses. Mêmle si quelques uns sont des DX'ers, ce sont surtout des lecteurs dans vos pile-ups. Ils sont installés sur le mauvais côté de l'île , ce qui signifie parfois des pertes de
10 à 20 db.
L'accès aux plages est strictement prohibé en tant que ces plages sont des zones de reproduction de tortues dont l'espèce est menacée.
Malgré tout cela FT5GA est sur l'air. C'était accepter ces contraintes ou ne rien faire, après 5 ans d'âpres négociations avec les autorités.
Nous ne sommes en tout cas pas responsables de :
- SFI = 70
- Ratio S/N déplorable en soirée
- Une légion de QRMistes.
- Des pics bas de 2 à 5, le matin pour l'Europe
- De la disponibilité de la fourniture de courant
- De la disponibilité des opérateurs.

La radio occupe le 2/3 de leur temps , le reste , 1/3, est assumé dans le cadre de leur fonction militaire. Et au milieu de tout cela il faut bien dormir un peu et se restaurer.
Nous n'avons pas le contrôle de l'emploi du temps de nos militaires-radioamateurs. Nous avons du accepter ce compromis.
En, contrepartie nous avons pu obtenir :
- Une expédition de longue durée
- Une diminution conséquente des frais à supporter, pour se rendre aux Glorieuses.
Pour revenir au trafic, le soir la propagation tombe quasiment à néant car nous sommes tôt en saison, et le niveau de bruit réduit considérablement le ratio.
Nous, comme beaucoup d'entre vous , avons également à souffrir de l'indiscipline d'opérateurs qui n'ont jamais appris à écouter et de ceux que FT5GA n'intéresse pas mais qui font du QRM volontaire pour vous empêcher de les contacter.
Rassurez vous, ils sont encore là jusqu'au 8 octobre, persévérez , vous augmenterez le nombre de vos QSO sans aucun doute.
Les pilotes reçoivent plus de 500 mails par jour à propos d'opérations souhaitées, ultra sélectives. Nous ne pouvons suivre ces demandes.
Le back office fait tourner en permanence un Ordinateur Cray nécessaire à faire tourner les programmes d'étude et analyses de propagation.
Nous sommes sûrs d'être conforme avec l'éthique du DXCC.
Rappelez vous, le DXCC est une compétition, et les expéditions sont un service public minimum pour chacune des entités à contacter par vous.
Les expéditions qui travaillent avec des sélections trop étroites ne sont pas dans la ligne de l'esprit du DXCC.
Si le QSO se fait entre DX'er et expédition sur un tapis de velours rouge, aura t il vraiment plus de valeur qu'une communication via MSN ?

Aujourd’hui nous espérons avoir provoqué 35000 sourires avec 35 000 QSO’
s, chiffre que nous espérons atteindre ce soir.

73 Jeff F6AOJ Eu-Pilot

http://f6aoj.ao-journal.com/ (http://f6aoj.ao-journal.com/)

A propos des QSL :
Toutes les informations utiles sont disponibles en ligne à :
http://glorieuses2008.free.fr/index-f.htm
(http://glorieuses2008.free.fr/index-f.htm) ; Tous les bons bulletins ont répercuté cette informùation.
L’équipe FT5GA n’a aucune responsabilité si vous n’êtes membres d’aucune
Société Nationale ou d’aucun bureau, vous privant de la voie bureau .
Comme pour toutes les autres expéditions, si votre pays n’a pas de bureau,
la seule voie reste le direct.
Pour ceux qui utilisent la voie directe, merci de vous rappeler les usages
du monde radioamateur:
Contrôlez vos QSO avec le log en ligne. Si une erreur est manifeste,
mettez un petit mot sur un sticker collé à votre carte, triez vos QSO etc ..
Sachez qu’1 dollar US n’est pas suffisant pour le retour d’1 carte hors d
’Europe.
Ne demandez pas au manager de fournir des enveloppes et d’écrire les
adresses, joignez une enveloppe à vos nom et adresse.
Jusqu’à 20 grammes, un IRC est acceptable, mais prenez soin de vérifier
que ceux que vous enverrez seront valides au delà du 31 décembre 2009.
LOTW : le téléchargement n’est pas à l’ordre du jour, mais nous n’avons
jamais dit que cela ne se ferait jamais. Nous aurons beaucoup de choses à
faire avant.
FT5GA, via la boite de F5NQL, Maurice, communications Internet pour G
lorieuses 2009.

8930. PIRATES: FT5GA

Yahoo group: GOLIST (2007 — 2010)

From: GOLIST
Topic: 8930 Message: 8930

From N4AA - QRZ-DX/DX MAGAZINE

Hello DXers:

This is a SPECIAL BULLETIN and the following will reveal why.

I have been contacted by a person (who I will NOT name) who has the capability to pin point (very accurately) the source of an on the air signal. What I am saying is -- this person has the professional equipment and the expertise to monitor a signal on the ham bands and determine to a very narrow area where that signal is coming from.

Apparently there was a pirate on 10114 last night signing FT5GA. That signal was NOT coming from Glorioso, it was coming from QUEBEC in CANADA, NNE of Montreal.

On two other days pirate signals were monitored signing FT5GA, one was coming from LATVIA and the other from the SOUTH COAST OF SICILY.

These pirates should be relatively easy for "local" DXers to find. They need to be specifically identified and pressure brought to bear on them to cease their deliberate and illegal activities.

The "source" that I mentioned above will continue to provide periodic reports like this and I will continue to publish the locations of these irresponsible persons. I ask for those within the areas identified pay particular attention and use whatever means are available to them to put a stop to these activities.

One other item of interest to many of you concerns American Samoa.
Lee, KH6BZF reports that Larry, AH8LG and his family are safe. He is on Solar Power as island power is spotty at best. Larry's shop in Pago Pago harbor did sustain some damage. KH8AA is reportedly safe also.

Your cooperation with the identification of these pirates will be appreciated by all of us.

73,
Carl, N4AA

8931. AZORES ISLANDS

From Marty Lane

AZORES ISLANDS

You may catch the Radio Arcala team in action from the Azores starting Monday, October 5, for one week. Look for Martti, CU2KG (OH2BH); Juha, CU2KH (OH8NC) and Toni, CU2KI (OH2UA) on a variety of bands during a maintenance operation from their contest station CR2X <www.cu2a.com>.

QSLs CBA via home calls.

8932. 4U1UN Activity Week

4U1UN Activity Week October 19-25, 2009

4U1UN - United Nations Headquarters, New York - this DXCC entity will be active from October 19-25, on all bands, all modes, with a team of well-known DX and contest operators; OH2BH, OH0XX, OH2NB, OH6LI, G3SXW, F5CWU, F4EGD, PY5EG, JK3GAD, UA9AB, LA5IIA LA4OFA, NN1N, K2QI, KA2RTD, K2LE, N2UN, N2GA, K2DO, N2YBB, KA2D, WQ2N and W2VQ.

Antennas and security access to the building are heavily restricted but the team will do their best to make this rare station available to all.

Activity will be from 8AM until midnight local time (1200-0400 UTC) each day. All-night activity is planned for Friday the 23rd and Saturday the 24th of October. Some of the operators will form an international team for CQ World-Wide SSB Contest participation in the "Two Transmitter" (M2) category. QSL via HB9BOU. LoTW upload will be done after the operation.

It is highly appreciated if you are able to distribute through your publications. 73 es tnx de Johnny, NQ2G / LA5IIA.

8933. New Data Files and Reports Uploaded to the Web

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-10-01 19:32:57 UTC
From: GOLIST
Topic: 8510 Message: 8933

The *OCTOBER 2009 Issue #910-A *files have been uploaded to the Golist
web site.
The weekly GoData files include DXCC APPROVED OPERATIONS in the
data file.
Use the DOWNLOAD button in your GOWIN program or this link in your
web browser. http://golist.net/dlauth.cfm
It is recommended that you open up GOWIN after downloading the data file
update and on the top bar click on FILES/CLEANUP FILES and run this
routine to clear all the old update files from the program folder.
This will prevent any lookup problems for you.
Now is a good time to send in your RENEWAL to GoWin if your subscription
is about to expire.

I.C.P.O. Bulletin (October 01 - 09, 2009)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

01/10/2009: Petr, M0WTF/OK1THA reports that during our holiday in East Africa in September/October 2009 he will be occasionally QRV as 5X1THA from Kampala area, Uganda, during the first week of October. He will be working with a very simple set up - IC-706MKIIG and dipole for 20m, so please be patient. QSL 100% via home callsign M0WTF, either direct (1 green stamp or 1 IRC) or via RSGB bureau. Petr has also worked as 5Z4PS from Kenya (29.Sep.2009) and might be on the air as ZS1/OK1THA from Cape Town in the second week of October. [DX World of Ham Radio]

01/10/2009: Jacek, SP5EAQ (3D2MJ) and Jacek, SP5DRH (3D2KJ) will be active from Viti Levu (OC-016, WLOTA L0055), Fiji, starting October 1st for four weeks. They will operate on all bands, with an emphasis on the low bands, with two stations using small amplifiers and vertical antennas. QSL via home calls. [425 DX News]

01/10/2009: David, BA4DW will be active as BA4DW/4 from Dongxilian Island (AS-135, WLOTA L0574) for 4-5 days between 1 and 8 October. He will operate holiday style on 20 meters with 100 watts and a dipole. QSL via home call (QRZ.com). [425 DX News]

01/10/2009: Jim, WU0I currently in Addis Ababa, Ethiopia, as a U.S. Foreign Service Officer, expects to be on the air by October as ET3JD. Activity will be mainly 40/20/15 meters, but he would also like to spend more time on the WARC bands - particularly 30 and 17 meters. Modes will be CW, SSB, PSK31 and possibly RTTY (for contests mostly). QSL only direct to: Jim DeLoach, ET3JD, 2030 Addis Ababa Place, Dulles VA 20189-2030, USA. Further information can be found at: www.deloach.net/ET3JD.html [OPDX Bulletin]

01/10/2009: Rick, AI5P will be active from three islands in the Pacific from 1 October until 31 October. His schedule is as follows - New Caledonia [Grande Terre] (OC-032, DIFO FK-001, WLOTA L1280) from 1-8 October using the callsign FK/AI5P. Vanuatu island, New Hebrides (OC-035) from 10-18 October using the callsign YJ0PX. Norfolk Island (OC-005, WLOTA L1469) from 22-31 October using the callsign AI5P/VK9N. New Zealand (OC-036, WLOTA L0069) from 1-6 November using the callsign ZL/AI5P. All operations will be mostly CW on the HF bands. QSL via home call, direct or by the bureau. [AT International]

01/10/2009: Keith, KJ5YU is currently in Guantanamo Bay (NA-015, WLOTA L0358) until approximately 1.Feb.2010. He will be using the callsign KG4YU. So far it is unknown what bands or modes Keith will be using. QSL

via KJ5YU. [DX World of Ham Radio]

01/10/2009: Peter, NO2R is currently active from Sihanoukville [aka Kampong Som], Cambodia, (since 12 September) for a minimum one year as XU7ACY. Peter goes on low band DXpeditons and he is active on mostly 160 and 80 meter CW, but does sometimes show up on other modes and bands. QSL via W2EN only, direct or LoTW preferred but bureau OK. [QRZ.com]

01/10/2009: Members of the 4M5DX Group will be active as YW5O from La Orchila Island (SA-054, DIV-038 for the Venezuela Islands Award, WLOTA L3044, WW Loc. FK61WT). Activity will be on all bands and modes. The group is awaiting the transportation schedule from the Venezuelan Navy. The exact days and team will be posted soon on the following Web page: http://www.yw5o.4m5dx.info/ [OPDX Bulletin]

02/10/2009: Ely, IN3VZE will be active from will be active once again as 7Q7CE from the southwest shore of Lake Malawi from the shack of his good friend Harry, 7Q7HB between 2-20 October. QRV all HF bands holiday style using SSB and RTTY. QSL via home call, direct or bureau. [AT International]

03/10/2009: On Saturday 3rd October, François/F5JNE will be active as homecall/p from the Castle of Bois Gerard (DFCF 10031), in the city of Chessy les Prés (CP 10130), and Canton [county] of Ervy le Châtel (DDCF 10-09), Department Aube/10 and Province Champagne-Ardennes (DPF 08). QRV 80/40m, CW/SSB starting 0600 UTC. QSL via the bureau to his home call; SWL cards are welcome. [F5NQL]

03/10/2009: Members of the Radio-club F5KKJ will activate the île du Moulin de Naudin (DIFI reference 31031R), located on the Garonne river, commune of Toulouse, Department Haute-Garonne/31 and Province Midi-Pyrenees (DPF 15) as F5KKJ/p on 3 October starting around 0600 UTC. This is a first time activation. QSL via home call, direct or bureau. [F6AXP]

03/10/2009: Railway Stations award program: www.lu4aa.org/diplomas/ferroc.htm - Operators LU2BPM, LU9DPD, LU7BTO, LU7COS, LU5BE, LW4EF, LU3DHR and LW6DW will be active as LU3DHR/A from the Arata railway station (reference DEF-003A), on the Urquiza-Estado railway line. QRV 80m 3.650 MHz to 3.700 MHz LSB; 40m 7.090 MHz to 7.140 MHz LSB, 7.037 MHz +/- 3Khz PSK31. No simultaneous sending SSB and PSK on 40m. 2m 146.970 MHz simplex (-600 KHz - RPT LU4DQ), 147.270 KHz. simplex (+600 KHz, PL Tone 71.9Hz, - RPT LU5DVB); 70cm 433.850 MHz (+5000 KHz, PL Tone 88.5Hz - RPT LU4AAO). QSL via LW4EF (SAE + Postage) Guillermo Alberto Castelnuovo, Anibal Ponce 1239 - Benfield, BA CP B1828, Argentina. [F5NQL]

03/10/2009: Rick "The Rhino", N6RNO will be active from Tehama county (Grid CN80) for the California QSO Party (3-4 October). No entry category was given. There is the possibility of 6 meter activity. QSL via home call. [N6RNO]

04/10/2009: Operators Jan/PA0JED, Herman/PA0TEN, Harry/PA1H, Arend/PA2AWU, Peter/PA2PKZ, Dick/PA4VHF, Frans/PA5CA, Jelmer/PA5R, Han/PE2HG and Dervin/PD9DX will be active 4-10 October from Wiltz, Luxembourg, using the callsign LX/PA6Z. QRV 160-10m (WARC included) using CW, SSB and PSK31. They will also have a 6 meter station in operation for meteor scatter and WSJT. QSL is via PA9M, direct or bureau. Further info and log search at: http://www.pa6z.nl/lx_2009/ [NG3K]

04/10/2009: Hotang, YC0IEM will be active as YC0IEM/8 from Ambon Island [aka Pulau Ambon] (OC-070, WLOTA L1949), Indonesia, from 4-23 October. QRV all HF bands. QSL via IZ8CCW, direct (Ant Cannataro, P.O. Box 360 - 87100 Cosenza - ITALY) or by the bureau. See: www.mdxc.org/iz8ccw/ [F5NQL]

05/10/2009: Marco, IK1RAE says he will be active 5-23 October as C91VM from Mozambique. He will operate SSB on 40-10 meters running 100 watts into a vertical antenna. Side trips to one or more IOTA groups (AF-061, AF-066, AF-072, AF-088) are also being planned. QSL direct only, as proceeds will be donated to charity project in the village of Malangute (QSLling policy details to be announced on QRZ.com under C91VM). [425 DX News]

05/10/2009: You may catch the Radio Arcala team in action from the Azores starting Monday, 5 October for one week. Look for Martti, CU2KG (OH2BH); Juha, CU2KH (OH8NC) and Toni, CU2KI (OH2UA) on a variety of bands during a maintenance operation from their contest station CR2X (www.cu2a.com/). QSLs CBA via home calls. [OH2BH]

05/10/2009: During the period from 5 October (late evening) until 7 October, a WFF expedition to the National Park "Hainich" (reference DLFF-004) will take place. Peter DL3APO/p and Gerd DL5AWI/p will be active on various HF bands, CW/SSB with HEX-beam/dipoles and high power. The log will be given for uploading to the WFF online log search after the trip. A special QSL will sent out automatically to all contacts made! Their QTH is also good for Thuringian Castle hunters (reference THB-200). QSL via home calls, for direct requests. [DL3APO]

05/10/2009: Bill, N7OU will be on Rarotonga (OC-013), South Cooks, doing volunteer work again and signing E51NOU in his spare time from 5-30 October. QRV 80-10m, CW only, 100w/vertical. QSL via N7OU. [NG3K]

06/10/2009: Pekka/OH2TA and Henri/OH3JR plan to be active as OJ0J from Market Reef (EU-053) from 6-10 October. They will be mainly active on the WRTC bands using CW, SSB and RTTY. This activation also counts for the Market Reef lighthouse (ARLHS MAR-001, TWLHD WLH OJ0-001, WLOTA L0542, WW Loc. JP90NH). QSL via OH0RJ, direct or bureau. [QRZ.com]

07/10/2009: It has been reported that Lars, VP8DIF, will arrive on South Georgia (AN-007) between the second week of October and mid November. He will stay at Husvik (WAP GBR-27). QSL via DJ9ZB, by the bureau or direct. For more info and updates, visit Lars's Web site at: www.lars-boehme.de/vp8dif/ [OPDX Bulletin]

08/10/2009: Yasu, JA1FJJ will be active from Thimphu, Bhutan, as A52FJJ from 8-20 October. QRV all HF bands using SSB, RTTY and PSK31. He will be running 500 watts to a G5RV antenna. QSL via JA1FJJ direct only. [NG3K]

08/10/2009: Arne/LA7WCA, Maurits/LA3XIA and John/G4ATA will be active as JW7WCA, JW3XIA and JW/G4ATA respectively from Longyearbyen, Spitsbergen Island [Svalbard] (EU-026, WLOTA L0125) between 8-13 October. QRV on all HF bands, using SSB and RTTY. QSL via home calls. [NG3K]

09/10/2009: Dave/G4IAR and Judith/G4IAQ will be active as G4LAB/p from the Isles of Scilly (IOTA EU-011) between 9-19 October. QRV on the HF bands, on or near the usual island and IOTA frequencies. QSL via G4IAR, direct only (QRZ.com). [rsgbiota.org]

09/10/2009: A multi national team of 19 operators will activate Sand island (USi OI-011S, Grid AL18) Midway islands (OC-040) in October 2009 as K4M. The US Fish & Wildlife Service has authorized amateur operation from this rare US entity for only a 10 day period between 9-19 October, its first radio activity in almost 10 years. Team members are AA4NN, EA1DR, EA1IR, DJ9ZB, K9CT, KH7U, KI6TVS, KL2A, N1DG, N4PN, N4XP, N6GQ, N7CQQ, WB4JTT, W6KK, W6OSP, WA7NB, W8CAA, W8GEX, WA8NJR and OK1KT. Off site support is being provided by AA1V, W5DNT and W6XA. Activity will be on 160 meters to 6 meters with 5 to 6 stations. Info, updates, online log, frequencies and more can be found at: www.midway2009.com/ . QSL via online QSL Service, direct (Midway 2009, Box 333, Bethlehem, GA 30620-9989 USA) or LoTW. [N4XP & WB4JTT]

09/10/2009: Members of the Balkan Contest Club will be active from the Biosphere Reserve Srebarna (LZFF-016, WW Loc. KN34MC), Bulgaria, from 9-11 October using the callsign LZ44WFF. QRV on all HF bands CW, SSB and Digimodes. QSL via the bureau to LZ1KZA. Note: LZ44WFF counts 10 points for "St. Teodosii Tyrnovski" award (www.balkanclub.org/awards.htm). [Balkan Contest Club]

==========
LOOKING AHEAD -

11/10/2009: Mark, KO1U plans to activate Deer Isle (USi ME014S) and Little Deer Isle (USi ME024) both in the IOTA NA-055 group, Penobscot Bay, Hancock County, Maine, on 11th October. Mark is trying to offer NA-055 for the JAs. Word from Japan is 2100-2300z has very good communications between NA-055 and Japan. He will qualify ME024, Little Deer Isle, off-and-on starting around 1700z on 11 October, on or near 14050.0/7050.0 kHz and also on the high side of 14260.0 kHz. QSL via home call. [USi]

15/10/2009: Andreas, DL9USA will be active from Comino Island, Malta (EU-023), from 15-22 October as 9H8C. Active on the HF bands, CW and SSB. QSL via the information on QRZ.com under 9H8C. [DX World of Ham Radio]

19/10/2009: 4U1UN Activity Week 19-25 October 2009:
4U1UN - United Nations Headquarters, New York - this DXCC entity will be active from 19-25 October, on all bands, all modes, with a team of well-known DX and contest operators; OH2BH, OH0XX, OH2NB, OH6LI, G3SXW, F5CWU, F4EGD, PY5EG, JK3GAD, UA9AB, LA5IIA LA4OFA, NN1N, K2QI, KA2RTD, K2LE, N2UN, N2GA, K2DO, N2YBB, KA2D, WQ2N and W2VQ.
Antennas and security access to the building are heavily restricted but the team will do their best to make this rare station available to all.
Activity will be from 8AM until midnight local time (1200-0400 UTC) each day. All-night activity is planned for Friday the 23rd and Saturday the 24th of October. Some of the operators will form an international team for CQ World-Wide SSB Contest participation in the "Two Transmitter" (M2) category. QSL via HB9BOU. LoTW upload will be done after the operation. [OH2BN]

21/10/2009: Martin, ON4PO will be operting as J45PO from the SX5P contest station, Rhodes Island (EU-001, GIOTA DKS-006, MIA MGD-028, WLOTA L0045), Greece, before and after the CQWW DX SSB Contest especially on 40 meters from 21-29 October. QSL via home call. During the contest he will be the operator on the 40 meter band. [NG3K]

24/10/2009: Toni, OH2UA will be active using the callsign CR2X as a Single-Op/All-Band/High-Power entry in the CQWW DX SSB Contest (24-25 October) from Ribeira Grande, Ilha de Sao Miguel (EU-003, DIP AZ-002, WLOTA L2016). QSL via OH2BH, direct or bureau. [NG3K]

24/10/2009: Look for the OL7R HF Contest Team to be active as a Multi-Multi entry in the CQWW DX SSB Contest (24-25 October), using the callsign OK0K from the Czech Republic (Zone 15). QSL via OK1WMV, direct preferred. [NG3K]

24/10/2009: Ted, W3TB will be active as W3TB/VP9 from Hamilton Parish, Bermuda (NA-005, WLOTA L0201), for the CQ World Wide DX SSB Contest (24-25 October) as a Single-Op/All-Band entry. He might operate the contest using the callsign VP9I. Look for Ted to be active before and after the contest on the HF bands. QSL via home call. [NG3K]

24/10/2009: Radio Club Temuco operators Alex/CE6SAX, Alex/CE6DFY, Carlos/CE3AQI, Carlos/CE6CP, Marco/CE6VMO and Ramiro/CE6VMR will be active from the QTH of Gaston, CE6DBI in the CQWW DX SSB Contest (24-25 October) as XR6T, a Multi-? entry. QSL via CE3FED direct (Radio Club Temuco, P.O. Box 1234, Temuco, Chile) or by the bureau. [AT International]

24/10/2009: Bloemfontein Defence Amateur Radio Club members ZS4TX, ZS4U, ZS4S, ZS4RY, ZS4JAN and ZS4BS will be active as ZS9X, a Multi-? entry in CQWW DX SSB Contest (24-25 October) from Bloemfontein, Rep. of South Africa. QSL only via K3IRV. [NG3K]

25/10/2009: Sho, JA7HMZ (V63DX) and Kei, JA7GYP will be active from Pohnpei (OC-010) 25-31 October with focus on the low bands. QSL via home call. They will also participate (part time) in the CQWW DX SSB Contest

(24-25 October) as V6B, a Multi-Single entry. QSL V6B via LoTW. [NG3K]

01/11/2009: Operators Rudi/DF8AE, Burkhard/DF8XC, Georg/DK5QN, Dirk/DL1YDI and Pete/DL1YAW will be active as 5P3WW from Mon Island (EU-029, DIA SJ-017, WLOTA L-4630, WW Loc. JO64EX), 1-9 November, including an entry in the Marconic Contest with new portable antenna setup, 10m to the shore-line. Activity will be MS-TR on 144 MHz. QSL via DL1YAW, bureau preferred. [MMMonVHF]

21/11/2009: Operators Harry/DM5TI, Rene/DL2JRM, Tom/DL2RMC and Sid/DM2AYO will be active from Christmas island (OC-002) between 21 November and 5 December. Plans are to have two similar station (K3, 600w+ amps) running 24/7 on all modes on 160-10m. They will focus on the low bands, mostly on CW. VK9XX will be used during the DXpedition with VK9XW active for the CQWW DX CW Contest (28-29 November). QSL OK via the bureau or direct to DL1RTL. Full details at VK9XX website: www.dl2rmc.com/tom/VK9X2009/ [NG3K]

22/11/2009: Brian, ND3F will be active from Barbados (NA-021, WLOTA L0999) as 8P9SS from 22 November to 02 December, including a Single-Op/All-Band/Low-Power entry in the CQWW DX CW Contest (28-29 November). QSL direct to his home call. Logs will be uploaded to LoTW. [NG3K]

23/11/2009: Andy/DJ7IK, Jan/DJ8NK, Guenter/DJ9CB, Andreas/DL9USA and Lars/DF1LON will be active from Tunisia between 23 November and 2 December using the special call 3V3S. They will be QRV, using low power (100W), in all modes from the QTH of 3V8SS in Sousse, where they will build antennas and also participate in the CQWW DX CW Contest (28-29 November) as a Multi-Single entry. QSL via DL9USA. Web: http://3v3s.tk/ (still under construction). [DX World of Ham Radio]

23/11/2009: Mike, K9NW will be in Botswana between 23 November and 1 December using the callsign A25NW. Expect activity during CQWW DX CW Contest (28-29 November). QSL via home call (QRZ.com). [DX World of Ham Radio]

24/11/2009: John, K4BAI and Don, W4OC will be active from the island of Bonaire (SA-006, WLOTA L1279) between 24 November and 01 December as PJ4/home call. The will also participate in the CQWW DX CW Contest (28-29 November) as PJ4A. QSL all calls via K4BAI, direct or bureau. [QRZ.com]

24/11/2009: Peter, K8PT will be active from Belize between 24 November and 6 December as V31PT. QSL via home call. [AT International]

28/11/2009: A team of operators will activate the ITU Radioamateur Club Station, 4U1ITU during the CQWW DX CW Contest (28-29 November) as a Multi-Single entry from Zone 14. The activity may possibly including 160m. QSL via QRZ.com. [NG3K]

28/11/2009: Toni, OH2UA will be active using the callsign CR2X as a Single-Op/All-Band/High-Power entry in the CQWW DX CW Contest (28-29 November) from Ribeira Grande, Ilha de Sao Miguel (EU-003, DIP AZ-002, WLOTA L2016). QSL via OH2BH, direct or bureau. [NG3K]

22/02/2010: The 7th Antarctic Activity Week will be held from 22-28.Feb.2010, with various countries and special callsigns active. Look for the following: DA0ANT WAP-128 (QSL DC2SF), K4A WAP-073 (QSL K6EID), K4K WAP-176 (QSL K4MZU), II2ANT WAP-030 (QSL I2JJR) IR1ANT WAP-002 (QSL I1HYW). Further information about the event plus full list of participating stations can be found at: www.waponline.it/ [Worldwide Antarctic Program]
==========
SPECIAL EVENTS -

The ISWL Club Callsign's in use during October 2009 will be:
GX4BJC /A & GX4BJC /P - Operated /A from Hartford, in Cambridgeshire, by Tom - G3RPV. (/A WAB Square = TL27 - England & IOTA = EU-005). (/P locations will be given during the QSO).
MX1SWL /A & MX1SWL /P - Operated /A from Walton on the Naze, in Essex, by Herbie - G6XOU. (ISWL Council Member & QSL Bureau Manager). (/A WAB Square = TM22 - England & IOTA = EU-005). (/P locations will be given during the QSO).
Please Note: The WAB Format changed on 1st January 2009. The new format is: 10Km Square Number and Country. (Not District and County). Web: www.worked-all-britain.org.uk/
The ISWL's WAB Book numbers are: 16316 and 16724.
All QSL Info is on www.iswl.org.uk/ or www.qrz.com/ or via www.eQSL.cc/ NO LOTW.
ISWL Awards are available to all Hams and SWL's - see www.iswl.org.uk/ for full details.
eQSL.cc cards ARE accepted for our awards. [Pete's-DX-Newsdesk]

25/09/2009: The United Nations Headquarters Station (4U1UN) in New York, will be active for 64 days with special callsign 4U64UN in celebration of the opening of the 64th session of the General Assembly and the 64th anniversary of the United Nations. QSL via HB9BOU. The QSL cards will be printed after the end of the operation. The direct cards will be sent out starting December 2009. [QRZ.com]

01/10/2009: The Balkan Contest Club will air special event callsign LZ26ZA 1-31 October to glorify the exploit of 26 Bulgarian saint monks perished in defence of the Ortodox faith. That happened in 1284 in the St. George Zograph monastery on the Month Athos Peninsula. The memory of the 26 saint monks is honoured on October 10-th/23-rd. (for details see The Saint's Lives). LZ26ZA counts 10 points for "St. Teodosii Tyrnovski" award - www.balkanclub.org/awards.htm . QSL via bureau or direct to: LZ1KZA, P.O.Box 36, 4300 Karlovo, Bulgaria. [F5NQL]

01/10/2009: The Radioclub Pribram (OK1RAF) will air the special event callsign OL22ASE from 1 October to 15 October. Activity is planned to coincide with the ASE XXII Planetary Congress - International congress

of astronauts organised by Association of Space Explorers (ASE), which is being held in Prague, Czech Republic. QSL via OK1TIR, direct or bureau. Full info on QRZ.com under OL22ASA. [Southgate ARC]

01/10/2009: Over the weekend of 3rd and 4th October, members of the Grimsby & District battalion will be operating GB1BB for the Founding weekend On the Air, which celebrates the founding of the Boys Brigade movement in 1887. The station will be manned by foundation holders who are also members of the BB supported by M1BYQ and G0MNI. Also on the air will be the 1st Bermuda battalion, callsign VP9400BB. QSL will be eQSL via M1BYQ. [GB2RS]

01/10/2009: Special event station GB4GDS, celebrating the work of the Guide Dogs for the Blind organisation, will be operating from 1 October for 28 days from the Lindsayfield branch of Guide Dogs for the Blind. Operator Keith, GM4DAE hopes to be active on 80m, 40m, 20m and 2m at various times from early morning through to late evening. The station celebrates the 78th anniversary of the first Guide Dog training in Wallasey, Cheshire, England (EU-005, WLOTA L1841), in 1931. QSL via the RSGB bureau. [GB2RS]

01/10/2009: Special event station PD55EA will be aired from 1-28 October to celebrate the 55th birthday of the Museum "Ellert and Brammert" in Schoonoord, Netherlands. QRV on 10, 20 and 40 meter band in SSB and Digital modes. Also possible activities on 2 meter band. This is the second time we activete this SES,before it was in August. QSL's will be send automatic via bureau. If you want to QSL in other ways, please first send QSL via PD7BZ. More info on: www/pd7bz.nl/pd55ea [F5NQL]

02/10/2009: Special callsign PA08DWN will be aired on CW, 2-3 October, during the annual Furieade maritime event at Maassluis, near Rotterdam. Operations will take place from the radio shack of the 'Elbe', a tugboat that is being restorated to serve as a museumship. QSL via PA3ALM. [425 DX News]

03/10/2009: GB70GB is a very special Special Event callsign, issued by Ofcom for the 70th anniversary of the opening of the Research Centre at Great Baddow, Chelmsford, Essex, England (EU-005, WLOTA L1841). This is the home to what was originally Marconi's Research Laboratories. Later, it was also home to famous staff including Spycatcher author Peter Wright and Chris Cockrell, inventor of the hovercraft. The station will be operating on Saturday 3rd October and will be operated by members of the Chelmsford Amateur Radio Society. Baddow is also home to the last surviving fully intact 360ft Chain Home radar mast from the Battle of Britain - itself coming up to its own anniversary in February 2010, the 75th anniversary of the Daventry Experiment when radar was born. Visitors must pre-register to visit the special event station and they will see a series of exhibits on Baddow's history and technology from turn of the century Marconi heritage right up to present day innovations at what is now known as BAE Systems Advanced Technology Centre. QSL c/o Murray Niman, G6JYB. Full details can be found at QRZ.com. [GB2RS]

U.S.A. Special event station information can be found at:
www.arrl.org/contests/spev.html

US COUNTY HUNTING - USA-CA

WØGXQ - Jerry - 3* - 2 October 09 to 5 October 09 - CW Only
Friday, Oct 2nd starting around 1100z MN-Hubbard, Cass, Aitkin, St
Louis. WI-Douglas, Washburn, Sawyer, Rusk, Price, Taylor, Lincoln,
Langlade, Menominee, Oconto, Shawano, Outagamie, Winnebago, and Fond du
Lac. I need a MP contact in Washburn, Sawyer, Lincoln, Langlade, and
Outagamie.

Saturday, Oct 3rd starting at 1300z with W9MSE - Fond du Lac, Calumet,
Brown, Kewaunee/Door, Manitowoc, Sheboygan, Ozaukee, Milwaukee,

Washington, Waukesha/Racine, Kenosha, Walworth, Jefferson, Rock, Dane, Green, LaFayette, and Iowa. I need a MP contact in Kewaunee/ Door, Manitowoc, Sheboygan, Ozaukee, Milwaukee, and Washington.

Sunday, Oct 4th starting at 1230z with W9MSE - Iowa, Sauk, Richland, Grant, Crawford, Vernon, La Crosse, Trempealeau, Buffalo, Pepin, Eau Claire, Jackson, Monroe, Juneau, Adams, Marquette, Columbia, and Dodge.

Monday, Oct 5th starting at 1300z WI-Fond du Lac, Green Lake, Waushara, Waupaca, Portage, Wood, Marathon, Clark, Chippewa, Dunn, St Croix, Polk, Barron, and Burnett. MN-Pine, Kanabec, Mille Lacs, Crow Wing, Cass, and Wadena. I need a MP contact in Waupaca, Portage, Marathon, St Croix, Polk, and Burnett.

I may operate some SSB on October 2nd and 5th. Operation on the 3rd and 4th will be ALL CW. All of the Wisconsin counties count for my Transmitted From for MP. Jeff and I usually alternate the runs, so there will be instances where I will jump in while Jeff is running just to get my credit for the county.

Our itinerary includes all of the callsigns I found on the Needs Page. Band rotation over the weekend will be 40/80/30/20/17/15/12/10. If we find the nets busy, we will work the mobile (if heard) or just send GXQ or MSE D2 and hopefully someone will copy, follow, and spot. [County Hunter Web]

N8KIE - Robert - 3* - 10/5/2009 to 10/12/2009 - SSB Only
Another try to put out Mississippi. This will finish Jaci N8RLJ and I for Transmit All. Good luck and good hunting. SSB Only Will run down I-75 from Detroit to Ky. KENTUCKY: .. Kenton, Boone, Gallatin, Carroll, Henry, Oldham, Jefferson, Bullitt, Hardin, Larue, Hart, Barren, Monroe ... TENNESSEE: .. Clay, Jackson, Putnam, Smith, Wilson, Davidson, Cheatham, Williamson, Dickson, Hickman, Humphreys, Perry, Benton, Decatur, Henderson, Chester, Hardeman, Fayette ... MISSISSIPPI: .. Benton, Marshall, Tate, Lafayette, Panola, Yallobusha, Tallahatchie, Quitman, Sunflower, Leflore, Bolivar, Washington, Sharkey, Issaquena, Humphreys, Yazoo, Madison, Holmes, Carroll, Montgomery, Grenada, Webster, Calhoun, Choctaw, Attala, Leake, Scott, Rankin, Smith, Simpson, Covington, Jefferson Davis, Lawrence, Marion, Walthall, Lamar, Forrest, Stone, Harrison, Jackson, George, Greene, Perry, Jones, Jasper, Clarke, Lauderdale, Newton, Neshoba, Kemper, Winston, Noxubee, Lowndes, Oktibbeha, Clay, Monroe, Chickasaw, Ponotoc, Lee, Union, Itwamba, Prentiss, Tishomingo ... ALABAMA: Colbert, Lawrence, Morgan, Madison, Marshall, Dekalb ... GEORIGA .. Dade from here we will take I-75 home. This list is for your planning purposes only. I don't take a list and we never really know where we will stop for the night. I have 20 and 40 and will try to run both bands. On the way home I may run through Breathitt, KY my last for 4th time in KY. But it is about 100 miles out of the way so who knows. [County Hunter Web]
==========
QSL INFORMATION -

Pirates & FT5GA:

The following has been released by Carl, N4AA of QRZ DX / DX Magazine and is displayed in its entirety:

Hello DXers: This is a SPECIAL BULLETIN and the following will reveal why:
I have been contacted by a person (who I will NOT name) who has the capability to pin point (very accurately) the source of an on the air signal. What I am saying is - this person has the professional equipment and the expertise to monitor a signal on the ham bands and determine to a very narrow area where that signal is coming from.
Apparently there was a pirate on 10114 last night signing FT5GA. That signal was NOT coming from Glorioso, it was coming from QUEBEC in CANADA, NNE of Montreal. On two other days, pirate signals were monitored signing FT5GA, one was coming from LATVIA and the other from the SOUTH COAST OF SICILY.
These pirates should be relatively easy for "local" DXers to find.
They need to be specifically identified and pressure brought to bear on them to cease their deliberate and illegal activities.
The "source" that I mentioned above will continue to provide periodic reports like this and I will continue to publish the locations of these irresponsible persons. I ask for those within the areas identified pay particular attention and use whatever means are available to them to put a stop to these activities.
Your cooperation with the identification of these pirates will be appreciated by all of us.

QSLs received Bureau - 4A3IH, 6Y8XF, 9G1AA, 9Q1EK, A25/DL7DF, EG0VRB, FJ/F6FYD, FJ/G3TXF, FK/G3TXF, HC2FN, JD1BMM, LU7DIR, OX5AA, PA6IMD, V26OB, VO1TA, XR800IARU, YJ0TXF, YK9G, YU8/G3TXF, ZL6QH, ZL7/KH0PR, ZP6/DL7VEE.

CT1GFK, Toze

ANTARCTICA:

Next expedition to Antarctica by F5PFP prepared for beginning of 2011
Mehdi F5PFP, has informed us about his planning tour to the Antarctic
Peninsula to be finalized for the season 2010-2011. The Bases and
locations he intent to visit, are roughly listed down here:
WAP ECU-NEW Republica del Ecuador Refuge, King George island, 62°S-58°W
WAP ECU-01 Maldonado station Greenwich island, 62°27'S-59°42'W
WAP CHL-04 Presidente Aguirre Cerda, Deception island, 62°56'S-60°36'W
WAP FRA-NEW Port Circoncision, Petermann island, 65°11'S-64°10'W
WAP ARG-18 Groussac Refuge, Petermann island, 65°11'S-64°10'W
WAP CHL-11 Yelcho, Doumer island, 64°52'S-63°35'W
WAP GBR-26 Base "W" - Detaille, Detaille island, 66°52'S-66°48'W
WAP GBR-14 Base "Y" - Horseshoe, Horseshoe island, 67°49'S-67°18'W
WAP GBR-05 Base "E" - Stonington, Stonington island, 68°11'S-67°00'W
WAP USA-NEW US East Base, Stonington island, 68°11'S-66° 55'W
3 New-One WAP Antarctic sites and rare referenced Bases; great indeed!
The trip also includes an island belonging to Alexander grp, 69°S-68°W.
The plan is ambitious and we keep our finger crossed. Likewise already
experienced during Mehdi’s 2009 Expedition, the opportunity to work
several new spots in Antarctica is guarantee. Keep up the good job Mehdi
and TNX. [Worldwide Antarctic Program]

CANADA HAMS - 3 years till current mobile use outlawed:

Mobile ham radios will be required to operate hands free in the
Ontario province of Canada, they have less that 3 years to comply.
"To help these businesses stay competitive, Ontario is granting a
three-year phase-out period for the commercial use of two-way radios,
including mobile and CB radios, to allow for hands-free technologies to
be developed."
"The use of hand-held radios by amateur radio operators (who provide
assistance, especially in emergency situations such as severe storms and
blackouts) will be phased out within three years, to allow hands-free
technologies to be developed."
More info at:
http://news.ontario.ca/mto/en/2009/09/ontarios-new-rules-for-hand-held-wireless-and-entert
ainment-devices.html

CONWAY REEF:

Instead of yesterday fears, the crew is safe on Conway Reef. This
morning Oct 1st it had been received on 14, 18and 7 MHz, both in SSB/CW
with good sigs in East Asia and US West coast.
QSL manager DJ8NK direct, bureau (new IRC's are OK, old IRC's with
expiration date 31.Dec.2009 are not OK, because QSL cards most likely
will be send out in January 2010). For more info and updates see their
web page at: www.conwayreef2009.de/index.html

SOUTH KOREA:

The 37th SEANET Convention will be held in Seoul, South Korea, between
23rd and 27th October.
Special callsign HL09SEA. QSL via HL1OYF. [F5NQL]

8936. RAC WINTER 2010 EDITION

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-10-02 17:47:51 UTC
From: GOLIST
Topic: 8936 Message: 8936

Hi folks,
November is the release month for the Winter 2010 Call Book CD.
If you are interested in this release and have NOT made a pre order for this edition, now is the time to do so. The first week of November is when I will work the pre orders and then make my order to RAC.
The regular discount price will be $40.50 with free shipping to USA address.
Golist subscribers will received an additional discount making the cd $37.50.
International shipping is still $5.00 extra.
If you are on the list but your have let your Golist subscription expire, your cost
will be $40.50. If you want to be removed from the RAC list, just drop me a note
and I can take care of that. I do not know if I will order any extra cds this time or not, so it is better to make your order now.
I still have a few Summer 2009 in stock should anyone need that edition.
John K1XN

8937. FT5GA

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-10-03 05:07:39 UTC
From: F5nql@aol.com
Topic: 8900 Message: 8937

Hi friendsz
From Didier, FT5GA team leader
This is the last week end for FT5GA.
Some zone are still to be worked, if he propagation will come with us.
So the team will pay some attention on 80 m CW to the USA, and also on 160m, even if these bands are very very noisy.
Jeff, F6AOJ, EU Pilot is writing the strategy lines for the last week, according to these considerations.
Some friends from over the pond have indicated the presence of numerous pirates using the FT5GA callsign near the team band plan, so we ask you to check the daily updated online log, about your QSO's. We don't understand the reasons which cause these strange actions, may be are they a little bit neurotic ?
Instead of this presence of pirates, our friends, the crew members, are not annoyed at all.
We know also that a lot of friends haven't yet contacted FT5GA. It will be done all that it's possible on Gloriosos to QSO'ed them at least one time, during this last week.
The pilots, instead of their own job restraints, are receiving a 500 message range a day. They have to read them, to work them, and also to answer, for the most part.
We are receiving from the world, observations and FT5GA's signal reports from friends . We thank them for the good help.
When all the received information are compiled and analysed, the traffic strategy is sent to FT5GA.. So daily, the crew can made the plan of the day – Traffic, Service, aso - .

Didier, F5OGL

through Maurice, F5NQL's mailbox. Internet communication for FT5GA

Bonjour à tous
De Didier, F5OGL, Chef d'Expédition
Le dernier week-end de l'activité de FT5GA se présente. Il reste des zones et des bandes à exploiter si toutefois la propagation le permet.
Ainsi, l'équipe va concentrer son attention sur le 80 mètres CW vers les USA ainsi que le 160 mètres, ces deux bandes étant toujours aussi bruyantes.

F6AOJ est en train de rédiger une stratégie de trafic dans ce sens.
Des amis outre-atlantique nous ont signalés la présence de nombreux pirates et il vous est demandé de vérifier les logs en ligne afin d'être sur de votre QSO. Les raisons de ces piratages nous semblent toujours aussi étranges mais semblent avoir une origine neurologique….
En tout cas, ils ne gênent en rien le trafic de nos amis. Nous sommes également conscients du fait que certains n'ont pu contacter FT5GA au moins une fois mais les opérateurs feront tout pendant cette dernière semaine pour

répondre aux attentes des demandeurs.
Les pilotes , en dehors de leurs propres contraintes professionnelles, traitent plus de 500 mails par jour. Ils dépouillent, et répondent dans bon nombre de cas.
Plusieurs amis nous donnent aussi des reports, nous les remercions de leur aide.
Après compilation puis analyse une synthèse des informations est envoyée à l'équipe, qui, chaque jour, sur place, établit son plan dans les créneaux libres de contraintes de service.
73
Didier, F5OGL.

Hello Folks,

As the southern summer approaches, several scientists and associate people with Ham callsigns, start operating from the southern hemisphere.
Awards are available for working / hearing many of the stations concerned.
One of the sites to keep up with the current information is at: www.waponline.it
Some current news ......
The special call II1CAM (WAP-177) will be on the air till Oct.15th to celebrate the 1st Centenary of the airport of Cameri, logistic and technologic pole of the Italian Air Force (see:
http://www.aeronautica.difesa.it/SitoAM/Default.asp?idsez=2956&idente=412).
WAP is always close to the Italian Air Force (IAF) which devotes every year its personnel to the Antarctic Missions.
We are now joining the celebration if the 100th Anniversary of the Cameri AFB
and thanks to ARI Gallarate (IQ2GM) this brand new II1CAM (WAP-177) is on the
air.
QSL has to be requested to IW2MNO Marcello.

1000 UTC Saturday October 3, 2009.
There was no posting yesterday as I did not receive a call.
Team Leader Hans DK9KX called at 1000 UTC with the following info.
There was a storm there yesterday and one of their antennas was blown down.
When the storm ended the antenna was repaired and put back up. It's the
middle of the night on Conway and one of their generators has failed. Not
to worry however, as they have put a spare into use. They will see about
repairing the non-working one after their sunrise which will be after
1800UTC.
They have had 12,000 QSO so far. I have had over 20,000 hits here on QRZ.com
so far.
I have advised Hans of the noise on 14.190MHz, so they may move a few KC up
or down.
Also I relayed the request of more 30 meter activity for Western EU at
0800-1200 UTC.
73, Leon, (K2EWB)

St. Maarten and Cura?ao: Seperate countries by October 2010.
2009 October 2
Leave a comment
by DX World
a.. New Entities on the horizon:
To further the reply left by Marco, PJ7MF and to make more prominent on site, below are quotes from both Marco and The Daily Herald newspaper of St. Maarten, Netherland Antilles.

As per tody?s newspaper, the government of the Netherlands Antilles and Holland agreed on the exact date 10-10-10 (10 October 2010) when St. Maarten will become a country by itself, separate from the main Neth. Antilles island which is Curacao and separated from Holland. The two neighbor islands of Saba PJ6 and St. Eustatius PJ5 will become provinces of Holland and basically will be considered as European territory (same as French St. Martin FS).

> From the Daily Herald newspaper of St. Maarten.

WILLEMSTAD?St. Maarten and Cura?ao will become separate countries within the Dutch Kingdom on October 10, 2010, and this date is irrevocable.

This is the agreement reached in the Kingdom Political Steering Group meeting held in the World Trade Center in Cura?ao on Wednesday.

However, while this date of 10-10-10 on which the Netherlands Antilles will officially cease to exist is irrevocable, the two new countries will be subjected to conditions should they not meet certain agreed criteria such as getting their Justice systems, police and good governance in order and up to acceptable levels.

Thanks to Marco PJ7MF for the update.

Hi friends
FT5GA last Oct 6th , 2009, news
Yesterday, the crew , while in full pile up on 2SSB, 24CW and 28rtty had to stop suddenly because of technical reasons,concerning the power sup plying.
Yesterday evening the op’s were active again but this morning the traffic had been cut again.
Now 4 station are active; the 4th was put under repairs and after some DiY, it’s on the air again. These 4 stations will be on the air until the last moment and as longer as possible.
The crew must dismantle the 80 and 160 area farm included the K9AY, this morning. The plane which will come with the new reserve, is awaited a day early as scheduled, and the air track and its surroundings, are to be cleaned of any obstacle.
It could be possible that all of the antennas have to be dismantled to day and the traffic, could be ceased, in such a case, this evening of course.
We will inform you of any change , if it’s happened.
73
Didier, F5OGL, FT5GA team leader.
via F5NQL's mail box, Maurice, Internet communications for FT5GA.
Dernières nouvelles de FT5GA (6 octobre 2009)
Hier, l’équipe était en plein pile up sur 21 SSB, 24 CW et 28 RTTY lorsque le groupe électrogène s’est arrêté pour des raisons techniques.
Après la reprise des émissions hier soir, l’équipe a du à nouveau couper ce matin. Elle est actuellement active avec 4 stations, le 4ème poste ayant été réparé en bricolant une réparation de fortune. Elle restera active avec toutes ces stations le plus longtemps possible.
L’équipe doit commencer à démonter ses antennes 160 et 80 mètres ainsi que la K9AY ce matin en prévision de l’atterrissage de l’avion qui vient cherché la relève.
En effet, ce dernier était prévu jeudi mais serait avancé à demain et aucun obstacle ne doit se trouver aux environs de la piste. Il est donc possible que FT5GA cesse ses émissions dès ce soir. Nous vous tiendrons informés de tout nouveau changement.
Didier, F5OGL, Chef d’expédition, via

Hi friends
For this issue, special thanks to : Leon/K2EWB and MDXC, Didier/F5OGL, Jean-Yves/F8LDX, Pierre/F5JFU, Bill/NG3K, Bernie/W3UR and the Daily DX, Bill/NC1L, Gianni/I1HYW, Anton/IZ8CCW, Dave/N3BUO, LY4A DX news
CONWAY REEF –
Monday 1600 UTC October 5, 2009

Team Leader, Hans DK9KX (Hawa to his friends) advises me of several matters
today.

As of now they have reached 26,000 contacts. I do not know how many unique call signs there are.

Some of my readers have asked me about the possibility of a pirate station operating on 40m yesterday at about 1500 UTC. It has been reported that there were two stations QRV at the same time, both on 40m, one on SSB and K2EWB the other was on CW. The question of course comes up because of possible
interference. All of this was sent to Conway via a text message at 1245 UTC.

Due to the wonders of satellite communications I have a 75% answer. The SSB
station was for sure QRV from Conway. As for the CW, I will receive the answer on Wednesday. The reason for the delay is because the entire CW operation takes place over 250 meters away from the SSB Camp. Each has their
own antennas I believe.

PLEASE READ THE FOLLOWING CAREFULLY SO AS NOT TO BE CONFUSED.

3D20CR will shut down on Thursday, October 8th at 1800 UTC. That is their Friday morning Oct. 9th on Conway after their sunrise.

T6 - AFGHANISTAN
Pascal,F5PTM, is active as T6YA mainly in CW on 40m, 30m, 20m and 17m until December.
His QSL manager is F5OGL and confirms also via bureau.

UNITED NATIONS HQ – New York
4U1UN Activity Week October 19-25, 2009

4U1UN - United Nations Headquarters, New York - this DXCC entity will be active from October 19-25, on all bands, all modes, with a team of well-known DX and contest operators; OH2BH, OH0XX, OH2NB, OH6LI, G3SXW, F5CWU, F4EGD, PY5EG, JK3GAD, UA9AB, LA5IIA LA4OFA, NN1N, K2QI, KA2RTD, K2LE, N2UN, N2GA, K2DO, N2YBB, KA2D, WQ2N and W2VQ.

Antennas and security access to the building are heavily restricted but the team will do their best to make this rare station available to all.

Activity will be from 8AM until midnight local time (1200-0400 UTC) each day. All-night activity is planned for Friday the 23rd and Saturday the 24th of October. Some of the operators will form an international team for CQ World-Wide SSB Contest participation in the "Two Transmitter" (M2) category. QSL via HB9BOU. LoTW upload will be done after the operation.

It is highly appreciated if you are able to distribute through your publications. 73 es tnx de Johnny, NQ2G / LA5IIA.

Operation from Sid Richardson Scout Ranch using the call WR5SR
On Lake Bridgeport outside of Runaway Bay, TX
We will be on SSB, CW and RTTY

OCTOBER 17–18, 2009

What Is Jambore-on-the-Air
The Jamboree-on-the-Air, or JOTA, is an annual Scouting and amateur radio event sponsored by the World Scout Bureau of the World Organization of the Scout Movement. Thousands of amateur radio stations around the world participate. If the conditions are right, it is common to contact a hundred Scouting countries during the weekend. In the United States, Cub Scout dens and Boy Scout patrols visit a local amateur’s ham shack during JOTA. Many districts and councils hold events that coincide with JOTA, where amateurs set up stations giving Scouts and leaders a chance to exchange greetings with Scouts from other areas.

The exchanges typically include information such as
• Name
• Location (QTH)
• Scout rank
• Hobbies
• Age

Some exchanges lead to long-lasting friendships and the exchange of photos, badges, pins, and patches.
The usual communications method calls for speaking into a microphone. However, the following specialized communications are also used during JOTA:

• Slow Scan TV, or SSTV
• Amateur TV, or ATV

• Orbiting Satellite Carrying Amateur Radio, or OSCAR
• Packet radio, or modem communication without
a phone—PSK-31
• Radio Teletype, or RTTY
• Earth-Moon-Earth, or EME, contacts
• EchoLink

There will be many stations operating, including
the following:

• K2BSA/5 at National Scouting Museum in Irving, Texas
• Additional K2BSA stations assigned to other areas,
such as K2BSA/0, K2BSA/1, etc.
• HB95, the World Scout Bureau headquarters in
Switzerland
• GB2GP at Gilwell Park, England
Listen for other special call signs from many countries.

Who JOTA welcomes participation
by
Scouting and amateur radio
enthusiasts of all ages:
• Cub Scouts
• Boy Scouts
• Venturers
• Brownie Scouts
• Girl Scouts
• Former Scouts and Scouters
• Amateur radio operators
• Anyone interested in doing a Good
Turn for Scouting and amateur radio

When
JOTA always falls on the third full weekend in October.
JOTA will begin on Saturday, October 17, 2009,
at 00:01 hours local time, and end on Sunday,
October, 18, 2009, at 23:59 hours local time.

INDONESIA :
received an email from Htoang YC0IEM about the activity from OC-070 ,
will chang to 12 to 30 Oct , 2009.

CONWAY REEF –
Lund 5 octobre, 1600 UTC 2009.
Le chef d'expédition, Hans "Hawa" DK9KX m'a transmis ce jour :
Nous avons engrangé QSO sans toutefois connaître le nombre d' »uniques"
.
ot know how many uni ue

Certains se sont inquiéts de l'activité d'un pirate sur la band 40m hier, vers 1500 utc.
Il y avait d'après les informateursdeux stations simultanément en CW et SSB avec K2EWB. La question bien sur reste en suspens à cause de possibles interférences. Tout ceci a été transmis par message texte à l'équipe, à 1245 utc.
A cause des aléas des communications satellite, j'ai environ 75% de ma réponse. La station en SSB était sur 40m. Pour la CW j'attend la réponse mercredi.
La raison du délai demandé est que la station CW complète se trouve à environ 250 m du cap SSB.
Ils ont chacun leurs propres antennes je crois.
SVP : VEUILLEZ PRENDRE CONAISSANCE :
3D20CR stoppera ses émissions le 8 octobre à 1800 utc, c a d le 9 octobre à leur lever de soleil.

T6 - AFGHANISTAN
Pascal,F5PTM, est actif ,Indicatif T6YA principalement en CW sur 40m, 30m, 20m et 17m, jusqu'en décembre.

From: "Mediterranean Dx Club H.Q." <mdxc@...>

Monday 1600 UTC October 5, 2009

Team Leader, Hans DK9KX (Hawa to his friends) advises me of several matters today.
As of now they have reached 26,000 contacts. I do not know how many unique call signs there are.
Some of my readers have asked me about the possibility of a pirate station operating on 40m yesterday at about 1500 UTC. It has been reported that there were two stations qrv at the same time, both on 40m, one on SSB and the other was on CW. The question of course comes up because of possible interference. All of this was sent to Conway via a text message at 1245 UTC.
Due to the wonders of satellite communications I have a 75% answer. The SSB station was for sure QRV from Conway. As for the CW, I will receive the answer on Wednesday. The reason for the delay is because the entire CW operation takes place over 250 meters separation from the SSB Camp. Each has
their own antennas I believe.

PLEASE READ THE FOLLOWING CAREFULLY SO AS NOT TO BE CONFUSED.
3D20CR will shut down on Thursday, October 8th at 1800 UTC. That is their Friday morning Oct. 9th on Conway after their sunrise.
Leon, (K2EWB)
-_-_-_

The crew must dismantle the 80 and 160 area farm included the K9AY, this morning. The plane which will come with the new reserve, is awaited a day early
as scheduled, and the air track and its surroundings, are to be cleaned of any
obstacle.
It could be possible that all of the antennas have to be dismantled to day and
the traffic, could be ceased, in such a case, this evening of course.

We will inform you of any change , if it's happened.

73

Didier, F5OGL, FT5GA team leader.

UNITED NATIONS HQ -- New York

* *

* *

*4U1UN Activity Week October 19-25, 2009

4U1UN - United Nations Headquarters, New York - this DXCC entity will be
active from October 19-25, on all bands, all modes, with a team of
well-known DX and contest operators; OH2BH, OH0XX, OH2NB, OH6LI, G3SXW,
F5CWU, F4EGD, PY5EG, JK3GAD, UA9AB, LA5IIA LA4OFA, NN1N, K2QI, KA2RTD,
K2LE, N2UN, N2GA, K2DO, N2YBB, KA2D, WQ2N and W2VQ.

Antennas and security access to the building are heavily restricted but
the team will do their best to make this rare station available to all.

Activity will be from 8AM until midnight local time (1200-0400 UTC) each
day. All-night activity is planned for Friday the 23rd and Saturday the
24th of October. Some of the operators will form an international team
for CQ World-Wide SSB Contest participation in the "Two Transmitter"
(M2) category. QSL via HB9BOU. LoTW upload will be done after the operation.

It is highly appreciated if you are able to distribute through your
publications. 73 es tnx de Johnny, NQ2G / LA5IIA.

*Hi All,

This is Lots of fun.

73's - Dave - N3BUO
Operation from Sid Richardson Scout Ranch using the call WR5SR
On Lake Bridgeport outside of Runaway Bay, TX
We will be on SSB, CW and RTTY

OCTOBER 17--18, 2009

What Is Jambore-on-the-Air
The Jamboree-on-the-Air, or JOTA, is an annual Scouting
and amateur radio event sponsored by the World Scout
Bureau of the World Organization of the Scout Movement.
Thousands of amateur radio stations around the world
participate. If the conditions are right, it is common to
contact a hundred Scouting countries during the weekend.
In the United States, Cub Scout dens and Boy Scout patrols
visit a local amateur's ham shack during JOTA. Many
districts and councils hold events that coincide with JOTA,
where amateurs set up stations giving Scouts and leaders a
chance to exchange greetings with Scouts from other areas.

The exchanges typically include information such as
. Name
. Location (QTH)
. Scout rank
. Hobbies
. Age

Some exchanges lead to long-lasting
friendships and the exchange
of photos, badges, pins, and
patches.
The usual communications method
calls for speaking into a microphone.
However, the following specialized
communications are also used
during JOTA:

. Slow Scan TV, or SSTV
. Amateur TV, or ATV
. Orbiting Satellite Carrying Amateur Radio, or OSCAR
. Packet radio, or modem communication without
a phone---PSK-31
. Radio Teletype, or RTTY
. Earth-Moon-Earth, or EME, contacts
. EchoLink

There will be many stations operating, including
the following:

. K2BSA/5 at National Scouting Museum in Irving, Texas
. Additional K2BSA stations assigned to other areas,
such as K2BSA/0, K2BSA/1, etc.
. HB95, the World Scout Bureau headquarters in
Switzerland
. GB2GP at Gilwell Park, England
Listen for other special call signs from many countries.

Who JOTA welcomes participation
by
Scouting and amateur radio
enthusiasts of all ages:
. Cub Scouts
. Boy Scouts
. Venturers
. Brownie Scouts
. Girl Scouts
. Former Scouts and Scouters
. Amateur radio operators
. Anyone interested in doing a Good
Turn for Scouting and amateur radio

When
JOTA always falls on the third full weekend in October.
JOTA will begin on Saturday, October 17, 2009,
at 00:01 hours local time, and end on Sunday,
October, 18, 2009, at 23:59 hours local time. *

* *

Lund 5 octobre, 1600 UTC 2009.

* *

Le chef d'exp?dition, Hans "Hawa" DK9KX m'a transmis ce jour :

* *

Nous avons engrang? QSO sans toutefois conna?tre le nombre d' ?uniques".

*ot know how many uni ue

*

*Certains se sont inqui?ts de l'activit? d'un pirate sur la band 40m hier, vers 1500 utc.
Il y avait d'apr?s les informateursdeux stations simultan?ment en CW et SSB avec K2EWB. La question bien sur reste en suspens ? cause de possibles interf?rences. **Tout ceci a ?t? transmis par message texte ? l'?quipe, ? 1245 utc.*

* *

A cause des al?as des communications satellite, j'ai environ 75% de ma r?ponse. La station en SSB ?tait sur 40m. Pour la CW j'attend la r?ponse mercredi.

La raison du d?lai demand? est que la station CW compl?te se trouve ? environ 250 m du cap SSB.

Ils ont chacun leurs propres antennes je crois.

* *

SVP : VEUILLEZ PRENDRE CONAISSANCE :

* *

3D20CR stoppera ses ?missions le 8 octobre ? 1800 utc, c a d le 9 octobre ? leur lever de soleil.

* *

* *

* *

* *

*T6 - AFGHANISTAN

8948. Titan 425 AMP FOR SALE

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-10-06 13:25:10 UTC
From: GOLIST
Topic: 8948 Message: 8948

Hello all: As a result of my purchase of the Alpha 91B owned by our late friend, KS4Q, my Titan 425 is now excess to my needs. I purchased the amplifier new in 1988. It was not used from 1992 until 2006, so its tubes don't have the hours of use you might expect from an amplifier in my shack. So, it is one owner, who is not a smoker. I am asking $2200.00 plus shipping if shipping is necessary. It has just been reworked at the TenTec factory. Includes original manual. It is, of course, a full power, full QSK amplifier.

The amplifier is now in Sylvania, GA at the home of K4BG, who picked it up for me from the factory at the TenTec hamfest. It can be picked up or shipped or we may find some way to deliver it within a reasonable distance.

Feel free to pass this along to other lists. 73, John, K4BAI.

8949. FT5GA last news

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-10-06 20:57:24 UTC
From: F5nql@aol.com
Topic: 8905 Message: 8949

Hi friends :
Last news from FT5GA :
October 6th, 1800 utc
1st) Freddy, F5IRO and Yves-Michel F5PRU have sent the dismantling plan for both antennas and stations.
* To night, the crew continue to traffic with 4 stations on the air, untill 2100 utc + or -.
* On october 7th morning, dismantling of a complete station and 2 spiderbeams.
* Exceptionnally, and for the Ham Community we will do a last effort, with traffic untill to morrow 0900 utc, with two stations, which will be found propagation permitting from 40 to 12m, in CW, then SSB, then RTTY and again CW, SSB, RTTY etc ...
* On Wednesday in the afternoon , the two last stations will be dismantled at last.

If the plane flight plan is again delayed, (no more information yet), we will be ready to continue the traffic with only one station, untill the departure, which is scheduled on Thursday at 1100utc.
Leaving the Gloriosos, after a touch and down on Mayotte, we will arrive in the evening to Saint Denis, Reunion Island.
On next week end, we will clean and pack the gear all the two days long , making it ready for its return to Metropolitan France.
2nd) The missing log, for October 5th and 5th to 6th night had been transferred to Rafik, F5CQ’s.
The online log ins now complete at 2009-10-06 03:14:15.

Via F5NQL’s mailbox, Maurice, Internet communication for FT5GA.
Bonsoir à tous
Dernières nouvelles de FT5GA/
Le 6 septembre 2009 à 18:00 UTC
1) Nous avons reçu de Freddy F5IRO et Yves-Michel F5PRU leurs prévisions de démontage :
* Cette nuit nous continuons à trafiquer à 4 stations jusqu'à 21:00 UTC environ.
* Le 07/10 matin on démonte une station complète avec deux Spiderbeam.
* Exceptionellement nous allons pour la communauté radioamateur faire un effort supplémentaire en continuant nos émissions jusqu'à demain 09:00 UTC avec deux stations en alternant les modes CW SSB et RTTY du 40 au 12m selon la propagation.
* Mercredi après midi démontage des deux dernières stations.
Si l'avion est à nouveau décalé, on remontera une seule station en attendant de partir mais pour l'instant ce n'est pas prévu.
Le décollage est prévu jeudi après midi (11:00 UTC), avec "touch and go" à Mayotte et jeudi soir arrivée à Saint-Denis La Réunion.

Le week-end prochain sera réservé au nettoyage et au conditionnement du matériel en vue de son rapatriement vers la métropole.
2) J'ai reçu ce soir le log manquant de la journée du 5 et de la nuit du 5 au 6/10, en tout 685 QSO ont été rajoutés au log online.

8952. Arizona QSO Party

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-10-07 16:46:30 UTC
From: GOLIST
Topic: 8952 Message: 8952

Arizona QSO Party Announcement!

Announcing the 2009 Arizona QSO Party, sponsored by the ARRL Arizona Section and Catalina Radio Club, from Oct 10 1600Z to Oct 11 0600Z and Oct 11 1400Z to Oct 11
2359Z. Phone, CW and Digital modes on 160/80/40/20/15/10/6/2 meters. Single-Op,
Multi-Op, and Mobile categories. Work stations once per band and mode. Mobiles may be worked once per band and mode in each county. County Line operations (two
counties max) count as 2 QSOs. Exchange RST and location (AZ County, State, Province, or DXCC Prefix). Suggested Frequencies (kHz): CW: 1812, 3548, 7048, 14048, 21048, 28048, 50048. SSB: 1848, 3848, 7248, 14248, 21348, 28448, 50148. FM Simplex: 146.48MHz. One point per Phone QSO, two points for CW and Digital QSOs. Multipliers for non-AZ entries are the 15 AZ counties. Multipliers for AZ
entries are States, Provinces, and DXCC Countries. Final score is total QSO points times total multipliers + 100pts for Bonus Station W7SA. Mail logs no later than Oct 31 to Catalina Radio Club, C/O Gary Keck, PO Box 18135, Tucson, AZ
85731 or via email to logs@.... For full rules, along with log and summary sheets, Cabrillo electronic file format, and Award information, see http://www.azqsoparty.org.

+Gary Keck, KE7DX
2009 Catalina Radio Club Field Day Chairman

and Guy/DL8EBW, Bill/NG3K, Juan/LU5CAB and Escuchas y commentarios,
A.R.V.M., Associação de Radioamadores da Vila de Moscavide,
Conway Reef

1900 UTC, OCT. 07, 2009 Wednesday

Here is the latest info from Team Leader, Hans, on Conway Reef. In answer
to the question about SSB AND CW on 40m, the answer is Yes. They did have
some CW at the same time. This refers to Last Sunday at aprox. 1500 UTC.
They have passed through the 32,000 QSO mark. Now for the rest of the
operating period:

CW Only 80m and 30m will be QRV until 1800 UTC on the 8th.
All other Bands will be QRT after 0700 UTC on the 8th.
SSB Only 40m through 10m will be QRV until 1800 UTC on the 8th.
All other Bands will be QRT after 0700UTC on the 8th.

He also said the conditions yesterday were very bad. At that point the
Contact was lost.

Leon, (K2EWB)

SENEGAL by Seb, F8IJV
Some updating :
Seb and his XYL will be spending thei honeymoon in Senegal so, would you
read this updating received this morning :
“
My main activity will be for the CQ WW DX SSB contest on Oct 24 & 25
octobre, 2009.
Outsdide the contest , if i’ll be active it will be on very random way.
Very few SSB and digit, and may be some CW.
For the 6 meters, i’ll monitor from time to time, and if there are some
openning i could try.

A bientôt !

seb, 6V7Q ;o)

BELIZE:
Rich, N0HJZ will stay in Placencia, Belize between October 17 – 26, 2009.
Callsign V31MW. QRV in the CQWW DX Phone, SOABHP. Outside the contest,
active all bands included WARC. Othermodes than SSB not provided. QSL via LOTW
or direct with an SASE.
TRINDADE do BRAZIL:

(https://feedads.g.doubleclick.net/~a/QtQpIbiB06yeTzk9up7Eoun-Vu8/tU6W686CoaG_eIWGxwPeOqoES0M/1/pa)
Due to Brazilian Navy changes, estimated dates have changed to October 17th to 20th, 2009 with possible shifts of more or less one day. The ZY0T team will leave Rio de Janeiro on October 13th, and estimated sailing time will be 4 days until reaching the island of Trindade.

HC8N Galapagos Islands
The group of the contesters will be active in CQ WW DX CW Contest 28-29 november 2009 from Galapagos Islands as HC8N
They are will be in Multi Multi category
QSL via W5UE

J5S Guinea Bissau

CT1DSV will be active from Guinea Bissau 12-18 october 2009 as J5S
QSL via home call

AFRICAN ITALY
IK1QBT will be active from Lampedusa Island (IOTA AF-019) end of november 2009 as IG9/IK1QBT
He will be active in CQ WW DX CW Contest 28-29 november 2009 as IG9X
QSL via home call buro,direct
IG9X IG9/IK1QBT Lampedusa Island

Portugal :
November 15
The A.R.V.M. is organizing his XII Exposition Ham Fair in Lisboa.
Come to one of the biggest events of Hamradio in Portugal
Our goal is , beyond the good deals in new and second hand hamradio equipment,to proporcionate a nice get together to all OMs.

MALDIVES
1st) 8Q7EJ Vilamendhoo Island
G3VDB will be active from Vilamendhoo Island (IOTA AS-013) 9-25 october 2009 as 8Q7EJ
He will be active on HF bands mainly CW,RTTY,PSK31
QSL via home call
2nd)
Dan, HB9CRQ, did send a first Pre-Announce for the upcoming EME Expedition to th Maledives Islands, March 24-31, 2010.
Operators will be Pierre, HB9QQ and Dan, HB9CRQ and maybe other Members of the HB9Q Team. Mainwork will be 144 MHz but as well 6m and 23cm band will be joined. If there are more Operators maybe as well 70cm will be activatedI
If any OP will have interest to join the Team please pass an info to Dan, HB9CRQ.
Flights and Bungalows are booked already.
Pierre HB9QQ has been very busy optimizing the 6m EME station he will be taking next spring for his JT65A operation He will be using a low noise external preamp, 500w Falcon amplifier and a 7 element yagi overlooking the ocean
There are some great horizon-only windows for NA stations with Pierre while he has ground gain on the horizon at the same time! EME CNDX also are optimum during their period of operation ;

IARU national radio society to celebrate its centenary
The Wireless Institute of Australia turns 100 next year making it the world's oldest
National Radio Society.
WIA President Michael Owen VK3KI says he wants the world-wide amateur radio
community tojoin in the celebration.
In the October edition of the WIA's Amateur Radio magazine he announces a program that
includes a special callsign VK100WIA that will be operated next May by the WIA, and then many affiliated clubs around Australia for the next 5 months.
A commemorative QSL card will be issued for contacts with VK100WIA between May and
October next year.
A limited edition operating award, called the WIA Centenary Award is also to be available and two contacts with VK100WIA are required under its rules.
A program of events will occur around the WIA's annual meeting in the nation's capital
Canberra in May 2010, while radio clubs are planning events to promote the centenary of
organised amateur radio in Australia.
It all began in 1910 with a meeting of wireless pioneers in Sydney to

protect their interests and rights against what they considered to be harsh
treatment by authorities and a high licence fee.
The Wireless Institute of Australia has continued since then to protect
and enhance the privileges of radio amateurs and to promote amateur radio.
Details of the centenary program can be found on the WIA website
www.wia.org.au (http://www.wia.org.au/) < (from 3

Canary Isl., EA8.

Dave, G4RGK, back at EA8 (IL28BQ) and qrv HF-6m and 2m EME between until
Oct 14th, 2009.
He will try and be qrv during ARRL EME contest, JT65 only, usual station
400w - 9el, no internet connection only mobile phone.

Conway Reef

1900 UTC, 07 OCT., 2009 Mercredi

Voici le dernier bulletin reçu du chef d'expédition, Hans, sur Conway Reef.
En réponse à la question concernant l'émission simultanée en CW et SSB sur 40m, il a répondu qu'effectivement pendant une courte période, ils ont émis dans les deux modes sur la même bande. C'était lundi dernier aux environs de 1500 utc.
La barre des 32000 QSO a été franchie. Maintenant pour le dernier relais, voici le planning :

CW Only 80m et 30m jusqu'à 1800 UTC le 8.
Toutes les autres bandes sont QRT dès le 8 à 0700 utc.
Il a également confirmé les très mauvaises conditions de trafic, hier.
Notre communication a même été perdue.
Leon, (K2EWB)

SENEGAL par Seb, F8IJV
Quelques précisions reçues de Seb, ce matin:

Je serai essentiellement actif pour le concours CQ WW DX SSB les 24 et 25 octobre prochain, pour le reste, je verai si je pourrai être actif par-ci par-là, en SSB et peut être un peu de digi (un peu de CW peut être).

Donc, pour mes activités en dehors du concours, si c'est possible elles seront sporadiques en fonction du moment de disponible. S'il y a une ouverture 6m, je tenterai...

A bientôt !

seb, 6V7Q ;o)

Dan, HB9CRQ, a envoyé l’annonce r”éliminaire à l’expédition EME aux
Maldives qui se tiendra du 24 au 31 mars 2010.
Les opérateurs seront Pierre, HB9QQ et Dan, HB9CRQ plus peut être
quelques membres du Team HB9Q .
Ils seront principalement sur 144, mais aussi sur 6m et 70cm, fonction du
nombre d’opérateurs supplémentaires.
Si interessé prendre contact avec Dan, HB9QQ.
Les vols et les bungalows sont réservés.

Pierre HB9QQ a beaucoup travaillé pour optimiser la station 6m EME qu'il emmènera dans la prochaine expédition JT65A.
Préamp low noise, 500w et 7 éléments yagi.
Il y aura de bonnes ouvertures sur l'Amérique Nord. Les conditions EME seront normalement à leur maximum.

100ème anniversaire de la Société IARU auistralienne.
Le Wireless Institute of Australia fêtera son 100ème anniversaire en 2010.
Ce sera le centenaire de la plus ancienne société nationale.
Le Président du WIA , Michael Owen VK3KI souhaite voir la communauté mondiale s'associer à cet évènement.
L'édition d'octobre 2009, du Bulletin du WIA annonce le programme et l' attribution de l'indicatif spécial VK100WIA qui sera sur l'air à partir de mai prochain par le WIA et durant les cinq prochains mois par de nombreux clubs australiens.
Une carte QSL commémorative sera éditée.
Un diplôme sera disponible , en édition limitée pour deux contacts avec VK100WIA.
Le programme le plus important aura lieu autour de l'AG du WIA en mai à Camberra.
Tout a commencé en 1910 lors d'une réunion de pionniers à Sidney, pour protéger les intérêts de ceux qui s'adonnaient à la recheche sur la radio, des vues du Gouvernement, qui voulaient leur imposer de très ourdes taxes.
Détails : _www.wia.org.au_ (http://www.wia.org.au/)

Here is the latest info from Team Leader, Hans, on Conway Reef.

In answer to the question about SSB AND CW on 40m, the answer
Is Yes. They did have some CW at the same time. This refers to
Last Sunday at aprox. 1500 UTC.

They have passed through the 32,000 QSO mark.

Now for the rest of the operating period:
CW Only 80m and 30m will be QRV until 1800 UTC on the 8th.
All other Bands will be QRT after 0700 UTC on the 8th.

SSB Only 40m through 10m will be QRV until 1800 UTC on the 8th.
All other Bands will be QRT after 0700 UTC on the 8th.

He also said the Radio conditions yesterday were very bad.

At that point the Contact was lost.

1st) 8Q7EJ Vilamendhoo Island

G3VDB will be active from Vilamendhoo Island (IOTA AS-013) 9-25 october 2009 as 8Q7EJ
He will be active on HF bands mainly CW,RTTY,PSK31
QSL via home call

2nd)

Dan, HB9CRQ, did send a first Pre-Announce for the upcoming EME Expedition to th Maledives Islands, March 24-31, 2010.

Operators will be Pierre, HB9QQ and Dan, HB9CRQ and maybe other Members of the HB9Q Team. Mainwork will be 144 MHz but as well 6m and 23cm band will be joined. If there are more Operators maybe as well 70cm will be activatedI

If any OP will have interest to join the Team please pass an info to Dan, HB9CRQ.

Flights and Bungalows are booked already.

Pierre HB9QQ has been very busy optimizing the 6m EME station he will be taking next spring for his JT65A operation He will be using a low noise external preamp, 500w Falcon amplifier and a 7 element yagi overlooking the ocean

There are some great horizon-only windows for NA stations with Pierre while he has ground gain on the horizon at the same time! EME CNDX also are optimum during their period of operation ;

IARU national radio society to celebrate its centenary

The Wireless Institute of Australia turns 100 next year making it the world's oldest

National Radio Society.

WIA President Michael Owen VK3KI says he wants the world-wide amateur radio

community tojoin in the celebration.

In the October edition of the WIA's Amateur Radio magazine he announces a program that

includes a special callsign VK100WIA that will be operated next May by the WIA, and then many affiliated clubs around Australia for the next 5 months.

A commemorative QSL card will be issued for contacts with VK100WIA between May and

October next year.

A limited edition operating award, called the WIA Centenary Award is also to be available and two contacts with VK100WIA are required under its rules.

A program of events will occur around the WIA's annual meeting in the nation's capital

Canberra in May 2010, while radio clubs are planning events to promote the centenary of

organised amateur radio in Australia.

It all began in 1910 with a meeting of wireless pioneers in Sydney to protect their interests and rights against what they considered to be harsh treatment by authorities and a high licence fee.

The Wireless Institute of Australia has continued since then to protect and enhance the privileges of radio amateurs and to promote amateur radio.

Details of the centenary program can be found on the WIA website www.wia.org.au < (from 3

Canary Isl., EA8.

Dave, G4RGK, back at EA8 (IL28BQ) and qrv HF-6m and 2m EME between until Oct 14th, 2009.
He will try and be qrv during ARRL EME contest, JT65 only, usual station 400w - 9el, no internet connection only mobile phone.

Maurice, F5NQL,

8957. From the FT5GA operators

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-10-08 12:15:17 UTC
From: F5nql@aol.com
Topic: 8957 Message: 8957

Hi friends
From the FT5GA crew just before their departure from Gloriosos
Hi all

We want to thank :
- First Didier, F5OGL, of course, otherwise nothing had been possible. His great patience, and relationship mastery with the HQ both in Paris and Saint Denis de la Réunion, and the Civilian authorities. Thanks also Didier, for having trust on us.

- Rafik, F5CQ , the dxpedition webmaster , and also for the daily updating of the online log and for the complaints treatment.
- Jeff F6AOJ, pilote, who maintained at our disposal his great technical knowledge. Thanks also for the statistics. Thanks for having answered with humour on his personnal website, to defend us against the grizzly OM who never, at least one time in their life , left their armchair, except, maybe , to go sometimes to the toilets. THE CREW HAVE APPRECIATED
- The KOP TEAM F6KOP (F4AJQ F6AML F4TTR F4EVR F5AGB F9IE and may be other whose callsigns have been forgotten) , otherwise nothing about the gear and technical help could have be possible,. They helped us from the beginning in 2004, . We thank them for their help include their effort to go along us to the airport. They did so, on front of numerous French and foreign Hams reluctances. We think the real Ham Spirit is their, they are an exemple for all,included the French community.
- All of the previous , both Servicemen and hams who were at a time or another on the list of operators and who did leave the crew for Service reasons, like F5RQQ F5TLN F5PHW F5PTM F5CQ F5CW F5JKK and many other.
- All of you who, in the background, helped us in spite of the difficulties which appeared all this aventure long.
We hope we have won our challenge, in spite of the Service duties and our more or less habits of each of us in this kind of traffic. Nobody is perfect and those who never did will never know and will never be mistaken.
The goal of 50 000 QSO’s was reached by a 5 operators crew, with two and sometimes three stations. We think It seems correct for a spare time activity. Of course with two more operators, it could have been possible to traffic 24 hours a day, and why not to break the K5D results, but the Service has decided differently.
Freddy has now to sort the pictures and the videos, a joint job with Florence’s job who made the dxpedition report. A documentary movie will be realised , to be came out for the next Clipperton DX Club Convention.
To all of you, Thank you and once again Thank you, see you soon on the air from Metropolitan France.

73 from FT5GA operator’s : Yves F5PRU - Bernard F5LPY - David F8CRS - Philippe F4EGS - Freddy F5IRO
via F5NQL's mail box, Maurice, Internet communication for FT5GA

Bonjour à Tous,

Dernier message depuis les îles Glorieuses avant de prendre l'avion militaire pour nos remerciements :

Pour commencer Didier, F5OGL bien sûr, sans qui rien n'aurait été possible, avec sa grande patience et maîtrise du relationnel avec les états-majors de Paris et de Saint Denis ainsi que les administrations civiles, hihihi!!! Et sa totale confiance qu'il a toujours eu envers nous.

Rafik, F5CQ pour le site Web, la tenue du log et les réponses aux mails concernant les réclamations, nombreuses apparemment.

Jeff F6AOJ, pilote, avec ses grands qualités techniques, le suivi des statistiques et ses talents d'orateur en arguments sur son site Web, pour nous défendre envers les OM pleureurs n'ayant jamais quitté le fauteuil de leur station sauf pour aller aux toilettes, l'équipe a beaucoup apprécié.

Le team F6KOP (F4AJQ F6AML F4TTR F4EVR F5AGB F9IE et d'autres sûrement dont nous avons oublié les call), sans qui la partie technique n'aurait pas été possible, de son soutien dès le début malgré les réticences de nombreux OM F et étrangers, de la préparation aux conseils techniques jusqu'à l'accompagnement à Paris. Voilà bien le vrai esprit radioamateur, que certains devraient prendre en exemple ainsi que la communauté française.

Tous les opérateurs qui furent jusqu'au dernier instant sur la liste des volontaires militaires, F5RQQ F5TLN F5PHW F5PTM F5CQ F5CW F5JKK ... Mais pour des raisons pro ont dû se désister.

Et tous ceux qui dans l'ombre, nous ont toujours soutenus malgré les difficultés tout au long de cette mission.

Nous espérons avoir été à la hauteur du défi, malgré les contraintes militaires sur place et nos différentes aptitudes plus ou moins bonnes pour ce genre de trafic, "nul n'est parfait et il n'y a que ceux qui ne font rien qui ne se trompent jamais".

La barre des 50.000 QSO a été dépassée, pour une équipe de 5 opérateurs avec deux, parfois trois stations, 10 heures par jour environ sur 3 semaines. Cela semble correct, avec 3 opérateurs de plus, nous aurions pu être actif 24/24 et battre sans doute le record de K5D mais notre état de militaire nous impose des obligations.

Il reste à Freddy à trier les photos et vidéos, en plus du reportage que Florence réalisera. Il va s'attarder à la réalisation d'un film dédié à l'expédition; il devrait être diffusé en première pour la prochaine assemblée générale du CDXC.

À tous encore un grand merci et à bientôt en métropole.

73 de l'équipe FT5GA : YvesS F5PRU - Bernard F5LPY - David F8CRS - Philippe F4EGS - Freddy F5IRO

Doing a Google search, I came up with an Israeli ham newsletter from 2005
that mentioned 5Z5LA among other Israeli callsigns. I wonder if it was a
typo in that, too?
That's the only thing I could find about it so I assume you're right about
the busted call.

The *OCTOBER 2009 Issue #910-B *files have been uploaded to the Golist
web site.
The weekly GoData files include DXCC APPROVED OPERATIONS in the
data file.
Use the DOWNLOAD button in your GOWIN program or this link in your
web browser. http://golist.net/dlauth.cfm
It is recommended that you open up GOWIN after downloading the data file
update and on the top bar click on FILES/CLEANUP FILES and run this
routine to clear all the old update files from the program folder.
This will prevent any lookup problems for you.
Now is a good time to send in your RENEWAL to GoWin if your subscription
is about to expire.

Listing is by calendar date (day/month/year)
==========

08/10/2009: Yasu, JA1FJJ will be active from Thimphu, Bhutan, as A52FJJ from 8-20 October. QRV all HF bands using SSB, RTTY and PSK31. He will be running 500 watts to a G5RV antenna. QSL via JA1FJJ direct only. [NG3K]

08/10/2009: Arne/LA7WCA, Maurits/LA3XIA and John/G4ATA will be active as JW7WCA, JW3XIA and JW/G4ATA respectively from Longyearbyen, Spitsbergen Island [Svalbard] (EU-026, WLOTA L0125) between 8-13 October. QRV on all HF bands, using SSB and RTTY. QSL via home calls. [NG3K]

08/10/2009: Look for Tony/IK2SNG, Augusto/IK4RQJ and Sergio/IZ4BBF to be active as TK/homecall from Calenzana, Corsica (EU-014, DIFM TK-001, MIA MCO-001, WLOTA L1390) on 8-12 October. They will operate 40-10m SSB, CW, RTTY and PSK31. QSL via home calls, direct or bureau. [425 DX News]

09/10/2009: Jim, G3VDB will be active holiday style from 9 to 25 October as 8Q7EJ, subject to hotel permission and local conditions. QTH: Vilamendhoo Island Resort, Vilamendhoo Island (AS-013, WW Loc. MJ63LP), South Ari Atoll (WLOTA L0317), Maldives. Modes: CW, RTTY, PSK31 and perhaps occasional SSB. 100W to wire antenna(s). QSL G3VDB (QRZ.com). [DX World]

09/10/2009: Dave/G4IAR and Judith/G4IAQ will be active as G4LAB/p from the Isles of Scilly (IOTA EU-011) between 9-19 October. QRV on the HF bands, on or near the usual island and IOTA frequencies. QSL via G4IAR, direct only (QRZ.com). [rsgbiota.org]

09/10/2009: A multi national team of 19 operators will activate Sand island (USi OI-011S, Grid AL18) Midway islands (OC-040) in October, 2009. The US Fish & Wildlife Service has authorized amateur operation from this rare US entity for only a 10 day period between 9-19th October, its first radio activity in almost 10 years. Team members are AA4NN, EA1DR, EA1IR, DJ9ZB, K9CT, KH7U, KI6TVS, KL2A, N1DG, N4PN, N4XP, N6GQ, N7CQQ, WB4JTT, W6KK, W6OSP, WA7NB, W8CAA, W8GEX, WA8NJR and OK1KT. Off site support is being provided by AA1V, W5DNT and W6XA. Activity will be on 160 meters to 6 meters with 5 to 6 stations. 6m - 50115/CW and 50118/SSB. QSL via online QSL Service, direct (Midway 2009, Box 333, Bethlehem, GA 30620-9989 USA) or LoTW. Info, updates, online log, frequencies and more can be found at: www.midway2009.com/ [N4XP & WB4JTT]

09/10/2009: Members of the Balkan Contest Club will be active from the Biosphere Reserve Srebarna (LZFF-016, WW Loc. KN34MC), Bulgaria, from 9-11 October using the callsign LZ44WFF. QRV on all HF bands CW, SSB and Digimodes. QSL via the bureau to LZ1KZA. Note: LZ44WFF counts 10 points for "St. Teodosii Tyrnovski" award (www.balkanclub.org/awards.htm). [Balkan Contest Club]

09/10/2009: TCSWAT will be QRV with the TC1ELH callsign from 9-11 October, 2009 from Marmara Ereglisi Lighthouse (ARLHS TUR-059), Sea of Marmara. Activity will be as usual in HF bands, mainly on 20 and 40m SSB. QSL via TA1HZ, direct or bureau. [UBA HF News]

09/10/2009: The Radio Club Venezolano will operate as YW8AJ from Monagas State on 9-12 October. QSL via YV5AJ, direct or bureau. Information on the Venezuelan States Award can be found at: radioclubvenezolano.org/concurso.htm [425 DX News]

10/10/2009: Mike, KE7WRJ, will be in South Korea for over 2 months starting 9 September. He plans to be active as HL9QST no later than the 11th. His tentative schedule is to operate from 4 different locations in South Korea as follows: 10-12 September from Seoul; 14-24 September from Camp Casey; 25 September to 18 October from Camp Humphreys; 19-29 October from Camp Carroll; and 30 October to 13 November from Seoul. Activity will be on 40-10 meters, depending on the propagation, using CW and SSB. Look for him to be in both the Extra and General portions of the bands. His Equipment will consist of a 5000A by Flex Radio, a 3 element Yagi in a Bag from Super Antennas. QSL direct via KE7WRJ. [OPDX Bulletin]

10/10/2009: Announcing the first ever EME DXpedition to Mongolia (ON37KW) to take place 10-14 October (First weekend of the ARRL International EME Competition). W7EME will operate JT65B on 144 MHz. K7YO operating on 432 MHz. Equipment on 2 meters will be a single M2 2mxp32 antenna and 450 watts output. (same equipment as used at VO2/W7EME). Equipment on 70 cm will be two long Yagi antennas and 250 watts. Operation will be from both the JT1KAA headquarters (JT1UN & JT1YO) and from the Ersine sum, the mountains to the east of Ulaanbaatar (JT1UN/JT5 & JT1YO/JT5). Thanks to JT1CD who has been a great help in arranging licensing and logistics. For further information and updates, please visit: www.w7eme.org/ulaanbaatar and www.qsl.net/k7yo/ . Also check out JT1UN at www.QRZ.com. [MMMonVHF]

10/10/2009: The Alamance Amateur Radio Club will be activating the Cape Lookout lighthouse (ARLHS USA-126) for the Cape Lookout 150th 'Special Event' from 1500z 10 October to 1900z 11 October. To promote this historical event along with the celebration by the National Parks Service and the Core Sound Waterfowl Museum and Heritage Center on Harkers Island (NA-067, USi NC002S, Carteret county), North Carolina. Suggested frequencies are CW - 3.555, 7.055, 14.055, 21.055, 28.055 MHz; SSB - 3.850, 7.250, 14.250, 21.350, 28.450 MHz. QSL Manager for 'Event' - Gary Hills, KA4KJI. QSL's are to include SASE. [USi]

10/10/2009: Gene, KB7Q will be active on 6 meter EME from DN66 (Cohagen, Montana) with a 7 element Yagi and 800 watts from 10-14 October. He will have elevation, so he will be on during the EME contest as much as possible. QSL via home call. [MMMonVHF]

10/10/2009: In close cooperation between the DAGOE Foundation, Mercy Ships and 5 Dutch radio amateurs, a new DXpedition is on its way. The special callsign of the "Benin 2009 Radio Expedition" will be TY1MS which will take place between 10-27 October from Grand Popo, Benin. Operators mentioned are Ad/PA8AD, Arie/PA3AN, Henk/PA3AWW and Bas/PD0CAV. As mentioned earlier, the team will also participate in the 2009 CQWW DX SSB Contest (October 24-25th). QSL Manager is PA3AWW (direct or by the Bureau). An online QSL REQUEST service will be available. PLEASE NOTE: QSL cards that are requested via direct mail or InterNet, will be shipped around Christmas 2009. The main purpose of this DXpedition is to raise funds for a Mercy Ships project in Benin, provide help to the charity project and activate Benin on HF. Look for more details about the TY1MS DXpedition, the project and Mercy Ships at: www.benin2009.com/ [OPDX Bulletin]

11/10/2009: Mark, KO1U plans to activate Deer Isle (USi ME014S) and Little Deer Isle (USi ME024) both in the IOTA NA-055 group, Penobscot Bay, Hancock County, Maine, on 11th October. Mark is trying to offer NA-055 for the JAs. Word from Japan is 2100-2300z has very good communications between NA-055 and Japan. He will qualify ME024, Little Deer Isle, off-and-on starting around 1700z on 11 October, on or near 14050.0/7050.0 kHz and also on the high side of 14260.0 kHz. QSL via home call. [USi]

12/10/2009: Andrew, G7COD will be active once again from Embudu Village, Embudu Island, in the Kaafu Atoll, Republic of Maldives (AS-013) using the callsign 8Q7AK from 12-25 October. QRV on 80 to 10 meters, including WARC bands, using SSB and CW. Schedule: Every day at 07:30 to 08:30, 09:00 to 10:30, 13:00 to 1500 and 17:30 to 18:00 UTC. Frequencies: SSB - 3.795, 7.063, 14.147, 18.133, 21.253 and 24.953 MHz; CW - 3.5003, 7.003, 10.103, 14.003, 18.073, 21.003 and 24.893 MHz. QSL via home call, direct or bureau. Full information can be found at: 8q7ak.freewebspace.com/ . Please note: 8Q7AK is approved for DXCC credits. [Pete's-DX-Newsdesk]

12/10/2009: First ever operation from Hungary in WFF program! (www.wff44.com/en/). Laci, HA0HW reports that a group will start their 1 year long operation from different Hungarian National Parks in October, 2009. The first event will take place from The Hortobágy National Park (reference HAFF-006) on 12-18 of October, using the callsign HG0WFF. QSL via bureau Ok, and their QSL manager is HA0HW. Some of the operators will use their own calls /p. [HA0HW]

12/10/2009: Jose, CT1DSV will be active from Guinea Bissau 12-18 October as J5S. Jose says he expects to operate about 1 to 2 hours every night. On 17 and 18 October (weekend) J5S will be on air for as long as possible. QSL via home call. [F5NQL]

12/10/2009: Hotang, YC0IEM will be active as YC0IEM/8 from Ambon Island [aka Pulau Ambon] (OC-070, WLOTA L1949), Indonesia, from 12-30 October. QRV all HF bands. QSL via IZ8CCW, direct (Ant Cannataro, P.O. Box 360 - 87100 Cosenza - ITALY) or by the bureau. See: www.mdxc.org/iz8ccw/ [F5NQL]

14/10/2009: Sebastien, F8IJV will be on honeymoon in Somone, Senagal, from 14-30 October. He will be active from the Jean-Francois (6W7RV) station specially for the CQWW DX SSB Contest (October 24-25th) using the callsign 6V7Q. [F6AJA]

14/10/2009: Adrian, AA5UK, will be active as EA6/AA5UK from the island of Ibiza (EU-004, DIE E-023, MIA MB-003, WLOTA L0958, WW Loc. JM09TB), from 14-29 October. Activity will be holiday style on 160-10 meters using mostly SSB and various Digital modes. Also, look for satellite activity on various birds. He will also be active during CQWW DX SSB Contest (24-25 October) as a Single-Op/All-Band entry. QSL via his home callsign, by the bureau, LoTW or eQSL. [OPDX Bulletin]

14/10/2009: Operators Geoff W0CG/PJ2DX, Dave G3NKC, Martin G4XUM, Kyle WA4PGM, John K6AM, Wayne K8LEE, Joe W9JUV, Kelly N0VD and Rick N0YY will be active from the island of Curacao (SA-006, WLOTA L0942) from 14-28 October, 2009. They will also participate in the CQWW DX SSB Contest (24-25 October) as PJ2T, a Multi-Multi entry. Operations on all bands/modes with PJ2/homecall before the contest. QSL PJ2T via N9AG or LoTW. QSL others via their home calls. [NG3K]

15/10/2009: Seb, F8IJV and his XYL will be spending their honeymoon at the Le Calao resort, Somone, Senegal from 15 to 30 October, 2009. His main activity will be for the CQWW DX SSB Contest (24-25 October) using the callsign 6V7Q, a Single-Op/All-Band/Low-Power entry. Outside the contest Seb will be active in a very random way on 160-6m. Very few SSB and digitals, may be some CW. For 6 meters, he will monitor from time to time, and if there are some openings he will use 6m (Grid IK14ll). QSL via F8IJV, direct or bureau. [F5NQL]

15/10/2009: Andreas, DL9USA will be active from Comino Island, Malta (EU-023), from 15-22 October as 9H8C. Active on the HF bands, CW and SSB. QSL via the information on QRZ.com under 9H8C. [DX World of Ham Radio]

15/10/2009: (Special Mine Activity). Operators Simo/OH2HAN and Timo/OH3DF will be active as homecall/9 from the Arctic Amethyst Mine in Luosto (Lapland, Finland) from 15-18 October. Activity will be on the HF bands using SSB and RTTY. The Amethyst Mine is situated on a very beautiful natural place on top of Lampivaara Fell in Luosto, Lapland. Instead of being in raw material business it sells only locally produced amethyst jewelry. It also welcomes all the visitors, and you can dig your own amethyst gemstones there and hear the story of amethysts. They are mining only manually without machinery and their ideology of sustainable development is to preserve nature and work in a manner which does not disturb magnificent Lappish nature. A special QSL will be available via their home callsigns. [OPDX Bulletin]

16/10/2009: Ben, DO1BEN and YL Barbara, DO1IQ will be active as PD/homecalls from Texel Island (EU-038, WLOTA L0043) from 16-22 October. Activity will be on the HF bands, propagation permitting. QSL via home calls, bureau preferred. [rsgbiota.org]

==========

LOOKING AHEAD -

17/10/2009: Rich, N0HJZ will be active from Placencia, Belize, as V31MW from 17-26 October. He will be on for the CQWW DX SSB Contest (24-25 October), using the same call, as a Single-Op/all-Band/High-Power entry. QSL to home call direct with SASE or via LoTW. [NG3K]

17/10/2009: Rob, VE7RSV will be active during the W/VE Islands QSO Party (17-18 October) from Vancouver Island (NA-036, CIsA BC001, WLOTA L0858). QSL via QRZ.com. [USi]

17/10/2009: Steve, W5VK & Co. will be active from several islands during the W/VE Island QSO Party (17-18 October). They are putting the station on a 24' pontoon boat and the antenna on the islands to qualify Bird Island (USi AL034) and West Island (USi AL035). He is going to try to get four additional islands Orange Beach/Gulf Shores (Pleasure Isle) (USi AL023S), Perdido Key (USi AL024S), and Ono Island (USi AL003S). All islands are located in Baldwin county, Alabama. QSL via QRZ.com. [USi]

17/10/2009: The Mancorad Radio Club, W9DK are planning a qualification of The Flats Island (USi WI046), located in the Fox River, Outagamie County, Wisconsin during the W/VE Island QSO Party (17-18 October). 20m SSB and possibly PSK, and additional frequencies as weather & antennas allow. Running Class C, island rover, they may attempt qualifing Menasha Island (USi WI044) and Strobe Island (USi WI045), located in Lake Buttes des Morts, Winnebago County, Wisconsin. Operators include Steve K9ZW, Carl KA9WYK, Rich KC9LOA, Tim N7TAL and Jody KC9KVT. QSL via eQSL to W9DK and via the club. W9DK is good at QRZ.com. [USi]

17/10/2009: Jeff/WB5WAJ, Bill/K4COM and Ken/KI4UVL will qualify Ponderosa Island (USi TN055, Davidson county), Tennessee during the W/VE Island QSO Party (17-18 October) as WB5WAJ. They will use 80 through 10 trying to stick close to the Island frequencies. QSL via QRZ.com. [USi]

21/10/2009: Yuri, VE3DZ will be active from Sept-Iles, QC (CQ Zone 2) as VE2IM from 21-26 October, 2009. QRV all HF bands, including a Single-Op/All-Band/High-Power entry in the CQWW DX SSB Contest (24-25 October). QSL to VE3DZ, direct or bureau. [NG3K]

24/10/2009: Mauri, OH2BYS will be active from Galdar, Isla de Gran Canaria (AF-004, DIE S-005, WLOTA L0969) for the CQWW DX SSB Contest (24-25 October), using the callsign EA8CMX. He plans to enter as a Single-Op/Single-Band entry, using wire yagis/beverages on low bands. QSL via home call, direct or bureau. [NG3K]

24/10/2009: Operators Raffaello IT9ATF, Renato IT9NPR, Pippo IT9PPG, Antonino IT9SAZ and Pino IT9WDC will be active as IF9A during the CQWW DX SSB Contest (24-25 October) as a Multi-Single entry. The will be

located on the island of Favignana (EU-054, IIA TP-011, MIA MI-025, WLOTA L1545). QSL via IT9ATF (QRZ.com). [NG3K]

24/10/2009: Siggi, TF3CW will be QRV during the CQWW DX SSB Contest (24-25 October) from Seltjarnarnes, Iceland (EU-021, WLOTA L2975), as a Single-Op/Single-Band (40m) entry. QSL direct to LX1NO. [NG3K]

24/10/2009: Paolo, IV3UHL will be active from the island of Corsica (EU-014, DIFM TK-001, MIA MCO-001, WLOTA L1390) as TK/IV3UHL for the CQWW DX SSB Contest (24-25 October) as a Single-Op/Single-Band (20m) entry. Probably, before contest operations from EU-164 as TK/IV3UHL/p. QSL via home call, direct or bureau. [NG3K]

27/10/2009: Gerhard, OE3GEA plans to be active as MU/OE3GEA from the isle of Guernsey (EU-114, WLOTA L0013) from 27-29 October. QRV on the HF bands using CW and low power only. QSL via home call, direct or bureau. [rsgbiota.org]

30/10/2009: Tomas, VK2CCC will be active, part time, from Vanuatu (OC-035) between 30 October and 5 November using the callsign YJ0CCC. QRV mainly 160m and 80m CW. During his activation, Tomas will also include some 5403.5Khz USB operation on the new 5Mhz band. QSL via home call, bureau preferred. [NG3K]

01/11/2009: Look for Orlando, PY2TJ to be active from Isla Tierra Del Fuego (IOTA SA-008, WLOTA L2448 [New!]) as LU/PY2TJ from 01-07 November, 2009. Expect activity on all HF bands. QSL via PT2OP direct preferred, or bureau. [F5OGG]

04/11/2009: Paul, W4/VP9KF will be active from Baileys Bay, Hamilton Parish, Bermuda (NA-005) as VP9KF from 4 to 18 November, 2009. QRV all HF bands, CW only. QSL direct only (QRZ.com). [W4/VP9KF]

23/11/2009: Mike, K9NW will be in Botswana between 23 November and 1 December using the callsign A25NW. Expect activity during CQWW DX CW Contest (28-29 November). QSL via home call (QRZ.com). [DX World of Ham Radio]

25/11/2009: Tony, IK1QBT will be active from African Italy; Lampedusa Island (AF-019, IIA AG-001, MIA MI-126, WLOTA L2312) prior to the CQWW DX CW Contest (28-29 November) IG9/IK1QBT. During the contest he will use the callsign IG9X. QSL both calls via IK1QBT, direct or bureau. [NG3K]

28/11/2009: A group of the contesters will be active in CQWW DX CW Contest (28-29 November) from Isla de San Cristobal (WLOTA L0094), Galapagos Islands (SA-004) as HC8N. They will be in the Multi-Multi category. QSL via W5UE. [F5NQL]

28/11/2009: Look for Siggi, TF3CW to be QRV from Seltjarnarnes, Iceland (EU-021, WLOTA L2975), during the CQWW DX CW Contest (28-29 November) as a Single-Op/Single-Band (40m) entry. QSL via LX1NO (QRZ.com). [NG3K]

11/03/2010: Operators Enrico/5Z4ES, Francesco/IK8TEO, Antonio/IK8UHA and Antonio/IK8VRH will be active as 5Z0H from Lamu Island (AF-040) and Wasini Island (AF-067) on 11-21 March, 2010. Operation dates are tentative. They plan to have 2 stations active on 160-10m CW/SSB/RTTY. Pilot station will be IK8OZZ. For more information, visit their web page at: 5z4h.sitonline.it/ [NG3K]

==========

SPECIAL EVENTS -

08/10/2009: Special event station SN100DP will be activated from 8 October until 11 October, 2009 on deck of s/v Dar Pomorza (aka "White Frigate"), currently preserved in Gdynia Port as museum ship. SN100DP plans to be active mainly on 80, 40 and 20m in SSB, CW, PSK and RTTY. QSL via SQ2RH, direct or bureau. Further info at: www.sq2rh.it2.pl/sn100dp/sn100dp_about.html [UBA HF News]

10/10/2009: Celebrating the VII Conference of the Federacion de Radioaficionados de Cuba, the Camaguey City Radio Club operate as T47C on 3-4 and 10-11 October. Eight operators will be active on 160-10 metres (plus 2 meters) CW, SSB, PSK31 and RTTY. QSL via operator's instructions. [425 DX News]

17/10/2009: The Border Rievers ARS are supporting the Blyth Valley District Scouts again this year for Jamboree On The Air (October 17-18th), using the special callsign GB4BVD. The scout hut is located in Cramlington, Northumberland, England (EU-005, WLOTA L1841). They will be QRV all HF bands with Icom 706 mk2G; VHF with Yaesu 8900. Antennas: long wire and Tribander. QSL via M1DZT, direct or bureau. [Border Rievers ARS]

17/10/2009: The Bittern DX Group will be operating with the special callsign GB5FRR for the scout Jamboree On The Air (17-18 October), from the headquarters of the 1st Rural Roughton Scout group (Roughton Mill, Cromer, Norfolk - WW Loc. JO02PV, WAB: TG 23), England (IOTA EU-005, WLOTA L1841). They try to operate as close to the scout frequencies as possible on all bands most operating is SSB but at times they try RTTY and BPSK 31. They also monitor Echo link on 70cm if can get link GB3NU/R (388653) also 2m MB7INN/L (4261). QSL via M0CNP, direct or bureau. [Bittern DX Group]

U.S.A. Special event station information can be found at: www.arrl.org/contests/spev.html

SIX METERS & UP -

Meteor Scatter - October 2009:
Major shower of this month is Orionids. This shower has produced strong rates in 2006, 2007 and 2008, with lots of bright meteors. A 12-year periodicity in Orionids stronger returns, extrapolated from old observations, suggests that good Orionids rates are expected even in 2009. Have a look at shower predictions for October 2009 at our MS-Propagation page: www.mmmonvhf.de/ms.php [MMMonVHF]

5N - (Grid JJ38): EME Activity from Nigeria in next months... LATEST NEWS from Bodo, dated 2009-10-02: Bodo did show up yesterday evening again on 2m EME after a longer time! He told us that he will try to be on next days for further activity! PA is fixed but only one module (450W) is running anymore. So keep on watching in his QRL free time he shall be on from Nigeria! [MMMonVHF]

9N - (Grid NL27): Phil, VK4CDI plan to be qrv at Nepal on 2m and maybe 70cm EME end of October, begin of November. I plan to try and spend a few days with Satish 9N1AA. A single 10 El yagi and 160W brick mounted at the antenna will be used. 432 may be available but all very QRP. [MMMonVHF]

Dated 03 October, 2009 -
I have returned home from my family holiday. In the last 4 days I have completed some 5000 qsl cards (NONE FOR 4W6FR)and have just about caught up with it all. On Monday there will be a major deposit made at the post office. The 4W6FR cards will not begin till probably Xmas time as we have yet to print a card and no logs are available till the op returnes from 4W. regards to all.

BITS & PIECES -

New award from WCA!
"World Castles Activator Award - WCAA"

The Award certificate "World Castles Activator Award - WCAA" has been instituted by group of radiohams-founders of World Castles Award Program (WCA) <http://www.wcagroup.org/ENG/main.html> as a mark of commendation for work on the air from historical and memorial places.

The Award certificate "World Castles Activator Award - WCAA" is issued for work on the air form historical objects (activation) such as castles, fortresses, forts etc.

To obtain "World Castles Activator Award - WCAA" need to make not less than 50 QSOs from 5 various objects qualifying for WCA. For radiohams living near castles, fortresses, forts etc not far than 1 km need to make not less than 1000 QSOs.

QSOs are valid since January 1st. 1995 on any bands by any modes.

Award certificate "World Castles Activator Award - WCAA" is free of charge. There are two ways to obtain it:
1) in electronic form - JPG file completely ready for printing in A4

format (297x240) will send by e-mail;
2) in paper form by post (need to pay the postage).

Full information can be found at: www.wcagroup.org/ENG/activator.html

IARU national radio society to celebrate its centenary:
The Wireless Institute of Australia turns 100 next year making it the world's oldest National Radio Society.
WIA President Michael Owen VK3KI says he wants the world-wide amateur radio community tojoin in the celebration.
In the October edition of the WIA's Amateur Radio magazine he announces a program that includes a special callsign VK100WIA that will be operated next May by the WIA, and then many affiliated clubs around Australia for the next 5 months.
A commemorative QSL card will be issued for contacts with VK100WIA between May and October next year.
A limited edition operating award, called the WIA Centenary Award is also to be available and two contacts with VK100WIA are required under its rules.
A program of events will occur around the WIA's annual meeting in the nation's capital Canberra in May 2010, while radio clubs are planning events to promote the centenary of organised amateur radio in Australia.
It all began in 1910 with a meeting of wireless pioneers in Sydney to protect their interests and rights against what they considered to be harsh treatment by authorities and a high licence fee. The Wireless Institute of Australia has continued since then to protect and enhance the privileges of radio amateurs and to promote amateur radio.
Details of the centenary program can be found on the WIA website
www.wia.org.au

World Wide DXpedition Trophy: Strange Radio Team
The Strange Radio Team (www.strangeradioteam.com/) are running a survey to see which Dxpedition of the Year (June 1, 2008 to June 1, 2009) will be awarded the WWDX Trophy.
The survey, which can be found here, closes on January 31, 2010.
http://www.strangeradioteam.com/wwdxt/wwdxt-1.asp

NAQCC Anniversary Special Event Stations (12-18 October, 2009):
We are doing something different for our Fifth Anniversary. First we are condensing our operating period from a full month to 7 days which we hope will increase the intensity of and interest in our operation.
Secondly instead of the cumbersome N3A/1, N3A/2.... special event calls, we are streamlining the calls to N1A, N2A.... with a different SE call for each USA call area.
Unfortunately there is one exception to that idea caused by a mix-up between the services that assign special event calls. They assigned N5A to another group for October 17 and 18, and since that assignment was

made prior to ours without nofifying us, we must relinquish use of N5A for the 17th and 18th. Club president Tom WY3H says instead of N5A, we can use N3A/5 those two days.
We are also awarding a handsome prize in conjunction with our anniversary celebration. Check the Giveaways page in this section of the web site for details on that.
We have the following ops signed up and confirmed for our celebration:
N1A - KQ1P, W1OH, K1YAN
N2A - KA2KGP, N2COD
N3A - K3WWP, WY3H, AF3Z, W0EJ, WA3HIC, KC2EGL
N4A - WA3ZBJ, KF4WK, KJ4EXC(?)
N5A - KD5KJ, W5YDM
N6A - W6AZ
N7A - WY7N, KH6OZ
N8A - N8ZYA
N9A - N9AKF, NV9X, WA9KPZ
N0A - KD0V, WG0AT
NOTE - Rich KG1W signed up but a job situation forced him to withdraw. We thank him anyway and still consider him a part of the team, although inactive for the operation. Also KH6OZ may not be able to operate due to a late change of plans.
There is still time for you to sign on to the team. Anyone can do it, from the raw beginning CW op to the seasoned veteran. There are no special skills involved.
We have posted a calendar (www.arm-tek.net/~yoel/main_n3a_calendar.html) listing times when our ops will be activating their SE calls for you to have a shot at working them.

Hi folks,
Next week I will be going out of town for 4 days starting Oct 15 - 18th.
I will upload the new data files on Wednesday Oct 14th for you.
I will not have any Internet access where I am going and will not be
able
to respond to emails, renewals or new orders until I get back on the 19th.
Hope all goes well while I am away.

Topic: 8966 Message: 8966

The entire team is in Honolulu. On Thursday when the first members were to depart to Midway we were informed of a problem with the plane involving an oil leak. We were assured it was fixable. Friday several test flights were made that determined that the repairs were unsuccessful. We are frantically searching for alternative means. We discovered yesterday that there are no available planes on the Island that are either certified to fly to Midway or large enough for us. We are negotiating with a company in California for a jet as well. The plane we original chartered is about to take off on a test flight to determine if the repairs made overnight were successful.

The team is not giving up and exploring ALL options to make this happen. Fish and Wildlife is being very supportive of our efforts but in no way will they extend the end date of our operation beyond the 19th due to the return of migratory species that have already begun to return early.

We will update this website in 5 or 6 hours when the plane returns and is checked out. We are as frustrated as you.

Mise à jour (et au point) de N4XP, Tom Harrell, de l'équipe K4M, Midway team.

Nouvelles Flash:

Toute l'équipe est encore à Honolulu. Jeudi, au moment du départ nous avons «été informés que des problèmes liés au transport aérien étaient survenue (fuites d'huile sur l'avion) . On nous a assuré d'une réparation rapide.
Vendredi des contrôles ont été effectués qui ont permis de se rendre compte que les réparations n'avaient eu aucun effet.
Nous recherchons désespérément une solution de rechange pour nous rendre à Midway.
Nous avons découvert vendredi également qu'aucun avion stationné à Hawaï ne dispose soit d'une certification des autorités pour se rendre à Midway, soit , quand il l'a , il est beaucoup trop petit pour tout emmener – hommes et matériel -.
Nous négocions avec une compagnie stationnée en Californie,. Cependant l' avion prévu à l'origine a subi de nouvelles réparations et un nouveau contrôle est en cours. Nous espérons le feu vert cette fois.
L'équipe ne renonce pas et recherche toutes les solutions possibles qui pourraient être exploitées
Le Fish and Wildlife continue de nous apporter son soutien, mais n' allongera en aucune manière notre séjour sur Midway, que dans tous les cas nous devrons avoir quitté le 19 octobre, date limite précédent le retour des espèces migrant sur l'île, retour constaté en avance cette année.
Le site sera mis à jour dans quelques heures, au retour du check up de l' avion.
Nous sommes aussi frustrés que vous.

8973. MIDWAY UPDATE

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-10-12 01:33:35 UTC
From: GOLIST
Topic: 8973 Message: 8973

Last night (as many of you know who watched N8E on flightaware.com) ended after only 1 hour in failure.

However, the flight last night was also a success in ruling out 7 swapped parts as not being the failure point. However they still didn't fix the problem. This morning they replaced the last of the possible parts.

We have just returned from the hanger after visiting with the mechanics, who are tired of seeing our faces and are telling us so! They are pretty sure (yeah we heard that before) that they now have isolated the leaking part. They have replaced it and are about to run up the engine again. Following protocol they should be in the air within an hour to begin their test flight. Our destination is over open ocean and there are no emergency landing strips along the way. They can not take us to Midway until they know they can fly the distance without issue. We are also still frantically searching for alternatives, but there are no planes on Midway certified to fly there by F & W. There is a possible plane on the way to Hawaii from Las Vegas and we are pursuing this.

This is rare for a reason.

The minute we know this test flight is a success we will update the website and we are in a standby position. Wish us luck.

Don Greenbaum

Hi friends
For this iissue, thanks to Bernie/W3UR and the Daily DX, Pierre/F5JFU,
Sylvain/F4EGD, Pasquale/IZ8IYX, AT International, LY4A News, Hide/JR6EXN,
MMMVHF and Guy/DL8EBW,
MIDWAY Special
0211Z update this morning
Just got a phone call from N4XP,Tom - they are now in the air. It should
take them approximately 4 hours to fly from Hawaii to Midway. You should
be
able to monitor their status at http://flightaware.com/live/flight/N8E.
They should arrive on Midway well after sunset.

MACEDONIA:
For CQWW ssb 2009, a team from Macedonia, under Z37M
Team: IZ8CCW, IZ8IYX, IT9SSI, IT9YVO, IZ8CGS, IZ8MOQ, IZ8JAI, Z36W and
Z35X.
More info : _www.mdxc.org_ (http://www.mdxc.org/) &

Buzz, NI5DX, is now the QSL manager for A61BN, Mohammed. Mohammed is a new ham and is enjoying 20 meters on SSB and digital modes.

Buzz will have the logs shortly and QSL cards should be available from NI5DX in about a month or so. Mohammed is a good friend of A61BK, Khalid, whom Buzz also assists. Khalid is very active and will serve as a great Elmer for A61BN.

Hello DXers:

Tom, N4XP called just after 2200Z, today, to bring us up to date on what is happening on Midway.

They arrived late last night, in the dark, and were not able to do anything toward setting up to operate. They are working hard to get things sorted out in the daylight so they can get on the air as soon as possible.

Rest assured they are as anxious to get on the air as you are to hear them on the air.

Please be patient and things will work our fine in due time.

73,
Carl N4AA

Hi guys,

PB65BP special call for 65 Years LIBERATION of BREDA.

The memory of the Poles, soldiers of the First Polish Armored Division under
General Stanislaw Maczek, the city released on October 29,1944.
The hole story you can find in qrz.com by this call.
Active on all bands in phone and digimode.
During 10-10-09 till 11-11-09
Qsl via PA1WLB

Good luck to you all.
Willem, de PA1WLB

Date: 2009-10-13 21:01:50 UTC
From: GOLIST
Topic: 8984 Message: 8984

Phil, G3SWH and Jim, G3RTE will be active from Christmas Island (VK9X) between 20th and 27th February 2010. Christmas Island counts as OC-002 for IOTA purposes. The 2008 "Most Wanted" survey by the DX Magazine shows Christmas Island at #66 worldwide for DXCC purposes. We will both use the single callsign of VK9X/G6AY. Our activity will be on CW only on all bands 80-10 meters. There will be no 160 metre activity. Propagation permitting, we plan to have two stations on the air for as many hours every day as is possible. Our main objective is to work as many European, North American and ROTW stations on as many bands as possible. QSL via G3SWH, either direct with SAE and adequate return postage (recommended), via Phil's web site ww.g3swh.org.uk for a bureau reply or via the bureau. There is more information at www.g3swh.org.uk/christmas-island.html

73 for now and TIA

Phil Whitchurch

SENEGAL
Hello,
Le 23 Otobre grande manifestation au Collège de M’Bour. Contacts avec la Station ARISS, Opérateur Frank de Winne ON1DWN. Indicatif 6V7SPACE.
I N V I T A T I O N
Madame, Monsieur,
Une grande première au Sénégal aura lieu le vendredi 23 octobre 2009 à 10H00 au Collège IV de M’bour : avec l'appui du club radioamateur 6W7PCT de Saly, les élèves effectueront, sous l'indicatif spécial 6V7SPACE, un contact radio avec l'astronaute Frank de Winne depuis la Station Spatiale Internationale.
ARISS est un organisme radioamateur en liaison avec la N.A.S.A. (U.S.A.) et avec l'E.S.A.(Europe), qui coordonne les échanges entre les radioamateurs du monde entier et les astronautes.
L'activité la plus visible d'ARISS est d'organiser des contacts radio en VHF entre des écoles et la Station Spatiale Internationale (ISS), participant ainsi au programme éducatif spatial lancé par la NASA aux Etats Unis.
ARISS assure également la préparation du matériel radioamateur embarqué (Emetteurs-Récepteurs, Antennes, PC portable...) qui est ensuite installé à bord de l'ISS par les astronautes eux mêmes.
Depuis bientôt deux ans, nous avons démarré, sponsorisés par l'Autorité de Régulation de Télécommunications et des Postes du Sénégal (A.R.T.P.), un programme ARISS avec les élèves du Club Scientifique du Collège IV de Mbour : il s'agit en fait d'intéresser les jeunes à la vie spatiale et aux transmissions radio-électriques. Nous avons donc organisé des cours au collège et des contacts radio à notre club radioamateur de Saly, entre autres une superbe liaison radio l'an dernier pour la "Semaine de l'espace" entre une école suisse et nos collégiens de Mbour.
Ce programme ARISS se termine habituellement par un échange de

questions/réponses entre les jeunes et un astronaute de la station ISS, par liaison radio VHF, et la date retenue par la N.A.S.A. est donc le 23 Octobre prochain.
La station ISS se déplaçant à la vitesse de 20.000 Km/h à 400 Km d'altitude, elle est capable d'effectuer 16 tours de la Terre en 24 heures !
Avec cette orbite de faible altitude, les contacts radio ne sont possibles sur une région donnée que pendant une dizaine de minutes maximum. Il est donc important de déterminer avec précision l'heure de passage de la station, afin de ne pas rater la liaison radio... Un système d'antennes directives piloté par ordinateur suivra la course d'I.S.S. pendant toute la durée de son passage au dessus de nos têtes.
Vous êtes donc chaleureusement invité (e) à nous rejoindre pour cette manifestation exceptionnelle, sponsorisée par l'Autorité de Régulation de Télécommunications et des Postes du Sénégal (A.R.T.P.).

From: GOLIST
Topic: 8510 Message: 8990

The *OCTOBER 2009 Issue #910-C *files have been uploaded to the Golist
web site.
The weekly GoData files include DXCC APPROVED OPERATIONS in the
data file.
Use the DOWNLOAD button in your GOWIN program or this link in your
web browser. http://golist.net/dlauth.cfm
It is recommended that you open up GOWIN after downloading the data file
update and on the top bar click on FILES/CLEANUP FILES and run this
routine to clear all the old update files from the program folder.
This will prevent any lookup problems for you.
Now is a good time to send in your RENEWAL to GoWin if your subscription
is about to expire.

8994. [ICPO] ICPO Bulletin (15-23 October, 2009)

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-10-15 22:50:33 UTC
From: Dave Raycroft
Topic: 8994 Message: 8994

I.C.P.O. Bulletin (15-23 October, 2009)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

15/10/2009: Seb, F8IJV and his XYL will be spending their honeymoon at the Le Calao resort, Somone, Senegal from 15 to 30 October, 2009. His main activity will be for the CQWW DX SSB Contest (24-25 October) using the callsign 6V7Q, a Single-Op/All-Band/Low-Power entry. Outside the contest Seb will be active in a very random way on 160-6m. Very few SSB and digitals, may be some CW. For 6 meters, he will monitor from time to time, and if there are some openings he will use 6m (Grid IK14ll). QSL via F8IJV, direct or bureau. [F5NQL]

15/10/2009: Andreas, DL9USA will be active from Comino Island, Malta (EU-023), from 15-22 October as 9H8C. Active on the HF bands, CW and SSB. QSL via the information on QRZ.com under 9H8C. [DX World of Ham Radio]

15/10/2009: Achim, DL1DAW will be on a holiday DXpedition from 15th to 21st October. He got the callsign CN2AW allocated by phone and written permission shall follow this week. Achim and his XYL will go to Dar Bouazza south of Casablanca in Morocco and he may use the antennas of Andre, CN2DX which will be used in the WAG Contest (17-18 October). Achim works only sporadically on 80-10m using SSB, CW and RTTY during the rest of the time. QSL via DL1DAW. [DX Newsletter]

15/10/2009: (Special Mine Activity). Operators Simo/OH2HAN and Timo/OH3DF will be active as homecall/9 from the Arctic Amethyst Mine in Luosto (Lapland, Finland) from 15-18 October. Activity will be on the HF bands using SSB and RTTY. The Amethyst Mine is situated on a very beautiful natural place on top of Lampivaara Fell in Luosto, Lapland. Instead of being in raw material business it sells only locally produced amethyst jewelry. It also welcomes all the visitors, and you can dig your own amethyst gemstones there and hear the story of amethysts. They are mining only manually without machinery and their ideology of sustainable development is to preserve nature and work in a manner which does not disturb magnificent Lappish nature. A special QSL will be available via their home callsigns. [OPDX Bulletin]

16/10/2009: Ben, DO1BEN and YL Barbara, DO1IQ will be active as PD/homecalls from Texel Island (EU-038, WLOTA L0043) from 16-22 October. Activity will be on the HF bands, propagation permitting. QSL via home calls, bureau preferred. [rsgbiota.org]

16/10/2009: Woj/SP9PT, Les/SP3DOI, Jan/SP3CYY, Joe (SWL)/SP9-31029 together with their guest Michael, FO5QB will be active between 16-22

October from Nuku Hiva (OC-027, DIFO FO-023, WLOTA L2030), Marquesas Archipelago, as TX5SPM. They are planning to be active on CW, SSB, RTTY (maybe PSK31). Suggested frequencies: CW - 1.827, 3.505, 7.005, 10.105, 14.025, 18.075, 21.025, 24.895, 28.025; SSB - 1.842, 3.795, 7.075, 14.190, 18.145, 21.295, 24.940, 28.490; RTTY - 7.040, 10.143, 14.080, 18.103, 21.080, 24.923, 28.080 MHz. The QSL manager of the expedition is going to be Wojciech SP9PT. Further information can be found at: fo2009sp.superhosting.pl/ [SP3DOI]

17/10/2009: The Huntsville Amateur Radio Club (H.A.R.C.) will operate from Hobbs island (USi AL031, Madison County), Tennessee, in the W/VE Island QSO Party (17-18 October) with 2 radios (706MKIIG and FT-857D) powered by a pair of 12vdc automobile batteries one on 20 meters and the other on 40 meters. The two primary operators will be Tim K4AEE and Paul WB4UEE. Class B and frequencies will be between 14.250 - 14.270 on 20 meters and 7.250 - 7.500 on 40 meters we may move if traffic in these areas are high. They will continue as long as possible based on the local weather forecast. [USi]

17/10/2009: Operators Jeep/KA1DF, Dave/KI4ROL, Paul/K3LLH, David/N2EIO, Gary/AI4JA and Bill/W3HEA will be activating Hunting Island (NA-110, USi SC003S, Beaufort County), South Carolina, and lighthouse (ARLHS USA-392, TWLHD WLH K-082, WLOTA L2265, WW Loc. EM92SJ), 17 and 18 October. The team will be using the special event callsign K4L to commemorate the 150th anniversary of the lighthouse. The light was the first light on Hunting Island, built in 1859 but destroyed during the Civil War. It was rebuilt in 1875 of curved iron panels (each weighing 1200 pounds) with an interior brick wall. In 1889 it was dissassembled and moved 1/4 mile inland due to rapid erosion of the Northern end of the island. It served as a navigation light until decommissioned in 1933. The park itself was created just prior to WWII; during the war, the Air Force had a transmitter site there. QSL via K3LLH. An online log will be available after the event. Further information can be found at: pws.prserv.net/K4L/ [rsgbiota.org]

17/10/2009: Dick K5QY, Kris N5KM and Roy KE5FXE will be active 17 October as K5QY from Cedar Isle (USi TX052, Henderson county), Texas, for the W/VE Islands QSO Party. Proposed Frequencies: 40m 7.180 MHz (+/-), 20m 14.260 MHz (+/-) and 10m 28.450 MHz (+/-). Note: Cedar Isle on Cedar Creek Lake in Texas is not yet qualified. TX052L will be used as soon as they reach 25 QSOs. [USi]

17/10/2009: Ray, K7RFW will be operating one day in the W/VE Island QSO Party (17 October) if the weather stays decent and permissions come through, from Antelope Causeway #1 (USi UT010L) and/or Antelope island (USi UT001L), located in Great Salt Lake, Davis County, Utah. He will be operating Class C around 14.280 to 14.340 MHz with a BuddiPole, FT897D and a 53 Ahr battery, so when the battery is gone, Ray will be finished. QSL good in QRZ (please, SASE if doing paper) also USi eQSL system, eQSL.cc, and LoTW. [USi]

17/10/2009: Gary, N0PBM and Don, KM0R be camping on Berry Bend Island (USi MO-013L, St. Clair county), Missouri, and will be QRV in the W/VE Island QSO Party (17-18 October) using the callsign KM0R. QSL via home call. [USi]

17/10/2009: Jerry, N1QLL will operate as portable VE9 from Deer Island (NA-014, CIsA NB005), New Brunswick, during the W/VE Island QSO Party (17-18 October). Transmission will be limited to 20 and 40 meters: mostly 20 and mostly SSB. 7.270 and up, and 14.270 up to 14.340. CW will center on 7.050 and 14.050. He will be camping out, totally self-contained (no electricity, water, or waste disposal available) so power will be 40 watts or less. QSL via home call. [USi]

17/10/2009: Some members of the St. Augustine Amateur Radio Society, N4AUG will be active for the W/VE Island QSO Party (17-18 October) from Cayo Costa [aka Lacosta] (NA-069, USi FL464S, Lee county), Florida. Operators mentioned are Pete/KC1SS, Doug/N4FPS, Don/K4UBT, Jerry/W4YB, Ron/W9QGB, Ed/KJ4MXO, Gerard/AB4SR and Ken/KJ4FZW. QRV on 20m around 14.260 MHz and 40m around 7.240 MHz during the day and on 80m at night. QSL direct to N4AUG (St. Augustine Amateur Radio Society, PO Box 860084, Saint Augustine, FL 32086 USA). Website: www.saarsham.net/ [rsgbiota.org]

17/10/2009: Look for Ralph to be operating as NM5RC /Rover during the W/VE Islands QSO Party (17-18 October) from the following islands in the Abiquiu Reservoir, Rio Arriba County, State of New Mexico: Sandstone island (USi NM023L; Red Rock island (USi NM024L); Comanche island (USi NM025L); Puerco island (USi NM026L); and Cerrito island (USi NM027L). QSL via home call (QRZ.com). [USi]

17/10/2009: Don, W9JNY will be active from the island of Bonaire (IOTA SA-006, WLOTA L1279) as PJ4/W9NJY from 17-30 October. Look for casual activity on all HF bands. QSL via home call, direct or bureau. [AT International]

17/10/2009: Rich, N0HJZ will be active from Placencia, Belize, as V31MW from 17-26 October. He will be on for the CQWW DX SSB Contest (24-25 October), using the same call, as a Single-Op/all-Band/High-Power entry. QSL to home call direct with SASE or via LoTW. [NG3K]

17/10/2009: Rob, VE7RSV will be active during the W/VE Islands QSO Party (17-18 October) from Vancouver Island (NA-036, CIsA BC001, WLOTA L0858). QSL via QRZ.com. [USi]

17/10/2009: Heinz, VA7AQ reports that the Surrey Amateur Radio Club, VE7SAR will be active in the W/VE Island QSO Party (17-18 October) from Deas Island (CIsA BC045), BC. QSL via the information on QRZ.com. [USi]

17/10/2009: Steve, W5VK will be active from several islands during the W/VE Island QSO Party (17-18 October). They are putting the station on a 24' pontoon boat and the antenna on the islands to qualify Bird Island (USi AL034) and West Island (USi AL035). He is going to try to get four additional islands Orange Beach/Gulf Shores (Pleasure Isle) (USi

AL023S), Perdido Key (USi AL024S), and Ono Island (USi AL003S). All islands are located in Baldwin county, Alabama. QSL via QRZ.com. [USi]

17/10/2009: Al, W7LKC is a resident of Ono Island (USi AL003S, Baldwin County), Alabama, and will be on the air both days of the W/VE Island QSO Party. QSL via QRZ.com. [USi]

17/10/2009: The Mancorad Radio Club, W9DK are planning a qualification of The Flats Island (USi WI046), located in the Fox River, Outagamie County, Wisconsin during the W/VE Island QSO Party (17-18 October). 20m SSB and possibly PSK, and additional frequencies as weather and antennas allow. Running Class C, island rover, they may attempt qualifing Menasha Island (USi WI044) and Strobe Island (USi WI045), located in Lake Buttes des Morts, Winnebago County, Wisconsin. Operators include Steve K9ZW, Carl KA9WYK, Rich KC9LOA, Tim N7TAL and Jody KC9KVT. QSL via eQSL to W9DK and via the club. W9DK is good at QRZ.com. [USi]

17/10/2009: Jeff/WB5WAJ, Bill/K4COM and Ken/KI4UVL will qualify Ponderosa Island (USi TN055, Davidson county), Tennessee during the W/VE Island QSO Party (17-18 October) as WB5WAJ. They will use 80 through 10 trying to stick close to the Island frequencies. QSL via QRZ.com. [USi]

17/10/2009: The Tri-County Amateur Radio Club of North Texas, WC5C will be active in W/VE Island QSO Party (17-18 October) from Pelican Island (USi TX050L, Tarrant county), Texas. QSL via QRZ.com. [USi]

17/10/2009: RIODXGROUP, with a team of 4 operators, namely Felipe/PY1NB, Linneu/PY1ON, Ivan/PY1YB and Fabio/PY1ZV, will activate Trindade Island (SA-010, DIB OC-02 for the Brazilian Islands Award, WLOTA L1851, WW Loc. HG59IL) as ZY0T. Scheduled dates are from 17-20 October, but this may vary due to Brazilian Navy schedules. Planned frequencies are: SSB - 1.840, 3.765, 7.050, 18.118, 14.250 *(main), 21.250, 24.950, 28.450 and 28.550 MHz; CW - 1.8215, 3.520, 7.005, 10.110, 14.030, 18.088, 21.030, 24.910 and 28.030 MHz. QSL direct only to PY1NB (QRZ.com). Further information and updates at: riodxgroup.dxwatch.com/trindade-2009 [PY7XC]

18/10/2009: Look for Ray, K9LUK to be active from Fraser Island (OC-142, WLOTA L 2976), Queensland State, from 18-23 October. Expect activity on all HF bands. QSL via his home call (QRZ.com). [rsgbiota.org]

19/10/2009: 4U1UN - United Nations Headquarters, New York - this DXCC entity will be active from 19-25 October, on all bands, all modes, with a team of well-known DX and contest operators; OH2BH, OH0XX, OH2NB, OH6LI, G3SXW, F5CWU, F4EGD, PY5EG, JK3GAD, UA9AB, LA5IIA LA4OFA, NN1N, K2QI, KA2RTD, K2LE, N2UN, N2GA, K2DO, N2YBB, KA2D, WQ2N and W2VQ. Antennas and security access to the building are heavily restricted but the team will do their best to make this rare station available to all. Activity will be from 8AM until midnight local time (1200-0400 UTC) each day. All-night activity is planned for Friday the 23rd and Saturday the 24th of October. Some of the operators will form an international team

for CQWW DX SSB Contest (24-25 October) participation in the 'Two Transmitter' (M2) category. QSL via HB9BOU. LoTW upload will be done after the operation. [OH2BN]

19/10/2009: Tom, K7ZZ will be active from Yepton Estate Cottages, located on the north shore of the island of Antigua (IOTA NA-100, WLOTA L-1118, WW Loc. FK97CC) as V25Z from 19-28 October. Look for activity on all bands/modes. QSL via K7ZZ, direct only. [AT International]

19/10/2009: Chris, G0WFH, will be active as VK7ACG from Tasmania (OC-006, WLOTA L0068) between 19 October and 17 November. He will operate from the QTH of his friend Roy, VK7ROY who is located in Birralee, Tasmania. Activity will be on all bands, but he plans to concentrate on the lower frequencies. Chris states that a new 60 foot mast will be erected at the QTH of VK7ROY supporting antennas for 160, 80 and 40 meters. QSL via G0WFH, by the Bureau or direct. eQSLs are accepted. [OPDX Bulletin]

19/10/2009: Karl, DL2FAG will be active from Namukulu, Niue island (OC-040) as ZK2DL between 19 October and 7 November. Activity will be holiday style on 80-10 meters, mainly on RTTY, PSK and SSB. QSL via DL2FAG, direct or Bureau. [OPDX Bulletin]

20/10/2009: Manfred, DL4IAS will spend his holidays on Bantayan Island (IOTA OC-129, WLOTA L1230), Cebu, from 20 October to 5 November. He will sign DV7/DL4IAS with activity expected on PSK, SSB and CW using a FT-857 and dipole. QSL via DL4IAS. [dx-hamspirit.com]

20/10/2009: Eric/KV1J and Tom/W8TOM will be operating as FP/homecall from Miquelon island (NA-032, DIFO FP-002, WLOTA L1417, WW Loc. GN17TC) from 20-27 October, including a Multi-Single entry in the CQWW DX SSB Contest (24-25 October). Outside the contest, they will be active 160-6 meters. QSL via home calls, direct or Bureau. Further information at: www.kv1j.com/fp/october09.html [NG3K]

20/10/2009: John, W5JON will once again be operating from the hilltop QTH overlooking the Caribbean Sea, and Marigot Bay, St. Lucia (NA-108, WLOTA L1336, Grid FK93). He will be QRV 20-30 October as J68JA on 160-6 meters (including 60m), including a Single-Op/All-Band entry in the CQWW SSB Contest (25-26 October). Equipment: ICOM IC-7000, KL-400 Amp (350 watts); Antennas: Alpha Delta DX-LB and DX-EE Dipoles, and 3 Element yagi on 6m. As in the past, XYL Cathy (W5HAM) will be very busy pool side. QSL via home call. [NG3K]

20/10/2009: Operators Tom/ZP5AZL, Dale/N3BNA, Jorge/CX6VM, Noah/K2NG, Peter/PJ4NX and Anibal/ZP5VAY will be active on all bands from the island of Bonaire (SA-006, WLOTA L-1279) as PJ4/homecall from 20-26 October. They will also participate in the CQWW SSB Contest (25-26 October) as a Multi-Two entry, using the callsign PJ4K. QSL PJ4K via ZP5AZL, direct or bureau. QSL others via their home calls. [NG3K]

20/10/2009: Operators Jim AD4J (VP2MIJ), George K2DM (VP2MDG), Peter K3ZM (VP2MZM) and Glen W4GKA (VP2MKA) will be active from Gingerbread Hill, Montserrat (NA-103, WLOTA L1475, WW Loc. FK86VS), from 20-28th October, including a Multi-Single entry in the CQWW SSB Contest (25-26 October). Look for VP2MDG on 6m SSB and VP2MZM on 160m CW outside the contest. QSL via home calls, direct preferred. [NG3K]

20/10/2009: Jack, N2VW will be active from the VP5JM Hamlet on Providenciales island (NA-002, WW Loc. FL31VS) from 20-27 October, including entry in the CQWW SSB Contest (25-26 October) possibly using a special call. Outside the contest he will be signing VP5/N2VW on all bands and modes, 160-6 meters. QSL via home call.

20/10/2009: Operators Frank/WA2VYA, Tony/W2WAS, John/W2GD and Jack/N2VW will be active as VP5T during the CQWW DX SSB Contest (24-25 October) as a Multi/Multi/Dxpedition entry. QSL VP5T via LoTW, or via N2VW (by the Bureau or direct). Their activity will be from Providenciales (NA-002). Look for CW and operations on the WARC bands and 60 meters before and after the contest. Operators will sign using VP5/homecall. QSL to their home callsigns. No eQSLS. SWL QSLs are OK. [OPDX Bulletin]

21/10/2009: Jyrki, OH6CS will be active from Galdar, Isla de Gran Canaria (AF-004, DIE S-005, WLOTA L 0969) as EA8/OH6CS from 21-27 October, including a Single-Op/Single-Band(TBA) entry in the CQWW DX SSB Contest (24-25 October). QSL via LoTW or direct only to OH6CS. [NG3K]

21/10/2009: Olivier EI/ON4EI will be again active from Ireland (IOTA EU-115, WLOTA L2484) near Fethard (IO62DL) on top of Benneshill (170 m ASL) from 21st to 26th October. He will enter the CQWW DX SSB Contest as Single-Op/All-Band/Low-Power/Non-Assisted (24-25 October). Reference frequency before CQWW contest is 7.150 MHz +/- QRM to follow his SINGLE EXPEDITION! Equipment: 18m vertical top loaded monopole and inverted V for 160/80/40. Spiderbeam on 20/15/10. Rig is Elecraft K3 100 W. [UBA HF News]

21/10/2009: Martin, ON4PO will be operting as J45PO from the SX5P contest station, Rhodes Island (EU-001, GIOTA DKS-006, MIA MGD-028, WLOTA L0045), Greece, before and after the CQWW DX SSB Contest especially on 40 meters from 21-29 October. QSL via home call. During the contest he will be the operator on the 40 meter band. [NG3K]

21/10/2009: Mauro, HB9ENI will be active as S79MI from Praslin Island, Seychelles inner islands (AF-024, Grid LI75) from 21-26 October. He will be active on HF and 6m SSB, RTTY. He is also planning to be active in the CQWW DX SSB Contest (24-25 October). QSL via home call, bureau preferred or direct. Logs will be ploaded to LOTW. [QRZ.com]

21/10/2009: Yuri, VE3DZ will be active from Sept-Iles, QC (CQ Zone 2) as VE2IM from 21-26 October, 2009. QRV all HF bands, including a Single-Op/All-Band/High-Power entry in the CQWW DX SSB Contest (24-25 October). QSL to VE3DZ, direct or bureau. [NG3K]

21/10/2009: Jean-Louis, F5NHJ will be active from Cheung Chau - Hong Kong (OC-006, WLOTA L1591) 21-23 October as VR2/F5NHJ. Focus will be on 30 meter digital modes, using FT857 - EEPC - MP10 - I1UJX Vertical. QSL via home call, direct or bureau. Logs will be uploaded to LoTW. [F5NQL]

22/10/2009: Steve, 9M6DXX, will operate (SSB only) as 9M8Z from Sarawak state, East Malaysia, island of Borneo (IOTA OC-088, WLOTA L 0119), from 22-26 October, including a Single-Op/All-Band/High-Power entry in the CQWW DX SSB Contest (24-25 October). QSL via M0URX direct, via the bureau, LoTW, or request direct or bureau cards on-line. [F5NQL]

22/10/2009: Once again Pete/W2GJ, Ed/K3IXD, Dallas/W3PP, and Randy/K4QO will operate in the Multi-Operator, Two Transmitters (M/2) Class in the CQWW SSB contest (24-25 October) as C6APR from the Crooked Island Lodge (WW Loc. FL22TT), Crooked Island (NA-133), The Bahamas. The team will be active from 22-26 October. Before and after the contest look for C6AQO on HF CW and SSB, and C6AXD on HF RTTY. Both C6AQO and C6AXD will be on 160m through 10m including the WARC bands. All the QSOs are good for the Bird Rock lighthouse (ARLHS BAH-005) under the 'visual sight' rule. All QSLs via K3IXD, direct or bureau. [K3IXD]

22/10/2009: Craig, AH8DX will be active from the island of French St. Martin (IOTA NA-105, DIFO FS-001, WLOTA L0383) from 22-26 October, including a Single-Op entry in the CQWW DX SSB Contest (24-25 October). Outside the contest, expect activity on all bands/modes. QSL via home call, direct or bureau. [NG3K]

22/10/2009: Once again the team of operators Luis/CT1AGF, Derek/G3KHZ, Steve/G4EDG and Hans/SM6CVX, plus Gordon/G3USR, will activate three Papua New Guinea IOTA islands between 22 October and 9 November. They plan to operate from Tanga Island (OC-102) as P29VCX (QSL via SM6CVX) 22-26 October; Green Island (OC-231) as P29VLR (QSL via SM6CVX) 27-31 October; and Woodlark Island (OC-205) as P29NI (QSL via G3KHZ) 2-9 November. Activity will be on 160-15 meters using CW, SSB and RTTY modes. Gordon/G3USR will be exclusively on SSB. The team will be using new single band vertical dipoles for 30-15 meters and a ground plane for 40 meters. The web pages for the expedition are at: www.425dxn.org/dxped/p29_2009/index.html [OPDX Bulletin]

22/10/2009: Mike, AJ9C will be active as PZ5M from Paramaribo (WW Loc. GJ25JT), Suriname, 22-29 October. QRV 160-6 meter CW/SSB/RTTY, including an entry in the CQWW DX SSB Contest (24-25 October). QSL to home call with SASE/USD w/ QSL for return postage. [NG3K]

22/10/2009: Look for Sal, IK8UND to be Single-Op/All-Band/Assisted entry in the CQWW SSB DX Contest as TK9R from Ajaccio, island of Corsica (EU-014, DIFM TK-001, MIA MCO-001, WLOTA L1390). He will be on CW and RTTY before the event. QSL via IK8UND, direct only. [NG3K]

22/10/2009: Steve/KN5H and Art/N3DXX will be active as VP2V/homecall from the island of Tortola, British Virgin Islands (NA-023) from 22-25 October, including a Multi-Single entry in the CQWW DX SSB Contest (24-25 October) using the callsign VP2V/KN5H. Before the contest they

will be active on all bands using CW and RTTY. [NG3K]

23/10/2009: Yoshi, JK2VOC will be active from the island of Saipan (USi NI002S, WLOTA L 1333), Northern Mariana islands (OC-086), mainly on the WARC bands, from 23-26 October, including an entry in the CQWW DX SSB Contest (24-25 October). QSL via home call, bureau preferred or dirct. [NG3K]

==========

LOOKING AHEAD -

24/10/2009: Operators Daniel ZS6JR, Toni ZS6GF, Andy 3DA0TM and Dave ZS6AVM will be QRV as 3DA0WW during the CQWW DX SSB Contest (24-25 October), a Multi-Single entry from Swaziland. QSL direct to 3DA0TM. [NG3K]

24/10/2009: Look for Roli, LY4A to be QRV from Georgia as 4L/LY4A during the CQWW DX SSB Contest (24-25 October) as a Single-Op/Single-Band entry. Possible activity before and after the contest. QSL via LY4A (QRZ.com). Web site at: www.ly4a.com/ [NG3K]

24/10/2009: Vaho, 4L8A will be active from Tbilisi, Georgia, in CQWW DX SSB Contest (24-25 October) as a Single-Op/Single-Band (20m) entry. QSL via K1BV, direct or bureau. [NG3K]

24/10/2009: Tonno, ES5TV will be active from Obosnik Hill, Herceg Novi, Montenegro as 4O3A in the CQWW DX SSB Contest (24-25 October) as a Single-Op/All-Band/High-Power entry. QSL via LoTW, AI4U FOR USA, VE - UA3DX FOR Russia-CIS and YU1FW for rest. [F5NQL]

24/10/2009: Tom, W2SC will ba active from Warleigh Plantation, Barbados (IOTA NA-021, WLOTA L0999), as 8P5A for the CQWW DX SSB Contest (24-25 October) as a Single-Op/All-Band/High-Power entry. QSL via NN1N, LoTW or direct with SAE/SASE + sufficient postage. Possibly QRV before and after contest. [NG3K]

24/10/2009: Operators Pekka EA8AH, Juan EA8CAC, Manolo EA8ZS, Salva EA5DY, Jaako OH1MA, Kari OH3RB, Kari OH5XT and Jussi-Pekka OH6RX will be active from Las Palmas, Isla de Gran Canaria (AF-004, DIE S-005, WLOTA L0969) as AO8A in the CQWW DX SSB Contest as a Multi-Two entry. QSL via OH1RY, direct or bureau. [NG3K]

24/10/2009: Jim, W7EJ will be active from near nr Casablanca, Morocco, in CQWW DX SSB Contest (24-25 October) as CN2R. He will be in Single-Op/Single-Band category. QSL via homecall, direct or bureau. [F5NQL]

24/10/2009: Operators Chris EA7RU, Jorge EA7HZ, Jose EA9CD, Enrique EA9GW, Jose EA9PY, Mariano EA9LS and Jorge EA9LZ will be active from Ceuta as EE9Z during the CQWW DX SSB Contest (24-25 October) as a Multi-2 or Multi-Single entry. QSL direct to EA9LZ. [NG3K]

24/10/2009: Dan, HR2DMR will be QRV 24th to 27th October as HQ2W from Progreso, Yoro, Honduras, including a Single-Op/All-Band/High-Power

entry in the CQWW DX SSB Contest. Outside the contest he will focus on WARC bands and also 60 meters. QSL via HR2DMR, direct or bureau. [NG3K]

24/10/2009: Marco, N5ZO will be active from Ulannbaatar, Mongolia, as JT1ZO during the CQWW DX SSB Contest (24-25 October) as a Single-Op/All-Band entry from CQ Zone 23. QSL via OH0XX, either via OH bureau or his Panama address. [NG3K]

24/10/2009: Esa, OH7WV will be active from Hawaii as KH6/OH7WV for the CQWW DX SSB Contest (24-25 October), a Single-Op/Single-Band (20m), may change to Single-Op/All-Band entry. All contacts will be sent a QSL automatically via the bureau. QSL also OK via email request to oh7wv(at)sral.fi [NG3K]

24/10/2009: For the 59th anniversary of the Radio Club Tomas Espora de Lomas de Zamora - LU6DK, the RC members will use the special callsign L59DK, especially on 24 October, in the 80m SSB contest, which will happen between 1900 and 2000 (LU Time). QSL via LU6DK, direct only. [F5NQL]

24/10/2009: Philippe, LX2A will be active from Eschdorf, Luxembourg, as LX7I in the CQWW DX SSB Contest as a Single-Op/Single-Band (20m) entry. QSL via LX2A, direct or bureau. [NG3K]

KN11BS), for the CQWW DX SSB Contest (24-25 October) as a Multi-? entry. The team consists of Ant IZ8CCW, Pasquale IZ8IYX, Dario IT9SSI, Antonello IT9YVO, Gianni IZ8CGS, Alessandro IZ8MOQ, Domenico IZ8JAI, Venco Z36W and Chris Z35X. QSL via the bureau or direct to IZ8CCW.

Further info at: www.mdxc.org/ [K1XN]

26/10/2009: Jean-Louis, F5NHJ will be active from Grande Terre (OC-032, DIFO FK-001, WLOTA L1280) from 26 October to 11 November as FK/F5NHJ. He will also try to activate Lifou (OC-033, DIFO FK-012, WLOTA L0578) or Mare islands. Focus will be on 30 meter digital modes, using FT857 - EEPC - MP10 - I1UJX Vertical. QSL via home call, direct or bureau. Logs will be uploaded to LoTW. [F5NQL]

29/10/2009: Jose PY6HD, Beto PY6RT and Nilzo PY6AWU will activate Abrolhos Archipelago (IOTA SA-019) as ZZ6Z. Scheduled dates are from 29 October to 2 November, but this may vary due to Brazilian Navy schedules. QRV 80-10m, SSB only. QSL direct only to PY6HD. Further info can be found at: www.qrz.com/db/ZZ6Z [PT7WA]

04/11/2009: Dave N3XF, Ed K1ZE and Bob W1EQ will be signing KP2/homecall from the Windwood Estates, island of St. Croix (USi VI002S, WLOTA L2477) between 4-11 November. QRV 160-10m, CW/SSB and possible RTTY, including an entry in the ARRL Sweepstakes Contest (7-8 November) as KP2M. QSL KP2M via QRZ.com. QSL's for others via their home call and LoTW. [NG3K]

06/11/2009: Ben, OZ5AAH will again participate in the International Police Association Contest (6-7 November) from Tallinn, Estonia. QRV SSB and CW. QSLs are good for the Sherlock Holmes Award. QSL direct to home call (Ben Jakobsen, Gjethusparken 25, 3300 Fr.vaerk, Denmark). [F5NQL]

06/11/2009: Members of the Grupo DX Caracas will be active from Farallon Centinela Island (SA-058, DIV-059, WLOTA L0012, Grid FK60) from 6-9th November, 2009 using the callsign YW5F. They will be active on 80-2m SSB, CW and FM. QSL via DM4TI. [F5NQL]

13/11/2009: Serge, F6AML will be in Comoros (IOTA AF-007, WLOTA L3027) as D68F bewteen 13th to 23rd November. Activity will be on CW/SSB 160-10m. Serge will focus especially on Top Band and other LF bands. Suggested frequencies are: CW - 1828, 3520, 7020, 10115, 14020, 18071, 21020, 24951 and 28020 kHz; SSB - 3775, 7075, 14265, 18140, 21265, 24960 and 28480 kHz. He will use a FT857D + amplifier with an inverted L + K9AY for 160, 1/4 vertical for 80 to 30m and spiderbeam for 20 to 10m. All of his equipment (except the amplifier) will be donated for a future radio club. QSL via F6AML direct or via the bureau. [F6AJA]

27/11/2009: John, G4IRN will be active from the island of Cyprus (AS-004, MIA MCI-002, WLOTA L0051) as 5B/G4IRN from 27-30th November, including a Single-Op/Single-Band entry in the CQWW DX CW Contest (28-29th November). QSL direct to home call. [NG3K]

28/11/2009: Marco, N5ZO will be QRV as 5R8ZO from Madagascar (IOTA AF-013, WLOTA L2455) during the CQWW DX CW Contest (28-29 November) as a Single-Op/All-Band entry. QSL via OH0XX, either via OH bureau or his Panama address. [AT International]

28/11/2009: Jeff, KU8E will be active from the island of Bonaire (IOTA SA-006, WLOTA L1279) as PJ4/KU8E for the CQWW DX CW Contest (28-29 November) as a Single-Op/Low Power entry. No entry category was given. QSL via K4BAI, direct or bureau. [AT International]

28/12/2009: Sam, G4OHX will be active from Madagascar (IOTA AF-013, WLOTA L2455) 28 December, 2009 to 3 January, 2010 as 5R8HX. He will be active mainly CW. QSL via home call direct only. [AT International]

20/02/2010: Phil, G3SWH and Jim, G3RTE will be active from Christmas Island (OC-002) between 20th and 27th February 2010. Both Phil and Jim will use the callsign VK9X/G6AY with activity CW only all bands 80-10 meters. No 160m activity planned. Propagation permitting, they plan to have two stations on air for as many hours every day as possible. QSL via G3SWH, direct or bureau or e-mail QSL request. Further information can be found at: www.g3swh.org.uk/christmas-island.html [G3SWH]

02/03/2010: Look for John, W5JON to be active as J68JA from Marigot Bay, island of St. Lucia (IOTA NA-108, WLOTA L1336) on 2-11 March, 2010. QRV 160-6 meters (also 60m), including a Single-Op entry in the ARRL DX SSB Contest (6-7 March). His equipment will consisst of an ICOM IC-7000, KL-400 Amp (350 watts); Antennas: Alpha Delta DX-LB and DX-EE Dipoles, and 3 Element yagi on 6m. As in the past, XYL Cathy (W5HAM) will be very busy pool side. QSL via home call. [rsgbiota.org]

05/03/2010: Operators Brian K9QQ, Mike KA4RRU, Dan W0CN, Dennis W4DC and Kyle WA4PGM will be active from Costa Rica as TI5N during the ARRL DX SSB Contest (6-7 March) as a Multi-? entry. QSL via W3HNK, direct or bureau. [NG3K]
==========
SPECIAL EVENTS -

01/10/2009: Members of the UBA section TRA and BMARS association will be activating special event callsign ON25BELGICA from 1 October to 31 December to celebrate the 25th anniversary of the oceanographic and research vessel Belgica. This callsign is valid until end December 2009. Look up in real time where the BELGICA is operating by checking the AIS data (aprs.fi/?call=ORGQ&mt=m&z=11&timerange=259200) [a kind of APRS, but for marine use] or by checking data from the ODAS (www.mumm.ac.be/EN/Monitoring/Belgica/odas.php [Ocean Data Acquisition System]. QSL via bureau to ON7TR only. Further information is available at QRZ.com under ON25BELGICA. [UBA HF News]

15/10/2009: Special event station PB65BP is currently active until 11 November to commemorate 65 Years Liberation of Breda, Netherlands. The memory of the Poles, soldiers of the First Polish Armored Division under General Stanislaw Maczek, the city was released on 29 October 1944. Activity will be on all bands in phone and digimode. QSL via PA1WLB. Further information and history can be found at: www.qrz.com/db/PB65BP [PA1WLB]

17/10/2009: The Border Rievers ARS are supporting the Blyth Valley District Scouts again this year for Jamboree On The Air (October

17-18th), using the special callsign GB4BVD. The scout hut is located in Cramlington, Northumberland, England (EU-005, WLOTA L1841). They will be QRV all HF bands with Icom 706 mk2G; VHF with Yaesu 8900. Antennas: long wire and Tribander. QSL via M1DZT, direct or bureau. [Border Rievers ARS]

17/10/2009: The Bittern DX Group will be operating with the special callsign GB5FRR for the scout Jamboree On The Air (17-18 October), from the headquarters of the 1st Rural Roughton Scout group (Roughton Mill, Cromer, Norfolk - WW Loc. JO02PV, WAB: TG 23), England (IOTA EU-005, WLOTA L1841). They try to operate as close to the scout frequencies as possible on all bands most operating is SSB but at times they try RTTY and BPSK 31. They also monitor Echo link on 70cm if can get link GB3NU/R (388653) also 2m MB7INN/L (4261). QSL via M0CNP, direct or bureau. [Bittern DX Group]

17/10/2009: From 17 October to 13 November the Bromsgrove & District ARC will be operating special event station GB75XX to commemorate 75 years from the first transmission from the BBC radio masts at Droitwich, England (EU-005, WLOTA L1841). Operation will be all bands, all modes. Further information on QRZ.com. [GB2RS]

17/10/2009: The South Florida DX Association (K4FK) will operate as W4R from the Arthur R. Marshall Loxahatchee National Wildlife Refuge as part of the National Wildlife Refuge Week. The station will be active on 20 and 40 meter SSB, and possibly CW, on 17 October (from 14.0 to 1830 UTC). QSL direct to WA4WTG, direct or bureau. [425 DX News]

18/10/2009: Look for special event station KL5O to be active on the air in observance of Alaska Day and the 50th anniversary of Alaska Statehood. Activity will take place between 1800z, 18 October and 0600z, 19 October. Operations will be on 160-10 meters, including 30/17/12 meters. Modes will be CW, SSB and RTTY. Details from the KL5O Web site states, "Operation will be scheduled to facilitate working North American stations, though all stations worldwide are encouraged to participate. See the 'On The Air' link for time/frequency/mode information." QSLs are available via the LoTW, eQSL and if you want a hard copy QSL card, the QSL manager is AC7DX. For more information, visit the KL5O Web site at: www.kl5o.com/ [OPDX Bulletin]

18/10/2009: Special event callsign TC1IEM will be aired on the HF bands for this year's Istanbul Eurasia Marathon to be held on 18 October. QSL via TA1KB, bureau preferred. [425 DX News]

23/10/2009: The 37th SEANET Convention will be held in Seoul, South Korea, between 23-27 October. Look for special event callsign HL09SEA to be QRV during this time. QSL via HL1OYF.

U.S.A. Special event station information can be found at:
www.arrl.org/contests/spev.html

QSL INFORMATION -

The following operation is approved for DXCC credit:
FT5GA - Glorioso Island
2009 Operation
73 es DX!
Bill Moore NC1L
Awards Branch Manager

Buzz, NI5DX, is now the QSL manager for A61BN, Mohammed. Mohammed is a
new ham and is enjoying 20 meters on SSB and digital modes.
Buzz will have the logs shortly and QSL cards should be available from
NI5DX in about a month or so. Mohammed is a good friend of A61BK,
Khalid, whom Buzz also assists. Khalid is very active and will serve as
a great Elmer for A61BN.

Effective 13 October 2009 Erik, K5WW will be the new QSL manager for
HR9/WQ7R. All QSLs for HR9/WQ7R now go via K5WW. Do not send your
request to AI4U. [K5WW]

9E2ABL - Pirate
An e-mail received from Sid, ET3SID with following information:
"The callsign is 9E2ABL he is a pirate and is not licensed he was one of
my students and is using ET3AA club station." [AT International]

QSLs received Bureau - SX5P, YC1LA, ZK1EAA.

QSLs received Direct - C31PP (QRZ.com), CC0Y (9A2AA), GI0KOW (QRZ.com),
GI0VJE (QRZ.com), KL7J (N3SL), LZ1JZ (QRZ.com), OH0R (OH2PM), PY0FF
(W9VA), TO8YY (DH7WW), V51AS (QRZ.com), VQ9LA (QRZ.com), YL2BJ
(QRZ.com), YS1MAE (W3HNK), YT5W (YU1BFG).

QSLs received LoTW - 9M2CNC, CT3FQ, GW4BLE, HI3TEJ, HK1X, HK6P, IK0YVV,
LX7I, LY9Y, OE9GHV, OK2ZI, P33W, PA7LV, PF7M, SV2BFN, TI5/NP3D, TO4X*
(FS), TS7C [AF-073], UA3BS/3, UA3SAQ, UA3TCJ, YL7X, YW4V.

BITS & PIECES -

The online logs, for Pascal/T6YA (F5PTM) are online on the Clublog at:
http://www.clublog.org/logsearch/T6YA

The online log for the F5KAQ/P Glenan Island DXpedition (September
11-18) is available at: www.clublog.org/logsearch/F5KAQ/P
QSL via F5RJM, direct or bureau.

Mike (KM9D) & Jan (KF4TUG) are currently staying on Liapari Island (IOTA
OC-149) for unspecified length of time. Mike, H44MY has so far been
active on CW (160, 40 & 15m). QSL via OM2SA.

From: Bruce Churchill -

USS Midway Museum To Make Radio Contact with Midway Island:
For the first time in more than 10 years, ham radio operators will be
permitted to broadcast from Midway Island. On October 16 and 17, from 2
p.m. to 4:30 p.m., they will be in radio contact with the USS Midway
Museum's ham radio operators, who will be broadcasting from the Museum's
flight deck.
Battle of Midway veterans, other veterans, Midway Members, and the ge
neral public are invited to participate in this very rare event. The
U.S. Fish & Wildlife Service allows radio operators on Midway Island
about every 10 years or so. Transmission conditions permitting, Museum
guests will be able to talk over the radio network directly to those on
Midway Island. It is the 24th most-sought contact by ham radio
operators around the world.
The USS Midway was named for the historic World War II victory at
Midway Island in 1942, considered the turning point in the Pacific War.
That makes this a rare opportunity to connect the Museum with its
historical roots.
For more information about the USS Midway’s ham radio operators,
contact Joe Garza at jgarza@....

Mailing Address:
USS Midway Museum
910 N. Harbor Drive
San Diego, CA 92101

CANADA:
Rob/VE7RSV, from Vancouver (NA036, CISA BC001, WLOTA L0858) while the W/VE Islands QSO Party (17-18 of October.). QSL vía (QRZ.com).

USA:
1st)
N4AUG from Lacosta, NA-069, 17&18 oct. ,on 80, 40 and 20. QSL direc to N4AUG.

2nd)
Jeep/KA1DF, Dave/KI4ROL, Paul/K3LLH, David/N2EIO, Gary/AI4JA and Bill/W3HEA, K4L from the NA-110, ARLHS USA-392, TWLHD WLH K-082, WLOTA L 2265, WW Loc. EM92SJ, lighthouse on Hunting (USI SC003S, Beaufort county, South Carolina) ; 17 & 18 of oct., for the 150 anniversary of the building of thelighthouse.
More information : _http://pws.prserv.net/K4L_ (http://pws.prserv.net/K4L)

ITALY:
During the Strange Radio Event 2009, next days Saturday 17th and Sunday 18th Oct. 2009, if the bad Meteo conditions will allow me to do it, I would be transmitting from the following groups of references:
From JN71ie (42°10'16"N / 14°42'51"E)
- ARLHS-ITA138 Lighthouse of Punta Penna near VASTO (CH) ; E2306 ;
- DCI-CH052 Torre di Punta Penna , a new one DCI near to the Lighthouse
From JN72ei (42°21'33"N / 14°24'31"E)
- ARLHS-ITA108 Lighthouse of Molo Nord del Porto di ORTONA (CH); E2312 ;
- DCI-CH029 Castello di Ortona , not so far from the Lighthouse.
I will use the callsign II2SRT/6 (5 points for the SRE2009) or also my personal call I2JJR/6 (3 pt for SRE2009, ref SRT#35) .
SSB only HF 40 and 20m (6m and other HF bands possible, ask).

8996. TC7KA - ON-AIR CQ WW SSB Contest

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-10-16 09:17:38 UTC
From: ta7om
Topic: 8996 Message: 8996

Hi there all the radio amateur friends.

We -TA7KA / TRAC (Turkiye Radio Amateur Club) Trabzon Branch- are going to join CQ WW SSB Contest with a specific callsign TC7KA. Our station is on Trabzon City which is on the north east coast of Turkey. Our station is 200 m high from sea level. All of our antenna systems are home made. In contests and DX works they have really good performance at this place which has a wonderful landscape view. Our station has 1 KW continuous RF Out capability. You can find more details on the link:www.ta7ka.com

If one of you want to work with us for the contest please feel free to contact. That would be honour for us.

See you all on the air at CQ WW SSB Contest.
Bye byee...

TA7OM, Huda

Madagascar (From Sam, G4OHX)
Hello Maurice. I do not know where you got the information about my planned visit to Madagascar but at the moment I do not know what callsign I will be allocated. Can you please remove all details of 5R8HX from any of your information boards. Many thanks
73
G4OHX

UNITED NATIONS HQ NEW YORK:

The previously announced 4U1UN United Nations HQ New York activity week had begun around 1200Z. An international team will be manning the station

today through Friday between the hours of 1200 and 0400Z. There will be no activity between 0400 and 1200Z during the weekdays. Then during the CQ WW SSB DX Contest look for a full 48 hour effort from 4U1UN.

The station has a few new antennas that have already been installed. They include a SteppIr Vertical, 6 meter yagi and a Butternut vertical for 40, 80
and 160 meters.

They have 3 complete stations and hope to have them all QRV simultaneously throughout the activity period. If you need 4U1UN for an all time new country for your DXCC this is your opportunity to get this one in the log. You will know the operators are at the station when the 4U1UN beacon (www.ncdxf.org/beacons.html) goes off the air!

We hope to have a few updates throughout the week. QSL via HB9BOU.

TURKEY:
We -TA7KA / TRAC (Turkiye Radio Amateur Club) Trabzon Branch- are going to join CQ WW SSB Contest with a specific callsign TC7KA. Our station is on Trabzon City which is on the north east coast of Turkey. Our station is 200 m high from sea level. All of our antenna systems are home made. In contests and DX works they have really good performance at this place which has a wonderful landscape view. Our station has 1 KW continuous RF Out capability. You can find more details on the link:www.ta7ka.com

If one of you want to work with us for the contest please feel free to contact. That would be honour for us.

See you all on the air at CQ WW SSB Contest.
Bye byee...

He will be active also in CQ WW DX SSB Contest 24-25 october 2009
QSL via home call

CANADA, Olympic Winter games
The Vancouver Olympics Amateur Radio Group (VOARG) is promoting and coordinating the operation of a series of Special Event Amateur Radio callsigns to commemorate the Vancouver 2010 Winter Olympic and Paralympic Games to be held in February and March of 2010. Activity is anticipated on all bands from October 2009 to March 2010
Three special callsigns has been issued:
VG7V until No 2009 30th
VG7W, from Dec 2009 until Jan 2010, 31st
VG7G from frb 2010, 1st to March 2010 31st.
VOARG will be consolidating all contacts and intends to post them to the LOTW. In addition, commemorative QSL cards will be available at the conclusion of the events in April 2010. Direct QSL will require an self addressed envelope and 2 green stamps to cover postage sent to the following address:
VG7W
c/o VOARG

9362 - 206A St.
Langley, BC
Canada V1M 2W6
Cards received via the QSL bureau will be returned the same way.
A VOARG website will be operational in the very near future with more details.

ITALY

I don't know what happened to Robert. I haven't heard him on the air in
years. Evidently people have been having trouble getting cards from him
since at least 2004.
I believe I got a card from him, sent direct in the mid-90's, but that was a
long time ago.

9004. 4U1UN IN THE CQWW SSB CONTEST

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-10-21 18:36:58 UTC
From: GOLIST
Topic: 9004 Message: 9004

FOR IMMEDIATE RELEASE
NEW YORK, OCTOBER.21.2009

4U1UN IN THE CQWW SSB CONTEST:

A six-man team of NN1N, KR2Q, PY5EG, JK3GAD, OH0XX and OH2BH will be participating in the CQ World Wide DX SSB Contest, in the two-transmitter category providing this DXCC entity and unique multiplier to a large group of their fellow hams globally.

The station has a few new antennas. They include a SteppIR Vertical, a Butternut vertical for 40, 80 and 160 meters and 6M yagi.

As usual, QSL service will be handled by HB9BOU either via the bureau or direct. The logs will also be uploaded to LoTW after the operation has concluded.

Sent: 10/21/2009 4:46:27 P.M. Eastern Daylight Time
Subj: [CQ-Contest] Tragic Accident - C6APR

It is with great sadness that I have to inform the community of a tragic accident this morning at 630am EST.

The C6APR team, consisting of Pete, W2GJ, Ed, K3IXD, Randy K4QO and Dallas W3PP were all killed this morning as their aircraft crashed on take-off from Summerville Airport, SC on their way to Crooked Island, Bahamas. They were on their way to operate in the CQWW contest this weekend.

Our thoughts are with their families in this tragic time!

More as it made available!

Paul - NN4F

The CQ WW DX SSB in mourning:
These are two messages relayed to your editor thois morning:
Subj: [CQ-Contest] Tragic Accident - C6APR

It is with great sadness that I have to inform the community of a tragic accident this morning at 630am EST.

The C6APR team, consisting of Pete, W2GJ, Ed, K3IXD, Randy K4QO and Dallas W3PP were all killed this morning as their aircraft crashed on take-off from Summerville Airport, SC on their way to Crooked Island, Bahamas. They were on their way to operate in the CQWW contest this weekend.

Our thoughts are with their families in this tragic time!

More as it made available!

Paul - NN4F
By now many of you have probably heard the tragic news of the four C6APR team members dying in a plane crash early Wednesday morning as they were headed to Crooked Island, Bahamas.

On board the twin-engine Piper PA-23 were pilot W2GJ/C6APR (ex WN3TXL, W3TXL, W2DIQ), Peter Radding, of North Charleston, SC, K3IXD/C6AXD, Edwin F.
Steeble, of Summerville, SC, K4QO/C6AQO, James R. Hargenrader, of Summerville, SC, and W3PP (ex K3WUW), E. Dallas Carter, of Laurel, DE. Three of the team (W2GJ, K3IXD and W3PP) were members of the Potomac Valley Radio Club. They departed early yesterday morning and were headed to Crooked Island, Bahamas via Fort Pierce, FL. The plane crash took place just after they cleared the runway at the Summerville, SC airport. Our thoughts and prayers go out to all of the families and friends of the C6APR
crew.

Hi all
Pour ce bulletin, Merci à Paul/NNAF, Bernie/W3UR and the Daily DX, Pete's DX desk, Juan Luis/LU5CAB, Strange Radio Team
Le CQ WW DX SSB en deuil

Voici deux messages reçus ce matin :
[CQ-Contest] Crash - C6APR

C’est avec une grabnde tristesse que je dois vous annoncer le crash aérien survenu ce matin à 0630, am EST (mercredi).

Tous les membres de l’équipe qui devait concourir dans le CQWW SSB, depuis C6APR, Bahamas, composée de Pete, W2GJ, Ed, K3IXD, Randy K4QO et Dallas W3PP ont été tués ce matin dans le crash de leur avion, survenu au décollage de l’aéroport de Summerville, SC . Ils partaient pour Crooked Island,
Nos pensées vont à leurs familles dans ces temps tragiques et plus si possible.
Paul - NN4F
Vous êtes sans doute tous au courant des nouvelles tragiques concernant l’ équipe C6APR, décimée dans un crash aérien ce mercredi matin alors qu’ils partaient pour Crooked Island, Bahamas.

A bord du bimoteur Piper PA-23 , se trouvaient le pilote W2GJ/C6APR (ex WN3TXL,
W3TXL, W2DIQ), Peter Radding, de North Charleston, SC, K3IXD/C6AXD, Edwin F.
Steeble, de Summerville, SC, K4QO/C6AQO, James R. Hargenrader, de Summerville, SC, et W3PP (ex K3WUW), E. Dallas Carter, de Laurel, DE.
Trois d’entre eux étaient membres du Potomac Valley Radio Club(W2GJ, K3IXD and W3PP).
Ils devaient transiter par Fort Pierce, FL.
Le crash s’est produit pendant qu’ils s’éloignaient de la piste de l’ aéroport d Summerville, SC .
Nos pensées et prières vont vers les familles et les amis de l’équipe C6APR

Bernie McClenny, W3UR
THE DAILY DX http://www.dailydx.com/trial.htm

En leur honneur et pour le souvenir nous serons tous dans le CQ DX SSB :

*Folks
Due to the slow saloes for the Winter RAC, I will be ordering only the minimum number of cd's. If you are not on the pre sell list and want one, you need to place your order by the end of next week. I will work all the pre orders the first week of November and order the cd's from that list. I will have no more than 2 or 3 cd's for stock.

From: GOLIST
Topic: 8510 Message: 9012

The *OCTOBER 2009 Issue #910-D *files have been uploaded to the Golist
web site.
The weekly GoData files include DXCC APPROVED OPERATIONS in the
data file.
Use the DOWNLOAD button in your GOWIN program or this link in your
web browser. http://golist.net/dlauth.cfm
It is recommended that you open up GOWIN after downloading the data file
update and on the top bar click on FILES/CLEANUP FILES and run this
routine to clear all the old update files from the program folder.
This will prevent any lookup problems for you.
Now is a good time to send in your RENEWAL to GoWin if your subscription
is about to expire.

SILENT KEYS -

C6APR Team Killed In Trajic Accident -

By now many of you have probably heard the tragic news of the four C6APR team members dying in a plane crash early Wednesday morning as they were headed to Crooked Island, Bahamas.

On board the twin-engine Piper PA-23 were pilot W2GJ/C6APR (ex WN3TXL, W3TXL, W2DIQ), Peter Radding, of North Charleston, SC, K3IXD/C6AXD, Edwin F. Steeble, of Summerville, SC, K4QO/C6AQO, James R. Hargenrader, of Summerville, SC, and W3PP (ex K3WUW), E. Dallas Carter, of Laurel, DE. Three of the team (W2GJ, K3IXD and W3PP) were members of the Potomac Valley Radio Club. They departed early yesterday morning and were headed to Crooked Island, Bahamas via Fort Pierce, FL. The plane crash took place just after they cleared the runway at the Summerville, SC airport. Our thoughts and prayers go out to all of the families and friends of the C6APR crew. [Bernie McClenny, W3UR]

Subject: [CQ-Contest] C6APR
In memory of the four men who were tragically killed, and as a tribute
to this team, I'd like to suggest that we list this call sign as the
first contact in our CQWW logs.
Scott Straw
KB4KBS/5
Houston, TX

Subject: (Araucaria) Res: [CQ-Contest] C6APR

Hi friends
I second Scott's suggestion.
I kindly ask all our GADX contesters also to log C6APR as the first
contact.
Thanks in advance.
Oms PY5EG

BITS & PIECES -

FOR IMMEDIATE RELEASE
NEW YORK, OCTOBER.21.2009

4U1UN IN THE CQWW SSB CONTEST:

A six-man team of NN1N, KR2Q, PY5EG, JK3GAD, OH0XX and OH2BH will be
participating in the CQ World Wide DX SSB Contest, in the
two-transmitter category providing this DXCC entity and unique
multiplier to a large group of their fellow hams globally.

The station has a few new antennas. They include a SteppIR Vertical, a
Butternut vertical for 40, 80 and 160 meters and 6M yagi.

As usual, QSL service will be handled by HB9BOU either via the bureau or
direct. The logs will also be uploaded to LoTW after the operation has
concluded. [OH2BH]

Mike, RW1AI leaves St. Petersburg on November 1st aboard the
Oceanographic research ship Akademik Fedorov. By approx December 16,
Mike will arrive at 'Progress' station (AA U-03, WAP RUS-11, IOTA
AN-016). He plans to be active all of 2010 as R1ANP. [F5NQL]

Hi friends
For this issue, thanks to: Bernie/W3UR and The Daily DX, Bill/NG3K ,
Bill/NC1L, AT International, Diego/LU8ADX, Javier/LU5FF and Boletino de DX en
Español, Dave/VA3RJ & ICPO, MMMVHF and Guy/DL8EBW, DXNL,
UNITED NATIONS HQ NEW YORK:

Friday 4U1UN activity will include SSTV, PSK and 6 meters. Activity
should start just after 1200Z today.

DXCC

YI/KV4EB
DXCC credit for this operation originally noted dates from April 20, 2003
to November 28, 2003.. An update to this operation has been received and
the DXCC approval dates are now from April 20, 2003 through January 9, 2004.
If you had this operation rejected due to this date issue you can fix it
in one of two ways:
1) Send an email to _dxcc@arrl.org_ (mailto:dxcc@arrl.org)
2) Select it in your next LogBook of The World application as logs will
soon be uploaded.
This is ONLY if your QSO falls within the date period noted above.

AZERBAIDJAN
MEMBER OF 4K7Z RADIOCLUB as 4K7Z, ALL BAND, M/S...
QSL VIA UA3FDX

BOSNIA HERCEGOVINA:
E71A on SO80m,
E73M SOALL-A,
E77DX SOALL,
E77XZ SO15

*** J3 / FK92 ***
Harry,AC8G, and his team will be QRV as J37K from Oct 21-27.
They plan to take part in the WWDX Contest as well - maybe also
in single band categories. They will use monobanders for 10m,
15m, 20m, 40m and 6m, a tribander for 10m/15m/20m, a dualband
yagi for 12m/17m and several vertical antennas. QSLs for J37K
should be sent via AC8G.
CHILE
Roberto/CE4CT, Dale/VE7SV and Diego/LU8ADX, as CE4CT, Multi 2. QSL via
EA5KB.

Diego/LU8ADX, as CE3/LU8ADX., before the contest QSL via direct, bureau
and LOTW.
TONGA:
Ramon,XE1KK from Tonga Kingdom as A31KK
SOSB 20m

QSL LOTW all cards will be sended via buro automaticly

New Zealand

ZL4NR,ZL4OL,ZL4IV,ZL4PDX and ZL4RC as ZM4A
M/S QSL via ZL4AA buro,direct
CQ WW DX Contest CW (November 28&29)
MONGOLIA:
JTDXA Contest Team , CW Multi-Operators-Two Transmitters by JT1BV(Team Leader),JT1BL,JT1BZ,JT1CH,JT1BS,JT1DR,JT1CZ.
QSL via QRZ.COM address.

MALI:

Mac Obara ex JA8SLU will be active from Mali 2-23 November 2009 as TZ6JA
He will be active only SSB
QSL direct only to his ads in Japan:
Mac Obara, P.O. Box 59, Tama,Tokyo, 206-8691 JAPAN

BELIZE
AA4NC will be active from Belize 17-23 February 2010 as V31RR
He will be active on HF including WARC CW,SSB,RTTY
He will be in ARRL DX CW Contest 20-21 February 2010 in SO category
QSL via home call, LOTW

Senegal
Jean Louis,6W6JX is setup antennas on his new QTH and going to be very active starting end of October 2009
He will be active SSB,CW
Jean Lois also have contest call 6V6A
QSL direct

YJ0CCC update
30 Oct - 5 Nov 09

1) permission received for operation on the new 60m band (5,404.5kHz USB fixed frequency)
2) YJ0CCC : http://www.qrz.com/callsign/yj0ccc

ICELAND
Rene, DL2JRM will be active from Iceland (EU-021, WLOTA 2975) as TF/DL2JRM/p from 31 October to 2 November. QRV 160m-10m CW, 100W + GPs. QSL via home call, direct or bureau.

SOUTH AFRICA

ZS5Y (JF59JR) QRV 6m and 2m this weekend, for some skeds on 6m and 2m
If you have internet, lets meet here
http://www.pingjockey.net/cgi-bin/pingtalkB to set up skeds and knowing where to beam will be a huge advantage.
Contacts can be Tropo or Meteor Scatter, using WSJT software, FFK441 for MS and
JT65b for Tropo.

Let's all start from 05:30 and all meet on the logger at 06:00.
Where to find stations : 144.245 USB and 50.245 USB for digital modes and
SSB use 144.200 and 50.200.
More than 400km will require Digital modes.
So I for one will be on 144.245 and 50.245 as im to far for a SSB contact.
Im sending
this out to the sat mails as well as a lot of the satellite guys have
antennas and SSB radios so they can join if they want.

Mozambique
ZS6TAF active from Maputu,Mozambique time to time as C91BA
He is active on 80,40,20,15,10,6m
QSL via home call

Gambia
Andre,ON7YK will be active from Gambia untill 1 November 2009 as C56YK
He is active on HF Bands CW,SSB,PSK 31
QSL via home call buro,direct,LOTW,eQSL

Hi friends
For this issue, thanks to Bernie/W3UR and the Daily DX, AT International, DX Italia and Mario/II2MQP, Javier/LU5FF & Boletin de DX en Español
The following is from Space Weather News.

Space Weather News for Oct. 25, 2009
http://spaceweather.com

BIG SUNSPOT: The sun is showing signs of life. Sunspot 1029 emerged over the
weekend, and it is crackling with B- and C-class solar flares. The active region's magnetic polarity identifies it as a member of new Solar Cycle 24. If its growth continues apace, sunspot 1029 could soon become the biggest sunspot of 2009. Check http://spaceweather.com for animations and updates.

CQ WW DX Contest , Nov 28-29 , 2009

HAWAÏ
Jim,N6TJ will be active from Big Island,Hawaii as KH6ZN
He will be in SOAB HP category
QSL via qrz.com ads
Galapagos

Information du Space Weather .

Space Weather News pour le 25 octobre 2009.
http://spaceweather.com

Grosse éruption de soleil:
Le soleil montre à nouveau des signes de vie. L’éruption 1029, s’est produite tout le week end et elle coïncidé avec des flux de classe B- et C.
La polarité de la région magnétique en activité permet de dire qu’elle fait partie du Cycle 24.
S’il continue encore, ce sunspot 1029, pourrait être le plus important de l ’année 2009.

From: F5nql@aol.com
Topic: 9020 Message: 9020

Hi friends

From Rafik, F5CQ.

The FT5GA Log, Gloriosos 2009, has been uploaded on LotW, to day at 1235 utc.

Remain:
Bill Moore of the ARRL sent the following on October 12th, on ARRL Website and mailing lists:

"
ARRL DXCC Desk Approves FT5GA Operation (Oct 12, 2009) --
ARRL DXCC Manager Bill Moore, NC1L, reports that the FT5GA operation on _Glorioso Island_ (http://glorieuses2008.free.fr/index-e.htm) -- September 14-October 8, 2009 -- has been approved for DXCC credit.
Until this operation, Glorioso sat at number 4 on _DX Magazine_ (http://www.dxpub.com/) 's Most Wanted list; five operators operating for 23 days made more than 50,000 QSOs to make this rare one available.
Link to this item (http://www.arrl.org/?artid=9225)
"

FT5GA Website: _http://glorieuses2008.free.fr/_ (http://glorieuses2008.free.fr/)

Online log : _http://www.clublog.org/charts/?c=FT5GA_ (http://www.clublog.org/charts/?c=FT5GA)

73's Rafik/F5CQ

About the FT5GA log and LotW uploading, Didier, F5OGL team leader says :

Beginning quotes:

*
Rafik, F5CQ finished a very exhausting work , checking and checking again , the FT5GA log, before uploading it on Lotw.It was made to day at UTC 1235.

Of course some stations will not find one or several of their QSO's on.

To these hams I say "don't worry!". Every situation will be checked with big care.
It had been possible, in the huge pile ups, that some mistakes happened.

However, know also that FT5GA was pirated a lot of times , even on the scheduled DXpedition frequencies.

These malevolences are not of our fact, and we ask the community to understand us if some QSO's will be rejected , for having not be found in the log.
Thanks for

"
ending quotes

73's et merci, Didier

through, F5NQL's mailbox, Maurice, in charge of Internet Communication for FT5GA

Bonsoir à tous

De Rafik, F5CQ.

Le carnet de trafic de FT5GA - Gloriosos 2009 - a été téléchargé sur le LotW, ce jour à 1235 utc.

Rappel :
Bill Moore, NC1L, du bureau DXCC de l'ARRL a envoyé le message suivant sur le site et les listes de diffusion le 12 octobre 2009:

Le bureau ARRL DXCC Desk valide l'opération FT5GA (12 Oct , 2009) --
Le Manager du DXCC de l'ARRL, Bill Moore, NC1L, informe que l'opération FT5GA , sur les _Glorioso _ (http://glorieuses2008.free.fr/index-e.htm) --
14-Septembre - 8,Octobre 2009 -- a été validée pour être produite au crédit des demandes DXCC.

Pour cette opération qui figurait au 4ème rang des pays les plus recherchés selon le _DX Magazine_ (http://www.dxpub.com/) , cinq opérateurs actifs pendant 23 jours ont réalisé plus de 50,000 QSO, afin de rendre un peu plus disponible cette entité très rare.

(http://www.clublog.org/charts/?c=FT5GA)

73's Rafik/F5CQ

De Didier/F5OGL, Chef d'Expédition, FT5GA:

DEBUT DE CITATION:

Rafik, F5CQ vient de terminer un travail harassant de vérification des logs
de FT5GA pour les mettre sur LoTW. Il s'avère que, bien entendu, des stations ne se retrouvent pas dans les logs. Je tiens à rassurer tout le monde en disant que chaque demande qui n'est pas dans le log sera étudier avec la plus grande minutie. Il est en effet possible que dans les énormes pile-up que les opérateurs ont connu, des erreurs se soient glissées.
Cependant, il faut aussi signaler que FT5GA a été piraté et brouillé à de nombreuses reprises et que ces actes de malveillance sont indépendants de notre volonté et nous n'y pouvons rien.
Merci de votre compréhension.

FIN DE CITATION

73's et merci

Hi friends
For this issue, thanks to : Jean-Yves/F8LDX, Gerard/F4ETA,
Stephane/F5UOW, AT International, Pete’s DX Desk.
FRANCE:
The Havre Radio Club, F8KHN, will aire the special callsign TM1TJV ,
between Nov 4 to 8, for the departure of the Transatlantic sailing ships race
between Le Havre and Costa-Rica
All HF bands, and numerous modes.
QSL bureau or via direct to : Radio Club Havrais F4FNU BP101 76050 Le
Havre Cedex, FRANCE.
SOTA FRANCE:
Weather permitting, to day starting 0900 utc, look for Stephane/F5UOW, to
be active from the Mont Pincon, F/NO-018.
Callsign F5UOW/p and may be F1BKM/p and F4CMC/p also.
HF, V&UHF on or near SOTA frequencies, CW&SSB/FM.

USA :
The Emporia Amateur Radio Society will be on the air with a
Special Event Station on November 7th and on Veterans Day, November 11,
to honor our Veterans. We will be using the Special Event Callsign KØV,
and the station will be located
adjacent to the Emporia All Veterans Memorial.
Operating times will be 1900Z (1PM CST) to 2300Z
(5PM CST) on Saturday November 7th,
and from 1400Z (8AM CST) to 2400Z (6PM CST)
on Veterans Day, November 11th.
Frequencies will be 14.268, 7.262 and 3.920, +/- 20 Khz.
Other frequencies may be used depending on
QRM and/or Propagation. We may also try some
Digital QSO's, especially on Saturday the 7th. We
may also extend the operating time on the 11th
beyond 2400Z (6PM CST), depending on various
factors such as Operator Fatique vs Tremendous
Band Conditions and Thousands of DX Stations
Crying for a Contact with KØV!!!
Special QSL cards are available, and will require a SASE sent to:
EARS
Connie Steinel KØUER

9023. Rare IOTA - SA-071 Cabras Isl.

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-10-28 12:19:12 UTC
From: F5nql@aol.com
Topic: 9023 Message: 9023

Hi friends
For this issue thanks to Fred/PY2XB
Cabras Island IOTA SA-071 activation from Nov 19 2009 thru Nov 23 2009
**

PY2XB, Fred and PY2WAS, Alex will activate Cabras Isl(SA-071 group) between Nov 19 2009 and Nov 23 2009. IOTA SA-071 continues to have a high demand among IOTA program participants.

They will use PW2IO (PY2XB) and PW2TA (PY2WAS) calls.

They will operate two separate stations running 300W and 100W respectively. The antennas will be a yagi for 15, 17 and 20m and a multiband ZEP. The team guarantees that at least one station will be on the air around the clock. Both stations will work CW and SSB. The main bands to be used are 15, 17, 20,30 and 40metros, on IOTA frequencies. Alternative frequencies may be used if necessary.

As far as we know Cabras Isl has never been activated. The team will need to take life support to the island, including generator and batteries for energy. The landing on the island is difficult and the operation may be postponed in case of bad sea. News will be forwarded thru Luke, PT7WA. Additional information will be available at QRZ.COM

QSL routes: PW2IO via PT7WA e PW2TA via PY2WAS

Forwarded with 73 by

Bonjour à tous
Pour ce bulletin, merci à Fred/PY2XB

Cabras – IOTA SA-071 – 19 au 23 novembre 2009.
PY2XB/Fred et PY2WAS/Alex seront actifs depuis Cabras, SA-071, du 19 au 23 novembre 2009.
Le IOTA-SA-071, continue d'être très demandé par la communauté radioamateur et les chasseurs de IOTA.
Indicatifs : PW2IO (PY2XB) et PW2TA (PY2WAS)
Ils utiliseront deux stations séparées (300 et 100 watts) et disposeront de Yagis bandes hautes (15, 17 et 20m) et une Zepp multibande.
L'équipe organisera le trafic de manière à ce qu'il y ait en permanence au moins une station sur l'air, 24h/24.
Trafic en CW et SSB .
Bandes principales : 15, 17, 20, 30 et 40m. (d'autres possibles si nécessaire)
Aussi loin qu'on se souvienne, il n'y a jamais eu d'activité sur Cabras.

L'équipe doit tout apporter sur l'île – nourriture, équipements camping, groupes électrogènes, batteries etc …
L'accostage est très difficile et l'opération est susceptible d'être reportée en cas de mauvaises conditions de mer et de météo.
Les nouvelles complémentaires vous seront transmises par Luke, PT7WA/
D'autres informations seront aussi postées sur QRZ.com.
Les QSL sont demandées comme suit : : PW2IO via PT7WA et PW2TA via PY2WAS

The *NOVEMBER 2009 Issue #911 *files have been uploaded to the Golist
web site.
The weekly GoData files? include DXCC APPROVED OPERATIONS in the
data file.
Use the DOWNLOAD button in your GOWIN program or this link in your
web browser. http://golist.net/dlauth.cfm
It is recommended that you open up GOWIN after downloading the data file
update and on the top bar click on FILES/CLEANUP FILES and run this
routine to clear all the old update files from the program folder.
This will prevent any lookup problems for you.
Now is a good time to send in your RENEWAL to GoWin if your subscription
is about to expire.

9026. [ICPO] ICPO Bulletin (29 October - 06 November, 2009)

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-10-29 21:16:59 UTC
From: Dave Raycroft
Topic: 9026 Message: 9026

I.C.P.O. Bulletin (29 October - 06 November, 2009)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

29/10/2009: Yoshi, JE2EHP, will be active as 4X/K1HP from Tel Aviv and Jerusalem in Israel between 29 October and 5 November. Activity will be on all the HF bands and 6m, using CW, SSB and RTTY. QSL via home call, bureau preferred. [NG3K]

29/10/2009: Fernando, EA4BB is active from Harare, Zimbabwe, as Z21BB on 10, 15 and 20 metres. He is planning to setup antennas on 40, 80m and WARC bands soon. Length of stay is unknown. QSL via W3HNK. [F5NQL]

29/10/2009: Hamilton PY6HD, Beto PY6RT and Nilzo PY6AWU will activate the Abrolhos lighthouse (DFB BA-014, ARLHS ARLHS BRA-001, TWLHD WLH PY-001) on the Santa Barbara Island (DIB BA-01, WLOTA 0463), in the Abrolhos Archipelago (IOTA SA-019) as ZZ6Z. This activation also applies to the LABRE diplomas: WAA, WAB, WAO and DBDX (the latter only for contacts in 40 or 80 meters). Scheduled dates are from 29 October to 2 November, but this may vary due to Brazilian Navy schedules. QRV 80-10m, SSB only. QSL via PY6HD, only direct with SAE + new IRC (valid 2010 to 2012). Further info can be found at: www.qrz.com/db/ZZ6Z [PT7WA]

30/10/2009: From 30 October to 2 November Jean-Claude F5IL, Juan F5IRC, Luis F5THW, Christophe F5UBH will sign TM5SN from Sein Island (EU-068, DIFM AT-007) and lighthouse (DPLF PB-106, ARLHS FRA-066, WLH F-027, WLOTA 2721). They also plan to activate the Sein Mill (DMF reference 29-015) located in the commune Ile de Sein (CP 29990), Department Finistere/29. QSL via operator's instructions. [F5IRC]

30/10/2009: Tomas, VK2CCC will be active, part time, from Vanuatu (OC-035) between 30 October and 5 November using the callsign YJ0CCC. QRV mainly 160m and 80m CW. During his activation, Tomas will also include some 5404.5kHz USB operation on the new 5Mhz band. QSL via home call, bureau preferred. More info available at: www.qrz.com/db/yj0ccc [NG3K]

31/10/2009: Operators Edi/PU8TEP, Abilio/PV8AZ, Paulo/PV8DX, Ivan/PV8IG, Ivan/PY1YB, Anderson/PY2TNT and Alex/PY2WAS will be active from Lethem, Upper Takutu-Upper Essequibo (region), Guyana (Grid GJ03), as 8R1PY from 31 October to 4 November. QRV 160-6 meters using SSB, CW, RTTY and BPSK31. QSL via PY2WAS. [NG3K]

31/10/2009: François/F5JNE and Claude/F5MCC will be active as homecall/p on 31st October from the Coutarnoux Castle (DFCF 89-309), located in the city of Coutarnoux (CP 89440), canton [county] of Isle

sur Serein (DDCF 89-17), Department Yonne/89 and Province Burgundy (DPF 05). QRV 80 and 40m CW/SSB, starting around 0700 UTC. QSL bureau preferred and SWL cards welcome. [F5NQL]

31/10/2009: Rene, DL2JRM will be active from Iceland (EU-021, WLOTA 2975) as TF/DL2JRM/p from 31 October to 2 November. QRV 160m-10m CW, 100W + GPs. QSL via home call, direct or bureau. [rsgbiota.org]

31/10/2009: Operators Marco/CE6TBN, Leszek/NI1L, Art/PA3C, Zbig/SP7HOV, Stan/SQ8X and Victoria/SV2KBS will be active as XR0Y from the outskirts of Hanga Roa (Grid DG52gu), Rapa Nui [aka Easter island] (SA-001, DICE ICE-001 for the Islands of Chile Award) between 31 October and 15 November. Plans are to focus on 160, 80, 40 and above all 30 meters (CW only, as digital modes on 30m are not allowed). Working Europe on 30 meters will be their priority during the first week on the island. They will have three stations with two amplifiers and several antennas. Although SSB will not be neglected, CW will be the main operating mode, with some RTTY being planned as well. QSL routes: Europe, Asia, Africa and Oceania - direct/bureau via SQ8X; North, Central and South America - direct/bureau via Rádio Clube de Chile (CE3AA). Further information can be found on the expedtion's web site (rapanui2009.org/ of http://afrr.zip.net/). [425 DX News]

01/11/2009: Harald, DL7VSN, is back in Tanzania again and plans to become QRV after his Kilimanjaro trip around 1st November. He will work on 160m-10m mainly in CW and RTTY running 100 watts with several dipoles. His callsign should be 5H1HS again. He may also activate another island group for one or two days if everything works fine with his transportation. Harald hopes to become active also from the Serengeti and Tarangire national parks where he will go on the 18th November. QSL via bureau or direct (Harald Schlesinger, Buergerheimstr. 19, 10365 Berlin, GERMANY). [F5NQL]

01/11/2009: Operators Rudi/DF8AE, Burkhard/DF8XC, Georg/DK5QN, Dirk/DL1YDI and Pete/DL1YAW will be active as 5P3WW from Mon Island (EU-029, DIA SJ-017, WLOTA L-4630, WW Loc. JO64EX), 1-9 November, including an entry in the Marconic Contest with new portable antenna setup, 10m to the shore-line. Activity will be MS-TR on 144 MHz. QSL via DL1YAW, bureau preferred. [MMMonVHF]

01/11/2009: Chris, DO7AG flies to the South Pacific with his family between November, 2009 and January 2010. He expects to be active as 5W1QX and A31CE on 40m and 20m only - those are the bands which he can use with his type of license class. Activation dates to be determined. Chris notes he realises another activition of A3 & 5W at the same time as his trip and hopes to meet Claudia and Andrea! The 5W1QX QTH will be Aleipata district, Upolu island (OC-097, WLOTA L1944, WW Loc. AH36SG), Samoa; the A31CE QTH will be Nuku'alofa, Tongatapu, Tonga (OC-049, WW Loc. AG28JS). QSL via home call, direct or bureau. [DO7AG]

01/11/2009: Chris, ZS6RI is working in Liberia for about six weeks starting by the end of October or beginning of November. He will work

mostly in CW but also in SSB and digital modes using his QRP transceiver, dipoles and a vertical antenna. QSL via home call. [F5NQL]

01/11/2009: Joao, CT2GQA will be in Guinea-Bissau for the next five years. He has two callsigns: J5GQZ to be used on 20m/17m and J5JUA for 80m/40m. QSL cards should be sent via his homecall. [DX Newsletter]

01/11/2009: Look for Orlando, PY2TJ to be active from Isla Tierra Del Fuego (IOTA SA-008, WLOTA L2448 [New!]) as LU/PY2TJ from 01-07 November, 2009. Expect activity on all HF bands. QSL via PT2OP direct preferred, or bureau. [F5OGG]

02/11/2009: Mark, KG8DP will once again activate Grassy Key (NA-062, USi FL068S, Monroe county), Florida, from 2-9 November. Operations will be stationary at Grassy Key and mobile as he travels to Key West and all points on the ocean. He will use the callsign KG8DP, as well as his club callsign NA8KD. This will be a week trip. QSL both KG8DP/NA8KD via info on QRZ.com (w/SASE). Mark will be using an IC-7000, 1.2 kw amp mobile and GLA-1000B portable amp. [OPDX Bulletin]

02/11/2009: Mac, TZ6JA will be back to Mali and hopes to operate SSB only during his early morning and late evening hours between 2 and 23 November. He will have two transceivers, a small amplifier, a 2-element beam for 40 and 20 meters and a G5RV. QSL direct only to Makoto Obara, P.O. Box 59, Tama, Tokyo, 206-8691 Japan. [425 DX News]

03/11/2009: Tom/DL2RUM (VP2MUM), Rudi/DM2XO (VP2MXO), and Jan/DJ8NK (VP2MNK) will QRV from the island of Montserrat (IOTA NA-103, WLOTA L 1475) from 3-15 November. Activity will be on 160-10m using CW, SSB and RTTY. QSL via home calls, direct or bureau. [AT International]

04/11/2009: Dave N3XF, Ed K1ZE and Bob W1EQ will be signing KP2/homecall from the Windwood Estates, island of St. Croix (USi VI002S, WLOTA L2477) between 4-11 November. QRV 160-10m, CW/SSB and possible RTTY, including an entry in the ARRL Sweepstakes Contest (7-8 November) as KP2M. QSL KP2M via QRZ.com. QSL's for others via their home call and LoTW. [NG3K]

04/11/2009: Paul, W4/VP9KF will be active from Baileys Bay, Hamilton Parish, Bermuda (NA-005) as VP9KF from 4 to 18 November, 2009. QRV all HF bands, CW only. QSL direct only (QRZ.com). [W4/VP9KF]

04/11/2009: Manfred/DK1BT, Wolf/DL4WK, Andy/DL5CW, Sigi/DL7DF and Frank/DL7UFR plan to be active 4-17 November from Phu Quoc island (AS-128), Gulf of Thailand, Vietnam, using the callsign XV4D. They will be active with several stations on 160m through 10m on CW, SSB. One station will be exclusively dedicated to RTTY, PSK31 and SSTV. Their equipment consists of 3 transceivers (2 x K2, 1 x IC7000), 3 x kW linears , 2 x 18 m Lowband Vertical, a 2 elem vertical for 40, a 2 elem vertical for 30, 2 Spiderbeam for 20/17/15/12/10, some Beverage antennas as well as some laptop computers. Pilot for this DXpedition is Bernd, DF3CB. The QSL route is via DL7DF either direct to: Sigi Presch DL7DF,

Wilhelmsmuehlenweg 123, D-12621 Berlin, Germany or via the German QSL bureau DARC to DL7DF. If you prefer a direct QSL please send a SASE and 1 IRC or 3 US$ for outside of Europe and 1 IRC or 2 US$ for mail within Europe. Further info, plus logsearch, will be available at: www.dl7df.com/xv/index.php [DL7DF]

06/11/2009: Steve/9M6DXX and John/9M6XRO will operate from Pulau Labuan (IOTA OC-133, WLOTA L 0456) from 6-8 November (and possibly for one or two hours from 0000 UTC on 9 November) as follows: 9M6DXX/P 10m - 80m on SSB only; 9M6XRO/P 10m - 160m on CW and RTTY. Stations will be using linear amplifiers to a multi-band vertical and a 160m inverted-L, both mounted very close to the ocean. They hope it will be possible to operate on 160m CW at the same time as SSB on the other bands. QSL both 9M6DXX/P and 9M6XRO/P via M0URX, either direct, via the bureau or LoTW. See www.m0urx.com/ for details. [F5NQL]

06/11/2009: Kazik HB0/DL2SBY, Tomi HB0/HA4DX and Laci HB0/HA0HW will be active 6-13 November from Masessa, Liechtenstein. Their main focus to do as many QSOs as possible on 160, 80 and 40 metre bands. They We have 3 radios 2 with amplifiers. On 160 they will use an 18m Spiderpole inverted L, on 80 inverted Vee and loaded Gp, and on 40m a Gp on another Spiderple (12m). For the upper bands they have a Spider beam top on the 11m mast. QRV mainly using CW but some SSB is also expected. QSL via bureau to each appropriate operator. [HA0HW]

06/11/2009: Members of the Grupo DX Caracas will be active from Farallon Centinela Island (SA-058, DIV-059, WLOTA L0012, Grid FK60) from 6-9th November, 2009 using the callsign YW5F. They will be active on 80-2m SSB, CW and FM. QSL via DM4TI. [F5NQL]

06/11/2009: Ben, OZ5AAH will again participate in the International Police Association Contest (6-7 November) from Tallinn, Estonia. QRV SSB and CW. QSLs are good for the Sherlock Holmes Award. QSL direct to home call (Ben Jakobsen, Gjethusparken 25, 3300 Fr.vaerk, Denmark). [F5NQL]
==========
LOOKING AHEAD -

07/11/2009: Ronald PA3EWP (MD/PA3EWP) and Tom GM4FDM (GD4FDM) will be active from Isle of Man (IOTA EU-116, WLOTA LH 0449) from 7-9 November. QRV on all HF bands/modes. QSL MD/PA3EWP via PA7FM, direct or bureau. QSL GD4FDM via GM4FDM, direct or bureau. [AT International]

10/11/2009: Dave N1EMC (T30KI) and Mike N1IW (T30IW) will be active from Abatao Islet, Tarawa Atoll, West Kiribati (OC-017) from 10-16 November. QRV 60-6m CW and SSB as conditions permit, using 100 watts. There will be no activity on 80m or 160m. QSL via N1EMC, direct only. Further information can be found at: dx.t30dx.net/ [NG3K]

14/11/2009: Members of the Uruguay DX Group will be active from Port Stanley, East Falkland Island (SA-002, WLOTA L1479) from 14-21 November. They will use the callsign VP8BUH mainly on the low bands and WARC SSB. They will also use the callsign VP8BUG on the digital modes. Operators

include Gus/CX2AM, Gus/CX3CE, Bert/CX3AN, Mario/CX4CR and Luis/CX4AAJ. QSL via EB7AEY. [F5NQL]

19/11/2009: Fred PY2XB and Alex PY2WAS will activate Cabras Island (SA-071, DIB SP-06) between 19-23 November. They will use PW2IO (PY2XB) and PW2TA (PY2WAS) calls. They will operate two separate stations running 300W and 100W respectively. The antennas will be a yagi for 15, 17 and 20m and a multiband ZEP. The team guarantees that at least one station will be on the air around the clock. Both stations will work CW and SSB. The main bands to be used are 15, 17, 20, 30 and 40 metres, on IOTA frequencies. Alternative frequencies may be used if necessary. The team will need to take life support to the island, including generator and batteries for energy. The landing on the island is difficult and the operation may be postponed in case of bad sea. News will be forwarded thru Luke, PT7WA. Additional information will be available at QRZ.com. QSL routes: PW2IO via PT7WA and PW2TA via PY2WAS [F5NQL]

25/11/2009: Niko, S53A will be active from Hippo Lodge, Kafue National Park (WFFA reference 9JFF-003), Zambia, as 9J3A from 25-30 November, including an entry in the CQWW DX CW Contest (28-29 November). QRV using low power on all bands. Antennas include 80m vertical, 40m 2el wire delta loop and 20-10m spider beam. QSL via S57S, direct only. [NG3K]

25/11/2009: T88CI (HA5AO), Pista will be back once again to the Island of Koror (OC-009), Republic of Palau. He will be active between 25 November and 10 December 2009. During this holiday style operation he will be working on the HF bands, throughout 80-10 meters, might be also on 160 m, mainly on CW, however SSB and RRTY activity is also possible. He will also attend to the CQ WW CW contest, in the single operator, all band, high power category. QSL via HA5AO direct, bureau and LoTW. Logsearch will be available on his website: ha5ao.novolab.hu/ [HA0HW]

28/11/2009: Jim, N6TJ will be active as KH6ZN from the island of Oahu (USi HI008S, WLOTA L1227), Hawaii (OC-019), Honolulu County, in the CQWW DX CW Contest as a Single-Op/All-Band/High-Power entry. QSL via the info at QRZ.com under KH6ZN. [NG3K]

28/11/2009: Tomi, OH6EI will be signing OH0Z from Aland Island (EU-002, WLOTA LH 1373) in the CQWW DX CW Contest (28-29 November) as a Single-Op/All-Band/High-Power entry. QSL via W0MM. [NG3K]

28/11/2009: Stuie, VK8NSB will be active from Darwin, NT, Australia (OC-001, WLOTA L1520) in the CQWW DX CW Contest (28-29 November) as a Single-Op/All-Band entry. QSL via VK6NE, direct or bureau. [NG3K]

28/11/2009: Eric, K9GY will be active from the YN2N QTH in Grenada, Nicaragua, as YN2GY for the CQWW DX CW Contest (28-29 November) as a Single-Op/All-Band/Low-Power entry. QSL prefer via LoTW (direct if card needed). [F5NQL]

==========

SPECIAL EVENTS -

31/10/2009: On 31 October, GB0BME will be on the air for the Bancroft Mill Engine, located in Barnoldswick, England (IOTA EU-005, WLOTA LH 1841). QSL via the RSGB bureau. [GB2RS]

The ISWL Club Callsign's in use during November 2009 will be:
GP4BJC /A - Operated from Guernsey, in the Channel Islands, by Lionel - MU0GSY. (WAB Square = WV38-Guernsey & IOTA = EU-114).
MX1SWL /A - Operated from Long Sutton, in Lincolnshire, by Mike - G3JKN. (WAB Square = TF42-England & IOTA = EU-005).
Please Note: The WAB Format changed on 1st January 2009. The new format is: 10Km Square Number and Country. (Not District and County). Web: www.worked-all-britain.org.uk/
The ISWL's WAB Book numbers are: 16316 and 16724.
All QSL Info is on www.iswl.org.uk/ or www.qrz.com/ or via www.eQSL.cc/ NO LOTW.
ISWL Awards are available to all Hams and SWL's - see www.iswl.org.uk/ for full details.
eQSL.cc cards ARE accepted for our awards. [Pete's-DX-Newsdesk]

01/11/2009: The Balkan Contest Club will air special event callsign LZ1195IR between 1-30 November from Karlovo, Bulgaria, and is dedicated to St.John of Rila - the holy man pleasing God, a wonder-maker, the protector and intercessor of the Bulgarian nation before the Throne of God in heavens. This glorified ascet lived in the Rila mountains. "Oh, Holy John, pray before God for your Christian Motherland and for all of us!" (See "Lives of Bulgarian Saints"). QSL via bureau or direct to: LZ1KZA, P.O.Box 36, 4300 Karlovo, Bulgaria. LZ1195IR counts 10 points for "St. Teodosii Tyrnovski" award: www.balkanclub.org/awards.htm . You can read for BALKAN mountain at: tourism.karlovoinfo.com/ and www.centralbalkannationalpark.org/en/index.phtml [F5NQL]

01/11/2009: Mick, G3LIK reports he will be active as GB4RN (GB4 Royal Navy), located in Waterlooville, England (IOTA EU-005, WLOTA LH 1841), on 1-28 November, which will include the RNARS CW Activity Contest (rules at www.rnars.org.uk/RNARS_Contest_2009.htm) on 21-22 November. QSL via G3LIK (QRZ.com). [425 DX News]

01/11/2009: Second Arecibo Observatory activation - KP4AO. After the huge success of the first activation, the Arecibo Observatory Radio Club - KP4AO will be on-the-air again 01 November 2009 to commemorate 46 years of operations of still the single largest radio telescope antenna in the world. They will also commemorate the 35th anniversary of the Arecibo Message, which was sent on November 16, 1974, in binary code and transmitted to the globular star cluster M13, for if it is received by intelligent life, to let them know about our existence. "We had a such a great response that we had more than 100 radio hams operating the station in the Control Room taking turns", said Angel Vazquez - WP3R who works in the Observatory. The special event will take place from 1300-2000 UTC and will be on 20 metre SSB. There will be certificates for those who make contact as well for operators. [QRZ.com]

04/11/2009: The Havre Radio Club (F8KHN will air the special callsign TM1TJV, between 4-8 November, for the departure of the Transatlantic sailing ships race between Le Havre and Costa-Rica. All HF bands, and numerous modes. QSL via the bureau or direct (Radio Club Havrais F4FNU, BP101, 76050 Le Havre Cedex, FRANCE. [F5NQL]

06/11/2009: The callsign GB0AD is to commemorate Armistice Day on November 11th 2009. Aberdare & District ARS will be on air from Aberdare, Wales (IOTA EU-005, WLOTA LH 0453), with the callsign on the following dates in November: Friday 6th, Saturday 7th, Sunday 8th (Remembrance Sunday) and Thursday November 11th on most bands bands dependent on conditions. QSL manager is 2W0XTP either direct or via the RSGB bureau. [QRZ.com]

U.S.A. Special event station information can be found at:

>From Rafik, F5CQ.
The FT5GA Log, Gloriosos 2009, has been uploaded on LotW, today (27
October) at 1235 utc.

A message from Gene, UA9AB, who is QSL manager for several stations,
says that his address has changed to:

Gene Shcumat
PO Box 18527
Chelyabinsk 454021
RUSSIA

Gene said that his old address is still valid for the immediate future.
[K0DEQ]

QSLs received Bureau - E4/OM2DX, EY7AF, FG/OM3LA, FP/KV1J, TA2MW/0,
T32OU, T32Z, TI50DX, V25OP, V73NS, VO1IMD, VP5T, VY1JA.

QSLs received Direct - 5B4AIF (EB7DX), V51AS (QRZ.com), XU7TZG (ON7PP).

QSLs received LoTW - FT5GA, K4M.
==========
SILENT KEYS -

DJ Bradford "Derek", G3LCK became silent key on 21st October. Derek died
while building a 2M beam antenna and had been planning to improve his
VHF set-up to help activate CW on 2M.

Former Hudson Division Director Paul Vydareny, WB2VUK, SK -
Paul Vydareny, WB2VUK, of Tarrytown, New York, passed away Thursday,
October 22, from a brain aneurysm. He was 65.
==========
BITS & PIECES -

"NCDXF will be sending the K4M webmaster, Don N1DG. a complete list of
all contributors for K4M LOTW upload. Any NCDXF contributor in the last
eighteen months will be included. This will be done as soon as we have
booked October contributors which should be by November 4th. You *DO
NOT* have to E mail N1DG to make this happen so please do not"

73,
The Board of NCDXF

Listen for W1ACB/US on 14.045MHz and 7.045MHz operating CW. It is a
permanent station for the US Army Signal Corps and the British Royal
Naval Signals of WWII. Go to QRZ.com to view their WWII tower. They also
operate on other bands from Top Band to 10m and can usually be heard on
frequencies ending in 45. [GB2RS]

9030. Lost Logs

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-10-31 15:13:14 UTC
From: GOLIST
Topic: 9030 Message: 9030

*The notice below just emphasizes why dxpedition logs should be uploaded
to LOTW in the early stages. The log info could be recovered and at the
worst
people could use LOTW to confirm the missing contacts.
IMHO

From: J A Sheffield
Topic: 9030 Message: 9031

While not valid for DXCC, files uploaded to eQSL can also be downloaded as an *.adi file and used to restore a lost log. Guess it's best to keep both L0TH and eQSL up to date.

DX :

DF8AN will be active from Galapagos Islands untill 7 November 2009 as
HC8/DF8AN
He will be active on HF bands mainly CW
QSL via home call buro,direct
OGASAWARA
I’m planning to operate with my new call JD1BNN in Ogasawara, from March
28, 2010 through March 31, 2010 ONLY*.
My JA call is JF3MYU and I will be there with three other amateur friends
from MI, USA, but I will have to leave JD1 earlier than the rest of the
members. Also I have my own QSL route,
so please make a space separated from the other OMs. They will stay there
much longer and they seem to have a different QSL manager in the US.
As for my operation, I will focus on WARC bands
QSL is OK via JARL bureau or direct to CBA.
73

Kirk Itaya, JD1BNN
Hello! Bill

URUGUAY DX GROUP FALKLAND ISLANDS 2009 DX-PEDITION

from Port Stanley between november 14thh till 21st
we hope to start operation at local sunet on 14th working 40 meters
depending on transportations matters
Will sign VP8BUH on SSB and VP8BUG on cw/digitals
6 operators :

Mario CX4CR (SSB , CW & Digitals)
Bert CX3AN (SSb & CW)
Gus CX2AM (CW) as he said: the real mode
Gus CX3CE (the lower bander)
Luis CX4AAJ (Digitals)Last year CQWW RTTY winner
And last added Horacio CX3BH with his young 91 years!
3 stations Icom IC 706 plus IC2KL ; 24 hours round the clock specially
atention on warc and low bands.
Qsl manager :David ED7DX
Pilot and web master: Carlos CX8ABF
More details on:
http://www.qsl.net/vp8bug (http://www.qsl.net/vp8bug)

EASTER IS. (CE0):
Roberto, YV5IAL will be active as CE0/YV5IAL (IOTA
SA-001) between January 08-11st. This will be a QRP, portable, holiday
style operation. Activity will be on PSK31 digital mode on 14070.15 KHz
from 2200-0100 UTC, and occasionally on 40/30/15 meters. QSL via home
callsign.

ITALY
6, 7, 8 NOVEMBER 2009 :
PROCIDA island iota EU-031, I.I.A. NA-002, "May be" also from ISCHIA &
VIVARA islands.

Operators :
IC8ATA Raul, IC8/IK7JWX Fred, IC8/IW8EHK Alex, IC8/I8LWL Leo, IC8/IK8GQY Titty (yl).
Bands : all HF (6 m.).
Modes : SSB, RTTY, PSK31.
WW.LOCATORS :
IS. PROCIDA > JN70BR
IS. ISCHIA > JN60XR
IS. VIVARA > JN70AR

QSL via operators' instructions.

CHESTERFIELD :
AA7JV one of the two ops of the upcoming
TX3A DXpedition team heading to the Chesterfield Islands.

Leaving the shelter of Saumarez Reef (10-31-2009 from AA7JV)

The weather has not improved much, winds are still 18 to 20 kts and forecast
to increase to 25 kts, but we are determined to try making the passage to Chesterfield. We will be raising the anchor at 10 AM local time and will get
out of the protection of the reef by noon. That is when we will know the actual conditions outside, which we hope, will be, if not comfortable, at least safe enough. The distance to Chesterfield is 320 nautical miles (approx. 600 km) which will take us 46 hours to cross. That should put us just outside Chesterfield on Monday (Nov 02) around 8 AM. We will probably spend the rest of the day crossing the lagoon and finding a suitable cay to set up on. There are many considerations when selecting the right cay. First, it should be possible to safely anchor the boat close to the land. Second, there should be suitable shallow areas to install our TX antennas in
the water, but enough land above high tide water to ensure that we do not get flooded in the event of a storm. All other considerations, such as comfort, come after. We will likely spend Tuesday setting up with a good chance of getting on the air that evening (Nov 03, around 0700 UTC). First, however, we have to get there...

Under Way to Chesterfield Reef (10-31-2009 from AA7JV)

We left Saumarez Reef at 10 AM local time and gained the open sea at 11. Initially the seas were very rough. The seas laid down in the afternoon and we had a relatively comfortable cruise until about 5 PM, when the waves increased rather quickly. Currently we are fighting 2 to 2.5 meter waves and
a strong current, with the boat rolling hard but not dangerously. The WX forecast indicates deteriorating conditions tomorrow morning, and some improvement for tomorrow night. We are now approximately 230 nautical miles to the west of Chesterfield and expect to arrive there early Monday morning.

GERMANY
DK2ZF, back at JO98 in the peak of the Leonids 2009. I like
to hit die maximum of Leonids. Power abt 1 kW Ant 9 ele on 144.
100 W and 5 ele on 50 MHz. Skeds are highly recommended. First come
first serve. No internet at site. niefind.rolf"at"t-online.de
QSLs direct only - no longer member of DARC.

QSL via instructions.

CHESTERFIELD :
AA7JV o, l'un des deux opérateurs de la prochaine expédition TX3A à
Chesterfield .

Depuis notre cabane sur Saumarez Reef (31-10-2009 par AA7JV)

Le temps ne s'est pas beaucoup amélioré; les vents sont toujours
importants et la météo prévoit une aggravation , mais nous sommes déterminés à
passer sur Chesterfield.
Nous lèverons l'ancre à 10h du matin locales pour pouvoir passer la
barre avant midi. Ce sera ainsi quand nous connaîtrons avec précision les
conditions de mer qui espérons le seront sinon exécrables, suffisantes pour nous
permettre malgré tout de passer avec suffisamment de sécurité.
La distance pour Chesterfield est de 320 nautiques (env 600km) qui
devraient nous prendre environ 46 heures de navigation, ce qui devrait nous amener
sur Chesterfield Lundi aux environs de 8 heures du matin . Nous passerons
sans doute le reste de la journée à franchir le lagon et rechercher une
place convenable pour nous installer.
Les critères de choix seront d'abord une possibilité d'ancrage en toute
sécurité pour le bateau et suffisamment proche de la terre. Deuxièmement
nous rechercherons un emplacement suffisamment il faudra trouver un endroit
pru profond pour pouvoir installer nos antennes d'émission les pieds dans l'
eau, mais suffisamment élever pour ne pas être submergé à marée haute, niç
emporté en cas d'orage ou tempête.
Tous les autres critères de choix telsque notre confort seront examinés
après.
Nous aimerions pouvoir installer le tout au plus tard mardi, et pouvoir
ainsi émettre nos premiers signaux le mercredi 3 aux environs de 0700 utc.
Cependant notre but premier est d'arriver là.

En route pour Chesterfield Reef (31-10- 2009 par AA7JV)

Nous avons quitté à 10 AM locales et gagné la haute mer à 1100.
La mer était très forte au départ mais elles s'est un peu calmée dans l'
après midi et maintenant notre voyage s'est déroulé relativement
confortablement jusqu'à cinq heiures PM, moment ou les vagues sont redevenues grosses
très rapidement.

Maintenant nous sommes dans des creux de 2 à 2.5m, et un fort courant fait rouler le bateau très fort, mais sans danger pour autant.
La météo indique une nouvelle détérioration pour demain matin , et une amélioration .
Nous sommes maintenant à environ 250 nautiques à l’ouest de Chesterfield que nous espérons atteindre lundi matin (locales)

ALLEMAGNE
DK2ZF, de retour en JO98 pour le pic des Leonides 2009.
1 kW Ant 9 ele sur 144., 100 W et 5 ele sur 50 MHz.
Skeds fortement recommandés ; demandes à : niefind.rolf"at"t-online.de

Topic: 9034 Message: 9034

Hi friends
For this issue, thanks to Alain/F6BFH and XYL Danielle, Bernie/W3UR & The Daily DX, Bill/NG3K, AT International, Michel HB9DLO / HB9LH , Augusto I2JJR / HB9TZA, Urcun/TA0U, Algarve STAR DX Team

ARGENTINA and CHILE :
Alain, F6BFH and Danielle are going to Argentina and Chile, backpacker style for a one month trek from North to South of Chile then from South to North of Argentina.
Tey are departing for a 33000 km log both flying and trekking journey.
Alain has in hand his Ham licences issued both by Chilean and Argentinian authorities.
So he think to be QRV on 30, 17 and 15 meters (sorry no 30m in Chile), but don’t forget that’s first a touristic journey first.
Modes mainly in and a little SSB.
Frequencies :
CW: 14040, 18098, 21040
SSB: 14260, 18146 21206
+ ou - 2 or 3 KHz , QRM permitting or no

TRAFFIC :
* The KHz splits, will always be annonced before.
* Avoid to duplicate QSO !
* Do not put on the clusters, messages like " Pse 15 m " or" please "RTTY " . The op’s will not have Internet connexions permanently. We think that in 99% of the cases they will not have.
* A QSO choosen will not be followed by an other, as longer as it will have not been logged.
During the travel and particularly along with e Mickey CE3ESS and Marco CE6TBN., Alain will try to be active from some Chilean IOTAs, like SA085 in CE1 , SA018 , Chiloé isl. in CE7, and maybe SA032 on Wellington isl. in CE8, For Wellington, lodging possibilitis permitting for the boat comeshere once a week.
If a cheaper passage is found an activity from SA094 in CE4, is also possible – to day it’s pending for the only one ticket found is worth more than 1000 USD.
,
In Argentina , being QRV from SA008 , from Ushuaïa, if the RC friends can get the authorisations.
Connexion to Internet permitting, Alain will inform (only in French language) on his : _http://alan-f6bfh.blogspot.com/_ (http://alan-f6bfh.blogspot.com/) blog.
QSL 100%, via bureau or direct,
Danielle & Alain F6BFH

CHESTERFIELD :
The following is from AA7JV, George Wallner from the TX3A team in the Chesterfields.

Bernie, W3UR

We are up early and building the station. We have found an ideal position for our TX antenna. Unfortunately, it has 1 meter of water over it at high tide, so we can work on the main antenna only for a few hours each day, and some of that in knee deep water. We hope it will be worth it! There are plenty of other things to do, so we are not being slowed down. If everything
goes smoothly we expect to be on the air tonight (Nov 03), sometimes around 0800 UTC, either on 40 or 80 meters.

Bernie McClenny, W3UR
Get a free two week trial to THE DAILY DX http://www.dailydx.com/trial.htm
http://twitter.com/dailydx

BERMUDA:
Mark,AA1AC will be active from Bermuda 6-12 December 2009 as VP9/AA1AC , on HF bands
QSL via home call

Ogasawara update :
KG8CO,AC8W,K8AQM from Ogasawara starting 28 of March 2010 during two week as JD1BNJ ,JD1BNK,JD1BNM
They are will be active on 160-10m
JD1BNJ will be active only RTTY and PSK
QSL via K8AQM direct,buro,LOTW

British Virgin Islands
DL7VOG will be active from Anegada Island, 15 November-2 December 2009 as VP2V/DL7VOG
HF bands including 160m mainly CW,RTTY
QSL via home call direct,buro
Email requests to _qsl@..._ (mailto:qsl@...) .

Uganda
Nick,G3RWF will be active from Uganda 21 January-21 March 2010 as 5X1NH
HF bands
QSL via home call

BONAIRE – NED ANTILLEN
DF8AN will be active from Bonaire Island 7-16 November 2009 as PJ4/DF8AN
He will be active on HF bands mainly CW
QSL via home call buro,direct

4W6AL QSL Status

Hi,

Available now on http://algarvedx.com pictures from 4W6AL QSL cards.
Double QSL card for direct request and single cards for bureau request.
Booth full color style printer by LZ3HI.
All documents papers will be sent this week to DXCC desk to credits.

Bonjour à tous :
Pour ce bulletin, Merci à Alain/F6BFH et Danielle, Bernie/W3UR & le Daily
DX, Bill/NG3K, AT International, Michel HB9DLO / HB9LH , Augusto I2JJR /
HB9TZA, Algarve STAR DX Team

ARGENTINE et CHILI :
Bonjour à tous
Alain, F6BFH et Danielle sont en route pour l'Argentine et le Chili où ils
passeront la période du 10 novembre au 10 décembre,style routard, sac au
dos.
Ilspartent pour un périple de 33 000 km.
Alain , qui a reçu ses deux licences LU et CE, emmène du matériel radio
qui lui permettra d'être QRV sur 20 , 17 et 15M ; pas d'antenne pour le 30m
interdit au Chili.
Ne pas oublier cependant que la radio n'est pas le but premier du
déplacement.
Modes CW essentiellement et un peu de SSB.
CW: 14040, 18098, 21040
SSB: 14260, 18146 21206
+ ou - 2 ou 3 KHz en fonction du QRM

TRAFIC :
* Lors du trafic, merci de ne pas encombrer les clusters avec des
avec un split de 5 à 10 en fonction des appels. split toujours annoncé sur
l'air.
* Merci de ne pas doublonner ou plus les QSO !
* Merci de ne pas encombrer les clusters avec des demandes du style
: " Pse 15 m " ou " please "RTTY " , les opérateurs ne sont pas connectés
internent avec les yeux en permanence rivés sur l'écran, (de plus dans 99%
des cas ils n'ont aucune possibilité d'accès).

* Tant qu’un QSO n’aura pas été confirmé et mis dans le log, Alain
ne prendra pas le suivant.
Au cours de son déplacement et notamment en compagnie de Mickey CE3ESS et
Marco CE6TBN., il essaiera d’être actif depuis de nombreux IOTA Chiliens
tels

SA085 en CE1 , SA018 l'île de Chiloé en CE7, et peut être SA032 sur l'île
de Wellington en CE8, selon possibilités d’hébergement (le bateau ne
passe que tous les huit jours). Selonqu’un bateau à prix abordable sera trouvé
ou non sur place, il y aura aussi possibilité de QSY sur SA094 en CE4,
En Argentine , activité prévue depuis SA008 l'île de la Terre de feu à
partir d’Ushuaia et peut être une autre si avec les copains du Radio Club
obtiennent les autorisations nécessaires.
Selon possibilités d’accès Internet, il y aura pendant le voyage des
informations sur : _http://alan-f6bfh.blogspot.com/_
(http://alan-f6bfh.blogspot.com/)
QSL 100%, via bureau ou direct,
Danielle et Alain F6BFH

CHESTERFIELD :
De AA7JV, George Wallner, Equipe TX3A sur Chesterfields.

Nous nous sommes levés de bonne heure pour monter la station.
Nous avons trouvé une position de rêve pour les antennes d’émission?
Malheureusement elles sont sous 1m d’eau à marée haute, aussi nous ne pouvons
utiliser l’antenne principale que quelques heures par jour, et même là il y a
encore de l’eau jusqu’aux genoux.
Nous espérons que ça va s’améliorer.
Il y a une foule de choses à faire aussi nous ne sommes pas prêts de nous
mettre en grève.
Si chaque chose marche comme ^révu pn es^père être sur les bandes la nuit
prochaine (du 03) aux alentours de 0800 utc, sur 40 ou 80m.

Dear DX Press,
See below. Our call-sign has finally been confirmed today.
73 de Roger/G3SXW.

SIERRA LEONE: the VooDoo Contest Group will be active during CQ WW CW contest, signing 9L5A. This year the operators are Ned AA7A, Nick G3RWF, Fred G4BWP, Bud N7CW, Gary ZL2iFB. They will enter the Multi-Two or Multi-Multi category. QRV in the contest will be on all six contest bands (CW only). Peri-contest there may also be some activity on WARC bands. The main call-sign is 9L5A, QSL via G3SXW (see qrz.com). G3RWF may also activate his 9L1NH call, AA7A his 9L7NS call, QSL via home calls. There will be no daily logs but LoTW upload will be soon after returning home. No cash donations are requested for this project, just the usual USD/IRC for direct cards

Topic: 9041 Message: 9041

(11-05-2009 from AA7JV)
Weather on the island continues to be favorable: a stiff breeze keeps things cool during day - although it makes antenna work somewhat challenging. The island is about 400 meters long and 50 meters wide. The top ridge is about 5 meters above sea level and is covered by thick bushes, which are home to innumerable birds.

We are set up on the northern tip of the island, about 100 meters from a small lagoon. The antenna has been installed in the middle of the lagoon, which has about 10 cm of water at low tide. At high tide the antenna masts are standing in 1.5 meters of water. Grounding is not a problem here!

We have completed the first phase of the antenna installation and can run full power on 160 to 20 meters. (See the antenna picture on the Photos page.) The 15 to 10 meter wires are going up today. The RTTY station will be going up on Friday and likely get on the air on Nov 7. Please note that we are total RTTY novices: I have made one RTTY QSO B4 and Tomi has made less. Any feedback that makes us better will be appreciated.

Top Band: 160 meters was very noisy last night. Crashes from distant thunderstorms were S9+, often wiping out entire calls and making receiving very difficult, both from NA and EU. The noise did not abate until a couple of hours before our sunrise, which helped with Western Europe. Many stations came through well despite the noise. Signals were sometimes above S9 (on the TX ANT). K9DX had an absolutely awesome signal: S9+20 dB. (I almost jumped out of the tent to see if there was another station on the island.) There was also a good run of G, F and EA stations well before our sunrise. To help us hear better, we will erect an RX antenna today for NA and tomorrow for EU. We will be trying a new double-pennant design that looks good on NEC. Will see.

9042. New Data Files and Reports Uploaded to the Web

The *NOVEMBER 2009 Issue #911-A *files have been uploaded to the Golist
web site.
The weekly GoData files? include DXCC APPROVED OPERATIONS in the
data file.
Use the DOWNLOAD button in your GOWIN program or this link in your
web browser. http://golist.net/dlauth.cfm
It is recommended that you open up GOWIN after downloading the data file
update and on the top bar click on FILES/CLEANUP FILES and run this
routine to clear all the old update files from the program folder.
This will prevent any lookup problems for you.
Now is a good time to send in your RENEWAL to GoWin if your subscription
is about to expire.

For this issue,thanks to Alain/F6BFH, Norbert/F6AXX, Claude/F5MCC,
Pïerre/F5JFU, LY4A's DX news, Bill/NG3K, Bernie and the Daily DX,
Juan-Luis/LU5CAB, UBA DX and Contest news, AT International, Pete's DX Desk, Fred
PA0FAW/PC60TROLLEY, Walter/IKZWU,
Bonjour à tous
CE/F6BFH and LU/F6BFH
Alain ad Daniele are on the go to Chile.
Some plans have been changed .
Marco CE6TBN has proposed n activity from SA-085.
For the other CE IOTA's Alain will be along Danièle only.
Alain has a big disappointment. Te boat he will use doesn't stop in
SA-082, Wellington Island, sot this activity is cancelled (This bad new was
confirmed y the Sail Company yesterday.
SA-095 is cancelled too for the passage is too expensive for enjoying a
very short stop (More than 1000 usd)
Know that Radio is not the first goal of the trip.
73
Alain/F6BFH
J'espère activer SA085 en compagnie de Marco CE6TBN.
Je dois rencontrer CE3ESS à Santiago, mais il ne vient pas avec nous.
Pour les autres IOTA que j'espère avoir la possibilité d'activer, je
serais uniquement avec Danielle,
(c'est elle qui monte les antennes, elle en est devenue une spécialiste).
Grosse déception, je ne pourrais pas activer SA082, l'île de
Wellington,notre bateau n'y fait pas escale,
c'est tout récent, j'ai téléphoné à la compagnie au Chili, qui m'a annoncé
cette mauvaise nouvelle.
Pour SA095, c'est bien trop cher, je ne peux supporter seul une telle
somme plus de 1.000 $).
Je ne demande aucune aide car c'est " Vacances et Radio ".
Avec mes remerciements
@l@in F6BFH

FRANCE :
On next Saturday, starting around 0700 utc , look for Claude/F5MCC and
Gilles/F4FGJ, to be active as F5MCC/p, from the Old Mill in the city of
Chamvre, Zip code 89300 Chamvres. Locator : JN17qw. 47° 57' 11" N , 003° 21'
40" E.

80 and 40m, other bands possible, CW and SSB, propagation permitting.
Other references : Department Yonne and Province Burgundy.
QSL Bureau ^referred to F5MCC and SWL cards welcome.

US Virgin Islands, IOTA NA-106------ *K2V *

For the Christmas Festival Month of December, in Saint Croix Island

Sharon K7WZB and Garry K9WZB will be operating from Saint Croix
Island December 2-14 , 2009 as K2V..

9044. [ICPO] ICPO Bulletin (05 - 13 November, 2009)

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-11-05 21:41:00 UTC
From: Dave Raycroft
Topic: 9044 Message: 9044

I.C.P.O. Bulletin (05 - 13 November, 2009)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

D2 - ANGOLA - Paulo, CT1ITZ will be active from Porto Amboim, Angola, between 3-29 November as D2PJB. He is using an Icom 706 and a Windom antenna. Active from 10m to 80m only on SSB. QSL via CT1IUA, direct only. [F5NQL]

E51 - SOUTH COOK ISLANDS - Henrik OZ6TL will be active from Raratonga Island (OC-013), South Cook Islands, from 3-30 November as E51TLA. Holiday style operation using mainly RTTY. QSL via home call. [F5NQL]

05/11/2009: Nick RV1AQ (UE1ASP), Alexey UA1CBW (RZ1CWC) and another will be active from 5-9 November on the route from Lomonosov - Vyborg - Gogland - Lomonosov. They will use the callsigns UE1ASP and RZ1CWC / P, during the movement / MM. Scheduled activations are: 5-6 November from the city of Vyborg (RDA LO-04), Vyborg Castle (RCA RC-019, WCA UA-004, COTA-RU C-104 and the Vyborg Castle Tower Lighthouse (ARLHS ERU-231, RLHA RLE-NEW ONE!). The team also plans to spend 2-3 days (6-9 November) on Gogland Island (EU-133, RRA RR-01-04, WFF RFF-025, WLOTA LH-0737). They will also activate the South Gogland Island Lighthouse (ARLHS ERU-213, RLHA RLE-NEW ONE!). QSL UE1ASP via RV1AQ and RZ1CWC via RN1CW, direct or by the bureau. [RN1CW]

06/11/2009: Steve/9M6DXX and John/9M6XRO will operate from Pulau Labuan (IOTA OC-133, WLOTA L 0456) from 6-8 November (and possibly for one or two hours from 0000 UTC on 9 November) as follows: 9M6DXX/P 10m - 80m on SSB only; 9M6XRO/P 10m - 160m on CW and RTTY. Stations will be using linear amplifiers to a multi-band vertical and a 160m inverted-L, both mounted very close to the ocean. They hope it will be possible to operate on 160m CW at the same time as SSB on the other bands. QSL both 9M6DXX/P and 9M6XRO/P via M0URX, either direct, via the bureau or LoTW. See www.m0urx.com/ for details. [F5NQL]

06/11/2009: Kazik HB0/DL2SBY, Tomi HB0/HA4DX and Laci HB0/HA0HW will be active 6-13 November from Masessa, Liechtenstein. Their main focus to do as many QSOs as possible on 160, 80 and 40 metre bands. They We have 3 radios 2 with amplifiers. On 160 they will use an 18m Spiderpole inverted L, on 80 inverted Vee and loaded Gp, and on 40m a Gp on another Spiderple (12m). For the upper bands they have a Spider beam top on the 11m mast. QRV mainly using CW but some SSB is also expected. QSL via bureau to each appropriate operator. [HA0HW]

06/11/2009: Raul IC8ATA, Fred IC8/IK7JWX, Alex IC8/IW8EHK, Leo IC8/I8LWL and Titty IC8/IK8GQY will be active from the island of Procida

(EU-031, IIA NA-002, MIA MI-080, WLOTA LH-1409, WW Loc. JN70BR) from 6-8 November. QRV all HF bands, plus 6 metres, using SSB, RTTY and PSK31. There is the possibility that they might also activate the island of Ischia (EU-031, IIA NA-001, MIA MI-042, WLOTA LH-0689, WW Loc. JN60XR) and the island of Vivara (EU-031, IIA NA-005, MIA MI-120, WW Loc. JN70AR). QSL via operators' instructions. [F5NQL]

06/11/2009: TC SWAT is proud to inform you about new 'TC' activitiy in collaboration with the Directorate General of Coastal Safety - Yesilkoy Lighthouse TC1YLH (ARLHS TUR-055) will be active from 6-23 November; mainly during the weekends. QRV on HF SSB and VHF-UHF FM. The operators will be (mainly) Urcun TA0U, Leonardo TA1FR, T. Aydin TA1HZ, Erhan TA2DJ, Serkan TA2JN and Bekir Kemal TA2RX. Yesilkoy Lighthouse is one of the distinctive historical landmarks of Istanbul. QSL via TA1HZ, direct or bureau. [TC SWAT]

06/11/2009: Members of the Grupo DX Caracas will be active from Farallon Centinela Island (SA-058, DIV-059, WLOTA L0012, Grid FK60) from 6-9th November, 2009 using the callsign YW5F. They will be active on 80-2m SSB, CW and FM. QSL via DM4TI. [F5NQL]

06/11/2009: Ben, OZ5AAH will again participate in the International Police Association Contest (6-7 November) from Tallinn, Estonia. QRV SSB and CW. QSLs are good for the Sherlock Holmes Award. QSL direct to home call (Ben Jakobsen, Gjethusparken 25, 3300 Fr.vaerk, Denmark). [F5NQL]

07/11/2009: Didier, F4ELJ/p will activate Wrac'h Island (DIFM MA-091, WLOTA 0823) and lighthouse (DPLF PB 040, ARLHS FRA-065, WLH F-077) on 7-8 November. Expect activity on or near the usual island, IOTA and lighthouse frequencies 80-10m. QSL via home call, direct or bureau. [F5OGG]

07/11/2009: Claude F5MCC and Gilles F4FGJ will be active on 7 November from the Old Mill in the city of Chamvres (CP 89300, WW Loc. JN17QW), Department Yonne/89 and Province Burgundy (DPF 05). QRV 80 and 40m, other bands possible, CW and SSB, propagation permitting. QSL via home call, direct or bureau. SWL cards are welcome. [F5NQL]

07/11/2009: Patrick, F8DYD will be active on 7 November as homecall/p from the Castle of Cherves (DFCF 86-059, WW Loc. JN06AR) and the Mill Tol (DMF 86-027), commune of Cherves (CP 86170), canton [county] of Mirebeau (DDCF 86-15), Department Vienne/86 and Province Poitou-Charentes (DPF 19). QRV 80 and 40 metres, mainly SSB. QSL via home call, bureau preferred. [F8DYD]

07/11/2009: Eric/KV1J and Tom/W8TOM will be operating as FP/homecall from Miquelon island (NA-032, DIFO FP-002, WLOTA L1417, WW Loc. GN17TC) from 7-15 November. They will be active 160-6 meters. QSL via home calls, direct or Bureau. Further information at: www.kv1j.com/fp/october09.html [NG3K]

07/11/2009: Ronald PA3EWP (MD/PA3EWP) and Tom GM4FDM (GD4FDM) will be active from Isle of Man (IOTA EU-116, WLOTA LH 0449) from 7-9 November. QRV on all HF bands/modes. QSL MD/PA3EWP via PA7FM, direct or bureau. QSL GD4FDM via GM4FDM, direct or bureau. [AT International]

07/11/2009: KB3NZJ - Team Sea Spray, of the Delmarva Island Hoppers, will embark on a most righteous DX-pedition to the island of Burton (USi DE008, Not IOTA, Sussex County), Delaware, located across the vast waters of Indian River Bay on Saturday 7th November (rain date Sun. the 8th). The good ship Sea Spray will attempt to arrive around 09:00 AM Local, hopefully (if the clouds part and the RF Gods smile upon us) we will be operating on 20 metres around, 14.250 and 40 metres near, 7.250 by 10:00AM. The crew for this adventure will be: Jerry KB3NZJ, Joe W3TL and Jamie KB3QLK, who will be our QSL manager. [USi]

08/11/2009: Stan, EI6DX will operate from Somone, Senegal as 6W/EI6DX from 8-16 November, concentrating on the low bands and will work mainly CW. Stan will be QRV in JA DX contest as a Single-Op/Single-Band (20m)/SSB entry. QSL via RX3RC, direct or bureau. Further info at: www.ei6dx.com/senegal [NG3K]

08/11/2009: Karl, DL2FAG will be active sporadically from the South island of New Zealand (OC-134, WLOTA L0342) as ZL4/DL2FAG from 8-18 November. Activity will be holiday style on 40-10 meters, mainly on RTTY, PSK and SSB. QSL via DL2FAG, direct or Bureau. [OPDX Bulletin]

09/11/2009: Jun, JJ1BMB will be active from Palau Island, Micronesia, between 9-22 November as T88AA. QRV all bands/modes. QSL via home call, direct or bureau. [DX_World]

10/11/2009: Dave N1EMC (T30KI) and Mike N1IW (T30IW) will be active from Abatao Islet, Tarawa Atoll, West Kiribati (OC-017) from 10-16 November. QRV 60-6m CW and SSB as conditions permit, using 100 watts. There will be no activity on 80m or 160m. QSL via N1EMC, direct only. Further information can be found at: dx.t30dx.net/ [NG3K]

11/11/2009: Operators Andrea/IK1PMR, Claudia K2LEO/PA3LEO, Wil/PA0BWL Joe/AA4NN, Franz/OE2SNL, Gerhard/DJ5IW and Kenneth/OZ1IKY are planning an expedition to three semi-rare entities in the Pacific. First one week (11-18 November) from the Vaiala Beach Resort on the island of Upolu, Samoa (OC-097, WLOTA L-1944) as 5W0MR (requested call); then two weeks (19 November to 1 December) from the Otuhaka Beach Resort on the island of Tongatapu, Tonga (OC-049) as A31IW (DJ5IW), A31JC (DJ7JC), A31LEO (K2LEO/PA3LEO), A31MR (IK1PMR), A31NN (AA4NN), A31SN (OE2SNL) and A31WL (PA0BWL), including an entry in the CQWW DX CW Contest (28-29 November) as A31A; and then one week (6-13 December) on the island of Rarotonga, South Cook Islands (OC-013), minus OZ1IKY, as E51PMR (requested call). >From 2-5 December they will be in Auckland, New Zealand (OC-036, WLOTA L-0069) for logistics, possible activation of some IOTA group. Also, from 14-17 December IK1PMR, PA3LEO and PA0BWL will be in Singapore (AS-019), with possible radio operations as 9V/homecalls. Focus will be on the lower bands, but activity is planned for 160-10 meters using CW, SSB and the Digital modes. Equipment: 3 Elecraft K2/100 with DSP and

160m, 2x Tokyo Hi Power HL-1.1Kfx 600w solid state power amplifiers, 1x 300w spare amp. Antennas: 160m inverted-L + K9AY loop, 80m 1/4 wave vertical, 40m 1/4 wave vertical, 30m 1/2 wave vertical dipole or delta loop, 20m 1/2 wave vertical dipole, wires/wire beam for 20m-10m, 1kw tuners. Note that all of the above dates are approximate and subject to change. Further information and updates can be found at: /www.pacificdxpedition.com/ [IK1PMR]

11/11/2009: Hans, SM6CVX plans to activate Hastings Island (OC-117) probably from 11-13 November. Then if possible 1 night from Normanby Island (OC-116), 13-14 November. Also 1 night from Loloata Island (OC-240), 15-16 November. The callsign will be P29VCX and QSL via SM6CVX. Look for more details and updates on the following Web page at: www.425dxn.org/dxped/p29_2009 [425 DX News]

11/11/2009: Jim/PY7XC, Ciro/PY7ZY, Andre/PY0FF, Renner/PY7RP, Leo/PP1CZ and Mike/K9AJ will be active as PW6C from Coroa Vermelha (SA-062, the 8th most wanted IOTA group in South America) and lighthouse (ARLHS BRA-029) plus Coroa Da Barra Island from 11-18 November. They plan to run three stations 24/7 from two operating sites, and to operate CW and SSB on 80-10 metres. QSL via K9AJ (QRZ.com). Further information can be found on the expedition's website (www.pw6c.com/). [425 DX News]

12/11/2009: Members of the Spanish 'DX4DX Team' will be active as OX/EA7SB and OX/EA4NA from the main island of Greenland (NA-018, WLOTA LH-0072) between 12-19 November. Activity will be on 160-10 metres using CW, SSB and the Digital modes. The group will be using FT-857s w/amps into vertical antennas. Operators mentioned are: Paco EA4NT (SSB/Digi), Emilio EA7AAW (CW), Ramon EA4NA (CW) and Salvador EA7SB (SSB/Digi). Pilot stations will be Jose/EA4DB and Txema/EA5BWR. QSL via EA4BT, direct or by the Bureau. This is the same group who was active as TK9Z and C57R. Visit the group Web page at: www.dx4dx.com/index1.html [OPDX Bulletin]

13/11/2009: Operators Alfeo/I1HJT, Silvano/I2YSB, Carlo/IK1AOD, Vinicio/IK2CIO, Angelo/IK2CKR, Marcello/IK2DIA, Stefano/IK2HKT, and Donato/IZ2CHO will be active from Busua Beach, Ghana, from 13-27 November. They will also activate Abokwa Island (AF-084), with one station on 20 meter band only. The time of operation on the island will be planned day by day, pending the sea condition and weather forecast. Activity will be on all HF bands and modes, 80 through 10 meters. 9G5XX is the callsign that will be used from Abokwa Island. 9G5TT is the callsign that will be used from the mainland. QSL via I2YSB, direct only. Further information can be found at: www.i2ysb.com/ [NG3K]

13/11/2009: Sam, F6AML will be in Comoros (IOTA AF-007, WLOTA L3027) as D68F bewteen 13th to 23rd November. Activity will be on CW/SSB 160-10m. Sam will focus especially on Top Band and other LF bands. Suggested frequencies are: CW - 1828, 3520, 7020, 10115, 14020, 18071, 21020, 24951 and 28020 kHz; SSB - 3775, 7075, 14265, 18140, 21265, 24960 and 28480 kHz. He will use a FT857D + amplifier with an inverted L + K9AY

for 160, 1/4 vertical for 80 to 30m and spiderbeam for 20 to 10m. All of his equipment (except the amplifier) will be donated for a future radio club. QSL via F6AML direct or via the bureau. [F6AJA]
==========
LOOKING AHEAD -

15/11/2009: Hans, SM3TLG will be active from Brunei (OC-088, WLOTA LH-1628) as V88/SM3TLG from 15-19 November. QRV all HF bands. QSL via home call, direct or bureau. [SM3TLG]

15/11/2009: Gerd, DL7VOG will be active from Anegada Island (NA-023) between 15 November and 2 December as VP2V/DL7VOG. QRV all HF bands, including 160m, mainly CW and RTTY. QSL via home call, direct or bureau. Email requests to qsl-at-dl7vog.de. [F5NQL]

17/11/2009: Arnhem is this year the 60 year City of Trolleybusses and is the only city in The Netherlands to have them. To promote this, Fred PA0FAW will use the special callsign PC60TROLLEY from 17th November (2300z) to 15th December (2300z), using CW/SSB and digital modes. QSL via PA0FAW, direct, bureau, OTW, E-qsl and SWL's all ok. Fred will ask for a special EPC-number and will try to be in at leat 1 SWL-SSB net. [Pete's-DX-Newsdesk]

24/11/2009: Rhein Ruhr DX Association members Uli DJ2YA, Walter DJ6QT, Arno DL1CW, Ulf DL5AXX and George SV1RP will be active as CT9/homecall from Santana, Ilha da Madeira (AF-014, DIP MA-001, WLOTA LH-0053) from 24th November to 3rd December, including a Multi-Two entry in the CQWW DX CW Contest (28-29 November) as CR3L. Outside the contest, look for activity on all bands/modes. QSL via home calls. QSL CR3L via DJ6QT, direct or bureau. [NG3K]

27/11/2009: Yoshi, JK2VOC will be active from Wuxi, China, as JK2VOC/BA4TB from 27-30 November, including a Single-Op/All-Band entry in the CQWW DX CW Contest (28-29 November). QSL via JK2VOC. [NG3K]

28/11/2009: Tony, E21IZC plans to be QRV from Samutsakhon Province, South-West Bangkok, Thailand for the CQWW DX W Contest as a Single-Op/Single-Band 20m/Low-Power entry. QSL direct (QRZ.com). [NG3K]

28/11/2009: Mauri, OH2BYS will be active as EA8CMX from Galdar, Isla de Gran Canaria (AF-004, DIE S-005, WLOTA LH-0969), in the CQWW DX CW Contest (November 28-29th) as a Single-Op/Single-Band (?) entry. QSL via home call. [NG3K]

28/11/2009: Look for Val, RD3AF to be active from Las Palmas, Isla de Gran Canaria (AF-004, DIE S-005, WLOTA LH-0969) as EF8M during the CQWW DX CW Contest (28-29 November) as a Single-Op/All-Band/High-Power entry. QSL via UA3DX. [NG3K]

28/11/2009: Bob, GU4YOX will be active in the CQWW DX CW Contest (28-29 November) from the island of Guernsey (EU-114, WLOTA LH-0013) as a Single-Op/Single-Band (20m)/Low-Power entry. QSL direct or via LoTW.

[NG3K]

28/11/2009: A group of the contesters from Quito Radio Club will be active in CQWW DX CW Contest (28-29 November) from Isla de San Cristobal (WLOTA L0094), Galapagos Islands (SA-004) as HC8N. They will be in the Multi-Multi category. Some of the operators are: Dave N3RD (40m), Bob W6RGG (20m), Dennis K2SX (10m) and possibly others. QSL via W5UE. [F5NQL]

28/11/2009: Claudio, I1NVU will be active from Lampedusa Island (AF-019, IIA AG-001, MIA MI-126, WLOTA L2312) as IG9U during the CQWW DX CW Contest (28-29 November) as a Single-Op/Single-Band (80m) entry. QSL via I1NVU, direct or bureau. [NG3K]

28/03/2010: Kirk, JF3MYU will be active from Chichi-jima (AS-031, JIIA AS-031-003, WLOTA L2269) using the callsign JD1BNN from 28-31 March. Focus will be on the WARC bands. QSL is OK via JARL bureau or direct to CBA. (PSE do not write his JA call (JF3MYU) to avoid unexpected confusion at the bureau). [NG3K]

28/11/2009: Martin, G4XUM will be QRV from the isle of Man (EU-116, WLOTA LH-0449) for the CQWW DX CW Contest as a Single-Op/Single-Band (15m) entry. QSL via G3NKC, direct or bureau. [NG3K]

28/11/2009: Look for Dave, G3NKC to be active from the isle of Man (EU-116, WLOTA LH-0449) during the CQWW DX CW Contest as a Single-Op/Single-Band (20m) entry. QSL via G3NKC, direct or bureau. [NG3K]

28/11/2009: Noel VE2BR will sign VC2Z from Mercier, Quebec, in the CQWW DX CW Contest (28-29 November) as a Single-Op entry. QSL via home call.

28/11/2009: Look for Ron VE3AT to be using the special callsign VC3O during the the CQWW DX CW Contest (28-29 November), probably as a Single-Op/All-Band/High-Power entry. QSL via VE3AT.

28/11/2009: John, K6AM will be active from Grand Cayman Island (NA-016, WLOTA LH-1042) as ZF2AM during the CQWW DX CW Contest (28-29 November) as a Single-Op/All-Band entry. QSL via home call, direct or bureau. [NG3K]

02/12/2009: St. Croix Island Christmas Festival - Sharon, K7WZB and Garry, K9WZB will be operating as K2V from the island of St. Croix (USi VI002S, WLOTA LH-2477), U.S. Virgin Islands (NA-106) from 2-14 December. QRV all bands 160-6 metres. They will be monitoring 6 metres most of the time for opening to US and Europe. Operating SSB, RTTY, CW and PSK-31 all bands. QSL via K9WZB, direct only (No Bureau!). Further info at QRZ.com under the callsign K2V. [NG3K]

04/12/2009: Mark, AA1AC will be active from Bermuda (NA-005, WLOTA LH-0201) 6-12 December as VP9/AA1AC, on all HF bands. QSL via home call. [F5NQL]

30/12/2009: Steve N6QEK will be active from Whitehorse, Yukon Territory, as VY1/N6QEK between 30 December, 2009 and 04 January, 2010. QRV 80-10m (including WARC bands and he might try 160m if he can load into the antenna), using RTTY, PSK31 and SSB. His main goal is to activate the Yukon Territory for the ARRL RTTY Roundup Contest (2-3 January). QSL direct to home call. Steve will also be using Global QSL. Further info can be found on his web site at: www.n6qek.com/ [NG3K]

20/02/2010: Look for John, K6AM to be QRV as ZF2AM from Grand Cayman Island (NA-016, WLOTA LH-1042) in the ARRL DX CW Contest (20-21 February). He plans a Single-Op/All-Band entry. QSL via home call, direct or bureau. [NG3K]

==========

SPECIAL EVENTS -

06/11/2009: The callsign GB0AD is to commemorate Armistice Day on November 11th 2009. Aberdare & District ARS will be on air from Aberdare, Wales (IOTA EU-005, WLOTA LH 0453), with the callsign on the following dates in November: Friday 6th, Saturday 7th, Sunday 8th (Remembrance Sunday) and Thursday November 11th on most bands bands dependent on conditions. QSL manager is 2W0XTP either direct or via the RSGB bureau. [QRZ.com]

07/11/2009: Members of the EARS (Emporia Amateur Radio Society - KB0SSR) will activate special event station K0V on 7th November and on Veterans Day, 11th November, to honor U.S. Veterans. The special event station will be located adjacent to the Emporia All Veterans Memorial. Operating times will be as follows: 7 November - 1900-2300z (1-5PM CST); 11 November - 1400-2400z (8AM-6PM CST). Suggested frequencies are: 14268, 7262 and 3920 kHz (+/- 20 kHz). Other frequencies may be used depending on QRM and/or propagation. They may also try some Digital QSOs, especially on Saturday, November 7th. Operating hours maybe extend on the 11th beyond 2400z (6PM CST), depending on various factors (such as operator fatigue, band conditions and the need for a QSO). Special QSL cards will be available and will require a SASE sent to: EARS, c/o Connie Steinel/K0UER, 950 Oxford Drive, Emporia, KS 66801-5439. Visit Ears Web page at: www.qsl.net/emporiaars/ [OPDX Bulletin]

U.S.A. Special event station information can be found at: www.arrl.org/contests/spev.html

SIX METERS & UP -

The 144 MHz EME NewsLetter:
Since 2003 DF2ZC publishes the 144 MHz EME NewsLetter. This is a free service for the EME community. Bernd, DF2ZC, informed us that the latest edition of the EME-Newsletter is now available at:
www.df2zc.de/newsletter [MMMonVHF]

Meteor Scatter: November 2009. Leonids Outburst expected!!!
Like in 2008, another Leonids Outburst is expected in 2009! The maximum is predicted to occur on November 17th, with an Outburst around 21-22 UT (ZHR up to 200 hr-1 or even more). Unfortunately, the Leonids radiant elevation will be very low over Europe during predicted time of maximum, thus leading to poor perceived meteor rates. But after radiant rise, meteor flux should still be remarkable, thus providing good rocks also for european MS enthusiasts. Read more about Leonids and other meteor showers in November 2009 at our MS-Page: www.mmmonvhf.de/ms.php . As well a review about the ORIONIDS 2009 is given there. [MMMonVHF]

*** G0HGA VHF/UHF CW Activity 2010 ***
Angie, G0HGA FISTS # 41 became Silent Key earlier this year. In her memory there is a One year activity designed to promote CW activity on the VHF / UHF Frequencies. Angie was a staunch advocate of CW on these frequencies and it is felt the activity is a fitting tribute to her. Please do welcome the details from Rob, M0BPT at:
www.mmmonvhf.de/latest.php?id=2962 [MMMonVHF]

*** SM / JO98 ***
Rolf, DK2ZF, back at JO98 in the peak of the Leonids 2009. I like to hit die maximum of Leonids. Power abt 1 kW Ant 9 ele on 144. 100 W and 5 ele on 50 MHz. Skeds are highly recommended. First come first serve. No internet at site. niefind.rolf"at"t-online.de QSLs direct only - no longer member of DARC. SOURCE: tnx to Rolf, DK2ZF, direct to MMMonVHF.

QSL INFORMATION -

The following operation is approved for DXCC credit:
VQ9JC - Chagos Island (Current operation)
This operation was previously rejected as a shipboard operation. DXCC exchanged correspondence with the operator and determined that this operation was actually land-based thereby satisfying the conditions of DXCC Rule 8.
If you had this operation rejected send an email to dxcc@... to receive credit.
73 es DX!
Bill Moore NC1L
Awards Branch Manager

Available now on http://algarvedx.com pictures from 4W6AL QSL cards.
Double QSL card for direct request and single cards for bureau request.
Booth full color style printer by LZ3HI.
All documents papers will be sent this week to DXCC desk to credits.

BITS & PIECES -

9L - SIERRA LEONE - The VooDoo Contest Group will be active during CQWW CW Contest, signing 9L5A. This year the operators are Ned AA7A, Nick G3RWF, Fred G4BWP, Bud N7CW, Gary ZL2IFB. They will enter the Multi-2 or Multi-Multi category. QRV in the contest will be on all six contest bands (CW only). Peri-contest there may also be some activity on WARC bands. The main call-sign is 9L5A, QSL via G3SXW (see qrz.com). G3RWF may also activate his 9L1NH call, AA7A his 9L7NS call, QSL via home calls. There will be no daily logs but LoTW upload will be soon after returning home. No cash donations are requested for this project, just the usual USD/IRC for direct cards. [G3SXW]

The online log search for the ZZ6Z operation can be found at:
www.clublog.org/logsearch/ZZ6Z

14th Annual Delaware QSO Party:
New for 2010: Expanded operating schedule, simplified scoring, and a true a QRP category.
Date: February 6 and 7, 2010
Contest Period: 1700z Saturday, February 6 - 2359z Sunday, February 7.
Contest rules at: fsarc.org/DEQSO.html [NG3K]

NCDXF Press Release:
At a board meeting this week, the Northern California DX Foundation (NCDXF)elected officers for 2010. Bruce Butler W6OSP will remain as President. Glenn Johnson W0GJ will remain as Vice President. Tom McShane NW6P will remain as Secretary/Treasurer. The NCDXF Board of Directors reluctantly accepted the retirement of Len Geraldi K6ANP and Al Burnham K6RIM from the Board of Directors after many years of excellent leadership. At the present time, the NCDXF Board is planning on operating with 9 directors.
The www.ncdxf.org/ website has been upgraded and newsletters are now available in electronic format and can be downloaded from the website. The latest newsletter features "the rest of the story" and an excellent summary of the 7O1YGF Yemen operation, which was only recently approved for DXCC.
Please note that the NCDXF mailing address has been recently changed:
NCDXF, P.O. Box 2012, Cupertino, CA 95015-2012, USA.

Oleg, UA9UAX has posted a story, with photos, of his trip to operate from the QTH of Pavel Timofeevitch, UA8TA. It is a very interesting story with excellent photography - you will enjoy reading Oleg's story too. You can find it at: http://rx0sd.ucoz.ru/publ/4-1-0-13

9045. WINTER RAC 2010 EDITION

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-11-06 15:19:05 UTC
From: GOLIST
Topic: 9045 Message: 9045

All the orders for the Winter 2010 edition have been processed.
If you have not received your PAID invoice, then contact me today.
The order has been sent to RAC and delivery is expected during the
last two weeks of this month (November).
I am labeling the mailers today and will be ready to stuff and mail
just as soon as the order arrives.
Thanks to all of you who purchased this edition.
John K1XN

Next Saturday Nov 14th, Francois/F5JNE and Claude/F5MCC to be active from the Bazoches sur el Betz Castle, DFCF 45055, in the city of Bazoche sur le Betz (zip code 45210) and canton of Courtenay DDCF 45-11), Province Centre and Department Loiret/45.
80&403, CW/SSB
Starting around 0700 utc.
QSL bureau andSWL cards welcome.

USA - SOTA Day

The North American 'Summits on the Air' (SOTA) activation day, is Saturday, November 14th.

The four North American associations of 'Summits on the Air' are planning a multi-summit activation spanning the North American continent.

Portable, mountain top stations will be operating from the VE2, W1, W2, and W6 call areas. Seasoned "summit chasers" all over Europe will have the opportunity to work expeditions on SOTA's western frontier, and a new group of North American chasers will get a chance to work multiple summits.

To join in the fun, visit the SOTA Web site at _http://www.sota.org.uk/_ (http://www.sota.org.uk/)

UK:
Special Event Station

The Mid Ulster Amateur Radio Club will be transmitting from Brownlow House in Lurgan, Co Armagh on Wednesday 11th November from 10am for Armistice Day, using the special event callsign GB2AD.

This location was chosen as it has been used in both World Wars as a Battalion HQ in WW1 and American HQ in WW2. The club will be operating all bands and modes throughout the day.

From: F5nql@aol.com
Topic: 8780 Message: 9052

For this issue thanks to : Jean-Louis/F5NHJ, Sam/F6AML, Javier/EA3BHK,
Bill/NG3K,
Bill/NC1L, John/K1XN and the Golist, AT International, DXNL
VR and FK/F5NHJ news:
Jean Louis will be back home to morrow.
His first goal is to put quickly, his logbook for the operations from VR
and FK8 on LotW.
Jean Louis would to say that he was not able to be active from New
Caledonia as he would have scheduled for, following a very strong control of his
transceiver at the customs , the main dial returned to him broken. So he was
not able to use the most part of menus and sub-menus.
Jean Louis hopes that the QSOs, (all made barefoot – 80w -) could have
permit to some ones to add a new country or a new IOTA with OC-032.
“I enjoyed some good DX” Jean Louis says.
Jean Louis asks also to all to accept apologies for having not be able to
go to OC-33, Loyauté Islands. It was the All Saints Day week end and he
could not get the passage tickets, because of the boats overbooking.

Jean louis would also thank a lot, Sam (FK8DD) who helped him throughout
his stay in New Caledonia.

Bonjour à Tous

Bonjour,
Un petit message pour les oms qui m'ont contacté et écouté.
De retour le 12 vers le Gers ou je vais m'empresser de mettre sur LOTW le log, (après vérification).

VR2/F5NHJ sans problème si ce n'est la difficulté de trouver une petite place pour une MP1 en ballade.
Pour la Nouvelle Calédonie un peu plus compliqué suite à un bouton cassé sur la face avant du FT857 suite à une fouille à l'aéroport un peu trop virile m'interdisant d'utiliser les programmes sous programmes etc. j'espère que mes apparitions en barefoot 50 à 80 watts ont aidé certains oms à ajouter une contrée pour leur DXCC ainsi que le IOTA OC-032. De beaux DX avec la petite puissance et uniquement un dipole dans le cocotier situé en face de notre logement.
Désolé pour ceux que je n'ai pas entendu et également pour le IOTA OC-033 qui n'a pas pu se faire suite à "l'overbookage" des réservations pour les îles loyauté pendant les vacances de la Toussaint.

Merci à Sam (FK8DD) pour son aide précieuse.
A plus pour de nouvelles aventures. !!
Amitiés

Jean louis

,
Hi friends
FRENCH YL /OM CW Contest
On Friday Nov 20th will happen the yearly CW contest between XYL's and Oms
sponsored by the EUCW Society the Union Française des Télégraphistes UFT.
The UFT Society callsign F8UFT will be aired by Evelyne/F5RPB.
QSL via F6ICG, direct or via the French Ref-Union bureau.
0800 to 1000 utc on 40m and 1900 to 2100 utc on 80m.
More information : _http://www.uft.net/articles.php?lng=fr&pg=341_
(http://www.uft.net/articles.php?lng=fr&pg=341)
GUADELOUPE:
Serge F6AUS, is signing FG/HC until March 2010. During the contest he is
:TO4D.
Serge will try to be active on 160 and 80, too.
QSL HC.

MONTSERRAT:

VP2MCC will be activated in March 2010 including the British Commonwealth
Contest.
During the contest, contacts will only be with other British Commonwealth
Call areas.
Outside the contest I will try to work other countries as a priority –
thank you for your patience.
All VP2MCC contacts will be uploaded to LoTW so do not send a paper QSL if
you only want a card for DXCC.

QSL: For VP2MCC please only send to my home call G4FAL

DOMINICAN REPUBLIC:
Ronny, ON4ARV / OT4R will be QRV from Punta Cana, Dominican Republic
between May 1 – 22, 2010 signing HI7/OT4R
Activity: daily on 10, 15, 20m.

IRAQ
N6PSE has been issued the call sign of YI9PSE by the Iraqi Ministry of
Telecom, and is planning a 6-8 person
DXpedition to Northern Iraq (Kurdistan) for late spring/early summer of
2010.
Three stations activated by 6 /8 operators , al modes and bands will be on
the air from The International Hotel
in Erbil, Northern Kurdistan (near Turkey).

More information to bepublished in due time:
Paul Ewing-N6PSE
Jerry Griffin K6MD (formerly YI9MD)
Andreas Junge, N6NU

9055. DX, Contest, special event LU

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-11-12 20:47:16 UTC
From: F5nql@aol.com
Topic: 9055 Message: 9055

For this issue, thanks to : Boris/E73Y, Pierre/F5JFU, Jean-Michel/F6AJA, Jean-Yves/F8LDX, LY4A dx news, Bill/NG3K, Juan-Luis/LU5CAB, Bill/NG3K, AT International, Dimitris/SV9COL
Hi friends
Last news from F5NQL, until next tuesday
CHAD:
Jovica, E78A (aka 6W1SJ, ex. T98A, ST0RM, ST2A), who is in Chad since 25. September, has received renewed TT8JT license and will be on the bands from Abeche (GL:KK03KU) during next three or four weeks.
As in 2008, main purpose of Jovica's travel to Chad is his work for United Nations High Commissioner for Refugees (UNHCR)
and you can expect mostly CW activity during his free time.
Activity during CQ WW CW is not confirmed at this moment.
QSL via E73Y: Boris Knezovic, P.O. Box 59, BA-71000 Sarajevo, Bosnia and Herzegovina,
or via E73 bureau.

DU:PHILIPPINES:
Gérard F2JD (DU1/G0SHN) is coming back home near November 20th.
During his stay he made only quite 300 QDO’s because of the too heavy QRM, sufferred in the main center of Manille .
He plans a new stay in Manille in next February 2010 and has decided to bring a new antenna , which he will use during numerous trips to DU Islands.
More info to follow.
QSL via F6AJA.

Philippines
- JA1BRK signs DU1ZC and/or DX1F until Nov 16th.
A new trip to DU is scheduled between Dec 22nd 2009 and January 2010, 12th.
Focus on 160/80/40m.
SV9
Id like to inform you that ill participate to the CQWW CW 09 contest as SOAB qsl info via home call and LotW Many tks n best
73 Dimitris DE SV9COL

ARGENTINA
Railway stations Radio days ,by Radio Club Argentino-LU4AA
The Radio Club Argentina is organizing the First Railway stations Radio Days on Nov 14 and 15.
Will be put on the air the following railway stations :
November 14th:

Railway Station Villa Lynch - DEF-006D
Railway Station Abbott - DEF-017D
Railway Station Pergamino Norte - DEF-087D
Railway Station Ranchos - DEF-145D
Railway Station Elías Romero - DEF-146D
Railway Station Udaondo - DEF-147D
Railway Station Florida - DEF-148D
Railway Station Paso Mayor - DEF-149D
Railway workshops Haedo - DEF-150D
Railway Station Emma - DEF-151D
Railway Station Yerbas - DEF-152D
Railway Station Ariel - DEF-153D
Railway Station Pieres - DEF-154D
Railway Station La Dulce - DEF-156D
Railway Station Loma Verde
(http://www.lu4aa.org/diplomas/def/novdef.htm#DEF157D) - DEF-157D
Railway Station Chapadmalal - DEF-158D
Railway Station Mercedes (FCGB)- DEF-159D
Railway Station Mercedes (FCGS)- DEF-160D
Railway Station Gowland - DEF-161D
Railway Station Circunvalación - DEF-162D
Railway Station Tolosa - DEF-163D
Railway Station Junín - DEF-164D
Railway Station Ewald - DEF-017F
Railway Station Cacique Ariacaiquín - DEF-024F
Railway Station Capilla del Monte - DEF-022H
Railway Station Las Higueras - DEF-023H
Railway Station Del Este - DEF-001L
Railway Station San Luis - DEF-002Q
Railway Station Oeste - DEF-002U
Railway Station Allen - DEF-013V
November 15th :
Railway Station Pergamino Sur - DEF-086D
Railway Station ación Ranchos - DEF-145D
Railway Station Paso Mayor - DEF-149D
Railway Station Cacique Ariacaiquín - DEF-024F
.

Bonjour à tous
Dernières nouvelles de F5NQL, jusqu'à mardi prochain
TCHAD:
Jovica, E78A (aka 6W1SJ, ex. T98A, ST0RM, ST2A), qui est au Tchaed depuis le 25 septembre à reçu le renouvellement de la licence et l'indicatif TT8JT.
Il est à nouveau actif depuis Abeche (GL:KK03KU) pour les trois ou quatre semaines prochaines.
Comme en 2008, on lui a assigné une mission dans le cadres du Haut Commissariat pour les Réfugiés de l'ONU (UNHCR).
Vous pouvez le contacter principalement en CW à son temps libre.
L'activité pendant le CQ WW CW n'est pas encore confirmée.
QSL via E73Y: Boris Knezovic, P.O. Box 59,
BA-71000 Sarajevo, Bosnia and Herzegovina, ou via bureau E7.

DU:PHILIPPINES:
Gérard F2JD (DU1/G0SHN) sera de retour en France, vers le 20 novembre 2009.
Pendant son séjour il n'a pu faire qu'environ 300 QSO à cause du QRM épouvantable qui règne au centre de Manille.
Lors de son prochain séjour, programmé à partir de février 2010, il emmènera une nouvelle antenne, qu'il utilisera lors de ses nombreux déplacements prévus dans les îles Philippines.
Plus d'informations à suivre.
QSL via F6AJA.

Philippines
- JA1BRK est encore DU1ZC et/ou DX1F jusqu'au 16 novembre.
Il reviendra du 22 décembre 2009 au 12 janvier 2010.
Insistance bandes basses : 160/80/40m.

SV9:
Dimitris, SV9COL, sera actif pendant le CQ WW DX CW 2009 en cattégorie SOAB.
QSL via HC, et Lotw.

I.C.P.O. Bulletin (12 - 20 November, 2009)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

12/11/2009: Members of the Spanish 'DX4DX Team' will be active as OX/EA7SB and OX/EA4NA from the main island of Greenland (NA-018, WLOTA LH-0072) between 12-19 November. Activity will be on 160-10 metres using CW, SSB and the Digital modes. The group will be using FT-857s w/amps into vertical antennas. Operators mentioned are: Paco EA4NT (SSB/Digi), Emilio EA7AAW (CW), Ramon EA4NA (CW) and Salvador EA7SB (SSB/Digi). Pilot stations will be Jose/EA4DB and Txema/EA5BWR. QSL via EA4BT, direct or by the Bureau. This is the same group who was active as TK9Z and C57R. Visit the group Web page at: www.dx4dx.com/ox/index.html [OPDX Bulletin]

12/11/2009: Jovica, E78A (aka 6W1SJ, ex. T98A, ST0RM, ST2A), who has been in Chad since 25 September, has received renewed TT8JT license and will be on the bands from Abeche (WW Loc. KK03KU) during next three or four weeks. As in 2008, main purpose of Jovica's travel to Chad is his work for United Nations High Commissioner for Refugees (UNHCR) and you can expect mostly CW activity during his free time. Activity during CQ WW CW is not confirmed at this moment. QSL via E73Y: Boris Knezovic, P.O. Box 59, BA-71000 Sarajevo, Bosnia and Herzegovina, or via E7 bureau. [E73Y]

12/11/2009: Jim/PY7XC, Ciro/PY7ZY, Andre/PY0FF, Renner/PY7RP, Leo/PP1CZ and Mike/K9AJ will be active as PW6C from Coroa Vermelha (SA-062, the 8th most wanted IOTA group in South America) and lighthouse (ARLHS BRA-029) plus Coroa Da Barra Island from 12-18 November. They plan to run three stations 24/7 from two operating sites, and to operate CW and SSB on 80-10 metres. QSL via K9AJ (QRZ.com). Further information can be found on the expedition's website (www.pw6c.com/). [425 DX News]

13/11/2009: Operators Alfeo/I1HJT, Silvano/I2YSB, Carlo/IK1AOD, Vinicio/IK2CIO, Angelo/IK2CKR, Marcello/IK2DIA, Stefano/IK2HKT, and Donato/IZ2CHO will be active from Busua Beach, Ghana, from 13-27 November. They will also activate Abokwa Island (AF-084), with one station on 20 meter band only. The time of operation on the island will be planned day by day, pending the sea condition and weather forecast. Activity will be on all HF bands and modes, 80 through 10 meters. 9G5XX is the callsign that will be used from Abokwa Island. 9G5TT is the callsign that will be used from the mainland. QSL via I2YSB, direct only. Further information can be found at: www.i2ysb.com/ [NG3K]

13/11/2009: Kharkov university contest club UT7L will be very proud to support the operation from Maputo, Mozambique starting on 13 November

until 03 December with C91LW call sign (issued to Igor, UY5LW). QRV on 80-12 metres, mostly CW with some RTTY, PSK activity. Also CQWW DX CW Contest (28-29 November) as a Single-Op/All-Band/High-Power entry. Activity on 160 depends upon the situation. QSL direct to UY5LW (Igor Pyzh, P.O. Box 1770, Kharkov - 176, 61176 Ukraine). Further information can be found at: www.c91lw.dxer.com.ua/ [NG3K]

13/11/2009: Sam, F6AML will be in Comoros (IOTA AF-007, WLOTA L3027) as D68F bewteen 13th to 23rd November. Activity will be on CW/SSB 160-10m. Sam will focus especially on Top Band and other LF bands. Suggested frequencies are: CW - 1828, 3520, 7020, 10115, 14020, 18071, 21020, 24951 and 28020 kHz; SSB - 3775, 7075, 14265, 18140, 21265, 24960 and 28480 kHz. He will use a FT857D + amplifier with an inverted L + K9AY for 160, 1/4 vertical for 80 to 30m and spiderbeam for 20 to 10m. All of his equipment (except the amplifier) will be donated for a future radio club. QSL via F6AML direct or via the bureau. [F6AJA]

14/11/2009: François/F5JNE and Claude/F5MCC to be active on 14 November as homecall/p from the Bazoches sur el Betz Castle (DFCF 45-055), in the city of Bazoche sur le Betz (CP 45210), canton [county] of Courtenay (DDCF 45-11), Department Loiret/45 and Province Centre (DPF 07). QRV 80 and 40m, CW/SSB, starting around 0700 UTC. QSL to home calls via the bureau and SWL cards welcome. [F5NQL]

14/11/2009: Members of the Uruguay DX Group will be active from Port Stanley, East Falkland Island (SA-002, WLOTA L1479) from 14-21 November. They will use the callsign VP8BUH mainly on the low bands and WARC SSB. They will also use the callsign VP8BUG on the digital modes. Operators include Gus/CX2AM (CW), Gus/CX3CE (the lower bander), Bert/CX3AN (SSB & CW), Mario/CX4CR (SSB, CW & Digi) and Luis/CX4AAJ (Digi). And last added Horacio CX3BH with his young 91 years! Three stations Icom IC706 plus IC2KL; 24 hours round the clock with special attention on WARC and low bands. QSL via EB7AEY. More details on: www.qsl.net/vp8bug/ [F5NQL]

15/11/2009: 29th Indian Antarctic Expedition - Bhagwati Prasad Semwal, VU3BPZ will be in Antarctica with the 29th IAE. The crew has just finished the pre Antarctic training & medical checks. From 15.Nov.2009 the overwintering Team will start a long term operation (till March 2011). Bhagwati VU3BPZ will be on the air from Maitri Base (WAP IND-03, IOTA AN-016) using his personal call VU3BPZ and also a special call AT10BP on the way to be issued by Ministry of Communication & IT for the event. QSL via VU3MKE. More info on WAP web site at www.waponline.it/ (Check: News & Information page). [I1HYW]

15/11/2009: Bill, K7MT, will once again be returning to McMurdo Station (WAP USA-22, AA K-09), located on the southern tip of Ross Island (IOTA AN-011), and be active as KC4USV between 15.Nov.2009 and 20.Feb.2010. Bill states that he will be on the HF bands on 14243 kHz, Sundays at 0000z. He will also be active on PSK-31 (on 14070 kHz) and CW (14043 kHz) if time permits. Bill has also mentioned that he will take an Arrow II antenna and his Kenwood TH-7 to work the Amateur Satellites into VK

and ZL land. He also has plans to be on APRS VHF/HF with a Kam Plus, so you might just see him driving around on the Ross Ice Sea as K7MT-7 on APRS. QSL via K1IED. Visit his home page for some interesting pictures at: www.mt.net/~k7mt/ [OPDX Bulletin]

15/11/2009: Mark, KO1U will be out and about hoping for good weather on 15 November to activate two islands in the State of Massachusetts. Starting around 1630 UTC from Deer Island (USi MA027R), then on to Plum Island (USi MA002S) which includes the Newburyport Harbor Lighthouse (ARLHS USA-544, WLOTA LH-1546). Both islands are in Essex County, MA. CW/SSB mainly 20M/40M low side of 14050/14260 and 7050/7250. Mark will check other bands on-and-off through the day. QSL via home call. [USi]

15/11/2009: Hans, SM3TLG will be active from Brunei (OC-088, WLOTA LH-1628) as V88/SM3TLG from 15-20 November. QRV all HF bands. QSL via home call, direct or bureau. [SM3TLG]

15/11/2009: Gerd, DL7VOG will be active from Anegada Island (NA-023) between 15 November and 2 December as VP2V/DL7VOG. QRV all HF bands, including 160m, mainly CW and RTTY. QSL via home call, direct or bureau. Email requests to qsl-at-dl7vog.de. [F5NQL]

15/11/2009: Roger/W7VV, Ralph/VE7XF and others will operate from VP5JM's QTH on Providenciales (NA-002, WW Loc. FL31VS) from 15 November to 3 December, including a M? entry in the CQWW DX CW Contest (28-29 November) probably using a special callsign (TBA). Outside the contest look for the group to be signing VP5/homecall on all bands/modes 160-6 meters. QSL via home calls.

16/11/2009: Alex, GM0DHZ/AA8YH reports that he is returning to Tunisia on 16 November for 5 weeks. He plans to be active on CW on the weekends from 3V8SS. He also adds that he is willing to accept skeds from "QRP" operators/stations, either CW or SSB. They can contact him via his E-mail address listed on QRZ.com. However, Alex has reminded us that it's a holiday trip by his XYL. [OPDX Bulletin]

17/11/2009: Eric, F6ICX will be active as 5R8IC from Nosy Boraha [aka Sainte Marie] island (AF-090, WLOTA L0491, WW Loc. LH43WC) between 17 November and 15 December. Activity will be on 80-10 meters. QSL via his home callsign. [OPDX Bulletin]

18/11/2009: Karl, DL2FAG will be active from Apia, Upolu Island (OC-097, WLOTA L1944), Samoa, as 5W0KH between 18-30 November. Activity will be holiday style on 80-10 meters, mainly on RTTY, PSK and SSB. QSL via DL2FAG, direct or Bureau. [OPDX Bulletin]

18/11/2009: Steve, WB2IQU will be active as 5W2IQU from Upolu Island (OC-097, WLOTA L1944), Samoa, from 18-22 November. Operations will be low key using an Icom 706 into a small MFJ antenna tuner and a 20m dipole. QSL via home call. [F5NQL]

18/11/2009: Mike, W7ASF will be active from Prince Edward Island (NA-029, CIsA PE-001, WLOTA 0523) as VY2/W7ASF from 18-24 November, including an entry in the ARRL Sweepstakes Phone Contest (21-23 November). QSL via home call, direct or bureau. [rsgbiota.org]

19/11/2009: Aki, JA1NLX and XYL will be QRV holiday style as FK/JA1NLX from Ouvea Island, Loyalty Islands, New Caledonia (OC-033) between 19-24 November. Active on 80-10m CW/RTTY with 100w transceiver and vertical antenna. QSL via home call, direct or bureau. Further information can be found on Aki's web site at www.ne.jp/asahi/ja1nlx/ham/fk_2009.html [NG3K]

19/11/2009: Fred PY2XB and Alex PY2WAS will activate Cabras Island (SA-071, DIB SP-06) between 19-23 November. They will use PW2IO (PY2XB) and PW2TA (PY2WAS) calls. They will operate two separate stations running 300W and 100W respectively. The antennas will be a yagi for 15, 17 and 20m and a multiband ZEP. The team guarantees that at least one station will be on the air around the clock. Both stations will work CW and SSB. The main bands to be used are 15, 17, 20, 30 and 40 metres, on IOTA frequencies. Alternative frequencies may be used if necessary. The team will need to take life support to the island, including generator and batteries for energy. The landing on the island is difficult and the operation may be postponed in case of bad sea. News will be forwarded thru Luke, PT7WA. Additional information will be available at QRZ.com. QSL routes: PW2IO via PT7WA and PW2TA via PY2WAS [F5NQL]

19/11/2009: Operators John/KL7JR, Claire/WL7MY and KL7BO will be active as VY1RST during and after the ARRL November Sweepstakes Phone Contest (21-23 November) from Buckshot Betty's Cabins, Beaver Creek, Yukon, between 19-23 November. Emphasis will be on 160/80 meters SSB (using a 160m Inverted L) with a 2nd station on for 20-10 meters (vertical) SSB and PSK-31. QSL Manager is KL7JR. E-mail skeds are welcome at: John.ReisenauerJr(at)alyeska-pipeline.com [OPDX Bulletin]

20/11/2009: Jean, ON5JV and Georgette, ON6AK will be active as EA8/homecall from Tijoco Bajo, Tenerife Island (AF-004, DIE S-012, WLOTA L1276) between 20.Nov.2009 and 10.Feb.2010. Activity will be on 40-10 meters during evening hours. They plan to use 100W into a 14AVQ vertical. QSL via their home callsigns, bureau is preferred. [UBA HF News]

20/11/2009: Operators Gregor/DF7OGO, Tom/K3WT, Ron/N0AT, Vlad/N0STL, and Bill/W0OR will be active from El Salvador between 20 November and 1 December, including a Multi-Single entry in the CQWW DX CW Contest (28-29 November) as YS4U. Outside the contest they will probably be signing YS/homecall. QSL YS4U via N0AT. QSL others via their home calls, direct or bureau. [NG3K]

==========

LOOKING AHEAD -

24/11/2009: Jacques, F6BEE will be active from Senegal as 6W1RW between 24-29 November, with focus on the CQWW DX CW Contest (28-29 November) as a Single-Op/All-Band/High-Power entry. Prior to the contest he will be

QRV mainly on WARC bands. QSL via F6BEE and LoTW. [NG3K]

24/11/2009: John K3CT and John K3TEJ will be active on all bands/modes as KP2/homecall from Christiansted (WW Loc. FK77PR), island of St. Croix (WLOTA LH-2477) U.S. Virgin Islands (IOTA NA-106) from 24 November to 1 December, including a Multi-? entry in the CQWW DX CW Contest (28-29 November) as KP2M. There is the possibility of some 6 metre activity outside the contest, using 1 KW and a KLM 11 element yagi. QSL KP2M via AI4U, direct or bureau. QSL other calls via their home call. [NG3K]

28/11/2009: Vakhtang, 4L8A will be active during the CQWW DX CW Contest as a Single-Op/Single-Band (20m) entry, from Tbilisi, Georgia. QSL via K1BV, bureau or direct. [NG3K]

28/11/2009: Dim, UT5UGR will be active from La Somone, Senegal, as 6V7R during the CQWW CW Contest (28-29 November) as a Single-Op/All-Band/High-Power entry. QSL via UT5UGR, direct or bureau. [NG3K]

28/11/2009: To commemorate the 151st birth-anniversary of Sir Jagadish Chandra Bose ("Father of Radio Communication") Indian Hams are going to operate with special call-signs. Surabhi, VU2DSI will be active as AU8JCB from 28 November to 01 December. QRV 7070, 14270, 14200, 21280 and 28510 kHz. QSL via VU2DSI direct (QRZ.com), or via eQSL. [F5NQL]

28/11/2009: Ranko, 4O3A will be active as D4C from Sao Vicente Island (AF-086, WLOTA LH-1976), Cape Verde, in the CQWW DX CW Contest (28-29 November) as a Single-Op entry. QSL via the bureau to CT1ESV, or direct to IZ4DPV. [AT International]

28/11/2009: Champ, E21EIC will be active from Bangkok, Thailand, during the CQWW DX CW Contest (November 28-29th) as a Single-Op/All-Band entry. QSL via LoTW. JA QSL via JR5XPG only! [NG3K]

28/11/2009: Voravut, HS8JYX will be active from Krabi, Thailand, during the CQWW DX CW Contest (28-29 November) as a Single-Op/Single-Band (20m)/Low-Power entry. QSL direct, LoTW or eQSL. [NG3K]

28/11/2009: Rhein Ruhr DX Association members Will DF4PD, Detlef DK3QZ, Joerg DL3QQ, Kai DL3HAH, Hans-Peter DL1XW, Chris DL7CS, Mike DF3VM, Stefan DL5XX and Philippe LX2A will be active as LX7I from Eschdorf, Luxembourg, for the CQWW DX CW Contest as a Multi-Multi entry. QSL via LX2A, direct or bureau. [NG3K]

28/11/2009: Ian, G3WVG will be active as MZ5B from Eshaness, Mainland Shetland (EU-012, IOSA SH01, SCOTIA SI11, ARLHS SCO-075, BARLS A3838, WLH GM-026, WLOTA LH-0867, WAB: HU27) during the CQWW DX CW Contest (28-29 November) as a Single-Op/Single-Band(?) entry. QSL via G3TXF, direct or bureau. Logs will be uploaded to LoTW. [NG3K]

28/11/2009: Look for The UA2 Contest Club to be active from Kaliningrad as RW2F during the CQWW DX CW Contest as a Multi-? entry. QSL via DK4VW. [NG3K]

28/11/2009: Dimitris, SV9COL will be active for the CQWW DX CW Contest as a Single-Op/All-Band entry. QSL via QRZ.com and LoTW. [NG3K]

28/11/2009: Operators Doug CO8DM, Rolando CO8DL, Alex CO8KA, Raul CO8ZZ and Josue CO7RR will be active as T48K from Las Tunas, Cuba (NA-015, WLOTA LH-0032), during the CQWW DX CW Contest (28-29 November) as a Multi-? entry. QSL via DK1WI (QRZ.com). [NG3K]

28/11/2009: Look for Pai, VU2PAI to be active from Mangalore, India, during the CQWW DX CW Contest (28-29 November) as a Single-Op/All-Band/High-Power entry. He will try be active on 160 metres, if possible, with a new Inverted L antenna. QSL direct (QRZ.com). [NG3K]

28/11/2009: Pri, YB0ECT, will be active from Jakarta, Java Island (OC-021, WLOTA LH-1660, WW Loc. OI33JT), Indonesia, during the CQWW DX CW Contest as a Single-Op/Single-Band(20m)/Low-Power entry. QSL via K3AIR (QRZ.com). [NG3K]

28/11/2009: Bob, G4DBW will be active from Ascension Island (IOTA AF-003, WLOTA LH-1491) as ZD8RH during the CQWW DX CW Contest as a Single-Op/All-Band entry. QSL via home call. Logs will be uploaded to LoTW. [NG3K]

04/12/2009: Operators Dani XE3RR, Jose XE3PP, Benigno XE2WK and Zalo XE3N will be active Isla El Cerrito (IOTA NA-153) between 04-14 December with the callsign XF3RR. This operation is organized by the Radio Club Cancun and it will be a low scale operation as the island is a protected area of the government of Mexico so it is subject to many restrictions including not carrying much equipment or more than 4 people at once. QRV 80-15 metres, mainly SSB and RTTY. Suggested frequencies: SSB - 3.790, 7.060, 14.260, 18.140 and 21.260 MHz; RTTY - 3.585, 7.044, 10.104, 14.085, 18.104 and 21.085 MHz. QSL via EB7DX. [F5NQL]

12/12/2009: Aurelio, IZ0EGM will be active during ARRL 10 Meter Contest from the Republic of San Marino with callsign T70A between 12-13 December using CW and SSB. QSL via the information on QRZ.com [NG3K]

20/12/2009: Look for special event station 8J6HAM to be active from 20.December.2009 to 08.March.2010 for the 9th Nishinihon (or West Japan) Ham Fair, to be held in Tosu-city, Saga-prefecture, Kyushu (AS-077, JIIA AS-077-001, WLOTA LH-0963), Japan. HF contacts QSL via the JARL bureau; Satellite contacts QSL via JA6PL, direct or bureau. [JJ1WTL/AC6IM]
==========
SPECIAL EVENTS -

12/11/2009: Special event station 8J15TZKI is currently active until 31st December to celebrate the 15th Anniversary of Tsuzuki-ward, Yokohama-city, Kanto region, Kanagawa prefecture, Honshu (AS-007, JIIA AS-007-001, WLOTA LH-2376), Japan. QSL via JR1ZFI by the JARL bureau. [JJ1WTL/AC6IM]

12/11/2009: Special event station 8J1YUZU is currently active until 27th December to celebrate Koshu Masuho Matsuri (or Yamanashi-pref. Masuho-town Festival), Chubu region, Minamikoma-gun, Honshu (AS-007, JIIA AS-007-001, WLOTA LH-2376), Japan. Masuho-town is famous for Yuzu (or Japanese citron aka Chinese lemon). QSL via the JARL bureau. [JJ1WTL/AC6IM]

14/11/2009: DQ11APOLLO is operated by the German club in Luedinghausen (N28) with the special DOK Apollo11. Responsible for the station and also acting as QSL manager is Thomas, DF3JO. The first QSOs were made on 16-24 July to celebrate the 40th anniversary of the first landing on the moon on 20.Jul.1969. The call will be activated during several occasions in 2009 and 2010: Apollo 12 November 14-24, 2009; Apollo 17 December 07-19, 2009; Apollo 8 December 21-27, 2009; Apollo 14 January 31-Feb 9, 2010; Apollo 9 March 03-13, 2010; Apollo 13 April 11-17, 2010; Apollo 16 April 16-27, 2010; and Apollo 10 May 18-26, 2010. QSL via DF3JO, direct or bureau. The QSL card has yet to be printed. The first delivery of the QSL-cards is sheduled in December. [F5NQL]

14/11/2009: Members of the Galway VHF Group will be operating an HF station, using the special callsign EI185RNLI, for a 24 hour period from lifeboat stations in County Galway during the month of November. On 14 and 15 November they will operate from the Aran Island Lifeboat station at Kilronan, Inishmore island (EU-006). All operations will take place on the HF bands with two stations in operation at all times. There will be operation on phone and digital modes with some operation possible on SSTV. There will be a special QSL card for all contacts made and SWL reports will also be welcomed. [GB2RS]

14/11/2009: Special callsign GB1HF will be QRV on 14th November from Northern Ireland (IOTA EU-115, WLOTA LH-1439) to commemorate the life of Harry Ferguson the inventor and engineer. QSL via the RSGB bureau. [GB2RS]

16/11/2009: During the French National Week of Science, 16-20th November, the special event HF station TM5TUR will be active from Limoges (Department 87), on 80 to 10m in all modes with a demonstration at the Technological High-School Turgot, to promote ham technique and spirit among younger pupils and future engineers. QSL via the bureau. [F5NQL]

16/11/2009: Fabio, IK0IXI and other INORC members will operate as II0TRM on 16-22 November to commemorate the 70th anniversary of Theodore R. McElroy's (W1JYN) code receiving record (75.2 wpm: corrected to today's standard, that would be 72.2 wpm). QSL via IK0IXI, direct or bureau. [425 DX News]

17/11/2009: Arnhem is this year the 60 year City of Trolleybusses and is the only city in The Netherlands to have them. To promote this, Fred PA0FAW will use the special callsign PC60TROLLEY from 17th November (2300z) to 15th December (2300z), using CW/SSB and digital modes. QSL via PA0FAW, direct, bureau, LOTW, E-qsl and SWL's all ok. Fred will ask for a special EPC-number and will try to be in at leat 1 ISWL-SSB net.

[Pete's-DX-Newsdesk]

U.S.A. Special event station information can be found at:

** Question in advance of Expediton **
Dear friends, We are preparing our Maldives Isl. DXpedition 2010 (March 24th - 31th see: www.mmmonvhf.de/latest.php?id=2896). We need to make the decision on what antenna we will use on 144. We definitely want to use one single cross-yagi. We would like to use the experience of other DXpeditions and home-stations: Does anyone have experience with the 2MXP28 and/or the 32JXX2? Is there any other antenna (with such performance, size and weight) you would recommend? Please send us your comments and suggestions!
Many thanks! vy 73 Dan, HB9CRQ/KT6Q head of HB9Q www.hb9q.ch [MMMonVHF]

LX - LUXEMBOURG
Rob, PE1ITR will be QRV from Luxembourg as LX/PE1ITR on Sunday 15th November on 70MHz only from JO30. Main mode will be meteorscatter JT6M or FSK441. Equipment IC706, transverter, 5el yagi. Rob will have Dxcluster, KST chat access. pse skeds! pe1itr(at)amsat.org [I2JJR]

OH - FINLAND
50 & 70 MHz News - All Finnish coastal areas are now free for 50 MHz operations (there were forbidden areas due to former Swedish CH2-TV activity) The big news is that as of today (04 November) 70 MHz is released as legal for transmitting. The Finnish Communications Regulatory Authority (FICORA) (www.ficora.fi/en/index.html) will release the new regulatory document 6H/2009M on the Finnish/Swedish web pages tomorrow (05 November). US COUNTY HUNTING - USA-CA

WØGXQ/NFØN - 13 Nov 2009 to 15 Nov 2009 - SSB and CW
The Dangerous Duo is heading into Nebraska this trip. Let's hope that
the weather cooporates! As on previous trips, Mike will be the primary
operator for SSB and myself for CW. I will be looking for a MG contact
in 52 of the 56 counties!

Friday starting at 1400z: IA-Woodbury, Monona, and Harrison.
NE-Washington, Douglas, Sarpy, Cass, Otoe, Nemaha, Johnson, Richardson,
Pawnee, Gage, Saline, Jefferson, Thayer, Nuckolls, Clay, Adams, Webster,
Franklin, and Harlan.

Saturday starting at 1330z: Furnas, Gosper, Phelps, Kearney, Buffalo,
Hall, Hamilton, Howard, Merrick, Nance, Platte, Colfax, Cuming, Stanton,
Madison, Boone, Greeley, Wheeler, Valley, and Garfield.

Sunday starting at 1400z: Custer, Loup, Rock, Brown, Keya Paha, Boyd,
Holt, Knox, Antelope, Pierce, Wayne, Cedar, Dixon, and Dakota. And then,
as Dan would say, Suppertime.

If you have listed your needs on the internet, your call is already
annotated to our itinerary. Band rotation for CW will be 40/80/30/20/17,
etc. Friday and Saturday may see us cutting our runs short in some
counties due to time constraints. QSL via home calls. [County Hunter
Web]

WØGXQ - Jerry - 3* - 16 Nov 09 to 16 Nov 09 - SSB and CW
MODIFIED Monday: Headed back to Hubbard MN starting around 1400z.
IA-Plymouth, Sioux, and Lyon. MN-Rock, Nobles, Murray, Lyon, Lincoln,
Yellow Medicine, Lac Qui Parle, Big Stone. *SD-Roberts/Grant.
MN-Traverse, Stevens, Grant, Douglas, Otter Tail, and Wadena. QSL via
home call. [County Hunter Web]

QSL INFORMATION -

The following operation is approved for DXCC credit:

YI9TM - Iraq
Current Operation

73 es DX!
Bill Moore NC1L

Awards Branch Manager

Rejection of C91VM QSL IOTA activities:
For those wishing to claim credit for October 2009 contacts with C91VM (AF-061, AF-066, AF-088), please be aware that, in response to the operator's current published QSL policy, these three operations will not be accepted for IOTA accreditation. Clarification is awaited from the operator that a policy change will be made immediately to the effect that payment of USD 5 is not obligatory and that cards sent direct with sufficient return postage will be answered direct in a timely fashion. A prompt amendment to the policy notice on QRZ.com is therefore required if accreditation is to be reconsidered.
G3KMA, 7 Nov 2009 [F5NQL]

PT1R, Ilha Rasa (IOTA SA-079), logs have been uploaded to LoTW. [PY1NB]

4W6AL QSL cards arrived today from LZ3HI printer. Direct request will be answered very soon. When direct card will be out we will publish it via this mailing list. All 4W6AL information can be found at: algarvedx.com/

Paulo, CT1ITZ/D2PJB is active from Angola. He got new callsign. Now he is on the bands with D2CQ callsign on SSB only. QSL via CT1IUA.

NOTE: Only eQSLs received from users with Authenticity Guaranteed certificates are counted. [4Z4DX

USA - SOTA Day:
The North American 'Summits on the Air' (SOTA) activation day, is Saturday, November 14th.
The four North American associations of 'Summits on the Air' are planning a multi-summit activation spanning the North American continent.
Portable, mountain top stations will be operating from the VE2, W1, W2, and W6 call areas. Seasoned "summit chasers" all over Europe will have the opportunity to work expeditions on SOTA's western frontier, and a new group of North American chasers will get a chance to work multiple summits.
To join in the fun, visit the SOTA Web site at: www.sota.org.uk/

Contesters: The rules for the 2009 edition of the RAC Canada Winter Contest have been posted on the Radio Amateurs of Canada website at: www.rac.ca/en/rac/programmes/contests/
This years contest will run on 19th December from 00:00 to 23:59 UTC.
Sam VE5SF Canada Winter Contest Chairman

FRENCH YL /OM CW Contest
On Friday Nov 20th will happen the yearly CW contest between XYL’s and Oms sponsored by the EUCW Society the Union Française des Télégraphistes UFT.
The UFT Society callsign F8UFT will be aired by Evelyne/F5RPB.
QSL via F6ICG, direct or via the French Ref-Union bureau.
0800 to 1000 utc on 40m and 1900 to 2100 utc on 80m.
More information: www.uft.net/articles.php?lng=fr&pg=341 [F5NQL]

Gerard F2JD who is DU1/G0SHN will be back in France around November 20th. He was not very active (around 300 QSO) due to hight noise level in Manilla. He will be back in Philippines somewhere in February and will get another antenna for his multiple activity when he will traveliing on the neighbor islands.
Logs are at: /LesNouvellesDX.fr/voirlogs.php [F6AJA]

Two Canadian stations on 500kHz:
On 30 October, Canada issued two licences in the Developmental Service in the range 504 to 509kHz. VE1ZZ has been assigned VX9PSO and is reported to be on 504.6kHz. VO1NA has been assigned VX9MRC and is reported to be on 507.77 and 508.5 kHz. Two more stations, VE3OHH and VE7BDQ, are expected to become active soon.

NORWAY - New frequency allocations:
As of November 6th 2009, the updated amateur radio licensing regulations in Norway went into force.
The main news are the following new allocations made available to all Norwegian radio amateurs (in addition to the 135,7 - 137,8 kHz and the 7,1 - 7,2 MHz bands):
LF -
493 - 510 kHz on secondary basis, 100 W, A1A (CW) only
HF -
5260 - 5410 kHz on secondary basis, all modes (6 kHz max bandwidth)
24740-24890 kHz on secondary basis, 1kW (6 kHz max bandwidth)
VHF -
70,0625-70,0875 MHz on secondary basis, 100 W, max bandwidth 16 kHz
70,1375-70,1875 MHz on secondary basis, 100 W, max bandwidth 16 kHz
70,2625-70,3125 MHz on secondary basis, 100 W, max bandwidth 16 kHz
70,3625-70,3875 MHz on secondary basis, 100 W, max bandwidth 16 kHz
70,4125-70,4625 MHz on secondary basis, 100 W, max bandwidth 16 kHz
and some minor adjustments at SHF and EHF. [UBA HF News]

9059. Qsl Information

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-11-15 00:58:33 UTC
From: K1XN
Topic: 8491 Message: 9059

Hi,

At the begining of November I received 7X0DX and 9M8DX directs unanswered by late DL4DBR. As perhaps you remember Ted DL4DBR passed away at the begining of 2009 and during last months of his life he was not able to deal with QSL cards (in this calls 7X0DX and 9M8DX managed by him). Ted's wife, Renia DL3DBR, was for some time too afected by loss to prepare package of unanswered QSLs. She tried many times but always started to cry. She sent me the package of unanswered direct at the begining of November, Now all of them are answered and sent to recipients.
However, there is a problem with cards sent via DL4DBR via the bureau. Ted DL4DBR had computer records but unfortunately all data was lost. So if anyone is still waiting for a bureau card, please re-send your card via the bureau via SP5UAF or send an e-mail request to my e-mail tom.sp5uaf@... or sp5uaf@....

9060. Using Golist with DXBase2007 question

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-11-15 16:43:33 UTC
From: Ron Stordahl
Topic: 8507 Message: 9060

I have recently installed DXBase2007 on a new machine complete with GoList and its not working as I think it used to....

The GoWin program itself is working properly, so I know I have all the needed files and such.

In DXBAse2007 I have AUX Manager set to 'auto lookups' and and 'Golist for Windows' with a path of 'C:\Golist\' which is where I have the GoList data.

So I thought if, in DXBase2007, I would click on a spot, say TX3A, or click on a completed Q for the same, or enter the call in the DX call space in the DX Info window that I would get the GoList information displayed within DXBase2007 in some fashion. It doesn't, and I think it used to!

DXBase2007 users...what am I doing wrong?

Ron, N5IN

9061. Qsl Information

Figured it out! The GoList information shows up in the DX Info window under the Aux Manager tab. Which makes sense as that window provides enough space for all the details John provides to us.

Even better you can highlight the call of the appropriate QSL manager and hit the 'transfer' button to transfer just that into the manager space in the QSL Info window.

Nice work John!

CE/LU Tour by F6BFH and XYL

Alain received a mail from Pupi, LU8XP.
On Nov 4th, Hugo Galvan LU2XT, President of the Ushuaïa LU8XW ARC, passed away after a heart surgery.
I, F9IE and Alain met him at tha ARC several years agao. All the ARC members are veru shocked.
Security first, Marco/CE67BN and Alain/F6BFH must to cancel for sea condition the trip to SA 085, which was scheduled for yesterday. The fisherman refused at all to go at sea, so Marco and Alan stayed in Puerto Viejas.
Blog (in French language) : _http://alan-f6bfh.blogspot.com/_ (http://alan-f6bfh.blogspot.com/)

France :
On next Saturday, look for Claude/F5MCC and Gilles/F4FGJ, to be active from the Mill of La Grande Roue (DMF 89048) in the city oif Verlin, zip code 89330 and Canton of Saint Julien du Sault, ddcf 89-26.
Starting around 0630 utc, 80 then 40m SSB/CW.
QSL bureau preferred and SWL cards welcome.
Callsign : F4FGJ/p

PUERTO RICO Special event :

Discovery of Puerto Rico Special Event - NP3M

The Western Amateur Radio Club will have a Special Event commemorating the 516 anniversary of the Discovery of Puerto Rico, operating as NP3M/516 this next Thursday, November 19th, starting at 0000 UTC to 2359 UTC. It will be on SSB, CW and possibly PSK31, from 80 to 10 meters. QSL info via NP3M.

SPECIAL EVENT ITALY
On the eight of December 1949, His Holiness Pope Pio XII approved the nomination from Mons. Carlo Alberto Ferrero di Cavallerleone, officially proclaiming the Virgo Fidelis Mary as “ The Patron of the Carabinieri Force”, fixing the date of the celebration as 21 November, the same day as the presentation of the Virgo Fidelis Mary to the Temple and the battle of Culqualber.
To celebrate the occasion of the sixtieth anniversary of the proclamation the Virgo Fidelis Mary as “ The Patron of the Carabinieri Force” , the radio station IQ6CC will be activated during the days of Nov 20 to Nov 22 inclusive, on all bands and operating modes. The QSL manager is IW6DSM Lorenzo Iannone, via bureau or directly .
A special QSL will be created for the event.

6 METERS

Faroes, OY. Beacon:

According to Ivan OZ7IS, the Faroe beacon on 6 meter is now up running again. Call have been changed to OY6BEC to match the call of the other beacons at the site. The beacon still uses 50.035 MHz, reports/spot at the cluster would be appreciated to map its coverage.
SOURCE: (OZ6OM) via CQ SIX - 50 MHz DX Information. 6 Nov. 2009
All Info about BEACONS look at: _http://www.mmmonvhf.de/beacmap.php_ (http://www.mmmonvhf.de/beacmap.php)

SENEGAL
Tom, GM4FDM and Ronald, PA3EWP have announced their intended expedition to Senegal in January/February 2010. They will be operating as 6W/GM4FDM and 6W/PA3EWP from 26th January until 9th February from Le Calao rental shack where they hope to concentrate on low band DXing and RTTY, with emphasis on North America and Japan.
QSL LotW.

AUSTRALIA:
Spring VHF/UHF field day activity plans by VK1DA

VK1DA plans to operate from Mt Ginini (QF44) for the WIA s Spring VHF/UHF field day on 28-29 November 09. Bands to be used are 6m, 2m, 70cm, 23cm, 13cm and 9cm. Other operators are planning to be active from locations in or near VK1. Most field day activity is on SSB on the lower end of each band, but some FM contacts may be made using simplex frequencies such as 146.5. Contacts via repeaters or satellites are not permitted for the VHF/UHF field days. MORE: http://vk1da.info/

CE/LU Tour by F6BFH and XYL

Alain a reçu un mail de Pupi, LU8XP.
Le 4 novembre, Hugo Galvan LU2XT, Président du RC d' Ushuaïa LU8XW ARC, est décédé après une opération de chirurgie cardiaque.
F9IE et F6BFH l'avaient rencontré lors de leur dernier passage ; les membres du club d'Ushuaïa, sont sous le choc.
Sécurité d'abord, Marco/CE67BN et Alain/F6BFH ont du renoncer à aller sur SA 085, compte tenu de l'état de la mer. Le pêcheur qui devait les emmener a refusé de prendre la mer, ils sont donc restés à Puerto Viejas.

From: GOLIST
Topic: 9066 Message: 9066

If you worked TX3A on RTTY on 14 Nov between 0400 through 0700 or so, it was a pirate. I have confirmed via the pilot station that they were not on the air. They sure fooled me, because the beam heading and frequency were correct he acted exactly like TX3A, even telling some they were dupes. I bet he worked a hundred or more, mostly JA with some scattered NA and Europe. At least we know ahead of time so we can work the real one. Go gettim

Hi friends

E4 – PALESTINE
For the forthcoming dxpedition to Palestine spring 2010, Toni has put a
band/mode survey on the E4X page at :
http://www.dxfriends.com/e4x/survey.php (http://www.dxfriends.com/e4x/survey.php)
Don't forget to answer; The future traffic depends also of you

CAMEROUN:

Lionel/F5PSA is currently active from Cameroon as TJ3SL.
He will stop his activities around Dec 15th.
Until this date he will try to be active daily, propagation permitting.
The last spots were on 14 and 18 MHZ/SSB.

No more information provided

QSL via F5PSA

From: "UT7FP" <ut7fp@...>

Dear Fellow Radio Amateurs,

The European PSK Club has the honour to invite the radio amateurs all over
the world to participate in the 4th EPC PSK63 QSO Party 2009.
Starting time is at 00:00 UTC, and ending time is at 24:00 UTC on Sunday
22
November,2009.

The rules and other information can be found at our
website._http://www.eu.srars.org/_ (http://www.eu.srars.org/)
(http://www.eu.srars.org/)
It is strictly BPSK63 contest, no other modes are allowed.

The maximum output power is 100 watts.

Recommended frequencies are: 160 meters (1.838 - 1.843 MHz),
80 meters (3.580 - 3.590 MHz), 40 meters (7.040 - 7.050 MHz),
20 meters (14.070 - 14.080 MHz), 15 meters (21.070 - 21.080 MHz),
and 10 meters (28.070 - 28.080 MHz).

All the very best and see you all in the Party!

I.C.P.O. Bulletin (19 - 27 November, 2009)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

19/11/2009: Aki, JA1NLX and XYL will be QRV holiday style as FK/JA1NLX from Ouvea Island, Loyalty Islands, New Caledonia (OC-033) between 19-24 November. Active on 80-10m CW/RTTY with 100w transceiver and vertical antenna. QSL via home call, direct or bureau. Further information can be found on Aki's web site at www.ne.jp/asahi/ja1nlx/ham/fk_2009.html [NG3K]

19/11/2009: Fred PY2XB and Alex PY2WAS will activate Cabras Island (SA-071, DIB SP-06) between 19-23 November. They will use PW2IO (PY2XB) and PW2TA (PY2WAS) calls. They will operate two separate stations running 300W and 100W respectively. The antennas will be a yagi for 15, 17 and 20m and a multiband ZEP. The team guarantees that at least one station will be on the air around the clock. Both stations will work CW and SSB. The main bands to be used are 15, 17, 20, 30 and 40 metres, on IOTA frequencies. Alternative frequencies may be used if necessary. The team will need to take life support to the island, including generator and batteries for energy. The landing on the island is difficult and the operation may be postponed in case of bad sea. News will be forwarded thru Luke, PT7WA. Additional information will be available at QRZ.com. QSL routes: PW2IO via PT7WA and PW2TA via PY2WAS [F5NQL]

19/11/2009: Operators John/KL7JR, Claire/WL7MY and KL7BO will be active as VY1RST during and after the ARRL November Sweepstakes Phone Contest (21-23 November) from Buckshot Betty's Cabins, Beaver Creek, Yukon, between 19-23 November. Emphasis will be on 160/80 meters SSB (using a 160m Inverted L) with a 2nd station on for 20-10 meters (vertical) SSB and PSK-31. QSL Manager is KL7JR. E-mail skeds are welcome at: John.ReisenauerJr(at)alyeska-pipeline.com [OPDX Bulletin]

20/11/2009: Jean, ON5JV and Georgette, ON6AK will be active as EA8/homecall from Tijoco Bajo, Tenerife Island (AF-004, DIE S-012, WLOTA L1276) between 20.Nov.2009 and 10.Feb.2010. Activity will be on 40-10 meters during evening hours. They plan to use 100W into a 14AVQ vertical. QSL via their home callsigns, bureau is preferred. [UBA HF News]

20/11/2009: Operators Gregor/DF7OGO, Tom/K3WT, Ron/N0AT, Vlad/N0STL, and Bill/W0OR will be active from El Salvador between 20 November and 1 December, including a Multi-Single entry in the CQWW DX CW Contest (28-29 November) as YS4U. Outside the contest they will probably be signing YS/homecall. QSL YS4U via N0AT. QSL others via their home calls, direct or bureau. [NG3K]

21/11/2009: Jouko, DU/OH1RX will be active from Manila, Luzon Island (OC-042, WLOTA L-0081), Philippines, during the LZ DX Contest (21-22 November). QSL via home call, bureau preferred. [425 DX News]

21/11/2009: Claude F5MCC and Gilles F4FGJ will be active 21 November as homecall/p from the Mill of La Grande Roue (DMF 89-048) in the city of Verlin (CP 89330), canton of Saint Julien du Sault (DDCF 89-26), Department Yonne/89 and Province Burgundy (DPF 05). Starting around 0630 UTC, 80 then 40m SSB/CW. QSL via home calls, bureau preferred. [F5NQL]

21/11/2009: François F5JNE will be active on 21 November as homecall/p from the Castle of Vault de Lugny (DFCF 89-310), in the city of Vault de Lugny (CP 89200), canton [county] Avallon (DDCF 89-05), Department Yonne/89 and Province Burgundy (DPF 05). Starting around 0700 UTC on 80 and 40 metre CW and SSB. QSL via home call, bureau preferred, and SWL cards are welcome. [F5NQL]

21/11/2009: Bill, K9HZ will be active from Labrelotte Bay, Castries, island of St. Lucia (NA-108, WLOTA L-1336) as J68HZ from 21 November to 5 December. QRV 80, 40 and 20 metres between 2000z and 2400z daily. Frequencies of operation: SSB - 3.770, 7.155, 14.155 MHz; CW - 3.550, 7.050, 14.050 MHz. Operations from other local islands possible. QSL via K9HZ, direct or LoTW and eQSL. [NG3K]

21/11/2009: Takeshi, JI3DST will be active as either JS6RRR and JI3DST/JS6 from the Miyako Islands (AS-079) on 21-30 November, including activity during the CQ WW DX CW Contest. His main QTH will be on Miyako-jima (JIIA AS-079-005, WLOTA L-0249), but he also plans to go and operate from Ikema-jima (AS-079-001) and Kurima-jima (AS-079-003). QSL via bureau only. [425 DX News]

21/11/2009: Chak JT1BH (CW) and Buya JT7AA (SSB) will be active in the Mongolian DX Contest (21-22 November) from the Ulaanbaatar DX Club, using club callsign JT1F. QSL via QRZ.com. [NG3K]

21/11/2009: Enkhbayar JT1DA and Nekhiit JT1DN will be active from Ulaanbaatar, Mongolia, as JT1T in the Mongolian DX Contest (21-22 November) as a Multi-Op/All-Band/Mixed-Mode entry. QSL via the info under JT1T at QRZ.com. [NG3K]

21/11/2009: Members of RZ4HZW Radio Club, namely Yuri RX4HJ, Igor RW4HT and RN4HGJ will be active 21-22 November as UE1WFF/4 from the Samarskaya Luka National park (RFF-140). QRV mainly CW on the HF bands. QSL via RW3OW, direct or bureau. Online log will be posted after the expedition. [QRZ.ru]

21/11/2009: Operators Harry/DM5TI, Rene/DL2JRM, Tom/DL2RMC and Sid/DM2AYO will be active from Christmas island (OC-002) between 21 November and 5 December. Plans are to have two similar station (K3, 600w+ amps) running 24/7 on all modes on 160-10m. They will focus on the low bands, mostly on CW. VK9XX will be used during the DXpedition with VK9XW active for the CQWW DX CW Contest (28-29 November). QSL OK via the bureau or direct to DL1RTL. Full details at VK9XX website:

www.dl2rmc.com/tom/VK9X2009/ [NG3K]

22/11/2009: Brian, ND3F will be active from Barbados (NA-021, WLOTA L0999) as 8P9SS from 22 November to 02 December, including a Single-Op/All-Band/Low-Power entry in the CQWW DX CW Contest (28-29 November). QSL direct to his home call. Logs will be uploaded to LoTW. [NG3K]

22/11/2009: Tony/IK1QBT, Claudio/I1NVU and Emilio/IZ1GAR will participate in the CQ WW DX CW Contest from Lampedusa Island (AF-019, IIA AG-001, MIA MI-126, WLOTA L2312) as IG9X (SOSB 15m), IG9U (SOSB 80m) and IG9W (SOSB 40m) respectively. Outside the contest, between 22 November to 1 December, they will operate as IG9/homecall with a focus on the low bands. QSL via home calls. [425 DX News]

23/11/2009: Andy/DJ7IK, Jan/DJ8NK, Guenter/DJ9CB, Andreas/DL9USA and Lars/DF1LON will be active from Tunisia between 23 November and 2 December using the special call 3V3S. They will be QRV in all modes from the QTH of 3V8SS in Sousse, where they will build antennas and also participate in the CQWW DX CW Contest (28-29 November) as a Multi-Single entry. QSL via DL9USA. Web: http://3v3s.tk/ (still under construction). [DX World of Ham Radio]

23/11/2009: Mike, K9NW will be in Botswana between 23 November and 1 December using the callsign A25NW. Expect activity during CQWW DX CW Contest (28-29 November). QSL via home call (QRZ.com). [DX World of Ham Radio]

23/11/2009: The LARC (Lufthansa Amateur Radio Club) in cooperation with the Emirates Amateur Radio Society (EARS) will be operating as A65DLH out of Dubai, United Arab Emirates, from 23-30 November. Activity is planned on all bands 160-10m, using CW/SSB/Digi Modes and also in the CQWWDX CW contest. QSL via DO7ZZ (QRZ.com). [LARC]

23/11/2009: Alex, KU1CW (V31CW) and his wife Natasha (V31YL) will be QRV from Belize on all HF bands from 23 November to 2 December. Alex will also participate as a Single-Op/All-Band/Low-Power entry in the CQWW DX CW Contest, using the callsign V31CW. QSL both calls via KU1CW or LoTW. [NG3K]

23/11/2009: Klaus, DJ4SO will be active from Namibia 23 November to 15 December as V5/DJ4SO. QRV He on 160-10m using CW, RTTY and PSK-31. He will also be active as a Single-Op/All-Band entry in the CQWW DX CW Contest. QSL via home call, direct or bureau. Logs will be uploaded to LoTW. [NG3K]

23/11/2009: Dave/W5CW, Pam/N5KW, Connie/K5CM will operate from VP5JM's QTH on Providenciales (NA-002, WW Loc. FL31VS) from 23 November to 7 December, including a M? entry, along with Roger/W7VV and Ralph/VE7XF, in the CQWW DX CW Contest (28-29 November) probably using a special callsign (TBA). Outside the contest look for the group to be signing VP5/homecall on all bands/modes 160-6 meters. QSL via home calls.

24/11/2009: Jacques, F6BEE will be active from Senegal as 6W1RW between 24-29 November, with focus on the CQWW DX CW Contest (28-29 November) as a Single-Op/All-Band/High-Power entry. Prior to the contest he will be QRV mainly on WARC bands. QSL via F6BEE and LoTW. [NG3K]

24/11/2009: Rhein Ruhr DX Association members Uli DJ2YA, Walter DJ6QT, Arno DL1CW, Ulf DL5AXX and George SV1RP will be active as CT9/homecall from Santana, Ilha da Madeira (AF-014, DIP MA-001, WLOTA L-0053) from 24th November to 3rd December, including a Multi-2 entry in the CQWW DX CW Contest (28-29 November) as CR3L. Outside the contest, look for activity on all bands/modes. QSL via home calls. QSL CR3L via DJ6QT, direct or bureau. [NG3K]

24/11/2009: John K3CT and John K3TEJ will be active on all bands/modes as KP2/homecall from Christiansted (WW Loc. FK77PR), island of St. Croix (USi VI002S, WLOTA L-2477) U.S. Virgin Islands (IOTA NA-106) from 24 November to 1 December, including a Multi-? entry in the CQWW DX CW Contest (28-29 November) as KP2M. There is the possibility of some 6 metre activity outside the contest, using 1 KW and a KLM 11 element yagi. QSL KP2M via AI4U, direct or bureau. QSL other calls via their home call. [NG3K]

24/11/2009: John, K4BAI and Don, W4OC will be active from the island of Bonaire (SA-006, WLOTA L-1279) between 24 November and 1 December as PJ4/home call. The will also participate in the CQWW DX CW Contest (28-29 November) as PJ4A. QSL all calls via K4BAI, direct or bureau. [QRZ.com]

24/11/2009: Peter, K8PT will be active as V31PT from Ambergris Cay (NA-073), Belize, between 24 November and 6 December. Activity usually is 160-6 meters using CW, SSB, RTTY and some PSK-31.QSL via home call. [AT International]

25/11/2009: Niko, S53A will be active from Hippo Lodge, Kafue National Park (WFFA reference 9JFF-003), Zambia, as 9J3A from 25-30 November, including an entry in the CQWW DX CW Contest (28-29 November). QRV using low power on all bands. Antennas include 80m vertical, 40m 2el wire delta loop and 20-10m spider beam. QSL via S57S, direct only. [NG3K]

25/11/2009: Saty, JE1JKL will be active as FM/JE1JKL/p from FM5BH's QTH in Ducos, island of Martinique (NA-107, DIFO FM-001, WLOTA L1041) between 25-27 November. Activity will also include the CQWW DX CW Contest (28-29 November), signing as TO5T, and as a Single-Op/All-Band/High-Power entry. QSL via JE1JKL. [OPDX Bulletin]

28/11/2009: Radio Club de los Andes, LU8YE will be active from San Martin de los Andes, Patagonia, Argentina, in the CQWW DX CW Contest as a Multi-2 entry. Operators include Juan LU4YAU, Jorge LU4YAO, Sergio LU7YS, Fernando LW2DX, Alejandro LU7YZ, Guillermo LW1EXU, Gabriel LU3DAT and Alberto LU1DZ. Ricardo, LU1YW and the local crew will be supporting them with antenna works, Patagonian lamb and good wine from the region. QSL via EA7FTR, direct or bureau. Web site: lu8ye.blogspot.com/ [F5NQL]

28/11/2009: Look for Mat, MJ0ASP to be active from St. Brelade, isle of Jersey (EU-013, WLOTA L-0818), during the CQWW DX CW Contest as a Single-Op/Single-Band (80m) entry. QSL via direct (QRZ.com) or by the RSGB bureau. [NG3K]

28/11/2009: Felipe, NP4Z plans to be active as a Single-Op/All-Band/High-Power entry in the CQWW DX CW Contest from the island of Puerto Rico (NA-099, USi PR006S, WLOTA L-2802). There is the possibility that he will use KP3Z as the callsign. QSL via WC4E. [NG3K]

28/11/2009: Special event station PB500GT will be active 28 November to 13 December to celebrate 500 years Great Tower of Breda (in Dutch Grote Toren). The Great Tower is 65 metres high and located in the middle point of the city. QRV 80, 40, 20, and 2 metres, using SSB and digital modes. QSL via PA1WLB. More info can be found at: www.qrz.com/db/PB500GT [PA1WLB]

28/11/2009: Look for the Khartoum Sea Scouts National Radio Club ST2KSS to be active during the CQWW DX CW Contest as a Single-Op/Single-Band (15m) entry from Khartoum, Sudan. QSL via ST2M (please write out ST2KSS for sorting). [NG3K]

28/11/2009: Al, WP3C will be active from Utuado, Puerto Rico (NA-099, USi PR006S, WLOTA L-2802) during the CQWW DX CW Contest as a

Single-Op/Single-Band (80m) entry. QSL via W3HNK. [NG3K]

28/11/2009: Peter, XU7ACY will be active from Sihanoukville [aka Kampong Som], Cambodia, during the CQWW DX CW Contest as a Single-Op/All-Band/Low-Power entry. QSL via W2EN, direct or bureau. [NG3K]

28/11/2009: The East Coast Contesters Team, namely Lee ZL2AL, Stan ZL2ST, Holger ZL3IO, Peter ZL2LF and Mike ZL2FAR will be active from the North Island of New Zealand (OC-036, WLOTA L-0069) as ZM4T in the CQWW DX CW Contest as a Multi-2 entry. QSL via ZL2AL, direct or bureau. [NG3K]

27/12/2009: Harry, JG7PSJ (JD1BMH) and Makoto, JI5RPT (JD1BLY) will be active once again from from Chichi-jima [Jima and Shima in Japanese means Island] (AS-031, JIIA AS-031-003, WLOTA L-2269), Ogasawara Islands, from 27 December 2009 to 1 January 2010. QRV 160-10 metres using CW, SSB and RTTY. QSL via the bureau to JD1 calls or Direct to homecalls. Web pages: www.ji5rpt.com/jd1/ and sapphire.es.tohoku.ac.jp/jd1bmh/ [NG3K]

08/01/2010: George, K2CM will be active from the island of Bequia, The Grenadines (NA-025), from 8 January until 12 February. QRV on 20 metre SSB/CW, maybe 40m CW. QSL via the bureau, or direct (SASE/SAE) to K2CM. [rsgbiota.org]

18/01/2010: Wulf DL1AWI, Peter DL3APO and Mat DL5XU will be active as FO/homecall from Raivavae Island (OC-114, DIFO FO-122, WLOTA L-2581), Austral Islands, between 18 January and 5 February. Focus will be the lower bands 160-30m, with some work on the higher bands in SSB and RTTY. QSL via home calls, direct or bureau. [rsgbiota.org]

02/02/2010: Scott, NE1RD will be active from the island of St. Lucia (NA-108, WLOTA L-1336) as J6/homecall from 2-10 February. Look for activity on all HF bands/modes. QSL via home call, direct or bureau. Logs will be uploaded to LoTW. [rsgbiota.org]

21/02/2010: Operators Fazlay S21RC, Manju S21AM, Sohel S21S and Aminul S21D plan to be active from St. Martin's Island [aka Narical Gingira, which means Cocos island] (AS-127, WLOTA L-2351), Bangladesh, from 21-25 February. Callsign to be announced. QSL manager will be EB7DX. More info upcoming. [NG3K]

28/02/2010: Mike, W1USN will be QRV from the island of Montserrat (NA-103, WLOTA L-1475) as VP2MPR from 28 February until 11 March. Mike will work mainly SSB and PSK31. Bob, AA1M will operate mostly CW as VP2MPL from 6 March until 11 March. QRS both via home call. [NG3K]

06/03/2010: Al, F5VHJ will be active as TO5A from the island of Martiique (NA-107, DIFO FM-001, WLOTA L-1041) during the ARRL DX SSB Contest (6-7 March) as a Single-Op/All-Band/High-Power entry. QSL via F5VHJ, direct or bureau. Logs will be uploaded to LoTW. [NG3K]

11/03/2010: Colin, G3VCQ (J38CW) and Sharon, M3VCQ (J38SW) will be active from the island of Granada (NA-024, WLOTA L-0718) from 11-25 March. QRV all HF bands/modes. QSL both calls via G3VCQ, direct or by the bureau. [F5NQL]

==========

SPECIAL EVENTS -

19/11/2009: The Western Amateur Radio Club will have a Special Event commemorating the 516 anniversary of the Discovery of Puerto Rico, operating as NP3M/516 on 19 November, starting at 0000 UTC to 2359 UTC. It will be on SSB, CW and possibly PSK31, from 80 to 10 meters. QSL info via NP3M. [F5NQL]

20/11/2009: COTA (Carabinieri on the Air) members will be active as IQ6CC on 20-22 November to celebrate Saint Mary "Virgo Fidelis", patron saint of the Carabinieri, the Italian military police. QSL via IW6DSM, direct or bureau. [425 DX News]

24/11/2009: Special event callsign PD450OBL will be in use from 24 November through 20 December to celebrate the 450th anniversary of the Dutch village of Oud-Beijerland. QSL via PD0LDC. [425 DX News]

26/11/2009: Members of Chorley & District Amateur Radio Society will be operating GB0LD from the village of Hoghton in central Lancashire, England (EU-005, WLOTA L-1841). The station will be celebrating Lancashire Day, the actual date of which is Friday 27 November. However, they are so proud of Lancashire that the station will be active from Thursday 26 November to Sunday 29 November inclusive. The station will be operating on the HF bands dependent on propagation, with activity also planned on 2 metres and possibly 70 centimetres. QSL will be via the bureau. More information can be found on QRZ.com. [GB2RS]

U.S.A. Special event station information can be found at:
www.arrl.org/contests/spev.html

SIX METERS & UP -

6 METERS - Faroes, OY. Beacon:
According to Ivan OZ7IS, the Faroe beacon on 6 meter is now up running again. Call has been changed to OY6BEC to match the call of the other beacons at the site. The beacon still uses 50.035 MHz, reports/spot at the cluster would be appreciated to map its coverage.
SOURCE: (OZ6OM) via CQ SIX - 50 MHz DX Information. 6 Nov. 2009
All Info about BEACONS look at: http://www.mmmonvhf.de/beacmap.php

*** RUSSIAN WINTER MS CONTEST ***
New 144 MHz Meteor Scatter Contest during 2010 Quadrantids shower: RUSSIAN WINTER MS CONTEST. Contest is held during Quadrantids meteor shower. Start: 02 Jan. 2010, 15:00 UTC End: 05 Jan. 2010, 04:59 UTC PARTICIPANTS - Radio amateurs from all over the World are invited. Read all and links to RULES: www.mmmonvhf.de/latest.php?id=2989
SOURCE: tnx to Rytis, LY4U, direct to MMMonVHF

Another DX-Pedition by Dime, Z35Z, during the BCC MS Test to KN01
Dime, Z35Z, will try to setup a station at KN01 during the BCC MS Contest 2009 (Dates 11st to 14th of december 2009). QSLs are sure via DL8EBW (have a look how to obtain the QSL at the QSL page: http://www.mmmonvhf.de/qsl.php - More details about the activity later here http://www.mmmonvhf.de/latest.php?id=2986 ...
SOURCE: tnx to Dime, Z35Z, direct to MMMonVHF

*** EI / IO43 IO44 IO54 ***
Dermont, EI7IX, is thinking of going on a mini-dxpedition this winter during either the Leonids or Geminids to activate a "rare" square on 2 meters. He need your feedback at his webpage: http://www.ei7ix.net/index.php?page=2-meters"
SOURCE: Dermont, EI7IX on KST-Chat

Andy will be participating in the SPAR Winter Field Day 2010 as N8OFS (EN91ae) with a Catagory of 1H (1 Operator Home Site) I will be FM only, using 52.525 Simplex and the Local 6 Meter Repeaters (/Repeaters ARE ALLOWED for this Contest)... I will be using the /P setup I used all summer operating out of the pickup truck (engine running), Kenwood TS-60 at 90W (less power when using the /Repeaters) to the "Dominator" 5/8 wave Vertical.
All details at: http://www.mmmonvhf.de/latest.php?id=2972

SILENT KEYS -

Harry Helms, W5HLH became Silent Key on Sunday November 15, 2009 after a
long battle with cancer. He was 57 years young. Harry was an avid Ham
and SWL and published a number of books on the the radio hobby over the
years.

Rowley Shears BEM, G8KW, passed away peacefully on Tuesday 17 November
2009 at the age of 90.

Jorge Dionisio Camboni Camadini, CX8BBH (SK) - With sadness, the Radio Club Minas members have to announce the passing of Jorge, CX8BBH.

Eugene A. Kostromin, UA4RZ became Silent Key on Tuesday 17 November 2009 at the age of 62.

==========

BITS & PIECES -

SA-071 UPDATE:
PY2XB is already in the way to Cabras Islands (SA-071) to be active as PW2IO. He expects to be on the air this afternoon (Brazilian time). PW2TA (PY2WAS) will start only tomorrow. QSL PW2IO via PT7WA PW2TA via PY2WAS. [PT7WA]

PIRATE
If you worked TX3A on RTTY on 14 Nov between 0400 through 0700 or so, it was a pirate. I have confirmed via the pilot station that they were not on the air. They sure fooled me, because the beam heading and frequency were correct he acted exactly like TX3A, even telling some they were dupes. I bet he worked a hundred or more, mostly JA with some scattered NA and Europe. At least we know ahead of time so we can work the real one. [N4TJ]

COMOROS:
D68F cancelled. No more information to be published before Sam's return. [F5NQL]

CASHOTA Northern Ireland:
Cashota-NI (castles and stately homes on air), have launched a new website for Northern Ireland.
All information and details of historical sites and how to activate them can be found there, including activation forms for those amateurs that wish to have a go gaining the award.
Information can also be obtained from The Northern Ireland Representative, Bobby 2i0ull on 07747019438.
The website is located at www.cashota-ni.org

Gerard F2JD who is DU1/G0SHN will be back in France around November 20th. He was not very active (around 300 QSO) due to hight noise level in Manilla. He will be back in Philippines somewhere in February and will get another antenna for his multiple activity when he will traveliing on the neighbor islands.
Logs are at: /LesNouvellesDX.fr/voirlogs.php [F6AJA]

40m band expaned for VU -
VU (India) Amateur Radio operators are now authorized to use 7.00 to 7.20 MHz (previously it used to be 7.00 to 7.10 MHz). Here is an extract of a message from ARSI (Amateur Radio Society of India which represents India in IARU):
"I spoke to WPC just now and they have confirmed that the extra bandwidth has been officially released to VU radio amateurs based on the petitions given by ARSI on 15 April 2009, soon after the band was to be

released as per agreement inWRC2003 The notification will appear on the WPC webpage shortly VU hams can now officially use that extra band width. They have also confirmed that the other requests made by ARSI regarding 10 MHz and 50 MHz are also under consideration, so please wait for further news. 73 Gopal VU2GMN" [QRZ.com]

9072. DX and Contest

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-11-20 09:56:27 UTC
From: F5nql@aol.com
Topic: 8780 Message: 9072

For this issue thanks to Alain/F6BFH, Jacques/F5JY, Pierre/F5JFU,
Jean-Yves/F8LDX, Phil/FO8RZ, LY4A dx news, ll/NG3K, AT International, W3UR & Daily DX, JT1CD,
William/K9HZ, Javier/LU5FF & Boletin de DX en Español

Hi friends

CE/LU Tour by F6BFH

A-085 had to be cancelled at the last minute due to
rough sea.
Alan and Danielle continue on their trip and will be at Chiloé island
(SA-018) from Saturday 21 to Wednesday 25 (include). Alan will be QRV on
14, 18 and 21 Mhz CW/SSB on IOTA frequencies.
Perhaps 10 MHz will be possible but not sure for instance. In case of
activity on this band if you hear Alan asking "QRZ List" it means He
will be listening on 10.125 Mhz for the stations this message has been
sent, listen carefully operator instructions.

73 and good luck

Jim - F5JY

(http://www.f6ddr.fr/searchlog_adif.php)

CHESTERFIELD Correction:

The following is from HA5X and was posted on the TX3A Web page

The previous announcement about a slim RTTY operation proved to be a
mistake
and was withdrawn. There were genuine RTTY QSOs in part of this time frame,
but there were problems when they were imported into the master log on the
island. These valid QSOs are now in the log search as well as on LoTW and
eQSL. We apologize for the mistake and all the inconvenience it might have
caused.

Bonjour à tous

CE/LU Tour par F6BFH

L'opération prévue depuis SA-085 a du être annulée à la dernière minute à cause de l'état de la mer.
Alain et Danielle poursuivent leur voyage et seront sur l'île de Chiloé (SA-018) du samedi 21 au mercredi 25 inclus. Alain sera actif depuis cette île sur 14, 18 et 21 Mhz CW/SSB sur les fréquences IOTA.
Une activation de la bande 10 Mhz sera peut être possible mais pour l'instant ce n'est pas certain.En cas d'activation du 10 Mhz, si vous entendez Alain demander "QRZ liste" cela signifie qu'il écoute le 10.125 Mhz à l'intention des destinataires de ce message, soyez attentifs à ses instructions.

73 et bonne chance
F5JY

CHESTERFIELD Correction:

Posté par HA5X sur la page web de TX3A

L'annonce d'un piratage en RTTY, semble être une erreur et a été supprimée.
Il y a eu des QSO RTTY réalisés dans cette tranche horaire par les opérateurs . L'erreur provenait de difficultés à charger le log, aussi bien sur LotW que sur e-QSL.

Excuses pour les questions sans fondement qui ont pu se poser.

9073. New Data Files and Reports Uploaded to the Web

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-11-20 12:26:19 UTC
From: GOLIST
Topic: 8619 Message: 9073

The *NOVEMBER 2009 Issue #911-C *files have been uploaded to the Golist
web site.
The weekly GoData files include DXCC APPROVED OPERATIONS in the data
file.
Use the DOWNLOAD button in your GOWIN program or this link in your
web browser. http://golist.net/dlauth.cfm
It is recommended that you open up GOWIN after downloading the data file
update and on the top bar click on FILES/CLEANUP FILES and run this
routine to clear all the old update files from the program folder.
This will prevent any lookup problems for you.
Now is a good time to send in your RENEWAL to GoWin if your subscription
is about to expire.

For this issue thanks to Pierre/F5JFU, Gianni/I1HYW, LY4A DX News,
Mediterranéo DX Club, Bill/NG3K,
Hi friends
ANTARCTICA
HI Folks,
I have just received a couple of e-mails from Antarctica.
The crew of the XXIX Indian Scientific Expedition to Antarctica have
reached 70° South - 11° East, on 19 November at 06:00Z; Maitri Station is now
open.
To keep the connection from WAP To Maitri, we have tested e-mail
exchanges and all work perfectly.
Unfortunately the antennas down there at Maitri have got some damages, but
Bhagwati wrote that all the problems have been fixed. They have tested 20
mts and said ... Nothing heard! It could be propagation is not open at the
moment with Europe but it is just fine to know they are well there, and
active.
I have suggested the usual QRGs on 20 mts SSB such as:
14243 from 00:00Z and ahead for USA, and LU4DXU Antarctic Net Sats & Sunds
14285 or 14315. Stations at Maitri are:
Mr. Bhagwati VU3BPZ Communication Officer, and Dr. Kumar VU2DMT Doctor at
the Base. There is a special callsign kindly issued by the India's
Telecom Ministry for the XXIX IAE and that is AT10BP.
Good luck and enjoy the new Antarctic season full of DX

Bonjour à tous
ANTARCTIQUE
HI Folks,
Je viens de recevoir 2 mails d’AntarctiqUE;
L’équipe composant la XXIX Indian Scientific Expedition en Antarctique est arrivée aux environs de 70° Sud - 11° Est, le on 19 Novembre à 06:00Z;
La base Maitri est maintenant ouverte.

Pour restser en contact avec le programme WAP, des échanges Internet ont été réalisés et tout marche bien.
Malheureusement les antennes ont subi quelques dommages , mais Bhagwati signale que tout est désormais remis en ordre;
Ils ont essayé l'antenne 20m et n'ont rien entendu. Peut être une absence de propagation avec l'Europe en ce moment, mais nous savons qu'ils vont pouvoir être actifs.
J'ai suggéré qu'ils utilisent les fréquences habituelles sur 20m SSB, telles :
14243 à partir de 00:00Z pour les USA, et le réseau de LU4DXU sur 14285 ou 14315.
Sur M aitri les stations sont :
Mr. Bhagwati VU3BPZ , Oficier des Transmissions et Dr. Kumar VU2DMT, médecin de la base.
Un indicatif spécial a été attribué : AT10BP.
Good luck and enjoy the new Antarctic season full of DX
73 Gianni I1HYW

9076. CLEAN UP YOUR GOWIN FILES

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-11-23 17:20:46 UTC
From: GOLIST
Topic: 9076 Message: 9076

There is a routine in GoWin to remove all the old data files and OVL files.
By doing this, you will keep the program running fast and will only have
the current data files in the folder. You should run this cleanup after
downloading each new data file.

"Cleanup":

Each time you update your QSL Manager database, a new additional
file is installed on your hard drive. If you want to perform some
"housekeeping" to delete the old, unused database files, you can
do so easily and safely from GoWin. Just click on the "File" menu,
and then click on "Cleanup Files". It's OK to do this anytime you
want; GoWin will not remove the latest database file.

Good Housekeeping!
John K1XN

Greetings!
**
*can we get a reminder into your Bulletin for DXers to be aware that in about 5 weeks time the IRCs they have been using for the last few years will no longer be valid at the post office. 31st December 2009 is the dead line for the current style **... but best to stop using them by end of November to allow transit time.*
**
The new one has the expiry date of 31st December 2013 ... just above the "UPU" logo at your right hand side. _/PLEASE START USING THEM IMMEDIATELY FOR SAFETY./_
**
Thanks to the DX Bulletin staff for their cooperation.
**
73 de Alan, VK4AAR

9082. New Data Files and Reports Uploaded to the Web

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-11-26 17:26:10 UTC
From: GOLIST
Topic: 8510 Message: 9082

The *DECEMBER 2009 Issue #912 *files have been uploaded to the Golist
web site.
?? The weekly GoData files include DXCC APPROVED OPERATIONS in the data
file.
?? Use the DOWNLOAD button in your GOWIN program or this link in your
web browser. http://golist.net/dlauth.cfm
?? It is recommended that you open up GOWIN after downloading the data file
update and on the top bar click on FILES/CLEANUP FILES and run this
routine to clear all the old update files from the program folder.
This will prevent any lookup problems for you.
?? Now is a good time to send in your RENEWAL to GoWin if your subscription
is about to expire.

9083. [ICPO] ICPO Bulletin (26 November - 04 December, 2009)

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-11-26 22:54:49 UTC
From: Dave Raycroft
Topic: 9083 Message: 9083

I.C.P.O. Bulletin (26 November - 04 December, 2009)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

26/11/2009: Rich, K2WR will be active from St. Brelade, isle of Jersey (EU-013, WLOTA L0818) as MJ0AWR before the CQWW DX CW Contest (28-29 November). During the contest he will use the callsign GJ2A, as a Single-Op/All-Band entry. QSL GJ2A via K2WR or GJ3DVC. QSL MJ0AWR via K2WR. [NG3K]

26/11/2009: Dario IZ2EER and Agostino IK2FIQ will operate from T70A, the club station of the Republic of San Marino's IARU Society on 26-30 November. This will include activity during the CQWW DX CW Contest as a Single-Band (80m) entry. QSL via the information on QRZ.com. [425 DX News]

26/11/2009: Look for Bud, AA3B to be QRV 26 November to 1 December from Gunthorpes, island of Antigua (NA-100 WLOTA L1118) as V26K. Activity will be on all HF bands, CW only, including the CQWW DX CW Contest (28-29 November) as a Single-Op/All-Band/Low-Power entry. QSL via home call, direct or bureau. [NG3K]

26/11/2009: Eric, K9GY will be active 26-29 November as YN2GY from Grenada, Nicaragua, including a Single-Op/All-Band/Low-Power entry in the CQWW DX CW Contest (28-29 November). Outside the contest he will be QRV on the WARC bands. QSL via home call, direct or via LoTW. [NG3K]

27/11/2009: John, G4IRN will be active from the island of Cyprus (AS-004, MIA MCI-002, WLOTA LH-0051) as 5B/G4IRN from 27-30th November, including a Single-Op/Single-Band entry in the CQWW DX CW Contest (28-29th November). QSL direct to home call. [NG3K]

27/11/2009: Yoshi, JK2VOC will be active from Wuxi, China, as JK2VOC/BA4TB from 27-30 November, including a Single-Op/All-Band entry in the CQWW DX CW Contest (28-29 November). QSL via JK2VOC. [NG3K]

28/11/2009: Alex, DV1UBY will be active as 4D1N from Quezon City, Luzon Island (OC-042, WLOTA L0081), during the CWWW DX CW Contest. Likely a Single-Op/All-Band entry. He will be also looking for DX contacts on 15, 20 and 40m with 10 watts until the end of the year. QSL 4D1N via DV1UBY, bureau or direct. [425 DX News]

28/11/2009: Dick, N6AA, will be active from Georgia as 4L0A during the CQWW DX CW Contest (28-29 November) as a Single-Op/All-Band/High-Power entry. QSL via EA7FTR. [OPDX Bulletin]

28/11/2009: Vaho, 4L8A will be active during the CQWW DX CW Contest as a Single-Op/Single-Band (20m) entry, from Tbilisi, Georgia. QSL via K1BV, bureau or direct. [NG3K]

28/11/2009: A team of operators will activate the ITU Radioamateur Club Station, 4U1ITU during the CQWW DX CW Contest as a Multi-Single entry from Zone 14. The activity may possibly including 160m. QSL via QRZ.com. [NG3K]

28/11/2009: Victor, RV2FW, will be active as 4X/RV2FW from Israel (temporary QTH on the Middetiranian coast DX-pedition operations) during the CQWW DX CW Contest as a Single-Op/Single-Band (40m) entry. QSL via the UA1 QSL bureau. [NG3K]

28/11/2009: Alex, 4Z5KJ will be QRV as a Single-Op/Single-Band (80m) entry from Israel during the CQWW DX CW Contest. QSL via W0MM, direct or bureau. [NG3K]

28/11/2009: Look for Zoli, HA5PP to be active from Cyprus (AS-004, Mia MCI-002, WLOTA L0051) as 5B/HA5PP for the CQWW DX CW Contest as a Single-Op/Single-Band entry. QSL via home call, direct or bureau. [NG3K]

28/11/2009: Marco, N5ZO will be QRV as 5R8ZO from Madagascar (IOTA AF-013, WLOTA L2455) during the CQWW DX CW Contest (28-29 November) as a Single-Op/All-Band entry. QSL via OH0XX, either via OH bureau or his Panama address. [AT International]

28/11/2009: Kang, DS2AGH with the group will be active as 6M0HZ/2, a Multi-? entry from Kanghwa Island (AS-105), South Korea, in the CQWW DX CW Contest. QSL via DS2AGH. [AT International]

28/11/2009: Tom, W2SC will be signing 8P5A from Warleigh Plantation, Barbados (NA-021, WLOTA L-0999) during the CQWW CW Contest as a Single-Op/All-Band/High-Power entry. QSL via NN1N, direct or bureau. Logs will be uploaded to LoTW. [NG3K]

28/11/2009: Faisal, 9K2RR will be QRV from the 9K2HN station, Abdullah Al-Salem Area, Kuwait, during the CQWW CW Contest as a Single-Op/Single-Band (80m) entry. QSL via 9K2HN, bureau or direct. [NG3K]

28/11/2009: The VooDoo Contest Group will be active from Sierra Leone during CQWW CW Contest, signing 9L5A. This year the operators are Ned AA7A, Nick G3RWF, Fred G4BWP, Bud N7CW, Gary ZL2IFB. They will enter the Multi-2 or Multi-Multi category. QRV in the contest will be on all six contest bands (CW only). Peri-contest there may also be some activity on WARC bands. The main call-sign is 9L5A, QSL via G3SXW (see qrz.com). G3RWF may also activate his 9L1NH call, AA7A his 9L7NS call, QSL via home calls. There will be no daily logs but LoTW upload will be soon after returning home. No cash donations are requested for this project, just the usual USD/IRC for direct cards. [G3SXW]

28/11/2009: Look for Tony, KM0O to be active from East Malaysia as 9M6/KM0O during the CQWW DX CW Contest as a Single-Op entry. QSL route

TBA. [NG3K]

28/11/2009: Paul, A35RK will be active from Lifuka Island (IOTA OC-169), Tonga, as A35A during the CQWW DX CW Contest propably as a Single-Op/Single-Band (15m)/Low-Power entry. QSL via W7TSQ, direct or LoTW [QRZ.com]

28/11/2009: Ali A71BX, Juma A71EM and Dave K5GN will be active from the QTH of A71BX, located in Doha, Qatar, for the CQWW DX CW Contest. They will use the callsign A73A as a Multi-Op/Single-Transmitter entry. QSL via EA7FTR, direct or bureau. [NG3K]

28/11/2009: Lee, HL1IWD and Harry, WX8C will operate as AH0/AH2Y and KH0/WX8C from Saipan (OC-086, USi NI002S, WLOTA L-1333) for the CQWW DX CW Contest. QSL via HL1IWD (but all of the QSOs will be confirmed automatically via the bureau). [NG3K]

28/11/2009: Operators Aki JI3ERV, Kazu JK3GAD, Toshi JR7OMD and Nozomu JE8KKX will be active as AH2R from Tumon, Guam Island (OC-026, USi GU003S, WLOTA L-0064), in the CQWW DX CW Contest as a Multi-Single entry. QSL via JH7QXJ, direct or bureau. [NG3K]

28/11/2009: Luis/EA8AY, Jeronimo/EA8NC and Jose/EA8CCD will be active as AN8R during the CQWW DX CW Contest as a Multi-? entry, from Santa Cruz, Tenerife Island (AF-004, DIE S-012, WLOTA L1276). QSL via EA8AY. [NG3K]

28/11/2009: Operators BA7NQ, BA7JC, BA7JS, BA7IN, BD7IXG, BA7IA and OH7WV will be active as B7P during the CQWW DX CW Contest as a Multi-Single or Multi-Multi entry, from Foshan, Guangdong, P.R. China (WW Loc. OL63NA). QSL via BD7IXG. [NG3K]

28/11/2009: Operators Andy LZ2HM, Ken G0ORH and possibly others will be from Cyprus (AS-004, MIA MCI-002, WLOTA LH-0051) active as C4I during the CQWW DX CW Contest. QSL via LZ2HM, direct CBA. [OPDX Bulletin]

28/11/2009: Marios, 5B4WN will be active from Nicosia, Cyprus (AS-004, MIA MCI-002, WLOTA L-0051), as C4W in the CQWW DX CW Contest as a Single-Op/All-Band entry. QSL via LoTW. [NG3K]

28/11/2009: Jim, W7EJ, will once again be active from Morocco as CN2R during the CQWW DX CW Contest as a Single-Op and possibly as a Single-Band (??) entry. QSL via W7EJ. [OPDX Bulletin]

28/11/2009: Stefano, IK2QEI will be active from Safi, Morocco, as CN3A for the CQWW DX CW Contest as a Single-Op/All-Band entry or Single-Op/Single-Band (80m), if new 80m system will be ready. QSL direct to I2WIJ. [NG3K]

28/11/2009: Luis, CO6LP will be active from Santa Clara, Cuba (NA-015, WLOTA L-0032) during the CQWW DX CW Contest using a dipole and low power as a Single-Op/Single-Band (40m) entry. QSL direct (QRZ.com). Joining Luis, will be Carlos CM8CAD as Single-Op/Single-Band (40m) entry (QSL

direct); Eduardo CO8LY Single-Op/Single-Band (15m) entry (QSL EA7ADH direct); and Juan Carlos CO8TW Single-Op/Single-Band (15m) entry(QSL via HB9SVT. [NG3K]

12/12/2009: A group of operators from Associazione Radioamatoriale Sardinia QRP Club will be active as IQ0QP/LH from Capo Sant'Elia Lighthouse (Cagliari-Sardinia-Italy) from 1800z 12 December to 1000z 13 December. A low power beacon will be active at the same time on 14.349.5 MHz (CQ CQ de IQ0QP IQ0QP). QRV on 20, 30, 40 and 80m using SSB, CW and Digtal modes. Modes as follows: 80M 3560 +/- 10 kc CW QRP, 80M 3686 +/- 10 kc CW QRP, 80M 3750 +/- 10 kc SSB QRP and QRO, 40M 7021 +/- 10 kc CW QRO, 40M 7039 +/- 2 kc CW QRPp, 40M 7090 +/- 10 kc SSB QRP and QRO, 30M 10.116 +/- 10kc CW QRP, 20M 14.061 +/- 10 kc CW QRP, 20M 14.070 +/- 10 kc Digital, 20M 14.090 +/- 10 kc Digital, 20M 14.290 +/- 10 kc SSB QRP and QRO. This activation counts for ARLHS SAR-019, WAIL SA-008, TWLHD WLH IS-015, WLOTA L-1608, IOTA EU-024, IIA SD-001, MIA MIS-035, WAIS FL15 and WW Loc. JM49NE. QSL direct to IQ0QP (QRZ.com). [F5NQL]

30/12/2009: Gunter TI7WGI, Andy DH8WR, Rene DL2JRM and Jens DL3ALF will be active from Playa del Coco Guanacaste, San Jose Island (NA-191), Costa Rica, as TI7XX between 30 December 2009 and 05 January 2010. QRV with 2 stations on air 160m-10m, using CW, SSB, PSK31 and RTTY. QSL direct or bureau to DL2JRM. [rsgbiota.org]

31/12/2009: Wally VK6YS, Nigel VK6NI and Bruce KD6WW plan to be active as VK6IOA from the Pelsaert IOTA Group (OC-211) between 31 December 2009 and 04 January 2010. QSL manager will be VK4AAR. They are looking for one operator to join. Please contact Wally, VK6YS - vk6ys at iinet.net.au if you are interested, for more information. Website: www.westozdx.net/ [rsgbiota.org]

09/02/2010: Operators Jacques F6BEE, Phil FO8RZ, Nigel G3TXF and Gilles VE2TZT will be active from French Polynesia (callsign TBA - special call expected) between 09-25 February. QRV on 9 HF bands, 160-10m. Strong effort on low bands (160m and 80m). Entries in WPX RTTY and ARRL DX CW contests are planned. More info to follow. [NG3K]

==========

SPECIAL EVENTS -

26/11/2009: Members of Chorley & District Amateur Radio Society will be operating GB0LD from the village of Hoghton in central Lancashire, England (EU-005, WLOTA L-1841). The station will be celebrating Lancashire Day, the actual date of which is Friday 27 November. However, they are so proud of Lancashire that the station will be active from Thursday 26 November to Sunday 29 November inclusive. The station will be operating on the HF bands dependent on propagation, with activity also planned on 2 metres and possibly 70 centimetres. QSL will be via the bureau. More information can be found on QRZ.com. [GB2RS]

27/11/2009: Preston Amateur Radio Society is running special event station GB1LD on Friday 27 November from their HQ for Lancashire Day. QSL via operators' instructions. [GB2RS]

28/11/2009: Southport & District Amateur Radio Club will operate a special event station from the market town of Ormskirk, in the south of the county, between 8pm and 10pm on November 27 under the club's callsign GX2OA to celebrate Lancashire Day. They would like to encourage as many Lancastrian operators as possible to sign in during the event and make contact with the station. All stations making contact will receive a special QSL card in return. At 9pm, at the same times as many other events around the country, the Lancashire Day proclamation will be read out followed by the Toast to the Duke of Lancaster, HM The Queen. [GB2RS]

28/11/2009: To commemorate the 151st birth-anniversary of Sir Jagadish Chandra Bose ("Father of Radio Communication") Indian Hams are going to operate with special call-signs. Surabhi, VU2DSI will be active as AU8JCB from 28 November to 01 December. QRV 7070, 14270, 14200, 21280 and 28510 kHz. QSL via VU2DSI direct (QRZ.com), or via eQSL. [F5NQL]

28/11/2009: Special event station PB500GT will be active 28 November to 13 December to celebrate 500 years Great Tower of Breda (in Dutch Grote Toren). The Great Tower is 65 metres high and located in the middle point of the city. QRV 80, 40, 20, and 2 metres, using SSB and digital modes. QSL via PA1WLB, direct or bureau. [PA1WLB]

01/12/2009: Once again Santa's own amateur radio station OH9SCL will be active from Santa Claus Land (SCL) in the Arctic Circle, during the month of December. Activity will be on 160-10 meters using CW, SSB and the Digital modes. Among Santa's helpers, the following operators will be there operating: Raimo OH3BHL, Erkki OH9KL, Kimmo OH9MDV, Juha OH9MM and Aaro OH9RJ. QSL via OH9UV: Santa Claus Land, Napapiirin Yhdeksikot Ry, PL 50, 96101 Rovaniemi, Finland. A special "Santa Claus Land" award is available. For more information about the award, please visit the SCL

Web page at: kotisivu.dnainternet.net/rakarttu/OH9SCL_2007/OH9SCL_2007
[OPDX Bulletin]

01/12/2009: A special amateur radio station will be operating at UNAIDS HQ in Geneva, Switzerland, from 1-7 December, with the special event callsign 4U1AIDS. They invite people to observe the "World AIDS Day" and demonstrate global HIV awareness. International World Aids Day 2009 Amateur Radio Certificate: Those amateur radio stations which have a radio contact with 4U1AIDS on any 3 amateur radio bands, will awarded a special commemorative certificate "World AIDS Day Award". Amateur radio stations that have radio contact with 4U1AIDS on 5 amateur radio bands will be awarded a special commemorative UNAIDS pennant. Special QSL card: For each radio contact with 4U1AIDS, a special QSL card will be sent. QSL information: For further information, please get in contact with: Andrey Fedorov, UNAIDS, 20 Avenue Appia, CH-1211, Geneva 27, Switzerland. Official UNAIDS WEB site: www.UNAIDS.org/ . Amateur Radio 4U1AIDS WEB site: www.DX-World.com/4u1aids [OPDX Bulletin]

QSL INFORMATION -

IMPORTANT INFORMATION:
PLEASE NOTE - Be aware that in about 5 weeks time the IRCs that have been used for the last few years will no longer be valid at the post office. 31st December 2009 is the dead line for the current style ... but best to stop using them by end of November to allow transit time. The new one has the expiry date of 31st December 2013 ... just above the "UPU" logo at your right hand side. PLEASE START USING THEM IMMEDIATELY FOR SAFETY. [VK4AAR via K1XN]

4W6AL-
90% of 4W6AL QSL Cards direct request was posted last monday, Nov 23th! Card is received today for several station in Europe. Others 10% will be out next week. [Algarve STAR DX Team]

ST - SUDAN:
Robert, S53R has received his new callsign of ST2AK. Previously, Robert used ST2X.
Robert will be participating in the CQWW DX CW Contest using the callsign ST2AR.

For time being QSL via S53R. [VE9DX]

QSLs received Bureau - 4L6DL, 4W6R, 5X1NH, 8N4HQ, AO5HE, C4EURO, CS8HQ, EA6/GW0VML/p, EB1DH, GB2BML, GB2CLB, HG80HQ, HL0HQ, II2MM, IQ3UD, MJ/OE5HDN, P3CA, PJ2X, T88CQ, TC0W, UR7GW/p and VC1T.

QSLs received Direct - 4W6AL (CT1GFK), A61BK (NI5DX), CP4BT (EA5KB), E51NOU (N7OU), FG5LA (QRZ.com), FK8GM (WB2RAJ), FO/G3BJ (G3BJ), GP0STH (G4DIY), GT4IOM [ARLHS IOM-013] (GD4WBY), GW5NF (QRZ.com), J5UAP (HA3AUI), J69MV (QRZ.com), KD6WW/VY0 [NA-185 Thomson Island] (hc), R1ANB (RN1ON), TK9X (EA4URE), VQ9LA (QRZ.com), YO4ATW (QRZ.com) and ZL7/N7OU (N7OU).

QSLs received LoTW - 4U1UN, 5N0OCH, A25/DL7DF, AO8HQ, DX1J, FM5CD, FO8RZ, G3XRJ, GI5K, HK1X, OA4AHW, OQ5A, PR1T, RA0FU, S58P, SN0HQ, T30IW, T88CI, TX3A, VK4KW, WP2B, YR0HQ and Z36W.
==========
SILENT KEYS -

ARRL Sweepstakes Manager Ken Adams, K5KA (SK) - Ken Adams, K5KA, succumbed to cancer and passed away on Sunday, November 22. He was 64. Adams -- an ARRL Life Member -- served as the first-ever Contest Manager for the ARRL Sweepstakes, coming on board in 2005. "Ken was a 'get it done' kinda guy," recalled ARRL Contest Branch Manager Sean Kutzko, KX9X. "He took on the task of Sweepstakes Manager with great enthusiasm, rolled up his sleeves and championed the event like nobody else I've ever seen." Read more here <http://www.arrl.org/news/stories/2009/11/23/11213/?nc=1>. [ARRL]

It is with profound sadness that the NJDXA reports that Ron Levy, K2CO, has become a SK. Ron was the W2 incoming bureau manager for 18 years. He has always been active in NJDXA activities and was also the Webmaster of our website http://njdxa.org/ . His passing is a loss to the entire DX community.

George Milton Welles Badger, W6TC became Silent Key on 15 November 2009.

9085. WIN EQF ANNOUNCEMENT

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-11-28 01:26:29 UTC
From: GOLIST
Topic: 9085 Message: 9085

/ Win-EQF - Going QRT After 20 Years: /

//There aren't many ham radio programs that have lasted for more than 20 years, like Log-EQF. It has been a labor of love for most of that time, but sadly it's time to move on and let younger programmers fill the void.

There will be no further sales of Win-EQF "Log-EQF for Windows" after December 31, 2009. I will continue to provide technical support for at least one year after that, but there will be limited updates to the program.

I'm sorry if this decision disappoints some of you, but the constant work involved in supporting a Windows program for ham radio has become too time-intensive. The advent of Windows 7 was probably the last straw, on top of the never-ending changes required to accommodate new rigs, rotors, keyers, clusters, modes, contests, awards, callsign databases, etc.

I want to thank all of my loyal users for the many years of support. It's been a real pleasure meeting some of you at hamfests and club meetings. Some of those eyeball QSOs have turned into lasting friendships. In particular, many thanks to John Shelton, K1XN, for his help in recent years to keep Win-EQF in distribution and the the DXCC prefix list up-to-date.

73,

Tom N3EQF//

9086. [ICPO] ISWL December Club Calls & VY0O QSLs

Yahoo group: GOLIST (2007 — 2010)

9087. NEED USER INPUT..

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-11-29 13:26:55 UTC
From: GOLIST
Topic: 9087 Message: 9087

Folks,
Well, I am back at trying to figure out what to do.
The banks and credit card companies are find more and more
creative ways to charge merchants fees. The cost of accepting
credit cards payments for purchases in slowly increasing.
I am once again thinking if accepting credit card payments is
a good business decision for me. The ham radio business is
slowly dying away and the business volume is just a fraction of
what it was during the sun spot cycles.
If I choose to NOT accept credit cards, how would that affect you?
I would still accept checks on US Banks, Money orders and PayPal.
PayPal is now available to most everyone world wide and their fees
presently are much lower than my Merchant fees for credit card.
Would check/mney order/PayPal be acceptable to all of you.
Please let me know what you think, but send your remarks to me
privately via my email , golist@...
i need to make a decision before the first of the year.
Thanks to all of you.
John K1XN

9088. Re: [GOLIST] NEED USER INPUT..

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-11-29 14:03:47 UTC
From: David Tilley
Topic: 9087 Message: 9088

Paypal would be just fine with me. You can set up your paypal account so it draws from your credit card anyway.

9089. SO FAR...

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-11-29 14:30:00 UTC
From: GOLIST
Topic: 9089 Message: 9089

So far the response has been 27 to 1 saying to drop the Credit Card
indicating that check and PayPal would work for them.

Of course, checks would be better for me as their is no fees charged
for cashing/depositing them. PayPal does have fees much like the
credit cards but I do not incurr an monthly fee with PayPal like I do with
my Merchant credit card account. It is the merchant account fees that
are the problem rather than the credit card transaction fees.

If you have not sent your opinion, please do so as I want to hear from each
of you.

I DO NOT want to raise the prices of my services. Things cost to much now.
If there was geat sun spots and DX was covering the bnads all day/night
long,
then raising prices might be an option, but NOT now.

John

9090. THANK YOU FOR YOUR INPUT

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-11-29 22:11:21 UTC
From: GOLIST
Topic: 9090 Message: 9090

Thanks to all of you
Tbanks to all of you for responding to my message.
I learned quite alot from your responses. I did not know
many of you have credit card issues as well, like them
raising the interest rate even if you paid the balance off
each mnnth.
I have not used credit cards for over 10 years and do not
miss them. I use bill pay at my bank and the expenses are
all theirs, even the postage. Sure works good for me.
I will make a decision sometime this coming week. I need
to check with my merchant account vendor about the closing
of my account. I think I will stop taking credit card payments
by the middle of December and this should allow a clean closing
for the 1st of the new year.
If you wish to renew using your card then you will need to do
so the 1st weeks of December. If you have just recently renewed
and still want to take advantage of the cc, you can renew for additional
year(s). Once I close the credit card account, I will delete all credit card
info in my database.
Checks drawn on US Banks, US money orders and PayPal will be the
approved form of payment for next year. My PayPal account is:
golist@....
I will try and get the order form changed ASAP, but if it becomes a
problem, I will do renewals and new orders via email and do away with
the order form.
The bottom line is I will still take care of you and give you the best
customer service I possibly can. Thanks to all of you for your continued
support for the Golist and myself.
John K1XN

9091. CREDIT CARD ACCEPTENCE TO END

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-11-30 14:38:28 UTC
From: GOLIST
Topic: 9091 Message: 9091

Hi folks,
I have made a decision. I will stop accepting credit card payments on December 15, 2009. Based upon the responses sent to me, this was the choice to be made.
I will accept US Band checks, US Postal Money Orders and PayPal, my account is golist@....
For those subscribers that are coming up for renewal in the month of December, I will be glad to use your credit card for renewal until the 15th of the month. My merchant account will be closed at the end of the working day on the 15th.
The best method of payment is to use your banks BillPay service. That way the bank does all the work and even supplies envelope and stamp, you don't have to touch it.
Check payments should be made to:
John Shelton
106 Dogwood Hills Dr
Paris TN 38242

Thank you again for your input and your continued support.
John K1XN

9092. FO, FM, F, 7X, XU and more

For this issue thanks to : Norbert/F6AXX, Yves/7X0MT, Pierre/F5JFU, Phil/FO8RZ, François/F5JNE, AT International, DL8EBW and MMM VHF, Algarve STAR DX Team, Matt/OZ6OM , DXNL, LY4A News

FRENCH POLYNESIA – Tahiti
Phil/FO8RZ who will take part in the FO/2010 team with Jacques, F6BEE, and along with Nigel/G3XTT and Gilles/VE2TZT, informs us that the FO/2010 web page (courtesy of Laurent/F1JKJ) is now available at :
http://www.fo2010.org/ (http://www.fo2010.org/)
This all HF bands and CW/SSB/Digit dxpedition will make emphasis on low bands so efficient antennas are to be brought for 80/160.
They will be active on other bands also.
Your remarks and wishes are welcome; don’t forget to write something of you on the guestbook.
More information to be published in due time.

FRENCH POLYNESIA – Tahiti
Phil/FO8RZ, has moved his 80m doublet. At his new place it has more clear place , between two trees.
Bareoot 100w , Phil made some contacts with Africa (Senegal, Nigeria ..), but for Europe it will be more difficult.
The best area for the moment seems to be USA/JA/VK/ZL and FK.

QSL via F8BPN, direct, French Bureau or LotW.)
http://f5phw.chez.com/index.php?lng=fr
(http://f5phw.chez.com/index.php?lng=fr)

CAMBODIA – Reminder
Norbert/F6AXX and Alain/F6HBR will be active as XU7UFT from Sihanoukville [aka Kampong Som], Cambodia, between 3-8 December. They will use the XU7UFT callsign from Wim, XU7TZG (ON6TZ) facilities.
Activity will be CW only on : 3520 7020 10115 14020 18071 21020 24891 and 28020 kHz, propagation permitting.
QSL via F6AXX, by the French Bureau or direct (w/SAE and return postage) or e-QSL Look for direct QSLs to be answered after 15.Jan.20103

TO1BT Martinique
Lawrence,FM5BH informs us that EA1BT will be active from Martinique Island 8-15 December 2009 as TO1BT
He will be active on HF bands
QSL via home call

France
Castle and DIFI
On next Saturday, I, François/F5JNE, along with Claude/*F5MCC, will sugn F5JNE/p from the Old Castle,DFCF 89311, in the city of L’isle sur Serein,

zip code 89440, and Canton of Isle sur Serein, DDCF89-18.
The Castle is located on an island on the River Serein and this island is valued reference 89059R, for the French inland, rivers and lakes islands award, for which this activity will count also.
Starting 0700 utc , 80/40m, CW/SSB . QSL via Bureau, SWL cards welcome.

ALGERIA :
Avoid cards and money.
The 7X2ARA callsign was spotted a lot especially on 17m/cw , on Nov 26&27.,
There were no traffic under this callsign on the indicated bands and modes, Yves/7X0MT says.

ANTARTICA:

DT8A King Se Jong base
Lee, DS4NMJ will be active from the Korean Antarctic base King Se-Jong on King George Island,South Shetland Islands (IOTA AN-010), 5 December 2009 -31 January 2011 as DT8A
He will be active on all bands mainly CW (but also in SSB and RTTY)

QSL via HL2FDW

TURKEY:

YM3M qrv from KM38WN in the BCC-MS-Contest 2009
From: 2009-12-10 To: 2009-12-15 50 & 144 MHz

LZ1KQ, TA2TX, LZ1GHT, LZ1OB and LZ1ZX WILL BE QRV IN BCC CONTEST
FROM KM38WN, CALL IS YM3M in WSJT, HSCW, CW or SSB

Details : http://www.mmmonvhf.de/latest.php?id=3014

ANGOLA and PORTUGAL:

Paulo, D2CQ will be in Angola until 27.December.2009 and is active only on SSB. QSl via CT1IUA.

CS25M and CS26X logs added at "CT's Log Online" database on http://algarvedx.com/logonline
QSL Manager, CT1EHX is now OK to answer all QSL request for CS25M, CS26X, CS27R and CS28MCF.

Bermuda
Mark,AA1AC, will sign VP9/HC from Bermuda between Dec. 6th to 12th.
HF bands. QSL via HC direct or bureau.

NEW ZEALAND:
OC-203
Ray ZL4TY (home call VK4DXA) and Paul ZL4M (home call ZL4PW) will be activating OC-203 Stewart Island March from Friday 12th March till Monday 23rd March, 2010. This will be a 2-station operation using verticals for 160 – 30m and a Spiderbeam for 20 -10m.

COSTA RICA :

(https://feedads.g.doubleclick.net/~a/GPsvYZB5zd034eY8u4c034UolMI/OeZFI00YI18QWadqAo_zZBQxMm8/1/pa)
TI7WGI, DH8WR, DL2JRM and DL3ALF will again be active from San Jose Island (NA-191), Guanacaste Province, between 30 December 2009 to 5 January 2010 as TI7XX. Active on all bands CW, SSB, RTTY & PSK 31.
No QSL information provided but probably via Gunter/TI7WGI direct In other case as operator's information.
,

Norfolk Isl.,
VK9N. VK9NA VHF/UHF/Microwave DXpedition 3rd January till 14th January 2010 (RG30xx)
With just over 6 weeks till we fly out from Melbourne, preparation is pretty frantic. We need to make all our antenna easily transportable, and to check all gear is correctly operational, so this has been our focus thus far. We intend to do two practice set ups before we have to start packing the gear for shipping. Look for us on the upcoming VHF Spring Field Day. There are a number of groups of VK operators who have contacted us and advised that in January they will be operating portable along the East Coast of Australia to maximise there chances of working us. Also several ZL operators have emailed indicating they will be making special trips to the North Island, in an effort to work us on the maximum number of bands. The DXpedition has created interest in the USA, and although we think they are beyond our reach, we will be beaming into the Pacific on 6 metres and 2 metres and are hopeful of working A35 and E51. Digital modes will be an integral part of our operation, and we are set up to run WSJT on all bands. We will ensure we are active on the Meteor Scatter net , and will also be happy to consider skeds at other times. We are thankful of the support we have received so far from individuals and organisations, and are reminded we will only be able to make contacts with the support of operators at the other end of the path. We look forward to working all of you when we are on Norfolk Island.
The bands:
6 Metres 100W 3 elem Yagi
2 Metres 360W 10 elem Yagi
70 CM 70W 23 elem Yagi
23 CM 90W 1.2 Mtr dish
13 CM 20W 1.2 Mtr dish
9 CM 20W 1.2 Mtr dish
6 CM 15W 1.2 Mtr dish
3 CM 5W 1.2 Mtr dish
Radios:
Yaesu FT897D & FT817ND
Modes:
SSB, FSK441, JT65A,B&C & CW
Operarators: VK3XPD Alan VK4UH Kevin VK3KH Michael
Michael, VK3KH via VK-VHF-Reflector (MMMonVHF Newsletter 2009-11-20) 20 Nov. 2009 - 14 Jan. 2010

Temotu
Operators Siegfried/DK9FN, Bernhard/DL2GAC and Hans-Peter/DG1FK will be

active as H40FN (CW), H40MS (SSB) and H40FK (Digi-mode), respectively, from Ngarando/Reef Islands between February 6-19th (2010).
Activity will be focused on 160/80m (using their famous LOBSTER 2-element multi-band vertical), but they will operate on 160-6 meters depending on the band conditions.
QSL H40FN via HA8FW, H40MS via DL2GAC and H40FK via DG1FK. QSL cards will be sent out automatically via the Bureau. However, for those who want to receive their QSL cards directly, a minimum of 2 USDs for postage is requested. Donations are most welcome. For more details, updates and pictures/details of Siegfried's last visit to Temotu, please visit the following Web page at: _http://hari-ham.com/h40fn_ (http://hari-ham.com/h40fn)

N'oubliez pas de nous signaler vos changements d'adresse e-mail.

Pour ce bulletin, merci à : Norbert/F6AXX, Yves/7X0MT, Pierre/F5JFU, Phil/FO8RZ, François/F5JNE, AT International, DL8EBW and MMM VHF, Algarve STAR DX Team, Matt/OZ6OM , DXNL, LY4A News.
Bonjour à tous
POLYNESIE FRANCAISE – TAHITI:
Phil/FO8RZ, qui participera à l’expédition FO/2010 avec Jacques/F6BEE, Nigel/G3XTT et Gilles/VE2TZT, nous signale que la page web de l’expédition est maintenant disponible, grâce à Laurent/F1JKJ, à :
http://www.fo2010.org/ (http://www.fo2010.org/)
Cette expédition HF, GW/SSB/Numériques, insistera sur les bandes basses 160/80 et amènera les antennes en conséquence.
Les autres bandes ne seront pas oubliées, maius selon propagation.
Vos remarques et souhaits bienvenus ; signez le livre d’or.
Plus d’info à venir en temps utile.

POLYNESIE FRANCAISE – TAHITI:
Phil /FO8RZ a déplacé son doublet 80m ; il est maintenant entre deux arbres et bien mieux dégagé.
Barefoot 100w il a déjà contacté l’Afrique (Senegal, Nigeria ..), mais pour l’Europe c’est beaucoup plus difficile.
La meilleure zone pour le moment semble bien être autour de USA/JA/VK/ZL et FK.

QSL via F8BPN, directe, Bureau Français ou LotW.)

(http://f5phw.chez.com/index.php?lng=fr)

CAMBODGE – Rappel :

Norbert, F6AXX et Alain, F6HBR seront actifs depuis Sihanoukville, du 3 au 8 décembre 2009.
Ils utiliseront l'indicatif XU7UFT depuis les installations de Wim XU7TZG (ON6TZ)..
CW only sur : 3520 7020 10115 14020 18071 21020 24891 et 28020 kHz, selon propagation.
QSL après le 15 janvier 2010, via F6AXX , direct (QRZ.com – SAE + IRC), bureau du Ref-Union ou e-QSL.

Martinique
Laurent,FM5BH, indique que EA1BT sera en Martinique , du 8-15 Decembre 2009 sous indicatif TO1BT
Bandes HF et QSL via HC.
QSL via home call

France
Château et DIFI
Samedi prochain, Francois, F5JNE et Claude, F5MCC, seront F5JNE/p, depuis le Vieux Château DFCF 89311, dans la commune de L'Isle sur Serein, CP 89440, et Canton d' Isle sur Serein, DDCF89-18.
Le Château est situé sur une île au milieu de la rivière Serein, cette île est Référence DIFI 89059R. L'activité compte également pour cette référence.
A partir de 0700 utc , 80/40m, CW/SSB . QSL via Bureau, cartes écouteurs bienvenues.

ALGERIE
Economisez temps et argent!
L'indicatif 7X2ARA a été spotté en CW sur 17m, les 26 & 27 novembre.
Yves/7X0MT, indique qu'il n'y a eu aucun trafic ces jours là sous cet indicatif.

ANTARTIQUE:

DT8A King Se Jong base
Lee, DS4NMJ sera actif depuis la base coréenne King Se-Jong sur l'île du Roi George, Shetland Sud (IOTA AN-010), du 5 décembre au 31 janvier 22011.
Indicatif : DT8A
CW principalement mais aussi SSB et numériques à l'occasion.*

QSL via HL2FDW

TURQUIE:

YM3M qrv depuis KM38WN dans le BCC-MS-Contest 2009
Du 10 au 12/12/2009, 50 & 144 MHz

Op’s : LZ1KQ, TA2TX, LZ1GHT, LZ1OB et LZ1ZX
Modes : WSJT, HSCW, CW ou SSB

Details : http://www.mmmonvhf.de/latest.php?id=3014

ANGOLA et PORTUGAL:

Paulo, D2CQ est en Angola jusqu’au 27 décembre 2009. SSB et QSL via QSl
via CT1IUA.

Les logs de CS25M et CS26X ont été ajoutés à la base de données "CT's Log
Online" , sur http://algarvedx.com/logonline
QSL Manager, CT1EHX est OK maintenant et répond aux demandes pour CS25M,
CS26X, CS27R et CS28MCF.

Bermudes
Mark,AA1AC, sera VP9/HC entre le 6 et le 12 décembre.
HF Ttes bandes
QSL via HC direct ou bureau.

Nlle Zélande: février
OC-203 .
Ray ZL4TY (HC VK4DXA) et Paul ZL4M (hc ZL4PW) seront sur Stewart, OC-203
, du vendredi 12 au lundi 23 mars010, avec deux stations et des verticales
pour 160 – 30m et une Spiderbeam pour 20 -10m.

9093. V31WV in March 2009

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-12-02 05:53:51 UTC
From: Jim Reisert AD1C
Topic: 9093 Message: 9093

Does anyone know the operator/QSL manager for V31WV in March, 2009? The most recent operation (November 2009) is PA0WWV. Bruce KD6WW used the call in 1998 only.

73 - Jim AD1C

The manager is EA7HEJ,
direct only.
He is the same person like PA0WWV.

Wil Lameree - EA7HEJ -
Apartado Postal 107
21830 Bonares
Huelva
Spain

W M G Lameree - PA0WWV -
Tesjesln 20
NL-8042 HN Zwolle
Netherlands

Just his netherland address, but he wants QSL to his spanish address.
Regards, Fred -DF6EX-

From: m0bpt m0bpt@...

Hi all.
request from HTC.
Qoute

"Hello,

The 3W6C DXpedition to Con Co Island in Vietnam taking place next April has an opening for one additional experienced CW operator.

This DXpedition is being headed up by several members of the Helvetia Telegraphy Club, but we also have members from other countries including Vietnam. German language is NOT required to participate.

Full details about the DXpedition are available at www.3w6c.qrv.ch.

If you or any members of your organization would like to be considered a candidate for this open spot on our crew, please send details about your background and DXing experience to Hans-Peter, hb9bxe@....

He can likewise give you further details about expenses, travel, etc.

73,
Paul AA1MI / HB9DST
EUCW Communications Manager for the Helvetia Telegraphy Club"

9096. New Data Files and Reports Uploaded to the Web

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-12-03 18:51:02 UTC
From: GOLIST
Topic: 8619 Message: 9096

The *DECEMBER 2009 Issue #912-A *files have been uploaded to the Golist
web site.
The weekly GoData files include DXCC APPROVED OPERATIONS in the data
file.
Use the DOWNLOAD button in your GOWIN program or this link in your
web browser. http://golist.net/dlauth.cfm
It is recommended that you open up GOWIN after downloading the data file
update and on the top bar click on FILES/CLEANUP FILES and run this
routine to clear all the old update files from the program folder.
This will prevent any lookup problems for you.
Now is a good time to send in your RENEWAL to GoWin if your subscription
is about to expire.

All Golisters
I will close my Credit Card Merchant Account on Dec 15, 2009.
After this date I will not be able to accept or process any Credit Card.
New subscribers and all users not in the US will have to use PayPal
to renew, order Golist products and RAC Call Book cd's.
Current and former Golist subscribers living in the USA may also
use their personal check on a US Bank in addition to PayPal.
If you are ready to order or renew and do not already know my
PayPal account name, please email me for that information.
If you are renewing by check, please drop me a note with your
call sign and let me know a check in on the way. I will then renew your
subscription right away.
Please make all checks out to:
John Shelton
and send to:
*106 Dogwood Hills Dr
Paris TN 38242-5202*
Thanks to all of you for your continued support.

9098. [ICPO] ICPO Bulletin (03 - 11 December, 2009)

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-12-04 01:15:13 UTC
From: Dave Raycroft
Topic: 9098 Message: 9098

I.C.P.O. Bulletin (03 - 11 December, 2009)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

03/12/2009: Operatprs Norbert/F6AXX and Alain/F6HBR will be active as XU7UFT from Sihanoukville [aka Kampong Som], Cambodia, between 3-8 December. Activity will be CW only on: 3520 7020 10115 14020 18071 21020 24891 and 28020 kHz, propagation permitting. QSL via F6AXX, by the bureau or direct (w/SAE and return postage). Look for direct QSLs to be answered after 15.Jan.2010. [OPDX Bulletin]

04/12/2009: Operators Dani XE3RR, Jose XE3PP, Benigno XE2WK and Zalo XE3N will be active Isla El Cerrito (IOTA NA-153) between 04-14 December with the callsign XF3RR. This operation is organized by the Radio Club Cancun and it will be a low scale operation as the island is a protected area of the government of Mexico so it is subject to many restrictions including not carrying much equipment or more than 4 people at once. QRV 80-15 metres, mainly SSB and RTTY. Suggested frequencies: SSB - 3.790, 7.060, 14.260, 18.140 and 21.260 MHz; RTTY - 3.585, 7.044, 10.104, 14.085, 18.104 and 21.085 MHz. QSL via EB7DX, direct only. [F5NQL]

04/12/2009: Curt, W3HQ will be active as VP2V/W3HQ from Virgin Gorda (NA-023, WLOTA L0347), British Virgin Islands from 4-16 December. Operation will be CW only. Bands will be mainly 160 and 10 meters on weekends, and WARC during the week. QRP 2-way skeds welcome. QSL via home call. [NG3K]

04/12/2009: Adhi, YB3MM will be active from Bawean Island (OC-197, WLOTA L-0269) as YB3MM/p from 4-8th December. QRV only on 15 metre CW. Operation in spare time due to limited electricity. QSL via IZ8CCW, direct or bureau. [F5NQL]

05/12/2009: Sang Hoon Lee, DS4NMJ will be active as DT8A from the Korean Antarctic base King Sejong (AA HL-01, WAP KOR-01) on King George Island (AN-010, WLOTA L-0312), South Shetlands, for 14 months, from 5 December 2009 through 31 January 2011. He plans to operate on all bands mainly CW, with some SSB and RTTY. QSL via HL2FDW. [425 DX News]

05/12/2009: François F5JNE, along with Claude F5MCC will be active on 5 December as F5JNE/p from the Old Castle (DFCF 89-311), in the city of L'isle sur Serein (CP 89440), canton [county] of Isle sur Serein (DDCF 89-18), Department Yonne/89 and Province Burgundy (DPF 05). The Castle is located on an island on the River Serein and this island is valued reference 89059R, for the French inland, rivers and lakes islands award, for which this activity will also count. QRV 80/40m starting 0700 UTC. QSL via F5JNE, bureau preferred and SWL cards are welcome. [F5NQL]

05/12/2009: Members of the Regionalis Radios Sportklub Puspok-ladany (HA0KHW), namely Laci HA0HW, Viktor HG0NDZ, Zoli HA0IH, Tomi HA4DX and Geza HA4XG will activate more Hungarian National Parks during the month of December. Look for them to be QRV as HG0WFF/p from: Duna-Drava Nemzeti Park (HAFF-003) on 5-6 December, Nyugat Mecsek Tajvedelmi Korzet (HAFF-033) on 7-8 December and Kelet Mecsek Tajvedelmi Korzet (HAFF-024) on 9-10 December. QSL via HA0HW, bureau preferred [HA0HW]

06/12/2009: Manel, EA3EGB will be active on 6 December as EA3EGB/p from the La Garrotxa Volcanic Zone Natural Park (EAFF-117), in Catalonia, northeastern Spain. QRV 40-10 metres, using SSB, RTTY and PSK-31. Equipment: Icom 751-A, 100 watts; the aerial: Vertical (40, 20, 18 m.), Dipole (40-80 m.). QSL via home call, direct or bureau. [QRZ.RU]

06/12/2009: Mark, AA1AC will be active from Bermuda (NA-005, WLOTA LH-0201) 6-12 December as VP9/AA1AC, on all HF bands. QSL via home call. [F5NQL]

08/12/2009: Fernando, EA1BT will be active from Ducos, island of Martinique (NA-107, DIFO FM-001, DDFM 97, WLOTA LH-1041) from 8-15 December as TO1BT. QSL via home call [F5NQL]

10/12/2009: Victor, N8OO and Andrei, NP3D will be active as HR2/N8OO and HR2/NP3D respectively from Honduras between 10-20th December. QRV all HF bands, CW, RTTY and SSB. Victor will participate in the 10 Metre ARRL DX Contest and Andrei will be in OK DX RTTY Contest. QSL info: HR2/N8OO - via home call or via UA9TF for ex CIS. HR2/NP3D, HQ2S - via RW6HS for ex CIS or via W3HNK. LoTW is OK. [NG3K]

10/12/2009: John, KL7JR will be active from Kluane Lake before and after ARRL's 10 Meter Contest. If the ice is thick enough, KL7JR will activate Jacquot Island, Yukon, a new one for CIsA. Main frequency: 28.460 or 14.260 MHz. QSL KL7JR CBA. [USi]

11/12/2009: Peter XU7ACY (ex-NO2R) and Wim XU7TZG (ex-ON6TZ) will be active from Koh Russei (aka Bamboo) Island (IOTA AS-133) from 11 until 14 December as XU7KOH. QRV all bands 80-10 metres on the regular IOTA and PSK-Frequencies, using PSK, SSB and CW. QSL only direct (2US$ + SAE) to ON7PP. [NG3K]

11/12/2009: Krasimir LZ1KQ, Mustafa TA2TX, George LZ1GHT, Bogdan LZ1OB and Dimi LZ1ZX will be QRV from Turkey (WW Loc. KM38WN) in the BCC Meteor Scatter Contest (11-15 December) using the callsign YM3M. Activity is planned for WSJT, HSCW, CW and SSB on 6 and 2 metres. Equipment - 2 metre: IC910H + 3SK129priampl Ant-2x15 el dj9bv pw=QRO; 6 metre: FT957 - 50w, 5 el.yagi. QSL via operator's instructions. [F5NQL]
==========
LOOKING AHEAD -

20/12/2009: Look for special event station 8J6HAM to be active from 20.December.2009 to 08.March.2010 for the 9th Nishinihon (or West Japan) Ham Fair, to be held in Tosu-city, Saga-prefecture, Kyushu (AS-077, JIIA AS-077-001, WLOTA LH-0963), Japan. HF contacts QSL via the JARL bureau;

Satellite contacts QSL via JA6PL, direct or bureau. [JJ1WTL/AC6IM]

28/12/2009: Sam, G4OHX will be active as 5R8HX (callsign just recently confirmed) from Madagascar (IOTA AF-013 and WLOTA LH-2455) between 28 December, 2009 and 3 January, 2010. Activity will be mainly CW. He will also be active from South Africa as ZS5/G4OHX between 4-17 January. QSL via his home callsign direct only. [G4OHX]

15/01/2010: Peter, HA3AUI will once again be active from Cabrousse (near Cap Skiring), Senegal, as 6W2SC and from Cab Roxo, Guinea-Bissau, as J5UAP between 15 January and 31 March. QRV 160-10m, mainly digital, other modes on request, using K3, 500W, 5Band Spiderbeam, Verticals. QSL direct or bureau via HA3AUI. For all info, including QSL and OnLine Log, please visit: cqafrica.net/ [NG3K]

03/01/2010: Operarators Alan VK3XPD, Kevin VK4UH and Michael VK3KH have planned a VHF/UHF/Microwave DXpedition to Norfolk Island (OC-005, WLOTA LH-1469, WW Loc. RG30xx), using the callsign VK9NA, between 03-14 January. The DXpedition has created interest in the USA, and although the team thinks they are beyond their reach, they will be beaming into the Pacific on 6 metres and 2 metres and are hopeful of working A35 and E51. Digital modes will be an integral part of their operation, and they are set up to run WSJT on all bands. They will also be active on the Meteor Scatter net, and will also be happy to consider skeds at other times. Bands - 6 Metres 100W 3 elem Yagi; 2 Metres 360W 10 elem Yagi; 70 CM 70W 23 elem Yagi; 23 CM 90W 1.2 Mtr dish; 13 CM 20W 1.2 Mtr dish; 9 CM 20W 1.2 Mtr dish; 6 CM 15W 1.2 Mtr dish; and 3 CM 5W 1.2 Mtr dish. Radios: FT897D and FT817ND. Modes: SSB, FSK441, JT65A, B&C and CW. QSL via VK3KH. [F5NQL]

12/03/2010: Ray ZL4TY (home call VK4DXA) and Paul ZL4M (home call ZL4PW) will be activating Stewart Island (OC-203) from Friday 12-23 March. This will be a 2-station operation using verticals for 160 - 30m and a Spiderbeam for 20-10m. QSL via home calls. [F5NQL]

==========

SPECIAL EVENTS -

05/12/2009: II0SB/mm from an Italian Navy Coast Guard patrol boat (QSL via IS0MKX) and II3SB from Burano Island (IOTA EU-131, IIA VE-010, QSL via IW3IE) will be two stations participating in the 5th International ARMI Contest to be held on 5-6 December (details at www.assoradiomarinai.tk). [425 DX News]

07/12/2009: Look for special event station 5P15COP from Sjaelland Island (EU-029, DIA SJ-001) to be active between 7-18 December. Activity is taking place during the big United Nations "Copenhagen Climate Change Conference" (en.cop15.dk/). Operators would like to invite all radio amateurs worldwide to show their concern and care about the environment and climate, by contacting this special event station. Operations will be on 160-6 metres using CW, SSB and the Digital modes. QSL via OZ5BAL, direct or by the bureau. For more details about the project, QSL card and awards available, please visit: www.5p15cop.dk/news.php/ [OPDX

Bulletin]

GOT6??? - Six Meter Information by Andy 'NEON' Sargent N8OFS at:
http://noars.net/got6/GOT6.txt (Updated 27 November 2009)

Information about current VHF activities can be found on the VHF DX
portal "Make More Miles on VHF" at: www.MMMonVHF.de/

SOTA (Summits On The Air) Watch Alerts at: www.sotawatch.org/
==========
US COUNTY HUNTING - USA-CA

K2HVN - Bill - 2* - Sat. Dec. 5 to Sat. Dec. 5 - SSB and CW
Will have 20cw/ssb, 30 and 40cw; DE-Kent and Sussex; MD- Wicomico,
Worcester, Somerset and Dorchester. Will try to run county lines to save
time. QSL via home call. [County Hunter Web]

N9QS - Roy - 5* - 12/11/2009 to 12/12/09 - SSB and CW
Return trip home from Branson, Mo: Webster, Wright, Texas, Howell,
Shannon, Carter, Reynolds, Wayne, Bollinger, Cape Girardeau. From here I
will probably take I-55 north to home. Bands will be 20/30/40 metres.
QSL via home call. [County Hunter Web]
==========
QSL INFORMATION -

ALGERIA: Avoid cards and money.
The 7X2ARA callsign was spotted a lot especially on 17m/cw, on Nov
26&27.
There were no traffic under this callsign on the indicated bands and
modes, Yves/7X0MT says. [F5NQL]

QSLs received Bureau - 3V8SS, 4K9W, 4O/EA1DR, 6V7O, 9J2FM, 9K2/SP4R,

9M2TO, 9M6/N1UR, A52RY, C91YI, CE8A, D68WL, DP1POL, DU7/PA0HIP, H40FN, J3/DL7CM, J6/W0SA, KG4SS, KH6OO, KL7HBK, UK/JI2MED, V5/DL2SL, VP6PR, XR7A, YS1G, ZD7X and ZK3MW.

QSLs received Direct - 3D2GM (PG5M), 4U1UN (HB9BOU), 4W6AL (CT1GFK), 5B4KH (QRZ.com), 8R1DB (N3DB), A41MX (EB7DX), FK/JA1NLX [OC-033] (JA1NLX), FP/G3ZAY (G3ZAY), JT1CO (QRZ.com), OH1AA [EU-096 Parainen Island] (IZ0EHO), R1ANC (RN1ON), T2G (PG5M), T30GM (PG5M), TG9NX (QRZ.com), TX5SPA (SP9PT), TX5SPM (SP9PT), UA2FFW (QRZ.com), VY0O [NA-230] (VE3LYC) and W3HNK (QRZ.com).

QSLs received LoTW - 3D2CW, 3DA0MM, 3DA0SV, 3DA0VA, 3W2KF, 4X/EA5RM, 5B/AJ2O, 5C8M, 5H3/SM1TDE, 6V7D, 6V7Q, 6W2SC, 7P8CF, 7P8DA, A35DX, AO8A, BA4DW, C56YK, CN50ZLZ, CQ9T, CR3R, CS94MD, CU3BL, CU3F, D2BB, D25L, E21YDP, EA9AM, ER3R/p, ER5DX, ES1WN, ES3AX, ET3JA, F6ENO/p, F6HBI/p, FM5CD, FP/M0TDG, FS/K1XM, FT5GA, GA3YOR, GI4SNA, OX3XR, RW6HS, S04R, ST2BF, T68G, TF3CW and TX3A.

==========

SILENT KEYS -

Andrey Golopurov, RU1AO, SK
At age 43, tragically was broken the life of the member [ALRS] Andrey V. Golopurov, RU1AO. Returning home for the participation in CQWW CW Contest, Andrey perished on 27 November 2009 in the explosion and derailment of the Nevskiy Express (Moscow-St Petersburg train that killed 26 people on 27 November).

Antenna expert Jerry Sevick, W2FMI, SK
Jerry Sevick, W2FMI, became a Silent Key on November 29 after a brief illness. Sevick was a renowned authority on antennas and transmission line transformers, and was active on the air until just days before his passing. He was 90 years old. Sevick is best known among hams as author of "Transmission Line Transformers," "Building and Understanding Baluns and Ununs," and "The Short Vertical Antenna Handbook." He was also a prolific author of magazine articles in both amateur and professional technical media.

Paul Knight, KE5OVA, SK
Paul Knight KE5OVA of Abilene, Texas, became Silent Key the morning of 25 November 2009 after being ill for some time.

V. Roy Jackson, ZL4BO, SK
Duncan, ZL3JT, has just reported that Roy Jackson, ZL4BO, of Invercargill, New Zealand has become Silent Key.

==========

BITS & PIECES -

ANTARCTICA: OR4TN was active 01.December.2009 (2145Z on 7008.00KHz) from the Princess Elisabeth Station. [9A6AA]

CS25M and CS26X logs added at "CT's Log Online" database on http://algarvedx.com/logonline

QSL Manager, CT1EHX is now OK to answer all QSL request for CS25M,
CS26X, CS27R and CS28MCF.
73'S Algarve STAR DX Team

FRENCH POLYNESIA - Tahiti
Phil/FO8RZ, has moved his 80m doublet. At his new place it has more
clear place, between two trees. Bareoot 100w, Phil made some contacts
with Africa (Senegal, Nigeria ..), but for Europe it will be more
difficult. The best area for the moment seems to be USA/JA/VK/ZL and FK.
QSL via F8BPN, direct, French Bureau or LotW.)
http://f5phw.chez.com/index.php?lng=fr [F5NQL]

FRENCH POLYNESIA - Tahiti
Phil/FO8RZ who will take part in the FO/2010 team with Jacques, F6BEE,
and along with Nigel/G3XTT and Gilles/VE2TZT, informs us that the
FO/2010 web page (courtesy of Laurent/F1JKJ) is now available at:
www.fo2010.org/ . This all HF bands and CW/SSB/Digit dxpedition will
make emphasis on low bands so efficient antennas are to be brought for
80/160. They will be active on other bands also. Your remarks and wishes
are welcome; don’t forget to write something of you on the guestbook.
More information to be published in due time. [F5NQL

Railroad Depots On The Air Activation -
Cap, W4AMW will operate from KY0001, the Union Station Depot in
Owensboro, Kentucky, on 5 December on 7055 from 1700 to 1800 UTC and
14045 from 1800 to 1900 UTC. He will be using a 1945 Vibroplex from the
short-line Camus Prairie RR depot in Cottonwood, Idaho. It belonged to
Mildred Pinson, a RR telegrapher from 1944 until 1970. Cap will be more
than happy to QRS to 5 wpm or whatever speed you can copy. 7055 is also
the frequency USS Midway will be using that same day from San Diego. If
you have QRM out west of here we will QSY down a bit. 14060 won't pose a
problem with Midway. Hope to hear a lot of RR activity Saturday. QSL via
home call. [N8OFS]

Jan 30-Jan 31, 1700Z-1700Z, Saint Marys, GA. Camden County Amateur Radio
Society, KB4CC. Activation of Cumberland Island USI# GA-002S IOTA#
NA-058. 14.260 14.040 7.055 7.030. QSL via: CCARS - USI#GA-002S, PO Box
2203, Kingsland, GA 31548. Web site at: www.ccars.org/ [N8OFS]

9101. VIBROPLEX

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-12-07 19:31:24 UTC
From: GOLIST
Topic: 9101 Message: 9101

SCOTT ROBBINS, W4PA, TO PURCHASE THE ASSETS OF THE VIBROPLEX COMPANY, INC.

Knoxville, TN ??" Scott Robbins, W4PA, of Knoxville, TN. representing Cemorse LLC has signed an agreement to purchase the assets of The Vibroplex Company, Inc. from present owner Mitch Mitchell, W4OA. The agreement will become effective as of December 21, 2009.
Mr. Robbins has been an employee of Ten-Tec, Inc. (_www.tentec.com_ (http://www.tentec.com/)) of Sevierville, TN since 1995 and has held the title of Product Manager for Ten-Tec??^(TM)s amateur radio equipment line since 1997. He will be leaving employment of Ten-Tec in mid-December to take over full-time management and ownership of Vibroplex. The company will be moved from its present location in Mobile, AL to a new facility in Knoxville, TN during the last two weeks of December. Business at the new location is expected to be open by January 5, 2010 at 2906 Tazewell Pike, Suite A2B, Knoxville, TN 37918. The company toll-free sales line (800) 840-8873, website _www.vibroplex.com_ (http://www.vibroplex.com/) and email contact addresses will remain in continuous operation under the new ownership.
??oeIt??^(TM)s a great opportunity to continue the more than 100 years of tradition that the Vibroplex name represents,??? Robbins stated. ??oeI??^(TM)ve known Mitch
for quite a few years and it was an important consideration for both of us that Vibroplex continue operation building quality products for amateur radio long into the future. Mitch??^(TM)s experience owning the company will be valuable as we proceed with a seamless ownership transition over the next few weeks.???
Vibroplex is the oldest operating business in the amateur radio industry and has been in continuous service to the hobby since founder Horace Martin invented the ??oebug??? semi-automatic morse code key in 1904. Mr. Mitchell purchased Vibroplex in 1994, and has operated it from Mobile, AL for the past 15 years.

9102. US5I in TRM

KM38WN) in the BCC Meteor Scatter Contest (11-15 December) using the callsign YM3M. Activity is planned for WSJT, HSCW, CW and SSB on 6 and 2 metres. Equipment - 2 metre: IC910H + 3SK129priampl Ant-2x15 el dj9bv pw=QRO; 6 metre: FT957 - 50w, 5 el.yagi. QSL via operator's instructions. [F5NQL]

12/12/2009: Ghis, ON5NT will be active from Uruguay 12-17 December as CX5DNT. He will be active on HF bands. QSL via home call. [F5NQL]

12/12/2009: A group of operators from Associazione Radioamatoriale Sardinia QRP Club will be active as IQ0QP/LH from Capo Sant'Elia Lighthouse (Cagliari-Sardinia-Italy) from 1800z 12 December to 1000z 13 December. A low power beacon will be active at the same time on 14.349.5 MHz (CQ CQ de IQ0QP IQ0QP). QRV on 20, 30, 40 and 80m using SSB, CW and Digtal modes. Modes as follows: 80M 3560 +/- 10 kc CW QRP, 80M 3686 +/- 10 kc CW QRP, 80M 3750 +/- 10 kc SSB QRP and QRO, 40M 7021 +/- 10 kc CW QRO, 40M 7039 +/- 2 kc CW QRPp, 40M 7090 +/- 10 kc SSB QRP and QRO, 30M 10.116 +/- 10kc CW QRP, 20M 14.061 +/- 10 kc CW QRP, 20M 14.070 +/- 10

kc Digital, 20M 14.090 +/- 10 kc Digital, 20M 14.290 +/- 10 kc SSB QRP and QRO. This activation counts for ARLHS SAR-019, WAIL SA-008, TWLHD WLH IS-015, WLOTA L-1608, IOTA EU-024, IIA SD-001, MIA MIS-035, WAIS FL15 and WW Loc. JM49NE. QSL direct to IQ0QP (QRZ.com). [F5NQL]

12/12/2009: Juergen, DL4MAQ will be active from Roemoe [aka Rømø] Island (EU-125, DIA NS-001) as OZ/DL4MAQ from 12-19 December. QRV HF bands, CW and SSB. QSL via his home call, direct or bureau. [OPDX Bulletin]

12/12/2009: Aurelio, IZ0EGM will be active during ARRL 10 Meter Contest from the Republic of San Marino with callsign T70A between 12-13 December using CW and SSB. QSL via the information on QRZ.com [NG3K]

16/12/2009: Mike, RW1AI leaves St. Petersburg on November 1st aboard the Oceanographic research ship Akademik Fedorov. By approx 16 December, Mike will arrive at 'Progress' station (AA U-03, WAP RUS-11, IOTA AN-016). He plans to be active all of 2010 as R1ANP. [F5NQL]

16/12/2009: Tom, N1CE, will be active as N1CE/KH6 from Oahu Island (USi HI-008S, WLOTA LH-1227, Honolulu County), Hawaii (OC-019), between 17 December 2009 and 6 January 2010. He states that his activity will be mobile using a Kenwood TS-480 w/100 watts, and it will be SSB only on this trip. Tom will use a bunch of Ham Sticks, G5RV and some end fed 1/2w dipoles (possibly a 160m dipole). QSL only direct to his home callsign. [OPDX Bulletin]

17/12/2009: Edor, CO7PH will be active from Cayo Coco Island (IOTA NA-086) 17-31 December 2009 and Cayo Anclitas Island (NA-201) 2-5 January 2010 as CO7PH/P. QRV around the usual island and IOTA frequencies. QSL direct (QRZ.com). [dx-hamspirit.com]

18/12/2009: Look for John, VE8EV to be active from the island of St. Lucia (IOTA NA-108, WLOTA LH-1336) from 18-20 December. Operation will be mostly during the RAC Canada Winter Contest which this year is being held the weekend before Christmas. All contacts are welcome during the contest, stations outside of Canada just sent RS(T) and a serial number. QSL via home call, direct or bureau. Web page at: ve8ev.blogspot.com/search/label/IOTA [rsgbiota.org]

==========

LOOKING AHEAD -

27/12/2009: Harry, JG7PSJ (JD1BMH) and Makoto, JI5RPT (JD1BLY) will be active once again from from Chichi-jima [Jima and Shima in Japanese means Island] (AS-031, JIIA AS-031-003, WLOTA L-2269), Ogasawara Islands, from 27 December 2009 to 1 January 2010. QRV 160-10 metres using CW, SSB and RTTY. QSL via the bureau to JD1 calls or Direct to homecalls. Web pages: www.ji5rpt.com/jd1/ and sapphire.es.tohoku.ac.jp/jd1bmh/ [NG3K]

28/12/2009: Sam, G4OHX will be active as 5R8HX from Madagascar (IOTA AF-013 and WLOTA LH-2455) between 28 December, 2009 and 3 January, 2010.

Activity will be mainly CW. He will also be active from South Africa as ZS5/G4OHX between 4-17 January. QSL via his home callsign direct only. [G4OHX]

02/01/2010: Edor, CO7PH will be active from Cayo Anclitas Island (IOTA NA-201) 2-5 January 2010 as CO7PH/P. QRV around the usual island and IOTA frequencies. QSL direct (QRZ.com). [dx-hamspirit.com]

08/01/2010: Gerry, VE6LB will be active holiday style from Dubai, United Arab Emirates, as A6/VE6LB between 8 January and 8 February. QRV on the HF bands, using low power and mostly CW. QSL via home call and LoTW. [NG3K]

08/01/2010: George, K2CM will be active from the island of Bequia, The Grenadines (NA-025), from 8 January until 12 February. QRV on 20 metre SSB/CW, maybe 40m CW. QSL via the bureau, or direct (SASE/SAE) to K2CM. [rsgbiota.org]

23/01/2010: Members of the Camden County Amateur Radio, KB4CC plan to activate Cumberland Island (IOTA NA-058, USi GA002S, Camden County), Georgia, on 23-24 January. QRV 14.260 MHz SSB, 14.040 MHz CW, 7.055 MHz CW and 7.030 MHz CW, with a multi-op, 2 radio, battery powered station. QSL via: KB4CC CCARS - USI#GA-002S, PO Box 2203, Kingsland, GA 31548. Further information can be found at www.ccars.org/ [N8OFS]

05/02/2010: Hellenic Amateur Radio Association of Australia members Tommy VK2IR, Peter VK2NN, Raffy VK2RF, Allan VK2GR, Paul VK2HV and Jeff VK3HJA will be active from Broughton Island (OC-212), 5-7 February. Expect activity on all HF bands/modes. QSL direct to VK2IR (QRZ.com). Further information can be found at: www.vi2bi.blogspot.com/ [rsgbiota.org]

25/02/2010: The Palos Verdes Amateur Radio, K6PV will be active from Santa Catalina Island (IOTA NA-066, USi CA016S, WLOTA LH-2912), Los Angeles County, California, from 25-28 February. Planned operation on ususal IOTA frequencies, mostly 20 metre SSB. May be available to work CW, RTTY and/or PSK31. Operators include Ray N6HE, Dan W6DC, Mel K6SY, Doris K6KSY, Jeff K6JW, Homer K6HKT, Ginger KG6TAU, Bob AB6SY, Joe K5KT and Marian K5KKT. QSL direct to K6PV (Palos Verdes Amateur Radio Club) or via bureau. They have a special K6PV IOTA cards for the activation. Web page at: www.palosverdes.com/pvarc/ [rsgbiota.org]

05/03/2010: Look for Niels, OZ8KR to be active holiday style from Bakuto, The Gambia, as C56KR from 5-24 March. QRV 80-10m SSB with 100 W, Wires-2x36m - 12 m high - close to the Atlantic. QSL via home call, direct (QRZ.com). [NG3K]

SIX METERS & UP -

2009 North American VHF WSJT Geminids Test:
The contest formerly known as the North American High-Speed Meteor Scatter Contest has been reinvented using distance scoring (as well as other appropriate rules modifications) and will be held on December 12 through December 16. This contest, going forward, will be known as the North American VHF WSJT Geminids Test. As always, it is sponsored by the WSJT Group.
Please read the Rules carefully, as there quite a few changes this year including distance scoring and the allowance of non-MS contacts (as long as they are made by WSJT).

GEMINIDS METEORSCATTER-EVENT 11st to 15th December 2009:
During the BCC-MS-Contest 2009, MMMonVHF will set up an special activity overview about 144 MHz activities and frequencies as we did in past year - have a look at:
http://www.mmmonvhf.de/ms.php
We try to have the expedition and the qrgs sorted and as well a alway up to date overview map during the BCC & GEMINIDS.
Massimo, IV3NDC, did update the latest News abt. the upcoming Meteor-Showers in december here as well - tips and maximum calculation for the Geminids (GEM Max: Dec 14 0510 UTC) are on here as well!

GOT6??? - Six Meter Information by Andy 'NEON' Sargent N8OFS at:
http://noars.net/got6/GOT6.txt (Updated 27 November 2009)

Information about current VHF activities can be found on the VHF DX portal "Make More Miles on VHF" at: www.MMMonVHF.de/

SOTA (Summits On The Air) Watch Alerts at: www.sotawatch.org/
==========
US COUNTY HUNTING - USA-CA

N9QS - Roy - 5* - 12/11/2009 to 12/12/09 - SSB and CW
Return trip home from Branson, Mo: Webster, Wright, Texas, Howell, Shannon, Carter, Reynolds, Wayne, Bollinger, Cape Girardeau. From here I will probably take I-55 north to home. Bands will be 20/30/40 metres. QSL via home call. [County Hunter Web]

N4AAT - Scottie - 6* - Dec. 14th to Dec. 18th - SSB and CW
Heading west my friends to Stone county Arkansas. Be running through upper AL, upper MS and into AR. After a stop in Stone county, I will be running a bunch of counties, in AR. I have checked the needs list and

will call the people who were on the needs list first, before I run the county. CW on request. If you stated on the needs list that you wanted a county I'm in, on CW, I will run that county on CW. Please QRS when sending your call, on CW, thanks. Towing a trailer will make it harder to find a place to pull off and run CW, so be patient. If the freq is busy with good Cw operators, I will go down two and not take up net time with my slow CW. I will have 20, 40 SSB and 20, 30 40, CW, only. Can't use my tarheel because I'll be towing a trailer. Will be running a lot of upper AR counties. QSL via home call. [County Hunter Web]

AA8R/W8TAX - 12/17/2009 to 12/17/2009 - SSB and CW
Route and counties subject to change due weather or time constraints. If we get behind, we may need to cut out some of the SE counties. We'll start each county on 20, 40 80 SSB then CW on 20, 40, 30, 17 & 80 (3901 kHz) in that order. We will try to stay in the county until all have been worked. Starting out around 1830z-1900z. Montcalm, Kent, Allegan, Kalamazoo, Van Buren, Cass, St. Joe, Branch, Calhoun, Hillsdale, Lenawee, Monroe, Washtenaw/Wayne, Livingston, Genesee, Saginaw & Gratiot. QSL via home call. 9105. New Data Files and Reports Uploaded to the Web

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-12-11 03:36:26 UTC
From: GOLIST
Topic: 8510 Message: 9105

The *DECEMBER 2009 Issue #912-B *files have been uploaded to the Golist web site.
The weekly GoData files include DXCC APPROVED OPERATIONS in the data file.
Use the DOWNLOAD button in your GOWIN program or this link in your web browser. http://golist.net/dlauth.cfm
It is recommended that you open up GOWIN after downloading the data file update and on the top bar click on FILES/CLEANUP FILES and run this routine to clear all the old update files from the program folder.
This will prevent any lookup problems for you.
Now is a good time to send in your RENEWAL to GoWin if your subscription is about to expire.

Press Release

‘Bawdsey Research Station’ Commemorations 2010

Special Event Stations

In recognition of the historic events that took place in 1935 and 1940 which played a significant part in Britains war effort, Bawdsey Manor will be activated on three separate occasions during 2010.

During its time as a the radar research centre and as an operational station for Chain Home radar, it was known by the acronym BRS – Bawdsey Research Station. Special event callsigns with BRS as the suffix have been applied for to recognise this.

Over the weekend of 26 to 28 Feb 2010, we will be on the air on HF, 6m and VHF, operating CW, SSB and possibly some digital modes too. The callsign requested is GB75BRS, since this operation will commemorate the 75th anniversary of the Daventry Experiment, which resulted in radar development in the UK being based first at Orfordness, then at Bawdsey.

Later in the year we will operate on two weekends to commemorate the 70th anniversary of the start and end of the Battle of Britain in 1940. The callsign GB70BRS has been requested. These weekends will be 5/6 June, and 18/19 Sept. Operating bands and modes will be as for the February event.

Members of the public, and students from the school now based at the Manor, will be welcomed at any of the events, where there will also be display materials relating to Bawdsey’s history during this period.

A special QSL card will be issued to those making contact with either of the stations, and a parchment certificate will be available on request to stations who make contact with both callsigns – information about the stations, operation and QSL arrangements can be found on our web site at http://www.bawdseyresearchstation.org.uk

9108. A REMINDER

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-12-12 09:54:22 UTC
From: GOLIST
Topic: 9108 Message: 9108

Dec 15th at 12:00 noon I will close my credt card accounts.
I will be unable to accept or process any credit card after that
time.

The web order form may not be completly converted to the new
order form. The credit card info boxes must be removed and a
PayPal button inserted for the payment method.

All Golist subscribers outside of the USA and any 1st time subscribers
must use the PayPal method of payment. Any current Golist user in the
USA my also use your personal check as well as PayPal. This new policy
will be a minor incovenience to some users, but it will help in keeping the
Golist and RAC prices at current levels.

If you do intend to make payments using your personal check, please make
the check to:
John Shelton
106 Dogwood Hills Dr
Paris TN 38242-5202

Please send me a note telling me your are sending a check. I can then
manually
update your renewal or complete your invoice at that time. This will
prevent
delays in your service or shipping of the call book.

Until the web order is converted, write me for my PayPal account
information.
I hope the order form will be ready in the next few days.

Thanks to all of you for your continued support.

*
Hi folks,
Today I closed my credit card merchant account. I can not
process any credit cards now.
The order form on the web site has not been updated yet, the
web master is working on getting the PayPal buttons in place and
then the order form will be ready. So right now, if you are a new
user please email me for my PayPal account information. All New
subscribers and current subscribers OUTSIDE of the USA will have
to use the PayPal method of payment. You can use your credit card
with PayPal. Current and former Golist subscribers in the USA may
use the PayPal option and also you may use your personal check to
renew or re-subscribe.
I hope this is not putting you out to much, but it will help in keeping
the costs of products and services as low a possible.
As always thanks for your continue support and assistance.
John K1XN

9116. [ICPO] ICPO Bulletin (17 - 25 December, 2009)

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-12-17 17:50:28 UTC
From: Dave Raycroft
Topic: 9116 Message: 9116

I.C.P.O. Bulletin (17 - 25 December, 2009)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

17/12/2009: Peter, DC0KK is currently active from Sri Lanka (IOTA AS-003, WLOTA LH-0762) as 4S7KKG until 7 January, 2010. QRV on all HF bands SSB, CW and digital modes (RTTY, PSK and WSJT). QSL via home call, direct or bureau. [dx-hamspirit.com]

17/12/2009: Edor, CO7PH will be active from Cayo Coco Island (IOTA NA-086) 17-31 December 2009 and Cayo Anclitas Island (NA-201) 2-5 January 2010 as CO7PH/P. QRV around the usual island and IOTA frequencies. QSL direct (QRZ.com). [dx-hamspirit.com]

17/12/2009: Tom, N1CE, will be active as N1CE/KH6 from Oahu Island (USi HI-008S, WLOTA LH-1227, Honolulu County), Hawaii (OC-019), between 17 December 2009 and 6 January 2010. He states that his activity will be mobile using a Kenwood TS-480 w/100 watts, and it will be SSB only on this trip. Tom will use a bunch of Ham Sticks, G5RV and some end fed 1/2w dipoles (possibly a 160m dipole). QSL only direct to his home callsign. [OPDX Bulletin]

17/12/2009: Jim, G6PAA (RAFARS #1713) is currently active from Western Australia (IOTA OC-001, WLOTA LH-1520) as VK6/G6PAA until 13 January, 2010. QRV using RTTY/CW/PSK/Phone on 10 to 80m with 100w to a dipole. QSL via home call, direct or bureau. [Pete's-DX-Newsdesk]

17/12/2009: John, KL7JR will be QRV as VY1RST from Destruction Bay, Yukon, from 17-22 December. Activity will be on 80 to 10 metres using SSB. He may also try to activate Jacquot Island on Kluane Lake. QSL to home call, direct only. [ARRL DX News]

18/12/2009: Look for John, VE8EV to be active from Castries, island of St. Lucia (IOTA NA-108, WLOTA LH-1336) from 18-20 December as J68/VE8EV or J68EV. Operation will be mostly during the RAC Canada Winter Contest which this year is being held the weekend before Christmas. All contacts are welcome during the contest, stations outside of Canada just sent RS(T) and a serial number. QSL via home call, direct or bureau. Web page at: ve8ev.blogspot.com/search/label/IOTA [rsgbiota.org]
==========

LOOKING AHEAD -

12/01/2010: Eddy, ON4AFU will be active from Thailand as HS0ZJF between 12 January and 8 March. QRV on all HF bands, CW only. Eddy will also be active from IOTA AS-101 (Malay Peninsula East group) during this time-frame signing HS0ZJF/8. QSL via home call, bureau preferred.

[dx-hamspirit.com]

16/01/2010: Look for Jim, G6PAA (RAFARS #1713) to be active from New Zealand as ZL/G6PAA from 16 January to 1 March. He will probably visit both the North Island (OC-036, WLOTA LH-0069) and South Island (OC-134, WLOTA LH-0342). QRV on 80-10m, using RTTY/CW/PSK/Phone with 100w to a dipole. QSL via home call, direct or bureau. [Pete's-DX-Newsdesk]

21/01/2010: Michael, G7VJR and Martin, G3ZAY will be operational on the low bands from Darwin, East Falkland Island (IOTA SA-002, WLOTA LH-1479) as VP8DMN between 21-29 January. QSL via G7VJR, direct or bureau. Logs will be uploaded to LoTW. An online log search will be available at: www.clublog.org/expeditions/VP8DMN [dx-hamspirit.com]

29/01/2010: Voravut, HS8JYX will be active from Paknum Muang Krabi, Thailand, during the CQ 160-Meter CW Contest (29-31 January) as a Single-Op/Low-Power entry. He will use an inverted L antenna and transmit power limit at about 50 watts. QSL via LoTW or eQSL. [NG3K]

29/01/2010: Timo OH6GLE, Juha OH6XX and Kari OH5TS will be active from Aland Island (IOTA EU-002, WLOTA LH-1373) as OH0Z during the CQ 160-Meter CW Contest (29-31 January) as a Multi-Op entry. QSL via W0MM, direct preferred but bureau ok. [NG3K]

30/01/2010: Andy, N8OFS (SMIRK #6737) will be participating in the SPAR Winter Field Day (30-31 January) with a Catagory of 1H (1 Operator Home Site) from Medina, Ohio (Grid EN91AE). He will be FM only, using 52.525 MHz Simplex and the Local 6 metre repeaters (/Repeaters ARE ALLOWED for this Contest). Andy will be using the /P setup he used last summer (www.noars.net/got6/N8OFS_P2.JPG); operating out of the pickup truck (engine running), Kenwood TS-60 at 90W (less power when using the /Repeaters) to the 'Dominator' 5/8 wave vertical. Here's a list of the /Repeaters Andy will be using - 51.66OUT/51.16IN/OPEN; 53.19OUT/52.19IN/107.2PL; 53.17OUT/52.17IN/107.2,110.9,136.5PLs; 53.27OUT/52.27IN/107.2PL;...otherwise, he will see ya on Simplex. QSL direct only, or via eQSL. Further information can be found at: mmmonvhf.de/latest.php?id=2972 [N8OFS]

02/02/2010: Look for Eddy, ON4AFU to be active from Sihanoukville, Cambodia, as XU7AFU from 2-15 February. QRV on all HF bands, CW only. QSL via home call, bureau preferred. [NG3K]

03/04/2010: Special event station GB2RAF will be active for the Airfields/RAF Stations on the Air event on 3rd April from RAF Neatishead, Norfolk, England (EU-005, WLOTA LH-1841), between 1000-1600 UTC. QSL via QRZ.com. [Pete's-DX-Newsdesk]

27/05/2010: Eric, K9GY will once again be active as YN2GY from Granada (WW Loc. EK71AU), Nicaragua, from 27-31 May. QRV all HF bands, plus 6 metres (100W, 3 ele quad, 50.115USB). His main focus will be the CQWW WPX CW Contest (29-30 May) as a Single-Op entry. QSL via LoTW or direct to home call. [NG3K]

28/06/2010: The Midwest 6 Meter DX Group will be activate on 6 Meters as J8/W9DR (Dave) and J8/W8IF (Mike) from Bequia Island (IOTA-NA-025, WW Loc. FK93JA), Saint Vincent and the Grenadines, from 28 June to 5 July. QSL direct to KB3RHR (SASE, SAE + sufficient postage). Further information at: www.6meterdxgroup.com/DXpedition_2010.html [N8OFS]

30/10/2010: Luigi, IK8HCG plans to be active from Lampedusa Island (IOTA AF-019, IIA AG-001, MIA MI-126, WLOTA LH-2312) as IG9R during the CQWW DX SSB Contest (30-31 October) as a Single-Op/? entry. QSL IG9R via IK8HCG. [NG3K]

==========

SPECIAL EVENTS -

GB2RAF AIR DEFENCE RADAR MUSEUM RAF NEATISHEAD RAFARS PERMANENT S.E.S. GB2RAF should be QRV, during the New Year 2010, every 2nd Saturday of the Month 1000-1500hrs local on RAFARS frequencies SSB or CW on 80m, or 40m if conditions are poor. Equipment used Kenwood TS570D 100w output to an inverted V trap dipole. QSL via the information on QRZ.com. The Museums Web site is www.radarmuseum.co.uk/
NOTE: Old Station Log Book April 2001 to August 2009 is held at G8FC DCAE Cosford. [Pete's-DX-Newsdesk]

18/12/2009: Every year on 18th of December Qatar celebrates its National Day. In this event the A7 group will active a special callsgin A71QND to celebrate the national day. QRV this year from 15-19 December on almost all bands and modes. QSL card is only via A71CO (Special event station Qatar National Day, Doha, P.O. Box 13660, Qatar). [dx-hamspirit.com]

19/12/2009: Special event station 8J6ISM will be aired from 19.December.2009 to 31.January.2010 to celebrate the Birth of Itoshima-city (JCC#4036), Fukuoka Prefecture, Kyushu Shima [Shima means Island in Japanese language] (IOTA AS-077, JIIA AS-077-001, WLOTA LH-0963). A planned merger of municipalities will be implemented on 01.January.2010; the City of Maebaru and the towns of Nijo and Shima will merge into the new City of Itoshima. ARLS008 First Chinese Amateur Radio Satellite Now in Space:

AMSAT China (CAMSAT) reports that at around 0230 UTC on December 15, China launched its first Amateur Radio satellite -- named XW-1 -- into space.

The microsatellite -- a secondary payload aboard the CZ-4C rocket launched from the Taiyuan Satellite Launch Center -- was launched into a Sun-synchronous orbit with an apogee of approximately 1200 kilometers. XW-1 successfully reached orbit at 0253 UTC. Members of the XW-1 launch team reported they received a beacon from the satellite shortly after the satellite deployed. In the first few days, the XW-1 team will work on the satellite's FM and store-forward transponder mode and its linear transponder mode. Once those tests are complete, they will upload a new flight program to set up the payload schedule.

The satellite's communications payload includes a beacon and three crossband transponders operating in FM, SSB/CW and digital modes.

Uplink and downlink frequencies can be found on the CAMSAT Web site, http://www.camsat.cn/index.php, or the AMSAT web site at, http://www.amsat.org/amsat-new/satellites/status.php.

INTERNATIONAL SPACE STATION/SHUTTLES -

Folks,
I just ordered another 50 RAC Winter 2010 cds.
Not sure at this time when they will be shipped to me, but
I think probably Monday the 21st.
I will have them in inventory after Christmas.

From: Dick Flanagan
Topic: 9120 Message: 9121

I have a question for the group: What is the advantage of the RAC CD over the QRZ.com CD? I have always felt that QRZ.com had become sort of the de facto standard for QSL addresses and tended to be kept more current that any of the other collections.

What am I missing? Why does the RAC collection continue to be so popular?

Please feel free to respond to me directly and I will post a summary of the respones.

Thanks, peace and goodwill to all men.

Dick

Dick,
I can tell you why I choose the RAC call book.
It contains many more addresses for DX call signs.
Some which can only be found on RAC.
This is the major difference for me. I use QRZ to
check USA addresses as they are updated as the FCC
releases them. I also can check email addresses against
the 10k or so that I have.Both my address book and QRZ
contain many broken email addresses.
Really to me this is the only differences that matter.
John

From: Alan Zack
Topic: 9120 Message: 9125

I agree that QRZ.COM (the website, not the CD) seems to be more up to date. The call sign holder can update his info on QRZ.COM at anytime and has valuable additional info such as IRC's only, no GS, his IOTA info, links to other websites for the operation, or mark the envelope a certain way, etc. If there are different addresses on the RAC CD vs QRZ.COM I will use the QRZ.COM every time. I don't know why someone would use the QRZ.COM CD when the live website is readily available and can be updated daily by any callsign holder.

Having said that, there are times when there is no info on QRZ.COM but there is on the RAC CD. Problem is you can't know how accurate that info might be as it might be way out of date. The USA ham database is updated frequently but I have found that even with USA hams different address turn up on the RAC CD vs QRZ.COM. Again, I will use the QRZ.COM address.

When I check for the QSL address for a DX station I check QRZ.COM first, GOLIST second, PATHFINDER (which includes a Google search) third, and the RAC CD last.

I use the DX4WIN logger and have my DATA SEARCH: RAC, QSL MGR SEARCH: GOLIST, WEBSITE CALLSIGN LOOKUP: QRZ.COM. Info from those sources pop up each time I add or look up a call in DX4WIN. That is mine, other preferences will differ.

Merry Christmas, Happy Hanukah, and HNY.

Topic: 9127 Message: 9127

I.C.P.O. Bulletin (24 December 2009 - 01 January 2010)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

SEASON'S GREETINGS & HAPPY NEW YEAR 2010 TO ALL READERS!!!

24/12/2009: Al, K7CA is currently active once again from Huasco, Chile, as CE1/K7CA until 23 February, 2010. Al will be very active on 160m again and intends to take part in the Stew Perry Topband Distance Challenge (26-27 December) and the CQ WW 160m CW Contest (22-24 January). He is running 1 kW into a 3L SteppIR Yagi and a vertical for the lowbands. Al is working almost only in CW, but SSB QSOs may be arranged via sked. Unfortunately his QSL manager NW7O confirms only direct. [DX Newsletter]

26/12/2009: On 26 December Gilles, F4FGJ will be QRV as F4FGJ/p, in company of Claude F5MCC, for the activation of the old mill of Champvallon (DMF 89-051) and the reactivation of the Castle of Champvallon (DFCF 89-036), commune of Champvallon (CP 89710), canton [county] Aillant sur Tholon (DDCF 89-01), Department Yonne/89 and Province Burgundy (DPF 05). QSL will be automatically sent to all contacts made. [F5PRR]

26/12/2009: Pasquale, YV5KAJ reports that he is celebrating his 25th year in amateur radio by going on a DXpedition to the island of Tortuga (IOTA SA-044, DIV-041, WLOTA LH-0169, WW Loc. FK70HW). He will also be using the special callsign YW5EID during his operation between 26-29 December. QRV 40-12 metres, using SSB and Digital modes (RTTY/BPSK/Olivia). QSL direct to EA5KB or via eQSL. [dx-hamspirit.com]

27/12/2009: Harry, JG7PSJ (JD1BMH) and Makoto, JI5RPT (JD1BLY) will be active once again from from Chichi-jima [Jima and Shima in Japanese means Island] (AS-031, JIIA AS-031-003, WLOTA L-2269), Ogasawara Islands, from 27 December 2009 to 1 January 2010. QRV 160-10 metres using CW, SSB and RTTY. QSL via the bureau to JD1 calls or Direct to homecalls. Web pages: www.ji5rpt.com/jd1/ and sapphire.es.tohoku.ac.jp/jd1bmh/ [NG3K]

28/12/2009: Sam, G4OHX will be active as 5R8HX from Madagascar (IOTA AF-013 and WLOTA LH-2455) between 28 December, 2009 and 3 January, 2010. Activity will be mainly CW. He will also be active from South Africa as ZS5/G4OHX between 4-17 January. QSL via his home callsign direct only. [G4OHX]

28/12/2009: Nao, JK1FNL will be active as YJ0NA from Port Vila (OC-035), Vanuatu, from 28 December to 4 January. He will operate on

40-6 metres with 100 watts and wire antennas. QSL via home call. [425 DX News]

30/12/2009: Anne, OH2YL will be active again as OG20YL from Karjalohja, Finland, between 30.December.2009 and 03.January.2010 celebrating 20 years of ham radio. Look for her to be QRV on the HF-bands, using CW. QSL via OH2YL (QRZ.com) [NG3K]

30/12/2009: Gunter TI7WGI, Andy DH8WR, Rene DL2JRM and Jens DL3ALF will be active from Playa del Coco Guanacaste, San Jose Island (NA-191), Costa Rica, as TI7XX between 30 December 2009 and 05 January 2010. QRV with 2 stations on air 160m-10m, using CW, SSB, PSK31 and RTTY. QSL direct or bureau to DL2JRM. Further information at: ti7.info/index.html [rsgbiota.org]

30/12/2009: Steve N6QEK will be active from Whitehorse, Yukon Territory, as VY1/N6QEK between 30 December, 2009 and 04 January, 2010. QRV 80-10m (including WARC bands and he might try 160m if he can load into the antenna), using RTTY, PSK31 and SSB. His main goal is to activate the Yukon Territory for the ARRL RTTY Roundup Contest (2-3 January). QSL direct to home call. Steve will also be using Global QSL. Further info can be found on his web site at: www.n6qek.com/ [NG3K]

31/12/2009: Lee, HL1IWD will be active as DU1/HL1IWD from Manila, island of Luzon (IOTA OC-042, WLOTA LH-0081), Philippines, between 31 December 2009 and 3 January 2010. Activity will probably be on 80-10 metres using mainly CW. QSL via his home call (QRZ.com). [OPDX Bulletin]

31/12/2009: Wally VK6YS, Nigel VK6NI and Bruce KD6WW plan to be active as VK6IOA from the Wallabi Island Group (OC-211), between 31 December 2009 and 04 January 2010. QSL manager will be VK4AAR. They are looking for one operator to join. Please contact Wally, VK6YS - vk6ys at iinet.net.au if you are interested, for more information. Website: www.westozdx.net/IOTAS/OC211/OC211.html [rsgbiota.org]

==========

LOOKING AHEAD -

04/01/2010: The Fishers Ghost Amateur Radio Club (VK2FFG) will be active as VI2AJ2010 during the 22nd Australian Scouts Jamboree, in Cataract Scout Park in Appin, NSW, Australia (IOTA OC-001, WLOTA LH-1520) from 4-14 January. Look for them to be QRV 160-10m, using various modes. QSL via VK2KDP, direct or bureau. [NG3K]

23/01/2010: Fred, PY2XB will be active from Fernando de Noronha (SA-003, DIB OC-01, WLOTA LH-1208) as PY2XB/PY0F from 23 January to 3 February, including an entry in the CQWW 160M CW contest (29-31 January) with the callsign PQ0F. Outside the contest look for Fred to be QRV on all bands, using CW, SSB and some RTTY and PSK. QSL both calls via PT7WA, direct or bureau. [PT7WA]

20/02/2010: Dimitri RA3CO and Yury RL3FT will be active from New Providence (Nassau), Bahamas (IOTA NA-001, WLOTA LH-1115) as C6AWL

during the ARRL DX CW Contest (20-21 February) as a Multi-Single entry. QSL via RX3RC (QRZ.com). [NG3K]

20/02/2010: Look for Kurt, W6PH to be active from the island of Bermuda (IOTA NA-005, WLOTA LH-0201) as VP9/W6PH during the ARRL DX CW Contest (20-21 February) as a Single-Op/All-Band/Low-Power entry. QSL direct to home call (QRZ.com). [NG3K]

22/02/2010: Jan, DL7JAN will again be on DXpedition in 2010. Destination this time is Brunei Darussalam (IOTA OC-088, WLOTA LH-1628) as V88/DL7JAN between 22 February and 3 March. Activity is planned from 160-10m using CW, SSB and RTTY. QSL is ok via the bureau, or direct to his home call. [NG3K]

06/03/2010: Kurt, W6PH will be QRV from Hamilton Perish, Bermuda (IOTA NA-005, WLOTA LH-0201), as VP9/W6PH for the ARRL DX SSB Contest (6-7 March) as a Single-Op/All-Band/Low-Power entry. QSL direct to home call (QRZ.com). [NG3K]

16/03/2010: Al, LA9SN will be active from Isla Robinson Crusoe (IOTA SA-005, WLOTA LH-0153), Juan Fernandez, from 16-23 March as CE0Z/LA9SN. QRV 80-10 metre, mostly CW 100W. End date might extend to March 26th. Al will report any changes, should they should arise. Web site: www.la9sn.com/ [NG3K]

03/04/2010: Operators Paul N6PSE (Team Leader), Andreas N6NU, Bob N6OX, Bruce W8HW, Garry NI6T, David AH6HY and Jun JH4RHF have planned a DXpedition to Erbil, Kurdistan, Iraq, and will be QRV 3-11 April using the callsign YI9PSE. They will have ten day visas issued by the Govt of Kurdistan. Activity will be on 160-10 metres including 30/17/12 metres using CW, SSB and RTTY. They will have at least 3 stations on the air. Suggested frequencies are: CW - 1824, 3504, 7004, 10104, 14024, 18074, 21024, 24894 and 28024 kHz; SSB - 1845, 3780, 7065/7180, 14195, 18145, 21295, 24945 and 28495 kHz; RTTY - 7035, 14080, 18100, 21080, 24920 and 28080 kHz. Pilot station will be Chuck AA6G. QSL via N6NKT. Online logs will be available during and after the DXpedition. Further information can be found at: www.yi9pse.com/ [NG3K]

==========

SPECIAL EVENTS -

24/12/2009: Aberdare & District ARS are putting on a special event station again this year to celebrate the Nos Galan Races that are held every New Years Eve at Mountain Ash near Aberdare (WW Loc. IO81GR, WAB SN90). The callsign this year will be GB0NG and will be active until the end of December. Operators will be Dean 2W0XTP, Paul GW0JTY and Peter GW0UHO. Last year's event, which was the 50th Anniversary of the Event the callsign GB5ONG was used and over 1000 contacts were made all over the World. QSL via 2W0XTP. More details can be found at www.radioclubs.net/aadars and also at www.nosgalan.co.uk/. [GB2RS]

01/01/2010: Special event station 8J3SENTO will be aired from 1 January to 31 December to commemorate the 1300th anniversary of Capital

Relocation to Nara(-city) (as) Heijo-kyo (Sento: Capital Relocation), Kansai region, Nara prefecture, Honshu (AS-007, JIIA AS-007-001, WLOTA L2376), Japan. QSL via the JARL bureau. [JJ1WT/AC6IM]

01/01/2010: (Year Long Special Event - Yaesu Heritage Year 2010). Using their club callsign GS2MP (North of Scotland Contest Group GM7V), operators Chris GM3WOJ/ZL1CT and Jim/GM0NAI will be operating their vintage Yaesu transmitters/receivers and transceivers during the year 2010. Each calendar month they will use a different Yaesu radio, and amateurs worldwide are invited to work GS2MP and earn points towards the "Yaesu Heritage Year Award". Operation will mostly be on 40 and 20 metre, SSB and CW, using classic radios like the FT-dx-100 (original), FT-200, FT-dx-401, etc. Yaesu (UK) Ltd are kindly sponsoring the event by supplying special QSL cards, small trophies and a special prize to the overall 'winner' of this year-long fun event. More details to follow soon - please visit the following Web site for some photos of the vintage radios at: www.gm7v.com/yaesu2010.htm [OPDX Bulletin]

U.S.A. Special event station information can be found at:
www.arrl.org/contests/spev.html

SIX METERS & UP -

A9, BAHRAIN: Reports indicate that "The Daily DX" is reporting that radio amateurs in Bahrain can now operate on 6 meters (50.0-50.5 MHz on a primary and exclusive basis, and 50.05-52.00 MHz on a secondary basis) and also on additional frequencies on 136 kHz 1.8 MHz, 7 MHz, 430 MHz and higher bands. However, they cannot operate on these newly allocated frequencies until their licenses are amended. [MMMonVHF]

MMMonVHF SPRINT AWARD:
Past week all AWARDs of the 2009 MS-SPRINT Contest of the VHF-DX-Portal MMMonVHF have been send out. each Participant should have receive the Award. If any of the participants did not get any mail please do connect the Award Manager - All Details about the SPRINT you be able to find at: www.mmmonvhf.de/ctest2009.php [DK5EW]

==========
US COUNTY HUNTING - USA-CA

K7RE - Brian - 12-26-2009 to 12-27-2009 - SSB, CW and Digital
Please note that the South Dakota QSO Party is to be held on 26 December
2009. The new rules are at: www.w0blk.org/files/qsoparty.htm . The
current selection for the SD QSO Party on most Web Sites do not reflect
the current rules. Of course, please let me know what ever you may need
to complete the update. Please post in as many places as you deem
necessary to get the word out. [County Hunter Web]

K7RE - Brian - 12-26-2009 to 12-27-2009 - CW and Data - ECC accepted
I will be mobile /R for the upcoming South Dakota QSO Party (SDQP) to be
held on 12-26-2009. Please see http://www.w0blk.org/files/qsoparty.htm
for all details concerning SDQP. I will probably be using CW exclusively
just below the usual CHN frequencies. Probably mostly on 20M. I will be
driving through the following SD counties, east to west, beginning at
about 0800 CST, or 1400 UTC: Spink Faulk Hand Potter Dewey Ziebach
Perkins Meade Butte Lawrence As Lawrence is my home county, I intend to
operate from my fixed station in this county until the end of the SDQP,
with time off to sleep etc. I will be on the CW and Digital modes, no
SSB. The digital mode will consist on mainly PSK31 on 20M, around
14.073, slightly above the other PSK signals on that band. When 20 dies,
I plan on being on 40 and 80M, at the standard PSK calling frequencies.
This is probably your last chance to get these rare counties into your
logbook for 2009. As mentioned on the Web Site, we intend to have
another SDQP in the Spring Summer 2010 time frame, so as to allow many
more mobiles to get on and give out SD counties. QSL via home call.
[County Hunter Web]

AA9JJ - Frank
Wife is N9QPQ - 5 stars - 12-24-2009 to 12-26-2009 - SSB Only
12-24: AZ: Maricopa, Yavapai, Mohave. NV: Clark.
12-25: No Run.
12-26: AZ: Mohave, La Paz, Yuma and Maricopa.
AA9JJ 5 stars and N9QPQ 4 stars; 20 and 40 SSB only. QSL via home call.

QSLs received LoTW - VU2NKS and XR0Y.
==========
SILENT KEYS -

Fred "Angus" Small, ZL3FS has become Silent Key at the age of 95.

Nico, DB8KJ has become Silent Key.

William A. Wilson, K6ARO, who was the first U.S. Ambassador to the Vatican, passed away in December at age 95.
==========
BITS & PIECES -

New logs are available on algarvedx.com/logonline
CQ1I - Berlenga Island (EU-040) 1997; PIP NT-029
CR5CQK - Igreja da Fuzeta LH POR-074 and Fa-44
CR5CQK - Dunas de S.Jacinto Natural Park DPRN FF-16 WFF CTFF-16
CT1CQK/p - Roxo Large Dam (20 November)
CU3F - Terceira Island - AZORES
CQ0ODX - Mouchao da Lebre Island (TJ-013); Mouchao dos Caracois Island (TJ-014) and 50 MHz expedition to Serra de Montejunto.
Informations about our awards algarvedx.com/
73's Algarve STAR DX Team

Maiau Archipelago, SA-041 - The same team who activated PW6C plan to be QRV from Maiau Archipelago, SA-041 in June 2010.
A formal announcement is likely next week.
SA-041 was last activated by PT2OP (PX8M) in July this year. [DXWoHR]

PA, Netherlands - Band 501 to 504kHz in the Netherlands: Starting on 1 January 2010, full licence holders in the Netherlands can opt for permission to conduct experiments in the band 501 to 504kHz with a maximum power of 5W EIRP and a maximum bandwidth of 100Hz.

VP8DML, W2APC/KC4 & W2APF/C6A/MM:
>From February 8, 2010 until March 5, 2010 Thaire W2APF will be operating under the following call signs:
W2APF/C6A/MM - While on board the ship National Geographic Explorer.
W2APF/KC4 - While in Antarctic territories.
VP8DML - While in the territory of the Falkland Islands including South Shetlands, South Orkney's and South Georgia.
QSL all via W2APF. [dx-hamspirit.com]

VU, India - I am pleased to inform you that Indian Amateurs are now permitted to operate on 30 meters - 10100 to 10150 KHz.
73, Ganesh VU2TS [K1XN]

ZK & 5W - Bill N7OU and Bob W7YAQ will be operating from Tokelau between 17 February and 10 March 2010. This will include a MS entry in the ARRL DX CW Contest. Tokelau is only accessible by boat and the exact dates my change a little. Before sailing (10-16 February) and afterward (11-15 March) we'll be operating from Apia, Samoa. As usual our operation will be mainly CW, with some SSB and RTTY, 160-10m. We'll be using 100w and vertical antennas. Callsigns TBA. QSL via home calls. [NG3K]

9131. Space Weather News for Dec. 31, 2009

Yahoo group: GOLIST (2007 — 2010)
Date: 2009-12-31 14:49:15 UTC
From: GOLIST
Topic: 9131 Message: 9131

Space Weather News for Dec. 31, 2009
http://spaceweather.com

SUNSPOT SURGE: 2009 is ending with a flurry of sunspots. The month of December has had more "spotted days" than any previous month of the year by a significant margin, and all of the month's sunspot groups have been members of new Solar Cycle 24. Could this herald an end to the deepest solar minimum in nearly a century? That remains to be seen. Sunspot counts and trends are shown on today's edition of http://spaceweather.com.

SOMETHING NEW: Turn your iPhone or iPod Touch into a field-tested satellite tracker! Spaceweather.com presents the Satellite Flybys app: http://simpleflybys.com

BLUE MOON ECLIPSE: For the first time in almost 20 years, there's going to be a "Blue Moon" on New Year's Eve. In Europe, sky watchers will witness an even rarer event--an eclipse of a Blue Moon on New Year's Eve. What are the odds? Probabilities and observing tips may be found at http://spaceweather.com.

I.C.P.O. Bulletin (31 December 2009 - 08 January 2010)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========
HAPPY, HEALTHY & PEACEFUL NEW YEAR 2010 !!!!

31/12/2009: Lee, HL1IWD will be active as DU1/HL1IWD from Manila, island of Luzon (IOTA OC-042, WLOTA LH-0081), Philippines, between 31 December 2009 and 3 January 2010. Activity will probably be on 80-10 metres using mainly CW. QSL via his home call (QRZ.com). [OPDX Bulletin]

31/12/2009: Wally VK6YS, Nigel VK6NI and Bruce KD6WW plan to be active as VK6IOA from the Wallabi Island Group (OC-211), between 31 December 2009 and 04 January 2010. QSL manager will be VK4AAR. They are looking for one operator to join. Please contact Wally, VK6YS - vk6ys at iinet.net.au if you are interested, for more information. Website: www.westozdx.net/IOTAS/OC211/OC211.html [rsgbiota.org]

01/01/2010: Frank, CM2IR will once again be active between 1-3 January, on 40 metres [CW around 7015 kHz and SSB around 7125 kHz], and also 15/12/10 metre SSB between 2200-0300z to bring in the New Year. Reference numbers are: CQ 8, ITU 11, IOTA NA-015, WLOTA LH-0032 and WW Loc. EL83TC. QSL via EB7DX, his QSL Manager, with 2 USDs or IRCs. Interests are: QRP CW, Europe, Islands, and Africa. [OPDX Bulletin]

01/01/2010: Members of the 4M5DX Group will be active as YW5O from La Orchila Island (SA-054, DIV-038 for the Venezuela Islands Award, WLOTA LH-3044, WW Loc. FK61WT). Activity will be on all bands and modes. The group is awaiting the transportation schedule from the Venezuelan Navy. The exact days and team will be posted soon on the following Web page: www.yw5o.4m5dx.info/ [OPDX Bulletin]

02/01/2010: Edor, CO7PH will be active from Cayo Anclitas Island (NA-201) 02-05 January as CO7PH/P. QRV around the usual island and IOTA frequencies. QSL direct (QRZ.com). [dx-hamspirit.com]

03/01/2010: Operarators Alan VK3XPD, Kevin VK4UH and Michael VK3KH have planned a VHF/UHF/Microwave DXpedition to Norfolk Island (OC-005, WLOTA LH-1469, WW Loc. RG30xx), using the callsign VK9NA, between 03-14 January. The DXpedition has created interest in the USA, and although the team thinks they are beyond their reach, they will be beaming into the Pacific on 6 metres and 2 metres and are hopeful of working A35 and E51. Digital modes will be an integral part of their operation, and they are set up to run WSJT on all bands. They will also be active on the Meteor Scatter net, and will also be happy to consider skeds at other times. Bands - 6 Metres 100W 3 elem Yagi; 2 Metres 360W 10 elem Yagi; 70

CM 70W 23 elem Yagi; 23 CM 90W 1.2 Mtr dish; 13 CM 20W 1.2 Mtr dish; 9 CM 20W 1.2 Mtr dish; 6 CM 15W 1.2 Mtr dish; and 3 CM 5W 1.2 Mtr dish. Radios: FT897D and FT817ND. Modes: SSB, FSK441, JT65A, B&C and CW. QSL via VK3KH. [F5NQL]

05/01/2010: Marty, W2CG, will once again vacation and operate in Aruba (SA-036, WLOTA L0033, Grid FK52) between 5-26.Jan.2010. Look for him to use a special callsign, either P40C or P40CG (awaiting approval). Activity will be primarily CW/RTTY on 80-6 meters, usually between 1200-1400z and 2000-2400z, other times as schedule permits. QSL OK via W2CG, bureau or direct (LotW perferred). [OPDX Bulletin]

08/01/2010: Cezar, YO8TLC will be active from Feydhoo Island (IOTA AS-013), Addu Atoll, (WLOTA LH-0191), Maldive Islands, from 8-25 January as 8Q7CE. Holiday style operation on 40m, 30m and 20m bands, mainly CW and some SSB. Rig FT857, pwr 100W, manual ATU MFJ971, vertical multiband antenna (Rybakov style with 10m fiber glass mast). QSL via YO8TLC, bureau or direct. [AT International]

08/01/2010: Gerry, VE6LB will be active holiday style from Dubai, United Arab Emirates, as A6/VE6LB between 8 January and 8 February. QRV on the HF bands, using low power and mostly CW. QSL via home call and LoTW. [NG3K]

08/01/2010: Roberto, YV5IAL will be active as CE0/YV5IAL from Easter Island [aka Isla de Pascua](IOTA SA-001, DICE ICE-001, WLOTA L-0319) from 8-11 January. This will be a QRP, portable, holiday style operation. Activity will be on PSK31 digital mode on 14070.15 kHz from 2200-0100 UTC, and occasionally on 40/30/15 metres. QSL via home call. [NG3K]

08/01/2010: George, K2CM will be active from the island of Bequia, The Grenadines (NA-025), from 8 January until 12 February. QRV on 20 metre SSB/CW, maybe 40m CW. QSL via the bureau, or direct (SASE/SAE) to K2CM. [rsgbiota.org]

==========

LOOKING AHEAD -

29/01/2010: Alex, 4Z5KJ will be active from Netanya, Israel, as 4Z5J during the CQ 160-Meter CW Contest (29-31 January) as a Single-Op entry. QSL via W0MM, direct or bureau. [NG3K]

29/01/2010: Operators Tony T77C, Victor RV2FW, Andy UA2FB, Vladimir UA2FF and Igor UA2FZ will be QRV from San Marino as T70A during the CQ 160-Meter CW Contest (29-31 January) as a Multi-Op entry. QSL via the information under T70A at QRZ.com. [NG3K]

30/01/2010: Members of the Camden County Amateur Radio, KB4CC plan to activate Cumberland Island (IOTA NA-058, USi GA002S, Camden County), Georgia, on 30-31 January. QRV 14.260 MHz SSB, 14.040 MHz CW, 7.055 MHz CW and 7.030 MHz CW, with a multi-op, 2 radio, battery powered station. QSL via: KB4CC CCARS - USI#GA-002S, PO Box 2203, Kingsland, GA 31548.

Further information can be found at www.ccars.org/ [N8OFS]

09/02/2010: Operators Jacques F6BEE, Phil FO8RZ, Nigel G3TXF and Gilles VE2TZT will be active from French Polynesia as TX4T between 09-25 February. QRV on 9 HF bands, 160-10m. QTH will be north of Tahiti Hiti peninsula, Tahiti (IOTA OC-046, DIFO FO-001, WLOTA LH-0885), directly on the pacific ocean with a clean shot to Europe and the Americas. Strong effort on low bands (160m and 80m). Entries in WPX RTTY and ARRL DX CW contests are planned. QSL via G3TXF, direct or bureau. Further information can be found at: www.fo2010.org/ [NG3K]

26/02/2010: In recognition of the historic events that took place in 1935 and 1940 which played a significant part in Britains war effort, Bawdsey Manor, Suffolk, England (IOTA EU-005, WLOTA LH-1840, WW Loc. JO01QX), will be activated on three separate occasions during 2010. During its time as a the radar research centre and as an operational station for Chain Home radar, it was known by the acronym BRS - Bawdsey Research Station. Special event callsigns with BRS as the suffix have been applied for to recognise this. Over the weekend of 26 to 28 February they will be on the air on HF, 6m and VHF, operating CW, SSB and possibly some digital modes too. The callsign requested is GB75BRS, since this operation will commemorate the 75th anniversary of the Daventry Experiment, which resulted in radar development in the UK being based first at Orfordness, then at Bawdsey. Later in the year they will operate on two weekends to commemorate the 70th anniversary of the start and end of the Battle of Britain in 1940. The callsign GB70BRS has been requested. These weekends will be 5-6 June, and 18-19 September. Operating bands and modes will be as for the February event. A special QSL card will be issued to those making contact with either of the stations, and a parchment certificate will be available on request to stations who make contact with both callsigns - information about the stations, operation and QSL arrangements can be found on their web site at: www.bawdseyresearchstation.org.uk/ [G4HUP]

27/03/2010: Al, NH7A will be active from Kihei, island of Maui (USi HI018S, WLOTA LH-0636, Maui County), Hawaii (IOTA OC-019), during the CQWW WPX SSB Contest (27-28 March) as a Single-Op/All-Band/High-Power entry. QSL via F5VHJ, direct or bureau. Logs will be uploaded to LoTW. [NG3K]

25/04/2010: Nicolas, F5TGR will be active from the island of Martinique (IOTA NA-107, DIFO FM-001, WLOTA LH-1041) as FM/F5TGR between 25 April and 6 May. QRV 40-10 metres, CW and SSB, during spare time vacation style. QSL via the bureau preferred, or direct (Nicolas Quennet 63, Rue Carnot 95240 - Cormeilles en Parisis - France) if needed. [NG3K]

30/10/2010: Look for Al, 6W1RY to be QRV from Dakar, Senegal, for the CQWW DX SSB Contest (30-31 October) as a Single-Op/All-Band/High-Power entry. QSL via F5VHJ, direct or bureau. Logs will be uploaded to LoTW. [NG3K]
==========

SPECIAL EVENTS -

01/01/2010: Celebrating the Centennial of the Mexican Revolution and the Bicentennial of Mexico's Independence, the Radio Club Queretaro (XE1RCQ) will operate as 4A1B from 1 January to 31 December. QSL via LZ3HI, direct or bureau. The logs will be uploaded to LoTW. [425 DX News]

01/01/2010: Special event station 8J3SENTO will be aired from 1 January to 31 December to commemorate the 1300th anniversary of Capital Relocation to Nara(-city) (as) Heijo-kyo (Sento: Capital Relocation), Kansai region, Nara prefecture, Honshu (AS-007, JIIA AS-007-001, WLOTA L2376), Japan. QSL via the JARL bureau. [JJ1WT/AC6IM]

01/01/2010: Tom, 9A2AA enjoys operating from Croatian islands and has activated more than 500 of them ("exactly 523") so far. For this reason he has been granted permission to use special prefix callsign 9A500AA from 1 January through 31 December. QSL via 9A2AA (QRZ.com). [425 DX News]

01/01/2010: ISWL CLUB CALLSIGNS -
The ISWL Club Callsign's in use during January 2010 will be:
G4BJC & GX4BJC - Operated from Broad Oak, Heathfield, in East Sussex, by Arthur G0KOC. (ISWL Council Member & Club Callsign Holder)
(WAB Square = TQ62 - England & IOTA = EU-005).
MX1SWL /A - Operated from Walton on the Naze, in Essex,
by Herbie - G6XOU. (ISWL Council Member & QSL Bureau Manager)
(WAB Square = TM22- England & IOTA = EU-005).

01/01/2010: (Year Long Special Event - Yaesu Heritage Year 2010). Using their club callsign GS2MP (North of Scotland Contest Group GM7V), operators Chris GM3WOJ/ZL1CT and Jim/GM0NAI will be operating their vintage Yaesu transmitters/receivers and transceivers during the year 2010. Each calendar month they will use a different Yaesu radio, and amateurs worldwide are invited to work GS2MP and earn points towards the "Yaesu Heritage Year Award". Operation will mostly be on 40 and 20 metre, SSB and CW, using classic radios like the FT-dx-100 (original), FT-200, FT-dx-401, etc. Yaesu (UK) Ltd are kindly sponsoring the event by supplying special QSL cards, small trophies and a special prize to the overall 'winner' of this year-long fun event. More details to follow soon - please visit the following Web site for some photos of the vintage radios at: www.gm7v.com/yaesu2010.htm [OPDX Bulletin]

01/01/2010: PC600P is operated as a special event station to commemorate 600 years of City rights for the City of Purmerend. The

station will be activated in the year 2010, starting 1-27 January, 1-28 May and 1-28 September from Concordia on the Koemarkt. Local operators are expected to operate under special prefix callsigns (i.e. PA600MIR (QSL PA0MIR via bureau), PA601FR, PA602SWL, PA603HGP, PD602YL, PE603HG, etc) during the same time frames. A shorttime operational Award will be available for working this station, other "600" stations from Purmerend and stations from the sistertown of Jihlava in the Czech Republic. Details for this award are available on the website of the local VERON chapter Waterland (A56) hamradio.nikhef.nl/afdeling/waterland/ . QSL cards will be printed after the last activity period in September 2010. All contacts will be confirmed via the bureau automatically; uploads to LoTW and eQSL after each activity period. QSL manager is PA3HGP. [425 DX News]

04/01/2010: The Fishers Ghost Amateur Radio Club (VK2FFG) will be active as VI2AJ2010 during the 22nd Australian Scouts Jamboree, in Cataract Scout Park in Appin, NSW, Australia (IOTA OC-001, WLOTA LH-1520) from 4-14 January. Look for them to be QRV 160-10m, using various modes. QSL via VK2KDP, direct or bureau. [NG3K]

U.S.A. Special event station information can be found at:

SIX METERS & UP -

METEORSCATTER:
The welcome into new year for Meteor enthusiasts is ensured by the encounter with one of the major annual showers: the Quadrantids. Quadrantids maximum is expected to occur on January 3rd, around 19 UT, although a possible strong, short lived maximum may occur between roughly 12 UT to 16 UT on January 3rd 2010. The Quadrantids maximum is typically rather sharp; predicted ZHR at peak in 2010 is 120 hr-1. Shower predictions for January 2010 are avaliable at our MS-Propagationpage: www.mmmonvhf.de/ms.php
SOURCE: Massimo, IV3NDC, on behalf of the MMMonVHF Team

RUSSIAN WINTER MS CONTEST:
New 144 MHz Meteor Scatter Contest during 2010 Quadrantids shower: RUSSIAN WINTER MS CONTEST. Contest is held during Quadrantids ms shower. Start: 02 Jan. 2010, 15:00 UTC End: 05 Jan. 2010, 04:59 UT

PARTICIPANTS - Radio amateurs from all over the World are invited.

==========
SILENT KEYS -

Donald "Don" W. Steele, N7RH/VE3PFC, of Sun City, Arizona, became Silent
Key on 02 December 2009.

Knut Magne Haugland, LA3KY, of Norway, passed away on 25 December. He was 92. Haugland was one of six men, who with Thor Heyerdahl in 1947, successfully crossed the Pacific Ocean in a 45 foot raft made of balsa wood and bamboo -- named Kon-Tiki -- to prove that people from South America could have settled Polynesia in pre-Columbian times. This expedition worked the entire world using the call LI2B, and whip antenna. During World War II he was a member of the Norwegian resistance movement.

Wade Bates, VE3WIB became Silent Key 28 December.

Other Silent Keys reported include Fritz Zwingli (HB9RE), Roberto Rossi (I5RRE), Gary D. Poorman (K4VT), Giuseppe Montuschi (IK4EPI), Henry W. Herman (W3UJ) and Fred "Angus" Small (ZL3FS).

CQ0ODX - Mouchao da Lebre Island (TJ-013); Mouchao dos Caracois Island (TJ-014) and 50 MHz expedition to Serra de Montejunto.
Informations about our awards algarvedx.com/ 73's Algarve STAR DX Team

The Contest Club Finland (CCF) and OH DX Foundation (OHDXF) announce the 15th CCF & OHDXF Contest and DX Conference on Jan 22-24, 2010. The conference is held in the Islande Hotel in Riga/Latvia. Program, prices, reservations, etc. can be found online at:
www.contestclubfinland.com/CCF

The 7th International DX Convention will be held in Paestum, province of Salerno/Italy, on Apr 17-18, 2010. Organized by the Strange Radio Team (SRT) the event provides many highlights again, such as lectures on K4M, TX3A, 3D2GM, T30GM and T2G. Several international awards (such as DXCC, WAC, WAS, WAZ, CQ DX, CQ DX FIELD, IIA) can be applied for or extended. An FCC license examination will be organized as well. With this outstanding program it is advisable to reserve well in advance. Reservations can be made at the home-page of the Strange Radio Team (www.strangeradioteam.com/) or via e-mail to: idxc -at- strangeradioteam.com

P2 - PAPUA NEW GUINEA - Andy, 3D2AM is currently working on the island of Lihir (IOTA OC-069), New Ireland Province, Papua New Guinea, and is licensed as P29CS. Peter uses an Icom 706 with a Drake L7 amplifier and his antenna is a Cushcraft A4S with 40m extension. Peter asks everybody NOT to send the QSL cards to the address indicated on QRZ.com. He is looking for a QSL manager. However, this will take a bit, because he is very busy with his QRL. Please wait for further announcements. [DX Newsletter]

9135. [ICPO] Trophy for the "Best VHF DX Expedition" of the Year 2009

Yahoo group: GOLIST (2007 — 2010)
Date: 2010-01-01 14:25:51 UTC
From: Dave Raycroft
Topic: 9135 Message: 9135

****
Trophy for the "Best VHF DX Expedition" of the Year 2009
MMMonVHF The VHF-DX-Portal
****

The MMMonVHF VHF-DX-Portal is happy to invite all VHF enthusiasts
and VHF-DX'ers to join the new survey to identified the "The Best
VHF DX Expedition of the Year 2009".
The aim of the survey is to thank the very hard efforts of those,
who organized and carried out so many nice expeditions and trips
all around the world on the VHF bands in the past year 2009.

Participation period:
01. January 2009 to 31 December 2009

Voting period:
01. January 2010 - 20. January 2010

Modes:
All modes are allowed

Participation rules:
Persons or Groups who organized and carried out some kind of exped.
in the 144 MHz band segment via Meteor Scatter or Earth-Moon-Earth
propagation. Expeditions / Activities have had to be spread out on
the VHF-DX-Portal www.MMMonVHF.de in the year 2009 and must have
found their way into the "REVIEW" section of MMMonVHF. (Any
Expeditions which were held by members of the MMMonVHF Group are not
allowed to participate at this contest! Those expeditions (e.g.,
YO/HA5KFV [HA5CRX], DR5O [DL8EBW] etc.) will be hidden on the voting
page! As well MMM-Members will NOT be allowed to participate and vote
for any expedition!) After some experiments the last two years, the
MMMonVHF team decided to separate the voting into two independent
categories, one for MS and one for EME activities.

Scoring:
Everybody has granted an access to vote to the "Best DXpedition of
The Year 2009" as follow. Please Login at the VHF-DX-Portal
www.mmmonvhf.de with your account and you may reach the voting page
directly from your User Account Page. You will be able to vote by
selecting a maximum of 5 expeditions altogether in both (MS/EME)
categories by ticking the box in front of the expeditions. Please
do not send any email to MMMonVHF including your votes! Voting will
be only online possible after your personal login to your User
Account at the MMMonVHF website.

Final Score:
One vote from the User will count one point. All 3 votes are equal
in points in each category. The voting page will be available by
direct link from your User Account page from up 1 st of January 2010
until 20 th of January 2010.

Result:
The results will be published at 1st
of February 2010 at the VHF-DX-Portal www.mmmonvhf.de

Awards:
The winner of the contest of each category will be the expedition or
activity group with the highest voting points!

Rules:
- If the same expedition has more than 1 place in the top 3, only one
price will be awarded.
- If the best expedition wins in both categories, the winner will get
only one award.
The Following Awards have been defined:
1st place: Trophy (sponsored by Frank, DL8YHR -TNX!) and one MMMonVHF
T-shirt
2nd One MMMonVHF T-shirt
3rd place: One MMMonVHF T-shirt

Furthermore among all voters One MMMonVHF T-shirt will be raffled by
random chance. Many thanks for your participation and have fun

9136. New Club for Morse Code Enthusiasts

Yahoo group: GOLIST (2007 — 2010)
Date: 2010-01-02 22:36:11 UTC
From: GOLIST
Topic: 9136 Message: 9136

*New Club for Morse Code Enthusiasts
*
A new club has been formed among Amateur Radio operators who are Morse Code (CW) enthusiasts. It is called *The CW Operators' Club (CWops)*. CWops encourages the use of CW in Amateur communications, and it promotes goodwill among Amateurs around the world by planned CW activities.
CWops is international in scope, membership and management. Its focus is the use of CW, whether for contesting, DXing or ragchewing. Moreover, it promotes every form of sending -- if it's CW, CWops supports it!
For further information, go to www.cwops.org <http://www.cwops.org/>. There you will find everything that you might want to know about CWops, including our bylaws and articles of incorporation, our planned activities, an explanation of how to become a member, and a list of current members.

Jim Talens, N3JT
Secretary, CWops

9138. IOTA ACTIVITY

Yahoo group: GOLIST (2007 — 2010)
Date: 2010-01-05 00:18:56 UTC
From: GOLIST
Topic: 9138 Message: 9138

JAN 15-19, 2010
I will be operating from IOTA NA-062 on Key Largo, FL. as AA8LL/4. This also counts for USI: FL049S. Holiday style operating will be mostly CW and RTTY on 80 to 15-meters (IOTA frequencies) with 200-w and wires. QSL direct or bureau to AA8LL. Logs will also go to LOTW & EQSL.

73,
Wade AA8LL

9139. [ICPO] Yasme Excellence Awards

Yahoo group: GOLIST (2007 — 2010)
Date: 2010-01-06 12:10:06 UTC
From: Dave Raycroft
Topic: 9139 Message: 9139

January 4, 2010

On January 8, 2008, The Directors of The Yasme Foundation announced the establishment of the Yasme Excellence Awards. The Directors stated that these awards would be given from time to time as the board feels appropriate. These awards are given for service and dedication to amateur radio as recognized by the foundation's Directors. Awards were later announced for the year 2007. No awards were given for 2008. The Yasme Foundation Board of Directors is now pleased to announce the latest winners of the Yasme Excellence Awards.

The Awards for 2009 have been given to the following amateurs --

Jamie Dupree, NS3T - For his creation of the Radiosport Web site (http://www.radio-sport.net/). This takes contest reporting into a new genre - the sports reporter. Jamie also created the Radio-Sport.Net World Rankings database that has been used by many contesters around the world. Radiosport.net is an important new forum for Amateur Radio operation.

Bob Bruninga, WB4APR - For the invention of APRS and the continuing enhancement of its capabilities. Recently, Bob has expanded the messaging ability of the system to allow sending information in support of emcomm and other activities. Since APRS doesn't require the complexity of other systems, such as Winlink, APRS is a valuable addition to the amateur's tool kit. Bob is a tireless, personal promoter and publicizer of amateur radio.

George Wallner, AA7JV and Tomi Pekarik HA7RY (award divided equally) - In 2009, George and Tomi completed DXpeditions to Mellish Reef, VK9GMW and the Chesterfield Islands, TX3A. These expeditions represent a somewhat unique and refreshing approach to DXpeditioning. They show that a small group can exchange time for equipment and mega-funds and come out ahead. By focusing on fewer bands for a longer period, they have been able to log more unique calls from smaller stations. This brings more operators into the HF DX environment and encourages other expeditions to adopt these useful tactics.

Don Hill, AA5AU - Don has been a leader in RTTY contesting for many years. His persistent efforts have finally borne fruit as in recent years, RTTY/Digital contesting has grown at the fastest rate of any contest activity. His Web page (http://aa5au.com/rtty.html) is the first stop for all RTTY contesters, and he is well-known as the "RTTY Elmer" in digital contesting circles.

Tursoon-Zadeh, EY8MM - Nodir has been a beacon from Central Asia on Topband as well as 6-Meters. Not only technically and operationally

skilled, Nodir has worked to establish a QSL Bureau for Tajikistan and is the Vice President of the Amateur Radio Society of Tajikistan.

Rich Strand, KL7RA - Rich was the driving force behind the highly successful W1AW/KL7 and KL5O operations, both of which highlighted a resurgence in Alaskan contesting and DX activity over the past couple of years. Rich works hard to promote operating standards and educate the new contest and DX operators about good operating practices. This is resulting in more Alaskan HF operation which also encourages beginning DXers elsewhere in North America.

For additional information about the Yasme Foundation, visit our Web site at www.yasme.org. On behalf of The Yasme Foundation, congratulations to the 2009 winners!

Wayne A. Mills, N7NG, President
The Yasme Foundation

Directors -- K3ZO, N7NG, N0AX, OH2BH, W6BSY, W6OAT, W6RGG, W6SZN

9140. DX News

Yahoo group: GOLIST (2007 — 2010)
Date: 2010-01-06 21:16:59 UTC
From: GOLIST
Topic: 8517 Message: 9140

Welcome to the

Mongolian RTTY DX Contest 2010

The Mongolian Amateur Radio Society (MARS) promotes and organizes the "Mongolian DX Contest".

MARS has the honor to invite all Licensed Amateurs and SWLs throughout the World to participate the

annual "Mongolian DX Contest.

Purpose of contest

. The objective of the contest is to establish as many contacts as possible between Radio Amateurs

around the World and Radio Amateurs of Mongolia.

Contest period

. Second weekend of the January, 2010

Time

. Saturday 00:00 UTC - Saturday 24:00 (24 hours)

Contest Mode

. RTTY

Bands

. 80-10 meter (no WARC, no cross bands)

Categories

All participants must enter the contest only one of the category below.

. SOMB-RTTY-LP*

. SOMB-RTTY-HP*

. MOST-RTTY-HP

. SWL-AB-RTTY

LP - Less than 100 W

HP - Must not exceed the power in the regulations Governing the Licence of the station.

Contest call

. CQ JT

Number exchange

. RTTY: RST report plus CQ Zone

Work stations

. Every station can be contacted once per band and mode

Points

. QSO with own country 1 point

. QSO between JT stations 0 point

. QSO with a different country on your continent 2 points

. QSO with another continent 3 points

. SWL One way QSO reception 1 point

Two way QSO receptions 3 poins

Multipliers

. A multiplier one for each different DXCC Country (Except JT) contacted on each band

. A multiplier one for each different JT station contacted one each band

Final scores

. The final score is the results of the total QSO points multiplied by the sum of DXCC countries and JT

stations on all bands.

Awards

. A special plaque will be issued for the winners of first, second and third places of each category

Supported logging programs

. N1MM www.n1mm.com

. MixW www.mixw.net

Mongolian DX Contest module for MixW www.digitalrus.ru

Logs

Deadline is Febrary 28, 2010

. Electronic logs should be submitted via email to jtdxrtty@...

. Paper logs send to Mongolian DX Contest

RTTY

P.O. Box 830,

Ulaanbaatar-24,

Mongolia

. If you have any question, please send to jt1kaa@...

From: GOLIST
Topic: 9141 Message: 9141

*Hi folks,
Currently I am having vision problems and can not use the computer.
I will not be updating the Golister, WTDXA newsletters nor the DX
ALERT and DX4WIN text file until my vision returns to a more normal state.
I will be producing the weekly data file later
today and will send out the notice when it is uploaded to the web site.
I am hopeful the condition is temporary as it has been in the past.
I apologize for the inconvenience to you.

Information received from CT1IUA:

"I have now in hand the written logs of Paulo D2CQ.
I am putting then on PC log and then i will start to reply to all direct cards.
For those who havenâ□□t work D2CQ yet, Paulo will be back in Angola, in February 2010, and this time he is taking his 5 band beam antenna!
He is going to work in Angola for the next few years, so there will be plenty of time to work him. Info updates on http://algarvedx.com/ct1iua

I.C.P.O. Bulletin (07-15 January 2010)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

08/01/2010: Cezar, YO8TLC will be active from Feydhoo Island (IOTA AS-013), Addu Atoll, (WLOTA LH-0191), Maldive Islands, from 8-25 January as 8Q7CE. Holiday style operation on 40m, 30m and 20m bands, mainly CW and some SSB. Rig FT857, pwr 100W, manual ATU MFJ971, vertical multiband antenna (Rybakov style with 10m fiber glass mast). QSL via YO8TLC, bureau or direct. [AT International]

08/01/2010: Gerry, VE6LB will be active holiday style from Dubai, United Arab Emirates, as A6/VE6LB between 8 January and 8 February. QRV on the HF bands, using low power and mostly CW. QSL via home call and LoTW. [NG3K]

08/01/2010: Roberto, YV5IAL will be active as CE0/YV5IAL from Easter Island [aka Isla de Pascua](IOTA SA-001, DICE ICE-001, WLOTA L-0319) from 8-11 January. This will be a QRP, portable, holiday style operation. Activity will be on PSK31 digital mode on 14070.15 kHz from 2200-0100 UTC, and occasionally on 40/30/15 metres. QSL via home call. [NG3K]

08/01/2010: Seth, SM0XBI, will be active again as J79XBI from 8 January to the end of March from the island of Dominica (IOTA NA-101). QRV all HF bands, using SSB. QSL via LoTW (preferred) and bureau. NOTE: wait for sending direct QSL to SM0XBI after his return 2010 April!! [NG3K]

08/01/2010: George, K2CM will be active from the island of Bequia, The Grenadines (NA-025), from 8 January until 12 February. QRV on 20 metre SSB/CW, maybe 40m CW. QSL via the bureau, or direct (SASE/SAE) to K2CM. [rsgbiota.org]

10/01/2010: Hennie, PE1MAE will be active again as PJ4/PE1MAE from the island of Bonaire (IOTA SA-006, WLOTA LH-1279) for a couple of months starting around 10 January. He will operate SSB mainly on 40 metres around 0000 UTC. QSL via PA2NJC, direct or bureau. [425 DX News]

10/01/2010: Jim, K1NA will be active as PJ5NA from the island of St. Eustatius (NA-145, WLOTA LH-1851) during the ARRL DX CW Contest (20-21 February) as a Single-Op/All-Band entry. He will be at PJ5NA between 10 January and 27 March, operating mostly WARC bands outside of the contests and 160/80/40m during his night time hours. QSL via K1NA (100% QSL direct only with SASE) No bureau cards will be answered. DX stations MUST have SASE or SAE with 1 USD. No IRC! USA stations SASE only. [NG3K]

10/01/2010: Alex, RV1ZC (ex-UA1ZCK) is planning to be active from ex Leningradskaya base (IOTA AN-016, AA U-05, WAP RUS-06), Antarctica, from 10-15 January and will be active as R1ANL 10 hours only. QSL via RN1ON. [dx-hamspirit.com]

10/01/2010: Luis XQ5CIE, Carlos CE6UFF, Didier F6DXE and Dago CE5COX will be active from Arturo Prat, Greenwich Island (IOTA AN-010, WW Loc. GC07FQ), South Shetland Islands, 10-25 January as XR9JA. They will be active on 160-6m SSB, CW, PSK31, and Satellite AO-51. QSL via CE5JA (Radio Club de Concepcion, P.O. Box 2545, Concepcion, Chile). All QSLs received direct please include recent SASE or 2 USD $; QSL received via bureau will be returning by the same way. All QSL will be 100% guaranteed. Further information can be found at: www.ce5ja.cl/ also www.ce5ja.cl/xr9ja_ingles.php [F5NQL]

12/01/2010: Dick, AD7AF will be active from Muri Beach, Rarotonga (IOTA OC-013), South Cook Islands, from about 12 January into the third week of February as E51WWA. Most activity will be CW on 40 through 15 metres. SSB and digital modes will be used as propagation conditions allow. 80 and 10 metre bands will be used if conditions are favorable. The rig will be a K3, barefoot, with vertical and horizontal wire antennas. QSL via AD7AF (QRZ.com). [dx-hamspirit.com]

12/01/2010: Eddy, ON4AFU will be active from Thailand as HS0ZJF between 12 January and 8 March. QRV on all HF bands, CW only. Eddy will also be active from IOTA AS-101 (Malay Peninsula East group) during this time-frame signing HS0ZJF/8. QSL via home call, bureau preferred. [dx-hamspirit.com]

14/01/2010: Art, ZS6BQI will be active from Maseru, Lesotho 14-18 January as 7P8BA. QSL via ZS6BQI direct (QRZ.com). [AT International]

15/01/2010: Peter, HA3AUI will once again be active from Cabrousse (near Cap Skiring), Senegal, as 6W2SC and from Cab Roxo, Guinea-Bissau, as J5UAP between 15 January and 31 March. QRV 160-10m, mainly digital, other modes on request, using K3, 500W, 5Band Spiderbeam, Verticals. QSL direct or bureau via HA3AUI. For all info, including QSL and OnLine Log, please visit: cqafrica.net/ [NG3K]

15/01/2010: Wade, AA8LL will be active from Key Largo (IOTA NA-062, USi FL049S, Monroe County), Florida, between 15-19 January. Holiday style operating will be mostly CW and RTTY on 80 to 15 metres (IOTA frequencies) with 200W and wires. QSL direct or bureau to AA8LL. Logs will also go to LoTW and eQSL. [K1XN]

15/01/2010: Joey, W5BAK will be heading to Big Bend National Park, Texas, and grid reference DL88 for the ARRL January VHF Sweepstakes (16-18 January). He will be QRV January 15-20th using the callsign NA5RC, which belongs to the Baytown Red Cross Amatuer Radio Communications Club. He will be rover from several of the other area grids too but DL88 is the goal. QSL via W5BAK. [NG3K]

15/01/2010: Look for Valeriy, VE3LFW to be active from the island of Antigua (IOTA NA-100, WLOTA LH-1118) between 15 January and the middle of February, using the callsign V26VP. Expect him to be QRV all bands. QSL via home call, direct or bureau. [AT International]

==========

LOOKING AHEAD -

16/01/2010: A group of Finnish DXers will put Ribeira Grande, Sao Miguel Island (DIP AZ-002, WLOTA LH-2016), Azores (IOTA EU-003), on 160m and above with new vertical and beverage antennas starting January 16th. The activity will include CQWW 160M CW (22-24 January), ARRL DX CW (20-21 February) and ARRL DX SSB (6-7 March) contests, using the callsign CR2X. Group members are: Ilmo OH2BO, Pertti OH2PM, Ville OH2MM, Martti OH2BH (CU2KG) and Juha OH8NC (CU2KH). There will also be some activity before and after the contests. Additionally, Jose CU2CE and Frank CU2DX and others are due to take part in CQWW WPX SSB contest (27-28 March). QSL CR2X/CU2KG via OH2BH, CU2KH via OH8NC. [OH2BN]

17/01/2010: Look for the special callsign 8J3EQ to be used between 17 January and 16 July to commemorate the 15th anniversary of the Hanshin-Awaji great earthquake disaster (on 17 January 1995), and the 50th anniversary of the JARL Kobe Club, Kobe, Kansai region, Hyogo prefecture, Honshu island (AS-007, JIIA AS-007-001, WLOTA LH-2376), Japan. QSL via the JARL bureau. [JJ1WTL/AC6IM]

29/01/2010: Valery, RD3AF will be active from Santa Maria de Guia, Las Palmas Gran Canaria (DIE S-005, WLOTA LH-0969), Canary Islands (IOTA AF-004), as EF8M during the CQ 160-Meter CW Contest (29-31 January) as a Single-Op/All-Band/High-Power entry. QSL via UA3DX. [NG3K]

30/01/2010: Andy, N8OFS (SMIRK #6737) will be participating in the SPAR Winter Field Day (30-31 January) with a Catagory of 1H (1 Operator Home Site) from Medina, Ohio (Grid EN91AE). He will be FM only, using 52.525 MHz Simplex and the Local 6 metre repeaters (/Repeaters ARE ALLOWED for this Contest). Andy will be using the /P setup he used last summer (www.noars.net/got6/N8OFS_P2.JPG); operating out of the pickup truck (engine running), Kenwood TS-60 at 90W (less power when using the /Repeaters) to the 'Dominator' 5/8 wave vertical. Here's a list of the /Repeaters Andy will be using - 51.66OUT/51.16IN/OPEN; 53.19OUT/52.19IN/107.2PL; 53.17OUT/52.17IN/107.2,110.9,136.5PLs; 53.27OUT/52.27IN/107.2PL;...otherwise, he will see ya on Simplex. QSL direct only, or via eQSL. Further information can be found at: mmmonvhf.de/latest.php?id=2972 [N8OFS]

01/02/2010: Special event station 8J6CK will be aired between 1 February and 31 March to celebrate the 2010 International Camellia Congress in Kurume, Fukuoka prefecture, Kyushu island (AS-077, JIIA AS-077-001, WLOTA LH-0963), Japan. QSL via the JARL bureau. [JJ1WTL/AC6IM]

20/02/2010: Rene, HP1DCP will be active from Los Santos Province, Republic of Panama, as HP1DCP/9 during the ARRL DX CW Contest (20-21 February) as a Single-Op/Low-Power entry. QSL via EA5KB. [NG3K]

24/02/2010: Willi, DJ7RJ will be active from the island of Kos (EU-001, GIOTA DKS-043, MIA MGD-016, WLOTA LH-1730, Grid KM36) as SV5/DJ7RJ from 24 February to 17 March. He will work 160m to 6m using CW and SSB preferably on the low bands. QSL direct to home call (CBA). [NG3K]

24/02/2010: Art, NN7A will be active from the Turneffe Islands (IOTA NA-123), Belize, as V31JZ/p between 24 February and 3 March. QRV holiday style operation. QSL via home call, direct or bureau. [rsgbiota.org]

01/03/2010: Look for special callsign 8N1MOMO to be active from 1 March to 5 April to celebrate the 34th Koga(-city) Momo (or Peach) Festival and the 17th Koga(-city) Fire Balloon Contest, Koga City, Kanto region, Ibaraki prefecture, Honshu island (AS-007, JIIA AS-007-001, WLOTA LH-2376), Japan. QSL via the JARL bureau. [JJ1WTL/AC6IM]

30/10/2010: Look for Zoli, HA5PP to be active from the island of Cyprus (IOTA AS-004, MIA MCI-002, WLOTA LH-0051) as 5B/HA5PP during the CQWW DX SSB Contest (30-31 October) as a Single-Op/Single-Band (?) entry. QSL via home call, direct or bureau. [NG3K]

27/11/2010: Zoli, HA5PP will be active as 5B/HA5PP from Cyprus (IOTA AS-004, MIA MCI-002, WLOTA LH-0051) for the CQWW DX CW Contest (27-28 November) as a Single-Op/Single-Band (?) entry. QSL via home call, direct or bureau. [NG3K]

==========

SPECIAL EVENTS -

07/01/2010: Special event station 8J1FUJ is currently active until 31 December to celebrate the 2nd year of the Fuji microwave/millimeter-wave radio propagation research project. Mount Fuji is located in Fuji-Hakone-Izu National Park, Chubu region, Honshu island (AS-007, JIIA AS-007-001, WLOTA LH-2376), Japan. QSL via the JARL bureau. [JJ1WT/AC6IM]

07/01/2010: In celebration of the 80th anniversary of the Polish Amateur Radio Union, PZK and 85th anniversary of the IARU, look for special event station 3Z0RADIO to be active all throughout 2010. QSL via SP9SX. [ARRL DX News]

09/01/2010: GB2RAF Air Defence Radar Museum RAF Neatishead RAFARS Permanent S.E.S. - GB2RAF should be QRV every 2nd Saturday of the Month 1000-1500hrs local on RAFARS frequencies SSB or CW on 80m, or 40m if conditions are poor. Equipment used Kenwood TS570D 100w output to an inverted V trap dipole. For contact or Schedule e-mail Terry G4PSH via the Museums web site at: www.radarmuseum.co.uk/ . NOTE Old Station Log Book Apr 2001 to Aug 2009 is held at G8FC DCAE Cosford. [Pete's-DX-Newsdesk]

U.S.A. Special event station information can be found at: www.arrl.org/contests/spev.html

BITS & PIECES -

Visit the site of the biggest Group of CW of the South America.
CWJF GROUP !
http://www.powerline.com.br/cwjf
The CWJF is the sponsor of the biggest contest of CW that is carried through between 3 Americas: (North , Central - Caribbean , South).
The growth of the Manchester Mineira All America CW Contest, that from 2011, will be world-wide.
Please QSP for other Radioamateurs, Clubs or Groups of your Country.
Happy NEW YEAR for you and your family.
73, Ed - PY4WAS
President

Information received from CT1IUA:
"I have now in hand the written logs of Paulo D2CQ.
I am putting then on PC log and then i will start to reply to all direct cards.
For those who have not worked D2CQ yet, Paulo will be back in Angola, in February 2010, and this time he is taking his 5 band beam antenna!
He is going to work in Angola for the next few years, so there will be plenty of time to work him. Info updates on: algarvedx.com/ct1iua
73, Mike, CT1IUA"

D2QMN - Angola now QRV on 75/80m:
Vasiliy D2QMN is now active on 80m after building a new antenna today. He has made a few QSO’s in testing his latest antenna, which appears to work well. Vasiliy is not a pile-up operator. On air from time to time, he runs low power (no amp) on CW, PSK, RTTY, SSB. D2QMN via RZ3EC.

CROCKER RANGE DXpedition:

On January 16^th and 17^th a special operation will be conducted by a newly formed group of DX enthusiasts called "The North Borneo Worldwide DXers". This group is composed of hams from East Malaysia, West Malaysia, and Brunei. The group will be putting on the first ever operation from the Crocker Range Mountains. The altitude of the operation is near 6000 feet and temperatures are expected to be quite cold. The multinational group will use the call 9M4STA for all contacts. Operation is expected to be multiband and multimode. Buzz, NI5DX, will serve as QSL manager for the operation and QSL requests should be sent direct to NI5DX's address, which is good in any database.

9149. G0001.OVL file missing

Yahoo group: GOLIST (2007 — 2010)
Date: 2010-01-09 19:43:03 UTC
From: ALAN ZACK
Topic: 9149 Message: 9149

I just tried to download the latest GOWIN files. I opened my GOWIN window, GOWin 2.16, QSL Manager Database.

I clicked the download button that opened the website, I entered my ID and P/W, went to the Available files: JAN 2010 #1001-A WEEKLY DATA FILES.....etc.

I clicked on this link and got the FILE DOWNLOAD box. I RAN the file and Unzipped the file and got the message 5 files unzipped successfully as I have done a 1000 times before. But now when I open the GOWIN program window and enter a call (I used VC8B as an example) I get the message C:\GOLIST\G0001.ovl missing or corrupt and no lookup occurs.

The change to the new decade has apparently confused some of the update process. The new .ovl file in the update has been named--I assume in recognition of the new decade--to GO1001.ovl. As a temporary work around, you can go to your GOLIST directory and rename the GO1001.ovl (golf-oscar-one-zero-zero-one) file to GO001.ovl (golf-oscar-zero-zero-one). I am sure a permanent fix will be available shortly.

From: Alan Zack
Topic: 9149 Message: 9152

Thanks Dick,

I opened my GOWIN folder and discovered I had both a GO1001 and a GO001 file, both dated 1/7/2010 and having a size of 5431. This might have resulted from my numerous attempts to download the latest file.

So I then deleted both of them and tried to do the download again. After the file download, unzipping, etc, I had the same problem except the message now say a missing or corrupt GO001 file. When I went to the C:/GOWIN dir I found I had a new GO001 file dated today (1/9/2010) but with 0 zero bits of info.

Does it work for you?

Dick & all,

On the golist.net web site you'll find there is a
download for GoWin Version 2.21. This fixes
the problem with new databases with versions higher than 999.

9156. NEW DOWNLOAD FOR GOWIN 2.21

Yahoo group: GOLIST (2007 — 2010)
Date: 2010-01-09 22:55:19 UTC
From: GOLIST
Topic: 9156 Message: 9156

*Guys 'n' Gals,
Apparently the file I uploaded would not install
correctly. I have made a new change and there is
a new optiion in the download page.
Everyone needs to download the new GoWin Versiion 2.21.
This file contains the new updated version that will read the
1001 files. It also contains this weeks data file in it.
I will keep this file on the download page should any of
you have a hard disk crash and need to get the program back.
I will update it each week with the new data files as well.
Eye sight is coming back slowly and maybe I won't be making as many
mistakes.
Sorry gang.
John

From QRZ RX3MM's address is

KLABUKOV VITALIY VENIAMINOVICH
Daniel Mattison, Communications Department
EBRD 1 Exchange Square London EC2A 2JN,
England

And from other searching this appears to be a collection point from which the cards will be forwarded to RX3MM's actual Russian location.

No indication of what is required..GS's..IRC's etc.

I worked R1FJM 2009/12/12 on 160 for a new one, so I do want to confirm it.

R1FJM has been active for quite some time (perhaps a year or more) so has anyone confirmed this and how?

Ron, N5IN

The change to the new decade has apparently confused some of the
update process. The new .ovl file in the update has been named--I
assume in recognition of the new decade--to GO1001.ovl. As a
temporary work around, you can go to your GOLIST directory and rename
the GO1001.ovl (golf-oscar-one-zero-zero-one) file to GO001.ovl
(golf-oscar-zero-zero-one). I am sure a permanent fix will be
available shortly.

This is one of the reasons to get paper cards, even if you're on LOTW. These cards usually show a photo of the castle and are beautiful.

YR5EPC (EPC # 9000) is another new EPC special event station
(SES) from Transylvania, Romania. It will be active PSK on all
bands from 4th January untill 31st December 2010. QSL manager
and station's trustee is Ioan Muntean, YO6AJI. Station's location
is Floresti, a commune in Cluj County (EU Area RO15). YR5EPC
is the 37th EPC official club station. This is another chance to get
more points for the ECSA award series. Copy of the licence can
be seen at the EPC Club Stations section on our website.

From: GOLIST
Topic: 9169 Message: 9169

From: w2vu@...

>From the CQ / WorldRadio Online Newsroom:

All radio amateurs are requested to keep 7045 kHz and 3720 kHz clear for possible emergency traffic related to today's major earthquake in Haiti.

International Amateur Radio Union (IARU) Region II Area C Emergency Coordinator Arnie Coro, CO2KK, reports that as of 0245 UTC on January 13, nothing had been heard from radio amateurs in Haiti, but that the above frequencies were being kept active in case any Haitian hams manage to get on the air, and in case of other related events in surrounding areas, including aftershocks and a possible tsunami.

The following is from an e-mail from CO2KK:

A few minutes after the earthquake was felt in eastern Cuba's cities, the Cuban Federation of Radio Amateurs Emergency Net was activated, with net control stations CO8WM and CO8RP located in the city of Santiago de Cuba, and in permanent contact with the National Seismology Center of Cuba located in that city.

Stations in the city of Baracoa, in Guantanamo province, were also activated immediately as the earth movements were felt even stronger there, due to its proximity to Haiti. CO8AZ and CO8AW went on the air immediately , with CM8WAL following. At the early phase of the emergency, the population of the city of Baracoa was evacuated far away from the coast, as there was a primary alert of a possible tsunami event or of a heavy wave trains sequence impacting the coast line at the city's sea wall ...

Baracoa could not contact Santiago de Cuba stations on 40 meters due to long skip after 5 PM local time, so several stations in western Cuba and one in the US State of Florida provided relays. CO2KK, as IARU Region II Area C Emergency Coordinator, helped to organize the nets , on 7045 kHz and also on 3720 kHz, while local nets in Santiago de Cuba and Baracoa operated on 2 meters.

As late as 9,45 PM local time 0245 UTC we have not been able to contact any amateur or emergency services stations in Haiti.

Amateurs from the Dominican Republic, Puerto Rico, Venezuela were monitoring the 40 meter band frequency, that I notified to the IARU Region II executive Ramon Santoyo XE1KK as in use for the emergency, requesting that 7045 kHz be kept as clear as possible ...

We are still keeping watch on 7045 kHz hoping that someone in Haiti may have access to a transceiver and at least a car battery to run it.

All information that has so far come from the Cuban seismologists tell us of a very intense earthquake, and also of the possibility of other events following.

Following the advice of the geophysicists, we are keeping the 7045 and 3720 kiloHertz frequencies active until further notice

I.C.P.O. Bulletin (14-22 January 2010)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

Haiti Earthquake Net Frequencies -
All radio amateurs are requested to keep 14300, 14265, 7265, 7045, 3977 and 3720 kHz clear for possible emergency traffic related to the major earthquake in Haiti. Additional frequencies may be activated on different bands at different times of day.

13/01/2010: Following on from his September 2009 Pacific trip, Don G3BJ will be QRV from Christmas Island (OC-024), Eastern Kiribati, as T32BJ from 13-19 January. Focus on Europe, holiday-style operating. QSL via home call (QRZ.com). [dx-hamspirit.com]

14/01/2010: Art, ZS6BQI will be active from Maseru, Lesotho 14-18 January as 7P8BA. Activity will be on 40-10 metres, mainly on the CW and Digital modes. QSL via ZS6BQI direct (QRZ.com). [AT International]

15/01/2010: Peter, HA3AUI will once again be active from Cabrousse (near Cap Skiring), Senegal, as 6W2SC and from Cab Roxo, Guinea-Bissau, as J5UAP between 15 January and 31 March. QRV 160-10m, mainly digital, other modes on request, using K3, 500W, 5Band Spiderbeam, Verticals. QSL direct or bureau via HA3AUI. For all info, including QSL and OnLine Log, please visit: cqafrica.net/ [NG3K]

15/01/2010: Wade, AA8LL will be active from Key Largo (IOTA NA-062, USi FL049S, Monroe County), Florida, between 15-19 January. Holiday style operating will be mostly CW and RTTY on 80 to 15 metres (IOTA frequencies) with 200W and wires. QSL direct or bureau to AA8LL. Logs will also go to LoTW and eQSL. [K1XN]

15/01/2010: Joey, W5BAK will be heading to Big Bend National Park, Texas, and grid reference DL88 for the ARRL January VHF Sweepstakes (16-18 January). He will be QRV January 15-20th using the callsign NA5RC, which belongs to the Baytown Red Cross Amatuer Radio Communications Club. He will be rover from several of the other area grids too but DL88 is the goal. QSL via W5BAK. [NG3K]

15/01/2010: Look for Valeriy, VE3LFW to be active from the island of Antigua (IOTA NA-100, WLOTA LH-1118) between 15 January and the middle of February, using the callsign V26VP. Expect him to be QRV all bands. QSL via home call, direct or bureau. [AT International]

16/01/2010: On 16th and 17th of January a special operation will be conducted by a newly formed group of DX enthusiasts called "The North

Borneo Worldwide DXers". This group is composed of hams from East Malaysia, West Malaysia, and Brunei. The group will be putting on the first ever operation from the Crocker Range Mountains. The mountain range separates the east coast and west coast of Sabah, island of Borneo (IOTA OC-088, WLOTA LH-0119). The altitude of the operation is near 6000 feet and temperatures are expected to be quite cold. The multinational group will use the call 9M4STA for all contacts. Operation is expected to be multiband and multimode. Buzz, NI5DX, will serve as QSL manager for the operation and QSL requests should be sent direct to his address. [K1XN]

16/01/2010: A group of Finnish DXers will put Ribeira Grande, Sao Miguel Island (DIP AZ-002, WLOTA LH-2016), Azores (IOTA EU-003), on 160m and above with new vertical and beverage antennas starting January 16th. The activity will include CQWW 160M CW (22-24 January), ARRL DX CW (20-21 February) and ARRL DX SSB (6-7 March) contests, using the callsign CR2X. Group members are: Ilmo OH2BO, Pertti OH2PM, Ville OH2MM, Martti OH2BH (CU2KG) and Juha OH8NC (CU2KH). There will also be some activity before and after the contests. Additionally, Jose CU2CE and Frank CU2DX and others are due to take part in CQWW WPX SSB contest (27-28 March). QSL CR2X/CU2KG via OH2BH, CU2KH via OH8NC. [OH2BN]

16/01/2010: Gerd, DL5AWI will be active 16-17 January, in the WCA-HBD (World Castles Award - Happy BirthDay), from Castle Neuscharffenberg (WCA: DL-01478, COTA-DL THB-186). QRV on all bands. QSL via home call, bureau or direct. [DL5AWI]

16/01/2010: Karel OK1TIR, will be active 16-17 January, in the WCA-HBD (World Castles Award - Happy BirthDay), from Pribram Castle (WCA OK-1069, CCA ST-298) as OK1TIR/p. (Pribram Castle www.travel.cz/guide/108/gallery.html). QSL via home call, bureau or direct. [RN1CW]

16/01/2010: Dmitry RX1CQ, will be active 16-17 January in the WCA-HBD, from Fort Karelsky (WCA: UA-0256, COTA-RU U-102, RDA LO-23), Mednoe Lake (RLA LO-016). QRV on all bands as Dmitry, work as RX1CQ/p. QSL via home call, bureau or direct. [RN1CW]

16/01/2010: Operators of the RZ1CWC team will be active on 16 January in the WCA-HBD (World Castles Award - Happy BirthDay), from Fort Krasnaya Gorka (WCA: UA-0203, COTA-RU: F-109). QRV on 20 and 40 metre, CW and SSB, as RZ1CWC/p. QSL via RN1CW direct or bureau. For further information please visit the WCA site, at: www.wcagroup.org/ [RN1CW]

16/01/2010: Look for Jim, G6PAA (RAFARS #1713) to be active from New Zealand as ZL/G6PAA from 16 January to 1 March. He will probably visit both the North Island (OC-036, WLOTA LH-0069) and South Island (OC-134, WLOTA LH-0342). QRV on 80-10m, using RTTY/CW/PSK/Phone with 100w to a dipole. QSL via home call, direct or bureau. [Pete's-DX-Newsdesk]

18/01/2010: Wulf DL1AWI, Peter DL3APO and Mat DL5XU will be active as FO/homecall from Raivavae Island (OC-114, DIFO FO-122, WLOTA L-2581),

Austral Islands, between 18 January and 5 February. Focus will be the lower bands 160-30m, with some work on the higher bands in SSB and RTTY. QSL via home calls, direct or bureau. They will have an online log (via SAT-Phone) and some news/pics at: www.df3cb.com/logsearch/cgcg/logsearch.php and/or dl9awi.de/fo.htm [DL3APO]

19/01/2010: Toshi, JA8BMK, will be active as CE0Z/JA8BMK between 19 January and 2 February from Isla Robinson Crusoe (SA-005, DICE ICE-004, WLOTA LH-0153), Juan Fernandez. Marco, CE6TBN, will be joining him, but for only 5 days (dates were not provided). Activity will be on 160-10 metres, with a focus on the lower bands, and they are expected to be using CW, SSB and the Digital modes. They will use an amp, and antennas will be a yagi and vertical. QSL direct to JA8BMK at: Toshi Fukuta, 2115-3 Nobori, Yoichi, Hokkaido 046-0002 Japan. [OPDX Bulletin]

20/01/2010: Masa, JD1BMM will be active from Minami Torishima [Marcus Island] (OC-073) from 20 January until mid-February, for what it is likely to be "the last chance to make a QSO with JD1/M" for some time. The Japanese Coast Guard radio station on the island closed down on 1 December, and the amateur radio club will close in February. QSL via the information on QRZ.com. [425 DX News]

21/01/2010: Nick, G3RWF will once again be active as 5X1NH between 21 January and 21 March. Activity will be on the HF bands. Nick prefers CW and likes the Digital modes (PSK and RTTY), but may work SSB whenever signals are good enough. QSL via home call, direct or bureau. [OPDX Bulletin]

21/01/2010: Bernhard, DL2GAC will be active again as H44MS from Honiara, Guadalcanal Island (IOTA OC-047, WLOTA LH-0086), Solomon Islands for three months. Expected arrival and departure dates are 21 January and 20 April. On 6-19 February he will be going to the Reef Islands (OC-065), Temotu Province along with Siegfried DK9FN (H40FN) and Hans-Peter DG1FK (H40FK), and operate as H40MS. QSL via home call, direct or bureau. [425 DX News]

21/01/2010: Michael, G7VJR (VP8DMN) and Martin, G3ZAY (VP8DFK) will be operational on the low bands from Darwin, East Falkland Island (IOTA SA-002, WLOTA LH-1479) between 21-29 January. QSL via G7VJR, direct or bureau. Logs will be uploaded to LoTW. An online log search will be available at: www.clublog.org/expeditions/VP8DMN [dx-hamspirit.com]
==========
LOOKING AHEAD -

29/01/2010: Jim, W7EJ will once again be active from Casablanca, Morocco, as CN2R for the CQ 160-Meter CW Contest (29-31 January) as a Single-Op/High-Power entry. QSL via home call, direct or by the bureau. [NG3K]

29/01/2010: Lars, DF1LON will be active from Eschdorf, Luxembourg, as LX7I during the CQ 160-Meter CW Contest (29-31 January) as a Single-Op

entry. QSL via LX2A (QRZ.com). [NG3K]

20/02/2010: Jim, T6AF will be active from Kabul, Afghanistan, for the ARRL DX CW Contest (20-21 February) as a Single-Op/All-Band/Low-Power entry. QSL via LoTW or eQSL. [NG3K]

09/06/2010: PW8J - IOTA DXpedition - Lençóis Island SA-041. The IOTA SA-041 Group is currently the 2nd most wanted IOTA groups in South America, and the first top in Brazil. It consists of 23 islands, one of these islands is called "Ilha dos Lençóis" and it is the location for this DXpedition. This DXpedition will take place from 9-15 June. It will be carried out by a group of 4 experienced DX operators who will be on the air around the clock. This will give the worldwide IOTA community the opportunity to confirm this rare IOTA group. Operators will be Ciro PY7ZY (Team Leader), Fred PY2XB, Jim PY7XC and André PY0FF. Lençóis Island will be activated for the first time. Likewise, a new DIB and a new Grid Square will be activated (GI78nq). After returning from SA-041, the group will activate São Luis Island (SA-016, DIB 07, DFB MA-07, WLOTA LH-0299), from 16-18 June. The call will be PW8L. They are not sure if they will have internet connection during the operation from SA-041. If it is not possible to have a log on line in real time, the QSOs will be avaiable as soon as possible during the return to the continent. QSL via: P.O. Box 152, 58010-970 - Joao Pessoa - PB, BRAZIL. Full info can be found at: www.pw8j.com/ [PS7AB]

18/06/2010: Tom, PF4T will be QRV as 8Q7TB from Embudu Island, North Male Atoll (WLOTA LH-3911), Maldive Islands (IOTA AS-013), from 5-25 June. He will be active on 40 and 20m using SSB, RTTY / BPSK31 and will also try 10, 15, 17m. QSL via home call, direct or bureau. Full details at: 8q7tb.pf4t.nl/ [dx-hamspirit.com]

27/11/2010: Stan, EI6DX will be active from Somone, Senegal, as 6W/EI6DX during the CQWW DX CW Contest (27-28 November) as a Single-Op/All-Band/Low-Power entry. QSL via RX3RC, direct or bureau. Updates can be found at: www.ei6dx.com/ [NG3K]
==========
SPECIAL EVENTS -

Special EPC club station PA30EPC will be active on all bands PSK from South Haolland from 2nd to 30th January 2010. QSL via operators' instructions. [MM0DFV]

YR5EPC (EPC # 9000) is another new EPC special event station (SES) from Transylvania, Romania. It will be active PSK on all bands from 4th January untill 31st December 2010. QSL manager and station's trustee is Ioan Muntean, YO6AJI. Station's location is Floresti, a commune in Cluj County (EU Area RO15). YR5EPC is the 37th EPC official club station. This is another chance to get more points for the ECSA award series. Copy of the licence can be seen at the EPC Club Stations section on our website. QSL via YO6AJI, direct or bureau. [MM0DFV]

14/01/2010: Special event station HA2010S is currently active until 31 December for the 30th LEN European championship to be held in Budapest, Hungary, in 4-15 August 2010. (Swimming, Diving, Synchronised Swimming and Open Water Swimming Championships). The operator and QSL manager is HA1CW, Gyuri. [HA0HW]

15/01/2010: The European Capital of Culture is a city designated by the European Union for a period of one calendar year during which it is given a chance to showcase its cultural life and cultural development. Instanbul is one of the three cities designated for 2010, and the TC Special Wireless Activity Team will conduct a year long celebration by using thirteen TC2010 prefixed special callsigns from several different locations. The first activities will be on 15-18 January by TC2010CCE from European Istanbul, various QTHs, throughout the year; TC2010CCA from Asian Istanbul, various QTHs, throughout the year; and TC2010CCI Islands of Istanbul, various QTHs, throughout the year. The following is a list of other event stations which will air at various times during 2010: TC2010PSG Pilot Sabiha Gokcen SG Airport, 20-21-22 March; TC2010RKM Rahmi Koc Museum, 4-6 June; TC2010DHO Cabotage Day, Naval Academy, 1-4 July; TC2010VS Volvo Youth Sailing World Championship, 8-11 July; TC2010IIM Istanbul Islands Museum, Princess Islands, 30-31 July; TC2010LT Leander's Tower, 14-15 August; TC2010RH Rumeli Hisari, 17-19 September; TC2010AH Anadolu Hisari 17-19 September; TC2010IDO Istanbul Ferries, 24 -26 September; and TC2010GT Galata Tower, 10-12 December. QSL all stations via TA1HZ, direct or bureau. Detailed information on the event, activation calendar and the relevant award can be found at: www.ta0u.com/ [425 DX News & TCSWAT]

17/01/2010: Look for the special callsign 8J3EQ to be used between 17 January and 16 July to commemorate the 15th anniversary of the Hanshin-Awaji great earthquake disaster (on 17 January 1995), and the 50th anniversary of the JARL Kobe Club, Kobe, Kansai region, Hyogo prefecture, Honshu island (AS-007, JIIA AS-007-001, WLOTA LH-2376), Japan. QSL via the JARL bureau. [JJ1WTL/AC6IM]

22/01/2010: Look for the special callsign ST26ASC to be used between 22-28 January. This activity coincides with the 26th Arab Scouts Conference from Khartoum, Sudan. No other details were provided. QSL Manager will be ST2M. [OPDX Bulletin]

U.S.A. Special event station information can be found at:
www.arrl.org/contests/spev.html

SIX METERS & UP -

During the good period at the end of February, watch for KH9/WA2YUN to come on the air with a K3 with external preamp for 0.5db noise figure, new LMR400 feedline with 1.2db loss and an optimized 5 ele. yagi with 10 dBD gain and a clear view of ocean in all directions! During the last week of March, HB9QQ is going to be active as with 500w and a 7 element looking out over the ocean! At the beginning of April, we are looking forward to the C91GN (license finally in hand now) Dxpedition by ZS5Y with 600w and a 6M8GJ yagi!
As if those exciting new stations were not enough, VP8DMH in FC52wk is expected on the air next spring with an ACOM 1000 and a 6M8GJ yagi to provide the first activation of Antarctica on 6m EME!

BITS & PIECES -

IRESC and SATERN Active for Haiti Earthquake Operations:

Submitted by admin on Tue, 01/12/2010 - 23:27

Hello to all..

The International Radio Emergency Support Coalition (IRESC) and the Salvation Army Team Emergency Response Network (SATERN) are both active supporting Haiti Earthquake Operations. Indirect contact has been established via email and second hand reporting and info as relayed by SATERN to IRESC and by IRESC operators. Direct contact to the affected area is being attempted by both groups.

The *WX_TALK* Echolink conference node: 7203/IRLP 9219 reflector system has been connected directly to the *IRESC* echolink conference node: 278173 for listen only purposes. It will remain connected for as long as IRESC is active. Anyone with emergency/priority traffic or health and welfare traffic should connect directly to *IRESC* echolink conference node: 278173. Information on IRESC can be seen via the following link:

http://www.iresc.org/

SATERN is active on HF and has performed liasion with IRESC. Per the SATERN web site, SATERN activities are active on 14.235 MHz Primary for daytime operations and 7265 and 3977.7 Khz for evening and night time operations. Information on SATERN can be seen via the following link:

http://www.satern.org/

Any net controls and individuals that either have direct contact with Haiti or have relays into Haiti are strongly encouraged to support SATERN and IRESC with their operations. This would benefit those with Health and Welfare traffic into Haiti. Stations that have Health and

Welfare traffic to Haiti can provide the info to these groups but it may be several days before the messages will be delivered and relayed back so those that can help with direct contact with Haiti or contact through relays could help speed up the Health and welfare traffic flow.

We wish the best for the victims of this serious earthquake that has affected Haiti.

Respectfully Submitted,
Robert Macedo (KD1CY)
ARES SKYWARN Coordinator
Eastern Massachusetts ARES Section Emergency Coordinator

Haiti Earthquake -

Early this morning the following update was received from the IARU-R2-News.

"RCD and URDA en route to Haiti."

Victor Baez, HI8VB, Secretary of the Radio Club Dominicano (RCD) reports that the RCD with UDRA, Union Dominicana de Radio Aficionados are preparing to go to Port au Prince early morning January 15 to install an emergency radio communications station, HI8RCD/HH, and a mobile station. More updates can be viewed at: www.hi8vb.tk/ [VO1DTM]

XX9TLX - Macau
Georg, DK7LX is again on his travels. Having been active as TX7LX (2008) and S92LX (2009) he will be QRV from Coloane Island (AS-075) Macau as XX9TLX. Dates to be confirmed.
Georg explains:
"Background: it has been my dream to become one day active from this magic city ever since I had paid a brief visit to Macau back in March 2001 on my way back from VK. It has kept me busy for about a year to organize this trip and please understand that due to reasons that are related to local environment, I will not be able to erect huge antennas etc. Power wise all will comply with local regulations and I will hence use my proven 100 W light-weight-rig, as always.
My perspective: I mainly want to have fun during this stay as well as I look forward to meet new people and to see new places. Though the main purpose of this trip is going to be radio, I will take things easy but will not be active on every band in every mode. I´m not a 160 M op and will not be QRV on this band. As always, my activity will have a very strong CW-flavour since this is my favourite mode."
Additionally, no online log will be available and QSL cards via direct or buro to DK7LX. [dx-hamspirit.com]

Hi Folks

The new awards rules are on line on www.waponline.it/
You can find the new files (in English, Italian and French) on the WACA
and WADA Wap award pages (follow the link on the left menu).

Hi friends

HAITI:

Phil/F4EGS is going to join the International Forces and NGO which are working to help the survivors in Haïti after the earthquake .
He will stay at Port au Prince Airport.area.
In his luggage he brings his FT100 and a a dipole and may be will on the air as HH/F4EGS, at his very very short time, if he will have.
If he can have ham traffic,time, QSL via his HC direct or bureau

Forwarded with 73 by
Maurice, F5NQL,

Apologize for possible double sending.

If this kind of message could be useful to your friends please spread it and ask
them to include their address on the mailing list at : _f5nql@..._ (mailto:f5nql@...) .

If you don't want to receive these message anymore, please ask to be removed of the mailing list, same way.

Don't forget to inform us about any change in your e-mail address.

Bonjour à tous

HAITI

Phil/F4EGS est en route via Orléans, pour Port au Prince, et rejoint les Forces Internationales et les ONG travaillant à aider les survivants du tremblement de terre. Il sera stationné dans la zone de l'aéroport.

Dans son paquetage il a mis son FT100 et un dipôle; il pourra éventuellement apparaître sur l'air à son très très court temps libre, et encore s'il en a.

S'il peut écouler du trafic radioamateur, QSL via F4EGS/ direct ou bureau.

Retransmis avec ses amitiés par :
Maurice, F5NQL,

OPENING FOR WORLD'S NORTHERNMOST CONTEST TEAM, OH8X

Far above 60 degrees North in the icy arctic reaches of Northern Finland lies a log house with an original Finnish sauna and cozy sleeping quarters along with the radio station OH8X with its massive antennas springing up from the barren tundra. See www.radioarcala.com

Should you like to experience the deep North with its blazing Aurora Borealis coupled with unique polar openings to the United States, this is your chance. Radio Arcala will host four or five younger contest types participating as a multi team in the ARRL DX (CW) Contest on the weekend of February 20-21, 2010. The event will start Thursday evening on the 18th and finish on Monday the 22nd. SSB/WARC operating will also be available on those days, including on a limited scale during the contest weekend.

Your destination will be the city of Oulu from where we will take care of you. Just drop us a note and explain your desire as well as your potential as an operator on a multinational CW team. Send your email to team leader Marius Hauki, LB3HC [mhauki@...] and he will give you more details. Please contact Marius soonest but no later than January 30th.

You may also approach your favorite Contest Club and/or contest operators in your area for their expected support in making your trip a reality. You would owe them an adventure report upon your return.

SWODXA DX DINNER ANNOUNCEMENT

January 17, 2010
Janet Pater, W8CAA
jpater@...

FOR IMMEDIATE RELEASE

The SouthWest Ohio DX Association (SWODXA) is pleased to again sponsor the DX Dinner T in conjunction with the 2010 Dayton HamventionR. The dinner will be Friday, May 14, at the Crowne Plaza Hotel, Dayton, Ohio. This will be a very special celebration as it is our 25th annual dinner.

As in the past, there will be some major door prizes given away. Program details and a list of the prizes will be available on the SWODXA website and blog as soon as both are confirmed. Note we have moved our website and the new address is: www.SWODXA.org.

There will be a cash bar starting at 6 pm with dinner served at 7:15. Tickets are $40 per meal payable in US funds. (Sorry we do not process Paypal or credit card payments.) Attendees have their choice of strip steak, baked tilapia, or eggplant parmesan. Meal choice must be indicated as tickets are purchased. We attempt to honor group seating requests when tickets are ordered together. Each table seats ten, and seats are assigned as the requests are received. Check or money orders, payable to SWODXA, should be sent to Kirk Swallow, W8QID at his CBA. Be sure to include a SASE for ticket return.

This is an excellent opportunity to meet and renew old acquaintances, so come join us for an evening of fun and great fellowship. We look forward to seeing you there!

Hi WorldRadio Online family!

You are receiving this email because you signed up for updates from WorldRadio Online magazine. If you want to change your preferences for these periodic emails, please go to: http://mailman.sunserver.com/mailman/listinfo/worldradio-L

>From that website, you can update your email address or remove yourself from the list..

The February issue of WRO is now posted to the web and reading for your reading pleasure. And it's free! Such a deal. To read it, all you have to do is go to the CQ home page at

http://www.cq-amateur-radio.com

Click on the "WorldRadio Online" box (on my computer, it's sort of a pink color) on the left side up of the page.

That will take you to the WorldRadio Online welcome page, where you will have several options for viewing/downloading the issue.

You can download the entire issue at on ce by clicking on the photo of the cover. If you have a slower connection, such as dial-up, you may want to click on the Table of Contents page and download it in sections.

You will need Adobe Acrobat Reader to read WorldRadio Online. If you do not have Acrobat Reader, scroll to the bottom of the WorldRadio Online welcome page and in the bottom left corner, you will find a link for a free download.

Also on the WorldRadio Online page are links to the Archives, where you can download back issues (2009) in case you've missed any, and tips for downloading in case you're having problems.

With Valentine's Day arriving soon, the February issue has a story that a wife wrote about how proud she is of her OM's ham radio activity. There is also a feature about how having a tape recorder in the shack might come in handy!

Of course, there are your regular favorites, including Aerials by Krusty Ole Kurt, Rules and Regs, Trail-Friendly Radio, Em Comm, Propagation, MARS, FISTS, Handi-Hams and more.

Please don't reply to this email, it's an automated service. Send your comments to worldradioeditor@....

I hope you enjoy this issue and have a happy Valentine's Day!

73 88
Nancy WZ8C

SouthWest Ohio DX Association

DX Dinner?

May 14, 2010

* *

*The SouthWest Ohio DX Association (SWODXA) is pleased to again sponsor the 2010 DX Dinner? in conjunction with the Dayton Hamvention?. The dinner will be on Friday, May 14. This is our 25^th annual DX Dinner?, and plans are underway to make this anniversary dinner special. *

* *

As you know, this event is attended by over 400 active DXers from all over the world. Each attendee either is, or works, DX, and they are anxious to meet and swap information with each other. This is a captive audience interested in your products.

* *

*Each year, thanks to sponsors like you, SWODXA has given our dinner guests the opportunity to be included in a drawing for prizes which include top-of-the-line radios, antennas, software, subscriptions, switches, etc. We are requesting that you help support this event with a donation. The logos of participating companies will be scrolling on large screen TVs while the attendees are enjoying dinner, and as the prizes are awarded, each sponsor will receive a short introduction by our Master of Ceremonies. In addition, the logo of each sponsor will be on our website. There will be a link to direct the viewer directly to your web page. And, if provided, we will be happy to display your banner at the dinner. *

* *

We are also offering space for ads in the dinner program. Prices are as follows:

* 1/3
page $ 25.00*

* 1/2
page $ 50.00 *

* Full
page $ 75.00*

* *

For further information regarding your ad, please contact Bill Weaner KB8BKW, at bweaner@....

* *

This is an excellent opportunity for you to focus your advertising to the hams that are most interested in your products, and we hope you decide to participate.

* *

*Please let me hear from you as soon as possible regarding your donation to the SWODXA DX Dinner?, and be sure to contact Bill regarding your ad

in the dinner program. *

* *

/Press Release/
//
/K5D QSOs now on LOTW !/
//
/As of Jan 10, 2010, N2OO and his QSL team from the SJDXA, have confirmed 59,827 QSOs with those individuals who had requested K5D confirmations. This includes all direct requests and requests via the very popular OQRS (Online Qsl Request System)./
/As requests were completed, the QSOs were simultaneously uploaded to LOTW resulting in 25,412 matches. All bureau requests will be filled in the next few months./
//
/Now that all requested QSLs have been answered the remaining QSOs have been uploaded to LOTW, resulting in an additional 12,647 matches./
//
/The KP1-5 Project wishes to thank the QSL managers for their untiring efforts over the last 8 months, These volunteers have done an extraordinary job of confirming your QSOs from this # 6 Most needed DXCC entity./

From: GOLIST
Topic: 9182 Message: 9182

A SOLAR FORECAST UPDATE From Lee, KH6BZF, 2000Z, January 20, 2010:
First the bad news: Currently we are experiencing some radio blackouts.

NOAA/Space WX reports:
"Space weather for the past 24 hours has been minor.
Radio blackouts reaching the R1 level occurred.

Space weather for the next 24 hours is expected to be minor.
Geomagnetic storms reaching the G1 level are expected.
Radio blackouts reaching the R1 level are expected."

*Go to Space WX site for blackout/stormy level explanations. (http://spaceweather.com)

The good news is: "Expect Solar Flux Index (SFI) is expected to peak on 7-9 February 2010 at levels in the high 80's to low 90's. Expect some transcontinental propagation on the high bands 18-28 MHz with 10 meters leading the way."

FO/Australes Islands:

Hello dear OM

More news from FO/DL3APO's team in Austral islands FO/A

They have now the two amplifiers, but they still wait for all antennas.
They hope to have antennas with next flight (friday).
They work at this moment with "quick built" antenna (built with wires for radials) and amplifier.

They will be TX3D (special call-sign given by French ANFR of Papeete today) from friday 23th to the end of dxpedition.

They can have internet connexion in another village and they will try to upload log as soon as possible.

Onlinelog will be on http://www.df3cb.com/logsearch/cgcg/

Belize (V3)
QTH: Turneffe Islands, IOTA NA-123
Call: V31JZ/p
Dates: 24 February-3 March, 2010
Opr: Art Phillips, NN7A / V31JZ
QSL route: via NN7A direct or via ARRL bureau
Reported by: NN7A

V31JZ/p: IOTA NA-123 -- 24 February-3 March, 2010
Art Phillips, NN7A, will operate as V31JZ/p from Turneffe Islands, Belize (IOTA NA-123) from 24 February-3 March, 2010. This will be a one-person operation using a 100 watt transceiver with vertical and wire antennas. Operation will be mostly cw on 40-17 m including WARC bands, with some 80 m and 160 m. Some ssb on 20 m and 15 m IOTA frequencies is possible, conditions

permitting. No skeds, please. No online logs.
Operation will be from a cottage on the beach using generator power. The coral atoll is located in the Caribbean Sea about 25 miles (40 km) east of Belize City. It is shaded by coconut palms and mellowed by soft tropical breezes.
This will be Art's fourth trip to the Turneffe Islands. Previous trips were in 1996, 1999, and 2000.
QSL direct via NN7A (Art Phillips, P.O. Box 73, Eckert, CO 81418 USA), or via the ARRL bureau. Bureau cards sent to Belize cannot be answered (there is no active V3 bureau). There will be no on-line logs, and email contact will not be possible while on the island.

CORSICA – TK
Between July 10 to 24, 2010 Laurent F8BBL will sign TK10B (Tango Kilo Ten Bravo) from Olméto (Ajaccio Department) EU-014
Mainly CW from also two or three other IOTA's as fpllow : Les Sanginaires EU-104, the Lavezzi EU-164 and maybe .....
Laurent will be also active two times from Corsican SOTA's.
80 to 10 m, CW a little SSB and Digit.
RIG : FT857D / MP1 Antenna
QSL 100% via buro and Lotw

* **********

* V31JZ/p: IOTA NA-123 -- 24 February-3 March, 2010***

* Art Phillips, NN7A, will operate as V31JZ/p from Turneffe Islands, Belize (IOTA NA-123) from 24 February-3 March, 2010. This will be a one-person operation using a 100 watt transceiver with vertical and wire antennas. Operation will be mostly cw on 40-17 m including WARC bands, with some 80 m and 160 m. Some ssb on 20 m and 15 m IOTA frequencies is possible, conditions permitting. No skeds, please. No online logs.***

* Operation will be from a cottage on the beach using generator power. The coral atoll is located in the Caribbean Sea about 25 miles (40 km) east of Belize City. It is shaded by coconut palms and mellowed by soft tropical breezes. ***

* This will be Art's fourth trip to the Turneffe Islands. Previous trips were in 1996, 1999, and 2000. QSL direct via NN7A (Art Phillips, P.O. Box 73, Eckert, CO 81418 USA), or via the ARRL bureau. Bureau cards sent to Belize cannot be answered (there is no active V3 bureau). There will be no on-line logs, and email contact will not be possible while on the island.***

I.C.P.O. Bulletin (21-28 January 2010)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

Amateur radio operators are asked to keep the frequencies 3720, 3977, 7045, 7265, 14265 and 14300 kHz clear for emergency traffic. The local amateurs Jean-Robert Gaillard (HH2JR), his father John Henault (HH6JH) and Pierre Petry (HH2/HB9AMO), who travelled to Haiti only in the beginning of this year, are all doing well. You may listen to a phone patch recording of HH2JR and W3ZU at: www.southgatearc.org/

More news from FO/DL3APO's team in Austral islands FO/A -
They have now the two amplifiers, but they still wait for all antennas.
They hope to have antennas with next flight (Friday).
They work at this moment with "quick built" antenna (built with wires for radials) and amplifier.
They will be TX3D (special call-sign given by French ANFR of Papeete today) from Friday 23rd to the end of dxpedition.
They can have internet connexion in another village and they will try to upload log as soon as possible.
Onlinelog will be on: www.df3cb.com/logsearch/cgcg/
Best 73 de FO8RZ Phil web site is now on: f5phw.hamlogs.net/ [F5NQL]

20/01/2010: Igor UA3DJY has returned to Dar Es Salaam, Tanzania, and will be active as 5I3A from 20 January to 1 March. He will try to be active on all bands. QSL via RK3AOL (QRZ.com). [dx-hamspirit.com]

21/01/2010: Nick, G3RWF will once again be active from Port Fortal, Uganda, as 5X1NH between 21 January and 21 March. Activity will be on the HF bands. Nick prefers CW and likes the Digital modes (PSK and RTTY), but may work SSB whenever signals are good enough. QSL via home call, direct or bureau. [OPDX Bulletin]

21/01/2010: QSL Manager Allan, G0IAS reports that Harry, 7Q7HB (G0JMU) is again heading to the warmer climate of Malawi for a period of 3 months or so. He was stuck in Nairobi but was hoping to be in 7Q-land via Lusaka on Thursday (21 January). Activity will probably be on the Digital modes and CW. QSL as usual is ONLY DIRECT to G0IAS with sufficient funds for return cards. NO BUREAU cards. NO eQSLs. Just old fashioned paper cards DIRECT! [OPDX Bulletin]

21/01/2010: Bernhard, DL2GAC will be active again as H44MS from Honiara, Guadalcanal Island (IOTA OC-047, WLOTA LH-0086), Solomon Islands for three months. Expected arrival and departure dates are 21 January and 20 April. On 6-19 February he will be going to the Reef Islands (OC-065), Temotu Province along with Siegfried DK9FN (H40FN) and

Hans-Peter DG1FK (H40FK), and operate as H40MS. QSL via home call, direct or bureau. [425 DX News]

21/01/2010: Eddy, ON4AFU will be active as HS0ZJF/8 from Koh Samui (IOTA AS-101, WLOTA LH-1384) from 21-30 January. QSL via home call, direct or bureau. [dx-hamspirit.com]

21/01/2010: Gerd, DJ4KW (V31YN) and Gisela, DK9GG (V31GW) will be active from Smugglers' Den, Consejo Shores, Corozal, Belize from 21 January to 28 February, including entries in the CQWW RTTY WPX Contest (13-14 February), ARRL International DX CW Contest (20-21 February) and the CQ 160-Meter SSB Contest (27-18 February). On 2-7 February look for V31YN/p to be active from the Blue Marlin Lodge, Dangriga Town, South Water Caye (IOTA NA-180). QSLs via home calls (direct or bureau), or LoTW. Please no E-QSL. Further information at: www.qslnet.de/member/dj4kw/v31yn.htm [425 DX News]

21/01/2010: Michael, G7VJR (VP8DMN) and Martin, G3ZAY (VP8DFK) will be operational on the low bands from Darwin, East Falkland Island (IOTA SA-002, WLOTA LH-1479) between 21-29 January. QSL via G7VJR, direct or bureau. Logs will be uploaded to LoTW. An online log search will be available at: www.clublog.org/expeditions/VP8DMN [dx-hamspirit.com]

21/01/2010: Nick/9A6DX (YJ0DX), Hrle/9A6XX (YJ0XX) and Marko/9A8MM (YJ0MM) will be active as YJ0MM from Efate Island (OC-035), Vanuatu, between 21-28 January. QRV on 160-10m using CW, SSB and RTTY. QSL manager for the expedition is 9A8MM, direct or automatically via the bureau. Full information is available on the Vanuatu 2010 website: vanuatu.rkp.hr/ [dx-hamspirit.com]

22/01/2010: Gilford Castle in Northern Ireland will be activated on 22 January from 10pm on various HF bands using SSB and PSK as part of the Castles and Stately Homes on the Air scheme in Northern Ireland. The activation is being run by Bobby, 2I0ULL. [GB2RS]

23/01/2010: Jorge, CT1FMX will be active as homecall/p from the historic object "Aqueduto da Usseira" (WCA CT-0346, DMHP LR-089) on 23 January. QSL via home call, direct or bureau. [RN1CW]

23/01/2010: The Scottish-Russian Amateur Radio Society, MM0DGR/m will be working from the Braehead Moss National Nature Reserve (WFF GMFF-010) on Saturday, 23rd January. Operators: Jurij MM0DFV and John GM0WRR. Bands: 3.5 - 28 MHz, CW/SSB/RTTY/PSK. WAB Square NS95, Grid Locator IO85 (South Lanarkshire). Equipment: 10m Vertical Antenna + ATU, Icom IC-706MKIIG, 450W Mobile Power Amplifier. QSL-cards via MM0DFV (RSGB QSL-Bureau). [MM0DFV]

23/01/2010: Joey, W5BAK will be heading to Big Bend National Park, Texas, and grid reference DL88 for the ARRL January VHF Sweepstakes (23-25 January). He will be QRV using the callsign NA5RC, which belongs to the Baytown Red Cross Amatuer Radio Communications Club. He will be rover from several of the other area grids too but DL88 is the goal. QSL

via W5BAK. [NG3K]

23/01/2010: Fred, PY2XB will be active from Fernando de Noronha (SA-003, DIB OC-01, WLOTA LH-1208) as PY2XB/PY0F from 23 January to 3 February, including an entry in the CQWW 160M CW contest (29-31 January) with the callsign PQ0F. Outside the contest look for Fred to be QRV on all bands, using CW, SSB and some RTTY and PSK. QSL both calls via PT7WA, direct or bureau. [PT7WA]

24/01/2010: Amadeu, CT2HGL will be active as homecall/p from the historic object "Ermida de St. Barbara" (WCA CT-0345, DMHP CO-157) on 24 January. QSL via home call, direct or bureau. [RN1CW]

26/01/2010: Tom, GM4FDM and Ronald, PA3EWP will be active as 6W/GM4FDM and 6W/PA3EWP from Senegal from 26 January to 9 February. They plan to concentrate on the low bands and RTTY, with an emphasis on North America and Japan. QSL 6W/GM4FDM via home call, QSL 6W/PA3EWP via PA7FM. Tom will upload his logs on LoTW, during the operation or as soon as he arrives home. [425 DX News]

27/01/2010: Laci, HA0NAR will be in west Africa end of January to end of February, 2010 visiting Senegal and Guinea Bissau. Dates QRV from each country are as follows: Senegal as 6W/HA0NAR from 27 January to 10 February; Guinea Bissau as J5NAR from 11-21 February. Laci will be activating IOTA groups AF-078 and AF-093 when there. More details to follow. [DX World]

==========

LOOKING AHEAD -

04/02/2010: Andrew, VK2ACC will be active from Norfolk Island (IOTA OC-005, WLOTA LH-1469) as VK2ACC/9 from 4-9 February. QRV 40-6 metres, using SSB and maybe some PSK31, with 100W to Buddipole and end-fed wire. This will be a holiday style operation. QSL via home call, direct or bureau. [NG3K]

06/02/2010: Jeff, VA3QSL will be QRV near IOTA frequencies as KP2/VA3QSL, CW/SSB/PSK on 40-15 metres from St. Thomas (IOTA NA-106, USi VI004S) and St. Croix (IOTA NA-106, USi VI002S, WLOTA LH-2477), USVI, from 6-14 February. This will be a vacation style operation. QSL via home call, direct or bureau. [VA3QSL]

18/02/2010: Luc, F5RAV will be active from the 6W7RV radio shack in Somone, Senegal, from 18 February to 1 March. QRV on all HF bands. QSL via home call, direct with two green stamps and SAE. [NG3K]

20/02/2010: Operators Andy EA8CN, Manuel EA8NC, Anders SM6CNN and Luis EA8AY will be active from Tacoronte, Isla de Tenerife (DIE S-012, WLOTA LH-1276), Canary Islands (AF-004) as EF8N during the ARRL DX CW Contest (20-21 February) as a Multi-2 entry. QSL via EA8AY, direct or bureau. [NG3K]

25/02/2010: Members of TIARA (Tokyo International Amateur Radio Association) namely Kawa AB2ST/KH2, Ken K0EN/KH2 and Toshio, KG6WTW/KH2 will be on the air from Guam (IOTA OC-026, USi GU003S, WLOTA LH-0064) from 25 February until 1 March. Activity will be on HF all bands, mainly beaming Europe. QSL all calls via JF1TEU, JARL bureau or direct. This project is the sequel to the one in 2008. [dx-hamspirit.com]

26/02/2010: Peter, PA1LP will be QRV from Nieuw Nickerie, Suriname, between 26 February and 26 March using the callsign PZ5LP. He will be using a FT-857, G5RV with LDG Z100 tuner and 100 watts o/p. QSL via eQSL or LoTW. [dx-hamspirit.com]

03/03/2010: Tim, NL8F plans to be active 3-10 March from Cocos (Keeling) Islands (OC-003, Grid NH87) as VK9C/NL8F, or possibly VK9COF, including an entry in the ARRL DX SSB Contest (6-7 March). QRV 80-10 metres, using vertical antenna, plus some 6 metre activity. QSL via K8NA (QRZ.com). [NG3K]

20/03/2010: Tim, NL8F will be active as E51COF from Rarotonga Island (OC-013), South Cook Islands, from 20-30 March, including an entry in the CQWW WPX SSB Contest (27-28 March). QRV 80-10 metres using vertical antenna. QSL via K8NA (QRZ.com). [NG3K]

27/03/2010: Sergio, NP3QE will be active from Ponce, Puerto Rico (IOTA NA-099, USi PR006S, WLOTA LH-2802), during the CQWW WPX SSB Contest (27-28 March) as a Single-Op/Single-Band (20m) entry. QSL via QRZ.com. [NG3K]

24/05/2010: Tomas, VK2CCC will be active as VK9CLH from Lord Howe Island (OC-004) from 24-31 May. QRV 160m/80m, spare time operation, including an entry in the CQWW WPX CW Contest (29-30 May). QSL via online QSL request system, Lotw, bureau or direct. Further info at: www.qrz.lt/ly1df/vk9clh.htm [NG3K]

10/06/2010: Jim, WB2REM and Glenn, KD2JA will be operating the special call VQ5M from the Turks and Caicos Islands from 12-14 June during the ARRL June VHF Contest. This operation will be from Providenciales Island (IOTA NA-002, WW Loc. FL31VS). Operation for the contest will be on 6 metre SSB and CW only, with 7 element M2 antenna. QSL via KD2JA (QRZ.com). Other than the contest operation, from 10-17 June, Jim and Glenn will be operating on 160-6 metres, CW and SSB with their respective calls, VP5/WB2REM and VP5/KD2JA. QSL via home calls. [NG3K]

23/07/2010: Ryan N0OJ, Peter VK4FSSB, and Andrew VK4HAM will be active from Fraser Island (OC-142, WLOTA LH-2976) as VK4HAM from 23-26 July. Main focus will be the RSGB IOTA Contest (24-25 July). QRV all bands before and after the contest. QSL via VK4HAM (QRZ.com). [rsgbiota.org]

==========

SPECIAL EVENTS -

22/01/2010: On 22 January, PG Lincoln Shortwave Club will put GB4VK on the air for Australia Day. QSL direct to G4OSB. [GB2RS]

22/01/2010: Look for the special callsign ST26ASC to be used between 22-28 January. This activity coincides with the 26th Arab Scouts Conference from Khartoum, Sudan. QSL via ST2M (QRZ.com). [OPDX Bulletin]

23/01/2010: The PG Lincoln Shortwave Club in the UK will be QRV for an Australia breakfast Day on Sunday 24th January, the weekend closest to Australia Day, the event is organised by Lincoln City Council. The event is good fun, a fund raising event, the public turn up, hundreds and hundreds of them, and the Lincoln Short Wave club will be putting an amateur radio station in the mix. They will use the callsign G5FZ, first issued over 80 years ago, as 5FZ and they have also been granted GB4VK - a special event call. They would like to alert all you good guys - and gals - in Australia that they will be looking for calls from VK - they expect to be QRV on 14, 18 and 21Mhz conditions and sunspots permitting! They have a 60Foot trailer mounted tower with a 5 element beam on top. [WIA News]

23/01/2010: The Scarborough Special Events Group will be on the air as GB4RNLI for the RNLI SOS week, commencing at 0000z on 23 January and ends at 2359z on 31 January. The QSL card will show the Scarborough Mersey class all-weather lifeboat and the D Class inshore lifeboat exercising in the South Bay with HMS Explorer, an Archer class P2000 coastal training craft and a rescue helicopter from RAF Leconfield. QSL via the bureau or direct to club call G0OOO. [GB2RS]

U.S.A. Special event station information can be found at:

SILENT KEYS -

>From the CQ Newsroom ...

It is with great sadness that we report that our friend and longtime
colleague, Dave Ingram, K4TWJ, became a Silent Key this morning (Jan.
20), as a result of complications from a massive heart attack he
suffered on New Year's Eve.

Dave has been writing for CQ at least since 1981 and has been a CQ columnist since 1982, starting with an amateur television column called World of Video. That column eventually broadened its outlook and became World of Ideas, Dave's signature monthly column in CQ. Regular topics included code keys, stealth antennas, building "new vintage" tube gear and mobiling. In addition, for the past decade, Dave has been CQ's QRP (low power) Editor and "How it Works" columnist. His enthusiasm for whatever caught his interest was contagious and spread widely through his informal yet educational writing style.

Funeral arrangements are not complete as of this writing. We will post additional information on the CQ website news page when it becomes available. Condolence cards may be sent to Dave's wife, Sandy, WB4OEE, at their Callbook address.

73,
The editors

- This is a tremendous loss to the CW community. Dave was not only a super-nice, ethical guy, but his books about keys are an invaluable resource of information for collectors. I'm proud to have him listed as a FISTS member (#1435), and also to be the recipient of his infamous "Woody" key - made of a clothespin - that he sent out to those with whom he had a special QSO.
73, Nancy WZ8C

- From the CQ Newsroom...
Many hams have inquired about making donations in memory of Dave Ingram, K4TWJ. His wife, Sandy, WB4OEE, asks that any such contributions be made to the American Heart Association.

Vadim Mohov, RU1AP has been reported Silent Key at the age of 85.
==========
BITS & PIECES -

OPENING FOR WORLD'S NORTHERNMOST CONTEST TEAM, OH8X
Far above 60 degrees North in the icy arctic reaches of Northern Finland lies a log house with an original Finnish sauna and cozy sleeping quarters along with the radio station OH8X with its massive antennas springing up from the barren tundra. See www.radioarcala.com/
Should you like to experience the deep North with its blazing Aurora Borealis coupled with unique polar openings to the United States, this is your chance. Radio Arcala will host four or five younger contest types participating as a multi team in the ARRL DX (CW) Contest on the weekend of February 20-21, 2010. The event will start Thursday evening on the 18th and finish on Monday the 22nd. SSB/WARC operating will also be available on those days, including on a limited scale during the contest weekend.
Your destination will be the city of Oulu from where we will take care of you. Just drop us a note and explain your desire as well as your potential as an operator on a multinational CW team. Send your email to

team leader Marius Hauki, LB3HC [mhauki@gmail.com] and he will give you more details. Please contact Marius soonest but no later than January 30th.
You may also approach your favorite Contest Club and/or contest operators in your area for their expected support in making your trip a reality. You would owe them an adventure report upon your return.
(((73)))
Jarmo OH2BN

D2CQ logs are now available on "CT's Logs Online"
http://algarvedx.com/logonline
QSL card via CT1IUA and all information can be found on
http://algarvedx.com/ct1iua
73's
Algarve STAR DX Team

New logs uploaded on "CT's Logs OnLine" http://algarvedx.com/logonline
CT1FMX/p, CT2FFC/p, CT2HQS/p and CT2IRY/p.
All are OK to DMHP, DPRN, WCA, WFF...
DPRN (Portuguese Natural Parks Award) is updated and available on:
algarvedx.com/dprn

After the publication of the most wanted list for 2009 by Carl N4AA, I have updated our web site with the Top Ten for the last 8 years (2002-2009) where you can find more than 300 QSL for this rare DXCC countries. The address is:
http://lesnouvellesdx.fr/galerie/galerie.php?page=listtopten
and if you don't read french you can use the automatic translator on the left side of the page. It's not perfect but it works so well!
Of course some cards are still needed and the cooperation from every body is welcome. We don't need the paper card but only a .jpg file (both side) is OK. Best wishes, Jean-Michel F6AJA.

ARRL: New ARRL Web Site Coming Soon!
It’s almost here! After more than two years of planning, designing and writing, the ARRL is anxiously awaiting the launch of the new ARRL Web site. We’ve been able to streamline several processes -- from the online store, to registering for a class, to finding a club -- plus we've created a new, enhanced member profile with many more options available. We’ve made improvements with you in mind, making sure that we’ve created the easiest, most enjoyable online experience possible. The new Web site will be available the first week of February.

Richard Fisher, KI6SN, Named Editor of WorldRadio Online
Veteran journalist and writer Richard Fisher, KI6SN, has been named Editor of WorldRadio Online, effective with the April issue, Publisher Richard Ross, K2MGA, announced today. Fisher will succeed Nancy Kott, WZ8C, who is stepping down.
Kott has been Editor of WorldRadio and WorldRadio Online for the past eight years, guiding the magazine through its transition a year ago from

print to online publication. She announced her impending departure in the February issue, which was posted online today.
Fisher, 59, recently completed a 35-year career in newspaper print and online journalism in a variety of reporting, editing and management roles. He also has a 17-year association with WorldRadio, first joining the magazine in 1993 as its QRP (low power) columnist - a post he held until the magazine's transition from print to online in February 2009. Fisher is currently a columnist for three magazines published by CQ Communications, Inc. In addition to his WorldRadio Online editing duties, he will continue to write the "Washington Beat" column for Popular Communications, the "Public Service" column for CQ Amateur Radio, and the "Trail-Friendly Radio" column for WorldRadio Online.
He has been licensed 45 years, obtaining his Novice ticket in 1965 at age 14. Fisher is an Extra class licensee who enjoys CW, building has own gear, QRP, contesting, ragchewing, 2-meter FM simplex, antenna experimentation and outdoor operations. He is a co-founder of the Adventure Radio Society.
Fisher begins his new duties as Editor on January 25th. [QRZ.com]

SOS Radio Week 2010
SOS Radio Week 2010 starts at 0000 on 23 January and ends at 2359 on 31 January. During that time individual operators and amateur radio groups all over the UK and Ireland will be making as many contacts as they can to raise money for the Royal National Lifeboat Institution. There are currently thirty individuals and groups registered and details of when and where they will be operating from can be found on the event website at www.sosradioweek.org.uk/. However, it's not too late to join in and register for the event. Simply go to the website and select the option to register for the event. [GB2RS]

Flannan Isles EU-118 MS0INT

(mhtml:{07CC5C58-5B79-4D77-95FE-F2421D63964E}mid://00000806/!x-usc:https://feedads.g.doubl
eclick.net/~a/GPsvYZB5zd034eY8u4c034UolMI/3OuL2Dv0s-59HSQYcAa
UvzTpEaQ/1/pa)

Activated in 1989, 1995, 1999 and 2002, the mysterious Flannan Isles are
certainly a much needed IOTA. Extremely difficult to access due to North
Atlantic weather systems constantly eroding the only two available landing
sites, a determined international group of IOTA enthusiasts intend to activate
the Flannan Islands , EU-118, between June 18-21, 2010.Weather/seas
permitting, the activation will be attempted by Oscar EA1DR, George EA2TA,

Christian EA3NT, Col MM0NDX and Bjorn SM0MDG.
Tim M0URX is QSL manager.

Hi John

This is to inform about an activity on 160m from Sant Antoni Cape light-house SPA-021.

A team of operators will be active as ED5M during the 160 CQWW DX contest next week (29th, 30th, 31st of January 2010). Operation will be on CW during the contest but they expect to be on 160m SSB also during off-contest periods.

Antenna for 160 will be a full size 2 elements delta-loop beam, close to the lighthouse and the 175 meters high cliff. Operators will be EA5FL, EA5FID, EA5GTQ, EA5DY and EA5VH.

All contacts will be confirmed with a full color special QSL card. QSL info via EA5FL.

Best regards

Salvador EA5DY

To list posters: It is better if you do
not specify a font. I have my font size in my
MUA set right where it needs to be for me to be
able to read it. If you specify a font and
size, odds are I won't be able to read it. I am
sure there are many others in our aging
population with the same issue. Save the effort, skip the font specification.

Hi friends
For this issue, thanks to Didier, F5OGL and Tony, F8ATS.
FT5GA QSL cards via F5OGL status :
FT5GA :
All the direct and bureau requests have been answered and mailed . Only 500 envelopes are to be sent on next Friday to European Union countries.
T6YA : All the direct and bureau requests have been answered and mailed
OD5/F5PTM : All the direct and bureau requests have been answered and mailed
Please avoid to renew your requests for these callsigns if you have done them.
Tks Didier, F5OGL.

Scilly DXpedition – EU-011, 15 to 23 of May 2009, by F5KEE members .
The French authorities have cancelled the callsign M/F5KEE/p .
So for this expedition are only LEGAL, the QSO made under the following callsigns : M/F6HER/P Op André eand M/F8ATS/P, op Tony.

For these both callsigns the only one QSL manager is Tony, F8ATS, via the French bureau to him or direct.

Forwarded with 73 by
Maurice, F5NQL,
DX list organizer for the Union Francaise des Telegraphistes, UFT
(_www.uft.net_ (http://www.uft.net/))

If you forward these information by any way, please don't remove the indicated sources.

Apologize for possible double sending.

If this kind of message could be useful to your friends please spread it and ask
them to include their address on the mailing list at : _f5nql@aol.com_ (mailto:f5nql@...) .

If you don't want to receive these message anymore, please ask to be removed of the mailing list, same way.

Don't forget to inform us about any change in your e-mail address.
Pour ce bulletin, merci à Didier,F5OGL et Tony, F8ATS
Bonjour à tous:
Statut des cartes QSL via Dioeier, F5OGL:
FT5GA:
- A ce jour, toutes les demandes de cartes QSL directes ou via bureau pour FT5GA ont été traitées. Seules, environ 500 lettres, toutes à destination de l’Union Européenne, seront postées ce vendredi 29 janvier 2010.

T6YA :
Toutes les demandes de cartes QSL directes ou bureau pour T6YA ont été traitées.
OD5/F5PTM :
Toutes les demandes de cartes QSL directes ou bureau pour OD5/F5PTM ont été traitées.
Ce travail de réponse prenant du temps, il est inutile de renvoyer des demandes supplémentaires. Les stations mentionnées plus haut sont toutes 100 % QSL direct ou via le bureau. »

SCILLY 2009 :
Le call M/F5KEE/P de l expédition aux îles SCILLY eu-011 du 15 au 23 MAI 2008 ,fut annulé par L'art en juin 2008.

Le call correct est celui des opérateurs autorisés de cette expédition a savoir M/F6HER/P André et M/F8ATS/P Tony.

L unique manager pour cette activité est F8ATS TONY, (et non le radio club F5KEE, ni F5OWT ,ni F5LDY le qsl manager du dept 91 !!!)

Merci a tous,et à bientôt dans une autre activité.73

Hi friends
For this issue, thanks to Franck /F4DTO, John/9M6XRO
ZA/F4DTO Franck & ZA/F4 ??? Patrick (callsign pending)
We intend to be active from Albania on 40 to 10m, SSB and maybe a little CW, between April 15-24, from ELBASAN central Albania.
100w and Monoband Dipoles .
Other QSY are scheduled as ZA/HC/p from other locations and also from several summits in the SOTA manner.
QSL both callsigns via the French bureau preferred or even direct sae + $ (see info on QRZ.com)
Please nothing via ZA
F4DTO home page:
http://monsite.orange.fr/f4dto ()

Hi All

Short notice but I will be QRV as XU7XRO from February 3rd to 9th 2010, 160-10m, CW/RTTY/SSB, with a beam @ 22m for HF and Inv-Vees on the same tower for the low bands.

Please QSL ONLY via M0URX. Bureau cards may be requested from M0URX by email. See _www.m0urx.com_ (http://www.m0urx.com) for all info.

LOTW will be uploaded after the operation. Sorry, NO eQSL.

73 - John - 9M6XRO

----- Forwarded Message ----
From: "Phil Daniells, GJ4CBQ" <gj4cbq@...>
To: "topband@..." <topband@...>
Sent: Tue, January 26, 2010 4:13:34 PM
Subject: Topband: GJ4CBQ QSL manager

Hi.

Tom, GM4FDM has very kindly offered to be my QSL manager. Please send
any new QSL requests to Tom. (He started dealing with my QSL cards in
November/December last year).

I made a concerted effort before Christmas to clear my backlog of direct
cards but Nelson has alerted me to the fact that one or two remain.
I'll try and get them posted within the next few days.

If you have sent me cash/IRCs and have not received a card from me
please don't hesitate to send me an email; I now have more spare time
to deal with QSL requests.

My apologies to those who have experienced delay in receiving a card
from me. With Tom's help turnaround time should be a lot quicker in
future. I might get on the air a bit more too :=))

73,

Phil, GJ4CBQ.

>From 1st to 30th June 2010 our club is organizing the "EPC Fourth Year Clelebration Month" (EPC FYCM). There will be many special event stations working with the "EPC" suffix from all over the world. We are looking for EPC operators in various countries to apply for the special event station call signs locally to be active during the June, 2010. Please contact us if you are willing to apply for such special event call sign in your own country so that we can make an accurate list of all the participating stations beforehand, and inform PSK enthusiasts all over the world through various DX news resources including our own website. The only requirement is that the suffix of the special event station must be "EPC", such as GB1EPC, GB0EPC, etc. Please don't concern regarding the QSL design and printing expenses, our club will do that. Even if you don't have a QSL manager, we can offer you our help.

We plan to issue a special series of EPC awards for contacts made with EPC club and special event stations from 1st to 30th June 2010. This will be the 4th anniversary celebration of the European PSK Club with more than 11000 members at that time. Please contact us as soon as possible if you wish to run an EPC special event station in June 2010 since it's going to be a great event amongst PSK enthusiasts.

We would also ask our existing EPC club stations to be especially active during this period. Please contact us to confirm your participation so that we can add you to the list of the participants. The UK EPC members have already started to apply for Notices of Variation (NoV) for EPC Special Event Call Signs. Complete lists will be published on our website as soon as we accumulate the information.

I.C.P.O. Bulletin (28 January - 05 February 2010)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

28/01/2010: Bob, N4BP be headed for Freeport, Grand Bahama (NA-080, WLOTA LH-0527) again this Thursday, 28 January, and will stay until 31 January. He will use the callsign C6AKQ. He plans to be on 40m CW Thursday evening including the QRP 40m fox hunt, and also on 40m CW Friday morning. Then the main reason for the trip, of course the CQWW 160M Contest. Bob will be using his Elecraft K3. Antennas will be a 40M inverted-V at 80 feet, and a 160M inverted-L with 90 feet of it vertical. QSL via home call. [N4BP]

28/01/2010: Seppo, OH1VR, will once again be active from Hamilton Parish, Bermuda (IOTA NA-005, WLOTA LH-0201) as VP9/OH1VR between 28 January and 2 February. Activity will be mainly on CW. He will also be an entry in the CQ 160 Meter CW Contest (29-31 January) as a Single-Op entry. QSL via OH1VR, by his CBA. [OPDX Bulletin]

29/01/2010: Dov, 4Z4DX will be on a short-time WFF DXpedition from 1300 UTC 29th January to 1300 UTC 30th January as follows: 4Z4DX/p from the Shivta National Park UNESCO-WH (WFF 4XFF-032) and 4Z4DX/m from the Messif Eilat Mountains Nature Reserve (WFF 4XFF-021). QRV 40 and 20 metres, using CW and SSB. eLog for WFF LogSearch will be given at the end of the expedition. QSL via 4Z4DX. Additional Note: Dov's son, 4Z5DX will be participating in the Ironman competition 2010 Eilat - 29 January 2010 from 04:00 to 19:00 GMT (4km-swimming; 180km-bike; 42 km-running about 13 hours!). [4Z4DX]

29/01/2010: Alex, 4Z5KJ will be active from Netanya, Israel, as 4Z5J during the CQ 160-Meter CW Contest as a Single-Op entry. QSL via W0MM, direct or Bureau. [NG3K]

29/01/2010: Jim, W7EJ will once again be active from Casablanca, Morocco, as CN2R for the CQ 160-Meter CW Contest as a Single-Op/High-Power entry. QSL via home call, direct or by the Bureau. [NG3K]

29/01/2010: Jorge, CX6VM will be active from Melo, Uruguay, during the CQ 160-Meter CW Contest as a Single-Op entry. QSL via W3HNK. [NG3K]

29/01/2010: Look for a team of operators to be active as E7DX from Banja Luka, Bosnia and Hercegovina, during the CQ 160-Meter CW Contest. QSL via E77E. [425 DX News]

29/01/2010: A team of operators will be active as ED5M during the CQ 160-Meter CW Contest from the Cabo de San Antonio lighthouse (FEA E-0180

for the Spanish lighthouse award, ARLHS SPA-021). Operation will be on CW during the contest but they expect to be on 160m SSB also during off-contest periods. Antenna for 160 will be a full size 2 elements delta-loop beam, close to the lighthouse and the 175 metre high cliff. Operators will be Jose EA5FL, Juan EA5FID, Yuri EA5GTQ, Salvador EA5DY and Manuel EA5VH. All contacts will be confirmed with a full color special QSL card. QSL info via EA5FL, Bureau or direct. [K1XN]

29/01/2010: Valery, RD3AF will be active from Santa Maria de Guia, Las Palmas Gran Canaria (DIE S-005, WLOTA LH-0969), Canary Islands (IOTA AF-004), as EF8M during the CQ 160-Meter CW Contest as a Single-Op/All-Band/High-Power entry. QSL via UA3DX. [NG3K]

29/01/2010: Vlad, RA4LW will be active from Ataki, Moldova, using the club stations callsign ER4KAA during the CQ 160-Meter CW Contest as a Single-Op entry. He will be using a 43m vertical and beverages. QSL via RA4LW, direct only. [NG3K]

29/01/2010: Nodir, EY8MM will be active from Dushanbe, Tajikistan, for the CQ 160-Meter CW Contest as a Single-Op entry. QSL via K1BV direct or Bureau. [NG3K]

29/01/2010: The Regionalis Radios Sportklub callsign HG0WFF will again be active on 29-30th January from Hortobagy National Park (WFF reference HAFF-006). Operators will be Laci, HA0HW and Toni, HA0LG. QRV 40, 30, 20 and 17 metres during the day and 80, 40 and 30m during the night, using mostly CW along with some SSB. QSL via HA0HW, by the Bureau or direct. [HA0HW]

29/01/2010: Voravut, HS8JYX will be active from Paknum Muang Krabi, Thailand, during the CQ 160-Meter CW Contest as a Single-Op/Low-Power entry. He will use an inverted L antenna and transmit power limit at about 50 watts. QSL via LoTW or eQSL. [NG3K]

29/01/2010: Lars, DF1LON will be active from Eschdorf, Luxembourg, as LX7I during the CQ 160-Meter CW Contest as a Single-Op entry. QSL via LX2A (QRZ.com). [NG3K]

29/01/2010: Timo OH6GLE, Juha OH6XX and Kari OH5TS will be active from Aland Island (IOTA EU-002, WLOTA LH-1373) as OH0Z during the CQ 160-Meter CW Contest as a Multi-Op entry. QSL via W0MM, direct preferred but Bureau ok. [NG3K]

29/01/2010: Operators Alex, OZ7AM and Tom, OY3AA will be active as OY6A from Torshavn, Streymoy Island (IOTA EU-018, WLOTA LH-2216) during the CQ 160-Meter CW Contest as a Multi-Op entry. QSL via LoTW. Visit the Faroese Radio Amateurs Web page at: www.fra.fo/ [OPDX Bulletin]

29/01/2010: Jeff K8ND and Jim W8WTS will be active as PJ2T from the Signal Point superstation on the island of Curacao (IOTA SA-006, WLOTA LH-0942) for the CQ 160-Meter CW Contest as a Multi-Op entry. QSL via N9AG, direct or Bureau. Log will be uploaded to LoTW. [NG3K]

29/01/2010: A team will be active from the PA6Z superstation during the CQ 160-Meter CW Contest as a Multi-Op entry. QSL via PA9M, direct or Bureau. Visit the PA6Z superstation Web page at: www.pa6z.nl/index.html [OPDX Bulletin]

29/01/2010: A team of operators will be active from Da Traesk, Sweden, as SJ2W during the CQ 160-Meter CW Contest as a Multi-Op entry. QSL direct to SM2WMV. [NG3K]

29/01/2010: Operators Tony T77C, Victor RV2FW, Andy UA2FB, Vladimir UA2FF and Igor UA2FZ will be QRV from San Marino as T70A during the CQ 160-Meter CW Contest as a Multi-Op entry. QSL via the information under T70A at QRZ.com. [NG3K]

29/01/2010: Yuri, K3BU will activate the TF4M club station in Otradalur, Iceland (IOTA EU-021, WLOTA LH-2975), using the callsign TF4X during the CQ 160-Meter CW Contest as a Single-Op/High-Power entry. QSL via G3SWH, Bureau or direct. [OPDX Bulletin]

29/01/2010: Peter, XU7ACY will be active from Sihanoukville, Cambodia, during the CQ 160-Meter CW Contest as a Single-Op/Low-Power entry. QSL via W2EN. [NG3K]

29/01/2010: Operators YB1ALL, YB1CCF, YB1KAR, YB1NWP, YC1KAF, YC1BTV, YC1HQQ, YD1GCL, YD1JZ and YD1ORZ will be active from the Indonesian Aerospace Industry Center, Bandung, island of Java (IOTA OC-021, WLOTA LH-1660), Indonesia, as YE1C for the CQ 160-Meter CW Contest as a Multi-Op entry. QSL via YE1C (QRZ.com). [NG3K]

29/01/2010: Operators Ghita YO2LDC, Orza YO2DFA and Pisti YO2LYN will activate "Parcul Natural Portile de Fier" (YOFF-014) on HF using CW and SSB between 29-31st January. Also, look for activity in the CQ 160M CW Contest. QSL via YO3JW, Bureau or direct. [OPDX Bulletin]

30/01/2010: A team of operators from the Oeste DX Gang, namely Jorge CT1FMX, Sergio CT2HQS, Jose CT2GZE, Nuno CT2IRY, Jose CT2FFC and Telmo CT2ILN, will be active on 30th January from the Palacio dos Grandela - Foz do Arelho (WCA CT-1002, DMHP LR-087, for the Portuguese Historic Monuments award) using the special call CQ0ODX/P, from 6:30 - 23:00 UTC on 40-10 metres. QSL via CQ0ODX, direct ONLY (QRZ.com). [RN1CW]

30/01/2010: On next Saturday 30th January, Davide IW1DQS will be active as HC/p from the Castle of Moretta (DCI reference CN-173), located in the city of Moretta (CN). The Town Hall (DMI 4492) and maybe the Church (reference TBA), will also be activated. QSL via IW1DQS, Bureau or direct. [F5NQL]

30/01/2010: Members of the Camden County Amateur Radio, KB4CC plan to activate Cumberland Island (IOTA NA-058, USi GA002S, Camden County), Georgia, on 30-31 January. QRV 14.260 MHz SSB, 14.040 MHz CW, 7.055 MHz CW and 7.030 MHz CW, with a multi-op, 2 radio, battery powered station. QSL via: KB4CC CCARS - USI#GA-002S, PO Box 2203, Kingsland, GA 31548. Further information can be found at www.ccars.org/ [N8OFS]

30/01/2010: The Scottish-Russian Amateur Radio Society, MM0DGR/p will be working from the Clyde Valley Woodlands National Nature Reserve (GMFF-015) on Saturday, 30th January, 2010. Clyde Valley Woodlands NNR is made up of three detached woodlands scattered along the Clyde Valley. Cleghorn Glen and Cartland Craigs are situated on the outskirts of Lanark, with Jock's Gill Wood on the outskirts of Carluke. Bands: 20, 30, and 40 meters. Modes: PSK, CW, and SSB. Equipment: Icom IC-706MKIIG, Antenna 10m-high Vertical with CG-5000 Antena Coupler. Amplifier: HLA-300 Plus (400W). Grid locator IO85CQ, WAB NS84, EU Area SC29 (South Lanarkshire), IOTA EU-005. Nearest town is Lanark. Station's location will be at Jerviswood Tower. QSL via MM0DFV (preferably RSGB QSL-bureau). [MM0DFV]

30/01/2010: Andy, N8OFS (SMIRK #6737) will be participating in the SPAR Winter Field Day (30-31 January) with a Catagory of 1H (1 Operator Home Site) from Medina, Ohio (Grid EN91AE). He will be FM only, using 52.525 MHz Simplex and the Local 6 metre repeaters (/Repeaters ARE ALLOWED for this Contest). Andy will be using the /P setup he used last summer (www.noars.net/got6/N8OFS_P2.JPG); operating out of the pickup truck (engine running), Kenwood TS-60 at 90W (less power when using the /Repeaters) to the 'Dominator' 5/8 wave vertical. Here's a list of the /Repeaters Andy will be using - 51.66OUT/51.16IN/OPEN; 53.19OUT/52.19IN/107.2PL; 53.17OUT/52.17IN/107.2,110.9,136.5PLs; 53.27OUT/52.27IN/107.2PL;...otherwise, he will see ya on Simplex. QSL direct only, or via eQSL. Further information can be found at: mmmonvhf.de/latest.php?id=2972 [N8OFS]

30/01/2010: Members of the European Union Amateur Radio Club (E.U.A.R.C.) in Brussels will activate club station OR5EU during the next UBA SSB Contest between 30-31st January. QSL by the Bureau or direct to ON4HVO. [OPDX Bulletin]

01/02/2010: Luis XQ5CIE, Carlos CE6UFF, Didier F6DXE and Dago CE5COX will be active from the Chilean naval base Arturo Prat (WAP CHI-001) on Greenwich Island (IOTA AN-010, WW Loc. GC07FQ), South Shetland Islands, around 1-2 February until around 27-28 February as XR9JA. They will be active on 160-6m SSB, CW, PSK31, and Satellite AO-51. QSL via CE5JA (Radio Club de Concepcion, P.O. Box 2545, Concepcion, Chile). All QSLs received direct please include recent SASE or 2 USD $; QSL received via Bureau will be returning by the same way. All QSL will be 100% guaranteed. Further information can be found at: www.ce5ja.cl/ also www.ce5ja.cl/xr9ja_ingles.php [F5NQL]

02/02/2010: Members of the "Buddies in the Caribbean" DX-pedition group which specializes in 100 watt or less low power radios and the Buddipole portable antenna system is off again to a new DXpedition site on 2-11 February. This is an annual effort to demonstrate "ultra-lite" DXpeditioning into magnificent "vista" locations, operate a field portable battery-only radio with backpackable, lightweight antennas and most of all "have fun!" The nine operators from eight states mentioned are: Budd/W3FF, Chris/W6HFP, Scott/NE1RD, Dan/WZ1P, Steve/WG0AT, Mike/KC4VG, Guy/N7UN, Paul/KB9AVO and Wey/K8EAB. The team negotiated

with the amateur license regulatory process through the St. Lucia Telecom to receive their J6/homecall licenses in six weeks. In early February they intend to have 3 villa stations in operation on 160-15 metres and some occasional operations on 10m and 6m, propagation permitting, using CW, SSB, and the Digital modes. At the same time, several teams will be battery-only field portable either at St. Lucia beaches or mountain tops. QSL via LoTW, eQSL, or mail to operator's home callsign (SASE required). For more details, see the following web pages: sites.google.com/site/caribbeanbuddies/home and & caribbeanbuddies.blogspot.com/ [OPDX Bulletin]

02/02/2010: Look for Eddy, ON4AFU to be active from Sihanoukville, Cambodia, as XU7AFU from 2-15 February. QRV on all HF bands, CW only. QSL via home call, Bureau preferred. [NG3K]

03/02/2010: Mega, JA3EGZ will be active as KH0/JA3EGZ from the island of Saipan (IOTA OC-086, USi NI002S, WLOTA LH-1333) from 3-8 February. He plans to concentrate on 40 and 80 metres. QSL via home call, direct or Bureau. [425 DX News]

03/02/2010: John, 9M6XRO will be active from Sihanoukville, Cambodia, 3-9th February as XU7XRO. QRV 160-10m, CW/RTTY/SSB, with a beam @ 22m for HF and Inv-Vees on the same tower for the low bands. Please QSL ONLY via M0URX. Bureau cards may be requested from M0URX by email. See www.m0urx.com/ for all info. LOTW will be uploaded after the operation. Sorry, NO eQSL. ADDITIONAL NOTE: ISWL Members are reminded that John is a member, so if worked or heard, all his operations count for the Monitor award etc. [F5NQL/Pete's-DX-Newsdesk]

04/02/2010: Robert, N7MSU, will be active as V31SU from various locations in Belize and Turneffe Islands (NA-123) between 4-23 February. Activity will be mainly 40 and 20 metres using CW and SSB. QSL via his home callsign, direct (see QRZ.com) or by the Bureau. [OPDX Bulletin]

04/02/2010: Andrew, VK2ACC will be active from Norfolk Island (IOTA OC-005, WLOTA LH-1469) as VK2ACC/9 from 4-9 February. QRV 40-6 metres, using SSB and maybe some PSK31, with 100W to Buddipole and end-fed wire. This will be a holiday style operation. QSL via home call, direct or Bureau. [NG3K]

05/02/2010: Randy, W6SJ will be active from Grand Bahama Island (IOTA NA-080, WLOTA LH-0527) from 5-10 February. QRV holiday style operation on 30, 17 and 12 metres. QSL via home call, direct or Bureau. [NG3K]

05/02/2010: Jan, SM3CER and Jorgen, SM3FJF will be active from SI9AM (King Chulalongkorn Memorial Amateur Radio Society, www.si9am.se/) in Ragunda on 5-6 February. They plan to operate CW and SSB on 80-17 metres. QSL via SM3CVM, direct or via Bureau. [425 DX News]

05/02/2010: Hellenic Amateur Radio Association of Australia members Tommy VK2IR, Peter VK2NN, Raffy VK2RF, Allan VK2GR, Paul VK2HV and Jeff VK3HJA will be active from Broughton Island (OC-212, WW Loc. QF67DJ),

5-7 February. QRV 160-6 metres. QSL direct to VK2IR (QRZ.com). Further information can be found at: www.vi2bi.blogspot.com/ [rsgbiota.org]

05/02/2010: Mirek, VK6DXI will be on a business trip to Bulawayo, Zimbabwe between 5-13 February. Activity likely "after hours" using Z21DXI. QSL via SP5UAF, direct or by the Bureau. [dx-world-net]

Be sure to check Bill's (NG3K) website for updated CQ 160M CW Contest activity at: http://ng3k.com/Misc/cq160c2010.html .. Good luck to all participants & have fun!!!
==========
LOOKING AHEAD -

06/02/2010: Manel EA3EGB, will be active as homecall/p on 6-7th February, from the Castle of Llivia (WCA EA-2130 for the World Castles award; DCE GI-213 for the Spanish Castles award; DME-17094 for the Spanish Municipalities [similar to USA-CA for county hunting]). Also valid for the certificate of nature parks (EAFF-114). Equipment: ICOM 751-1/100W, Antenna: 3 ele Yagi Beam 10/15/20m, dipole on 80 metres and vertical on 40 metres. He plans to work CW, SSB, RTTY and PSK-31. QSL via home call, Bureau or direct. [RN1CW]

13/02/2010: In commemoration of the 7th Antarctic Activity Week, François, F8DVD will be using the special callsign TM7AAW between February 13-28th. The WAP reference number is 185. The activity will take place from his home QTH in Macon, the eastern part of France. A special color QSL card showing a view of Antarctica will be issued. QSL via F8DVD, by the Bureau or direct (SAE with 1 IRC or 2 USD) to: François Bergez, 6, Rue Liberte, F-71000 MACON, FRANCE. For more info, have a visit on: tm7aaw.monsite.orange.fr/ Or send e-mail to: a.pole@... [F5NQL]

22/02/2010: Helmut DL3KBQ as 9UXEV (correct call), Henry DL2RSI as 9U1RSI, Peter DH2KI as 9U1KI and Jürgen DJ2VO as 9U1VO will operate from Burundi from 22nd February to 6th March. QRV on the HF bands using CW, SSB and digital modes with 100W and vertical antennas. QSL to homecalls via DARC Bureau or direct. [NG3K]

22/02/2010: The 7th Antarctic Activity Week will be held from 22-28 February, with various countries and special callsigns active. Look for the following: DA0ANT WAP-128 (QSL DC2SF), K4A WAP-073 (QSL K6EID), K4K WAP-176 (QSL K4MZU), II2ANT WAP-030 (QSL I2JJR), IR1ANT WAP-002 (QSL I1HYW). Further information about the event plus full list of participating stations can be found at: www.waponline.it/ [Worldwide Antarctic Program]

22/02/2010: Operators Javi EC1KV, Dani EB1LA, Carri EA1CUB, Luis EA1CS, Juanjo EA1WX, Juan Carlos EA1AUM, Gil EA1HFM and Fernando EA1GHT will be active 22-28 February as AO1ANT for the celebration of the 7th Antarctic Activity Week. Their reference will be WAP-180 and the SSB, CW, PSK31 and RTTY modes, will be activated, in all the amateur bands from 10 to 160 metres. QSL via EA1GHT, Bureau or direct. For more info see:

www.qrz.com/db/ao1ant [EA1GHT]

23/02/2010: Joerg, OE6VHF will be active as 8Q7JK from Thulhagiri Island, North Male Atoll (WLOTA LH-3911), Maldive Islands (AS-013) between 23rd February and 5th March. QRV 40-10m, mostly SSB, using 100W and dipole antennas. QSLs will be sent out via GLOBALQSL. [NG3K]

24/02/2010: John, K3TEJ will be active as J7N from the island of Dominica (IOTA NA-101) between 24 February and 11 March, including Single-Op entries in the CQWW 160M SSB (26-28 February) and the ARRL DX SSB Contests (6-7 March). Outside the contests John will be QRV using CW and RTTY. QSL direct via his home call (QRZ.com). [NG3K]

06/03/2010: Look for Jimmy, BX5AA to be active from Changhua City, Taiwan (IOTA AS-020, WLOTA LH-0022) for the ARRL DX SSB Contest (6-7 March) as a Single-Op/All-Band/High-Power entry. QSL via the information at QRZ.com. [NG3K]

11/03/2010: Members of the Amateur Radio Outdoor Adventures, Inc., will be active 11-15th March as K4T from Fort Jefferson, Garden Key (USi FL013S) in the Dry Tortugas (IOTA NA-079, Grid square EL84, Monroe county), Florida. This activity will also count for the Fort Jefferson lighthouse (ARLHS USA-316, TWLHD WLH K-066). Team members will include Mike AC2V, Dave N2NL, Chris KN3ZIG, Pete AI4QY, Gary K4MF, Max KJ4EUT, Dan W4UH, Pete WD4IXD, Fred K9VV, Vick WA0USA, Zoli HA1AG and Jennifer LeSueur. QRV with 3 HF stations and one satellite station using CW, SSB and digital modes. Power will be provided by batteries, 8 75W solar panels and a 500W wind turbine. QSL via operators' instructions. Further infomation can be found on their web site at: aroadventures.org/ [AROA]

27/03/2010: Jimmy, BX5AA will be active from Changhua City, Taiwan (IOTA AS-020, WLOTA LH-0022) during the CQWW WPX SSB Contest (27-28 March) as a Single-Op/All-Band/High-Power entry. QSL via the information at QRZ.com. [NG3K]

05/04/2010: Operators Filip LX9FC (team leader), Steffi ON4AEO, Kath ON7BK, Jose ON4CJK, Ronny ON4RK, Gert ZS6GC, Lucas ZS6ACT, Sid ZS6AYC, Adele ZR6APT and possibly others will be active from Luxemburg as LX9FC from 5-11th April. QRV 80-10m using CW, SSB, RTTY and PSK. QSL via ON4CJK, Bureau or direct. Further information and log search can be found at:
www.filipstattooshop.be/luxemburg/expeditie%202010/nieuw/index.html [NG3K]

15/04/2010: Franck, F4DTO and Patrick, F4??? (callsign pending) will be active from Elbasan, central Albania, from 15-24th April as ZA/homecall. QRV 40-10m using SSB and maybe a little CW, with 100W and monoband dipoles. Other QSY are scheduled as ZA/HC/p from other locations and also from several summits in the SOTA style. QSL both callsigns via the French Bureau preferred or even direct sae + $ (see info on QRZ.com). Please nothing via ZA. F4DTO home page: monsite.orange.fr/f4dto [F5NQL]

23/05/2010: Alex, PY2WAS will be active from Providenciales island (NA-002) 20-23rd May as VP5/PY2WAS. QRV on 80-10m CW and SSB. There is a possibility to share the operation with PY1YB - Ivan, but his participation is not confirmed yet. QSL cards may be sent via Bureau or direct to PY2WAS. [NG3K]

14/08/2010: The Tri-County Amateur Radio Club, WC5C will be active on 14 August (1400z-2300z) for their annual activation of Pelican Island (USi TX050L), located in Eagle Mountain Lake, Tarrant county, Texas. QRV on 28.350 21.350 14.250 7.250 MHz SSB. QSL direct to KB5YLG (David Johnson, 820 Wood Ln, Azle, TX 76020 USA) with SASE/SAE + sufficient postage. Further info at:www.wc5c.org/ [N8OFS]

21/08/2010: The Great South Bay Amateur Radio Club, W2GSB will be active on 21-22 August as W2GSB/LH from the Fire Island (IOTA NA-026, USi NY013S) lighthouse (ARLHS USA-286, TWLHD WLH K-060, WLOTA LH-1922) in Suffolk county, State of New York. QRV on 14.225, 7.175, 3.850 MHz SSB and 14.070 PSK. QSL direct to: W2GSB/LH, PO Box 1356, West Babylon, NY 11704 USA. Website: www.gsbarc.org/ [N8OFS]
==========
SPECIAL EVENTS -

30/01/2010: GB1LBD for Life Boats, Derby will also be on the air as part of the SOS Radio Week’s activities in raising funds for the Royal National Lifeboat Institution. Dave, G1VAC and Dave, G1VAB, will be operating for 24-hours, each contact made by GB1LBD being sponsored. The station will be operational from 1000z on Saturday 30 January through to 1000z on Sunday 31st and will be located in the Memorial Hall of the United Reformed Church in Carlton Road, Derby. QSL via eQSL ONLY. [GB2RS]

31/01/2010: GD0MAN will be run by the Isle of Man ARS for the RNLI SOS Radio day on 31 January from Colby, Isle of Man. The station will operate on 80m at around 3.700MHz ±100-200kHz between 6am and 6pm. They hope to run a separate data mode station on 40m or 20m. QSL via GD0HYM, direct preferred but Bureau ok. [GB2RS]

01/02/2010: Special event station 8J6CK will be aired between 1 February and 31 March to celebrate the 2010 International Camellia Congress in Kurume, Fukuoka prefecture, Kyushu island (AS-077, JIIA AS-077-001, WLOTA LH-0963), Japan. QSL via the JARL Bureau. [JJ1WTL/AC6IM]

01/02/2010: Fred PA0FAW will air the special event callsign PA75HV from 1st February to 28th February to celebrate 75 years of the National Park "De Hoge Veluwe". He will not transmit from the park, but will activate this call probably 3x this year from his usual QTH's. QSL's are ok direct, Bureau and e-QSL, NO LOTW. [Pete's-DX-Newsdesk]

01/02/2010: Mariusz, SP5XSL will be active as SP80XSL from Czernice Borowe, Poland, between 1 February and 30 April to celebrate the 80th anniversary of the Polish Amateur Radio Union (PZK). QSL via home call. Information on the commemorative award issued by PZK can be found at:

www.qrz.com/db/sn80pzk [425 DX News]

04/02/2010: Operators Claire WL7MY and John KL7JR will be operating special event station N7I from Honolulu, Oahu Island (OC-019, USi HI008S, WLOTA LH-1227), February 4-10th. Activity is in celebration of the 16th anniversary of the U.S. Islands Awards program. Main frequency will be: 28460 or 14260 kHz. They use a TS-50 and a vertical on mag mount. QSL Manager is KL7JR. For additional info: www.usislands.org/ [OPDX Bulletin]

U.S.A. Special event station information can be found at: www.arrl.org/contests/spev.html

MORE YAGIS -
Following the huge response to the publication of my yagi designs last

autumn, I have carried out a major update of my website.
Included are several new yagis with special attention paid to both the
E-Plane and H-Plane.
Lionel Edwards VE7BQH has reviewed my designs in his famous G/T analysis
tables and G4CQM yagis can be seen as top-end performers!
The designs are still free and additional information to aid
construction has also been added to the website.
The design ethos is one of SIMPLICITY of construction!

This Information is extracted from an email sent by Graham G4JZF:

Just a reminder that all claims for the Ruby Trophy Award
& also anyone that may have attained the Diamond Squares Award
Must be sent to Dave G4IAR by the end of February so that
The trophies can be ordered in time for the AGM.

Talking about the AGM this will again be held at the
Spalding Rally, Sunday 6th June at 12:30.

We still require new blood to come on to the committee
So if you would like to come on to the committee please get in
Touch with the Secretary Geoff G7GJU g7gju@...

CONTESTS
Today Saturday 30th January the 160m WAB phone
Contest takes place from 19:00 UTC until 23:00 UTC tonight.

All rules and paperwork can be down loaded from the WAB web site.
www.worked-all-britain.co.uk

For the time being until a new contest manager is appointed,
Please send all entries to Brian Stocks G0BFJ
QTHR or e-mail to g0bfj@...

John, finally after much learning, I have now got most of the logs I manage onto LOTW
So now 3D2SQ, A35SQ, W7TSQ, W7TSQ/HR6, W7TSQ/TI5, W7TSQ/TI7, YB3ASQ, YB3ASQ/9 & ZK1ASQ North Cooks and ZK1ASQ South Cooks in addition to ZK1MA which is North Cooks for CQWW SSB in 2002 are there and *LOTW is preferred route*.
Also of interest VP5W logs for CQWW CW for 2004,2005,2006,2007 & 2008 along with A35RK & A35A, and YB3OSE & YC3OSE are available.
Hopefully YB0AZ will also be there as I have asked him to put his logs on LOTW.
Paul has also put his 3D2RK, KH8/KK6H & KK6H LOGS ON
My next step is to try and get AH6PN/HR6 & N7QXQ/HR6 to add his logs
Bob

Hi John,

Kindly put in your dx news of the activity of my friend Kanji Takemasa, V85NL, at my Tungku Lodge from 5th Feb to 8th Feb operating on all bands mostly on CW especially Top Band, 80, 40 and 20 meters. He will be active on WRAC if the propagation allows. His home call is JA4ENL. Please QSL Direct to JA4ENL. Thank you and 73.

de Ambran, v85ss.

ps. Please look at my site www.tungkulodge.blogspot.com/

*Detailed information & map are available at
http://www.srars.org/wff-reports/gmff-046.htm*
**
MM?DGR/p will be operating from the Loch Lomond National Nature Reserve (GMFF-046) on Saturday*, 6th February, 2010*. The portable station will be located at the *Shore Wood* (southeast corner of Loch Lomond). Equipment: Icom IC-706MKIIG with HLA-300 Plus (300W) HF Power Amplifier. Antenna: 9m high Vertical with CG-5000 Automatic Antenna Coupler. Grid locator *IO76RB*, WAB *NS48*, EU Area *SC31 *(West Dunbartonshire), IOTA *EU-005*. Bands, modes and frequencies ? QRM: *20 m* (BPSK63 14.072 MHz, CW 14.044 MHz, SSB 14.244 MHz); *30 m* (BPSK63 10.142 MHz, CW 10.110 MHz); *40 m* (BPSK63 7.044 MHz, CW 7.014 MHz, SSB 7.144 MHz). QSL-cards via *MM?DFV* (preferably RSGB QSL-bureau).

Loch Lomond National Nature Reserve (GMFF-046) lies in the southeast corner of Loch Lomond, in the southern part of the Loch Lomond and Trossachs National Park (GMFF-002). This portable expedition gives you two WFF reference numbers *GMFF-046* and *GMFF-002* simultaneously. The Reserve includes some of the woodlands for which Loch Lomond is renowned, including the wooded shores on the mainland and on the islands of Inchcailloch, Clairinsh, Torrinch, Creinch and Aber Isle and the wetlands at the mouth of the River Endrick.

Bill Moore NC1L

UNITED KINGDOM:
GB10GKA Special Event Station

To mark the 10th Anniversary of the closure of the World's largest Maritime Radio Station Portishead Radio / GKA, a special callsign GB10GKA has been granted.

GB10GKA is being activated for a period of one month
30th April 2010 through 27 May 2010.

Hours of operation will be dependent on individual
operator's free time however, it is intended that the
callsign will be active extensively throughout the
licenced period. Operation will be primarily on CW.

STEWART ISLAND – OC 203 -
Ray ZL4TY (home call VK4DXA), Paul ZL4PA and Paul ZL4M (home call ZL4PW)
will be activating OC-203 Stewart Island March from Friday 12th March till
Monday 23rd March 2010.
It is the first dxpediton for all of us and hopefully the first of many!
This will be a 2-station operation using Spiderbeam-pole verticals for 160
- 30m and a Spiderbeam for 20 - 10m borrowed from Holger ZL3IO (ex-DL7IO)
many thanks!
We intend running barefoot unless we can obtain a solid-state amplifier.
Grid locator: RE43bc
CQ Zone: 32
ITU zone: 60
Look for us on the following frequencies +/- 10kHz, QRM, QRN & propagation
permitting.
160M - 1820 CW, 1845 SSB
80M - 3525 CW, 3580 RTTY, 3785 SSB
40M - 7025 CW, 7038 RTTY, 7165 SSB
30M - 10115 CW, 10145 RTTY
20M - 14025 CW, 14085 RTTY, 14260 SSB
17M - 18080 CW, 18105 RTTY, 18145 SSB
15M - 21025 CW, 21085 RTTY, 21295 SSB
12M - 24895 CW, 24920 RTTY, 24945 SSB
10M - 28025 CW, 28085 RTTY, 28475 SSB
We need a minimum of US$2 or 1 x IRC (please, 2010 issue) for a direct
reply.
Any donation sent with your QSL request will be greatly appreciated.
Cards with insufficient funds or invalid IRCs will be sent via the buro.
All logs will be uploaded to LOTW following the DXpedition.

Maurice, F5NQL,

****
few news

Guy F8ALU is at the moment CN2BG until early of march.
he is in SSB generally on 14115/14130

Florentin F4DYW (FT5WO) is coming back at home and
he has started to reply to all direct request for
his FT5WO activity.

Joel F5PAC will be, with ON6TZ, ON6NP, ON4AFU and NO2R (XU7ACY)
XU7KOH from Russei island (IOTA AS133) from February 19 to 23.

Francois F8DVD will use the special callsign TM7AAW for the
7th antarctica week between February 13 to 28. QSL HC

Best wishes

Jean-Michel F6AJA

9226. GOWIN VERSION 2.21

Yahoo group: GOLIST (2007 — 2010)
Date: 2010-02-04 19:07:05 UTC
From: GOLIST
Topic: 9226 Message: 9226

Is everyone now using GoWin v 2.21?
The 2.21 version is now on the web download page
for you to update your program. It also contains the
latest data file.
John K1XN

9227. [ICPO] ICPO Bulletin (04-12 February 2010)

Yahoo group: GOLIST (2007 — 2010)

I.C.P.O. Bulletin (04-12 February 2010)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

04/02/2010: Dieter, DJ2EH and his XYL Anneli, L8NBH are currently active as C21DL and C21YL from Nauru (OC-031) until 14th February. If all goes well, expect them to work in CW, SSB and RTTY on the usual DX frequencies on 160m-6m. RTTY operation take place using the call C21YL. Their station includes: K3, amplifier with 800 watts, a wirebeam in 15m height, 20.5m vertical for 80m/160m, a 2 ele vertical dipole for 30m/40m, switchable LP/SP. Due to the severe QRN they are trying to build a beverage towards EU in order to work effectively also on the lowbands. QSLs also via the Bureau to their homecalls. [DX Newsletter]

04/02/2010: Guy, F8ALU is currently active from Morocco as CN2BG until early March. He is generally using SSB on 14115/14130 kHz. QSL via home call, direct or Bureau. [F5NQL]

04/02/2010: Fred, DL1NL is currently active from Lima, Peru, until the middle of February. Fred works mostly CW and will be QRV as OA4/DL1NL from Radio Club Peruano (OA4O) when time permits. QSL via home call, direct or Bureau. [dx-world-net]

04/02/2010: Robert, N7MSU, will be active as V31SU from various locations in Belize and Turneffe Islands (NA-123) between 4-23 February. Activity will be mainly 40 and 20 metres using CW and SSB. QSL via his home callsign, direct (see QRZ.com) or by the Bureau. [OPDX Bulletin]

04/02/2010: Andrew, VK2ACC will be active from Norfolk Island (IOTA OC-005, WLOTA LH-1469) as VK2ACC/9 from 4-9 February. QRV 40-6 metres, using SSB and maybe some PSK31, with 100W to Buddipole and end-fed wire. This will be a holiday style operation. QSL via home call, direct or Bureau. [NG3K]

05/02/2010: Randy, W6SJ will be active from Grand Bahama Island (IOTA NA-080, WLOTA LH-0527) from 5-10 February. QRV holiday style operation on 30, 17 and 12 metres. QSL via home call, direct or Bureau. [NG3K]

05/02/2010: Jan, SM3CER and Jorgen, SM3FJF will be active from SI9AM (King Chulalongkorn Memorial Amateur Radio Society, www.si9am.se/) in Ragunda on 5-6 February. They plan to operate CW and SSB on 80-17 metres. QSL via SM3CVM, direct or via Bureau. [425 DX News]

05/02/2010: Kanzi, JA4ENL will be active as V85NL from Tungku Lodge (Ambram's, V85SS, rental QTH, www.tungkulodge.blogspot.com), Brunei (IOTA OC-088, WLOTA LH-1628) on 5-8 February. He will operate on various bands, including 160 metres using Ambram's full wave dipole. QSL via

home call. [425 DX News]

05/02/2010: Hellenic Amateur Radio Association of Australia members Tommy VK2IR, Peter VK2NN, Raffy VK2RF, Allan VK2GR, Paul VK2HV and Jeff VK3HJA will be active from Broughton Island (OC-212, WW Loc. QF67DJ), 5-7 February. QRV 160-6 metres. QSL direct to VK2IR (QRZ.com). Further information can be found at: www.vi2bi.blogspot.com/ [rsgbiota.org]

05/02/2010: Mirek, VK6DXI will be on a business trip to Bulawayo, Zimbabwe, between 5-13 February. Activity likely "after hours" using Z21DXI. QSL via SP5UAF, direct or by the Bureau. [dx-world-net]

06/02/2010: Andrea IZ1MHY has received the authorization to transmit from the Principality of Monaco on 6-7th February 2010 with the callsign 3A/IZ1MHY. QSL via home call. No other details were given. [IW1DQS]

06/02/2010: Jorge, CT1FMX and Luis, CT1CQK will be active on 6th February from the Mosteiro do Varatojo (WCA CT-1050, DMHP LX-073) and the Cruzeiro do Mosteiro Varatojo (WCA CT-1544, DMHP LX-145). They will the callsigns CT1FMX/P (QSL via home call) and CR5CQK (QSL via CT1CQK) on 20 and 40 metres. QSL via Bureau or direct! [RN1CW]

06/02/2010: Manel EA3EGB, will be active as homecall/p on 6-7th February, from the Castle of Llivia (WCA EA-2130 for the World Castles award; DCE GI-213 for the Spanish Castles award; DME-17094 for the Spanish Municipalities [similar to USA-CA for county hunting]). Also valid for the certificate of nature parks (EAFF-114). Equipment: ICOM 751-1/100W, Antenna: 3 ele Yagi Beam 10/15/20m, dipole on 80 metres and vertical on 40 metres. He plans to work CW, SSB, RTTY and PSK-31. QSL via home call, Bureau or direct. [RN1CW]

06/02/2010: Operators EA3AXQ, EA3AXZ, EA3BZF, EA3BZG, EA3CUV, EA3CXY, EA3EIQ, EA3EVR, EA3FO, EA3GHZ, EA3GUM, EA3GVL, EA3IM, EB3COO, EB3FXH, EB3XZ and possibly others will be active on 6-7th February using special callsign EG3MVD (Montblanc Villa Ducal) from Murallas Goticas de Montblanc (WCA EA-04719, DCE/DCC CT-065); Convento de S. Francisco (DMVE MVT-0535); Montblanc (DME 43086). Acitivity is planned for all bands. QSL via bureau! [RN1CW]

06/02/2010: Christophe, F4AQG will be signing homecall/p on 6th February 2010 from the Castle of Sibourg (DFCF 13-046, WW Loc. JN23OO), located in the commune of Lançon Provence (CP 13680), canton [county] of Pelissanne (DDCF 13-51), Department Bouches du Rhone/13 and Province Cote d'Azur (DPF 20). QRV on 40 metre SSB only. QSL via home call, direct or Bureau. [F4AQG]

06/02/2010: Operators Siegfried DK9FN, Bernhard DL2GAC and Hans-Peter DG1FK will be active as H40FN (CW), H40MS (SSB) and H40FK (Digi-mode), respectively, from Pigeon Island, Ngarando/Reef Islands (OC-065) between 6-19 February. Activity will be focused on 160/80m (using their famous LOBSTER 2-element multi-band vertical), but they will operate on 160-6 metres depending on the band conditions. QSL H40FN via HA8FW, H40MS via

DL2GAC and H40FK via DG1FK. QSL cards will be sent out automatically via the Bureau. However, for those who want to receive their QSL cards directly, a minimum of 2 USDs for postage is requested. Donations are most welcome. For more details, updates and pictures/details of Siegfried's last visit to Temotu, please visit the following Web page at: hari-ham.com/h40fn [OPDX Bulletin]

06/02/2010: Look for JM1YGG/JD1 (QSL via home call), JA2ZL/JD1 (QSl via home call), JD1BMV (QSL via JK1EBA), JD1BNB (QSL via JA3MCA) and JM1YGG/JD1 (QSL via home call) to be active from Chichi-jima (JIIA AS-031-003, WLOTA LH-2269), Ogasawara (AS-031), on 6-14 February. They will operate CW, SSB and RTTY on 80-12 metres. QSLs direct or Bureau. [425 DX News]

06/02/2010: Jeff, VA3QSL will be QRV near IOTA frequencies as KP2/VA3QSL, CW/SSB/PSK on 40-15 metres from St. Thomas (IOTA NA-106, USi VI004S) and St. Croix (IOTA NA-106, USi VI002S, WLOTA LH-2477), USVI, from 6-14 February. This will be a vacation style operation. QSL via home call, direct or Bureau. [VA3QSL]

06/02/2010: MM0DGR/p will be operating from the Loch Lomond National Nature Reserve (GMFF-046) on Saturday, 6th February, 2010. The portable station will be located at the Shore Wood (southeast corner of Loch Lomond). Equipment: Icom IC-706MKIIG with HLA-300 Plus (300W) HF Power Amplifier. Antenna: 9m high Vertical with CG-5000 Automatic Antenna Coupler. Grid locator IO76RB, WAB NS48, EU Area SC31 (West Dunbartonshire), IOTA EU-005, WLOTA LH-1234. Bands, modes and frequencies ± QRM: 20 m (BPSK63 14.072 MHz, CW 14.044 MHz, SSB 14.244 MHz); 30 m (BPSK63 10.142 MHz, CW 10.110 MHz); 40 m (BPSK63 7.044 MHz, CW 7.014 MHz, SSB 7.144 MHz). QSL-cards via MM0DFV (preferably RSGB QSL-bureau). [MM0DFV]

08/02/2010: Rick, NE8Z will be active in CW, SSB, RTTY and PSK31 on 80m-10m from several provinces in Ecuador from 8-24th February: HC1MD from Tumbaco, Pichincha province; HC1MD/HC1 from Mt. Pichincha; and HC1MD/HC4 from Punta Blanca, Manabi province. QSL via K8LJG, direct or Bureau. [DX Newsletter]

08/02/2010: Thair, W2APF traveling aboard the ship National Geographic Explorer is visiting the Antarctic region from 8th February until 5th March. He will sign W2APF/C6A/mm from onboard the ship and W2APF/KC4 from the Antarctic mainland. He plans shore excursions on the Falkland Islands (IOTA SA-002, WLOTA LH-1479), South Orkney Islands (IOTA AN-008), South Shetland Islands (IOTA AN-010) and South Georgia Islands (IOTA AN-007) and will use the call VP8DML from there. An exact timetable is not known in advance. QSL cards for all callsigns should be sent via W2APF. Learn more at: www.expeditions.com/Ship_Detail92.asp?Ship=20 [DX Newsletter]

09/02/2010: NODXA member Goose, W8AV will be on the Island of Curacao (IOTA SA-006, WLOTA LH-0942) from the PJ2T Signal Point station signing PJ2/W8AV, 9-22 February. He plans to be on 160-10 metres using CW and

RTTY. He will also be one of the PJ2T operators during the ARRL International DX CW Contest (20-21 February) and possibly in the CQWW WPX RTTY Contest (February 13-14th), depending on the station maintenance work schedule. QSL PJ2/W8AV via home call, bureau preferred. QSL PJ2T via N9AG, direct or Bureau. [OPDX Bulletin]

09/02/2010: Operators Jacques F6BEE, Phil FO8RZ, Nigel G3TXF and Gilles VE2TZT will be active from French Polynesia as TX4T between 09-25 February. QRV on 9 HF bands, 160-10m. QTH will be north of Tahiti Hiti peninsula, Tahiti (IOTA OC-046, DIFO FO-001, WLOTA LH-0885), directly on the pacific ocean with a clean shot to Europe and the Americas. Strong effort on low bands (160m and 80m). Entries in WPX RTTY and ARRL DX CW contests are planned. QSL via G3TXF, direct or Bureau. Further information can be found at: www.fo2010.org/ [NG3K]

10/02/2010: Ulf, DL5AXX, will be active from the island of Grenada (IOTA NA-024, WLOTA LH-0718) as J38XX between 10-24 February. Activity will be focused on the lower bands, but also in the ARRL International DX CW Contest (20-21 February) as a Single-Op/All-Band entry. QSL via home call, direct or Bureau (the OQRS for bureau cards can be found at www.dl5axx.de/dxlog). A logsearch will be available at: www.clublog.org/ [OPDX Bulletin]

10/02/2010: Roger, N4RR, will be in Bonaire (IOTA SA-006, WLOTA LH-1279) between 10-15th February. He plans to operate in the CQWW WPX RTTY Contest (13-14th February) as a Single-Op/All-Band/Low-Power entry. He will be signing PJ4R during the contest and PJ4/N4RR before the contest operating on all bands on RTTY and CW. QSL via his home call. [OPDX Bulletin]

10/02/2010: Mike, JA6EGL and Hiro, JA6KYU will be active as T88SM and T88HS respectively from Koror Island (OC-009), Palau, on 10-16 February. They plan to operate CW and SSB on 80-10 metres. QSL via home calls, direct only. [425 DX News]

11/02/2010: Yahir Omar, XE2JA will be active as XE2JA/XF1 from Isla Alcatraz (IOTA NA-167, WW Loc. DL48AT), Sonora State, Mexico, on 11-14th February. He plans to operate SSB and RTTY on 80-15 metres as well as via AO-27, AO-51 and SO-50 satellites. QSL via EA5XC (direct or Bureau); Mexican stations can go via XE2IVY. Further information can be found at: www.dxciting.com/en/xf1-alcatraz-isl.html [425 DX News]

12/02/2010: Operators Enrico/5Z4ES, Francesco/IK8TEO, Antonio/IK8UHA and Antonio/IK8VRH will be active as 5Z0H from Lamu Island (AF-040) and Wasini Island (AF-067) between 12-25 February. Operation dates are tentative. They plan to have 2 stations active on 160-10m CW/SSB/RTTY. Pilot station will be IK8OZZ. QSL via LoTW, by the Bureau or direct to IK8VRH: P.O. Box 173, I-80016 Marano (NA), Italy. For more information, visit their web page at: 5z4h.sitonline.it/ [NG3K]

12/02/2010: Luis XQ5CIE, Carlos CE6UFF, Didier F6DXE and Dago CE5COX will be active from the Chilean naval base Arturo Prat (WAP CHI-001) on

Greenwich Island (IOTA AN-010, WW Loc. GC07EM), South Shetland Islands, from 12th February to 26th March as XR9JA. They will be active on 160-6m SSB, CW, PSK31, and Satellite AO-51. QSL via CE5JA (Radio Club de Concepcion, P.O. Box 2545, Concepcion, Chile). All QSLs received direct please include recent SASE or 2 USD $; QSL received via Bureau will be returning by the same way. All QSL will be 100% guaranteed. Further information can be found at: www.ce5ja.cl/ also www.ce5ja.cl/xr9ja_ingles.php [F5NQL]

12/02/2010: Look for XU7KOH activity from Koh Russei (AS-133) during the following date and operators: 12-16th February - Operators Wim/ON6NP, Wim/ON6TZ and Peter/XU7ACY (NO2R); 19-23rd February - Operators Wim/ON6NP, Wim/ON6TZ, Peter/XU7ACY (NO2R) and Joel/F5PAC. QSL direct to ON7PP. More details are forthcoming. Logs will be posted after the operation (ASAP) on the following Web page: www.xu7tzg.be/ [OPDX Bulletin]

==========

LOOKING AHEAD -

18/02/2010: Rick, K6VVA will be active from Providenciales (NA-002), Turks & Caicos Islands as VP5/K6VVA from 18-24th Frebruary. QRV holiday style on all bands. He will also participate in the ARRL International DX CW Contest (20-21 February), using the callsign VP5Z, entry category to be decided. Note: VP5Z callsign chosen in honor of my longtime friend Jim Neiger, N6TJ (ZD8Z). QSL ONLY VIA N6AWD. Website: www.k6vva.com/ [NG3K]

20/02/2010: Dave, G3TBK will once again be active as J88DR from the island of St. Vincent (IOTA NA-109, WLOTA LH-0492) during theARRL DX CW Contest (20-21 February) as a Single-Op/All-Band/Low-Power entry. QSL via home call, Bureau or direct. [NG3K]

03/03/2010: John, G3LZQ will be active from Cotton Bay, Rodrigues Island (IOTA AF-017) between 3rd March and 2nd April as 3B9/G3LZQ, including an entry in the RSGB Commonwealth Contest (13-14th March). Outside of the contest he will be QRV on the low bands. QSL via home call, direct or Bureau. [BERU contest news]

06/03/2010: Look for Dave, G3TBK to be active as J88DR from the island of St. Vincent (IOTA NA-109, WLOTA LH-0492) for the ARRL DX SSB Contest (6-7 March) as a Single-Op/All-Band/Low-Power entry. QSL via his home call, direct or Bureau. [NG3K]

09/03/2010: Bob, G3PJT will be active from the north east coast of St. Lucia (IOTA NA-108, WLOTA LH-1336) from 9-16th March, including an entry in the RSGB Commonwealth Contest (13-14 March). Outside the contest, Bob will be QRV holiday style with K2 and verticals with focus on 80 and 30 metres. QSL via home call, direct (QRZ.com). [BERU contest news]

11/03/2010: Alain, F6BFH and his XYL will be active from the island of St. Martin (IOTA NA-105, DIFO FS-001, WLOTA LH-0383), as TO5SM, between 11th and 24th March. QRV HF SSB and CW. QSL when return via F6BFH either

direct or Bureau. More information to be published at: alan-f6bfh.blogspot.com/ [F5NQL]

16/03/2010: Babs, DL7AFS and Lot, DJ7ZG begin another DXpedition! They will be QRV from the island of Antigua (IOTA NA-100, WLOTA LH-1118, WW Loc. FK97CC) between 16th March and 4th April as V21ZG. QRV on 80-6m, mainly RTTY, PSK and SSB. V21ZG will look especially for JA-stations and "Little guns" and QRP stations. QSL via DL7AFS, direct or Bureau. Further information and log search at: www.qsl.net/dl7afs/ [dx-world-net]

21/03/2010: Olivier ON4EI will be activating Bere Island (IOTA EU-121, WLOTA LH-2983) as EJ8GQB, his new Irish callsign. This solo expedition is planned from 21st-29th March 2010. Activity will be 160-10m SSB/RTTY. HB: Spiderbeam beam; LB: 18m vertical mast top loaded + 30 radials; Rig: K3 100W. He will also take part in the CQ WPX SSB Contest (27th-28th March). [LY4A DX News]

27/03/2010: A Lithuanian and Georgian team will be active from Georgia as 4L3A during the CQWW WPX SSB Contest (27-28 March) as a Multi-? entry. QSL via LY4A. Website: www.ly4a.com/ [NG3K]

27/03/2010: The Peel and Mississauga Amateur Raido Clubs will activate the callsign VE3XR during the annual Ham-Ex Hamfest on 27th March 2010. QRV 3.750, 7.260 and 14.265 MHz SSB. QSL via VA3QSL, direct (QRZ.com) or by the Bureau. Information about Ham-Ex can be found at: www.ham-ex.ca/ [RAC]

14/04/2010: Steve, K8QKY will be active from the island of Taiwan (IOTA AS-020, WLOTA LH-0022, Grid square PL04) as BW1/K8QKY from 14-19th April 2010. QRV 160-6 metres, CW only. QSL via home call. [NG3K]

30/04/2010: To mark the 10th Anniversary of the closure of the World's largest Maritime Radio Station Portishead Radio / GKA, a special callsign GB10GKA has been granted. GB10GKA is being activated for a period of one month 30th April 2010 through 27 May 2010. Hours of operation will be dependent on individual operator's free time however, it is intended that the callsign will be active extensively throughout the licenced period. Operation will be primarily on CW. QSL via the RSGB Bureau. [F5NQL]

01/06/2010: Herbie - G6XOU will be participating in June's big European PSK Club (EPC) event as GB8EPC - for the first 28 days of June. As many of you know, Herbie is the ISWL Council member who runs their QSL Bureau. So if you work or hear this callsign, it will count for the ISWL's Monitor award. June will definitely be the month to spend solely on PSK!. So you have plenty of time to try out this mode and get active. [Pete's-DX-Newsdesk]

24/07/2010: The Massillon Amateur Radio Club, W8NP will be active from North Bass Island (USi OH006), located in Lake Erie, Ottawa county, Ohio on 24 July. They also plan to operate for a 24 hour period beginning

sometime Saturday morning. Operators include AB8CC Carl, KD8JNX Brooker, KF8UN Byron, WC8W Gary, WD8MBE Tom, WD8MIU Wade and W8PNT Peggy. QSL via QRZ.com. [USi]

==========

SPECIAL EVENTS -

04/02/2010: Operators Claire WL7MY and John KL7JR will be operating special event station N7I from Honolulu, Oahu Island (OC-019, USi HI008S, WLOTA LH-1227), February 4-10th. Activity is in celebration of the 16th anniversary of the U.S. Islands Awards program. Main frequency will be: 28460 or 14260 kHz. They use a TS-50 and a vertical on mag mount. QSL Manager is KL7JR. For additional info: www.usislands.org/ [OPDX Bulletin]

U.S.A. Special event station information can be found at: www.arrl.org/contests/spev.html

==========
SILENT KEYS -

John Dunlop GM0WDF/GM6LNM became a silent key on Friday 22nd January 2010. Believed due to a heart attack. Known as "Farmer John" by all that knew him, he was mainly active on 6m, 2m and 70cm DX from his elevated farm in IO75PW during the 1980/90's. John was particularly well known on for his MS, E's and Auroral activity. RIP. SOURCE: tnx to Ray, GM4CXM, direct to MMMonVHF The Team of MMMonVHF will pass our deep sympathy and condolences to his family. Rest in peace, Farmer John!
==========
BITS & PIECES -

FALKLANDS, VP8DMN -
Log of the past dxpedition (21-29 January) has been uploaded to LOTW. Search log is available at: www.clublog.org/charts/?c=VP8DMN

WCA Happy BirthDay (WCA HBD) Summary -
On January, 16th and 17, 2010, for the first time has took place radiohams activity days from castles, fortresses and other historical objects devoted to anniversary of World Castles Award Program foundation (14th of January 2009) - WCA Happy BirthDay (WCA HBD).
We express our thanks to all radiohams who have supported us and were active on air from castles, fortresses and other historical objects: CQ0ODX team, DL1ASF, DL5AWI, EN1UCF & EO0UD teams, EU1EU & AGB, LY3X, OK1ES, OK1TIR, OK2SJI, RV1AQ, RX1CQ, RZ1CWC team and etc..
Memorable and historical places from 6 countries of the world have been presented in all.
Our personal thanks to Sergey UR7UT for interesting offers and ideas.
Also we would express our thanks to all radiohams who did not remain are indifferent to this small, but memorable action - to everyone who called, spotted and helped us in the air.
Foto report from WCA-HBD teams at:
www.rz1cwc.qrz.ru/eng/dxp/wca-hbd/home.htm [RN1CW]

9228. [ICPO] ICPO Update (05 February 2010)

Yahoo group: GOLIST (2007 — 2010)
Date: 2010-02-05 17:55:18 UTC
From: Dave Raycroft
Topic: 9228 Message: 9228

I.C.P.O. (Islands, Castles & Portable Operations)
UPDATE -
==========
J8 - ST. VINCENT -
Dave, G3TBK will once again be active as J88DR from the island of St. Vincent (IOTA NA-109, WLOTA LH-0492) between 18th February and 15th March, 2010, including an entry in the RSGB Commonwealth Contest. QRV on all bands 160-10 metres using CW, SSB and RTTY. QSL via home call, direct or bureau. [NG3K]

V2 - ANTIGUA -
Bob, W4OWY (V25WY) and Mark, W9OP (V25OP) plan to operate CW, SSB and RTTY on 160-6 metres from Gunthroppes, the island of Antigua (IOTA NA-100, WLOTA LH-1118, WW Loc. FK97BC) from March 9-18th, 2010. QSL via home calls, direct, Bureau, also LoTW and eQSL. [NG3K]

VK8 - NT, AUSTRALIA -
Bill, VK4FW and his XYL will fly to VK8 to see their daughter and grandkids..... He has made arrangements to operate from Groote Eylandt (IOTA OC-141) for a few days as well as from the mainland (IOTA OC-001)..... listen for Bill from late on the 14th of February for a few days as VK8MM. He plans to have internet coverage and will be listening intently for low power stations. QSL direct via mail, direct via OQRS and Bureau. (For all OQRS please go to www.odxg.org and follow the prompt).

VK4FW QSLING UPDATE... 2.2.2010 -
I have now begun qsling the 4W6FR operation. This is a reminder to those that used the OQRS before my last computer crash that I lost all records of your oqrs submission. If you have not received your qsl card for 4w6fr by the 3rd March 2010 please send me an email with all oqrs details again.
I have also in the last 2 days completed thousands of buro cards to most countires. These will all go in the mail this week. [VK4FW]

Antarctic Activity Week 2010
Worldwide Antarctic Program’s WAP Staff (_www.waponline.it_
(http://www.waponline.it/)) announces the launching of 7th Antarctic Activity Week,
which will be held from 00:00 GMT Febr. 22nd through 24:00 GMT of Febr.
28th 2010.
This international event has reached its 7th edition increasing WW
participation year after year. Purpose of the A.A.W. is to improve Worldwide
interest around Antarctic Continent and its related matters, to
understand and share what the Nations and Organizations
are doing to protect this still non contaminated corner of the world and
to share a message of peace WW.
The following Special Event Stations will operate during the 7th Antarctic
Activity Week to celebrate the Antarctic researchers Expedition in
Antarctica.

Semaine Antarctique 2010;
Le Worldwide Antarctic Program’s WAP Staff (_www.waponline.it_ (http://www.waponline.it/)) annonce le lancement de la 7ème semaine antarctique, qui se tiendra du 22 février 2010, à 00:00h utc au 28 février 2010, 24:00 utc.
Cet évènement international qui atteint sa septième édition a grandi de plus en plus chaque année avec des stations du monde entier.
Le but est de susciter partout dans le monde un intérêt particulier autour de l’Antarctique et de tout ce qui s’y rapporte,
pour comprendre et partager ce que les organisations internationales réalisent pour protéger ce coin de planète
toujours exempt de pollution et adresser un message de paix au monde.
Les stations suivantes seront actives pendant cette semaine, en l’honneur des scientifiques et chercheurs antarctiques:

Antarctic Activity Week 2010
Worldwide Antarctic Program’s WAP Staff (www.waponline.it) announces the launching of 7th Antarctic Activity Week,
which will be held from 00:00 GMT Febr. 22nd through 24:00 GMT of Febr. 28th 2010.
This international event has reached its 7th edition increasing WW participation year after year. Purpose of the A.A.W. is to improve Worldwide interest around Antarctic Continent and its related matters, to understand and share what the Nations and Organizations
are doing to protect this still non contaminated corner of the world and to share a message of peace WW.
The following Special Event Stations will operate during the 7th Antarctic Activity Week to celebrate the Antarctic researchers Expedition in Antarctica.

Hi friends
For this issue thanks to: Bernard/F9IE, Franck/F4DTO, Bernd, DF2ZC
Guy/DL8EBW and MMMVHF
ECUADOR:
We will be going to Ecuador between Feb. 9-24. This time I will be on
RTTY most of the time. Call me if you hear me.

HC1MD - Tumbaco, Pichincha Province
HC1MD/HC1 - Mt. Pichincha
HC1MD/HC4 - Punta Blanca, Manabi Province

80-10m CW-SSB-RTTY-PSK31

73, cul! Rick NE8Z

ALBANIA update:
Franck/F4DTO's father Patrick, has got his ticket; he is issued the F4GFE
callsign.
So for their next trip to Albania, April 15 to 24, they will be on the air
as ZA/F4GFE and ZA/F4DTO
http://monsite.orange.fr/f4dto (http://monsite.orange.fr/f4dto)

JERSEY – EME:
This year Frank DH7FB and Bernd DF2ZC will activate the DXCC Jersey
MJ on 2m EME. They will arrive at the dxpedition QTH in IN89XF on
20 April 0800Z and will immediately start to set up the equipment
so that they can make at least partial use of that day's moon.
They will be QRV also the moon passes 21, 22 and 23 April before
they break down the station and return back home on the 24 April.
Equipment: TS2000, GS35, MGF1302, 2x9 ele M2.
Both will try to setup their MMMonVHF DXBlog (
www.mmmonvhf.de/showblog.php?ca=MJ-Team) to
spread latest News.
SOURCE: tnx to Bernd, DF2ZC, direct to MMMonVHF
More info to follow - : http://www.mmmonvhf.de/latest.php?id=3083

AUSTRALIA:
Hellenic Amateur Radio Association of Australia members Tommy VK2IR,
Peter VK2NN, Raffy VK2RF, Allan VK2GR, Paul VK2HV and Jeff VK3HJA
will be active from Broughton Island (OC-212, WW Loc. QF67DJ), untill
7 February
QRV 160-6 metres. QSL direct to VK2IR (QRZ.com).
Further information can be found at: _www.vi2bi.blogspot.com/_
(http://www.vi2bi.blogspot.com/)

Hi All,

Photo and video report about my trip to Loch Lomond National Nature Reserve (GMFF-046 & GMFF-002) is ready and listed at http://www.srars.org/wff-reports/gmff-046.htm Please don't judge me strictly, I am not a professional, it's just my hobby as well as a HAM radio. The QSL-card for this DX-pedition has been already designed and printed. All who made a QSO with me will receive this QSL-card shortly via the QSL-bureau. I would like to thank you guys for calling and supporting me during this WFF activation.

Hi,

I suppose you already know but I am sending some news.
Mirek Z21DXI (SP5IXI/VK6DXI) is active from Zimbabwe. Period of activity: February ?4 ?- ?12. ?It is a business trip so he can be on the radio only "after ?hours". He is using an IC-7000 with AH4 ATU. The antenna is a 70m long ?wire ?slopping ?from ?the ?4th ?floor ?of the hotel down to about 3 meters.
QSL ?via ?SP5UAF via bureau or direct. Online log for Z21DXI can be found at http://www.sp5ixi.dxing.pl/z21dxi/

If you have received a Golist renewal announcement and
you plan to renew using your check rather than PayPal, please
send me an email so I can renew you right away and that will
stop any other renewal notice being sent to you.

Hope this is helpful.

1st CENTENARY OF RADIOTELEGRAPHY IN THE PORTUGUESE NAVY

SPECIAL EVENT

2010 FEBRUARY 18th & 20th

The "Portuguese Navy Hamradio Club - NRA" and the Navy itself feel proud to
announce a double Special Event.

In this month of February we celebrate the 1st centenary since radiotelegraphy
has begun naval official service in the navy.

To celebrate it, two Special Event Stations [CR5100AM and CR5100VZ] plus an
onboard station CS5DFG will be active.

One Station located in Lisbon another Station located 15 miles south of Lisbon
and the third one not much far from the others, will be active on the next
February 18th and 20th in the period of [0900 - 1900] UTC.

A Special QSL Card and a Special Award have been issued by the Navy and NRA to
be addressed to all stations that contact one of these three stations in the
dates and periods above.

Look for any of these stations on the bands and be awarded with a Special QSL
Card and Award.

Contacting us or waiting another hundred years to do so, is your choice.

Hope to meet you on the air

The Chairman of Portuguese Navy Hamradio Club - NRA

António Gamito

Centenaire de la télégraphie de la Marine Portugaise:
Evènement spécial :
18 au 20 février 2010-02-09
Le RC de la Marine Portugaise NRA et la Marine Portugaise elle même sont fiers d'annoncer cet évènement spécial:
Ce mois de Février nous célébrons le centenaire de l'introduction de la télégraphie dans les services officiels de télécommunications de la Marine Portugaise.

En commémoration, deux stations spéciales seront actives, - CR5100AM et CR5100VZ, plus une autre station embarquée, CS5DFG .
Activité dans la zone géographique de Lisbonne, les 18 et 20 février, de 0900 à 1900 utc.
QSL spéciale et diplôme spécial offerts par la Marine Portugaise et son Radio-Club NRA. Le diplôme sera adressé à toutes les stations qui auront contaté les trois stations commémoratives, pendant les dates et horaires ci dessus indiqués.
Contactez nous maintenant sinon il vous faudra attendre 100 années de plus.
Hope to meet you on the air
The Chairman of Portuguese Navy Hamradio Club - NRA

From: GOLIST
Topic: 9242 Message: 9242

GB6GEO The Geoparks Communication Weekend
is active again this year at Kents Cavern Torquay.
Supported by HRH The Duke of Edinburgh,
and the Torbay Amateur Radio Society
Weekend, 22 May - 23 May 2010

10th February 2010

Radio stations from around the world will be exchanging greetings over the airwaves with the English Riviera Global Geopark in May as amateur radio operators transmit live from Kents Cavern in Torquay, right in the heart of the English Riviera Global Geopark.

Using a special event call sign, GB6GEO, will establish contact with other radio stations around Britain, Europe and around the world from a base set up outside the entrance to Kents Cavern, Devon's internationally famous Stone Age cave and gateway to the English Riviera Global Geopark.

There are now 53 Geoparks around the world but this special radio event is being coordinated from Kent's Cavern, Visitors will be able to link up with several other Geoparks by radio over the weekend, including Araripe Geopark in Brazil; Kanawinka Geopark in Australia; Langkawi Geopark in Malaysia; the Petrified Forest of Lesvos Geopark in Greece, the Brecon Beacons in Wales, Nature Park Terra Vita, Germany, Hateg Country Dinosaur Geopark Romania, Naturtejo Geopark Portugal, and to the Copper Coast Geopark in Southern Ireland.

Many Geoparks also have show caves and those participating so far include: Smoo Cave in the North West Highlands Geopark in Scotland, Marble Arch Caves Geopark in Northern Ireland and Unicorn Cave in the Harz Mountains in Germany. With the event now global, the event will run from 0900 on Saturday 22nd May, through the night to 16:00 on Sunday 23rdth May. "

Geopark Certificate

For amateur radio stations/SWL's around the world who contact/hear Geopark stations, the English Riviera Geopark is offering a special beautiful commemorative European Geoparks Network radio amateur certificate for contacts with GB6GEO (instant qualifier), or two Geopark stations excluding GB6GEO. (this award will also apply to SWL's on a heard basis). This certificate is endorsed by our Queens husband H.R.H The Duke of Edinburgh, with his own words of congratulating the holder. Certificates will cost UK ?2.50 each, Europe ?4 and Rest of the world USD5.

Alternatively certificate holders to be the first in their country to claim the certificate will have an 'FC' suffix following the certificate number. This denotes the first person in their country to claim the 'Geoparks' award. These

certificate holders will be worth one point towards the basic certificate, that requires two points, or work any five (5) certificate holders. Many of these certificate holders can be found in the Torbay Amateur Radio Society nets, details from the website www.tars.org.uk

Certificate Manager/ direct qsl's to Martin Foster G3VOF QTHR or QRZ.COM Please also see qrz.com for the latest updates. Only log details necessary.

QSL's

There is a special glossy high quality souvenir QSL cards for this event, promoting the English Riviera Geopark.

All QSL cards will automatically be sent out via the bureau, or send an SASE in the UK. If you are outside the UK, then please send an addressed envelope, and sufficient funds for return postage, if you would like a card direct (Please QSL via G3VOF).

Any information required about GB6GEO please contact Martin Foster (G3VOF) email: martin@... or via qrz.com. If you live in Austria, Australia, China, Croatia, Norway, Czech Republic, France, Italy, Spain or Brazil and would like to participate this year 2010 in the Geoparks Communication Festival by putting on a "GEO" call sign please get in touch with G3VOF. E-mail martin@...

Nick Powe, Chairman of the English Riviera Global Geopark and 5th Generation owner of Kents Cavern added: "Interest in the Global Geoparks Network and its Geo-tourism potential is rapidly gaining momentum around the world.

"Globally, the Geopark designation is recognised as a powerful way to bring economic benefits through the development of Geo-tourism activities and promoting Geo-diversity of the Geopark area.

"I'm delighted that Kents Cavern will be at the heart of this global radio link up which will raise awareness of our fantastic cave system here and of Torbay around the world."

For further information and interview or photography/filming requests at Kents Cavern, please contact Nick Powe on 01803 215136.

Derrick Webber, call sign G3LHJ, President of the Torbay Amateur Radio Society added: "While the internet and mobile phones are a major communication platform around the world today, there is still something exciting about establishing contact with someone the other side of the planet using a length of wire hung across the garden and a radio set!

"We are always looking to recruit new members and this Global communication event linked to the Geoparks Network is going to be a great way to inspire people to learn more about becoming radio operators."

FYI: LORAN is now SK.
Although I was never assigned duty at a LORAN sta I did visit most of them in a Coast Guard C-130 Hercules cargo plane. I have been to the LORAN stations at Iwo Jima, Marcus Isld, Kure, Yap, Palau, Ulithi, Wake, Johnston, Con Son, Hue Phi Bai, Sattihip, Lampang, Saipan, Hokkaido in the Pacific/Asia chains, LORAN stations in the North Sea and Northern Europe, the Mediterranean (IG9), Greenland, Iceland, and all over Alaska.

UNCLAS //N16562//
SUBJ: LORAN - END OF AN ERA
1. I AM PLEASED TO CONGRATULATE ALL PRESENT AND PAST LONG RANGE NAVIGATION (LORAN) PERSONNEL FOR OVER 67 YEARS OF OUTSTANDING DEDICATION AND SERVICE IN PROVIDING A HIGHLY RELIABLE NAVIGATION SIGNAL.
2. ON 25 MAY 1942, LCDR L. M. HARDING RECEIVED ORDERS TO REPORT TO THE CHIEF OF NAVAL OPERATIONS. WITH THIS ASSIGNMENT, LCDR HARDING BEGAN THE UNITED STATES COAST GUARD'S ACTIVE PARTICIPATION IN LORAN DEVELOPMENT CULMINATING WITH THE IMPLEMENTATION OF LORAN-A IN 1943. FOR THE REMAINDER OF WWII, LORAN-A WAS INSTRUMENTAL IN THE ALLIED SUCCESS PROVIDING ACCURATE

ALL WEATHER 24 HOUR RADIONAVIGATION FOR AIR AND SEA FORCES. BY THE END OF WWII, OVER 75,000 RECEIVERS AND 2.5 MILLION LORAN CHARTS HAD BEEN DISTRIBUTED.
3. FOLLOWING WWII, LORAN-A BECAME A TOOL PRIMARILY FOR CIVILIAN NAVIGATORS, HOWEVER, THE USAF USED LORAN-A AS LATE AS THE VIETNAM WAR. LORAN-A OPERATED IN THE 1750 TO 1950 KHZ BAND WHICH GAVE IT A DAY/NIGHT RANGE OF APPROXIMATELY 800/1600 NM, RESPECTIVELY, AND ACCURACY OF APPROXIMATELY 1 NM. LORAN-A REMAINED IN OPERATION IN NORTH AMERICA UNTIL 1980 SAVING MANY LIVES BY ALLOWING OFFSHORE BOATS IN DISTRESS TO PROVIDE ACCURATE POSITION REPORTS.
4. LORAN-C WAS INTRODUCED IN 1957 AND GRADUALLY REPLACED LORAN-A. DURING THE 1970S AND 1980S, THE LORAN-C SYSTEM WAS EXPANDED TO MEET USER NEEDS ACROSS THE CONTINENTAL US AND GULF OF ALASKA. LORAN-C OPERATED AT 100 KHZ, GIVING IT A LONGER RANGE THAN LORAN-A WITH AN ACCURACY OF APPROXIMATELY 0.25 NM. OTHER LORAN SYSTEMS RECEIVED EXPERIMENTAL DEVELOPMENT INCLUDING: LORAN-B (IMPROVED VERSION OF LORAN-A), LORAN-D (MODIFIED LORAN-C DESIGNED FOR SHORT RANGE USE BY USAF BOMBERS), LORAN-F (UNMANNED DRONE NAVIGATION), AND ELORAN (TERM GIVEN TO THE NEXT GENERATION SYSTEM). THIS LEGACY OF LORAN SYSTEMS FURTHER UNDERSCORED LORAN'S IMPACT TO NAVIGATION DURING DECADES OF SERVICE.
5. AT 1958Z 08 FEBRUARY 2010 LORAN-C SIGNAL TRANSMISSIONS CEASED IN ACCORDANCE WITH THE DHS APPROPRIATIONS ACT. PRIOR TO TERMINATION, COAST GUARD MEN AND WOMEN STOOD THE WATCH, ENDURING LENGTHY FAMILY SEPARATIONS AND REMOTE DUTY LOCATIONS IN THE HARSHEST CLIMATES ALL WHILE MAINTAINING 99.7% CHAIN AVAILABILITY. YOUR DEDICATION ENSURED MISSION SUCCESS IN TIMES OF BOTH WAR AND PEACE. ALTHOUGH THE LORAN SIGNAL HAS CEASED, YOUR SERVICE IS STILL NEEDED TO SUPPORT OTHER CRITICAL MISSION AREAS. THANK YOU, MEN AND WOMEN OF THE UNITED STATES COAST GUARD, FOR THE HONOR, RESPECT, AND DEVOTION TO DUTY YOU DISPLAYED OVER 67 YEARS OF LORAN SERVICE.
6. BRAVO ZULU TO ALL PAST AND PRESENT LORAN GUARDIANS ON A JOB WELL DONE!

I.C.P.O. Bulletin (11-19 February 2010)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

11/02/2010: Bill, K4LTA will be active as J37BO from Grenada from 11th February to 3rd March 2010, including a Multi-Single entry in the ARRL DX CW Contest (20-21st February) as J38A along with NK4N. QSLs via K4LTA, direct or Bureau. [425 DX News]

11/02/2010: David, BA4DW will be active as BA4DW/4 from Changxing Island (IOTA AS-136, WLOTA LH-0256) on 11-19th February. He will operate holiday style with 100 watts and wire antennas. QSL via home call, Bureau or direct. [425 DX News]

11/02/2010: Yahir Omar, XE2JA will be active as XE2JA/XF1 from Isla Alcatraz (IOTA NA-167, WW Loc. DL48AT), Sonora State, Mexico, on 11-14th February. He plans to operate SSB and RTTY on 80-15 metres as well as via AO-27, AO-51 and SO-50 satellites. QSL via EA5XC (direct or Bureau); Mexican stations can go via XE2IVY. Further information can be found at: www.dxciting.com/en/xf1-alcatraz-isl.html [425 DX News]

11/02/2010: John, KL7JR will be active as XK1RST from Yukon on 11-14th February 2010. He plans to operate SSB on 80-10 metres from Destruction Bay or Jacquot Island in Kluane Lake (not IOTA). QSL direct to KL7JR (QRZ.com). [425 DX News]

12/02/2010: Operators Enrico/5Z4ES, Francesco/IK8TEO, Antonio/IK8UHA and Antonio/IK8VRH will be active as 5Z0H from Lamu Island (AF-040) and Wasini Island (AF-067) between 12-25 February. Operation dates are tentative. They plan to have 2 stations active on 160-10m CW/SSB/RTTY. Pilot station will be IK8OZZ. QSL via LoTW, by the Bureau or direct to IK8VRH: P.O. Box 173, I-80016 Marano (NA), Italy. For more information, visit their web page at: 5z4h.sitonline.it/ [NG3K]

12/02/2010: Luis XQ5CIE, Carlos CE6UFF, Didier F6DXE and Dago CE5COX will be active from the Chilean naval base Arturo Prat (WAP CHI-001) on Greenwich Island (IOTA AN-010, WW Loc. GC07EM), South Shetland Islands, from 12th February to 26th March as XR9JA. They will be active on 160-6m SSB, CW, PSK31, and Satellite AO-51. QSL via CE5JA (Radio Club de Concepcion, P.O. Box 2545, Concepcion, Chile). All QSLs received direct please include recent SASE or 2 USD $; QSL received via Bureau will be returning by the same way. All QSL will be 100% guaranteed. Further information can be found at: www.ce5ja.cl/ also www.ce5ja.cl/xr9ja_ingles.php [F5NQL]

12/02/2010: Look for XU7KOH activity from Koh Russei (AS-133) during the following date and operators: 12-16th February - Operators Wim/ON6NP, Wim/ON6TZ and Peter/XU7ACY (NO2R); 19-23rd February - Operators Wim/ON6NP, Wim/ON6TZ, Peter/XU7ACY (NO2R) and Joel/F5PAC. QSL direct to ON7PP. More details are forthcoming. Logs will be posted after the operation (ASAP) on the following Web page: www.xu7tzg.be/ [OPDX Bulletin]

13/02/2010: Jorge, CT1FMX and Sergio, CT2HQS will be active from Ermida de Santo Antao (WCA CT-0974, DMHP LR-059) on 13th February 2010. Plans are to work as homecall/p on all bands. QSL via home calls, direct or Bureau. [RN1CW]

13/02/2010: SRT contest operators Filippo IZ1LBG, Paolo IW1ARB, Federico IW1QN, Flavio IK1SPR, Flavio IK1RQT, Mario IK1HXN and possibly others will be active as IZ1LBG from the IR1G station, Cortazzone, Italy, during the CQWW WPX RTTY Contest (13-14th February), a Multi-Single/All-Band/High-Power entry. QSL via IZ1LBG, direct or Bureau. [F5NQL]

14/02/2010: Bill, VK4FW and his XYL will fly to VK8 to see their daughter and grandkids. He has made arrangements to operate from Groote Eylandt (IOTA OC-141) for a few days as well as from the mainland (IOTA OC-001). Listen for Bill from late on the 14th of February, for a few days, as VK8MM. QRV mostly CW with 100W and vertical antenna. He plans to have internet coverage and will be listening intently for low power stations. QSL direct via mail, direct via OQRS and Bureau. (For all OQRS please go to www.odxg.org/ and follow the prompt). [VK4FW]

15/02/2010: Yuri, VE3DZ will be active from Barbados (IOTA NA-021, WLOTA LH-0999, WW Loc. GK03FD) 15-23 February 2010 as 8P9AA. He will be active on all bands CW, SSB and RTTY. In the ARRL DX CW Contest (20-21st February) he will be active as 8P3A in the Single-Op/All-Band Category. QSL both calls via VE3DZ, direct or Bureau. [QRZ.com]

15/02/2010: Operators Bob/N4BP (C6AKQ), Mike/W4RUM (C6AUM) and Tim/N4UM (C6ARU) will be in the resort city of Lucaya, Freeport, Grand Bahama Island (NA-080, WLOTA LH-0527) beginning Monday, 15th February with Kevin/K4PG (C6APG) joining them on Thursday, 18th February. The operators will enter the ARRL International DX CW Contest (20-21 February) as individual entries (Bob, C6AKQ on 80 metres; Kevin, C6APG on 40 metres; and Mike, C6AUM possibly on 160 metres. Tim will announce his entry when he knows). Prior to the contest, they will be operating on the 30/17/12 metre bands, HF bands using CW and the Digital modes. QSL direct to their home callsigns with SASE and/or LoTW. [NG3K]

16/02/2010: Oeste DX Gang operators Jorge CT1FMX, Sergio CT2HQS, Jose CT2GZE, Jose CT2FFC and Telmo CT2ILN, will be actives on 16th February 2010 from Cidade Romana Eburorittium (WCA CT-01004, DMHP LR-090 as CQ0ODX/p. QRV on 40-10 metres, WARC bands included. QSL CT2GZE, Bureau or direct. [RN1CW]

16/02/2010: Operators Stan/AC8W (YN2WW), Hank/K8DD (YN2DD), Jim/KB8TXZ (YN2TX) and Lee/N8LJ (YN2LJ) will be active from Grenada, Nicaragua, for one week between 16-25 February. Their activity will include the ARRL DX CW Contest (February 20-21st) as a Multi-Single entry sing the callsign YN2WW. Operators will be active on all bands efore and after the contest. Look for: YN2DD on CW and RTTY 17m, YN2WW primarily on 30m, YN2LJ on the low bands CW and YN2TX on SSB. QSL YN2DD and YN2WW via K8DD (QRZ.com). QSL YN2TX via KB8TXZ (QRZ.com) and YN2LJ via K8ESQ (direct or Bureau). [OPDX Bulletin]

17/02/2010: Operators Olaf, DL4HG and Holger, DL5XAT will be active as 9H3TX from Gozo Island (IOTA EU-023, MIA MM-004, WLOTA LH-0046), from 17-24th February 2010, including a Multi-2 entry in the ARRL DX CW Contest (20-21st February). QRV on the HF bands with 100 Watts and verticals. QSL via DL5XAT, direct or Bureau. Logs will be uploaded to LoTW. [NG3K]

17/02/2010: Wolfgang, OE1WWL plans to be active from Sentosa Island (AS-019) as 9V1OE/p from 17-23rd February 2010. This will be a low power operation, running 5 Watts SSB into a random wire. QSL via OE1WWL by the Bureau (preferred) or direct to 9V1OE (QRZ.com). Web: www.qsl.net/9v1oe/ [rsgbiota.org]

17/02/2010: John, K3CT and John, K3TEJ will be active from Christiansted, island of St. Croix (IOTA NA-106, USi VI002S, WLOTA LH-2477, WW Loc. FK77PR) as KP2/homecalls from 17-24th February 2010. They will also participate in the ARRL International DX CW Contest (20-21st February) using the callsign KP2M, a Multi-? entry. Outside the contest they will be QRV all HF bands using CW, RTTY and PSK31. QSL KP2/K3CT and KP2/K3TEJ via home calls. QSL KP2M via AI4U. [NG3K]

17/02/2010: Wil, AA4NC, will be active from Belize as V31RR from 17-23 February. Activity will be on the HF bands including 30/17/12m using CW, SSB and RTTY. His activity will also include the ARRL DX CW Contest (20-21 February) as a Single-Op entry. QSL via his home callsign, direct or LoTW. [OPDX Bulletin]

17/02/2010: Look for operators Bill N7OU and Bob W7YAQ to operate from the Tokelau Islands (OC-048) between 17 and 10 March. The exact dates of their operation may change because the only access to the Tokelau Islands is by boat. Their activities will include an entry in the ARRL International DX CW Contest (20-21st February). Operations will be on 160-10 metres but mainly on CW, with some SSB and RTTY, using 100 watts and vertical antennas. Also, look for them to operate from Apia, Samoa (5W), before they sail to Tolelau and after between 10-16 February and 11-15 March. All callsigns are to be announced. QSL via their home callsigns. [OPDX Bulletin]

18/02/2010: Luc, F5RAV will be active from the 6W7RV radio shack in Somone, Senegal, from 18th February to 1st March using the callsign 6V7T. QRV on all HF bands. QSL via home call, direct with two green stamps and SAE. [NG3K]

18/02/2010: Mat, MJ0ASP, will be active from Morocco as CN2MR between 18-26 February. Activity will be on 40-10m, CW, with emphasis on the WARC bands. He likes to contest, so he will probably be in the ARRL International DX CW Contest (20-21 February). QSL via his home callsign (see QRZ.com). [OPDX Bulletin]

18/02/2010: Dave, G3TBK will once again be active as J88DR from the island of St. Vincent (IOTA NA-109, WLOTA LH-0492) between 18th February and 15th March 2010, including an entry in the RSGB Commonwealth Contest. QRV on all bands 160-10 metres using CW, SSB and RTTY. QSL via home call, direct or by the Bureau. [NG3K]

18/02/2010: Rick, K6VVA will be active from Providenciales (NA-002), Turks & Caicos Islands as VP5/K6VVA from 18-24th Frebruary. QRV holiday style on all bands. He will also participate in the ARRL International DX CW Contest (20-21 February), using the callsign VP5Z, entry category to be decided. Note: VP5Z callsign chosen in honor of my longtime friend Jim Neiger, N6TJ (ZD8Z). QSL ONLY VIA N6AWD, direct or Bureau. Website: www.k6vva.com/ [NG3K]
==========
LOOKING AHEAD -

20/02/2010: Operators Walter DJ6QT, Falk DK7YY, Wolfgang DK9VZ, Hein DL2OBF, Tom DL5LYM, Juergen DL6WT and Frank DL8WAA will be active as CR3L from Santana, Madeira Island (IOTA AF-014, DIP MA-001, WLOTA LH-0053) during the ARRL DX CW Contest (20-21st February) as a Multi-? entry. 20/02/2010: Jorge, CT1FMX and Sergio, CT2HQS will be active from Arco da Memoria (WCA CT-1005, DMHP LR-091) on 20th February 2010. Plans are to work as homecall/p on all bands. QSL via home calls, direct or Bureau. [RN1CW]

20/02/2010: Operators John W2GD, Don K4ZA, Alex RZ3AZ and Valery RD3AF will be active as EF8M from Santa Maria de Guia, Las Palmas Gran Canaria (IOTA AF-004, DIE S-005, ESA GC, WLOTA LH-0969, WW Loc. IL28FC) during the ARRL DX CW Contest (20-21st February) as a Multi-2 entry. QSL via UA3DX. [NG3K]

20/02/2010: GG100RE will operate from Eltham in south-east London on Saturday 20 February for Thinking Day on the Air, celebrating the 100th anniversary of the Girl Guide movement. Two stations will be active throughout the day, with Guides of all ages passing greetings messages on 80, 40 and 20m. The station will be operated by Cray Valley RS. QSL via G4DFI. Full details on QRZ.com. [GB2RS]

20/02/2010: Special event station GG100WD for Wilton Division Guides will be operating in Batley on the weekend of 20 and 21 February. The station will be operational on HF, 2m and 70cm from 11am on Saturday to 2pm on Sunday. QSL via the RSGB Bureau. [GB2RS]

26/02/2010: Jorge, CT1FMX and Luis, CT1CQK will be active from Mosteiro do Varatojo (WCA CT-1050, DMHP LX-073) on 26th February 2010. Plans are

to work as CT1FMX/p and CR5CQK respectively on all bands. QSL CT1FMX/p via home call, direct or Bureau. QSL CR5CQK via CT1CQK, direct or Bureau. [RN1CW]

26/02/2010: The Baden Powell DX Group, Guara DX Group and Labre-Paraiba will operate from the Cabo Branco lighthouse (ARLHS BRA-015 and DFB PB-01, WW Loc. HI22OU), Paraiba State, Brazil, during the 2nd South American Lighthouse Week (26-28th February). Team members include PR7AB, PR7AF, PR7AYE, PR7HR, PR7HT, PR7PB, PR7SD, PR7TS and PU7GFL. QRV 80-10 metres using CW, SSB and PSK. Approximate frequencies: SSB - 3.700, 7.120, 14.280, 21.280 and 24.480 MHz; CW - 3.515, 7.015, 14.022, 21.022 and 28.071 MHz; PSK - 3.580, 7.037, 14.071, 21.071 and 28.071 MHz. QSL via PT7JP, direct (QRZ.com) or Bureau. [PT2OP]

06/03/2010: Alan, N3AD plans to be active from the island of Antigua (IOTA NA-100, WLOTA LH-1118) as V26? (callsign pending) during the ARRL DX SSB Contest (6-7th March) as a Single-Op/High-Power entry. QSL via home call. [NG3K]

06/03/2010: Peter, VE3IKV will activate St. Simons Island (IOTA NA-058, USi GA003S, WLOTA LH-4115, WW Loc. EM91HD), Glynn County, Georgia, as W4/VG3RA on 6-7th March 2010. Low power operation, on or near the usual IOTA frequencies. QSL via VE3IKV, Bureau or direct. [rsgbiota.org]

08/03/2010: Look for Peter, VE3IKV to be active from Key West (IOTA NA-062, USi FL040S, WW Loc. EL94CN), Monroe County, Florida, as W4/VG3RA on 8-13th March 2010. Low power operation, on or near the usual IOTA frequencies. QSL via VE3IKV, Bureau or direct. [rsgbiota.org]

11/03/2010: Peter, VE3IKV will activate the Dry Tortugas Islands (NA-079, USi FL013S, WW Loc. EL84NP), Monroe County, Florida on 11-12th March 2010. Weather dependent, low power operation, on or near the usual IOTA frequencies. QSL via VE3IKV, Bureau or direct. [rsgbiota.org]

13/03/2010: The Vero Beach Amateur Radio Club, W4OT will celebrate the 107th Anniversary of Pelican Island National Wildlife Refuge (www.pelicanislandfriends.org/) and the 18th Annual Pelican Island Wildlife Festival on 13 March 2010. QRV from the Festival (Indian River County, Florida) on 7.040, 14.040 MHz CW and 7.190, 14.260 MHz SSB. A special event certificate and QSL are available from: VBARC-W4OT, PO Box 2082, Vero Beach, FL 23961. Web: www.vbarc.net/ and www.pelicanislandfriends.org/ [W4OT]

02/04/2010: Ben, DO1BEN and XYL Barbara, DO1IQ will be active as OZ/homcalls from Lolland Island (EU-029, DIA SJ-015, WW Loc. JO54QV) 2-9th April 2010. Look for activity on or near the usual IOTA freqiencies. QSL via home calls, direct or Bureau. Web: www.do1ben.de/ [rsgbiota.org]

22/05/2010: GB6GEO The Geoparks Communication Weekend (22-23 May 2010) is active again this year at Kents Cavern in Torquay, right in the heart of the English Riviera Global Geopark. Supported by HRH The Duke of

Edinburgh, and the Torbay Amateur Radio Society. Suggested frequencies: 3.680, 7.080, 14.180, 21.180, and 28.180MHz. GB6GEO will also be transmitting on 2m FM/SSB. All QSL cards will automatically be sent out via the bureau, or send an SASE in the UK. If you are outside the UK, then please send an addressed envelope, and sufficient funds for return postage, if you would like a card direct (Please QSL via G3VOF). A Geopark certificate endorsed by our Queens husband H.R.H The Duke of Edinburgh, with his own words of congratulating the holder, is also available. Full information about the event, QSLling and the special certificate can be found on QRZ.com under GB6GEO. [K1XN]

21/07/2010: Jim, MM0BQI/p will be active from the island of Tanera Mor (IOTA EU-092, IOSA SC10, SCOTIA CN32) from 21-27th July 2010. He will also participate in the RSGB IOTA Contest (24-25 July) using the callsign MM0Q. QSL both calls via MM0BQI, direct or Bureau. Logs will be uploaded to LoTW. [rsgbiota.org]

23/07/2010: Curt, W3HQ and Cliff, KI4IW plan to be active as VO2/homecalls from Battle Island (IOTA NA-044, CIsA NF049, WW Loc. GO22CG) from 23-26th July 2010. QRV 160-10 metres with two stations, one each for CW and SSB. QSL via home calls (QRZ.com). [rsgbiota.org]

21/09/2010: Andy, VK5MAV will be active as VK5MAV/5 (however he still hopes to get special callsign/prefix. Depends on WIA decision) from Flinders Island (IOTA OC-261) from 21-27th September 2010. QRV 40/20/15/10m, mostly CW. QSL via home call, direct or Bureau. [rsgbiota.org]

02/10/2010: Look for Ben, DO1BEN and XYL Barbara, DO1IQ will be active as PD/homcalls from Texel Island (EU-029, DIA SJ-015, WLOTA LH-0043, WW Loc. JO54QV) 2-8th October 2010. Look for activity on or near the usual IOTA freqiencies. QSL via home calls, direct or Bureau. Web: www.do1ben.de/ [rsgbiota.org]
==========
SPECIAL EVENTS -

10/02/2010: Operators HZ1AN, HZ1BT, 7Z1SJ, 7Z1CQ, 7Z1AQ, 7Z1AL, 7Z1OO, HZ1FH, HZ1CQ and HZ1HN will activate special event callsign HZ1IRH for the International Hail Rally in Saudi Arabia from 10-17th February 2010. QSL via HZ1BT. Further information at: www.hailrally.com.sa/ [7Z1SJ]

13/02/2010: In commemoration of the 7th Antarctic Activity Week, François, F8DVD will be using the special callsign TM7AAW between February 13-28th. The WAP reference number is 185. The activity will take place from his home QTH in Macon, the eastern part of France. A special color QSL card showing a view of Antarctica will be issued. QSL via F8DVD, by the Bureau or direct (SAE with 1 IRC or 2 USD) to: Francois Bergez, 6, Rue Liberte, F-71000 MACON, FRANCE. For more info, have a visit on: tm7aaw.monsite.orange.fr/ Or send e-mail to: a.pole@... [F5NQL]

15/02/2010: Paolo, IK2QPR reports he will be active as IU2ANT on 15-28 February, including the 7th Antarctic Activity Week. His reference will be WAP-052 and will operate from his home QTH in Mantova, Italy. QSL via home call, direct or Bureau. [425 DX News]

18/02/2010: In a joint even venture between the Northampton Radio Club & the Coventry Amateur Radio Society to commemorate the 75th Anniversary of the Daventry Experiment, GB75RDF & GB0RDF will be operating from the Ex BBC site at Borough Hill, Daventry during February. GB4RDF will be operating from the Birth of RADAR Memorial from 18th February until 17th March 2010. Details can be found on QRZ.com. QSL all calls via G1BHR, direct or Bureau. [GB2RS]

18/02/2010: The Portuguese Navy Hamradio Club - NRA and the Navy itself feel proud to announce a double Special Event. In this month of February we celebrate the 1st centenary since radiotelegraphy has begun naval official service in the navy. To celebrate it, two Special Event Stations [CR5100AM and CR5100VZ] plus an onboard station CS5DFG will be active. One Station located in Lisbon another Station located 15 miles south of Lisbon and the third one not much far from the others, will be active on the next February 18th and 20th in the period of [0900 - 1900] UTC. A Special QSL Card and a Special Award have been issued by the Navy and NRA to be addressed to all stations that contact one of these three stations in the dates and periods above. Look for any of these stations on the bands and be awarded with a Special QSL Card and Award. Contacting us or waiting another hundred years to do so, is your choice. [ZLDXC]

U.S.A. Special event station information can be found at:
www.arrl.org/contests/spev.html

BITS & PIECES -

MM0DGR/p Photo and video report -
Photo and video report about my trip to Loch Lomond National Nature Reserve (GMFF-046 & GMFF-002) is ready and listed at: www.srars.org/wff-reports/gmff-046.htm . Please don't judge me strictly, I am not a professional, it's just my hobby as well as a HAM radio. The QSL-card for this DX-pedition has been already designed and printed. All who made a QSO with me will receive this QSL-card shortly via the QSL-bureau. I would like to thank you guys for calling and supporting me during this WFF activation.

Date: 2010-02-12 13:51:07 UTC
From: F5nql@aol.com
Topic: 2577 Message: 9247

Hi friends
For this issue thanks to: Frank/F4AJQ, MMMVHF, Rafik/F5CQ, LY4A news, Bill/NG3K,
FRANCE – OUESSANT
From March 12 to 20 you'll be able to contact again the first 2010 Dxpedition by the Provins ARC f6kop.
An international crew, will operate from here – EU-065, as TM7CC
As usually, there are some newcomers, coming to learn the Dxpedition traffic
Among the operators, leaded by Frank, F4AJQ are namely:
Bob/N6OX Gabriele/I2VGW, BernardF9IE, Jean-Paul/F8BJI, Alain/F6ENO, Ghislain/F6CEL, Robert/F5HTR, Michel/F5EOT, Martin/F4UKP, Olivier/F4FLF, Philippe/F4EAT, Jean-Michel/F4DLM, Gérard/F2VX, Henri/F1HRE and Michel/F1AFW.
All bands from 160 to 10m , CW, SSB, Digitals (RTTY, PSK31 and more)
QSL manager : Bernard/F9IE, direct or bureau.
More information to follow at : _http://www.tm7cc.com/_ (http://www.tm7cc.com/)

FRANCE – SEIN Island EU-068

The French TM5EL DX Group will be active on Sein Island (29) in France on 7 - 14 April 2010 (EU-068, AT-007, L-2721, PB-106, Loc: IN78NA)
TM5EL will be active on the HF bands, 6m, 2 m, 70 cm, and 23cm using SSB, CW and digital modes. QSL via F6KHI, direct o via bureau.
Operators: F4BCG, F4FCS, F5RAB, F6AXN, F6DXE, D6DPD, F8AEJ

TX4T news 5
Hello friends !
More than 3000 QSOs on february 11th, more than 8000 in total. The rate is good (and our mood, too !)
80 meters worked very well last night, with 900 QSOs.
160m was harder than previous night.
30m works well, opened to EU between 16 and 17Z.
More information : _http://www.fo2010.org/_ (http://www.fo2010.org/)

Barbados:
Yuri, VE3DZ will be active from Barbados 15 – 23 February, 2010 as 8P9AA.
He will be active on all bands CW, SSB & RTTY. During ARRL DX CW Contest (20 – 21 Feb) Yuri will use 8P3A in SOAB Category. QSL's via H/C.

BELIZE :
V31RI 2010 Feb10- 2010 Mar02 By DL6RAI fm Consejo Beach; QSL also OK via DL6RAI, Buro or direct

SAUDI ARABIA:
Hello sir

The Amateur radio in Saudi Arabia will activate special call sine for international Hail Rally(HZ1IRH) from 10 February 2010 to 17 February 10, 2010

QSL info to HZ1BT

Operator (hz1an hz1bt 7z1sj 7z1cq 7z1aq 7z1al 7z1oo hz1fh hz1cq hz1hn)

Gianni, I5JHW , holiday style as 6V7V from La Somone, Senegal until 23 February. He plans to participate in the CQ WPX RTTY Contest. QSL via H/C, direct or bureau.

KIRIBATI – T32

T32 - Nils (SM6CAS), Derek (G3KHZ), Steve (G4EDG) and Mike (K9AJ), plus five Kiribati Government officials, will be leaving Christmas Island on 17 March on a long voyage to the Southern Line Islands. They plan to stop and operate from four IOTA new ones, namely Malden Island (OC-279), Starbuck Island (OC-280), Caroline Island (OC-281) and Vostok Island (OC-282). They plan to be active on each island for four days. QSL direct via SM6CAS. The voyage will be almost 1,800 nautical miles and they will return to Christmas on 20 April. Further information is expected in due course, bookmark _t32line.webnode.com_ (http://t32line.webnode.com/) (currently under construction) for updates.

ARGENTINA:
WPX RTTY:
Claudio LW3DN, as LV6D in the WPX RTTY. QSL via EA5KB

OGASAWARA – JD1
Five operators will be QRV late- March through April 2010 from JD1 (Ogasawara)

28 to 31 March
* JD1BNN (Kirk) :..Focus on WARC, SSB, some CW and 6m.

28 March to 12 April
* JD1BNJ (Brian) :...Only RTTY and PSK31
* JD1BNK (Stan) :..Mainly HF CW
* JD1BNM (Ted) :..Mainly low bands, CW
* JD1BNQ (Steve) :..All HF CW + 6m. CW
QSL HC.

CANARIAS – V&UHF EME
David, G4RGK, will be at EA8 from April 14 to 28, and qrv from IL38BQ
Usual 144m station, hope to have more power on 432. If any tropo, I may go /p to IL28 he says.

PAPUA NEW GUINEA
YO5BIM Paju, is active as P29VIM until Feb 21s. 20&6m, SSB & CW.
QSL as instruction.

CHRISTMAS Island

Phil, G3SWH and Jim, G3RTE will be active from Christmas Island, IOTA reference OC-002, between 20 and 27 February. Both Phil & Jim will use the callsign VK9X/G6AY with activity on CW only using all bands between 80 and 10 meters. No 160m activity is planned. Propagation permitting, they plan to have two stations on air for as many hours every day as possible. QSL via G3SWH.

BELIZE
N7MSU will be on the air as V31SU from Belize between 4 and 23 February in his spare time on 40 and 20m using CW and SSB. QSL vía N7MSU. See QRZ.com for more details.

Saint VINCENT
G3TBK will be reactivating J88DR in St. Vincent from 18 February to 15 March. Activity will be on all HF bands using CW, SSB and RTTY. This will include an entry in the Commonwealth Contest. QSL via G3TBK, either via the RSGB Bureau or direct.

As of the beginning of February, NI5DX is the QSL manager for 9M6TMT,
Tom, and 9M6RHM, Abdul.

Buzz already has the logs for 9M6TMT and is awaiting cards being sent
from Tom to Texas.

Tom is very active and can often be found on the same frequency as
9M6JC, John, one of the other DX stations that Buzz assists.

No log information has been transferred yet for 9M6RHM, but will be shortly.

73,

Buzz

So far all is well, propagation is for the most part sparce but I have managed to work just over 1100 qsos with 84 countries worked and I have only been on 14, 21 and 10mhz.... 99.3% cw.....
At this stage I will be here on the island for atleast 3 more days and maybe even 5 depending on the work load of my son in law. I have been spending atleast 4 hours a day since arrival helping him.....
I am receiving many emails from all over requesting scheds but this is not a possibility.....
I am trying to stick to 14.020, 10.110 and 21.020 and if on ssb 14.260 and 21.260..... I may check into the ANZA net again as well.
BTW the internet connection here is dial up only so it is not just slow but many others are trying to use it as well.

Ok cheers for now

QSL INFORMATION:
As of the beginning of February, NI5DX is the QSL manager for 9M6TMT,
Tom, and 9M6RHM, Abdul.

Buzz already has the logs for 9M6TMT and is awaiting cards being sent
from Tom to Texas.

Tom is very active and can often be found on the same frequency as
9M6JC, John, one of the other DX stations that Buzz assists.

No log information has been transferred yet for 9M6RHM, but will be
shortly.

73,

Buzz

ITALY Special event :
IIØMETEO operating during the 7th Antarctic Activity Week 22-28 Febr.2010
Italian Air Force Base “Mario De Bernardi” is located at Pratica di Mare near Rome. This is the greatest Italian military airport and the second Base in Europe for largeness. It is a Center of several IAF units, amongst which we cite the most important ones: Experimental Flight Unit (with 311th Flight Group), 14th Flock (with 8th and 71st Flight Groups) and 15th CSAR Flock (combat SAR). On the same IAF Base, stands the National Center of METEOROLOGY and AERONAUTICAL CLIMATOLOGY (CNMCA). The weather station of Pratica di Mare is the main reference unit for the IAF Meteorological service and for World-wide Meteorological Organization, therefore the site from where Meteorologists are studying and acquiring practice to leave for Antarctica during the Italian Research expeditions at MZS Station.
Thanks to the General Staff of the IAF Gen. BA Daniele Tei , to Col. Costante De Simone Commander of CNMCA and the Official Commanders of Pratica di Mare AFB who granted permission and support, a group of referenced Italian Hams representing WAP-Worldwide Antarctic Program (_www.waponline.it_ (http://www.waponline.it/)) , will operate from inside the Base during the 7th AAW using a special callsign IIØMETEO (WAP-190) just issued by the Ministry of Communications.
Operators will be: IK2IWU Carlo, I1HYW Gianni, IW2MNO Marcello, IK1MDF Lorenzo, IZ8EWB Gian Luigi, and IK5DEZ Maurizio.
QSL via IK2IWU
Best regards,
Gianni I1HYW

INFORMATION QSL:
QSL via NI5DX:
Depuis le début de février, je suis, le nouveau QSL manager de 9M6TMT,
Tom, et 9M6RHM, Abdul.

J’ai déjà reçu les logs de 9M6TMTet j’attend que Tom me fasse livrer les
cartes en provenance du Texas.
Tom est très actif et peut être souvent trouvé sur la même fréquence que
9M6JC, John, une autre station dont s’occupe Buzz .

J’attend les logs de 9M6RHM, rapidement.

73,

Buzz, NI5DX

ITALE Indicatif spécial :
IIØMETEO dans la 7ème semaine antarctique.
La base aérienne “Mario De Bernardi” est située à Pratica di Mare, près de Rome.
C’est la pus grande base aérienne italienne et la seconde en Europe quand à la taille.
Elle abrite plusieurs unités de l’Italian Air Force dont l’ Experimental Flight Unit (avec le 311th Flight Group), le 14ème Flock (avec les 8tème and 71ème Flight Groups) et le 15ème CSAR Flock (combat SAR).
Sur la même base se trouve le le Centre National de Météorologie et de climatologie aéronautique (CNMCA).
La station de Pratica di Mare est la principale unité de référence pour les services météo de l’IAF et pour l’Organisation Mondiale de Météorologie.. C’est la que viennent étudier la météo et le climat, tous les postulants à un séjour scientifique en Antarctique, pour le compte des Expéditions de recherche italiennes à la station MZS .
Merci au Commandant Général de l’ IAF Gen. BA Daniele Tei , au Col. Costante De Simone Directeur du CNMCA et aux Officiers de Pratica di Mare AFB qui ont autorisé et aidé un groupe d’opérateurs italiens représentant le WAP-Worldwide Antarctic Program (_www.waponline.it_ (http://www.waponline.it/)) , en leur permettant d’être actifs depuis la base pour la 7ème semaine Antarctique. .
L’indicatif utilisé sera : IIØMETEO (WAP-190) .
Opérateurs : IK2IWU Carlo, I1HYW Gianni, IW2MNO Marcello, IK1MDF Lorenzo, IZ8EWB Gian Luigi, and IK5DEZ Maurizio.

NAQCC - Lifetime membership is FREE!!

Want to break out of the dull winter routine?

Want to be part of the largest QRP CW club in the world? (4,000+ members from 80+ countries!)

Perhaps you are looking for someone to "Elmer" you? Then we have just what you need to develop and improve your CW skills, including QRS nets perfect for the new CW op.

Or maybe you would like to volunteer your time and become an "Elmer" to help one of those fellow hams new to Morse code.

And how about a Sprint or two thrown in for good measure? We have them too, for those of you who like a little friendly contesting. Our sprints now rival many others in the amount of participation.

Want something that lasts a little longer than a sprint? We have challenges that last a whole month with a different theme each month.

Into awards? Our extensive awards program has something for everyone.

Many of our sprints, challenges, awards, and other club activities involve handsome prizes donated by our members.

Best of all, this and more can be yours at NO COST just by joining the NAQCC (North American QRP CW Club). Lifetime membership is FREE!!

As different as we may be, we all share one thing in common, and that is our love for CW.

Now is the time to get involved! Join our group that includes "Big Gun" contesters, hard-core QRPers, experimenters, ragchewers and SWLers; young and old alike. We welcome all who want to help support CW and have at least some interest in using QRP from time-to-time.

Help us on our mission to preserve and encourage CW activity on our amateur bands. Sign up today and help keep CW alive and well.

Don't wait, do it now!

Visit http://home.windstream.net/yoel/ to sign up and receive your FREE lifetime membership number and certificate.

On behalf of:
Tom, WY3H - NAQCC President
John, K3WWP - NAQCC Vice President
Paul, KD2MX - NAQCC Recruitment Officer

Dave, VA3RJ/VE3JDR - NAQCC Publicity Officer

From: Phil Whitchurch
Topic: 9263 Message: 9263

Morning all

Just a reminder that Jim, G3RTE and I will be active as VK9X/G6AY from Christmas Island between 20th and 27th February 2010. Christmas Island counts as OC-002 for IOTA purposes. The 2009 "Most Wanted" survey by the DX Magazine shows Christmas Island at #68 worldwide for DXCC purposes. Our activity will be on CW only on all bands 80-10 meters. There will be no 160 metre activity. Propagation permitting, we plan to have two stations on the air for as many hours every day as is possible. Our main objective is to work as many European, North American and RoTW stations on as many bands as possible. QSL via G3SWH, either direct with SAE and adequate return postage (recommended), via my web site for a bureau reply or via the bureau. There will be an on-line log at www.g3swh.org.uk/christmas-island.html that will be updated daily

73 for now

Phil Whitchurch

9267. DX and Contest, EME & TR VHF

Yahoo group: GOLIST (2007 — 2010)
Date: 2010-02-18 20:02:50 UTC
From: F5nql@aol.com
Topic: 9267 Message: 9267

Hi friends
For this issue thanks to: R Lima/PY1NEZ, MMMVHF and Guy/DL8EBW, Bill/NG3K
BRASIL
IOTA SA-077
A group of brazilian scout amateurs will operate from Santana Island
(approx. 180km N Rio de Janeiro, RJ) during the “2010 South American
Lighthouses Weekend”.
Reference numbers: Islands: IOTA SA-077 and DIB RJ-06.
Lighthouses: ARLHS BRA-062 / WLOTA 0714 / DFB RJ-04
Coordinates: 22.24.98 S / 41.42.37 W
Grid Locator: GG97do
Zones: CQ-11 and ITU-15
Operation date: from Feb. 25 to 28 th, 2010, depending on propagation or
severe weather conditions (very high temperature, around 45º C / 113º F),
transportation, etc.
Bands: from 10 to 80 meters.
Modes: CW and SSB.
Frequencies: near the usual DX and IOTA frequencies, as follows:
CW (MHz): 3,525 / 7,020 / 10,110 / 14,020 / 18,070 / 21,020 / 24,890 /
28,020.
SSB (MHz): 3,795 /7,070 / 14,260 / 18,140 / 21,270 / 24,960 / 28,480.
Calls: PV1S, PT2OP/p, PY1LVF/p and PY1NEZ/p
Operators: PT2OP (Orlando), PY1LVF (Vieira) and PY1NEZ (Lima).
QSL info: - PV1S and PT2OP/p, via PT2OP
- PY1LVF/p and PY1NEZ/p via PY1NEZ , either direct or Bureau.
Addresses: see _www.qrz.com_ (http://www.qrz.com/) or _www.buck.com_
(http://www.buck.com/) .
E-mails: _pt2op@..._ (mailto:pt2op@hotmail.com) ,
py1lvf@... (mailto:py1lvf@...) and _py1nez@dxbrasil.net_
(mailto:py1nez@...)
We hope to meet you on the air !!
73,

de R. Lima, PY1NEZ.

DX-pedition to T7 / San Marino (JN63FW) by the PI9CM DX group.

Calls: T70A via EME and T7/homecall via MS.
Dates: 20 until 25 April.
Operators: PE1LWT / PA3FPQ / PA2CHR / IK4PMB / IK4HLQ / I4YSS
Locator: JN63FW
QRG EME: 144.127 MHz T7 always first period
QRG MS: 144.358 MHz T7 always first period

We will have two stations on separate locations:
EME: 2 x 22el. Xpol: 16.5 dBd / 2 x FT100 / 8877 PA / Preamp 0.4 dB.

MS: 10 el: 13.3 dBd / FT847 / 3CX800 / Preamp 0.4dB.

Of course we dont know if we can run simultaneously EME and MS,
if not we will run MS during morning hours when the moon is below the
horizon

Contest: CQ 160-Meter Contest, SSB (February 26-28, 2010)

Submitter's callsign: LX2A
Contest callsign: LX7I
DXCC entity: LX
Operation class: MO
CQ zone: 14
QSL route: LX2A
Operators: DL4VCG LX2A

9268. [ICPO] ICPO Bulletin (18-25 February 2010)

Yahoo group: GOLIST (2007 — 2010)
Date: 2010-02-18 22:35:57 UTC
From: Dave Raycroft
Topic: 9268 Message: 9268

I.C.P.O. Bulletin (18-25 February 2010)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

16/02/2010: Yue, BD1GT will stay in Algiers, Algeria, for the next year. He just got is 7X ticket which is issued as 7X0GT. He intends to be QRV from 160-10m, all modes possibles. QSL via HC BD1GT or according to the instructions at QRZ.com. [F5NQL]

18/02/2010: Luc, F5RAV will be active from the 6W7RV radio shack in Somone, Senegal, from 18th February to 1st March using the callsign 6V7T. QRV on all HF bands. QSL via home call, direct with two green stamps and SAE. [NG3K]

18/02/2010: Mat, MJ0ASP, will be active from Morocco as CN2MR between 18-26 February. Activity will be on 40-10m, CW, with emphasis on the WARC bands. He likes to contest, so he will probably be in the ARRL International DX CW Contest. QSL via his home callsign (see QRZ.com). [OPDX Bulletin]

18/02/2010: Dave, G3TBK will once again be active as J88DR from the island of St. Vincent (IOTA NA-109, WLOTA LH-0492) between 18th February and 15th March 2010, including an entry in the RSGB Commonwealth Contest. QRV on all bands 160-10 metres using CW, SSB and RTTY. QSL via home call, direct or by the Bureau. [NG3K]

18/02/2010: Rick, K6VVA will be active from Providenciales (NA-002), Turks & Caicos Islands as VP5/K6VVA from 18-24th Frebruary. QRV holiday style on all bands. He will also participate in the ARRL International DX CW Contest, using the callsign VP5Z, entry category to be decided. Note: VP5Z callsign chosen in honor of my longtime friend Jim Neiger, N6TJ (ZD8Z). QSL ONLY VIA N6AWD, direct or Bureau. Website: www.k6vva.com/ [NG3K]

18/02/2010: Eric, K9GY will be active as YN2GY from Nicaragua on 18-22 February 2010, including a SOAB entry in the ARRL DX CW Contest. QSL direct to home call and LoTW. [425 DX News]

20/02/2010: Dimitri RA3CO and Yury RL3FT will be active from New Providence (Nassau), Bahamas (IOTA NA-001, WLOTA LH-1115) as C6AWL during the ARRL DX CW Contest as a Multi-Single entry. QSL via RX3RC (QRZ.com). [NG3K]

20/02/2010: Eduardo, CO8LY will be active from Santiago de Cuba, Cuba (IOTA NA-015, WLOTA LH-0032) during the ARRL DX CW Contest as a Single-Op/Single-Band (20m)/Low-Power entry. QSL via EA7ADH. [NG3K]

20/02/2010: Look for Juan Carlos, CO8TW to be active from Santiago de Cuba, Cuba (IOTA NA-015, WLOTA LH-0032) in the ARRL DX CW Contest as a Single-Op/Single-Band (15m)/Low-Power entry. QSL via HB9SVT. [NG3K]

20/02/2010: Operators Walter DJ6QT, Falk DK7YY, Wolfgang DK9VZ, Hein DL2OBF, Tom DL5LYM, Juergen DL6WT and Frank DL8WAA will be active as CR3L from Santana, Madeira Island (IOTA AF-014, DIP MA-001, WLOTA LH-0053) during the ARRL DX CW Contest as a Multi-? entry. QSL via DJ6QT, Bureau or direct. [NG3K]

20/02/2010: Jorge, CT1FMX and Sergio, CT2HQS will be active from Arco da Memoria (WCA CT-1005, DMHP LR-091) on 20th February 2010. Plans are to work as homecall/p on all bands. QSL via home calls, direct or Bureau. [RN1CW]

20/02/2010: Dej E21YDP and Champ E21EIC will be active from Bangkok, Thailand, as E21YDP for the ARRL DX CW Contest as a Multi-Single entry. QSL via E21YDP. [NG3K]

20/02/2010: Operators John W2GD, Don K4ZA, Alex RZ3AZ and Valery RD3AF will be active as EF8M from Santa Maria de Guia, Las Palmas Gran Canaria (IOTA AF-004, DIE S-005, ESA GC, WLOTA LH-0969, WW Loc. IL28FC) during the ARRL DX CW Contest as a Multi-2 entry. QSL via UA3DX. [NG3K]

20/02/2010: Operators Andy EA8CN, Manuel EA8NC, Anders SM6CNN and Luis EA8AY will be active from Tacoronte, Isla de Tenerife (DIE S-012, WLOTA LH-1276), Canary Islands (AF-004) as EF8N during the ARRL DX CW Contest as a Multi-2 entry. QSL via EA8AY, direct or Bureau. [NG3K]

20/02/2010: François F5JNE along with Gerard F6ICG will be active from the Castle of Saint Verain (DFCF 58-105), City of Saint Verain (CP 58310), canton [county] of Saint Amand en Puisaye (DDCF 58-20), Department Nievre/58 and Province Burgundy (DPF 05) on 20 February 2010. QRV 80 and 40 metre SSB and CW, starting around 0700 UTC. QSL via F5JNE, bureau preferred and SWL cards are welcome. [F5NQL]

20/02/2010: Look for Patrick, F8DYD/p to be active 20 February 2010 from the Castle of Bois-Doucet (DFCF 86-065), commune de Lavoux (CP 86800), canton [county] Saint Julien l'Ars (DDCF 86-24), Department Vienne/86 and Province Poitou Charentes (DPF 19). QRV 80 and 40 metre SSB, with some CW. QSL via home call, direct or Bureau. [F8DYD]

20/02/2010: Fabio, IK4QJF will be active as HI3/IK4QJF from the Dominican Republic (IOTA NA-096, WLOTA LH-2974) from 20th February to 5th March 2010. He will operate SSB and digital modes. QSL via home call, direct or bureau. [425 DX News]

20/02/2010: Lothar,DK8LRF, intends to become active as HK3JCL again working in SSB, Pactor, RTTY and PSK31 mainly on 20m and 40m from 20th February until Easter 2010. His QTH will be the finca Mariposa nr Restrepo/Meta, at the foot of the Eastern Cordillera. His equipment includes a Kenwood TS-50, an Annecke antenna coupler, PTC II and a Rhombus antenna (4 x 63m) pointing to Central Europe. QSLs via Bureau to

DK8LRF. [DX Newsletter]

20/02/2010: Rene, HP1DCP will be active from Los Santos Province, Republic of Panama, as HP1DCP/9 during the ARRL DX CW Contest as a Single-Op/Low-Power entry. QSL via EA5KB. [NG3K]

20/02/2010: Dave, G3TBK will be active as J88DR from the island of St. Vincent (IOTA NA-109, WLOTA LH-0492) during the ARRL DX CW Contest as a Single-Op/All-Band/Low-Power entry. QSL via home call, Bureau or direct. [NG3K]

20/02/2010: Operators Mike DF3VM, Will DF4PD, Chris DL7CS and Philippe LX2A will be active as LX7I from Eschdorf, Luxembourg, for the ARRL DX CW Contest as a Multi-2 entry. QSL via LX2A, direct or Bureau. Web: www.lx2a.com/ [NG3K]

20/02/2010: The Scottish-Russian Amateur Radio Society (www.srars.org/) MM0DGR/p will be operating from the Blawhorn Moss National Nature Reserve (GMFF-009) on Saturday, 20th February, 2010. The portable station will be located at the Langside Wood (southwest corner of the reserve, near small town Blackridge). Grid locator IO85CV, WAB NS86, EU Area SC32 (West Lothian), IOTA EU-005, WLOTA LH-1234. QRV on frequencies ± QRM: 20 m (SSB 14.244 MHz); 30 m (BPSK63 10.142 MHz, CW 10.124 MHz); 40 m (SSB 7.144 MHz), running 300 Watts and various antennas. QSL-cards via MM0DFV (preferably RSGB QSL Bureau). For more info please have a look at: www.srars.org/wff-reports/gmff-009.htm [MM0DFV]

20/02/2010: Al, WP3C will be active as NP4DX from Utuado, Puerto Rico (IOTA NA-099, USi PR006S, WLOTA LH-2802) during the ARRL DX CW Contest as a Single-Op/Single-Band (80m) entry. QSL via W3HNK. [NG3K]

20/02/2010: Marius LB3HC, Andreas LA8AJA, Rag LA6FJA and Antti OH7EA will be QRV from Arcala, Finland, during the ARRL DX CW Contest as a Multi-2 entry. QSL via OH2UA. [NG3K]

20/02/2010: Club Station Friendship Amateur Radio Society FARS, RW0CWA will be active from the RW0CN QTH, 70km north of Khabarovsk, Russian Federation, using the contest callsign RT0C during the ARRL DX CW Contest as a Multi-? entry. QSL via RW0CF, direct or Bureau. [NG3K]

20/02/2010: Jim, T6AF will be active from Kabul, Afghanistan, for the ARRL DX CW Contest (20-21 February) as a Single-Op/All-Band/Low-Power entry. QSL via LoTW, eQSL or WA2EWE by the Bureau or direct. [NG3K]

20/02/2010: Look for Carlos TI2KAC, Juan Carlos TI2JCY, Mauricio TI4ZM, Bob W4BW, Eddie K4UN, Lex W4XO, and Keith W4KTR to be active from Quepos, Puntarenas Province, Costa Rica, as TI8M during the ARRL DX CW Contest as a Multi-? entry. QSL via TI2KAC. [NG3K]

20/02/2010: John WC0W, Robert K5PI and Mike K5N will be active from San Ignacio, Belize, as V31TP during the ARRL DX CW Contest as a Multi-Single entry. QSL via WC0W (QRZ.com). [NG3K]

20/02/2010: Phil, G3SWH and Jim, G3RTE will be active from the The Sunset Hotel, located on the most northerly part of Christmas Island (IOTA OC-002, Grid Loc. OH29) from 20-27th February 2010. Both Phil and Jim will use the callsign VK9X/G6AY with activity on 80-10 metres, CW only, using 100 watt transceivers with wire antennas on the top of the cliff. No 160m activity planned. Propagation permitting, they plan to have two stations on air for as many hours every day as possible. QSL via G3SWH, direct or Bureau or e-mail QSL request. Further information can be found at: www.g3swh.org.uk/christmas-island.html [G3SWH]

20/02/2010: Look for Kurt, W6PH to be active from the island of Bermuda (IOTA NA-005, WLOTA LH-0201) as VP9/W6PH during the ARRL DX CW Contest as a Single-Op/All-Band/Low-Power entry. QSL direct to home call (QRZ.com). [NG3K]

20/02/2010: Look for Peter, NO2R to be active from Victory Hill, Kompong Som (Sihanoukville), Cambodia, as XU7ACY during the ARRL DX CW Contest as a Single-Op/Low-Power entry. Peter will be All Bands if he gets the C3 up in time. QSL via W2EN, Bureau or direct. [NG3K]

20/02/2010: Look for John, K6AM to be QRV as ZF2AM from Grand Cayman Island (NA-016, WLOTA LH-1042) in the ARRL DX CW Contest. He plans a Single-Op/All-Band entry. QSL via home call, direct or Bureau. [NG3K]

21/02/2010: Mike, CU3HY and Paulo, CU3CC will be active as homecall/p on 21st February 2010 from the Castelo São João Baptista (WCA CT-00147, DMHP AZ-001, DMP 1901, DCFP C-147) and Pico das Cruzinhas (WCA CT-00425, DMHP AZ-077) located in Angra do Heroísmo, Angra Heroísmo county, Ilha Terceira (IOTA EU-175, DIP AZ-003, WLOTA LH-0524). QRV on the HF bands from 1500-1800 UTC. QSL via home calls, Bureau or direct. [RN1CW]

21/02/2010: Operators Fazlay S21RC, Manju S21AM, Sohel S21S and Aminul S21D plan to be active as S21DX from St. Martin's Island [aka Narical Gingira, which means Cocos island] (AS-127, WLOTA L-2351), Bangladesh, from 21-25 February. They will work mainly in SSB and some RTTY using a 5 band Spiderbeam, dipoles and vertical antennas. Their power source will be batteries. Unfortunately their QSL manager EB7DX confirms QSLs only direct. Further information can be found at: www.s2dx.org/ [NG3K / DXNL]

21/02/2010: Jeff, K0UU will be active as ZF2MN/ZF8 from Little Cayman (IOTA NA-016, WLOTA LH-1490) on 21-28 February 2010. He will operate CW on 40-10 metres. QSL via K0UU, direct or LoTW. [425 DX News]

22/02/2010: Helmut DL3KBQ as 9UXEV (correct call), Henry DL2RSI as 9U1RSI, Peter DH2KI as 9U1KI and Jürgen DJ2VO as 9U1VO will operate from the Safari Gate Hotel in Bujumbara, Burundi, from 22nd February to 6th March. QRV on the HF bands using CW, SSB and digital modes with 100W and vertical antennas. QSL to homecalls via DARC Bureau or direct. [NG3K]

22/02/2010: Jan, DL7JAN will again be on DXpedition in 2010. Destination this time is Bandar Seri Begawan, Brunei Darussalam (IOTA OC-088, WLOTA LH-1628) as V88/DL7JAN between 22 February and 3 March.

Activity is planned from 160-10m using CW, SSB and RTTY. QSL to DL7JAN, direct or Bureau. [NG3K]

23/02/2010: Joerg, OE6VHF will be active as 8Q7JK from Thulhagiri Island, North Male Atoll (WLOTA LH-3911), Maldive Islands (AS-013) between 23rd February and 5th March. QRV 40-10m, mostly SSB, using 100W and dipole antennas. QSLs will be sent out via GLOBALQSL. [NG3K]

24/02/2010: Wolfgang, OE1WWL will be active as 9M2/OE1WWL from Langkawi Island (IOTA AS-058, WLOTA LH-2020) on 24-28th February 2010. He plans to operate some SSB using 10 watts and a wire. QSL via home call, bureau preferred. [425 DX News]

24/02/2010: John, K3TEJ will be active as J7N from the island of Dominica (IOTA NA-101) between 24 February and 11 March, including Single-Op entries in the CQWW 160M SSB (26-28 February) and the ARRL DX SSB Contests (6-7 March). Outside the contests John will be QRV using CW and RTTY. QSL direct via his home call (QRZ.com). [NG3K]

24/02/2010: Willi, DJ7RJ will be active from the island of Kos (EU-001, GIOTA DKS-043, MIA MGD-016, WLOTA LH-1730, Grid KM36) as SV5/DJ7RJ from 24 February to 17 March. He will work 160m to 6m using CW and SSB preferably on the low bands. QSL direct to home call. [NG3K]

24/02/2010: Michel, F6GWV and Gildas, F6HMQ will be active as TO2T from Guadeloupe (IOTA NA-102, DIFO FG-001, WLOTA LH-0644) from 24th February to 8th March 2010. QSL via F6HMQ, direct or Bureau. [425 DX News]

24/02/2010: Art, NN7A will be active from the Turneffe Islands (IOTA NA-123), Belize, as V31JZ/p between 24 February and 3 March. QRV holiday style operation. QSL via home call, direct or Bureau. [rsgbiota.org]

25/02/2010: The Palos Verdes Amateur Radio, K6PV will be active from Santa Catalina Island (IOTA NA-066, USi CA016S, WLOTA LH-2912), Los Angeles County, California, from 25-28 February. Planned operation on ususal IOTA frequencies, mostly 20 metre SSB. May be available to work CW, RTTY and/or PSK31. Operators include Ray N6HE, Dan W6DC, Mel K6SY, Doris K6KSY, Jeff K6JW, Homer K6HKT, Ginger KG6TAU, Bob AB6SY, Joe K5KT and Marian K5KKT. QSL direct to K6PV (Palos Verdes Amateur Radio Club) or via the Bureau. They have a special K6PV IOTA cards for the activation. Web page at: www.palosverdes.com/pvarc/ [rsgbiota.org]

25/02/2010: Members of TIARA (Tokyo International Amateur Radio Association) namely Kawa AB2ST/KH2, Ken K0EN/KH2 and Toshio, KG6WTW/KH2 will be on the air from Guam (IOTA OC-026, USi GU003S, WLOTA LH-0064) from 25 February until 1 March. Activity will be on HF all bands, mainly beaming Europe. QSL all calls via JF1TEU, JARL Bureau or direct. This project is the sequel to the one in 2008. [dx-hamspirit.com]

25/02/2010: Operators Nilzo PY6AWU, Jose PY6HD and Roberto PY6RT will be active as ZZ6Z from Santa Barbara Island (WLOTA LH-0463) in the Abrolhos Archipelago group (IOTA SA-019) on 25-28th February 2010. The

Brazilian Navy schedule could affect the dates. Activity will be on 80-10 metre SSB. QSL via PY6HD, direct only. [OPDX Bulletin]

Be sure to check Bill's (NG3K) website for updated ARRL International DX CW Contest activity at: http://ng3k.com/Misc/adxc2010.html .. Good luck to all participants & have fun!!!

==========

LOOKING AHEAD -

26/02/2010: Frank DL4VCG and Philippe LX2A will participate in the CQWW 160M SSB Contest (26-28th February) from Eschdorf, Luxembourg, as a Multi-Op entry. QSL via LX2A. Web: www.lx2a.com/ [NG3K]

26/02/2010: John, K6AM will be active as ZF2AM from Grand Cayman Island (IOTA NA-016, WLOTA LH-1042) as a Single-Op entry in the CQWW 160M SSB Contest (26-28th February). QSL via home call, Bureau or direct. Logs will be uploaded to LoTW. [NG3K]

26/02/2010: The Baden Powell DX Group, Guara DX Group and Labre-Paraiba will operate as ZV7C from the Cabo Branco lighthouse (ARLHS BRA-015 and DFB PB-01, WW Loc. HI22OU), Paraiba State, Brazil, during the 2nd South American Lighthouse Week (26-28th February). Team members include PR7AB, PR7AF, PR7AYE, PR7HR, PR7HT, PR7PB, PR7SD, PR7TS and PU7GFL. QRV 80-10 metres using CW, SSB and PSK. Approximate frequencies: SSB - 3.700, 7.120, 14.280, 21.280 and 24.480 MHz; CW - 3.515, 7.015, 14.022, 21.022 and 28.071 MHz; PSK - 3.580, 7.037, 14.071, 21.071 and 28.071 MHz. QSL via PT7JP, direct (QRZ.com) or Bureau. [PT2OP]

08/03/2010: Pista, HA5AO will be back to the Trading Post Lodge, Roma (near Maseru), Kingdom of Lesotho, once again as 7P8AO, between 8-22nd March 2010. He plans to working on the HF bands, 80-10 metres, on CW, SSB and RTTY. The station setup: ICOM 7000 transceiver with 300 W solid state PA, 10.2 m wire vertical antenna with SG-235 automatic antenna coupler. He should like to be on the air as much time as possible, however, please note, that this is a single operator mini expedition. QSL via home call, direct or Bureau. Logs will be uploaded to LoTW and eQSL. Logsearch will be available on his website: ha5ao.novolab.hu/. [HA0HW]

12/03/2010: From 12-20 March 2010 you'll be able to contact the first 2010 Dxpedition by the Provins ARC (F6KOP) to Ouessant Island (IOTA EU-065, DIFM AT001, WLOTA LH-0208), located in Department Finistere/29 and Province Brittany (DPF 06). An international crew, will operate from there as TM7CC. As usual, there are some newcomers, coming to learn the Dxpedition traffic. Among the operators, lead by Frank, F4AJQ are namely : Bob N6OX, Gabriele I2VGW, Bernard F9IE, Jean-Paul F8BJI, Alain F6ENO, Ghislain F6CEL, Robert F5HTR, Michel F5EOT, Martin F4UKP, Olivier F4FLF, Philippe F4EAT, Jean-Michel F4DLM, Gerard F2VX, Henri F1HRE and Michel F1AFW. QRV from 160-10m, using CW, SSB, Digitals (RTTY, PSK31 and more). QSL via F9IE, direct or bureau. Further information can be found at: www.tm7cc.com/ [F5NQL]

28/03/2010: Brian KG8CO (JD1BNJ), Stan AC8W (JD1BNK), Ted K8AQM (JD1BNM) and Steve K8QKY (JD1BNQ) will be active from Chichi-jima (JIIA AS-031-003, WLOTA LH-2269, Grid Loc. QL17), Ogasawara islands (IOTA AS-031) between 28th March and 12th April 2010. QRV 160-10m using CW, SSB and RTTY. JD1BNJ (Brian) will operate only RTTY and PSK31; JD1BNK (Stan) will operate mainly HF CW; JD1BNM (Ted) will be on the low bands, CW; and JD1BNQ (Steve) will be on all the HF bands CW plus 6 metres. QSL all calls via K8AQM, direct or Bureau. Logs will be uploaded to LotW. [F5NQL]

07/04/2010: The French TM5EL DX Group will be active on Sein Island (IOTA EU-068, DIFM AT007, CP 29990) in Department Finistere/29 and Province Brittany (DPF 06), France on 7-14th April 2010. Plans are also to activate the Grand Phare lighthouse (DPLF PB106, ARLHS FRA 066, TWLHD WLH F-027, WLOTA LH-2721, WW Loc. IN78NA). Operators include F4BCG, F4FCS, F5RAB, F6AXN, F6DXE, D6DPD, F8AEJ. TM5EL will be active on the HF bands, 6m, 2m, 70cm, and 23cm using SSB, CW and digital modes. QSL via F6KHI, direct or Bureau. [F5NQL]

22/05/2010: The "Ring Deutscher Pfadfinder" (group of German Radio-Scouts) will be qrv from Roemoe Island (IOTA EU-125, DIA NS-001, Grid Loc. JO45) as OZ1RDP from 22-24th May 2010. QRV on HF, 50, 70 and 144 MHz. It is the 15th meeting at OZ1RDP. QSL via DL9BCP, direct or Bureau. Further details at: www.oz1rdp.de/ [MMMonVHF]

22/05/2010: This year the Boy Scouts Of America turns 100 year old. The special event callsign WS8BSA will be aired on 22nd May 2010 from 1400-2100 UTC. QRV on 80, 20 and 15 metres. QSL via KE8X (QRZ.com). Further information will be available closer to the date of activity. [N8OFS]

19/11/2010: A team of operators, namely Gerd DJ5IW, Markus DJ7EO, Heye DJ9RR, Franz DK1II, Chris DL1MGB, Dietmar DL3DXX, Andy DL5CW, Tom DL5LYM, Felix DL5XL, Ben DL6FBL, Dieter DL8OH, Joerg DL8WPX and Robert SP5XVY will be active from Raoul Island [aka Sunday Island], Kermadec Islands (IOTA OC-039) as ZL8X from 19th November to 5th December 2010. They will use 7 stations all capable of all modes (CW, SSB, RTTY). The well-known Braveheart with his captain Nigel Jolly will bring the team and their equipment to the island and will support us with general logistics. Further information will be available at: www.kermadec.de/index.php [ZL2IFB]
==========
SPECIAL EVENTS -

IIØMETEO operating during the 7th Antarctic Activity Week 22-28 Febr.2010
Italian Air Force Base "Mario De Bernardi" is located at Pratica di Mare near Rome. This is the greatest Italian military airport and the second Base in Europe for largeness. It is a Center of several IAF units, amongst which we cite the most important ones: Experimental Flight Unit (with 311th Flight Group), 14th Flock (with 8th and 71st Flight Groups) and 15th CSAR Flock (combat SAR). On the same IAF Base, stands the

National Center of METEOROLOGY and AERONAUTICAL CLIMATOLOGY (CNMCA). The weather station of Pratica di Mare is the main reference unit for the IAF Meteorological service and for World-wide Meteorological Organization, therefore the site from where Meteorologists are studying and acquiring practice to leave for Antarctica during the Italian Research expeditions at MZS Station.
Thanks to the General Staff of the IAF Gen. BA Daniele Tei , to Col. Costante De Simone Commander of CNMCA and the Official Commanders of Pratica di Mare AFB who granted permission and support, a group of referenced Italian Hams representing WAP-Worldwide Antarctic Program (www.waponline.it) , will operate from inside the Base during the 7th AAW using a special callsign IIØMETEO (WAP-190) just issued by the Ministry of Communications.
Operators will be: IK2IWU Carlo, I1HYW Gianni, IW2MNO Marcello, IK1MDF Lorenzo, IZ8EWB Gian Luigi, and IK5DEZ Maurizio.
QSL via IK2IWU. www.waponline.it/ [I1HYW]

GW (Wales) - 25th March to 30th March 2010 - Members of the Strumble Head DX and Contest Group will be activating the club call signs over the weekend of the CQ WPX phone contest - MW9W and MC0SHL. Not only will they be on the air in the contest as single band entries, but they will also be on for a few days before and after the contest. Most of the operation will be on SSB but there is promise of some RTTY on various bands including 30M. Logs will be uploaded onto LOTW at the end of the week and if they can the boys will also try to upload to the logsearch on their QSL managers website. All QSL's should go via Tim M0URX where full details are on http://www.m0urx.com/ where full details are available. Details of all the clubs activities, and photographs of the group, are also on the club website http://www.mc0shl.com/ [G1VDP]

LZ - BULGARIA - To commemorate 132nd anniversary of the liberation of Bulgaria from Ottoman yoke by Russia, Balkan Contest Club LZ1KZA will operate with special event callsign LZ132GO from 1st till 31st of March 2010. LZ132GO counts for 10 points towards "St. Teodosii Tyrnovski" award: http://www.balkanclub.org/awards.htm . QSL via LZ1ZF. [F5NQL]

18/02/2010: In a joint even venture between the Northampton Radio Club & the Coventry Amateur Radio Society to commemorate the 75th Anniversary of the Daventry Experiment, GB75RDF & GB0RDF will be operating from the Ex BBC site at Borough Hill, Daventry during February. GB4RDF will be operating from the Birth of RADAR Memorial from 18th February until 17th March 2010. Details can be found on QRZ.com. QSL all calls via G1BHR, direct or Bureau. [GB2RS]

18/02/2010: The Portuguese Navy Hamradio Club - NRA and the Navy itself feel proud to announce a double Special Event. In this month of February we celebrate the 1st centenary since radiotelegraphy has begun naval official service in the navy. To celebrate it, two Special Event Stations [CR5100AM and CR5100VZ] plus an onboard station CS5DFG will be active. One Station located in Lisbon another Station located 15 miles south of Lisbon and the third one not much far from the others, will be

active on the next February 18th and 20th in the period of [0900 - 1900] UTC. A Special QSL Card and a Special Award have been issued by the Navy and NRA to be addressed to all stations that contact one of these three stations in the dates and periods above. Look for any of these stations on the bands and be awarded with a Special QSL Card and Award. Contacting us or waiting another hundred years to do so, is your choice. [ZLDXC]

20/02/2010: GG100RE will operate from Eltham in south-east London on Saturday 20 February for Thinking Day on the Air, celebrating the 100th anniversary of the Girl Guide movement. Two stations will be active throughout the day, with Guides of all ages passing greetings messages on 80, 40 and 20m. The station will be operated by Cray Valley RS. QSL via G4DFI. Full details on QRZ.com. [GB2RS]

20/02/2010: Special event station GG100WD for Wilton Division Guides will be operating in Batley on the weekend of 20 and 21 February. The station will be operational on HF, 2m and 70cm from 11am on Saturday to 2pm on Sunday. QSL via the RSGB Bureau. [GB2RS]

22/02/2010: The 7th Antarctic Activity Week will be held from 22-28 February, with various countries and special callsigns active. Look for the following: DA0ANT WAP-128 (QSL DC2SF), K4A WAP-073 (QSL K6EID), K4K WAP-176 (QSL K4MZU), II2ANT WAP-030 (QSL I2JJR), IR1ANT WAP-002 (QSL I1HYW). Further information about the event plus full list of participating stations can be found at: www.waponline.it/ [Worldwide Antarctic Program]

22/02/2010: Operators Javi EC1KV, Dani EB1LA, Carri EA1CUB, Luis EA1CS, Juanjo EA1WX, Juan Carlos EA1AUM, Gil EA1HFM and Fernando EA1GHT will be active 22-28 February as AO1ANT for the celebration of the 7th Antarctic Activity Week. Their reference will be WAP-180 and the SSB, CW, PSK31 and RTTY modes, will be activated, in all the amateur bands from 10 to 160 metres. QSL via EA1GHT, Bureau or direct. For more info see: www.qrz.com/db/ao1ant [EA1GHT]

22/02/2010: Paul, K8PG will be active from Chatham, Michigan, as N8A for the 7th Antarctic Activity Week. QSL via K8PG (QRZ.com). [K8PG]

U.S.A. Special event station information can be found at: www.arrl.org/contests/spev.html

9271. GOLIST WEB ORDER FORM

Yahoo group: GOLIST (2007 — 2010)
Date: 2010-02-23 18:57:46 UTC
From: GOLIST
Topic: 9271 Message: 9271

Hi folks
There is a problem with the web order form. I know what the
problem is, but can not find where to fix it. So far the web master
has not been able to work on it.
If you are renewing or have an order for RAC or are a new user,

9272. Contest, DX, QSL, New privileges(TF)

Yahoo group: GOLIST (2007 — 2010)
Date: 2010-02-25 08:14:30 UTC
From: F5nql@aol.com
Topic: 9272 Message: 9272

Hi friends
For this issue thanks to: Bill/NG3K, Alfredo/IK7JWX, ARRL , Luis/LU5CAB, Javier/LU5FF, Gilles/F4FGJ.
For American and Canadian friends only:

Contest: ARRL DX Contest, SSB (March 6-7, 2010)

Submitter's callsign: CO6LP
Contest callsign: T46A
DXCC entity: Cuba
Operation class: MS
CQ zone: 8
QSL route: CO6LC
Operators: CO6LP, CO6LC CM6YAC, CO6CAC, CO6EC, CO6YWR

Notes: Using 500W or 1KW antena: 10M 4el. yagui, 15M 2el. yagui, 20M 3el. yagui, 40M rotary dipole, 80 and 160M dipole. 75 feet tower...
Submitter's callsign: LX2A
Contest callsign: LX7I
DXCC entity: LX
Operation class: SO
CQ zone: 14
QSL route: LX2A
Operators: LX2A
Notes: www.lx2a.com

Submitter's callsign: W2SC
Contest callsign: 8P5A
DXCC entity: Barbados
Operation class: SOAB HP
CQ zone: 8
QSL route: NN1N
Operators: W2SC

Other contests:

Contest: CQ 160-Meter Contest, SSB (February 26-28, 2010)

MOROCCO:
Submitter's callsign: ik2qei
Contest callsign: CN3A
DXCC entity: Morocco
Operation class: M/S
CQ zone: 33
QSL route: LoTW or I2WIJ
Operators: IK2QEI - IK2SGC - IK2SFZ - IV3ZXQ

KALININGRAD:
Submitter's callsign: UA2FB
Contest callsign: RW2F
DXCC entity: KALININGRAD
Operation class: SO
CQ zone: 15
QSL route: DK4VW
Operators: UA2FB

TAJIKISTAN:
Submitter's callsign: EY8MM
Contest callsign: EY8ZF
DXCC entity: Tajikistan
Operation class: Multi Op
CQ zone: 17
QSL route: QRZ.COM
Operators: EY8BI, EY8MM, K4ZW, RV0AR

CQ WW WPX Contest, SSB (March 27-28, 2010)
MADEIRA
The German crew leaded by DJ6QT, will be active during the next SSB WPX
Contest as CQ3L
instead of CR3L.
QSLfor this effort from AF-014, via DJ6QT
MOROCCO:
Submitter's callsign: DL7BC
Contest callsign: CN2BC
DXCC entity: Morocco
Operation class: SOAB LP
CQ zone: 33
QSL route: DL7BC
Operators: DL7BC
www.qslnet.de/dl7bc (http://www.qslnet.de/dl7bc)

TX4T news:
TX4T logs up-loaded to LoTW

Hello,

The first slice of TX4T logs have just been up-loaded to LoTW. There are
23,363 QSOs with 5,266 QSLs already. That's 22.5% confirmed! The TX4T log
up-loaded so far is up to 0358z on Wednesday 17-Feb-10. The remainder of
the
TX4T log will be up-loaded to LoTW soon after the end of the operation
later
next week.

You can always use ClubLog to track your progress if you're not yet into
LoTW (but you should be into LoTW - hi!) ....
http://www.clublog.org/charts/?c=TX4T

Good luck with picking up a few more QSOs with TX4T during their final
week.

[G3TXF will now be doing the same from home!]

73 - Nigel G3TXF

As a reminder:
MOROCCO:
March 16 to 23, 2010.
Look for 5C2J (IK7JWX), 5C2L (I8LWL), 5C2SG (IZ7ATN),
5C2W (IK2DUW), 5C2Q (IK2GPQ), 5C2P (IK2PZC)
to be active from AGADIR, ESSAOUIRA + LH.
TUNISIA
April 27 to May 4, 2010
DJERBA island iota AF-083 + LH. and CONIGLIERA island iota AF-092 + LH.
Callsigns: TS8P + TS8P/P
Ops : IK7JWX, I8LWL, IC8ATA, IK2DUW, IK2PZC, IK2GPQ,
IZ2GRG, IK8BPY, IS0AGY, IZ7ATN, IW2LNC, IK8GQY
For both dxpeditions , QSL via Alfredo/IK7JWX, direct or bureau.
Sponsors are always welcome please contact IK7JWX (_ik7jwx2003@..._
(mailto:ik7jwx2003@...))

ARGENTINA:
LU1CC - QRT
LU1CC Juan Carlos OXOBY, from BA, passed away on January 9th. He was very
interested in VHF.

SOUTH AMERICAN LIGHTHOUSES and BEACONS WEEK END:
Friday 26 to Sunday February 28, 2010

A complete list of the crews who have said they will be entering the
contest is available , with pictures of the Lighthouses and Beacons at :
_http://translate.google.de/translate?hl=es&ie=UTF-8&u=http://www.lu5ff.com.ar/i

&sl=es&tl=en&history_state0
) =

CAPE VERDE, D4. Massimo, IZ4DPV will be QRV as D44AC from Sao
Vicente Island from February 21 to March 9. This includes entries
in the upcoming CQ 160 Meter SSB and ARRL International SSB DX
contests signing D4C. QSL D44AC direct and D4C via IZ4DPV.

MALDIVES, 8Q. Joerg, OE6VHF will be QRV as 8Q7JK from Thulhagiri
Island, IOTA AS-013, from February 23 to March 5. Activity will be
on 40 to 10 meters. QSL to home call.

Iceland Amateurs Receive New Privileges (Feb 23, 2010) -- As of Friday,
February 19, Iceland’s Post and Telecom Administration (_PTA_
(http://www.pta.is/Default.aspx?cat_id=101)) granted temporary experimental access to the
4
and 600 meter bands at least through the end of 2010, according to
Islenzkir Radioamatorar (_IRA_
(http://www.ira.is/pages/viewpage.action?pageId=4194372)) President Jonas Bjarnason,

TF2JB; the ITA is Iceland’s _IARU_
(http://www.iaru.org/) Member-Society. After obtaining a special license from the
PTA, Bjarnason said that TF stations with “N” or “G” class licenses may
now operate between 493-510 kHz and 70.000-70.200 MHz running 100 W.
Amateur operations on both bands are granted on a secondary basis.

FRANCE :
On next Saturday, Feb 27, Gilles/F4FGJ and Claude/F5MCC, will sign F4FGJ/p
from the Mill of Chaumot, DMF 89056, in the cityof Chaumot zip code 89500.
CW/SSB, 80/40m and maybe other bands.
QSL direct or bureau , SWL cards welcome.

Forwarded with 73 by

Effective immediately I will be serving as QSL manager for Selva, 9V1UV.
I will have logs for all of Selva's QSOs, past and future and will be
answering direct and bureau requests. Please send direct requests
to my QRZ.COM address with SASE or SAE + new IRC or minimum
of $1USD for a direct return. New cards are having to be ordered and
printed so please be patient for a return QSL over the next month or
so. Please pass this to any other QSL route sources you may be aware
of not copied on this email.

9275. MM0DGR DX News

Yahoo group: GOLIST (2007 — 2010)
Date: 2010-02-25 16:56:13 UTC
From: GOLIST
Topic: 9275 Message: 9275

MM0DGR/p will be operating from the Cragbank Woods National Nature Reserve (GMFF-018) on Saturday, 27th February, 2010. At the moment we don't know exact (precise) location of the station, but it's going to be at the foot of Wolfehopelee Hill along B6357 road. Grid locator IO85QI, WAB NT50, EU Area SC26 (Scottish Borders), IOTA EU-005. For more info please have a look at http://www.srars.org/wff-reports/gmff-018.htm

Equipment will be used - Icom IC-706MKIIG (100W on BPSK125) with HLA-300 Plus HF Power Amplifier (300W on other modes). We will use our multiband vertical antenna with a 9 meter vertical radiating wire mounted on a fiberglass pole and matched through the CG-5000 automatic antenna coupler at the bottom, earthed to 8 x 10m elevated radials. This time we are going to use the Radio Works T-4 Line Isolator along the RG8 coaxial cable, and a heavy earth rod mounted at the mobile shack to prevent RF feedback.

The main goal of this trip is to activate a new WFF nature reserve and to participate in the EPC WW DX Contest [www.epcwwdx.srars.org] on BPSK125 mode. There will be a possibility to operate other modes for short periods according to the following frequencies ? QRM: 15 m (CW 21.044 MHz, SSB 21.244 MHz); 20 m (CW 14.044 MHz, SSB 14.244 MHz); 30 m (CW 10.124 MHz); 40 m (CW 7.024 MHz, SSB 7.144 MHz). QSL-cards should be sent via MM0DFV, preferably through the QSL-bureau.

The Cragbank Woods National Nature Reserve (NNR) is located in Scottish Borders, a few miles southeast from Hawick. This expedition is organized under the WFF (World Flora and Fauna) award program [www.wff44.com]. The sponsor of this mini DX-pedition is Radioarena [www.radioarena.co.uk]. We are looking forward to see you on the bands, and especially in the EPC WW DX Contest on BPSK125 mode.

All the very best from Scotland and our warmest 73!
de MM0DGR/p

9276. EA8/G7COD DX News

Yahoo group: GOLIST (2007 — 2010)
Date: 2010-02-25 18:50:16 UTC
From: GOLIST
Topic: 9276 Message: 9276

Andrew, G7COD, will be operational from Playa Del Cura on the island

of Gran Canaria, AF-004 using the call EA8/G7COD from the 20th to 28th March. Using SSB and CW on the 20 to10 metre bands including WARC frequencies, he will be operational every day from approximately 13:00 to 14:00, 18:00 to 20:00, and 23:00 to 23:30 UTC.

Spot frequencies to be used are:

14.177, 18.133, 21.253, 24.953 and 28.500 MHz SSB ? 10 KHz to allow for qrm.

14.003, 18.073, 21.003 and 24.893 and 28.003 MHz CW ? to allow for qrm.

9277. [ICPO] ICPO Bulletin (25 February - 05 March 2010)

I.C.P.O. Bulletin (25 February - 05 March 2010)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

25/02/2010: The Palos Verdes Amateur Radio, K6PV will be active from Santa Catalina Island (IOTA NA-066, USi CA016S, WLOTA LH-2912), Los Angeles County, California, from 25-28 February. Planned operation on ususal IOTA frequencies, mostly 20 metre SSB. May be available to work CW, RTTY and/or PSK31. Operators include Ray N6HE, Dan W6DC, Mel K6SY, Doris K6KSY, Jeff K6JW, Homer K6HKT, Ginger KG6TAU, Bob AB6SY, Joe K5KT and Marian K5KKT. QSL direct to K6PV (Palos Verdes Amateur Radio Club) or via the Bureau. They have a special K6PV IOTA cards for the activation. Web page at: www.palosverdes.com/pvarc/ [rsgbiota.org]

25/02/2010: Members of TIARA (Tokyo International Amateur Radio Association) namely Kawa AB2ST/KH2, Ken K0EN/KH2 and Toshio, KG6WTW/KH2 will be on the air from Guam (IOTA OC-026, USi GU003S, WLOTA LH-0064) from 25 February until 1 March. Activity will be on HF all bands, mainly beaming Europe. QSL all calls via JF1TEU, JARL Bureau or direct. This project is the sequel to the one in 2008. [dx-hamspirit.com]

25/02/2010: Look for Daniel LW5DFR, Beto LU7BTO and Natalia LU6AER to be active as homecall/D 25-28th February 2010 from Martin Garcia Island (IOTA SA-055) and lighthouse (ARLHS ARG-045). QRV 80-10m using SSB and digital modes. Sorry - no CW mentioned. QSL direct (U$S 2) to LW4EF, Anibal Ponce 1239, CP B1828 Banfield city, Buenos Aires, Argentina. [rsgbiota.org]

25/02/2010: From 25th February until 1st March, during the South American Lighthouses, operators Orlando PV1S, Vieira PY1LVF/p and Lima PY1NEZ/p will operate on the island of Santana [aka Sant' Anna], Macaé (IOTA SA-077, DIB RJ-06), Rio de Janeiro State, Brazil. They will also activate the Macaé (I. Santana) lighthouse (DFB RJ-04, ARLHS BRA 062, WLOTA LH-0714). QRV 40, 20, 17, 15 meters using CW and SSB. QSL PV1S via PT2OP, direct preferred but Bureau ok. QSL PY1LVF/p and PY1NEZ/p via their home calls. [PT2OP]

25/02/2010: Operators Nilzo PY6AWU, Jose PY6HD and Roberto PY6RT will be active as ZZ6Z from Santa Barbara Island (WLOTA LH-0463) in the Abrolhos Archipelago group (IOTA SA-019) on 25-28th February 2010. The Brazilian Navy schedule could affect the dates. They plan to activate the Ilha de Santa Barbara lighthouse (DFB BA-14, ARLHS BRA-001, TWLHD WLH PY-001, WLOTA LH-0463) for the South America Lighthouse Weekend. Activity will be on 80-10 metre SSB and CW. QSL via PY6HD, direct only. [OPDX Bulletin]

26/02/2010: Members of the Malaysia Amateur Radio Transmitters' Society (MARTS) will activate the "Southern Most Tip of the Asia Mainland" between 1600 UTC 27th February to 0400 UTC 28th February 2010. QTH will be Tanjung Piai, Johore, Malaysia (WW Loc. OJ11SG), and their callsign will be 9M4STE. QRV on these frequencies - SSB: 7.070, 14.270, 21.270, 28.510, 50.110 MHz; CW: 7.010, 14.050, 21.050, 28.050, 50.110 MHz. For more details and updates visit: dxpeditionmalaysia.blogspot.com/ [OPDX Bulletin]

26/02/2010: Members of the Andorran Amateur Radio Union (URA) will team up with Spanish hams from the Group Soria Contest Soria (URE) and the Union Radio Friends Soria (URASO) to be active as C37NL from Andorra la Vella, Andorra, during the CQWW 160M SSB Contest (26-28th February). Carlos, EA1DVY, is the team leader. Activity is to celebrate 30th anniversary of the Radioaficionats Andorrans. QSL via C37URA, direct or Bureau. [OPDX Bulletin]

26/02/2010: Marc, K1CTT, will be active as C6ALT from the south end of Eleuthera Island (IOTA NA-001) between 26th February and 10th March. He will be there with is XYL on holiday, so activity will be limited and inconsistent. Operations will be on 40-15 metre SSB. QSL via his home callsign. [OPDX Bulletin]

26/02/2010: Operators Stefano IK2QEI, Matt IK2SGC, Conrad IK2SFZ and Mau IV3ZXQ will be active from Safi, Morocco, as CN3A during the CQWW 160M SSB Contest as a Multi-Single entry. QSL via LoTW or I2WIJ (QRZ.com). [NG3K]

26/02/2010: Jorge, CT1FMX and Luis, CT1CQK will be active from Mosteiro do Varatojo (WCA CT-1050, DMHP LX-073) on 26th February 2010. Plans are to work as CT1FMX/p and CR5CQK respectively on all bands. QSL CT1FMX/p via home call, direct or Bureau. QSL CR5CQK via CT1CQK, direct or Bureau. [RN1CW]

26/02/2010: Members of the Radio Club Uruguayo (CX1AA) will be active as CW3R from the Punta Negra Lighthouse (ARLHS URU-015) during the South American Lighthouses Weekend on 26-28th February 2010. Activity will be on 80-10 metres using CW, SSB and the Digital modes with at least two stations on the air. QSLs for this activity only go DIRECT to: Radio Club Uruguayo, P.O.Box 37, 11000, Montevideo, Uruguay, South America (w/SAE and 1 new IRC or 2 USDs). [OPDX Bulletin]

26/02/2010: Look for Viterbo CX9FD, Denis CX5FF and Fernando CX3AY to be active during the South American Lighthouses Weekend (26-28th February) from Isla de Farallón (IOTA SA-057) and lighthouse (ARLHS URU-003, Admiralty G0762) using the callsign CX2FAA. QRV all bands, propagation permitting, using mainly SSB on, or near, the usual island and lighthouse frequencies. QSL direct to: GDXBB, P.O.Box 709, 8000, Bahia Blanca, Buenos Aires, Argentina. [rsgbiota.org]

26/02/2010: Operators Umar EY8BI, Nodir EY8MM, Ken K4ZW and Pavel RV0AR will be active as EY8ZF from Dushanbe, Tajikistan, in the CQWW 160M SSB Contest as a Multi-Op entry. QSL via EY8ZF, direct with IRC only or via

the Bureau. [NG3K]

26/02/2010: Frank DL4VCG and Philippe LX2A will participate in the CQWW 160M SSB Contest from Eschdorf, Luxembourg, as a Multi-Op entry. QSL via LX2A. Web: www.lx2a.com/ [NG3K]

26/02/2010: Peter, PA1LP will be QRV from Nieuw Nickerie, Suriname, between 26 February and 26 March using the callsign PZ5LP. He will be using a FT-857, G5RV with LDG Z100 tuner and 100 watts o/p. QSL via eQSL or LoTW. [dx-hamspirit.com]

26/02/2010: Andy, UA2FB will be operating from contest station RW2F, Kaliningrad, during the CQWW 160M SSB Contest as a Single-Op entry. QSL via DK4VW (QRZ.com). [NG3K]

26/02/2010: Operators Hector CE3FZL, Ricardo CE3HDI, Hugo CE3BBC, Cristian CE3PCN and Esteban XQ7UP will activate the Punta Angeles lighthouse (ARLHS CHI-001) in Valparaiso harbor, Chile, as XR2A during the the South American Lighthouse Weekend (26-28th February). QRV 40, 20 and 10 metre CW and SSB. QSL via CE3BBC direct only. NO eQSL! [OPDX Bulletin]

26/02/2010: John, K6AM will be active as ZF2AM from Grand Cayman Island (IOTA NA-016, WLOTA LH-1042) as a Single-Op entry in the CQWW 160M SSB Contest (26-28th February). QSL via home call, Bureau or direct. Logs will be uploaded to LoTW. [NG3K]

26/02/2010: The Baden Powell DX Group, Guara DX Group and Labre-Paraiba will operate as ZV7C from the Cabo Branco lighthouse (ARLHS BRA-015 and DFB PB-01, WW Loc. HI22OU), Paraiba State, Brazil, during the 2nd South American Lighthouse Week (26-28th February). Team members include PR7AB, PR7AF, PR7AYE, PR7HR, PR7HT, PR7PB, PR7SD, PR7TS and PU7GFL. QRV 80-10 metres using CW, SSB and PSK. Approximate frequencies: SSB - 3.700, 7.120, 14.280, 21.280 and 24.480 MHz; CW - 3.515, 7.015, 14.022, 21.022 and 28.071 MHz; PSK - 3.580, 7.037, 14.071, 21.071 and 28.071 MHz. QSL via PT7JP, direct (QRZ.com) or Bureau. [PT2OP]

27/02/2010: Gilles F4FGJ and Claude F5MCC will be active 27 February 2010 as F4FGJ/p from the Mill of Chaumot (DMF 89-056), located in the city of Chaumot (CP 89500), Department Yonne/89 and Province Burgundy (DPF 05). QRV 80 and 40 metre CW and SSB, and maybe other bands. QSL via home call, direct or Bureau. SWL cards are welcome. [F5NQL]

27/02/2010: MM0DGR/p will be operating from the Cragbank Woods National Nature Reserve (WFF GMFF-018) on Saturday, 27th February, 2010. At the moment they don't know exact (precise) location of the station, but it's going to be at the foot of Wolfehopelee Hill along B6357 road. Grid locator IO85QI, WAB NT50, EU Area SC26 (Scottish Borders), IOTA EU-005. The main goal of this trip is to activate a new WFF nature reserve and to participate in the EPC WW DX Contest on BPSK125 mode. There will be a possibility to operate other modes for short periods according to the following frequencies ± QRM: 15m (CW 21.044 MHz, SSB 21.244 MHz); 20m

(CW 14.044 MHz, SSB 14.244 MHz); 30m (CW 10.124 MHz); 40m (CW 7.024 MHz, SSB 7.144 MHz). QSL via MM0DFV, Bureau preferred. For more info please have a look at: www.srars.org/wff-reports/gmff-018.htm [MM0DFV]

28/02/2010: Howard, WA2NHA, will be active from the island of Aruba (IOTA SA-036, WLOTA LH-0033) as P4/WA2NHA between 28th February and 14th March 2010. Activity will be on 80-10 metres, mainly CW. QSL via his home callsign, direct or Bureau. [OPDX Bulletin]

28/02/2010: Mike, W1USN will be QRV from the island of Montserrat (NA-103, WLOTA L-1475) as VP2MPR from 28 February until 13 March. Mike will work mainly SSB and PSK31. Bob, AA1M will operate mostly CW as VP2MPL from 3 March until 11 March. QRS both via home call. [NG3K]

01/03/2010: Michele, IK5ZUI will be active as 5R8UI from Nosy Be Island (IOTA AF-057, WLOTA LH-3042), Madagascar, starting early March 2010 and he will stay there probably for one year. QSL via home call. [F6AJA]

01/03/2010: The XR0ZN DXpedition to the Juan Fernandez Archipelago (SA-005) is now scheduled to take place between March and April, 2010. Operators mentioned are Marco/CE6TBN, Rag/LA6FJA, Yuri/RA0FU, RA0FU's brother and RA0FBZ. Activity is planned for 160-10m CW, SSB and RTTY. QSL is via LA6FJA, direct or Bureau. Further information and updates at: www.la6fja.eu/dx/XR0ZN/

02/03/2010: Look for John, W5JON to be active as J68JA from Marigot Bay, island of St. Lucia (IOTA NA-108, WLOTA L1336) on 2-11 March, 2010. QRV 160-6 metres (also 60m), including a Single-Op entry in the ARRL DX SSB Contest (6-7 March). His equipment will consisst of an ICOM IC-7000, KL-400 Amp (350 watts); Antennas: Alpha Delta DX-LB and DX-EE Dipoles, and 3 Element yagi on 6m. As in the past, XYL Cathy (W5HAM) will be very busy pool side. QSL via home call. [rsgbiota.org]

03/03/2010: Hugh, K6HFA plans to operate from the following islands: Samoa (5W, IOTA OC-097) from 3-10th March 2010; Tonga (A3, IOTA OC-049, OC-123, OC-064) from 12th March to 2nd April 2010; Wallis (FW, IOTA OC-054, DIFO FW-001, WLOTA LH-0398, WW Loc. AH16vo) from 6-12th April 2010; Tuvalu (T2, IOTA OC-015) from 13-21st April 2010; and Fiji (3D2, IOTA OC-016 or OC-015) from 23-26th April 2010. QRV with 100 Watts, vertical antenna, CW, SSB, maybe RTTY on 80, 40, 30, 20, 17, and 15 metres. IOTA frequencies 7040+- 14040+- kHz and others. Hugh will call for EU, NA, SA, Asia etc. per propagation. Callsigns will be posted. QSL via K6HFA. More info soon.... [NG3K]

03/03/2010: John, G3LZQ will be active from Cotton Bay, Rodrigues Island (IOTA AF-017) between 3rd March and 2nd April as 3B9WR, including an entry in the RSGB Commonwealth Contest (13-14th March). Outside of the contest he will be QRV on the low bands. QSL via home call, direct or Bureau. [BERU contest news]

03/03/2010: Tim, NL8F plans to be active 3-10 March from Cocos (Keeling) Islands (OC-003, Grid NH87) as VK9C/NL8F, or possibly VK9COF,

including an entry in the ARRL DX SSB Contest (6-7 March). QRV 80-10 metres, using vertical antenna, plus some 6 metre activity. QSL via K8NA (QRZ.com). [NG3K]

04/03/2010: Alan, N3AD will be active from the island of Antigua (IOTA NA-100, WLOTA LH-1118) as V26M between 4-7th March 2010. Activity will include a Single-Op/High-Power entry in the ARRL DX SSB Contest (6-7th March). Outside the contest, Alan will be QRV on the HF bands only - 160/80/40m in evening and 20/15/10m during daytime. QSL via his home callsign. [OPDX Bulletin]

04/03/2010: Cal WF5W (YN2EA), Mike K5UO (YN2UO), Keith NM5G (YN2MG) and Doug WB5TKI (YN2TKI) will be active from Grenada, Nicaragua, on 4-9th March 2010. They plan to operate SSB, CW and RTTY on 160-10 metres, and to participate in the ARRL DX SSB Contest (6-7th March) as YN2EA (Multi-Single). During non-contest periods, they will have two stations active on all modes and bands. QSL for all callsigns via W5PF and LoTW. Further information and log search (available after the trip) can be found on the Texas DX Society's website (www.tdxs.net/). [425 DX News]

05/03/2010: Look for Niels, OZ8KR to be active holiday style from Bakuto, The Gambia, as C56KR from 5-24 March. QRV 80-10m SSB with 100 W, Wires-2x36m - 12 m high - close to the Atlantic. QSL via home call, direct (QRZ.com). [NG3K]

05/03/2010: Dennis, KT8X will once again be active from St. Martin (IOTA NA-105, DIFO FS-001, WLOTA L0383) as FS/KT8X from 5-12 March. This will be a holiday style operation with an emphasis on the 30/17/12 metre bands using CW, SSB and RTTY. However, he does plan to enter the ARRL DX SSB Contest (6-7 March) as a Single-Op entry. QSL route will be the Logbook of The World (LoTW). [OPDX Bulletin]

05/03/2010: Operators Laci HA0HW, Toni HA0LG, Tomi HA4DX and Geza HA4XG will be active as HG0WFF from the Ferto-Hansag National Park (WFF HAFF-005) on 5-8th March 2010. QRV 80-10m CW and SSB, with two radios. In this time frame they would also like to work from at last one of these too: HAFF-035, HAFF-041 and HAFF-042. QSL via HA0HW, direct or Bureau. [HA0HW]

05/03/2010: Look for Tommy, ON3TD to be active from Schouwen Duiveland (IOTA EU-146) as PD/ON3TD/p from 5-8th March 2010. Mainly QRV in the evenings on 40-20m using digital modes. QSL via home call, direct or Bureau. [rsgbiota.org]

05/03/2010: Operators Brian K9QQ, Mike KA4RRU, Dan W0CN, Dennis W4DC and Kyle WA4PGM will be active from Costa Rica as TI5N during the ARRL DX SSB Contest (6-7 March) as a Multi-? entry. QSL via W3HNK, direct or Bureau. [NG3K]

Be sure to check Bill's (NG3K) website for updated CQ 160-M SSB Contest activity at: http://ng3k.com/Misc/cq160s2010.html .. Good luck to all participants & have fun!!!

==========
LOOKING AHEAD -

06/03/2010: Tom, W2SC will be operating as 8P5A from Warleigh Plantation, St. Peter Parish, Barbados (IOTA NA-021, WLOTA LH-0999) in the ARRL DX SSB Contest (6-7 March) as a Single-Op/All-Band/High-Power entry. QSL via NN1N. Logs will be uploaded to LoTW. [NG3K]

06/03/2010: Philippe, LX2A will be active from Eschdorf, Luxembourg, as LX7I in the ARRL DX SSB Contest (6-7 March) as a Single-Op entry. QSL via LX2A, direct or Bureau. [NG3K]

06/03/2010: Tom, ZP5AZL will be operating from his contest station located in Villa Morra, Asuncion, Paraguay WW Loc. GG14ER) as ZP0R during the ARRL DX SSB Contest (6-7 March) as a Single-Op entry. QSL ZP0R via ZP5AZL, direct preferred but Bureau ok. [NG3K]

11/03/2010: Special event station 8J1IBR will be aired from 11-31st March 2010 to celebrate the opening of Ibaraki Airport. Hyakuri Air Base is a Japan Air Self-Defense Force air base in the city of Omitama, Ibaraki Prefecture, Kanto Region, Honshu (IOTA AS-007, JIIA AS-007-001, WLOTA LH-2376), Japan. As of 2007, construction of facilities for joint use for civil aviation is in progress. Upon completion it will be known as Ibaraki Airport. QSL via the JARL Bureau. [JJ1WTL/AC6IM]

12/03/2010: The Council of Europe Radio Amateur Club will be active 12-14th March 2010 with the call TP60CE in SSB, CW, RTTY, PSK and Satellite to commemorate the 60th Anniversary of the Convention of Human Rights. QSL via F5LGF. Web: ewwa.free.fr/ [F6FQK]

20/03/2010: Andrew, G7COD will be operational from Playa Del Cura on the island of Gran Canaria (IOTA AF-004, DIE S-005, ESA GC, WLOTA LH-0969) using the call EA8/G7COD from the 20-28th March 2010. QRV 20-10 metres, including WARC bands, using SSB and CW. He will be operational every day from approximately 13:00z to 14:00z, 18:00z to 20:00z, and 23:00z to 23:30z. Spot frequencies to be used are: SSB - 14.177, 18.133, 21.253, 24.953 and 28.500 MHz (+/- 10 KHz); CW - 14.003, 18.073, 21.003 and 24.893 and 28.003 MHz (+/-). For comprehensive details of QSL information, propagation forecast etc., please check his website: www.8q7ak.freewebspace.com/ [Pete's-DX-Newsdesk]

22/03/2010: David, K2DBK will be visiting family and operating in his spare time from Lido Key (IOTA NA-034, USi FL027S), Sarasota County, Florida, as K2DBK/4 on 22-24th March 2010. He expects to be on 20m and possibly 15m depending on band conditions, SSB only. QSL via home call, Bureau or direct. [rsgbiota.org]

23/03/2010: Look for special event station 8J6AIRA to be active from 23 March to 31 August 2010 to celebrate the birth of Aira-city (JCC # 4626), Kyushu (IOTA AS-077, JIIA AS-077-001, WLOTA LH-0963), Japan. QSL via the JARL Bureau. [JJ1WTL/AC6IM]

27/03/2010: Look for Hartwig, DL7BC to be active as CN2BC from Morocco (Zone 33) during the CQWW WPX SSB Contest 27-28 March) as a Single-Op/All-Band/Low-Power entry. QSL via home call, direct or Bureau. Web page: www.qslnet.de/dl7bc/ [NG3K]

27/03/2010: Helmut, DJ6QT will be active with a new prefix during the CQWW WPX SSB Contest (27-28th March) from Santana, Ilha da Madeira (IOTA AF-014, DIP MA-001, WLOTA LH-0053). He will participate as a Single-Op entry using the callsign CQ3L (previously CR3L). QSL via DJ6QT, direct or by the Bureau. Logs will be uploaded to LoTW. [NG3K]

24/04/2010: Kilmarnock & Loudoun ARC & South Cheshire ARS Club Station members Graham MM0GHM, Gordon MM0GOR, Mark M0UTD and Craig MM0SSG will be active from the Isle of Eigg (IOSA NH03, SCOTIA DI19, WAB NM48, WW Loc. IO66WV), Inner Hebrides (IOTA EU-008), as GM6TW/p 24-27th April 2010. They plan to have three stations operating 80-10 metres. QSL via G0UZP. Further information can be found at: /www.g6tw.co.uk/gm6tw.html [rsgbiota.org]

30/04/2010: Team HAMCOW, W1ACT will be working IOTA, New England QSO Party on 160m-450MHz and satellite from Martha's Vineyard (IOTA NA-046, USi MA005S), Dukes County, Massachusetts, between 30th April and 2 May 2010. This will also be their 17th Annual Dx-Pedition to Gay Head/Aquinnah Lighthouse (ARLHS USA-319, WLOTA LH-2804). Operators include Roland N1JOY, KB1TQB, Dan W2DAN, Don N1PMB, Bill KB1G, Bob KB1JBC and Steve KA1RCI. QSL via N1JOY - SASE Only Please! (Roland Daignault - N1JOY, 19 Davis Road, Westport, MA 02790 USA). Follow updates on their web page at: www.qsl.net/hamcow/ [rsgbiota.org]

01/05/2010: Operators Voi G0BOE, Geoff G0DDX, Adam G1UAF, Bob G1SAA, Terry G3VFC, Martin G3ZAY, Colin G4ERO, Michael G7VJR, Lawrence M0LCM, Mark M0MJH, Fred M0RFD, Rob M0VFC and Gavin M1BXF will be active from the Isle of Harris (IOTA EU-010, IOTA OH01, SCOTIA HI21, WLOTA LH-2075) as GS3PYE/P on 1-14th May 2010. QRV all bands/modes. QSL via M0VFC, direct or via the RSGB Bureau. [rsgbiota.org]

01/08/2010: Rudy, ON7VMR will be QRV as EA5/ON7VMR from the resort village of Calpe, along the Costa Blanca coastline, region of Alicante, Spain, from 1-15th August 2010. Calpe is well known for its massive rock called the Penon de lfach. QRV mainly 40 and 20 metre SSB. QSL via home call, direct or by the Bureau. [UBA HF News]

==========

SPECIAL EVENTS -

26/02/2010: In recognition of the historic events that took place in 1935 and 1940 which played a significant part in Britains war effort, Bawdsey Manor, Suffolk, England (IOTA EU-005, WLOTA LH-1840, WW Loc. JO01QX), will be activated on three separate occasions during 2010. During its time as a the radar research centre and as an operational station for Chain Home radar, it was known by the acronym BRS - Bawdsey Research Station. Special event callsigns with BRS as the suffix have been applied for to recognise this. Over the weekend of 26 to 28 February they will be on the air on HF, 6m and VHF, operating CW, SSB

and possibly some digital modes too. The callsign requested is GB75BRS, since this operation will commemorate the 75th anniversary of the Daventry Experiment, which resulted in radar development in the UK being based first at Orfordness, then at Bawdsey. Later in the year they will operate on two weekends to commemorate the 70th anniversary of the start and end of the Battle of Britain in 1940. The callsign GB70BRS has been requested. These weekends will be 5-6 June, and 18-19 September. Operating bands and modes will be as for the February event. A special QSL card will be issued to those making contact with either of the stations, and a parchment certificate will be available on request to stations who make contact with both callsigns - information about the stations, operation and QSL arrangements can be found on their web site at: www.bawdseyresearchstation.org.uk/ [G4HUP]

01/03/2010: Special event station ON30ON (Oscar November Thirty Oscar November) will be active during the months of March, April, September and October of 2010. Activity is to commemorate the 30th edition of the Belgian 'ON Contest'. The contest was first organized in 1980 to celebrate the 150th anniversary of the Kingdom of Belgium. Since then, the yearly event - lasting just four hours on a local Sunday morning - has become increasingly popular. QSLs for ON30ON go via the UBA bureau or direct to ON4CAS. A special certificate which can be achieved for free has been created in PDF format. Full details are available at: users.telenet.be/egbert.hertsen/on30on.html [OPDX Bulletin]

01/03/2010: To commemorate the 132nd anniversary of the liberation of Bulgaria from Ottoman yoke by Russia, the Balkan Contest Club, LZ1KZA will operate with special event callsign LZ132GO from 1-31st March 2010. QSL via LZ1ZF. LZ132GO counts for 10 points towards "St. Teodosii Tyrnovski" award: www.balkanclub.org/awards.htm [F5NQL]

01/03/2010: Look for special callsign 8N1MOMO to be active from 1 March to 5 April to celebrate the 34th Koga(-city) Momo (or Peach) Festival and the 17th Koga(-city) Fire Balloon Contest, Koga City, Kanto region, Ibaraki prefecture, Honshu island (AS-007, JIIA AS-007-001, WLOTA LH-2376), Japan. QSL via the JARL Bureau. [JJ1WTL/AC6IM]

U.S.A. Special event station information can be found at:
www.arrl.org/contests/spev.html

BITS & PIECES -

2010 Maritime Radio Day -
Maritime Radio Day is held annually to commemorate to the era of nearly 90 years of manuel maritime radio. It does only work in wireless telegraphy (wt). All amateurs are invited to take part and work especially with former radio officers of the merchant marine and navy. See page Rules for detailed information and take part in this only CW event. This years event will be held from 12h00 UTC 10th April to 12h00 UTC 11th April 2010. Frequencies: 1854, 3520, 7020, 14052, 21052 and 28052 kHz. Complete information and rules can be found at: www.doese-apprt.de/mrd/index.html [MMQTC-AWARD.ORG]

TCSWAT is proud to announce "MLOTA Marmara Lighthouses On The Air"

Activity and "MLOTA AWARD" (www.tcswat.org/awards/MLOTA/index.html).
We had the ILOTA Istanbul Lighthouses On The Air Award last year and
this year we are going on with our Marmara Lighthouses On The Air Award.
Hopefully in the future we will have all the lighthouses of Turkiye on
the air!!

Iceland Amateurs Receive New Privileges (Feb 23, 2010) -- As of Friday,
February 19, Iceland's Post and Telecom Administration (PTA) granted
temporary experimental access to the 4 and 600 meter bands at least
through the end of 2010, according to Islenzkir Radioamatorar (IRA)
President Jonas Bjarnason, TF2JB; the ITA is Iceland's IARU
Member-Society. After obtaining a special license from the PTA,
Bjarnason said that TF stations with "N" or "G" class licenses may now
operate between 493-510 kHz and 70.000-70.200 MHz running 100 W. Amateur
operations on both bands are granted on a secondary basis. [QRZ.com]

Hi friends
For this issue thanks to: CQ News room, BillNG3K, Tom/SP5UAF, Pete Rayer (ISWL and Pete's DX desk) , OZ6OM and CQ Six, GACWcyberDX group, Mario/I2MQP, Bill/NC1L & ARRL
From the CQ Newsroom...

Following the 8.8 earthquake that struck southern Chile early Saturday, Feb. 27,
IARU, Region 2 and the Red Chilena Nor Austral de Servicio (RECNA) suggests
radio amateurs monitor EmComm frequencies for earthquake and tsunami information:

SSB frequencies:
10 meters - 28.300, 28.500 MHz
15 meters - 21.200, 21.350 MHz
20 meters - 14.200, 14.350 MHz
40 meters - 7.050, 7.095 MHz
80 meters - 3.738, 3.750 MHz

(via CQ Public Service Editor Richard Fisher, KI6SN)

In addition, the worldwide emergency communication "centre of activity" frequencies should be monitored. They are:
14.300, 18.160 and 21.360 MHz

Contest: CQ WW WPX Contest, SSB (March 27-28, 2010)

Submitter's callsign: NP3D
Contest callsign: HQ2T
DXCC entity: Honduras
Operation class: SOAB
CQ zone: 7
QSL route: W3HNK, RW6HS, or via LoTW
Operators: NP3D

Notes: Will be active on March 19-29th, 2010 in RDXC, BARTG Spring RTTY and CQ WW WPX SSB Contests. Between the Contests will be QRV as HR2/NP3D on all HF bands, all modes focusing on 160m.

Submitter's callsign: ZP5AZL
Contest callsign: ZP0R
DXCC entity: Paraguay
Operation class: SO
CQ zone: 11
QSL route: ZP5AZL
Operators: ZP5AZL

From: F5nql@aol.com
Topic: 8780 Message: 9291

Hi friends
For this issue thanks to: Alain/F6BFH, DXNL,
France : GUADELOUPE (NA-114) & SAINT MARTIN (NA-105) update :
Alain/F6BFH and XYL Danielle will be vacationning both in Guadeloupe Isl and St Martin Island in the French Antilles;
From March 5 to 12, they will meet Serge who is currently FG/F6AUS. Alain will sign FG/F6BFH.
From march 13 to 23, Alain and Danielle will stay in French Saint Martin Island, where Alain will sign TO5SM.
Emphasis on low bands ; for the modes CW first, then RTTY and a little SSB if requested.
For both operations QSL via the French bureau preferred.
Note : In FG, no Internet links. In FS Alain will have an Internet link only when visiting his sister who is a Saint Martin resident. So would you avoid to send on the clusters comments and other requests which will not be read. Thank you.

FRANCE : FS - ST MARTIN, NA-105
Dennis, FS/KT8X, holiday style on St Martin (NA-105) from
Mar 5-12. CW, SSB and RTTY on the WARC bands.
QSL via LoTW only.

OD - LEBANON
Manfred,DL6SN, in Lebanon at least until the end of 2010.
OD5/DL6SN. Manfred is active, from 10m-80m (mostly in CW) most of the time during the
evenings and weekends.
QSL via Ronny, DO8LA, direct or bureau. QSL cards to DL6SN (direct or via buro)
cannot be answered.

J3 - GRENADA, NA-024
Harry,AC8G, as J37K from Mar 4-7. 160m- 10m but emphasis SSB on 15m or 17m l, focus Europe.
ARRL DX SSB Contest on Mar 6/7.
QSLs via his homecall (also via bureau).

J6 - ST LUCIA, NA-108
Bob,J6/G3PJT, Mar 9-16. 80m and 30m + RSGB's 73rd Commonwealth Contest.
QSLs via homecall.

V2 - ANTIGUA, NA-100
- Bob,W4OWY, and Mark,W9OP, as V25WY and V25OP in CW, SSB and RTTY on 160m-6m from Mar 9-18. QSLs via bureau, direct, eQSL or LoTW to their homecalls.

- Alan,N3AD, V26M from Mar 4-7. ARRL DX SSB Contest. Off the contest ,
QRV on 10m/15m/20m during the daylight and on 160m/80m/40m during the night
hours. QSL via homecall.

V6 - FEDERATED STATES OF MICRONESIA, OC-260
Mike,KM9D, and YL Jan,KF4TUG, sailing with their yacht "Don Henry", hope
to reach the Oroluk atoll (OC-260) soon. They expect to use their former
calls V63MY and V63TO again. QSLs via OM2SA (direct).

V7 - MARSHALL ISLANDS, OC-028
Tom,V7/N4XP, QRV from Kwajalein (OC-028) from Mar 9-22.
CW and SSB on 160m-10m. He will also try to make some QSOs on 60m. QSL via
homecall.

VK9C - COCOS KEELING ISLANDS / E5 - SOUTH COOK ISLANDS
Tim,NL8F will be QRV as VK9COF or VK9C/NL8A from Cocos Keeling (OC-003)
from Mar 3-10. Activities will take place on 80m-6m including the
ARRL International DX SSB Contest.
His next stop will be Rarotonga (OC-013) where he is going to become
active on 80m-10m signing E51COF from Mar 20-30. Both QSLs via K8NA.

VP2M - MONTSERRAT ISLAND, NA-103
Bob,AA1M, mostly in CW as VP2MPL from Mar 6-11.
QSL via his homecall AA1M.

YN - NICARAGUA
Cal,WF5W (YN2EA), Mike,K5UO (YN2UO), Keith,NM5G (YN2MG), and Doug,WB5TKI
(YN2TKI), in SSB, CW and RTTY on 10m-160m from Mar 4-9. .
YN2EA in the upcoming ARRL DX Contest SSB (Mar 6/7).
All QSLs via Paul,W5PF (also via LoTW).
Online logs will be available on: _http://www.tdxs.net/yn2ea.html_
(http://www.tdxs.net/yn2ea.html)

6Y - JAMAICA, NA-097
Chad,WE9V as 6Y9V from Jamaica (NA-097) , in CW, SSB and RTTY , 160m-10m
from Mar 4-14 (including the ARRL DX SSB Contest).
Focus 160m and WARC.
QSLs via WD9DZV. Skeds with Chad possibles via e-mail (6y9v@...).

NETHERLANDS:
Tommy,PD/ON3TD/p, active from Schouwen Duiveland Island EU-146, PA, Zuid
Holland/Zeeland Province Group: from Mar 5-8. QSL via homecall.

USA:

VE3IKV’s island trip: Peter,VE3IKV, plans to be QRV as follow, signing
W4/VG3RA from Mar 6-12:
St. Sinons Island NA-058 Mar 6/7
Key West NA-062 Mar 8-13
Dry Tortugas NA-079 Mar 11/12
QSL via VE3IKV (direct/bureau).

DXNL 1665 - Mar 3, 2010
DX Newsletter

a free and weekly service of
DARC Committee "DX and HF contesting"
(http://www.darcdxhf.de)

editor: Helmut Schlaffer, DL7MAE
(e-mail: dxnl@...)

translation by: Bob, DL7VOA
(e-mail: dl7voa@...)

C5 - GAMBIA
Niels,OZ8KR, will be active as C56KR in SSB on 80m-10m from Bakuto running 100 watts. He will use a wire antenna, 2x 36m in 12m height which will be put up near the Atlantic coast. Though it is a holiday style operation, Niels hopes to make as many QSOs as in the year 2009. QSL via bureau or direct to OZ8KR.

FS - ST MARTIN, NA-105
Dennis,FS/KT8X, is spending his holidays on St Martin (NA-105) from Mar 5-12. He prefers working in CW, SSB and RTTY on the WARC bands. The only QSL route announced is via LoTW.

J3 - GRENADA, NA-024
Harry,AC8G, will be on the air as J37K from Mar 4-7. He works on 160m-10m but most likely you can find him in SSB on 15m or 17m listening especially for Europe. He will join the ARRL DX SSB Contest on Mar 6/7. QSLs via his homecall (also via bureau).

J6 - ST LUCIA, NA-108
Bob,J6/G3PJT, is expected to show up from Mar 9-16. His QTH is situated in the northeast of St. Lucia (NA-108). Bob prefers working on 80m and 30m and plans to take part in the RSGB's 73rd Commonwealth Contest. QSLs via homecall.

OD - LEBANON
Manfred,DL6SN, is working in Lebanon for about half a year now and will stay there at least until the end of 2010. He has received his guest licens last week and is now working as OD5/DL6SN. Manfred is active from 10m-80m (mostly in CW) but due to QRL most of the time during the evenings and weekends. His QSL manager is Ronny,DO8LA, who is also confirming via bureau reliably. QSL cards to DL6SN (direct or via buro) cannot be answered.

V2 - ANTIGUA, NA-100
Bob,W4OWY, and Mark,W9OP, will be QRV from Antigua (NA-100) signing V25WY and V25OP in CW, SSB and RTTY on 160m-6m from Mar 9-18.
QSLs via bureau, direct, eQSL or LoTW to their homecalls.

Alan,N3AD, is staying on Antigua as well and will show up as V26M from Mar 4-7. He also wants to take part in the ARRL DX SSB Contest. Alan will be QRV on 10m/15m/20m during the daylight and on 160m/80m/40m during the night hours. QSL via homecall.

V6 - FEDERATED STATES OF MICRONESIA, OC-260
Mike,KM9D, and YL Jan,KF4TUG, are sailing with their yacht "Don Henry" and hope to arrive on the Oroluk atoll (OC-260) soon. They expect to use their former calls V63MY and V63TO again. QSLs via OM2SA (direct).

V7 - MARSHALL ISLANDS, OC-028
Tom,V7/N4XP, will be QRV from Kwajalein (OC-028) from Mar 9-22.
He will work in CW and SSB on 160m-10m. He will also try to make some QSOs on 60m. QSL via homecall.

VK9C - COCOS KEELING ISLANDS / E5 - SOUTH COOK ISLANDS
Tim,NL8F will be QRV as VK9COF or VK9C/NL8A from Cocos Keeling (OC-003) from Mar 3-10. Activities will take place on 80m-6m including the ARRL International DX SSB Contest.
His next stop will be Rarotonga (OC-013) where he is going to become active on 80m-10m signing E51COF from Mar 20-30. Both QSLs via K8NA.

VP2M - MONTSERRAT ISLAND, NA-103
Bob,AA1M, will show up mostly in CW as VP2MPL from Mar 6-11.
QSL via his homecall AA1M.

YN - NICARAGUA
Cal,WF5W (YN2EA), Mike,K5UO (YN2UO), Keith,NM5G (YN2MG), and Doug,WB5TKI (YN2TKI), who are all members of the "Texas DX Society" are working in SSB, CW and RTTY on 10m-160m from Mar 4-9. They will sign YN2EA in the upcoming ARRL DX Contest SSB (Mar 6/7).
All QSLs are handled by their QSL manager Paul,W5PF (also via LoTW).
Online logs will be available on: http://www.tdxs.net/yn2ea.html

ZK3 - TOKELAU ISLANDS, OC-048
Due to lacking transportation possibilities to Tokelau Bill,N7OU, and Bob,W7YAQ, are still active as 5W0OU and 5W0YA. However they still hope to get a boat to Tokelau during this week. The calls and the length of their stay are not known yet.

6Y - JAMAICA, NA-097
Chad,WE9V, plans to become active as 6Y9V from Jamaica (NA-097) working in CW, SSB and RTTY on all bands from 160m-10m from Mar 4-14 (including the ARRL DX SSB Contest). Emphasis will be put on 160m and the WARC bands. QSLs via his manager WD9DZV.
Skeds with Chad can be arranged via e-mail (6y9v@...).

3B9 - RODRIGUES ISLAND, AF-017
John,G3LZQ, is expected to show up as 3B9WR from Cotton Bay (AF-017)
between Mar 3 and Apr 2. He will work mainly in CW (maybe some RTTY)
on 160m-10m but he prefers to work on the lowbands. He will also join
the RSGB Commonwealth Contest (BERU) on Mar 13/14.
QSL cards should be sent via bureau or direct to his homecall.

7P - LESOTHO
Pista,HA5AO, is going to hit the airwaves as 7P8AO from Mar 8-22.
OM Pista will run 300 watts into a vertical wire antenna in CW, SSB
and RTTY on 80m-10m. QSLs via bureau or LoTW to his homecall.
An online log will be available at: http://ha5ao.novolab.hu

9G - GHANA
Alan,G3XAQ, will try to reactivate his old callsign 9G5XA in March
(including the RSGB Commonwealth Contest). Alan will use a K2 radio
with 100 watts, an Inverted L for 80m, an Inverted Vee for 40m and
a Moxon yagi for 20m and 15m. QSL via G3SWH (also via bureau).

BULGARIA, SPECIAL EVENT STATION
The "Balkan Contest Club" is activating the callsign LZ132GO during
March to remember the 132nd anniversary of the Russian-Turkish war.
Bulgaria emerged as an autonomous principality after this war.
QSL via LZ1ZF and more information about "St. Teodosii Tyrnovski Award"
can be found on their website: http://www.balkanclub.org/awards.htm

ENGLAND, SPECIAL EVENT STATION
Members of the "Newbury and District Amateur Radio Society" (NADARS)
are activating GB0VUL in CW/SSB on 80-10m during the month of March.
More information can be found at: http://www.nadars.org.uk/vulcan.asp
QSLs via bureau, direct or via eQSL to G8JIP.

LITHUANIA, SPECIAL EVENT STATIONS
Lithuania became independent 20 years ago on Mar 11, 1990. Eleven
special event stations will be activated during March and April.
LY11BY and LY20NX are working until Mar 31 and LY11A, LY11GV, LY11MM,
LY11QT, LY20AM, LY20INDP, LY20J, LY20PSK and LY20W until Apr 29.
Rolandas,LY4Q (diplomai@...), gladly provides information about the
award and you can also find information online at: http://www.lrmd.lt

K6HFA SOUTH PACIFIC TRIP 2010
Hugh,K6HFA, plans to activate following islands from Mar 3 till Apr 26:
5W OC-097 Samoa Islands Mar 3-10
A3 OC-049 Tonga Group Mar 12-Apr 4
OC-123 Niuafo'ou Islands Mar 12-Apr 4
OC-064 Vava'u Group Mar 12-Apr 4
FW OC-054 Wallis Islands Apr 6-12
T2 OC-015 Tuvalu Islands Apr 13-21
3D2 OC-016 Fiji Apr 23-26 or
OC-156 Fiji Apr 23-26
Hugh is working with 100 watts and a vertical antenna in CW, SSB and
maybe also in RTTY on 80m-15m. His preferred frequencies are 7040 and
14040 kHz. QSLs direct or via the bureau to his homecall.

DXCC: Following operations were approved for DXCC credit:
3V3S, Tunisia, operation from 2009
D2CQ, Angola, momentarily active.

LINKS: Current SOTA activities (mountain summits) are announced at:
http://www.sotawatch.org

Detailed information about current VHF activities can be found on the
VHF DX portal "Make More Miles on VHF" at: http://www.MMMonVHF.de

UPCOMING CONTESTS

Mar 2: YL-CW-Party
Mar 6/7: ARRL International DX Contest SSB
Mar 7: UBA Spring Contest 80m
Mar 7: DARC 10m Digital Contest "Corona"

IOTA collected by Fredy,DE0MST (e-mail: iota@...)

Island activities:
EU-146, PA, Zuid Holland/Zeeland Province Group: Tommy,PD/ON3TD/p, is active
from Schouwen Duiveland Island from Mar 5-8. QSL via homecall.

VE3IKV island trip: Peter,VE3IKV, plans to show up from following islands
signing W4/VG3RA from Mar 6-12:
St. Sinons Island NA-058 Mar 6/7
Key West NA-062 Mar 8-13
Dry Tortugas NA-079 Mar 11/12
QSL via VE3IKV (direct/bureau).

Lighthouse activities (WLOTA/ARLHS/ILLW)

DL3AD LH 1712 Ruegen resident
FS/KT8X LH 0383 St. Martin Mar 5-12

EARTHQUAKE IN CHILE / EMERGENCY COMMUNICATION FREQUENCIES

Because of the strong earthquake that shook southern Chile last weekend
all radio amateurs are asked to keep following frequencies clear for
emergency communication: 28300, 28500, 21200, 21350, 14200, 14350, 7050,
7095, 3738 and 3750 kHz.

DARC Contest Logbook (DCL) connected with eQSL service

All QSOs of the electronic QSL bureau www.eQSL.cc can be transferred to the DARC Contest Logbook (DCL). The transferred confirmations count as proven DCL QSLs but the final decision is still made by the awards manager. The linking between eQSL and DCL was possible thanks to the straightforward support of the eQSL operator Dave Morris,N5UP, who tested and finalized the system in unexpectedly short time. Every bronze member of eQSL may use his electronic eQSL cards for the DARC awards supported by the DCL.
The DCL was originally designed to support active contesters. With a new feature added in January this year supporting the manual upload of QSL card information through an ADIF interface the DCL is now open to all award collectors. ADIF stands for Amateur Data Interchange Format and can be generated by almost all logging programs.

Iceland gains access to 500kHz and 70MHz amateur bands

On Feb 19 the Post and Telecom Administration in Iceland granted a temporary experimental access to the 4m meter band between 70 and 70.2 MHz. The permit is valid until Dec 31, 2010. Access is granted on a secondary basis with a maximum bandwidth of 16 kHz and a power limit of 100 watts. Icelandic N and G licensees will need to apply for a special licence. At the same time, they were also granted temporary experimental access to the 600m band between 493 and 510 kHz CW only. Again access is on a secondary basis and the power limit is 100 watts.

60m operation allowed in Gibraltar

Erine,ZB2FK, stated that the 60m band has been released in Gibraltar now. Unfortunately there is no radio amateur who has the right equipment yet. So let's wait for somebody who makes the first QSOs on this band from ZB2.

Many thanks for contributing to this issue of the DXNL are going to:

Topic: 9192 Message: 9293

Hi friends
For this issue thanks to: Frank/F4DTO, Ottavio/IK1PML, Thierry/F4TTR, Jean-Michel/F6AJA (Les Nouvelles DX)
FRANCE:

The Xynthia storm which devastated most of France and especially in the Vendée and Charente Maritime areas made more than 55 deaths. Some other people are still missing.
As we know, French Ham community suffered only material damages.
One of these hams, Frank, F4DTO and his father F4FGE say their homes were flooded under more than 1.50m of salt water. They have lost their cars and the most part of the furniture, included ham radio gear.
However, Frank would inform :
- All the QSL which are not answered for his past traffic, especially from ZA, will be answered, but with a long delay. Please be patient.
- Even if they will be in Albania at the beginning of next April, it's seems ther will be no traffic from there.
- Finally for those who had contacts with him F4DTO or his father/F4FGE, during the last REF Contest SSB, they are sorry but there will be any confirmation for the logs have been destroyed.

SARDINIA – IS0R – May 7 to 15 2010 - update.
The IS0R dxpedition by the Provins ARC F6KOP is quite ready to go.
The crew is now complete with 12 operators from three states .
They are
Thierry/F4TTR, team leader,(SSB), John/F5VHQ (SSB), Sergio/IS0AWZ (SSB), Yann/F1NGP (SSB), Norbert/F6AXX (CW), Bruno/F5AGB (CW), Maurice/F5NQL (CW), Eric/ON7RN (CW, SSB), Jean-Paul/F8BJI (Digit), Franck/F4AJQ (Digit) and Henri/F1HRE(Digit)
Active with 3 stations (FT 450 + PA's, filters and miscellanous) dedicated to HF from 160 to 10 meters and an other for the 6 meters band. We will try to be on the air 24h a day.
For HF, phased verticals and K9YA (low bands) and Spiderbeams for upper bands. For 6 meters a six el. Yagi is expected. It will be the first time since a while we will be active on 6.
Pilot station : Serge F6AML
QSL via Flo/ F5CWU, either direct or via the French REF-Union bureau.
More information on QRZ.com, IS0R.

FRANCE - Reunion island
FR:REUNION: Stéphane F5UOW will be vacationning on REUNION Island between April 9 to May 2nd.
From April 9 to 17, he will sign FR/F5UOW on 20m. Then he will move to another QTH from which he will sign TO2R , trying to be active from 80 to 10m.
Mostly in CW. QL via F5UOW.

ANDORRA :
For the 30th anniversary of Union de Radioaficionats Andorrans (URA),
Andoran hams are granted to use the prefixes C35 and C36, all the month of
April long.

Forwarded with 73 by
Maurice, F5NQL,
DX list organizer for the Union Francaise des Telegraphistes, UFT
(_www.uft.net_ (http://www.uft.net/))

If you don't want to receive these message anymore, please ask to be
removed of the mailing list, same way.

Don't forget to inform us about any change in your e-mail address.
Bonjour à tous
Pour ce bulletin, merci à : Frank/F4DTO, Ottavio/IK1PML, Thierry/F4TTR,
Jean-Michel/F6AJA (Les Nouvelles DX)
FRANCE:

La tempête Xynthia qui a dévasté une partie de la France est en
particulier en Vendée et Charente Maritime a fait plus de 55 morts . Actuellement il y
a encore des disparus.
Autant que nous sachions aucun radioamateur ne figure parmi ces victimes.
Les seuls dégâts recensés dans la communauté radioamateur seraient des
dommages matériels.
Deux d'entre eux, Frank, F4DTO et son père F4FGE, indiquent que leurs
domiciles ont été dévastés, noyés sous plus de 1,50m d'eau . Leurs véhicules, la
plupart de leur mobilier et le matériel radio ont été détruits.
Cependant, Franck/F4DTO voudrait préciser ce qui suit :
Toutes les cartes QSL en souffrance pour leur trafic passé et en
particulier depuis l'Albanie, auront réponse, mais dans un délai rallongé. Merci
d'être patient.
Bien qu'ils n'aient pas annulé leur déplacement en Albanie, début avril,
il n'y aura probablement pas de trafic.
Enfin ils sont désolés pour ceux qui les ont contactés pendant la dernière
Coupe du Ref SSB, les logs ayant été détruits, il n'y aura ni soumission à
correction, ni confirmation.

SARDAIGNE: – IS0R – 7 au 15 mai 2010 – Mise à Jour.
L'expédition IS0R , par le RC de Provins F6KOP est quasiment prête à
partir.
L'équipe est maintenant complète et compte 12 membres de trois nations,
savoir :

Thierry/F4TTR, Chef d’expédition SSB), John/F5VHQ (SSB), Sergio/IS0AWZ (SSB), Yann/F1NGP (SSB), Norbert/F6AXX (CW), Bruno/F5AGB (CW), Maurice/F5NQL (CW), Eric/ON7RN (CW, SSB), Jean-Paul/F8BJI (Digit), Franck/F4AJQ (Digit) and Henri/F1HRE(Digit)
3 stations (FT 450 + amplis , filtres et autres accessoires) dédiées au trafic HF et une quatrième pour le 6m.
Nous essaierons d’être actifs 24/24.
Pour la HF, Verticales en phase et K9YA en bandes basses, spiderbeams bandes hautes. Pour le 6m, nous attendons une beam 6 éléments.
Ce sera la première fois depuis des années que nous serons à nouveau sur 6m.
Station Pilote : Serge F6AML
QSL via Flo/ F5CWU, directe ou via le bureau du REF-Union.
Plus d’info sur QRZ.com, IS0R.

FRANCE - Reunion island
FR:REUNION: Stéphane F5UOW sera vacances depuis l'île de la Réunion du 9 avril au 2 mai.Indicatif : FR/F5UOW du 9 au 17 avril, sur 20m. Ensuite il sera TO2R depuis un autre QTH où il essaiera d'être opérationnel de 80 à 10m.
Principalement en CW. QSL via F5UOW.

C3:ANDORRE: Pour célébrer le 30e anniversaire de l'Union de Radioaficionats Andorrans (URA), les stations andorranes pourront utiliser les préfixes C35 et C36 durant le mois d'avril.

9299. [ICPO] ICPO Bulletin (04-12 March 2010)

Yahoo group: GOLIST (2007 — 2010)
Date: 2010-03-04 21:07:45 UTC
From: Dave Raycroft
Topic: 9299 Message: 9299

I.C.P.O. Bulletin (04-12 March 2010)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========
Earthquake in Chile -
At the request of the International Amateur Radio Union (IARU)
and the Red Chilena Nor Austral Servicio (RECNA), all Amateurs
are requested to keep all IARU Center of Activity Frequencies
clear until further notice as health and welfare traffic is being
passed to and from Chile.
As well, the RECNA requests that they're call frequencies be avoided.
They are 28300,28500,21200,21350,14200,14350,7050,7095,3738,3750 khz.
[Radio Amateurs of Canada]

04/03/2010: Chad, WE9V will be active as 6Y9V from the 6Y1V contest station, Hopewell, Jamaica (IOTA NA-097, WLOTA LH-0214) on 4-14th March 2010, including an entry in the ARRL DX SSB Contest. Activity will be on 160-10 metres CW, SSB and RTTY, with an emphasis on 160, 30, 17 and 12m. QSL via WD9DZV (QRZ.com). Online log search will be available at: www.clublog.org/charts/?c=6y9v [425 DX News]

04/03/2010: Harry, AC8G will be active from near Lance aux Epines, island of Grenada (IOTA NA-024, WLOTA LH-0718), as J37K from 4-7th March 2010. QRV 160-10m, with emphasis on 15m or 17m SSB and looking for Europe. He will also participate in the ARRL International DX Contest as a Single-Op/High-Power entry. QSL via home call, direct or Bureau. [DXNL]

04/03/2010: Alan, N3AD will be active from the island of Antigua (IOTA NA-100, WLOTA LH-1118) as V26M between 4-7th March 2010. Activity will include a Single-Op/High-Power entry in the ARRL DX SSB Contest (6-7th March). Outside the contest, Alan will be QRV on the HF bands only - 160/80/40m in evening and 20/15/10m during daytime. QSL via his home callsign. [OPDX Bulletin]

04/03/2010: Cal WF5W (YN2EA), Mike K5UO (YN2UO), Keith NM5G (YN2MG) and Doug WB5TKI (YN2TKI) will be active near Grenada (WW Loc. EK71AU), Nicaragua, on 4-9th March 2010. They plan to operate SSB, CW and RTTY on 160-10 metres, and to participate in the ARRL DX SSB Contest (6-7th March) as YN2EA (Multi-Single). During non-contest periods, they will have two stations active on all modes and bands. QSL for all callsigns via W5PF and LoTW. Further information and log search (available after the trip) can be found on the Texas DX Society's website (www.tdxs.net/). [425 DX News]

05/03/2010: Look for Niels, OZ8KR to be active holiday style from Bakuto, The Gambia, as C56KR from 5-24 March. QRV 80-10m SSB with 100 W, Wires-2x36m - 12 m high - close to the Atlantic. QSL via home call, direct (QRZ.com). [NG3K]

05/03/2010: Alain F6BFH and XYL Danielle will be vacationning on Les Saintes Island (IOTA NA-114, DIFO FG-007, WLOTA LH-3998) from 5-12th March 2010. They will meet Serge who is currently FG/F6AUS. Alain will sign FG/F6BFH on the HF bands using CW and SSB. QSL via home call, direct or Bureau. [F5NQL]

05/03/2010: Dennis, KT8X will once again be active from St. Martin (IOTA NA-105, DIFO FS-001, WLOTA L0383) as FS/KT8X from 5-12 March. This will be a holiday style operation with an emphasis on the 30/17/12 metre bands using CW, SSB and RTTY. However, he does plan to enter the ARRL DX SSB Contest (6-7 March) as a Single-Op entry. QSL route will be the Logbook of The World (LoTW). [OPDX Bulletin]

05/03/2010: Operators Laci HA0HW, Toni HA0LG, Tomi HA4DX and Geza HA4XG will be active as HG0WFF from the Ferto-Hansag National Park (WFF HAFF-005) on 5-8th March 2010. QRV 80-10m CW and SSB, with two radios. In this time frame they would also like to work from at last one of these too: HAFF-035, HAFF-041 and HAFF-042. QSL via HA0HW, direct or Bureau. [HA0HW]

05/03/2010: Look for Tommy, ON3TD to be active from Schouwen Duiveland (IOTA EU-146) as PD/ON3TD/p from 5-8th March 2010. Mainly QRV in the evenings on 40-20m using digital modes. QSL via home call, direct or Bureau. [rsgbiota.org]

05/03/2010: Operators Brian K9QQ, Mike KA4RRU, Dan W0CN, Dennis W4DC and Kyle WA4PGM will be active from Costa Rica as TI5N during the ARRL DX SSB Contest (6-7 March) as a Multi-? entry. QSL via W3HNK, direct or Bureau. [NG3K]

06/03/2010: Tom, W2SC will be operating as 8P5A from Warleigh Plantation, St. Peter Parish, Barbados (IOTA NA-021, WLOTA LH-0999) in the ARRL DX SSB Contest as a Single-Op/All-Band/High-Power entry. QSL via NN1N. Logs will be uploaded to LoTW. [NG3K]

06/03/2010: Look for Jimmy, BX5AA to be active from Changhua City, Taiwan (IOTA AS-020, WLOTA LH-0022) for the ARRL DX SSB Contest as a Single-Op/All-Band/High-Power entry. QSL via the information at QRZ.com. [NG3K]

06/03/2010: Eduardo, CO8LY will be active from Santiago de Cuba, Cuba (IOTA NA-015, WLOTA LH-0032) in the ARRL Interantional DX SSB Contest as a Single-Op/Single-Band (15m)/Low-Power entry. QSL direct to EA7ADH. [NG3K]

06/03/2010: Juan-Carlos, CO8TW will also be active from Santiago de Cuba, Cuba (IOTA NA-015, WLOTA LH-0032) in the ARRL Interantional DX SSB Contest as a Single-Op/All-Band/Low-Power entry. QSL via HB9SVT. [NG3K]

06/03/2010: Operators Tino HI3CC, Rafael HI8KW and Edwin HI3K will be active from Loma Del Toro, Dominican Republic (NA-096, WLOTA LH-2974) as HI3K for the ARRL DX SSB Contest as a Multi-Single entry. QSL via KB2MS. [NG3K]

06/03/2010: Look for Dave, G3TBK to be active as J88DR from the island of St. Vincent (IOTA NA-109, WLOTA LH-0492) for the ARRL DX SSB Contest as a Single-Op/All-Band/Low-Power entry. QSL via his home call, direct or Bureau. [NG3K]

06/03/2010: Philippe, LX2A will be active from Eschdorf, Luxembourg, as LX7I in the ARRL DX SSB Contest as a Single-Op entry. QSL via LX2A, direct or Bureau. [NG3K]

06/03/2010: MM0DGR/p will be working from Whitlaw Mosses National Nature Reserve (WFF GMFF-067, WAB NT52, WW Loc. IO85ON) on Saturday, 6th March, 2010. The station will be located at Lindean Reservoir (nr. Selkirk), EU Area SC26 (Scottish Borders). QRV 80-10 metres using BPSK63, CW, and SSB. QSL cards should be sent via MM0DFV. Further info at: www.srars.org/wff-reports/gmff-067.htm [MM0DFV]

06/03/2010: Andrew RN1CW (COTA-RU team), will be active on 6th and 7th March 2010, from Leningrad Fortified in Sankt-Petersburg City (WCA UA-00304, COTA-RU U-114, RDA SP-05). Plans are to work as RZ1CWC/p on 20, 30 and 40 metres, mostly CW. QSL via RN1CW, Bureau or direct. For more information, please visit: www.wcagroup.org/ [RN1CW]

06/03/2010: Bob, 9V1QQ will be operating from Singapore (IOTA AS-019, WW Loc. OJ11XH) during the ARRL DX SSB Contest as a Single-Op entry, using his contest callsign S65Q. QSL via 9V1QQ, direct or Bureau. [425 DX News]

06/03/2010: Operators CO6LP, CO6LC, CM6YAC, CO6CAC, CO6EC and CO6YWR will be active as T46A during the ARRL DX SSB Contest as a Multi-Single entry from Santa Clara, Cuba (IOTA NA-015, WLOTA LH-0032). QSL via CO6LC (QRZ.com). [NG3K]

06/03/2010: Siggi, TF3CW will be active from Iceland (EU-021, WLOTA LH-2975) as a Single-Op/Single-Band (20m) entry in the ARRL DX SSB Contest. QSL direct to LX1NO. [NG3K]

06/03/2010: Operators Keith W4KTR, Eddie K4UN, Bob W4BW, Lex W4XO, Carlos TI2KAC, Juan Carlos TI2JCY and TI2ZM will be active as TI8M from Quepos, Puntarenas Province, Costa Rica, during the ARRL DX SSB Contest (6-7th March) as a Multi-? entry. QSL via TI2KAC, direct preferred but bureau 'OK'. [NG3K]

06/03/2010: Al, F5VHJ will be active as TO5A from the island of Martiique (NA-107, DIFO FM-001, WLOTA L-1041) during the ARRL DX SSB Contest as a Single-Op/All-Band/High-Power entry. QSL via F5VHJ, direct or Bureau. Logs will be uploaded to LoTW. [NG3K]

06/03/2010: Kurt, W6PH will be QRV from Hamilton Perish, Bermuda (IOTA NA-005, WLOTA LH-0201), as VP9/W6PH for the ARRL DX SSB Contest as a

Single-Op/All-Band/Low-Power entry. QSL direct to home call (QRZ.com). [NG3K]

06/03/2010: Peter, VE3IKV will activate St. Simons Island (IOTA NA-058, USi GA003S, WLOTA LH-4115, WW Loc. EM91HD), Glynn County, Georgia, as W4/VG3RA on 6-7th March 2010. Low power operation, on or near the usual IOTA frequencies. QSL via VE3IKV, Bureau or direct. NOTE: VG3 is special 2010 Olympics prefix. [rsgbiota.org]

06/03/2010: Tom, ZP5AZL will be operating from his contest station located in Villa Morra, Asuncion, Paraguay WW Loc. GG14ER) as ZP0R during the ARRL DX SSB Contest as a Single-Op entry. QSL ZP0R via ZP5AZL, direct preferred but Bureau ok. [NG3K]

08/03/2010: Pista, HA5AO will be back to the Trading Post Lodge, Roma (near Maseru), Kingdom of Lesotho, once again as 7P8AO, between 8-22nd March 2010. He plans to working on the HF bands, 80-10 metres, on CW, SSB and RTTY. The station setup: ICOM 7000 transceiver with 300 W solid state PA, 10.2 m wire vertical antenna with SG-235 automatic antenna coupler. He should like to be on the air as much time as possible, however, please note, that this is a single operator mini expedition. QSL via home call, direct or Bureau. Logs will be uploaded to LoTW and eQSL. Logsearch will be available on his website: ha5ao.novolab.hu/. [HA0HW]

08/03/2010: Look for Peter, VE3IKV to be active from Key West (IOTA NA-062, USi FL040S, WW Loc. EL94CN), Monroe County, Florida, as W4/VG3RA on 8-13th March 2010. Low power operation, on or near the usual IOTA frequencies. QSL via VE3IKV, Bureau or direct. [rsgbiota.org]

09/03/2010: Bob, G3PJT will be active from the north east coast of St. Lucia (IOTA NA-108, WLOTA LH-1336) from 9-16th March, including an entry in the RSGB Commonwealth Contest (13-14th March). Outside the contest, Bob will be QRV holiday style with K2 and verticals with focus on 80 and 30 metres. QSL via home call, direct (QRZ.com). [BERU contest news]

09/03/2010: Bob, W4OWY (V25WY) and Mark, W9OP (V25OP) plan to operate CW, SSB and RTTY on 160-6 metres from Gunthroppes, island of Antigua (IOTA NA-100, WLOTA LH-1118, WW Loc. FK97BC) from March 9-18th, 2010. QSL via home calls, direct, Bureau, also LoTW and eQSL. [NG3K]

09/03/2010: Tom, N4XP, will be on Kwajalein (IOTA OC-028) between 9-22nd March 2010. Look for him to be active as V7/N4XP on 160-10 metres using CW and SSB. Tom tells OPDX that he plans to be active on 60 metres this trip. QSL via his home callsign. [OPDX Bulletin]

10/03/2010: Al, LA9SN will be active from Isla Robinson Crusoe (IOTA SA-005, DICE ICE-004, WLOTA LH-0153), Juan Fernandez, from 10-23 March as CE0Z/LA9SN. End date might extend to March 26th. QRV 80-10 metres, mostly CW, 100W. QSL via homecall (subject to change). Al will report any changes, should they should arise. Web site: www.la9sn.com/ [NG3K]

10/03/2010: Nick, G4FAL will be active as VP2MCC from Gingerbread Hill, St Peters Parish, island of Montserrat (IOTA NA-103, WLOTA LH-1475) from 10-17 March, including an entry in the RSGB Commonwealth Contest (13-14 March). The contest is for operators located within the Commonwealth or British Mandated Territories, so Nick says he "will be keen to work other stations" outside the BERU event. Activity is likely to be restricted to 80-10 metre CW, however if he can organise an aerial for 160m then he may be able to try some morning greyline contacts with Europe on CW on 15 or 16 March. QSL via G4FAL, direct and LoTW. [425 DX News]

11/03/2010: Colin, G3VCQ (J38CW) and Sharon, M3VCQ (J38SW) will be active from the island of Granada (NA-024, WLOTA L-0718) from 11-25 March. QRV all HF bands/modes. QSL both calls via G3VCQ, direct or by the Bureau. [F5NQL]

11/03/2010: Members of the Amateur Radio Outdoor Adventures, Inc., will be active 11-15th March as K4T from Fort Jefferson, Garden Key (USi FL013S) in the Dry Tortugas (IOTA NA-079, WW Loc. EL84NP, Monroe county), Florida. This activity will also count for the Fort Jefferson lighthouse (ARLHS USA-316, TWLHD WLH K-066). Team members will include Mike AC2V, Dave N2NL, Chris KN3ZIG, Pete AI4QY, Gary K4MF, Max KJ4EUT, Dan W4UH, Pete WD4IXD, Fred K9VV, Vick WA0USA, Zoli HA1AG and Jennifer LeSueur. QRV with 3 HF stations and one satellite station using CW, SSB and digital modes. Power will be provided by batteries, 8 75W solar panels and a 500W wind turbine. QSL via HA1AG. Further infomation can be found on their web site at: aroadventures.org/ [AROA]

12/03/2010: Ray ZL4TY (home call VK4DXA), Paul ZL4PA and Paul ZL4M (home call ZL4PW) will be activating Stewart Island (OC-203, Grid RE43) from Friday 12-23 March. This will be a 2-station operation using verticals for 160-30m and a Spiderbeam for 20-10m. QSL via home calls. Further information can be found at: www.zl4pw.orconhosting.net.nz/OC203/si_index.htm [F5NQL]

12/03/2010: Look for Dave, G3TBK to be active from the island of St. Vincent (IOTA NA-109, WLOTA LH-0492) as J88DR during the RSGB Commonwealth Contest (13-14th March) as a Single-Op/All-Band/Low-Power entry. QSL via home call, direct or Bureau. [NG3K]

12/03/2010: Alan, G3XAQ, will once again be active (possibly as 9G5XA) during March (specific dates not provided). He plans to be an entry in the RSGB's 73rd Commonwealth Contest (13-14th March) in the 12 hour category. Alan will use a K2 w/100 watts into an Inverted-L for 80m, Inverted-Vee doublet for 40m and a Moxon beam for 20/15m. QSL via G3SWH, Bureau or direct. [OPDX Bulletin]

12/03/2010: From 12-20 March 2010 you'll be able to contact the first 2010 Dxpedition by the Provins ARC (F6KOP) to Ouessant Island (IOTA EU-065, DIFM AT001, WLOTA LH-0208), located in Department Finistere/29 and Province Brittany (DPF 06). An international crew, will operate from there as TM7CC. As usual, there are some newcomers, coming to learn the Dxpedition traffic. Among the operators, lead by Frank, F4AJQ are

namely: Bob N6OX, Gabriele I2VGW, Bernard F9IE, Jean-Paul F8BJI, Alain F6ENO, Ghislain F6CEL, Robert F5HTR, Michel F5EOT, Martin F4UKP, Olivier F4FLF, Philippe F4EAT, Jean-Michel F4DLM, Gerard F2VX, Henri F1HRE and Michel F1AFW. QRV from 160-10m, using CW, SSB, Digitals (RTTY, PSK31 and more). QSL via F9IE, direct or bureau. Further information can be found at: www.tm7cc.com/ [F5NQL]

Be sure to check Bill's (NG3K) website for updated ARRL International DX Phone Contest activity at: http://ng3k.com/Misc/adxs2010.html .. Good luck to all participants & have fun!!!
==========
LOOKING AHEAD -

17/03/2010: Tom SP5UAF and Marcin SP5ES will be active as CT8/homecall from the island of Sao Miguel (IOTA EU-003, DIP AZ-002, WLOTA LH-2016), Azores, on 17-29th March 2010. Operators plan to be active on all HF bands, using CW, SSB and digital modes. They will participate Russian DX Contest (20-21st March) and the CQWW WPX SSB Contest (27-28th March). This will be a low power (100W) activity. Antennas will be verticals and a spiderbeam. QSL via home calls via Bureau or direct. [SP5UAF]

19/03/2010: Operators Gabi DF9TM, Frank DL2SWW, Matthias DK7LV, Fred DL4BBH, Helmut DL1BGC, Peter DJ4RU, Henning DB5BZ and Ric DL2VFR will be active from Newark Island (EU-127, GIA N-012) from 19-21st March 2010. They plan to activate Special DOK 700NWK (700 years Neuwerk) operating from the Newark lighthouse (DLTD_GLHS #38, ARLHS FED-165, TWLHD WLH DL-019, WLOTA LH-2311) using the callsign DA0GLH. They will also activate Hamburg Wadden Sea (WFF DLFF-005) using the callsign DF0WFF. QRV all HF bands using CW, SSB and PSK. QSL both calls via DL2VFR, direct or by the Bureau. [rsgbiota.org]

19/03/2010: Andrei, NP3D will be active as HR2/NP3D from San Pedro Sula, Honduras, on 19-29th March 2010, including Single-Op/All-Band entry in the Russian DX Contest (20-21st March), BARTG Spring RTTY (20-21st March) and CQWW WPX SSB Contests (27-28th March) using the callsign HQ2T. Outside the contests, Andrei will be QRV 160-10 metres, with focus on 160 metres. QSL via W3HNK, RW6HS, or via LoTW. [NG3K]

20/03/2010: Special event station VX3S will be aired between 20th March and 19th April 2010 to commemorate the 2010 G-8 Summit being held in Huntsville, Ontario, Canada. QSL direct to VE3NNG. [RAC]

20/03/2010: Members of the Tri-County Amateur Radio Club of North Texas (www.wc5c.org/), WC5C plan to be active from Goat Island (USI TX-New, Not IOTA), Texas, on 20 March 2010. The island is located on Caddo Lake, Caddo Lake State Park, Harrison County, Texas. QSL direct to KB5YLG (David Johnson, 820 Wood Ln, Azle, TX 76020 USA) with SASE/SAE + sufficient postage. [rsgbiota.org]

27/03/2010: Look for Gord, VE6SV to be signing VC6R from Sherwood Park, Alberta, during the CQWW WPX SSB Contest (27-28th March). No entry category was given. QSL VC6R via VE6SV, direct or by the Bureau.

27/03/2010: Members of the Nanaimo Amateur Radio Association (VE7NA) will be active from Nanaimo, BC, as a Multi-Op entry in the CQWW WPX SSB Contest (27-28th March) using the special callsign VC7C. QSL via VE7NA.

01/04/2010: For the 30th anniversary of Union de Radioaficionats Andorrans (URA), Andoran hams are granted to use the prefixes C35 and C36, during the entire month of April 2010. QSL via the individual operators' instructions. [dx-world.net]

03/04/2010: Anneke, PB7XYL of the 'Women On The Air (WOTA) Club' (member #12) will be QRV from Heinenoord (WW Loc. JO21FT), The Netherlands, using the special callsign PB88XYL from 3-30th April 2010. This is the first activity by the Women On The Air (WOTA). QSL via PB7XYL, direct or by the Bureau. See: www.qrz.com/db/pb88xyl also wotaclub2010.blogspot.com/ [PB7XYL]

09/04/2010: Stephane, F5UOW will be vacationing on Reunion Island (IOTA AF-016, DIFO FR-001, WLOTA LH-1812) between 9th April and 2nd May 2010. >From 9-17th April he will sign FR/F5UOW on 20m. Then he will move to another QTH from which he will sign TO2R, trying to be active from 80-10m, mostly CW. QSL via home call. [dx-world.net]

11/04/2010: Operators Sho JA7HMZ (V63DX), Koh JA1ADT (V63DQ), and Kei JA7GYP (V63T) will be active from Pohnpei (IOTA OC-010), Micronesia, from 11-17th April 2010. QRV on all bands/all modes. Focus on the low bands. QSL via the operators' home call. [dx-world.net]

12/04/2010: Special event station CK8G will be QRV 12-30th April 2010 from Inuvik, Northwest Territories, to commemorate the 75th Anniversary of the Roman Catholic Mission in Paulatuk, NT. Look for activity on all HF bands/modes. QSL via VE8EV. [RAC]

15/05/2010: Operators Hans OH0/PA0VHA, Steve OH0/PA2A, Wim OH0/PA2AM, Teun OH0/PB5A, Jack OH0/PA3BAG, Wil OH0/PA3ALK and Martin OH0/PA2VMA will be active from Aland Island (EU-002, WLOTA LH-1373) from 15-28th May 2010. QRV on all bands, with emphasis on the WARC bands, using CW, SSB and RTTY. They will also be QRV on 6 metre EME with WSJT (JT65A). The callsign for EME will be OH0/PA2AM. QSL via the operators home callsign. Web: www.pi4cc.nl/ [rsgbiota.org]

05/06/2010: Max, NN5L will be homecall/p from North Padre Island (NA-092), Texas, from 5-8th June 2010. QRV on or near the usual island and IOTA frequencies. QSL via home call, direct or bureau. [rsgbiota.org]

20/07/2010: Operators Theodoro SV1GRM, Sotiris SV1HER, Toze CT1GFK will be active from Corvo Island (EU-089, DIP AZ-009, WLOTA LH-0707) as CQ8SV from 20-27th July 2010. They will also participate in the RSGB IOTA Contest (24-25th July). QSL via SV1GRM. Further info at QRZ.com under CQ8SV. [rsgbiota.org]

23/07/2010: Paul, M3KBU will be active from the Isle of Lismore (IOTA EU-008, IOSA FL01, SCOTIA CN07) as MM3KBU/p from 23-29 July 2010,

including an entry in the RSGB IOTA Contest (24-25th July). QSL via MM3KBU, direct or Bureau. [rsgbiota.org]

SIX METERS & UP -

WAS-EME:
Dear Moonnet, I have updated my website listing the biggest 2M EME stations, CW and WSJT, from each state. I am happy to include the first Nevada station on the site, W7OJT. He has a good signal off the moon. 4 nine element yagis, 350 watts, with elevation.
Web: home.comcast.net/~kd3uy/site/?/page/2M_EME_WAS/
This site is a perpetual work in progress. If you spot any errors or omissions, please email me off list. I would particularly appreciate it if an experienced CW operator could review the CW information. Hope some of you find this helpful. [KD3UY via MMMonVHF]

BITS & PIECES -

AZORES POISED TO HIT HARD AT ARRL SSB DX CONTEST

The group out of Radio Arcala and their associates will put the Azores
on the air on a variety of bands for the ARRL SSB weekend. CU2CE, CU2DX,
OH2BH and OH8NC will be at the controls to provide you with an elusive
Azores multiplier under a callsign not determined yet. Please update
your CTY files to take note of the fact that the CR2 prefix along with
the traditional CU2 will represent this Azorean outpost, the westernmost

point of Europe, one hour behind UTC time.

Soon Radio Arcala is scheduled to hold their Annual Meeting in the Azores and may activate several stations for the WPX SSB contest. The meeting is expected to have on its agenda the important issue of broadening the scope of the original Arcalians and their mission by inviting several international partners to join the radio operator team and to enter into Radio Arcala technology partnerships.

New Digital Mode -
ROS is a digital communications software based on Spread Spectrum techniques. It is designed to fully optimize the power available and make contacts in the toughest conditions, for HF, EME or Meteor Scatter The software has two Symbol Rates: 16 and 1 baud (the latter aimed at weak signals until -35 dbs of S/N) and can automatically synchronize any Symbol Rate. ROS also automatically reply to the operators that include an email in any of your messages, reporting on the parameters of the received signal. Read more: rosmodem.wordpress.com/ [MMMonVHF]

Hi friends
For this issue thanks to: Flo/F5CWU, Frank/F4AJQ, Franck/F4DTO,
Denis/F5RJM, François/F5JNE, Bill/NG3K, DXNL, Alex/UT5UY, Algarve Star DX team.,
Pete’s DX Desk
CLIPPERTON DX CLUB :
Flo, F5CWU and Frank/F4AJQ inform us through the CDXC Web page.
The 32nd CDXC convention will be held in next September 2010, 17 & 18, in
the city of Pontarlier, (East of France, near the Swiss boarder).
To those who intend to participate, it’s asked to reserve the
accomodations without delay, for there will be several important manifestations during
this week end in Pontarlier.
More information at : _http://www.cdxc.org/fr/pontarlier_
(http://www.cdxc.org/fr/pontarlier)

France - Xinthia follows
Hello to all,
Following the Xinthia storm (February 28th, 2010), our houses suffered
grave damage, after being flooded under 1,50 meters of water.
We can indicate to day, that Franck F4DTO, Patrick F4GFE and F4GFE / p
(French REF cup SSB) logbooks were found in the mud. They are very damaged
but readable enough to permit us to confirm the QSO’s after a while.
Thank for your patience.
All our radio activity including that scheduled in ZA are postponed until
our homes will be repaired.
Frank/F4DTO and Patrick/F4GFE

FRANCE - GLENANS Islands QSL cards status:
F5kaq/p EU-094 St Nicolas -isl – EU-094 -
All the direct QSL cards received up to March 8th 2010 are answered by the
same way. All the bureau cards and direct without sufficient return funds
are now at the French REF-Union Bureau in Tours.
73
Denis, F5rjm qsl manager/ F5kaq/p EU-094

SERBIA, SPECIAL EVENT STATIONS

- The radio club "Matica-Zemun" (YU1AVQ) celebrates the 140th
anniversary of the "Volunteer fire brigade Matica" by activating the special
callsign YU140Z until May 31. QSLs via YU1AVQ.

- The "YU CW Club" is celebrating its 40th birthday with several
YU40 and YT40 special callsigns. QSL as op’s information.

Contest: CQ WW WPX Contest, SSB (March 27-28, 2010)

Submitter's callsign: UT5UGR
Contest callsign: TO7A
DXCC entity: Martinique
Operation class: SO AB HP
CQ zone: 08
QSL route: UT5UGR
Operators: UT5UGR

PACIFIC TRIP:
Ukrainian DXpeditioners Team (UDXT) is very glad to present our new
project – PACIFIC ODYSSEY 2010.
UDXT members, namely: Sergey /UX0HX, Team Leader/, Oleg /RK3FA/, Alex
/UT5UY/, Yuriy /UT1HF/, Oleg /US7UX/, Leo /UR3HR/ and Yuriy Grushevskiy /SWL/
will be active on all bands , all modes as:
- 5W0OX, Samoa (CQ – 32; ITU – 62; IOTA OC – 097) 18 May - 19 May 2010
- T31X, Central Kiribati (CQ – 31; ITU – 62; IOTA OC – 043) 22 May - 1
June 2010
- ZK3X, Tokelau (CQ – 31; ITU – 62; IOTA OC – 048) 2 June - 6 June 2010

The main mission of this DXpedition is activating T31 Central Kiribati, Kanton Island, Phoenix Islands Group.
This DXCC entity is ranked #7 in EU and #19 in Worlds Most Wanted List.
The next goal is activating ZK3 Tokelau Islands, which is ranked #29 in EU and #35 in Worlds Most Wanted List.
The running of the DXpedition to remote Pacific Islands is always very expensive. We invite organisations and individuals to make the donation towards the cost of this unique operation. For more information please visit DXpedition WEB site: _http://www.uz1hz.com/pacificodyssey.html _ (http://www.uz1hz.com/pacificodyssey.html)

Hi friends
For this issue thanks to: Jean-Yves/F8LDX, Jean-Louis/F5NHJ, Didier/F5NZO, OPDX , Pete’s DX Desk,

Michel PRONIER/F5ODS , a very active member of the Tullins ARC F6KJJ, , near Grenoble, and very active also on Hyper frequencies and in the yearly ISERAMAT meeting organization, , passed away yesterday .
He was also for years a member of the Union Francaise des Telegraphistes UFT.
A funeral service will be held on next Thursday.
R.I.P.
Sympathy messages can be sent to:
Family PRONIER , 27 LES HORIZONS II, 38210 TULLINS FURES (FRANCE)

OOOP’S
Yesterday I ’ve put a false comment on the following add. Please accept my apologises.
There’s no matter about the IOTA contest in this add.
This is the true add:
From 24th till 27th April there will be an IOTA activation from The Isle of Eigg
on the west coast of Scotland.

IOTA EU008, IOSA NH03, WAB NM48, IARU Locator IO66WV.

This is a joint activation by members of Kilmarnock and Loudoun ARC and South Cheshire ARS

The call will be GM6TW the club call of SCARS info at QRZ.com

QSL via G0UZP Paul

Team Graham MM0GHM (KLARC), Gordon MM0GOR (KLARC) and Mark M0UTD (SCARS)

We hope to have three stations operating during our stay.

We will be active with RTTY, PSK31 and SSTV

73 Graham
MM0GHM
Secretary KLARC

T32 IOTA dxpedition to the Southern Line between March 17 thto April 18th, update:

It is with great regret that we have to announce that Nils, SM6CAS has had to withdraw from the dxpedition. This is due to his wife’s health. Aila has been ill since 12th January with a severe lung problem which has still

not been diagnosed.

Nils is very keen for this dxpedition to go ahead even though he cannot join us. He has been planning this for several years and he is the major financier of the project. We owe Nils a deep debt of gratitude for supporting this trip under the circumstances.

Nils will be the QSL manager for all 4 islands. Please be generous with your green stamps etc to help him recover some of this major financial outlay.

Mike-K9AJ, Steve-G4EDG, Steve-9M6DXX & Derek-G3KHZ

T32 Dxpedition IOTA aux îles de la Ligne Sud, du 17 mars au 18 avril.
Mise à jour.
C'est avec un profond regret qu'il nous est donné d'annoncer que Nils, SM6CASadu annuler sa participation à l'expédition. Ceci est du à la santé de son épouse, malade depuis le 11 janvier avec un sérieux problème pulmonaire, pour lequel i n'y a pas encore eu de diagnostic établi.

Nils s'était passionné pour cette expédition à laquelle il a du renoncer. Il avait préparé ce déplacement depuis plusieurs années, et il était le trésorier principal de cette expédition. beaucoup investi dans cette expédition .
Nous avons une grande dette de gratitude envers Nils qui continue à nous encourager et aider en dépit des circonstances douloureuses auxquelles il est confronté.
Nils sera le QSL manager pour le trafic depuis les quatre îles.
Merci de vos envois, pour aider Nils à rentrer un peu dans ses frais . Il a beaucoup dépensé.

Mike-K9AJ, Steve-G4EDG, Steve-9M6DXX & Derek-G3KHZ
http://t32line.webnode.com/news-/ (http://t32line.webnode.com/news-/)

PJ6, ANTILLES NEERLANDAISES:
Trois membres du Southeastern DX Club, (SEDXC) et du K5D team (Bob/K4UEE, Gregg/W6IZT et George/N4GRN) sront sur Saba (NA-145, Grid Square is FK87) du 11 au 15 mars.
Indicatifs : PJ6/homecall.
Le but principal est de commencer la construction d'une station , en anticipation des modifications géo politiques qui doivent intervenir à la fin de cette année, dans les Antilles Néerlandaises.
QSL via HC.

73, Bob-K4UEE

ECOSSE:
MM0DGR/p sera actif depuis la Reserve Naturelle Nationale de Kirkconnell Flow (GMFF-040) le samedo 13 mars 2010.
Station située au Nord Ouest de la Reserve : (NX961701). WAB Square: NX97, QRA Locator:
IO85EA, Latitude: 55°00′53″N, Longitude: 03°37′31″W, EU Area: SC06 (Dumfries and
Galloway), IOTA: EU-005, WLOTA: LH-1234.
Bandes: 160 - 10 m,
Modes: BPSK31 (EA Contest), BPSK63, CW, et SSB.
QSL doivent être adressées MM0DFV.

I.C.P.O. Bulletin (11-19 March 2010)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

11/03/2010: Alex, UX4UL will be active from near Colombo (Grid Loc. MJ96), Sri Lanka (AS-003, WLOTA LH-0762) between 10th March and 7th April, 2010. QRV 20-10 metres using mainly CW and PSK. QSL via UY5ZZ, direct or Bureau. [NG3K]

11/03/2010: Rosel, DL3KWR and Hardy, DL3KWF will be active as CT9/DL3KWR and CT9/DL3KWF from Madeira Island (AF-014, DIP MA-001, WLOTA LH-0053) on 11-25 March. They plan to operate mostly CW and on 12, 17 and 30 metres. Hardy will also give RTTY and PSK-31 a try. QSL via home calls. E-mail requests for bureau cards can be sent to dl3kwr-at-darc.de or dl3kwf-at-darc.de respectively. Their web site is at: www.mydarc.de/dl3kwr [425 DX News]

11/03/2010: Colin, G3VCQ (J38CW) and Sharon, M3VCQ (J38SW) will be active from the island of Granada (NA-024, WLOTA L-0718) from 11-25 March. QRV all HF bands/modes. QSL both calls via G3VCQ, direct or by the Bureau. [F5NQL]

11/03/2010: Members of the Amateur Radio Outdoor Adventures, Inc., will be active 11-15th March as K4T from Fort Jefferson, Garden Key (USi FL013S) in the Dry Tortugas (IOTA NA-079, WW Loc. EL84NP, Monroe county), Florida. This activity will also count for the Fort Jefferson lighthouse (ARLHS USA-316, TWLHD WLH K-066). Team members will include Mike AC2V, Dave N2NL, Chris KN3ZIG, Pete AI4QY, Gary K4MF, Max KJ4EUT, Dan W4UH, Pete WD4IXD, Fred K9VV, Vick WA0USA, Zoli HA1AG and Jennifer LeSueur. QRV with 3 HF stations and one satellite station using CW, SSB and digital modes. Power will be provided by batteries, 8 75W solar panels and a 500W wind turbine. QSL via HA1AG. Further infomation can be found on their web site at: aroadventures.org/ [AROA]

11/03/2010: Three members of the Southeastern DX Club (SEDXC) and the K5D team, namely Bob K4UEE, Gregg W6IZT and George N4GRN will on the island of Saba (NA-145, WLOTA LH-2043, Grid Loc. FK87) from 11-15 March 2010 as PJ6/homecalls. The purpose is to finalize plans and begin building a station for the anticipated political realignment in the Netherlands Antilles later this year. QSL PJ6/K4UEE and PJ6/N4GRN to their home calls. QSL PJ6/W6IZT via N7XG, direct or Bureau. [K4UEE]

12/03/2010: Hugh, K6HFA plans to operate from the following islands: Tonga (A3, OC-049, OC-123, OC-064) from 12th March to 2nd April 2010; Wallis (FW, OC-054, DIFO FW-001, WLOTA LH-0398, WW Loc. AH16vo) from 6-12th April 2010; Tuvalu (T2, OC-015) from 13-21st April 2010; and Fiji

(3D2, OC-016 or OC-015) from 23-26th April 2010. QRV with 100 Watts, vertical antenna, CW, SSB, maybe RTTY on 80, 40, 30, 20, 17, and 15 metres. IOTA frequencies 7040+- 14040+- kHz and others. Hugh will call for EU, NA, SA, Asia etc. per propagation. Callsigns will be posted. QSL via K6HFA. More info soon.... [NG3K]

12/03/2010: Ray ZL4TY (home call VK4DXA), Paul ZL4PA and Paul ZL4M (home call ZL4PW) will be activating Stewart Island (OC-203, Grid RE43) from Friday 12-23 March. This will be a 2-station operation using verticals for 160-30m and a Spiderbeam for 20-10m. QSL via home calls. Further information can be found at: www.zl4pw.orconhosting.net.nz/OC203/si_index.htm [F5NQL]

12/03/2010: Look for Dave, G3TBK to be active from the island of St. Vincent (IOTA NA-109, WLOTA LH-0492) as J88DR during the RSGB Commonwealth Contest (13-14th March) as a Single-Op/All-Band/Low-Power entry. QSL via home call, direct or Bureau. [NG3K]

12/03/2010: Alan, G3XAQ, will once again be active (possibly as 9G5XA) during March (specific dates not provided). He plans to be an entry in the RSGB's 73rd Commonwealth Contest (13-14th March) in the 12 hour category. Alan will use a K2 w/100 watts into an Inverted-L for 80m, Inverted-Vee doublet for 40m and a Moxon beam for 20/15m. QSL via G3SWH, Bureau or direct. [OPDX Bulletin]

12/03/2010: The University of Oulu Radio Club (OH8TA) weekend expedition Hi-Winter 2010 to Hailuoto island (EU-184, WLOTA LH-0580), Finland, will take place on 12-14th March 2010. Operators include Tuomas OH8TH, Juho OH8GLV, Liv OH8FGT, Ossi OH8HUB, Heikki OH8HMX, Tuomas OH8HWL, Jarkko OH8HQL, Marko OH8WM, Tuukka OH8FGR, Juhani OH8MXL, Tiiti OH3HNY, Veikko OH8GUY, Jarto OH8GDK, Joel OH3FON, Antti OH1HIH and Antti OH8KA. QRV mostly on HF with 100W and wire antennas. QSL via bureau or direct to OH8T. Website: oh8ta.fi/english/ [rsgbiota.org]

12/03/2010: From 12-20 March 2010 you'll be able to contact the first 2010 Dxpedition by the Provins ARC (F6KOP) to Ouessant [Ushant] Island (IOTA EU-065, DIFM AT001, WLOTA LH-0208), located in Department Finistere/29 and Province Brittany (DPF 06). An international crew, will operate from there as TM7CC. As usual, there are some newcomers, coming to learn the Dxpedition traffic. Among the operators, lead by Frank, F4AJQ are namely: Bob N6OX, Gabriele I2VGW, Bernard F9IE, Jean-Paul F8BJI, Alain F6ENO, Ghislain F6CEL, Robert F5HTR, Michel F5EOT, Martin F4UKP, Olivier F4FLF, Philippe F4EAT, Jean-Michel F4DLM, Gerard F2VX, Henri F1HRE and Michel F1AFW. QRV from 160-10m, using CW, SSB, Digitals (RTTY, PSK31 and more). QSL F9IE direct, Bureau or eMail request. Further information can be found at: www.tm7cc.com/ [F5NQL]

13/03/2010: Noel, F6BGC will be active as 8Q7NC from Madoogali Island, North Male Atoll (AS-013, WLOTA LH-3911), Maldives on 13-21st March 2010. He plans to operate holiday style on 80-6 metres. QSL via home call, direct or Bureau. [425 DX News]

13/03/2010: François F5JNE and Claude F5MCC will be active 13th March 2010 as F5JNE/p from the Castle of The Guins (DFCF 89-314), located in the city of Les Sièges (CP 89190), canton [county] of Villeneuve l'Archevêque (DDFC 89-36), Department Yonne/89 and Province Burgundy (DPF 05). Starting 0700 UTC, 80/40m, CW/SSB. QSL via the Bureau prefered, SWL cards welcome. [F5NQL]

13/03/2010: Look for Philippe, F5MSB/p on 13th March 2010 to activate the Castle of Larée (DFCF 32-135), located in the commune of Larée (CP 32150), Department Gers/32 and Province Midi Pyrénées (DPF 15). QRV on 80 and 40 metre SSB. QSL via home call, direct or Bureau. [amateurradio.org]

13/03/2010: MM0DGR/p will be working from Kirkconnell Flow National Nature Reserve (GMFF-040) on Saturday, 13th March, 2010. The station will be located at the northwest side of the nature reserve (NX961701). WAB Square NX97, QRA Locator IO85EA, Latitude: 55°00'53"N, Longitude: 03°37'31"W, EU Area SC06 (Dumfries and Galloway), IOTA EU-005 and WLOTA LH-1234. Bands: 160-10 metres. Modes: BPSK31 (EA Contest), BPSK63, CW, and SSB. QSL cards should be sent via MM0DFV. More information is available at www.gmff.org/ . This is a good chance to work NX97 square for ALBA award. [MM0DFV]

13/03/2010: Alain, F6BFH and his XYL will be active from the island of St. Martin (IOTA NA-105, DIFO FS-001, WLOTA LH-0383), as TO5SM, between 13th and 23rd March. QRV HF SSB and CW. QSL when return via F6BFH either direct or Bureau. More information to be published at: alan-f6bfh.blogspot.com/ [F5NQL]

13/03/2010: The Vero Beach Amateur Radio Club, W4OT will celebrate the 107th Anniversary of Pelican Island National Wildlife Refuge (www.pelicanislandfriends.org/) and the 18th Annual Pelican Island Wildlife Festival on 13 March 2010. QRV from the Festival (Indian River County, Florida) on 7.040, 14.040 MHz CW and 7.190, 14.260 MHz SSB. A special event certificate and QSL are available from: VBARC-W4OT, PO Box 2082, Vero Beach, FL 23961. Web: www.vbarc.net/ and www.pelicanislandfriends.org/ [W4OT]

14/03/2010: Members of the Algarve STAR DX Team will be active as CR6A from the Esporão East Mole lighthouse (DFFA Fa-27, PFFP FP-088, ARLHS POR-089), Loulé County, on 14 March 2010. QRV all bands and modes. QSL via CT1GFK, Bureau or direct. [Algarve STAR DX Team]

16/03/2010: Alfredo, IK7JWX, and a team of operators will activate the city of Essaouira (Cap Sim lighthouse ARLHS MOR-019, Grid square IM51) and Agadir (Grande Jetée/Jetée Ouest lighthouse ARLHS MOR-040, Grid square IM50), from 16-23rd March 2010. Operators mentioned (with callsigns) to be active are: Alfredo/IK7JWX (5C2J), Leo/I8LWL (5C2L), Simon/IZ7ATN (5C2SG), Ruggero/IK2PZC (5C2P), AntoNello/IK2DUW (5C2W) and Michele/IK2GPQ (5C2Q). Activity will be on all HF bands and 6 metres, using CW, SSB, PSK31 and RTTY. QSL via their home callsigns. [OPDX Bulletin]

16/03/2010: Babs, DL7AFS and Lot, DJ7ZG begin another DXpedition! They will be QRV from near Pottery Village, located on the island of Antigua (IOTA NA-100, WLOTA LH-1118, WW Loc. FK97CC) between 16th March and 4th April as V21ZG. QRV on 80-6m, mainly RTTY, PSK and SSB. V21ZG will look especially for JA-stations and "Little guns" and QRP stations. QSL via DL7AFS, direct or Bureau. Further information and log search at: www.qsl.net/dl7afs/ [dx-world-net]

17/03/2010: Tomek SP5UAF and Marcin SP5ES will be active as CT8/homecalls from the island of Sao Miguel (IOTA EU-003, DIP AZ-002, WLOTA LH-2016), Azores, on 17-29th March 2010. Operators plan to be active on all HF bands, using CW, SSB and digital modes, with low power 100w, wire antennas, low band + multiband verticals and spider beam. They will participate in the CQWW WPX SSB Contest (27-28th March) as CR1Z and CR1M repectively. Some lighhouse activity will be considered during the stay. QSL via home calls via Bureau or direct. [SP5UAF]

17/03/2010: The T32 IOTA DXpedition team to the Southern Line Islands is comprised of Steve G4EDG, Mike K9AJ, Steve 9M6DXX, Derek G3KHZ and 5 Kiribati Government officers. The team will sail on the 'SV Kwai' from Kiritimati (Christmas Island) on approximately 17th March, 2010 returning to Kiritimati approx 18th April, 2010. They plan to stop and operate from four IOTA new ones, namely Malden Island (OC-279) using the callsign T32MI; Starbuck Island (OC-280) using the callsign T32SI; Caroline Island (OC-281) using the callsign T32CI; and Vostok Island (OC-282) using the callsign T32VI. They will activate each island for four days. QSL direct via SM6CAS. Further information will be updated on their web site at: t32line.webnode.com/ [SM6CAS]

18/03/2010: Operators Michal/OK7MT and Vit/OK5MM will be active as PJ4/OK7MT and PJ4/OK5MM, respectively, from the island of Bonaire (IOTA SA-006, WLOTA LH-1279) between 18th March and 1st April 2010. They are planning to be entries in the Russian DX (20-21st March) and CQWW WPX SSB Contests (27-28th March) as PJ4L. QSL PJ4L via OK7MT direct or Bureau. [OPDX Bulletin]

19/03/2010: Operators Gabi DF9TM, Frank DL2SWW, Matthias DK7LV, Fred DL4BBH, Helmut DL1BGC, Peter DJ4RU, Henning DB5BZ and Ric DL2VFR will be active from Newark Island (EU-127, GIA N-012) from 19-21st March 2010. They plan to activate Special DOK 700NWK (700 years Neuwerk) operating from the Newark lighthouse (DLTD_GLHS #38, ARLHS FED-165, TWLHD WLH DL-019, WLOTA LH-2311) using the callsign DA0GLH. They will also activate Hamburg Wadden Sea (WFF DLFF-005) using the callsign DF0WFF. QRV all HF bands using CW, SSB and PSK. QSL both calls via DL2VFR, direct or by the Bureau. [rsgbiota.org]

19/03/2010: Andrei, NP3D will be active as HR2/NP3D from San Pedro Sula, Honduras, on 19-29th March 2010, including Single-Op/All-Band entry in the Russian DX Contest (20-21st March), BARTG Spring RTTY (20-21st March) and CQWW WPX SSB Contests (27-28th March) using the callsign HQ2T. Outside the contests, Andrei will be QRV 160-10 metres, with focus on 160 metres. QSL via W3HNK, RW6HS, or via LoTW. [NG3K]

19/03/2010: YO6CHB, YO6EZ, YO6GBE, YO6MP and YO6UO will operate CW, SSB and RTTY as YP1WFF from the Cheile Bicazului - Hasmas National Park (WFF YOFF-004) on 19-21st March 2010, including activity during the Russian DX Contest. QSL this operation via YO6EZ. [425 DX News]
==========
LOOKING AHEAD -

20/03/2010: Members of the Tri-County Amateur Radio Club of North Texas (www.wc5c.org/), WC5C plan to be active from Goat Island (USI TX062, Not IOTA, WW Loc. EM22WS), Caddo Lake, Marion County, Texas, on 20 March 2010. QSL direct to KB5YLG (David Johnson, 820 Wood Ln, Azle, TX 76020 USA) with SASE/SAE + ufficient postage. [rsgbiota.org]

23/03/2010: Look for special event station 8J6AIRA to be active from 23 March to 31 August 2010 to celebrate the birth of Aira-city (JCC # 4626), Kyushu (IOTA AS-077, JIIA AS-077-001, WLOTA LH-0963), Japan. A planned merger of municipalities will be implemented in March 2010. The Aira District towns of Aira, Kajiki, and Kamo will merge into the City of Aira. QSL via the JARL Bureau. [JJ1WTL/AC6IM]

27/03/2010: Ray, K7RFW and other operators will be on Antelope Island (USi UT001L, Not IOTA), at the Garr Ranch for the Annual 2010 Buffalo Run Race (www.buffalorun.org/). Due to the CQWW WPX Contest, they will be operating above 14.280 MHz and depending on propagation, maybe around 7.180 MHz from 1300 to 1500 UTC. Also, this is a service event, so the HF station may not always be manned due to the demands of the race event. For K7RFW contacts, LoTW and eQSL (preferred), see QRZ for QSL cards and sorry, no SASE, no card returned per XYL's orders. For US Island certification, you can use the USI eQSL program or my call at arrl.net. [USi]

27/03/2010: Dimitry, UT5UGR will be active from Ducos, island of Martinique (NA-107, DIFO FM-001, WLOTA LH-1041, DDFM 97) as TO7A during the CQWW WPX SSB Contest (27-28th March) as a Single-Op/All-Band/High-Power entry. QSL via home call (QRZ.com). [NG3K]

15/04/2010: John, VE8EV plans to be active from Greens Island (IOTA NA-182, CIsA-New One!) on 15-20th April 2010. QRV on the HF bands, on or near the usual island and IOTA frequencies. QSL VE8EV via direct, Bureau, OQRS and/or LoTW. On-line logs will be uploaded as soon as possible after the operation. Full information to be found at: ve8ev.blogspot.com/search/label/IOTA [dx-world.net]

24/04/2010: Kilmarnock & Loudoun ARC & South Cheshire ARS Club Station members Graham MM0GHM (KLARC), Gordon MM0GOR (KLARC) and Mark M0UTD (SCARS) will be active from the Isle of Eigg (IOSA NH03, SCOTIA DI19, WAB NM48, WW Loc. IO66WV), Inner Hebrides (IOTA EU-008), as GM6TW from 24-27th April 2010. They plan to have three stations operating 80-10 metres. They will be active with RTTY, PSK31 and SSTV. QSL via G0UZP. Further information can be found at: www.g6tw.co.uk/gm6tw.html [MM0GHM]

18/05/2010: PACIFIC ODYSSEY 2010 - The Ukrainian DXpeditioners Team (UDXT) members, namely Sergey UX0HX (Team Leader), Oleg RK3FA, Alex

UT5UY, Yuriy UT1HF, Oleg US7UX, Leo UR3HR and Yuriy Grushevskiy SWL will be active on all bands, all modes as: 5W0OX from Apia, Upolu Island (WLOTA LH-1944), Samoa (OC-097) on 18-19th May 2010; T31UR and T31X from Kanton Island, Central Kiribati (OC-043) between 22nd May and 1st June 2010; ZK3X from the Tokelau Islands (OC-048) on 2-6th June 2010. The main mission of this DXpedition is activating T31 Central Kiribati, Kanton Island, Phoenix Islands Group. This DXCC entity is ranked #7 in EU and #19 in Worlds Most Wanted List. The next goal is activating ZK3 Tokelau Islands, which is ranked #29 in EU and #35 in Worlds Most Wanted List. QSL all callsigns via UR3HR, direct or Bureau. Logs will be uploaded to their website after the DXpedition. For more information please visit the DXpedition website at:
www.uz1hz.com/pacificodyssey.html [UT5UY]

==========

SPECIAL EVENTS -

11/03/2010: Hyakuri Air Base is a Japan Air Self-Defense Force air base in the city of Omitama, Ibaraki Prefecture, Kanto Region, Honshu (IOTA AS-007, JIIA AS-007-001, WLOTA LH-2376), Japan. As of 2007, construction of facilities for joint use for civil aviation is in progress. Upon completion it will be known as Ibaraki Airport. To celebrate the opening of Ibaraki Airport, special event station 8J1IBR will be active 11-31st March 2010. QSL via the JARL Bureau. [JJ1WTL/AC6IM]

12/03/2010: The Council of Europe Radio Amateur Club will be active 12-14th March 2010 with the call TP60CE in SSB, CW, RTTY, PSK and Satellite to commemorate the 60th Anniversary of the Convention of Human Rights. QSL via F5LGF. Web: ewwa.free.fr/ [F6FQK]

U.S.A. Special event station information can be found at:
www.arrl.org/contests/spev.html

==========
QSL INFORMATION -

Following the Xinthia storm (February 28th, 2010), our houses suffered grave damage, after being flooded under 1,50 meters of water.
We can indicate to day, that Franck F4DTO, Patrick F4GFE and F4GFE / p (French REF cup SSB) logbooks were found in the mud. They are very damaged but readable enough to permit us to confirm the QSO’s after a while.
Thank for your patience.
All our radio activity including that scheduled in ZA are postponed until our homes will be repaired.
Frank/F4DTO and Patrick/F4GFE

F5KAQ/P EU-094 St Nicolas Island (EU-094) - All the direct QSL cards received up to March 8th 2010 are answered by the same way. All the

bureau cards and direct without sufficient return funds are now at the French REF-Union Bureau in Tours. [F5NQL]

Oleg, UA9UAX reports that all direct and e-mail requests for UA9UAX/1 & UA9UAX/1/m QSLs were answered couple days ago. He is still accepting e-mail request for bureau cards (ua9uax -at- kuzbass.net). [UA9UAX]

QSLs received Bureau - CQ2I [EU-150], CYØX, MD/DK1SG, MUØFAL, P29NI [OC-181], PJ4/PA3CNX [SA-006], S56DX, S57DX, RI1OP [EU-153], UA2FW and UE1OLH [EU-153].

QSLs received Direct - 3D2ØCR (DJ8NK), 5WØCF (PA3LEO), 6W/EI6DX (RX3RC), A31A (PA3LEO), C6AKQ (N4BP), E51NAA (PA3LEO), EU3AR (QRZ.com), FK8CP (QRZ.com), FT5WO (F4DYW), PY2XB/PYØF (hc), RWØCWA (RW0CF), UK8FF (W3HNK), XRØZA (JA8BMK), XU7ACY (W2EN) and Z21BB (W3HNK).

QSLs received LoTW - A31A, C5YK, E51WWA, E51WWB, OY2J, TX4T, TX5SPA, TX5SPM and VK9X/G6AY.

SILENT KEYS -

Dr David Toth, VE3GYQ, President Emeritus of Tucson Amateur Packet Radio (TAPR), passed away Friday, February 26 2010 after a long battle with cancer. He was 55. [The ARRL Letter]

Nikolai Ivanovich Tranevskiy, RA6AGF, passed away Sunday, March 7 2010 after a long illness. He was 64.

Kim Bednarchick, UA4OH, passed away Friday, February 26 2010 after a long illness. He was 76.

Herman M. Shelchkov, UA3GM, has recently been reported Silent Key.

Michel Pronier, F5ODS, a very active member of the Tullins ARC F6KJJ, near Grenoble, and very active also on Hyper frequencies and in the yearly ISERAMAT meeting organization, passed away 9 March 2010. He was also for years a member of the Union Francaise des Telegraphistes UFT. A funeral service will be held on next Thursday. Sympathy messages can be sent to: Family PRONIER , 27 LES HORIZONS II, 38210 TULLINS FURES (FRANCE).
==========
BITS & PIECES -

We would like to introduce our new web site (www.gmff.org/) dedicated to the Natural Heritage of Scotland under the WFF award programme. All our informative photo and video reports will be published there. Very soon we will run our own award programme. Please keep an eye on our new web site.
73! GMFF Team [MM0DFV]

Online logs for 6W/EI6DX and 6V7S, November 2009, are available at: http://www.ei6dx.com/log-search/

Photo and video report about MMØDGR/p trip to Whitlaw Mosses GMFF-067 has been listed at www.gmff.org . Enjoy it! [MM0DFV]

Flo F5CWU and Frank F4AJQ inform us through the CDXC Web page. The 32nd CDXC convention will be held in next September 2010, 17 & 18, in the city of Pontarlier, (East of France, near the Swiss boarder). To those who intend to participate, it's asked to reserve the accomodations without delay, for there will be several important manifestations during this week end in Pontarlier. More information at:
www.cdxc.org/fr/pontarlier

RAC Bulletin 2010-007E - Canadian Amateur Radio Access to 137 Khz.
2010-03-10

Industry Canada has approved access by Canadian radio amateurs to the Low Frequency (LF) band 135.7 to 137.8 kHz, subject to certain conditions. The Revised Canadian Table of Frequency Allocations, promulgated in December 2009 to incorporate changes arising from decisions taken at World Radiocommunication Conference (WRC) 2007, permits amateur use on a Secondary basis subject to Footnote 5.67A.

The Footnote states: "Stations in the amateur service using frequencies in the band 135.7-137.8 kHz shall not exceed a maximum radiated power of 1 W (EIRP) and shall not cause harmful interference to stations of the radionavigation service operating in countries listed in No. 5.67. (WRC-07)". Industry Canada has advised that Canadian radio amateurs may now use the band and that Schedule I of RBR-4 Standards for the Operation of Stations in the Amateur Radio Service will be amended in due course.

Hi friends
For this issue thanks to: F4AJQ and the Provins F6KOP ARC, Chris/M0DOL, Bill/NG3K, RIC/DL2VFR, Natig/4J5T, Eduardo/CO8LY , Pete’s DX Desk, ARRL,
FRANCE:
TM7CC – OUESSANT island by the Provins F6KOP ARC

D-D : Ready to go (http://www.tm7cc.com/2010/03/d-1-ready-to-go/)
We are ready to go and should be on the air this afternoon.
Bob N6OX arrived Wednesday morning in Paris and is now visiting the Mont Saint Michel with Gérard F2JD. Michel F1AFW and F4UKP boarded the train to Brest at 2pm local.
They arrived in Brest by 6:30pm were they were expected by the members of F6KHM.
Yesterday the rest of the team left Provins at 11pm for a 700km and they are now gathered the Conquet to board the Boat.
See you all on the air and look for us on _Twitter_ (http://twitter.com/tm7cc) for the latest news !

First signals expected to day at the end of the afternoon.
Be lucky and see you down TM7CC log.
http://www.tm7cc.com/ (http://www.tm7cc.com/)

UK – Saint Patrick’s Day
On 17th march 2010 GB0SP, on the air for the st patricks day celabrations.
One day on all bands inc cw ssb by m0dol and three lions crew

Contest: CQ WW WPX Contest, SSB (March 27-28, 2010)

Submitter's callsign: SP5UAF
Contest callsign: CR1Z
DXCC entity: Azores
Operation class: SO?
CQ zone: 14
QSL route: SP5UAF
Operators: SP5UAF

Notes: Sao Miguel (EU-003)

Submitter's callsign: SP5UAF
Contest callsign: CR1M
DXCC entity: Azores
Operation class: SO?
CQ zone: 14
QSL route: SP5ES
Operators: SP5ES

Notes: Sao Miguel (EU-003)

GERMANY:
A German team is activating IOTA EU-127 (Neuwerk Island) and WFF DLFF-005 (National Park Hamburg Wadden Sea).

From March 19th to 21st (19.-21. March 2010) we are using DFØWFF and DAØGLH.

Our QTH will be the building where the lighthouse Neuwerk is situated now. This building is 700 years old – therefore DAØGLH will be using the special DOK “700NWK”. It is known as the oldest building of Hamburg because the island belongs to the City of Hamburg.

Access to the island is only possible during low tide. In case of bad weather we will be not able to go to Neuwerk.

We expect to start our operation very late at the 19th and we will leave again about 48 hours later.

Operators are: DK7LV, DJ4RU, DL4BBH, DB5BZ, DL1BGC, DL2VFR, DL2SWW and DF9TM.

We will work SSB, CW and PSK on all HF-bands and on 2m/70 cm in FM.

QSL via DARC-bureau for both calls. If necessary, direct via DL2VFR.

We will upload the logs to the WFF-logsearch too.

T31 DX-pedition Cancellation Announcement Sept./Oct. 2010

It is with great regret that David (K3LP - Co-Leader) and I (Hrane as YT1AD - Leader) must inform the DX Community that after 16 months of planning our DX-pedition trip to T31 - Canton Island (http://www.yt1ad.info/t31/), slated for 11 days in Oct. 2010, the trip will be cancelled. We planned 6 stations fully equipped for HF plus two additional stations for UHF/VHF/Satellite plus 13-14 operators. Our goal was to make 100,000 plus QSOs much like our N8S - Swains Island DX-pedition in 2006.

This decision is based on the March 7, 2010 announcement by the T31X team planned for June 2010 (http://www.uz1hz.com/pacificodyssey.html). Unfortunately, it is cheaper to send a smaller crew with three radios and two amplifiers.

In light of this recent announcement, the total cost of the trip versus the uniqueness will evaporate prior to our arrival. For this reason, we will pick another location for a future date. Minus some team member partial cash contributions and planned equipment sponsors, there were no cash donations made that need to be refunded. We will forfeit our $40K cash deposit on the boat and seek other places in 2011.

Sincerely, T31F team 201

From: "William Beyer" <wbeyerjr@...>

Still time to... HELP make it happen!
Here is an update on the YI9PSE DXpedition to Kurdistan:
Preparations continue for the multi-national YI9PSE, Kurdistan expedition,
with departure for Erbil on March 31st. Last operators have
been added to the team and the final pieces of equipment are being
staged at their West Coast and East Coast staging sites.

Organizers say all the pieces are falling into
place very well and the schedule remains intact.

The last shipment of gear being sent on
ahead goes out early this month, March. The team expects to be on the
air April 2-12 with five stations on "24/7," emphasizing the low
bands and targeting North America and Europe. Special attention will be
done to
beam to the US West Coast and beyond to ZL and VK. The YI9PSE Website
can be
found at www.yi9pse.com

Lastly, YI9PSE will send twitter "tweets" to announce activity on the
General
Class portions
of the bands - so watch for YI9PSE on twitter.com

All plans are moving ahead. Team is looking for additional Club and
Individual
Sponsors.

Thank you for your help and SUPPORT.
Sincerely:
Bill N2WB (WILD BILL)
YI9PSE Team Coordinator

T31 DX-pedition Cancellation Announcement Sept./Oct. 2010

It is with great regret that David (K3LP - Co-Leader) and I (Hrane as YT1AD - Leader) must inform the DX Community that after 16 months of planning our DX-pedition trip to T31 - Canton Island (http://www.yt1ad.info/t31/), slated for 11 days in Oct. 2010, the trip will be cancelled. We planned 6 stations fully equipped for HF plus two additional stations for UHF/VHF/Satellite plus 13-14 operators. Our goal was to make 100,000 plus QSOs much like our N8S - Swains Island DX-pedition in 2006.

This decision is based on the March 7, 2010 announcement by the T31X team planned for June 2010 (http://www.uz1hz.com/pacificodyssey.html). Unfortunately, it is cheaper to send a smaller crew with three radios and two amplifiers.

In light of this recent announcement, the total cost of the trip versus the uniqueness will evaporate prior to our arrival. For this reason, we will pick another location for a future date. Minus some team member partial cash contributions and planned equipment sponsors, there were no cash donations made that need to be refunded. We will forfeit our $40K cash deposit on the boat and seek other places in 2011.

Sincerely, T31F team 2010

REUNION ISLAND as a reminder :
Stephane/F5UOW on Reunion Island between April 9 to May 2nd.
From April 9 to 17, FR/HC on 20m, then from April 18 to May 2, TO2R on 80 to 10, mainly CW. QSL HC.

FW Wallis & Futuna
Apr 6 - Apr 12; K6HFA will be on CW & SSB H.C.

FRANCE – ST PIERRE & MIQUELON:

Paul K9OT and Peg KB9LIE will activate Miquelon Island (NA-032) on July 5-14, 2010. Callsigns will be FP/homecall. This includes the IARU HF Championship contest as two single-operator entries. They will operate CW and SSB 80-10 meters with possibility of 160m and 6m if conditions are good.

They hope to have internet access from the Motel de Miquelon. Website: www.hamradio.pnpfarms.com. QSL via homecalls, direct with return postage, buro or LOTW.

MALDIVES:
8Q7NC on Maldive, AS-013, by F6BGC, Noel, until March 20. 80-6m . QSL direct or bureau.

GJ Jersey
Apr 6 - Apr 9 .
ON4DN will be /MJ. QSL Dir & bur

TF Iceland
Apr 8 - Apr 17, PD9DX will be /TF. QSL H.C.

Central Kiribati T31X ,
May22 – Jun 01 2010, By UX0HX RK3FA UT5UY UT1HF US7UX UR3HR fm OC-043; 160-10m; CW SSB + digital; 3 stns; verticals + vertical arrays; QSL OK via Buro or direct

Greenland OX3RC
Reid, N0RC informs he’s planning on operating from Thule, Greenland (NA-018) from March 22 to April 24th as work permits. At best he will be on every other day. Reid will try to get on the air for contest weekends but cannot guarantee this. He will be using the call OX3RC. Logs uploaded to LoTW and e-QSL. QSL direct to NORC or also via bureau

DEMOCRATIC REPUBLIC OF CONGO
Anton, ON6NL and Henk, ON4AHF are currently in the Democratic Republic of Congo working with the _Médecins Sans Frontières _ (http://www.msf.org/) (Doctors Without Borders) organisation. They have been there for approx two weeks and expect to stay a further 10 days. 9Q0AR/6 is located in the South Kivu region of DRC.
Their workload includes setting up repeaters within the DRC and, during this weekend (March 13-14), they will set up classes for locals who are very interested to know what Ham Radio is. Each classroom will have between 20-25 people learning about our great hobby.
Using wire antennas and an FT-897, look for both 9Q0AR/6 and 9Q0HQ (club callsigns) on CW/SSB. QSL both calls via ON6NL.

T31 Expedition Sept./Oct. 2010
Annulation :
C'st avec grabd regret que David (K3LP - Co-Leader) et moi même (Hrane
YT1AD - Leader) avons du prendre la décision d'annuler la prochaine
expédition en T31 – sur l'île de Canton (http://www.yt1ad.info/t31/), prévue pour
11 jours en octobre 2010.
Notre décision a été motivée par l'annonce de l'expédition de juin par
une équipe (http://www.uz1hz.com/pacificodyssey.html).
Malheureusement il est moins onéreux d'nvoyer une équipe réduite avec
trois stations et deux amplificateurs.

Nous recherchons une autre destination pour 2011.

Sincerely, T31F team 2010

18098 CW & 18128 SSB
QSL via the French REF-Union BUREAU to F6BFH

ALBANIA :
Finally Frank and Patrick have decided to go to Albania instead of the
Xinthia follows to their homes.
They will sign ZA/F4DTO Franck and ZA/F4GFE Patrick, between April 15 to
24, 2010, only in SSB.
qsl via home call bureau or direct.

HH4 News update
Hi Pete,

I plan to try to work more 160M again this year. We have a vertical on the
roof with elevated radials. Last year I worked 363 stations and 28
countries with the vertical and 100W. This year we have a 500W amp with
K9AY receiving loop and preamp. Many want 160M.

73,
Jan K4QD

I.C.P.O. Bulletin (18-26 March 2010)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

18/03/2010: Bernard, F5LMW will be active as homecall/p on 18th and 19th March 2010, in the morning, from the Castle of Sceaux (DFCF 86-066 - New One!) located in the city of Vouille (CP 86190), Canton [County] of Vouille (DDCF 86-30), Department Vienne/86 and Province Poitou-Charentes (DPF 19). QRV 80 and 40 metres, mostly SSB. QSL via home call, direct or Bureau. [F5LMW]

18/03/2010: Operators Michal/OK7MT and Vit/OK5MM will be active as PJ4/OK7MT and PJ4/OK5MM, respectively, from the island of Bonaire (IOTA SA-006, WLOTA LH-1279) between 18th March and 1st April 2010. They are planning to be entries in the Russian DX (20-21st March) and CQWW WPX SSB Contests (27-28th March) as PJ4L. QSL PJ4L via OK7MT direct or Bureau. [OPDX Bulletin]

19/03/2010: Operators Gabi DF9TM, Frank DL2SWW, Matthias DK7LV, Fred DL4BBH, Helmut DL1BGC, Peter DJ4RU, Henning DB5BZ and Ric DL2VFR will be active from Newark Island (EU-127, GIA N-012) from 19-21st March 2010. They plan to activate Special DOK 700NWK (700 years Neuwerk) operating from the Newark lighthouse (DLTD_GLHS #38, ARLHS FED-165, TWLHD WLH DL-019, WLOTA LH-2311) using the callsign DA0GLH. They will also activate Hamburg Wadden Sea (WFF DLFF-005) using the callsign DF0WFF. QRV all HF bands using CW, SSB and PSK. QSL both calls via DL2VFR, direct or by the Bureau. [rsgbiota.org]

19/03/2010: Dim, UT5UGR will be active as FM/KL7WA from Ducos, island of Martinique (NA-107, DIFO FM-001, WLOTA LH-1041, DDFM 97) on 19-29 March 2010, including entries in the Russian DX Contest RDXC (20-21st March) and the CQWW WPX SSB Contest (27-28th March) (as TO7A). QSL for both callsigns via UT5UGR. [425 DX News]

19/03/2010: Andrei, NP3D will be active as HR2/NP3D from San Pedro Sula, Honduras, on 19-29th March 2010, including Single-Op/All-Band entry in the Russian DX Contest (20-21st March), BARTG Spring RTTY (20-21st March) and CQWW WPX SSB Contests (27-28th March) using the callsign HQ2T. Outside the contests, Andrei will be QRV 160-10 metres, with focus on 160 metres. QSL via W3HNK, RW6HS, or via LoTW. [NG3K]

19/03/2010: Look for Rick, K8GI to be active as homecall/4 from St. George island (IOTA NA-085, USi FL007S, Franklin County), Florida, from 19-21st March, 2010. Activity will be on or near the usual island and IOTA frequencies. QSL via home call, direct or by the Bureau. [rsgbiota.org]

19/03/2010: Stefan, DK1MM will be active from the QTH of Joop, P43JB in Oranjestad, Aruba (SA-036, WLOTA LH-0033), between 19th March and 1st April, 2010. He will be QRV on all bands using the callsign P4/DK1MM. He will also participate in the Russian DX Contest (20-21st March) and the CQWW WPX SSB Contest (27-28th March) as a Single-Op/All-Band entry using the special call P41M. QSL both calls via DK1MM, direct or Bureau. [NG3K]

19/03/2010: YO6CHB, YO6EZ, YO6GBE, YO6MP and YO6UO will operate CW, SSB and RTTY as YP1WFF from the Cheile Bicazului - Hasmas National Park (WFF YOFF-004) on 19-21st March 2010, including activity during the Russian DX Contest. QSL this operation via YO6EZ, direct or Bureau. [425 DX News]

20/03/2010: Look for 4J0WFF to be active from 20th March 2010, for three days and even more if local conditions permit, from the Yanar Dagh [Burning Mountain] National Reserve (WFF 4JFF-016, WW Loc. LN40WM). QRV with homemade UW3DI transceiver and 3xGU-50 amplifier, using Inverted-Vs, multiband Loop with P=43m. QSL info - PO Box 86, Baku, Az-1000, Azerbaijan. [4J5T]

20/03/2010: Franjo 9A2MF/p and Emir 9A6AA/p will be active from the Papuk Nature and Geo Park (WFF 9AFF-014) on 20th March 2010 after 1000 UTC. Maybe also 21st March! QRV 40 and 20 metre SSB using IC706MKII and dipole antenna + Honda generator. QSL via home calls, direct or Bureau. [9A2MF]

20/03/2010: Tim, NL8F will be active as E51COF from Rarotonga Island (OC-013), South Cook Islands, from 20-30 March, including an entry in th e CQWW WPX SSB Contest (27-28 March). QRV 80-10 metres using vertical antenna. QSL via K8NA (QRZ.com). [NG3K]

20/03/2010: Andrew, G7COD, will be operational from Playa Del Cura on the island of Gran Canaria (IOTA AF-004, DIE S-005, ESA GC, WLOTA LH-0969) using the call EA8/G7COD/A from the 20-28th March 2010. QRV 20-10 metres, including WARC bands, using SSB and CW. He will be operational every day from approximately 13:00z to 14:00z, 18:00z to 20:00z, and 23:00z to 23:30z. Spot frequencies to be used are: SSB - 14.177, 18.133, 21.253, 24.953 and 28.500 MHz (+/- 10 KHz); CW - 14.003, 18.073, 21.003 and 24.893 and 28.003 MHz (+/-). For comprehensive details of QSL information, propagation forecast etc., please check his website: www.8q7ak.freewebspace.com/ [Pete's-DX-Newsdesk]

20/03/2010: François, F5JNE and Gérard, F6ICG will be active on 20 March 2010 as F5JNE/p from the Old Castle (DFCF 58-106), located in the city of Arthel (CP 58700), Canton [County] of Premery (DDCF 58-19), Department Nievre/58 and Province Burgundy (DPF 05). QRV 80/40m CW and SSB starting around 0700 UTC. QSL via bureau, SWL cards welcome. [F5NQL]

20/03/2010: Daniel, DL5YWM will in Peru between 20th March and 15th May 2010. He plans to operate in his free time as OA4/DL5YWM from Lima; side trips to different call areas are possibile, as well a "last minute" operation from an island. QSL via home call. [425 DX News]

20/03/2010: Roberto, IV3IYH will be active as TG9IRP from Guatemala from 20th March to 1st April 2010, including an entry in the CQ WPX SSB Contest (27-28th March). He will operate SSB, CW and RTTY on 80-10 metres. QSL via IK2ILH, direct or bureau (e-mail requests for bureau cards can be sent to ik2ilh (at) libero.it), or LoTW. [425 DX News]

20/03/2010: Marty, W4MY and Paul, AA4XX will be activating Accomack county for the Virginia QSO Party from Tangier island (IOTA NA-083, USi VA001S, WLOTA LH-3049, WW Loc. FM27AT) on 20-21st March, 2010. They will be using a multiband vertical as well as our NVIS antenna for Virginia, so they expect to work and will be available for the openings on 15m and 20m to Europe. Check the VAQP website for recommended frequencies. QSL via W4MY, direct (QRZ.com) or Bureau. Website: www.qsl.net/sterling/VA_QSO_Party/2010_VQP/2010_VQP_Main.html [rsgbiota.org]

20/03/2010: Members of the Tri-County Amateur Radio Club of North Texas (www.wc5c.org/), WC5C plan to be active from Goat Island (USI TX062, Not IOTA, WW Loc. EM22WS), Caddo Lake, Marion County, Texas, on 20 March 2010. QSL direct to KB5YLG (David Johnson, 820 Wood Ln, Azle, TX 76020 USA) with SASE/SAE + sufficient postage. [rsgbiota.org]

21/03/2010: Bodo, DL3OCH will be active as 8Q7QX from the island of Velidhu, Ari Atoll (IOTA AS-031, WLOTA LH-0317, WW Loc. MJ64JE), Maldive Islands, from 21st March to 4th April, 2010. QRV mostly in CW and maybe some RTTY and PSK31, with vertical antenna and IC-7000 (100W only). Depending on conditions, he will be mostly on 40-12m but also try some 80m. Bodo cannot be QRV all day long on the HF bands since he will be operating EME as well, on on 6m, 2m, 70cm and 23cm. QSL via home call, direct or Bureau. Logs will be uploaded to LoTW after the DXpedition. [rsgbiota.org]

21/03/2010: Mike, CU3HY will be homecall/p on 21st March, 2010, from Ermida Espirito Santo (WCA CT-01560, DMHP AZ-094) and Solar dos Carvalhais (WCA CT-01606, DMHP AZ-117) located on Terceira island (IOTA EU-175, DIP AZ-003, WLOTA LH-0524). Plans are to work on 20 and 40 metres. QSL via home call, direct or Bureau. For more information please visit: www.wcagroup.org/ [RN1CW]

21/03/2010: Olivier ON4EI will be activating Bere Island (IOTA EU-121, WLOTA LH-2983) as EJ8GQB, his new Irish callsign. This solo expedition is planned from 21st-29th March 2010. Activity will be 160-10m SSB/RTTY. HB: Spiderbeam beam; LB: 18m vertical mast top loaded + 30 radials; Rig: K3 100W. He will also take part in the CQ WPX SSB Contest (27th-28th March). [LY4A DX News]

21/03/2010: Yoshi, JE2EHP will be active as K1HP/KH0 from the island of Saipan (IOTA OC-086, USi NI002S, WLOTA LH-1333, Grid Loc. QK25) from 21-25th March 2010. Activity will be on all the HF bands and 6m, using CW, SSB and RTTY. QSL via the Bureau to home call. [OPDX Bulletin]

21/03/2010: Operators Gav GM0GAV and Rob GM3YTS will be active as S79GM between 21st March and 1st April 2010 from Mahé Island (IOTA AF-024),

Seychelle Islands. QRV on all bands with an emphasis on the lower bands. Operations will be mainly CW with a possibility of some RTTY. Equipment: Elecraft K3 + K2, THP HL1.1Kfx amplifier and Verticals near the sea. They have tried to gain access to 7000-7050 kHz without any success, so look for them on 7050 or above and listening around 7025 kHz. They do have full access to 80m. There is a S79GM blog and the operators plan to update their QSX frequencies on that page. The blog page is: s79gm.blogspot.com/ . All QSOs will be uploaded to LoTW immediately upon their return home and they hope to be able to upload their logs during the DXpedition to: www.clublog.org/charts/?c=S79GM [OPDX Bulletin]

21/03/2010: On Sunday, 21st March 2010, between 1200 to 2000 UTC, Alain F6BFH and Serge F6AUS will be active from Tintamarre Island (IOTA NA-199) as TO5SM/p. QRV on 14040 and 18098 kHz CW, 14260 and 18128 kHz SSB. QSL via the French REF-Union Bureau to F6BFH. [F5NQL]

22/03/2010: Dave, AC0QG/5 will be active from South Padre island (IOTA NA-092, USi TX007S, Cameron County), Texas, from 22-28th March, 2010. Activity will be on the HF bands, on or near the usual island and IOTA frequencies. QSL direct to AC0QG (QRZ.com). eQSL or LoTW to AC0QG/5. [rsgbiota.org]

22/03/2010: Operators Jan K4QD and Don AF4Z will be QRV as HH4/homecalls from the Northwest Haiti Christian Mission (www.nwhcm.org/), Haiti (NA-096, WLOTA LH-0343), from 22nd March to 2nd April 2010. They will operate 160-10m on CW, SSB and RTTY as time permits. They will also participate in the CQWW WPX SSB contest (27-28th March). They are working with HH2JR and the Radio Club of Haiti in an attempt to again obtain the special 4V4JR call used last year for the contest. QSL to home calls, direct preferred but Bureau ok. [K1XN]

22/03/2010: David, K2DBK will be visiting family and operating in his spare time from Lido Key (IOTA NA-034, USi FL027S), Sarasota County, Florida, as K2DBK/4 on 22-24th March 2010. He expects to be on 20m and possibly 15m depending on band conditions, SSB only. QSL via home call, Bureau or direct. [rsgbiota.org]

22/03/2010: Rod, N0RC, will be active as OX3RC from Thule, Greenland (IOTA NA-018, WLOTA LH-0072), between 22nd March and 24th April 2010. Activity will be limited as work permits, but Rod plans to be on every other day and try to get on the air for contest weekends, but he cannot guarantee this. Look for the log to be uploaded to LoTW and EQSL. QSL via home call, direct or Bureau. [OPDX Bulletin]

23/03/2010: Dave, W5CW will be active from the VP5JM rental QTH on Providenciales (NA-002, WW Loc. FL31VS) as VP5/homecall between 23rd March and 6th April 2010. He will also participate as a Single-Op/All-Band entry in the CQWW WPX SSB Contest (27-28th March) using the callsign VP50V (VP Fifty V). Outside the contest he will be QRV 160-6 metre CW and SSB, with focus on the WARC bands. On 6 meters he will use 100 watts and 7element M2 yagi. QSL direct to home call (Box 88, Morris, OK 74445-0088 USA). [NG3K]

24/03/2010: Helmut, DF7ZS will be active from Santana, Ilha da Madeira (IOTA AF-014, DIP MA-001, WLOTA LH-0053) on 24-31st March 2010 as CT9/DF7ZS. Activity will be holiday style and will focus on the WARC bands. He will also participate in the CQWW WPX SSB Contest (27-28th March) using the callsign CQ3L (previously CR3L). QSL CQ3L via DJ6QT, direct or by the Bureau. CT9/DF7ZS's QSLs go via the Bureau (Global QSL). Logs will be uploaded to LoTW. [NG3K]

24/03/2010: Roberto, I2JIN will be active as YS3CW from Corinto (WW Loc. EK63AT), Morazán Department, El Salvador, between 24th March and 11th April 2010. He plans to operate mainly CW. QSL via home call, direct or Bureau. [425 DX News]

25/03/2010: Kirk/JF3MYU, Ted/K8AQM, Brian/KG8CO and Paul/NF8J (possible others joining) will be operating from Chichi-jima (AS-031, JIIA AS-031-003, WLOTA LH-2269) from 25 March through 5 April. Activity will be 160m-10m CW, SSB and RTTY. More on the QSL info and calls as they are issued. [NG3K]

26/03/2010: Operators Stan, EI6DX and Mike, UA1OMX will be active as EJ6DX from Inis Mor, Aran Islands (IOTA EU-006), County Galway, between 26th and 28th March 2010, including an entry in the CQWW WPX SSB Contest (27-28th March) as a Multi-Single entry. They plan to use a 3 band yagi, HF2V for 80/40m and an Inverted V for the lower bands. QSL via RX3RC, direct or Bureau. Look for updates at: www.ei6dx.com/ [OPDX Bulletin]

26/03/2010: Operators Raffaello IT9ATF, Renato IT9NPR, Giuseppe IT9PPG and Giuseppe IT9WDC will be active from the island of Favignana (IOTA EU-054, IIA TP-011, MIA MI-025, WLOTA LH-1545) as IF9A from 26-28th March, 2010. Main focus will be the CQWW WPX SSB Contest (27-28th March). QSL via IT9ATF, direct or Bureau. [rsgbiota.org]

26/03/2010: Cezar (VE3LYC) will attempt to activate East Pen Island (NA-231, new one) for three days between 26th and 31st March, 2010. Intended callsign will be VY0V, which will be applied for in due course. Cezar reminds everyone that an earlier try he undertook with G3OCA in July 2007 was unsuccessful. The outcome of this new attempt will be determined by local conditions, weather and safety factors. At this time, Cezar is looking for group and individual donors who understand and appreciate the nature of this difficult project and are willing to join in the effort. Support for this project is welcome via PayPal at tiberius.trifu -at- gmail.com [425 DX News]
==========
LOOKING AHEAD -

27/03/2010: Tom, W2SC will be QRV as 8P5A from Warleigh Plantation, Barbados (NA-021, WLOTA LH-0999), for the CQWW WPX SSB Contest (27-28 March) as aSingle-Op/All-Band/High-Power entry. QSL via NN1N, direct or Bureau. [NG3K]

27/03/2010: Dan HR2DMR and his son Daniel HQ2DMR will be active from Progreso, Yoro, Honduras, as HQ2W during the CQWW WPX SSB Contest (27-28 March) as a Multi-Single/All-Band/Low-Power entry using monobander

yagis. QSL direct to HR2DMR. [NG3K]

27/03/2010: Look for 9 year old Yoshiki, KH0UA, to join the CQWW WPX SSB Contest (27-28 March) from the Aquarius Beach Tower Contest Club (AH0BT) shack, located on Saipan island (USi NI002S, WLOTA LH-1333), Northern Mariana Islands (IOTA OC-086). This will be his first experience for full SOAB entry in a DX contest (Single-Op/All-Band/High-Power/Rookie class). QSL direct to JF1UCV. [NG3K]

27/03/2010: Matt, DJ8OG will be active from Eschdorf, Luxembourg, as LX7I during the CQWW WPX SSB Contest (27-28 March) as a Single-Op/All-Band entry. QSL via LX2A, direct or Bureau. [NG3K]

27/03/2010: Operators Alex 5B8AD, Tony RX9TL, Mike RK3QS, Max RV3BA, Vadim UA9SCX and Jack RW3QC will be active from the island of Cyprus (AS-004, MIA MCI-002, WLOTA LH-0051) as P3N during the CQWW WPX SSB Contest (27-28th March) as a Multi-Single entry. QSL direct to RW3RN. [NG3K]

27/03/2010: Robert, ST2AR will be active from Khartoum, Sudan, during the CQWW WPX SSB Contest (27-28th March) as a Single-Op/All-Band entry. QSL via S53R, direct only. [NG3K]

07/04/2010: Slavo, SP2JMB will be active on all bands, CW only, as 3B8SC from Flic en Flac, located on the west coast of Mauritius island (IOTA AF-049, WLOTA LH-0595), from 7-21st April, 2010. Bogdan, SP2FUD will be joining Slavo and will operate SSB and RTTY modes. QSL via SP2JMB. Website: www.sp2jmb.pl/ [F5NQL]

15/04/2010: Finally Frank, F4DTO and Patrick, F4GFE have decided to go to Albania instead of the damage Xinthia left to their homes. They will sign ZA/homecalls from 15-24th April 2010, using SSB only. QSL via home calls, bureau or direct. [F5NQL]

24/04/2010: Kuro, AL5A will be active from the Himawari Hotel, island of Saipan (USi NI002S, WLOTA LH-1333, WW Loc. QK25CE), Northern Mariana Islands (IOTA OC-086) as AL5A/WH0 from 24-26 April, 2010. He will focus his activity to European stations. QRV 80-10 metres, using 100 watts on CW and SSB. QSL via JA7JEC, direct or Bureau. [NG3K]

12/05/2010: Look for Dominic ON4AZP, Michel ON4CAQ, Francois ON6VP, Herman ON7FH and Maurice ON7KS to be active as OZ5K from Langeland island (IOTA EU-172, DIA FY-019, WLOTA LH-0590) on 12-18th May, 2010. QRV all HF bands/modes. They also plan to activate Lolland island (IOTA EU-029) for one day only. QSL via ON4AMM, direct or Bureau. Website: www.on4dst.be/iota [rsgbiota.org]

12/06/2010: Steve, G0SGB will visit the islands of Malta (IOTA EU-023, MIA MM-001, WLOTA LH-1113) and Gozo (IOTA EU-023, MIA MM-004, WLOTA LH-0046) from 12-25th June, 2010. This activity will focus on lighthouse activations from Malta as 9H3/G0SGB/p and Gozo as 9H4/G0SGB/p. Steve

will be operating from All Lighthouses. Some references may include: Delimara Point, Malta (Admiralty E2070, ARLHS MLT-001); Valletta, Fort St. Elmo, Malta (Admiralty E2061.5, ARLHS MLT-007); Giordan, Gozo (Admiralty E2050, ARLHS MLT-003); St. Elmo, Grand Harbour West Breakwater, Malta (Admiralty E2062, ARLHS MLT-002) and others. QSL via home call, direct only. Further information at: www.barls.org.uk/ [rsgbiota.org]

12/06/2010: Look for Bernd, DL8AAV to be active from the island of Orust (IOTA EU-043) as SD1B/6, on all HF bands, from 12-25th June, 2010. QSL via home call, direct or Bureau. [rsgbiota.org]

02/07/2010: Look for Pontus, SM0R/SM0RUX and Jaan, SM0OEK to be active as SM0R/1 from the island of Gotska Sandön (IOTA EU-020, WLOTA LH-0401, Grid Loc. JO98), Gotland County, Sweden, from 2-4th July, 2010. QRV on the HF bands and 50 MHz. Note that this activity will also count for Gotska Sandön National Park (WFF reference SMFF-010). QSL via SM0R, direct or Bureau. [rsgbiota.org]

05/07/2010: Paul, FP/K9OT and Peg, FP/KB9LIE will be active 5-14th July 2010 from the Motel de Miquelon (formerly Maxotel) on the island of Miquelon (NA-032, DIFO FP-002, WLOTA L1417, WW Loc. GN17TC). QRV 160-6 metre CW and SSB, using wire vertical antennas and 100 watts. Main bands will be 40, 30, 20, and 17. They also plan to participate in the IARU HF Championships (10-11th July). QSL via their home calls. One current IRC is fine, or one greenstamp or euro. Bureau cards are welcome. E-qsls will NOT be acknowledged. [NG3K]

24/07/2010: Louis VE2EZD and Jean-Pierre VA2SG will be active for the RSGB IOTA Contest from Bonaventure island (IOTA NA-177, CIsA QC002) on 24th July, 2010 using the callsign VA2SG. QRV on 20m and 40m CW only, using QRP. QSL direct to VE2EZD (QRZ.com). [rsgbiota.org]
==========
SPECIAL EVENTS -

23/03/2010: Look for special event station 8J6AIRA to be active from 23 March to 31 August 2010 to celebrate the birth of Aira-city (JCC # 4626), Kyushu (IOTA AS-077, JIIA AS-077-001, WLOTA LH-0963), Japan. A planned merger of municipalities will be implemented in March 2010. The Aira District towns of Aira, Kajiki, and Kamo will merge into the City of Aira. QSL via the JARL Bureau. [JJ1WTL/AC6IM]

I.C.P.O. Bulletin (18-26 March 2010)
"Islands, Castles & Portable Operations"
Listing is by calendar date (day/month/year)
==========

18/03/2010: Bernard, F5LMW will be active as homecall/p on 18th and 19th March 2010, in the morning, from the Castle of Sceaux (DFCF 86-066 - New One!) located in the city of Vouille (CP 86190), Canton [County] of Vouille (DDCF 86-30), Department Vienne/86 and Province Poitou-Charentes (DPF 19). QRV 80 and 40 metres, mostly SSB. QSL via home call, direct or Bureau. [F5LMW]

18/03/2010: Operators Michal/OK7MT and Vit/OK5MM will be active as PJ4/OK7MT and PJ4/OK5MM, respectively, from the island of Bonaire (IOTA SA-006, WLOTA LH-1279) between 18th March and 1st April 2010. They are planning to be entries in the Russian DX (20-21st March) and CQWW WPX SSB Contests (27-28th March) as PJ4L. QSL PJ4L via OK7MT direct or Bureau. [OPDX Bulletin]

19/03/2010: Operators Gabi DF9TM, Frank DL2SWW, Matthias DK7LV, Fred DL4BBH, Helmut DL1BGC, Peter DJ4RU, Henning DB5BZ and Ric DL2VFR will be active from Newark Island (EU-127, GIA N-012) from 19-21st March 2010. They plan to activate Special DOK 700NWK (700 years Neuwerk) operating from the Newark lighthouse (DLTD_GLHS #38, ARLHS FED-165, TWLHD WLH DL-019, WLOTA LH-2311) using the callsign DA0GLH. They will also activate Hamburg Wadden Sea (WFF DLFF-005) using the callsign DF0WFF. QRV all HF bands using CW, SSB and PSK. QSL both calls via DL2VFR, direct or by the Bureau. [rsgbiota.org]

19/03/2010: Dim, UT5UGR will be active as FM/KL7WA from Ducos, island of Martinique (NA-107, DIFO FM-001, WLOTA LH-1041, DDFM 97) on 19-29 March 2010, including entries in the Russian DX Contest RDXC (20-21st March) and the CQWW WPX SSB Contest (27-28th March) (as TO7A). QSL for both callsigns via UT5UGR. [425 DX News]

19/03/2010: Andrei, NP3D will be active as HR2/NP3D from San Pedro Sula, Honduras, on 19-29th March 2010, including Single-Op/All-Band entry in the Russian DX Contest (20-21st March), BARTG Spring RTTY (20-21st March) and CQWW WPX SSB Contests (27-28th March) using the callsign HQ2T. Outside the contests, Andrei will be QRV 160-10 metres, with focus on 160 metres. QSL via W3HNK, RW6HS, or via LoTW. [NG3K]

19/03/2010: Look for Rick, K8GI to be active as homecall/4 from St. George island (IOTA NA-085, USi FL007S, Franklin County), Florida, from 19-21st March, 2010. Activity will be on or near the usual island and IOTA frequencies. QSL via home call, direct or by the Bureau. [rsgbiota.org]

19/03/2010: Stefan, DK1MM will be active from the QTH of Joop, P43JB in Oranjestad, Aruba (SA-036, WLOTA LH-0033), between 19th March and 1st April, 2010. He will be QRV on all bands using the callsign P4/DK1MM. He will also participate in the Russian DX Contest (20-21st March) and the CQWW WPX SSB Contest (27-28th March) as a Single-Op/All-Band entry using the special call P41M. QSL both calls via DK1MM, direct or Bureau. [NG3K]

19/03/2010: YO6CHB, YO6EZ, YO6GBE, YO6MP and YO6UO will operate CW, SSB and RTTY as YP1WFF from the Cheile Bicazului - Hasmas National Park (WFF YOFF-004) on 19-21st March 2010, including activity during the Russian DX Contest. QSL this operation via YO6EZ, direct or Bureau. [425 DX News]

20/03/2010: Look for 4J0WFF to be active from 20th March 2010, for three days and even more if local conditions permit, from the Yanar Dagh [Burning Mountain] National Reserve (WFF 4JFF-016, WW Loc. LN40WM). QRV with homemade UW3DI transceiver and 3xGU-50 amplifier, using Inverted-Vs, multiband Loop with P=43m. QSL info - PO Box 86, Baku, Az-1000, Azerbaijan. [4J5T]

20/03/2010: Franjo 9A2MF/p and Emir 9A6AA/p will be active from the Papuk Nature and Geo Park (WFF 9AFF-014) on 20th March 2010 after 1000 UTC. Maybe also 21st March! QRV 40 and 20 metre SSB using IC706MKII and dipole antenna + Honda generator. QSL via home calls, direct or Bureau. [9A2MF]

20/03/2010: Tim, NL8F will be active as E51COF from Rarotonga Island (OC-013), South Cook Islands, from 20-30 March, including an entry in th e CQWW WPX SSB Contest (27-28 March). QRV 80-10 metres using vertical antenna. QSL via K8NA (QRZ.com). [NG3K]

20/03/2010: Andrew, G7COD, will be operational from Playa Del Cura on the island of Gran Canaria (IOTA AF-004, DIE S-005, ESA GC, WLOTA LH-0969) using the call EA8/G7COD/A from the 20-28th March 2010. QRV 20-10 metres, including WARC bands, using SSB and CW. He will be operational every day from approximately 13:00z to 14:00z, 18:00z to 20:00z, and 23:00z to 23:30z. Spot frequencies to be used are: SSB - 14.177, 18.133, 21.253, 24.953 and 28.500 MHz (+/- 10 KHz); CW - 14.003, 18.073, 21.003 and 24.893 and 28.003 MHz (+/-). For comprehensive details of QSL information, propagation forecast etc., please check his website: www.8q7ak.freewebspace.com/ [Pete's-DX-Newsdesk]

20/03/2010: Fran?ois, F5JNE and G?rard, F6ICG will be active on 20 March 2010 as F5JNE/p from the Old Castle (DFCF 58-106), located in the city of Arthel (CP 58700), Canton [County] of Premery (DDCF 58-19), Department Nievre/58 and Province Burgundy (DPF 05). QRV 80/40m CW and

SSB starting around 0700 UTC. QSL via bureau, SWL cards welcome. [F5NQL]

20/03/2010: Daniel, DL5YWM will in Peru between 20th March and 15th May 2010. He plans to operate in his free time as OA4/DL5YWM from Lima; side trips to different call areas are possibile, as well a "last minute" operation from an island. QSL via home call. [425 DX News]

20/03/2010: Roberto, IV3IYH will be active as TG9IRP from Guatemala from 20th March to 1st April 2010, including an entry in the CQ WPX SSB Contest (27-28th March). He will operate SSB, CW and RTTY on 80-10 metres. QSL via IK2ILH, direct or bureau (e-mail requests for bureau cards can be sent to ik2ilh (at) libero.it), or LoTW. [425 DX News]

20/03/2010: Marty, W4MY and Paul, AA4XX will be activating Accomack county for the Virginia QSO Party from Tangier island (IOTA NA-083, USi VA001S, WLOTA LH-3049, WW Loc. FM27AT) on 20-21st March, 2010. They will be using a multiband vertical as well as our NVIS antenna for Virginia, so they expect to work and will be available for the openings on 15m and 20m to Europe. Check the VAQP website for recommended frequencies. QSL via W4MY, direct (QRZ.com) or Bureau. Website: www.qsl.net/sterling/VA_QSO_Party/2010_VQP/2010_VQP_Main.html [rsgbiota.org]

20/03/2010: Members of the Tri-County Amateur Radio Club of North Texas (www.wc5c.org/), WC5C plan to be active from Goat Island (USI TX062, Not IOTA, WW Loc. EM22WS), Caddo Lake, Marion County, Texas, on 20 March 2010. QSL direct to KB5YLG (David Johnson, 820 Wood Ln, Azle, TX 76020 USA) with SASE/SAE + sufficient postage. [rsgbiota.org]

21/03/2010: Bodo, DL3OCH will be active as 8Q7QX from the island of Velidhu, Ari Atoll (IOTA AS-031, WLOTA LH-0317, WW Loc. MJ64JE), Maldive Islands, from 21st March to 4th April, 2010. QRV mostly in CW and maybe some RTTY and PSK31, with vertical antenna and IC-7000 (100W only). Depending on conditions, he will be mostly on 40-12m but also try some 80m. Bodo cannot be QRV all day long on the HF bands since he will be operating EME as well, on on 6m, 2m, 70cm and 23cm. QSL via home call, direct or Bureau. Logs will be uploaded to LoTW after the DXpedition. [rsgbiota.org]

21/03/2010: Mike, CU3HY will be homecall/p on 21st March, 2010, from Ermida Espirito Santo (WCA CT-01560, DMHP AZ-094) and Solar dos Carvalhais (WCA CT-01606, DMHP AZ-117) located on Terceira island (IOTA EU-175, DIP AZ-003, WLOTA LH-0524). Plans are to work on 20 and 40 metres. QSL via home call, direct or Bureau. For more information please visit: www.wcagroup.org/ [RN1CW]

21/03/2010: Olivier ON4EI will be activating Bere Island (IOTA EU-121, WLOTA LH-2983) as EJ8GQB, his new Irish callsign. This solo expedition is planned from 21st-29th March 2010. Activity will be 160-10m SSB/RTTY. HB: Spiderbeam beam; LB: 18m vertical mast top loaded + 30 radials; Rig: K3 100W. He will also take part in the CQ WPX SSB Contest (27th-28th March). [LY4A DX News]

21/03/2010: Yoshi, JE2EHP will be active as K1HP/KH0 from the island of Saipan (IOTA OC-086, USi NI002S, WLOTA LH-1333, Grid Loc. QK25) from 21-25th March 2010. Activity will be on all the HF bands and 6m, using CW, SSB and RTTY. QSL via the Bureau to home call. [OPDX Bulletin]

21/03/2010: Operators Gav GM0GAV and Rob GM3YTS will be active as S79GM between 21st March and 1st April 2010 from Mah? Island (IOTA AF-024), Seychelle Islands. QRV on all bands with an emphasis on the lower bands. Operations will be mainly CW with a possibility of some RTTY. Equipment: Elecraft K3 + K2, THP HL1.1Kfx amplifier and Verticals near the sea. They have tried to gain access to 7000-7050 kHz without any success, so look for them on 7050 or above and listening around 7025 kHz. They do have full access to 80m. There is a S79GM blog and the operators plan to update their QSX frequencies on that page. The blog page is: s79gm.blogspot.com/ . All QSOs will be uploaded to LoTW immediately upon their return home and they hope to be able to upload their logs during the DXpedition to: www.clublog.org/charts/?c=S79GM [OPDX Bulletin]

21/03/2010: On Sunday, 21st March 2010, between 1200 to 2000 UTC, Alain F6BFH and Serge F6AUS will be active from Tintamarre Island (IOTA NA-199) as TO5SM/p. QRV on 14040 and 18098 kHz CW, 14260 and 18128 kHz SSB. QSL via the French REF-Union Bureau to F6BFH. [F5NQL]

22/03/2010: Dave, AC0QG/5 will be active from South Padre island (IOTA NA-092, USi TX007S, Cameron County), Texas, from 22-28th March, 2010. Activity will be on the HF bands, on or near the usual island and IOTA frequencies. QSL direct to AC0QG (QRZ.com). eQSL or LoTW to AC0QG/5. [rsgbiota.org]

22/03/2010: Operators Jan K4QD and Don AF4Z will be QRV as HH4/homecalls from the Northwest Haiti Christian Mission (www.nwhcm.org/), Haiti (NA-096, WLOTA LH-0343), from 22nd March to 2nd April 2010. They will operate 160-10m on CW, SSB and RTTY as time permits. They will also participate in the CQWW WPX SSB contest (27-28th March). They are working with HH2JR and the Radio Club of Haiti in an attempt to again obtain the special 4V4JR call used last year for the contest. QSL to home calls, direct preferred but Bureau ok. [K1XN]

22/03/2010: David, K2DBK will be visiting family and operating in his spare time from Lido Key (IOTA NA-034, USi FL027S), Sarasota County, Florida, as K2DBK/4 on 22-24th March 2010. He expects to be on 20m and possibly 15m depending on band conditions, SSB only. QSL via home call, Bureau or direct. [rsgbiota.org]

22/03/2010: Rod, N0RC, will be active as OX3RC from Thule, Greenland (IOTA NA-018, WLOTA LH-0072), between 22nd March and 24th April 2010. Activity will be limited as work permits, but Rod plans to be on every other day and try to get on the air for contest weekends, but he cannot guarantee this. Look for the log to be uploaded to LoTW and EQSL. QSL via home call, direct or Bureau. [OPDX Bulletin]

23/03/2010: Dave, W5CW will be active from the VP5JM rental QTH on Providenciales (NA-002, WW Loc. FL31VS) as VP5/homecall between 23rd

March and 6th April 2010. He will also participate as a Single-Op/All-Band entry in the CQWW WPX SSB Contest (27-28th March) using the callsign VP50V (VP Fifty V). Outside the contest he will be QRV 160-6 metre CW and SSB, with focus on the WARC bands. On 6 meters he will use 100 watts and 7element M2 yagi. QSL direct to home call (Box 88, Morris, OK 74445-0088 USA). [NG3K]

24/03/2010: Helmut, DF7ZS will be active from Santana, Ilha da Madeira (IOTA AF-014, DIP MA-001, WLOTA LH-0053) on 24-31st March 2010 as CT9/DF7ZS. Activity will be holiday style and will focus on the WARC bands. He will also participate in the CQWW WPX SSB Contest (27-28th March) using the callsign CQ3L (previously CR3L). QSL CQ3L via DJ6QT, direct or by the Bureau. CT9/DF7ZS's QSLs go via the Bureau (Global QSL). Logs will be uploaded to LoTW. [NG3K]

24/03/2010: Roberto, I2JIN will be active as YS3CW from Corinto (WW Loc. EK63AT), Moraz?n Department, El Salvador, between 24th March and 11th April 2010. He plans to operate mainly CW. QSL via home call, direct or Bureau. [425 DX News]

25/03/2010: Kirk/JF3MYU, Ted/K8AQM, Brian/KG8CO and Paul/NF8J (possible others joining) will be operating from Chichi-jima (AS-031, JIIA AS-031-003, WLOTA LH-2269) from 25 March through 5 April. Activity will be 160m-10m CW, SSB and RTTY. More on the QSL info and calls as they are issued. [NG3K]

26/03/2010: Operators Stan, EI6DX and Mike, UA1OMX will be active as EJ6DX from Inis Mor, Aran Islands (IOTA EU-006), County Galway, between 26th and 28th March 2010, including an entry in the CQWW WPX SSB Contest (27-28th March) as a Multi-Single entry. They plan to use a 3 band yagi, HF2V for 80/40m and an Inverted V for the lower bands. QSL via RX3RC, direct or Bureau. Look for updates at: www.ei6dx.com/ [OPDX Bulletin]

26/03/2010: Operators Raffaello IT9ATF, Renato IT9NPR, Giuseppe IT9PPG and Giuseppe IT9WDC will be active from the island of Favignana (IOTA EU-054, IIA TP-011, MIA MI-025, WLOTA LH-1545) as IF9A from 26-28th March, 2010. Main focus will be the CQWW WPX SSB Contest (27-28th March). QSL via IT9ATF, direct or Bureau. [rsgbiota.org]

26/03/2010: Cezar (VE3LYC) will attempt to activate East Pen Island (NA-231, new one) for three days between 26th and 31st March, 2010. Intended callsign will be VY0V, which will be applied for in due course. Cezar reminds everyone that an earlier try he undertook with G3OCA in July 2007 was unsuccessful. The outcome of this new attempt will be determined by local conditions, weather and safety factors. At this time, Cezar is looking for group and individual donors who understand and appreciate the nature of this difficult project and are willing to join in the effort. Support for this project is welcome via PayPal at tiberius.trifu -at- gmail.com [425 DX News]

==========

LOOKING AHEAD -

27/03/2010: Tom, W2SC will be QRV as 8P5A from Warleigh Plantation, Barbados (NA-021, WLOTA LH-0999), for the CQWW WPX SSB Contest (27-28 March) as aSingle-Op/All-Band/High-Power entry. QSL via NN1N, direct or Bureau. [NG3K]

27/03/2010: Dan HR2DMR and his son Daniel HQ2DMR will be active from Progreso, Yoro, Honduras, as HQ2W during the CQWW WPX SSB Contest (27-28 March) as a Multi-Single/All-Band/Low-Power entry using monobander yagis. QSL direct to HR2DMR. [NG3K]

27/03/2010: Look for 9 year old Yoshiki, KH0UA, to join the CQWW WPX SSB Contest (27-28 March) from the Aquarius Beach Tower Contest Club (AH0BT) shack, located on Saipan island (USi NI002S, WLOTA LH-1333), Northern Mariana Islands (IOTA OC-086). This will be his first experience for full SOAB entry in a DX contest (Single-Op/All-Band/High-Power/Rookie class). QSL direct to JF1UCV. [NG3K]

27/03/2010: Matt, DJ8OG will be active from Eschdorf, Luxembourg, as LX7I during the CQWW WPX SSB Contest (27-28 March) as a Single-Op/All-Band entry. QSL via LX2A, direct or Bureau. [NG3K]

27/03/2010: Operators Alex 5B8AD, Tony RX9TL, Mike RK3QS, Max RV3BA, Vadim UA9SCX and Jack RW3QC will be active from the island of Cyprus (AS-004, MIA MCI-002, WLOTA LH-0051) as P3N during the CQWW WPX SSB Contest (27-28th March) as a Multi-Single entry. QSL direct to RW3RN. [NG3K]

27/03/2010: Robert, ST2AR will be active from Khartoum, Sudan, during the CQWW WPX SSB Contest (27-28th March) as a Single-Op/All-Band entry. QSL via S53R, direct only. [NG3K]

07/04/2010: Slavo, SP2JMB will be active on all bands, CW only, as 3B8SC from Flic en Flac, located on the west coast of Mauritius island (IOTA AF-049, WLOTA LH-0595), from 7-21st April, 2010. Bogdan, SP2FUD will be joining Slavo and will operate SSB and RTTY modes. QSL via SP2JMB. Website: www.sp2jmb.pl/ [F5NQL]

15/04/2010: Finally Frank, F4DTO and Patrick, F4GFE have decided to go to Albania instead of the damage Xinthia left to their homes. They will sign ZA/homecalls from 15-24th April 2010, using SSB only. QSL via home calls, bureau or direct. [F5NQL]

24/04/2010: Kuro, AL5A will be active from the Himawari Hotel, island of Saipan (USi NI002S, WLOTA LH-1333, WW Loc. QK25CE), Northern Mariana Islands (IOTA OC-086) as AL5A/WH0 from 24-26 April, 2010. He will focus his activity to European stations. QRV 80-10 metres, using 100 watts on CW and SSB. QSL via JA7JEC, direct or Bureau. [NG3K]

12/05/2010: Look for Dominic ON4AZP, Michel ON4CAQ, Francois ON6VP, Herman ON7FH and Maurice ON7KS to be active as OZ5K from Langeland island (IOTA EU-172, DIA FY-019, WLOTA LH-0590) on 12-18th May, 2010. QRV all HF bands/modes. They also plan to activate Lolland island (IOTA

EU-029) for one day only. QSL via ON4AMM, direct or Bureau. Website: www.on4dst.be/iota [rsgbiota.org]

12/06/2010: Steve, G0SGB will visit the islands of Malta (IOTA EU-023, MIA MM-001, WLOTA LH-1113) and Gozo (IOTA EU-023, MIA MM-004, WLOTA LH-0046) from 12-25th June, 2010. This activity will focus on lighthouse activations from Malta as 9H3/G0SGB/p and Gozo as 9H4/G0SGB/p. Steve will be operating from All Lighthouses. Some references may include: Delimara Point, Malta (Admiralty E2070, ARLHS MLT-001); Valletta, Fort St. Elmo, Malta (Admiralty E2061.5, ARLHS MLT-007); Giordan, Gozo (Admiralty E2050, ARLHS MLT-003); St. Elmo, Grand Harbour West Breakwater, Malta (Admiralty E2062, ARLHS MLT-002) and others. QSL via home call, direct only. Further information at: www.barls.org.uk/ [rsgbiota.org]

12/06/2010: Look for Bernd, DL8AAV to be active from the island of Orust (IOTA EU-043) as SD1B/6, on all HF bands, from 12-25th June, 2010. QSL via home call, direct or Bureau. [rsgbiota.org]

02/07/2010: Look for Pontus, SM0R/SM0RUX and Jaan, SM0OEK to be active as SM0R/1 from the island of Gotska Sand?n (IOTA EU-020, WLOTA LH-0401, Grid Loc. JO98), Gotland County, Sweden, from 2-4th July, 2010. QRV on the HF bands and 50 MHz. Note that this activity will also count for Gotska Sand?n National Park (WFF reference SMFF-010). QSL via SM0R, direct or Bureau. [rsgbiota.org]

05/07/2010: Paul, FP/K9OT and Peg, FP/KB9LIE will be active 5-14th July 2010 from the Motel de Miquelon (formerly Maxotel) on the island of Miquelon (NA-032, DIFO FP-002, WLOTA L1417, WW Loc. GN17TC). QRV 160-6 metre CW and SSB, using wire vertical antennas and 100 watts. Main bands will be 40, 30, 20, and 17. They also plan to participate in the IARU HF Championships (10-11th July). QSL via their home calls. One current IRC is fine, or one greenstamp or euro. Bureau cards are welcome. E-qsls will NOT be acknowledged. [NG3K]

24/07/2010: Louis VE2EZD and Jean-Pierre VA2SG will be active for the RSGB IOTA Contest from Bonaventure island (IOTA NA-177, CIsA QC002) on 24th July, 2010 using the callsign VA2SG. QRV on 20m and 40m CW only, using QRP. QSL direct to VE2EZD (QRZ.com). [rsgbiota.org]
==========
SPECIAL EVENTS -

23/03/2010: Look for special event station 8J6AIRA to be active from 23 March to 31 August 2010 to celebrate the birth of Aira-city (JCC # 4626), Kyushu (IOTA AS-077, JIIA AS-077-001, WLOTA LH-0963), Japan. A planned merger of municipalities will be implemented in March 2010. The Aira District towns of Aira, Kajiki, and Kamo will merge into the City of Aira. QSL via the JARL Bureau. [JJ1WTL/AC6IM]

U.S.A. Special event station information can be found at: www.arrl.org/contests/spev.html
